DISCUSSION RELATIVE TO FIRE EMPLOYEES REPORT PRESENTED MAY 24, 1983

Mayor Trantham said the members of City Council had reviewed the report submitted by the fire department employees, however a complete study of the report would not be complete for about twelve (12) to fifteen (15) days.

The City Manager said a meeting was held on May 30, 1983 with Chief Ball, the Assistant Chiefs, and representatives of the firefighters to go over the concerns of the firefighters. He said that he felt it was at a point where it may be appropriate for a third party to sit down and take a look at these concerns. He suggested that the City arrange a meeting with Mr. Sherman Pickard, a fire department specialist with the North Carolina League of Municipalities, to meet with the City Manager, Chief Ball, the three (3) Assistant Fire Chiefs, and representatives of the local firefighters. He said he would proceed to contact Mr. Pickard for such a meeting.

Mayor Trantham spoke in support of the City Manager's suggestion.

David Warren, from the Fire Department, requested that an official from the international firemen's union be allowed to attend the session with Mr. Pickard and others mentioned by the City Manager.

Vice-Mayor Price said she felt the matter should be kept locally.

The City Manager said he intends to limit the meeting to Mr. Sherman Pickard, Chief Ball, the three (3) Assistant Fire Chiefs, and representatives of the firefighters locally.

Mr. David Anders, from the Fire Department, objected to the City Manager requesting a meeting with Mr. Sherman Pickard. He said he felt Mr. Pickard would just agree with the City Manager and Chief Ball.

Mayor Trantham assured the firefighters attending the meeting that members of Council have mixed feelings about the report and that the firemen would be given a "fair shake."

Mr. David Anders said the firemen would reserve the right to protest the meeting.

PRESENTATION OF FISCAL 1983/84 CITY OF ASHEVILLE ANNUAL OPERATING BUDGET

2. The City Manager presented the fiscal 1983/84 City of Asheville Annual Operating Budget to members of Council. He thanked members of Council for their special efforts given to this budget since January, 1983 and for taking the time to review the individual departmental budgets.

The City Manager highlighted the following budget message:

Tuesday, May 31, 1983 - 4:00 p. m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Norma T. Price, Councilwoman Mary Lloyd Frank, Councilwoman Wilhelmina B. Bratton, Councilmen Gordon Myers, Joe Pless and Larry McDevitt; Corporation Counsel William C. Moore, City Manager K. M. Michalove; Deputy City Clerk Carol Hensley.

Absent: Associate City Manager/City Clerk William F. Wolcott, Jr. (vacation)

INVOCATION

The invocation was given by Mayor Roy M. Trantham.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the May 24, 1983 meeting.

Upon motion of Councilman McDevitt, seconded by Vice-Mayor Price, the minutes of the May 24, 1983 meeting were unanimously approved as submitted.

LETTER PRESENTED BY MR. BHAGU PATEL - OWNER OF DOWNTOWNER MOTOR INN

Mayor Trantham recognized Mr. Bhagu Patel, Owner of the Downtowner Motor Inn, who read the following letter:

Downtowner Motor Inn
120 Patton Avenue
Asheville, North Carolina
May 30, 1983
Telephone: 254-9661

Mayor Roy M. Trantham, City Council
and Chief of Police Fred Hensley
City Hall at City-County Plaza
Asheville, North Carolina

Dear Friends of Downtowner Motor Inn,

May I express my appreciation to each of you for your cooperation in cleaning up the problems alluded to earlier along Asheland Avenue and in the vicinity of the business I own, the Downtowner Motor Inn. Your efforts in behalf of better business conditions in this section of the downtown area will help to improve our image as a viable business, and the quality of life for our thriving city. Our guests will now not be afraid to take strolls in this part of town. It will enhance our business-city relationship since the good offices of each of you made the proper response to the bad situation that previously existed. Your collective efforts were commendable and in the best interests of a clean, street-safe city.

I am happy to know that we have local government which rises to the occasion and banishes local menaces. This restores my confidence in free institutions everywhere. Thanks to the advice of my local friend, Joe L. Morgan, JD, I contacted you and got positive results. Incidentally, I hope that each of you will continue to monitor or follow up on the situation and not let it rise again as a menace to the businesses thereabout. Again, thanks very much for all that you all have done.

Sincerely, /s/
Bhagu Patel
Owner, Downtowner Motor Inn

THE CITY ORGANIZATIONAL AND SERVICE DELIVERY SYSTEM

In order to give you and the public a mental image of the size and complexity of our operations, the following is a brief summary.

The Asheville City Government is a large diversified enterprise that provides services not only to residents of the City of Asheville, but to all of Western North Carolina.

We are a council/manager form of government with seven council members elected at large by the public every two years. The mayor is elected by the council and the council selects the city manager, the city clerk, and the city attorney. The general division of responsibilities is that the council sets the policies for the city and the manager carries out the policies through day to day operations.

I have established a decentralized approach to management by making the department head of each major function responsible for the day-to-day functions of that department and as independent as practically possible from the City Manager having to make day-to-day decisions about their operations. The organizational structure (see attached chart) is divided into public services, operational support services, and community improvement services.

Public Services are Police, Fire, Parks/Recreation and Public Facilities, Public Works, Water/Sewer Services, and the Civic Center. These are services that citizens receive directly on a day-to-day basis.

Operational Support Services are Finance, Management Services, and the functions of the Corporation Counsel, the Associate City Manager/City Clerk, and Audit and Budget. These are centralized services that help the public services and community improvement services operate and provide information for policy decisions.

CITY OF ASHEVILLE

ASHEVILLE, NORTH CAROLINA

OFFICE OF
CITY MANAGER

May 31, 1983

The Honorable Mayor and
Members of City Council
City of Asheville
Post Office Box 7148
Asheville, North Carolina 28807

Dear Mayor and Members of Council:

Submitted herewith are the budget estimates for Fiscal Year 1983-84, which begins July 1, 1983. The budget was prepared according to the provisions of the Local Government Budget and Fiscal Control Act, as amended.

In accordance with this act, a copy of the budget will be filed in the office of the City Clerk, "where it shall remain available for public inspection until the budget ordinance is adopted." The act also requires that the City Clerk publish a statement that the budget has been submitted to the governing board and is available for public inspection in his office. The statement shall also give notice of the time and place of a required public hearing. As a matter of local practice, the budget ordinance is read three times before adoption. The law requires that it be adopted "not earlier than ten days after the budget is presented to the board and not later than July 1." Changes may be made in the budget at any of the three readings, and with the exception of the tax rate, any other budget item may be changed by ordinance amendment anytime during the fiscal year.

2. We have over 400 miles of streets.

3. We serve 54,000 people in over 28,000 dwellings and businesses, 24 hours a day, 7 days a week.

4. We have 651 full-time employees excluding the Water and Sewer Services Department and a large number of part-time employees. (Part-time employees generally are hired as needed for special functions such as Civic Center ushers, summer workers in parks, laborers for leaf and brush services and summer street and right-of-way cleaning in the Street Division.)

5. We maintain over 660 acres in 37 different parks.

6. It costs $982,183 annually just for street lights.

7. We answer over 2,800 Fire Department calls per year.

8. We answer over 73,000 Police Department calls per year.

9. We pick up over 40,000 tons of garbage per year.

10. We serve over 30,000 water customers and supply 20,000,000 gallons of water per day.

11. We serve over 600,000 annual recreation participants per year.

12. We serve at least 400,000 annual participants at the Civic Center per year.

SOME MAJOR EXAMPLES OF BUDGETARY MATTERS AFFECTED BY PREVIOUS MANAGEMENT/COUNCIL DECISIONS

Community Improvement Services are Planning, Community Development, and Economic Development. These are the centralized services that help public services operate, carry out and design plans for the present and future, and provide information for policy decisions.

Through the establishment of the Asheville Airport Authority and signing of the Asheville-Buncombe Water Agreement, the city council and the operating functions of the city staff are moving away from the city's former role of providing numerous services beyond the corporate limits of the city and more to providing direct services within the corporate limits. However, there are several functions that still remain that are broader in scope than just the corporate limits and which, to some extent, serve beyond the city limits. Some of these services include zoning, leisure time/-recreation, water, staff assistance to other municipalities and counties, mass transit, community relations, Rescue Squad, Data Processing, Civic Center, Planning, Economic Development, Police, and Fire.

There are five enterprise and/or intergovernmental service functions that operate from charges for service to city departments and/or the public. These are the Water Department, the Motor Transport Division, the Print Shop Division, the Engineering Division, and the Data Processing Division.

The following are some basic statistics about the city which are important to budgetary considerations:

1. Our municipal service area is approximately 25 square miles; The June 30, 1983, annexation of Ascension Drive, Johnston School Road, and Riceville Road will add two (2) square miles and this will increase by three (3) square miles when the annexations of Chunns Cove, Patton Avenue, and Sweeten Creek Road are approved.

The status of these plans at this time is:

a. Effective January 1, 1979, the employees and beneficiaries of the Fire Plan voted to change their retirement program to the North Carolina Local Governmental Employees Retirement System (LGERS).

b. The definitions of "disability" and "retirement age" in the 1939 Police Plan were changed by the 1979 General Assembly.

c. The active and retired members of the 1939 Police Pension Plan voted in 1978 not to transfer their membership to LGERS or the Law Enforcement Officers Benefit and Retirement Fund (LEOBRF).

d. The Fiscal 1983-84 actuarial funding requirement of the 1939 Plan is approximately $650,000 for about 88 active employees, which works out to a cost per employee of $7,386, while the pension cost for all other city employees is $905,615, which works out to approximatley $1,344 per employee.

e. Had the 1939 Police Pension been funded since inception with employer contributions according to the original provisions of the plan, the current costs would not be so disproportionate with other plans.

2. Use of Federal Funds (Model Cities, Community Development, Bureau of Outdoor Recreation, Urban Renewal, ARC, EDA, LEAA, etc.) These funds have improved materially the quality of life in our city and slowed considerably the physical decay in numerous blighted areas that we would probably never have been able to improve otherwise.

There are certain realities over which we have no control. The budget process for Fiscal Year 1983-84 really began years ago with the decisions made then. Our status at this point in time reflects the policy and administrative decisions of this and previous city councils, city managers, federal and state laws and the attitudes and desires of the general public. This simply means that there are numerous activities in which we are now involved which we had no say in establishing, but which we now have an obligation to continue. To dwell on whether those past decisions were good or bad would not be fruitful, but we should be aware of these decisions and their impact when making future fiscal and management plans. Remember, this budget generally reflects a time span of twelve months, but the final decisions we make this year will again prepetuate policy and administrative direction far into the future. Some examples of major budgetary matters affected by previous management/council decisions are as follows:

1. 1939 Police/Fire Pension Plans - In Fiscal Year 1976-77 the City Council took a giant step forward by freezing these plans to current membership and beginning actuarial funding of the Police/Fire Pension Plans started in 1939. Up to that time, the funding had been on a "pay-as-you-go" basis, which did not materially affect the budget while employees were young and able. However, we were arriving at a point when the employees were reaching retirement age and disabilities were increasing, and the "pay-as-you-go" system would soon have put the city into a position of using very large amounts of operating money to fund the retirement benefits. It was a courageous and fiscally responsible action that City Council took in recognizing the need to provide actuarial funding for these retirement programs, to assure the employees of their benefits, and to save future administrations the disproportionate costs inherent in "pay-as-you-go" funding.

available through a federal grant program to subsidize one half of our operating loss. In fiscal 1983-84 this subsidy is estimated to be $404,810. In 1978 the City Council increased the fee for city stickers from $1.00 to $5.00. This will generate $158,000 in 1983-84 to offset losses in the bus system. However, we will still have a net subsidy of $280,727.

In addition, we submitted an application to the federal and state governments to replace 10 buses in 1974. The price per bus was $41,233 at that time. We finally received the buses in 1982 at an average cost of $83,518 each.

The 1983-84 proposed budget is approximately the same as the 1981-82 operating loss, however, the future of federal and state funding is uncertain and there is currently no provision for replacement of other buses, equipment and facilities.

4. Governmental and Nonprofit Organizations - Many governmental and non-profit organizations have chosen to locate inside the Asheville city limits because of the services the city provides at no expense to those agencies since they are tax exempt. On the other hand, tax paying residential and business development is primarily taking place outside the city limits. The loss in ad valorem tax from tax exempt properties is probably at least $1,000,000 per year.

5. Annexation Moratorium and Proposed Annexation - For more than four years, the city was under a local annexation moratorium imposed by the General Assembly. This moratorium denied the city the opportunity to annex urbanized unincorporated areas

In the area of recreation projects alone, while we were able to upgrade many existing parks which had not been adequately maintained, we also added new facilities which have added at least $500,000 in continuing annual operational expense to support the facilities constructed with these funds. Examples are the Senior Opportunity Center, Shiloh Recreation Center, Montford Recreation Center, and Livingston Street Recreation Center. These improvements brought about an important change in our recreational service philosophy. Now, in addition to our seasonal outdoor recreation programs, we have a new emphasis on large and expensive indoor recreation centers.

For the past three years the status of federal grant programs has been changing or they have been eliminated. The city has used federal funds for a variety of improvements thus eliminating the need for bond issues and numerous ad valorem tax increases for these needed improvements. If the trend for funding federal grant programs continues, the burden will shift to the city to provide funds for these purposes. The average city resident does not realize the millions of dollars in federal funds that have gone to make basic improvements to streets, sidewalks, water, sewer, fire, recreation and other basic services which were not funded by ad valorem taxes.

3. Asheville Transit Authority The City of Asheville assumed the operation of the bus system in 1967. Through federal grants and a bond issue, we acquired a new building and new buses. From 1967 to 1970 our losses were zero. In 1983-84 our gross loss is estimated to be $843,545. However, to help offset this loss, operational subsidies are

A. General Funds - These funds include the General Fund, the Civic Center Fund, and the Parks, Recreation and Public Facilities Funds which comprise the major general governmental functions and are supported by ad valorem tax.

B. Water Fund - The Water Fund is an enterprise fund and accounts for water operations as provided by the Water Agreement.

C. Sewer Fund - The Sewer Fund accounts for city sewer maintenance and is funded by a contribution from the Water Fund as provided by the Water Agreement.

D. Intergovernmental Service Funds - Included are City Engineering, Data Processing, the Print Shop, and Motor Transport. These activities are accounted for as enterprises and funds are provided through charges for services to other city activities as well as outside organizations.

E. Community Development Fund - This fund accounts for Community Development Block Grant monies and is, by law, a capital-type, budgetary fund. The budget is approved by separate action of Council following federal guidelines.

F. Various Capital Funds - Capital Funds include appropriations for special projects and budgets are approved for those projects as the need arises. These funds include the General Capital Projects Fund, Federal Capital Projects Fund, the Sinking Fund Reserve, the Public Building Bond Fund, the UDAG Fund, the Asheville-Buncombe Revitalization Fund, and the Economic Development Trust Fund.

The budget components for the operating funds submitted herein are displayed in columns as follows:

of the county which were developed and have prospered due in a large part to their proximity to the City of Asheville and their access to needed city services.

This artificial restriction of Asheville's natural growth affected not only ad valorem tax receipts but many state and federal-shared revenues, since the allocation of such revenues is based on population growth, local tax effort, and the relative size and growth of our city compared to other cities and to the county. The annexation moratorium ended July 1, 1979, and the city began an effort to extend services in an orderly manner.

6. Civic Center - The Civic Center has been and continues to be an excellent entertainment, cultural, and convention resource for all of Western North Carolina. However, the net operational cost and debt service cost to be borne directly by the city for Fiscal 1983-84 is projected to be $601,998. This cost is net after the $160,800 for civic arts is subtracted. This amount was assumed by the Buncombe County Commissioners as a result of the Water Agreement.

7. The lack of definite policies of previous councils and administrations regarding capital needs have led to many of our current major problems. Street paving, sidewalk construction, bridge repair, and storm drainage are examples of major problems which must be financed.

BUDGET SUMMARY

This section of the budget message will provide information on the major components of revenue and expense for the various budgets that make up the operating and capital activities of the City of Asheville. These funds are:

3. That service levels should remain the same.

The advantage of this is that a great deal of frustration is eliminated in trying to reduce from an unrestricted condition of "what are the needs" to "this is all the money there is do the best you can with it."

The disadvantage is that as years roll by the general public and future City Councils begin to wonder "why are the streets an sidewalks in such poor condition, why doesn't the city provide this or that service anymore, why are the city buildings needing major improvements all of a sudden, why does it seem that the city is always trying to figure out ways not to do something and making the rules and bureaucratic conditions so difficult?"

b. We will retain a one million dollar cash flow (unappropriated fund balance) - an amount equal to about two weeks of operation.

c. The 1939 Police Pension obligation is funded in the Police Department with the actuarial payment schedule adjusted from a 20-year to a 30-year payoff retroactive to Fiscal Year 1982-83. Since other departments are on the state retirement system, this needs to be taken into consideration when comparing overall police expense to other department budgets. Were the entire Police Department on the same retirement program as other departments, the Police Department budget would be reduced by approximately $445,000. However,

Department/Division Activity

1981-82 Actual - The 1981-82 actual is the amount actually received or spent for the Fiscal Year ended June 30, 1982.

1982-83 Budget - This is the amount approved by Council (as amended) for Fiscal 1982-83.

1982-83 Estimated - This is the amount estimated to be received or spent through June 30, 1983.

1983-84 Requested - This includes the preliminary budget estimates or requests submitted to the City Manager by departments.

1983-84 Recommended - This is the City Manager's recommended budget for Fiscal 1983-84 submitted to Council after "fine tuning" the departmental requests and incorporating the preliminary Council decisions.

A. GENERAL FUND

1. Overview

a. The general directions to department heads in preparing the budget for 1983-84 were:

1. That operating costs for each department would not exceed the 1982-83 budget.

2. That no new position should be included in requested funding.

e. Significant facts pertaining to personnel:

1. There is a continuation of current fringe benefits and pay plans for employees; however, there is no across-the-board salary scale adjustment planned for 1983-84. An example of what an across-the-board adjustment would cost is that for each 1% - $118,915 would be needed, a 5% would cost $594,576. Even though this is the second year we have not had an across-the-board adjustment, I cannot recommend one this year for the following reasons:

   - Our studies indicate that we are paying competitive wages compared to local industry and business and the cities we are comparable to.

   - While others have had layoffs or short work weeks, we have not had to do this.

   - While others are considering across-the-board increases this year, those organizations have generally not had or been able to continue their step increases, special studies for jobs that are not receiving comparable pay, longevity pay, and/or special job classification/career development programs as were done in the Fire Department and Police Department this past year.

   However, I do feel that this is an area we will need to continously study so that we do maintain comparable pay programs.

this is done this way as a matter of budget approach citywide and is not a matter of department head discretion or a negative reflection on that department and staff.

d. Significant facts pertaining to ad valorem tax:

1. We have a total General Funds annual budget of $20,703,799 of which only $7,910,644 comes from ad valorem tax; based on a tax base of approximately $1,457,000,000.

2. The budgeted ad valorem property tax of $7,910,644 for 1983-84 does not cover the budgeted cost of $9,006,000 for police, fire, and garbage collection.

3. The budget anticipates an ad valorem tax rate of 59¢/$100 which is the same as the rate set for 1982-83.

4. A penny added to the tax rate for 1982-83 yielded $126,214 and a penny on the tax rate in 1983-84 is expected to yield $134,079.

5. The collection rate for ad valorem taxes for 1983-84 is estimated to be 92%. We estimated the 1982-83 collection rate at 94%. Both of these estimates are still far below the state average for large cities and counties. Each 1% increase in collection rate will yield $85,985 in additional ad valorem revenue.

c. Severe weather conditions - We have been lucky in recent years that we have had mild winters and minor flooding.

d. Future federal and state budget decisions can affect grants used for fulfilling capital and operational needs (streets, water, sewer, buses, recreation).

e. Settlement of lawsuits - Cauble suit, annexation, several personnel-related matters.

f. The budget is still too dependent on federal funds for routine equipment replacement, public works, and maintenance of facilities. This will be highlighted further under the capital needs section of this message.

g. Because of limited capital reserves, we cannot do an adequate job of maintenance to streets, sidewalks, buildings, storm sewers, etc. This will also be discussed further under the capital needs section of this message.

f. We plan to annex the areas of Ascension Drive, Johnston School Road, and Riceville Road effective June 30, 1983. Annexation of the Patton Avenue, Chunns Cove, and South Buncombe areas is still in litigation at the Court of Appeals level. Funds for providing services to these areas are contained in the Sinking Fund, Capital Reserve, the Sewer Fund, and the Water Fund.

g. We plan to balance the General Funds by using $950,692 in fund balance. If we were operating on a fiscally sound basis, a 7¢ tax increase would be required. In previous years, fund balance was used to balance budgets, but because the budget esti-

2. Labor needs continue to be shifted to hiring for peak demands, eliminating full-time positions when vacancies occur and using part-time employees when possible. Examples of this are as follows:

   In 1979, we had 763 full-time employees and as of May 30, 1983, we had 654 full-time employees. The total number of full-time employees hired in Fy 1982-83 was 26 of which 18 were police officers and 8 were in other categories. This would compare to approximately 100 full-time new hires 5 years ago.

   For FY 1983-84 I have budgeted 10 vacancies as compared to 50 vacancies in 1982-83. This is because we only hired 26 full-time people in 1983 and this is no longer a major budgetary consideration.

3. Organization and reorganization will continue to be key elements of management particularly when vacancies occur. We will evaluate each position to determine if we can accomplish the work by transferring the work to an existing, a lower, or a part-time position.

2. Concerns

   a. Potential for tax appeals such as public utilities appeals which held up tax payments in 1978-79.

   b. The economy - particularly if fuel prices and utility prices go beyond our estimates, or revenue projections fall short. For example, in January the price of unleaded gas was .8552 a gallon, now it is .9373 a gallon.

j. Significant matters relating to revenues:

1. The Water Agreement called for the county to reimburse the city for the cost of law enforcement included in county ad valorem taxes but provided outside the city. This amount was estimated at $402,500 for 1982-83 but it appears that we will receive only $347,032 for 1982-83 and the 1983-84 estimate is $730,000 rather than the $805,000 originally estimated.

2. Local Option Sales Tax and State Intangibles Tax are distributed between the city and county based on relative tax levies. Since the city reduced its 1982-83 levy and the county had a significant increase in its levy, we will lose over $300,000 in these taxes to the county in 1983-84.

B. WATER FUND - While the City Council has yet to review the Water Fund, that budget was adopted by the Water Authority on May 17, 1983, and it is now up to the Buncombe County Commissioners and the Asheville City Council to deal with it in accordance to the Water Agreement. The Agreement states "...upon review and approval by the Authority, said budget shall be submitted to the County Commissioners and the City Council on or before June 1 of each year for review, consideration, and approval, each acting in formal session..."

The budget contains the following major items:

1. Continued management and administrative services provided by the city are budgeted according to the terms of the Water Agreement.

mates were so conservative on revenues and expenditures, no fund balance was actually spent. For 1982-83 it appears that we will actually spend over $400,000 in fund balance. In other words we will have a real cash deficit from operations for this year. The revenue and appropriation estimates for Fiscal 1983-84 are extremely tight and likely will result in more actual spending of fund balance. Future Councils will be faced with seeking additional funds to maintain services at the present levels.

h. Our General Fund contigency is $200,000.

i. Significant contributions made to other entities:

1. Animal Control - Approximately $34,000 for this service is currently in the Police Department Budget. This is a function that should be done on a countywide basis.

2. Asheville City School - While the city's legal responsibility is to name members to the School Board, the city provides two floors and some other space in the City Building and outlying areas and over $30,000 in costs for school crossing guards.

3. County of Buncombe - There are no funds budgeted for the county tipping fee; however, the city provides numerous services to the county for which we make no charge. Therefore, it is assumed that there is more than a sufficient amount of services to offset what the city would pay as a tipping fee.

3. Sewer system maintenance and development lacks sufficient policies for the management of the system.

4. The sewer system lacks a master plan for future development.

D. COMMUNITY DEVELOPMENT FUND - The Council approved the use of these funds on March 22, 1983, for the 9th Action Year. Opportunities to amend this budget and previous action years come up from time to time and are based on recommendations from the Community Development/Housing Authority Committee of the Council.

1. The majority of these funds will be used to continue the East End/Valley Street Project.

2. Some funds are designated for downtown development. However, the majority of funds anticipated for the current program for downtown will come from Urban Development Action Grants (UDAG). These funds will be applied for and are not currently reflected in the budget.

3. The Economic Development Department will be funded through Community Development through a contract between the City and the Asheville Area Chamber of Commerce. The contract will be from June 1, 1983 through September 30, 1984.

4. Historic Resources activities will be funded from Community Development in the amount of $7,500. This funding will be transferred to and administered in the Planning Department Budget.

2. Sufficient funds to meet the obligations of annexation for Chunns Cove, Sweeten Creek Road, and Patton Avenue once the court case is settled.

3. Sufficient funds to meet the obligation of annexation for Ascension Drive, Johnston School Road, and Riceville Road.

4. Payment in lieu of tax of $862,779 or 8.75% of water revenues to the General Fund. This is a reduction of $82,701 from FY 1982-83 based on the provisions of the Water Agreement.

C. SEWER FUND - The Sewer Fund Budget is included in the City Operating Budget and is funded by contributions from the Water Fund. The budget contains the following major items:

- Sufficient funds to meet the obligations of annexation for Chunns Cove, Sweeten Creek Road, and Patton Avenue once the court case is settled.

- Sufficient funds to meetthe obligations of annexation for Ascension Drive, Johnston School Road, and Riceville Road.

1. We lack sufficient funds for maintenance types of capital improvements described in the 201 and 208 wastewater studies. Consequently, the majority of our funds are spent on emergency maintenance kinds of activities.

2. There are still major areas of the city that are still on septic tanks with no city sewer lines planned.

e. "In the letter I sent out with the capital budgets last year, I said 'I want to present a 5-year capital budget to Council that is well thought out, includes only requests necessary to carry out effective city operations and avoids surprises occurring for unanticipated needs' - this statement is even more important to think about this year."

This 5-year capital budget includes buildings and equipment that cost in excess of $1,000 and does not include approximately $50,000 needed for such items as wastebaskets, file cabinets, etc. You will note too that many items are routine types of needs such as updating city code, re-upholstering chairs, dilapidated housing demolition, sidewalk re-construction, street re-surfacing, etc.

The lack of definite policies of previous Councils and administration regarding capital needs have led to many of our current major problems. Street paving, sidewalk construction, bridge repair, and storm drainage are examples of major problems which must be financed.

The point is that we have no sound financing to maintain approximately $28,000,000 in city assets; to purchase and/or rehabilitate needed equipment or to finance major building construction or reconstruction. The funds we have used for these types of things have been Community Development, Bureau of Outdoor Recreation, Model Cities, Revenue Sharing, EDA, ARC, Sinking Fund, and bond referendums voted by the people.

E. REVENUE SHARING TRUST FUND - The Revenue Sharing Trust Funds available for 1983-84 are estimated to be $1,324,072, including $673,020 which is the amount of money we can expect between now and September 30, 1983. While we have a high percent assurance that Revenue Sharing will be passed by the Congress, it is still pending legislation. If the legislation passes, we will receive an additional $605,718.

F. CAPITAL IMPROVEMENT FUNDS

1. Overview - It is under this section of the budget that the concern about capital needs is addressed. The following were guidelines given to Department Heads in preparing the 5-year capital budget, a summary of which is attached.

   a. "We are all aware that we are facing a tough budget. Most capital reserves are already earmarked for use, and General Revenue Sharing is scheduled to expire on September 30, 1983. Very few capital requests for the coming year are likely to be approved."

   b. "Do not request an item unless it is absolutely essential to your operation or will increase productivity or efficiency."

   c. "Items must be cost justified."

   d. "Since the Fiscal 1982-83 budgets were prepared, we have been hit with several "surprises" - items which were not included in the budget requests. While it is not always possible to predict all needs, any surprise or unanticipated need reflects poorly on our management ability."

for a long-term capital reserve which is the equivalent of 5% of our fixed assets, an amount which is similar to the amount business and industry provide for such purposes.

b. That the Council consider scheduling a bond referendum to authorize a bond issue of from $3.5 to $7.0 million to fund specified immediate needs. The debt service of this issue would be paid from the capital reserve fund in (a) above.

c. That the Council continue to take advantage of federal and state funds to supplement our capital budget needs.

d. That the Council continue to request an additional 1% local option sales tax for the purpose of providing funds for capital needs. This alone would produce $1,875,000 annually.

e. For FY 83-84 pool the following funds for the following activities:

Funds Available

General Revenue Sharing (Through 9/30/83)	$ 1,324,072
Community Development Block Grant (9th Year)	1,520,000
Sinking Fund Reserve	422,028
Jobs Bill Funding (C/D)	538,000
Jobs Bill Funding (EDA)	709,500
General Revenue Sharing (Continuation)	605,718
Jobs Bill - Parks	50,000
Valley Street Right-of-Way Funds	67,288
Total Funding Available	$ 5,236,606

While we must continue to take advantage of federal and state programs to supplement our financing, we should devise a plan of our own to assure a continued flow of funds for the future. The idea is no different than establishing the actuarial plan for the 1939 Police Pension. For approximately 35 years, the city financed the Pension "pay-as-you-go" - this is what we are doing with our capital needs. But, for the pension, as employees get older, the cost of "pay-as-you-go" was more than the city could afford annually. Consequently, a schedule or actuarial plan was designed to set the money aside now for the future. As buildings, such as the City Building, Civic Center, and Municipal Building, get older they too will need more money than the city can afford annually. The same is true of streets, sidewalks, storm drains, sewer lines - we need money to be set aside now for the future.

2. Recommendation

I am proposing that the Council adopt a policy establishing a long-term capital reserve plan which would generate up to $27,000,000 or more in local funds over the next 15 to 20 years for major long-term capital needs. Such a plan could be established with existing legal restraints on the use of such reserves and would include:

a. For FY 1983-84 setting aside the equivalent of approximately 7¢ of the 59¢ tax rate and use this for debt service on outstanding debts. As well as, at an appropriate time, consider a tax increase of 5¢

Conclusion

We have dedicated employees throughout the ranks of city government and I am proud of the job that they are doing. And, if you examined closely where we have come from in the past 5 years, the list of improvements in service, productivity, and efficiency would astound you. For example:

- In 1982-83 the Council authorized a General Funds Budget of $20,761,676. The city staff will come in under budget by almost $700,000.

- The 1983-84 budget has no tax increase and the total General Funds Budget we are submitting for Council approval is $58,000 less than the budget approved by Council for 1982-83 even after considering the cost of the combined 1982-83 and 1983-84 pay packages.

- The Council approved spending $1,414,078 in fund balance for FY 82-83. We are projecting that we will only spend $409,593.

- Police/Fire dispatch was combined with the potential annual savings being at least $30,000 with two (2) fewer employees needed - no layoff.

- The new Motor Transport Facility was started.

- A major study of private garbage collection was undertaken - along with several other options considered and experimented with.

- A Word Processing Center was established.

- A major reorganization of city departments was completed.

4. Asheville is the county seat of Buncombe County, the seventh largest city in North Carolina, known worldwide as a tourist/convention center, the largest North Carolina city west of Charlotte, a leader in the growth of Western North Carolina, and a progressive city. We should maintain that image and role.

5. In the event personnel reductions are necessary, to the extent practical, it should be done by attrition and reduction in working hours rather than through terminations.

The City of Asheville, like other segments of our society, has been adversely affected by the financial conditions and economic trends of the times. Increased cost in energy, supplies, equipment, salaries and wages and fringe benefits have occurred during a period of diminishing financial resources, while a predominantly "hold-the-line" concept in development of the city budget was in place.

For the past several years, various methods have been used to reduce costs and maintain an effective level of municipal services. The successes that the city has achieved are demonstrated by the city's ability to hold the increase in total cost of city government well below the C.P.I, even while adding additional services and the fact that the ad valorem tax burden on the typical residential taxpayer in the city has been reduced from 5.9% of per capita income in 1975 to only 3.3% of per capita income in 1981. This has occurred while the state and federal tax burden has risen dramatically. Therefore, in view of the cost reductions that have already taken place over the past few years, the city is faced with limited alternatives now for further reducing expenses. Arbitrary cuts will require varying degrees of reorganization of city activities and will effect not only direct city services, but also administrative service functions as well.

- Career development programs were completed in the Police and Fire Departments.

- A major downtown study was completed.

- Arrangements to utilize the Land-of-Sky services of an energy officer and industrial engineer were made.

- Park and recreation services were split from public works and public facility-type services for budget purposes.

- Reserves have been budgeted for the Cauble suit and annexation.

- A full-time staff attorney will be hired.

Our staff is well known regionally, statewide, and nationally through their service on boards, committees, and commissions. And, they spurred an effort to raise over $17,450 for the United Way this past year.

My Philosphy is:

1. Changes should be by evolution rather than revolution.

2. Direct services to the city residents should be provided in the most efficient and effective manner possible.

3. Since we are a labor-intensive service organization, we should expect high employee performance standards and our pay and benefits should be competitive with those of local private industry and comparably-sized cities in North Carolina where the scope of the position and organization are similar to ours - so that we can attract the best qualified employees.

The proposed budget is in keeping with the City Council philosophy adopted March 15, 1983, in the all-day City Council Work Session at the Governor's Western Residence.

a. Continue to study potential areas for annexation; however, there is no plan to annex areas for 1983-84 which have not previously been announced or are in litigation except for those properties where owners petition.

b. Continue commitment to downtown.

c. Consider the long-term and short-term effects of budget decisions.

d. Consider the role of the City of Asheville in Western North Carolina.

e. Maintain a concern about keeping up with capital needs.

f. Continue to work with the County Commissioners towards the consolidation of appropriate services.

g. Use of volunteers to the greatest extent possible to supplement city services and involve more people in the community in governmental services.

h. Recognize employees by paying competitive wages and providing good fringe benefits, training, and career development opportunities.

i. Reserve sufficient funds to provide services to proposed annexed areas under litigation.

j. That the City Manager's $10,000 contingency fund set up in the City Manager's Budget for 1982-83 be eliminated with the understanding that the City Manager may use up to $10,000 from the General Fund contingency in the event of an emergency, provided the use of such funds is reported at the next regular session of City Council.

The reasons for this are:

1. Our organizational approach is to maximize service to the public by decentralizing servi e delivery through the departments of Police, Fire, Water and Sewer, Public Works, Civic Center, and Parks and Recreation, and by centralizing such activities as recordkeeping, legal, policy functions, vehicle maintenance, and printing through the departments of Finance, Administration, Management Services, Planning, Community Development, and Economic Development.

2. This organizational approach has checks and balances to continuously monitor compliance with state, federal, and local laws and efficiency and effectiveness of operations. The need for compliance with these laws and efficient/effective operations and administration will not go away just because we cut the budget.

This Council has inherited the decisions made by former councils and managers, as well as the attitudes and desires of the general public. This simply means that there are numerous activities in which we are now involved which we had no say in establishing, but which there is an obligation to continue or specifically delete.

Therefore, cuts below this recommended budget need to be weighed in terms of good fiscal management, public service needs, and the effects the cut will have on operations and administration.

No budget is easy, and no budget should be final. It should be viewed as the general plan of activity for the year indicated, capable of being adjusted to the unexpected.

k. To the extent practical, either in-kind or in cash, recover expenses for our provision of services to the county.

Example: Number of items in the list prepared to justify not paying the tipping fee.

l. Set money in reserve perta ning to the Cauble Suit litigation.

m. Retain a minimum of $1 million in Fund Balance unappropriated.

n. Retain a General Fund minimun contingency of $200,000.

The City Council has spent numerous hours on the budget this year by reviewing work programs and budgets presented in March, reviewing the 5-year capital needs, and dividing the Council into work groups to review individual department budgets.

Our department and division heads deserve particular recognition for their efforts and cooperation in preparing their respective elements of this budget. I firmly believe that this and greater overall efficiency in delivering municipal services are positive results of my emphasis on decentralized management accountability and responsibility. Special recognition for direct assistance in preparation and production of the budget is given to the Audit and Budget Director, the Finance Department, the Management Services Department, Data Processing Division, Accounting Division, Print Shop personnel, and to the City Council for their long hours of deliberation over this budget.

RESOLUTION NO. 83-77 -RESOLUTION SUPPORTING THE WESTERN NORTH CAROLINA SOAP BOX DERBY AND AUTHORIZING THE CLOSING OF CERTAIN STREETS IN THE CITY OF ASHEVILLE FOR SAID EVENT

5. Consideration was given to a resolution supporting the Western North Carolina Soap Box Derby and authorizing the closing of certain streets in the City of Asheville for said event.

The City Manager said since members of Council were furnished copies of the resolution it would not be read in its entirety. He said the resolution states that the WNC Soap Box Derby Association, an affiliate of the West Asheville Rotary Club and the Asheville Parks, Recreation, and Public Facilities Department are co-sponsoring a Soap Box Derby for participants in Western North Carolina on July 9, 1983 on South French Broad Avenue. It is necessary to close certain streets on June 25 (time trials) and on July 9 (race date) in order to ensure the safety of participants and spectators at this event.

Upon motion of Councilman McDevitt, seconded by Councilman Myers, Resolution No. 83-77 was unanimously adopted.

Complete text of Resolution No. 83-77 will be found in Resolution Book No. 14 at page 31.

RESOLUTION NO. 83-78 - RESOLUTION ADOPTING A POLICY ON TREES ON CITY PROPERTY AND PUBLIC RIGHT-OF-WAY WITHIN THE CITY OF ASHEVILLE

6. Consideration was given to a resolution adopting a policy on trees on city property and public right-of-way within the City of Asheville.

The City Manager said since members of Council were furnished copies of the resolution it would not be read in its entirety. The resolution states that in order to clarify various responsibilities as to the preservation, protection, care, planting, and maintenance of the trees in Asheville, the Tree Commission has recommended the adoption of a Tree Policy.

The City Manager said members of Council were also furnished copies of the proposed tree policy.

Ray Kisiah, Director of Parks, Recreation and Public Facilities, read Council's recommended changes to the policy after reviewing the policy several weeks ago.

Upon inquiry of Councilman McDevitt, Mr. Kisiah said any area of the city can be designated to be governed by the Tree Plan. He said the tree policy does not restrict itself to the central business district. He said according to the policy the policy is applicable only to those areas for which a tree plan has been adopted by the Tree Commission and approved by City Council.

Mr. Kisiah said there was no budgetary effects connected to the tree policy.

Mr. John Reid, Chairman of the Asheville Tree Commission, said a representative of the Tree Commission should attend the monthly meetings of ULOCO (Utility Locating Company) to coordinate tree plantings with utility projects.

Vice-Mayor Price moved to schedule a public hearing and first reading of the budget ordinance for June 21, 1983. This motion was seconded by Councilwoman Bratton and carried unanimously.

RESOLUTION NO. _____ - RESOLUTION AUTHORIZING THE MAYOR OF THE CITY OF ASHEVILLE TO ENTER INTO A LEASE AGREEMENT WITH THE AREA BOARD OF HEALTH FOR PROVIDING THERAPEUTIC RECREATION PROGRAMS AT SHILOH RECREATION CENTER

3. Consideration was given to a resolution authorizing the Mayor of the City of Asheville to enter into a lease agreement with the Area Board of Health for providing therapeutic recreation programs at Shiloh Recreation Center.

The City Manager said since members of Council were furnished copies of the resolution it would not be read in its entirety.

Councilman McDevitt expressed concern with Section 7 of the lease agreement relative to fire or casualty requiring that the City rebuild or restore the structure at the Lessee's request if it is damaged or destoryed by fire or by any other casualty He said he had problems with the language in that if it was not feasible to repair or restore the City should not be obligated to do so. He requested that action on the lease agreement be tabled for one (1) week until that language could be rewritten.

Corporation Counsel Moore said he had also expressed concerns with that section and had requested an explanation for it being included.

It was the consensus of Council that the resolution be tabled for one (1) week.

RESOLUTION NO. 83-76 - RESOLUTION PROPOSING TO ACCEPT CERTAIN STATE SYSTEM STREETS AS CITY SYSTEM STREETS IN PROPOSED ANNEXATION AREAS (Cub Road - Craig Circle - Bull Mountain Road)

4. Consideration was given to a resolution proposing to accept certain state system streets as city system streets in proposed annexation areas.

The City Manager said since members of Council were furnished copies of the resolution it would not be read in its entirety. The resolution stated that on June 30, 1983, three new areas will become part of the City of Asheville. Ordinances to annex land along Riceville Road, Ascension Drive and Johnston School Road were passed on August 26, 1982 by City Council. Two of the areas contain N. C. State System Streets that will become City System Streets upon annexation. The resolution is in response to a N. C. State Highway Department request that City Council state their intentions to accept the State System Streets as City System Streets on June 30, 1983. "Plans for the Extension of City Services," prepared for these two areas do reveal the City's intentions to accept the responsibilities for the portion of the State System Streets which are to be annexed.

Upon motion of Councilwoman Frank, seconded by Councilwoman Bratton, Resolution No. 83-76 was unanimously adopted.

Complete text of Resolution No. 83-76 will be found in Resolution Book No. 14 at page 30.

CERTIFICATION OF CIVIL SERVICE BOARD ELECTION

The City Manager announced that Mr. Walter Ruby, Jr. and Raymond Stepp were elected by City employees as members of the Civil Service Board by an election held on Thursday, May 26, 1983.

RESOLUTION NO. 83-79 - RESOLUTION REJECTING BIDS FOR REFUSE COLLECTION SERVICE

Corporation Counsel William C. Moore said in his opinion, since Council initiated the bid process for refuse collection service by Resolution No. 82-214, dated November 11, 1982, Council should by resolution clear the records by adopting a resolution rejecting the bids.

Councilman Myers questioned the necessity of the resolution.

Upon motion of Vice-Mayor Price, seconded by Councilwoman Bratton, Resolution No. 83-79 was adopted on a 4-3 roll call vote, after a voice vote and Councilman McDevitt calling for a roll call vote. Mayor Trantham, Vice-Mayor Price, Councilwoman Bratton, and Councilman Pless voting "aye" and Councilwoman Frank Councilman Myers and Councilman McDevitt voting "no."

Complete text of Resolution No. 83-79 will be found in Resolution Book No. 14 at page 33.

CLAIMS - NOBLE TONEY (WATER & SEWER) - JAMES FISHER (PARKS & REC.) - MRS. JAMES FISHER (PARKS & REC.) - EMILY SMITH (WATER & SEWER) - BECKY PELLARD (WATER & SEWER) - DELMA BAILEY (WATER & SEWER)

LAWSUIT - RICHARD L. MAYES (PROPERTY DAMAGE (SEWER BACKUP)

The City Manager presented claims received from Noble Toney, James Fisher, Mrs. James Fisher, Emily Smith, Becky Pellard, and Delma Bailey.

The City Manager also reported that the city was served with a summons in connection with a lawsuit involving Richard L. Mayes, property damage caused by sewer backup.

Mayor Trantham referred the claims and lawsuit to the Corporation Counsel for investigation and recommendation.

RESOLUTION NO. 83-80 - RESOLUTION AUTHORIZING APPLICATION TO THE UNITED STATES DEPARTMENT OF COMMERCE, ECONOMIC DEVELOPMENT ADMINISTRATION, FOR A GRANT UNDER THE PROVISIONS OF THE EMERGENCY JOBS ACT (PUB. L. 98-8)

Consideration was given to a resolution authorizing application to the United States Department of Commerce, Economic Development Administration, for a grant under the provisions of the Emergency Jobs Act (Pub.L. 98-8).

The City Manager read the resolution which stated that there exists a need to make certain improvements to the City Hall Building in order to conserve energy, improve safety, and reduce maintenance costs. The Economic Development Administration is authorized to provide funding of up to fifty percent (50%) of the project cost for renovation of existing public facilities as stated in the Federal Register of April 29, 1983, Volume 48, No. 84. This resolution will

Mr. Clark Brown, Director of Public Works, said Council should consider the budgetary impact of trees damaging the sidewalks. He said after reviewing the tree policy he would suggest the following changes to the policy:

1. Add to the check list on the Tree Planting Request Form under (2) "Storm drainage" in the Public Underground and Private Underground column.

2. Have Signature Sign-Off lines on the bottom of the Tree Planting Request Form for Public Works Department and the Parks, Recreation, and Public Facilities Department.

3. Incorporate into II (B) the Public Works Department.

4. Incorporate into the tree policy criteria for replacement of a tree when the tree is too big for the sidewalks where it damages overhead utilities, sidewalks, and underground utilities.

Vice-Mayor Price said types of sidewalk construction should also be considered when trees are in a particular area.

Mr. Tom Tarrant, City Engineer, said the policy gives the Tree Commission no powers or control.

Mr. Ed Dabbs, with the Public Service Company, expressed concern relative to Section VI of the policy. He said this particular section was not discussed when the utility companies met with the Tree Commission about the policy. He said this particular section could create problems with day-to-day operations with utility companies and could effect every line put in. He said this section should be brought before all utility companies before being incorporated into the policy.

The City Manager agreed that Section VI could effect the day-to-day operation of all utility companies and suggested that Council adopt the policy deleting this particular section for the present. He said the language of this section could be brought back to Council within sixty (60) days for inclusion in the policy.

Councilman McDevitt questioned Section II (E) stating that downtown tree should be defined; Section IV (C) should be changed to refer to 4A and 4B rather than 3A and 3B; the words "by the city" should be inserted in IV (E) after the word "performed"; the wording in Section V(A) should be clarified in that it reflects that you can take a tree down without approval of the Tree Commission but you cannot replace one without approval of the Tree Commission and the Section deals with Replacement and Removal.

Upon motion of Councilwoman Frank, seconded by Vice-Mayor Price, Resolution No. 83-78 was unanimously adopted subject to the policy being amended to delete Section VI and adding the recommendations of the Director of Public Works and Councilman McDevitt. The resolution was adopted also with the understanding that Section IV of the policy would be rewritten and submitted to Council for inclusion in the policy and that language would be included establishing criteria for replacement of a tree when a tree is too big for a sidewalk and causing problems. These items to be included in the policy within sixty (60) days.

Complete text of Resolution No. 83-78 will be found in Resolution Book No. 14 at page 32.

This matter was considered at our May 17, 1983 meeting. After discussion, it was felt by majority of the Water Authority, that since other City-County responsibilities were considered and are included in the Water Agreement, that it would be appropriate for each governing body (City, County, and Water Authority) each to pay one-third of the statement submitted by the law firm. A motion was made to that effect and the Authority is ready to process its share of the bill.

Please let me know how you wish to handle this matter.

The Honorable Roy M. Trantham
Mayor of Asheville
Asheville, North Carolina 28801

The Honorable R. Curtis Ratcliff
Chairman, Buncombe County
Board of Commissioners
Asheville, North Carolina 28801

Dear Roy and Curt:

Attached please find a statement from the law firm of Brown, Wood, Ivey, Mtichell and Petty, originally sent to Bud Taylor, County Finance Director, for payment. This statement is for legal expenses incurred during the negotiation of the Water Agreement. Mr. Taylor then sent the statement to the Water Authority for full payment.

The City Manager was requested to contact the Buncombe County Commissioners to determine if a joint meeting of the City Council and Buncombe County Commissioners could be held on Tuesday, June 7, 1983.

Upon motion of Councilman Myers, seconded by Councilman Pless, the meeting adjourned at 6:30 p. m.

MAYOR

CITY CLERK

PUBLIC HEARING - REZONING PORTION OF CHURCH STREET AND RAVENSCROFT DRIVE

ORDINANCE NO. 1369 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED

3. A public hearing was held relative to rezoning a portion of Church Street and Ravenscroft Drive from CBD to R-4 Residential District.

Mayor Trantham opened the public hearing at 4:15 p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said the Asheville Planning and Zoning Commission at a meeting held May 4, 1983, reviewed the petition of Mr. Donny Luke and other property owners requesting that a portion of the Church Street and Ravenscroft Drive area be rezoned from the CBD District to R-4 Residential District. After review and discussion, the Commission voted to recommend to City Council that a portion of Church Street and Ravenscroft Drive be rezoned from the CBD District to R-4 Residential District, excluding Lot 136-1/4. He said all commercial lots fronting on Lexington Avenue will remain in the CBD District. He said the developer of Lot 136-1/4 recently obtained a building permit to construct an electrical shop and warehouse and if the property is zoned R-4 Residential a non-conforming use would be created.

Vice-Mayor Price spoke in support of including Lot 136-1/4 in the R-4 Residential District to protect the property in the future.

A discussion was held relative to Lot 136-1/4. Mr. Emrick and Mr. Lem Moore, Director of Inspections, told members of Council that if Lot 136-1/4 is included in the R-4 Residential District the owner would be prohibited from expanding his business in the future or changing the use of the building.

Mayor Trantham closed the public hearing at 4:23 p. m.

Mr. Emrick read the proposed ordinance rezoning the property as recommended by the Planning and Zoning Commission.

Vice-Mayor Price moved to amend the ordinance to include Lot 136-1/4 in the R-4 Residential District. This motion was seconded by Councilman McDevitt.

After discussion a voice vote was taken on Vice-Mayor Price's motion and the motion was defeated on a voice vote of 6-1.

Councilman McDevitt moved for the adoption of Ordinance No. 1369. This motion was seconded by Councilwoman Frank.

On a roll call vote of 7-0, Ordinance No. 1369 passed on first reading.

Tuesday, June 7, 1983 - 4:00 p. m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Norma T. Price, Councilwoman Mary Lloyd Frank, Councilwoman Wilhelmina B. Bratton, Councilmen Gordon Myers, Joe Pless and Larry McDevitt; Corporation Counsel William C. Moore, City Manager K. M. Michalove; Deputy City Clerk Carol Hensley.

The proclamation was presented to Mr. David Quinn.

Mr. Quinn said a program is scheduled on Sunday, June 12, 1983 at the Montford Park at 1:30 p. m. in connection with "Race Unity Day" with Councilwoman Wilhelmina Bratton as the speaker.

RESOLUTION NO. 83-82 - RESOLUTION OF APPRECIATION TO PORTER KNAPP, SR.

2. Consideration was given to a resolution of appreciation to Mr. Porter Knapp, Sr.

The City Manager read the resolution stating that Mr. Porter Knapp, Sr. has been employed by the City of Asheville for the past nine years in the Customer Services Division of Water and Sewer Services Department and retired on May 31, 1983.

Upon motion of Councilman Pless, seconded by Councilwoman Frank, Resolution No. 83-82 was unanimously adopted.

Mayor Trantham presented a copy of the resolution to Mr. Porter Knapp, Sr.

Complete text of Resolution No. 83-82 will be found in Resolution Book No. 14 at page 36.

Councilwoman Frank moved for the adoption of Ordinance No. 1370. This motion was seconded by Councilman Pless.

On a roll call vote of 7-0, Ordinance No. 1370 passed on first reading.

PUBLIC HEARING - SITE PLAN OF THE PROPOSED "HAWTHORNE" TOWNHOUSES TO BE LOCATED ON OLD HAW CREEK ROAD

6. A public hearing was held relative to the site plan of the proposed "Hawthorne" townhouses to be located on Old Haw Creek Road.

Mayor Trantham opened the public hearing at 4:45 p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning said the Asheville Planning and Zoning Commission at a meeting held May 4, 1983, reviewed the site plan of the proposed "Hawthorne" townhouses to be located on Old Haw Creek Road. The site plan was prepared by Ashley Engineering Company for Charleston Financial Properties, Inc., Developer, and submitted in accordance with the Group Development Section of the Asheville Zoning Ordinance. After review and discussion of the plan, the Commission voted to recommend approval to City Council subject to compliance with the Erosion Control Ordinance.

Mr. Emrick said this project contains approximately 19.6 acres and the developer proposes to construct 152 townhouses in three or four phases depending upon marketability. He said at the request of the Planning and Zoning Commission the Planning Staff worked with the engineers of the project to provide an additional drive way and right-of-way for another access to and from the project. He said all city departments reviewed the project and no problems are encountered. He said the Water and Sewer Department said there was sufficient water and sewer lines for 190 units.

Councilman Pless said before adding anything to the sewer line that the developer plans to connect to a study should be done as his business is on this line and every time it rains the sanitary sewer overflows into his business.

Councilman McDevitt expressed concern about additional drainage in this area.

Mr. Emrick said the roads in the area are in need of repair.

Mrs. E L. Sauer, property owner adjacent to the proposed project, said the traffic in the area is currently heavy and this project will add to the traffic hazards. She said she does not have city sewer lines available to her and questioned Council providing sewer lines for the developer when the property owners on Cisco have to use septic tanks.

Mr. Bill Ashley, engineer for the proposed project, explained the proposed sewer line and said Mrs. Sauer could connect onto the line being run by the developer.

Mrs. Sauer said a study needs to be made of the problems at Haw Creek Road and Cisco Road and Haw Creek Road at Middlebrook Road.

PUBLIC HEARING - SITE PLAN OF THE PROPOSED ADDITION OF A WELDING/POWER BUILDING AT ASHEVILLE-BUNCOMBE TECHNICAL INSTITUTE

4. A public hearing was held relative to the site plan of the proposed addition of a Welding/Power Building at Asheville-Buncombe Technical Institute.

Mayor Trantham opened the public hearing at 4:35 p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said the Asheville Planning and Zoning Commission at a meeting held May 4, 1983 reviewed the site plan of the proposed addition of a Welding/Power Building at Asheville-Buncombe Technical Institute. The plan was prepared by Six Associates, Inc. and submitted in accordance with the Group Development Section of the Asheville Zoning Ordinance. After review and discussion of the plan, the Commission voted to recommend approval to City Council subject to compliance with the Erosion Control Ordinance.

Mr. Emrick said this project would consist of a one story building with approximately 35,600 square feet and would be following the master plan designed by Asheville-Buncombe Technical Institute. He said the project conforms to all sections of the Zoning Ordinance and there are no problems with providing water and sewer to the project.

Mayor Trantham closed the public hearing at 4:40 p. m.

Vice-Mayor Price moved to approve the site plan of the proposed addition of a Welding/Power Building at Asheville-Buncombe Technical Institute. This motion was seconded by Councilman Myers and carried unanimously.

PUBLIC HEARING - AMENDING CODE OF ORDINANCES - HOUSING CODE FOR THE CITY OF ASHEVILLE

ORDINANCE NO. 1370 - AN ORDINANCE REPEALING SECTIONS 8-13 THROUGH 8-41 OF CHAPTER 8, ARTICLE II, OF THE CODE OF ORDINANCES OF THE CITY OF ASHEVILLE, KNOWN AS THE HOUSING CODE, AND ADOPTING A NEW HOUSING CODE FOR THE CITY OF ASHEVILLE

5. A public hearing was held relative to repealing Sections 8-13 through 8-41 of Chapter 8, Article II, of the Code of Ordinances of the City of Asheville, known as the Housing Code, and adopting a new Housing Code for the City of Asheville.

Mayor Trantham opened the public hearing at 4:41 p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Lem Moore, Director of Inspections, said this ordinance will incorporate amendments to the Housing Code recommended by the Code Study Committee. He said the amendments are incorporated into a new Housing Code for the City of Asheville.

Mr. Moore read the proposed ordinance.

Mayor Trantham closed the public hearing at 4:44 p. m.

RESOLUTION NO. 83-85 - RESOLUTION ACCEPTING THE FISCAL YEAR 1982 COST ALLOCATION PLAN

9. Consideration was given to a resolution accepting the Fiscal Year 1982 Cost Allocation Plan.

The City Manager read the resolution stating that on March 10, 1983 Council approved the proposal of David M. Griffith and Associates, Ltd. for the preparation of a cost allocation plan for the City based on audited FY '82 information. The plan has been submitted and reviewed by City staff and the City Council Fringe Benefits Committee. This resolution will accept the plan submitted and direct that the plan be forwarded to the U. S. Department of Housing and Urban Development. He said Council should also direct that notification be given to all departments relative to the cost allocation plan as it affects their budgets.

Upon motion of Councilman Myers, seconded by Councilman McDevitt, Resolution No. 83-85 was unanimously adopted with direction that all departments be notified of the plan in order to reflect budgetary appropriations.

Complete text of Resolution No. 83-85 will be found in Resolution Book No. 14 at page 41.

SCHEDULING OF PUBLIC HEARING - FINAL STATEMENT OF OBJECTIVES AND PROPOSED USE OF FUNDS - "JOBS BILL"

10. Councilwoman Frank moved to schedule a public hearing for the final statement of objectives and projected use of funds - "Jobs Bill" for June 21, 1983. This motion was seconded by Councilman Myers and carried unanimously.

Note: During the Fiscal Year beginning July 1, 1983 the City of Asheville anticipates receiving $538,000 from the U. S. Department of Housing and Urban Development through an additional appropriation for the Community Development Block Grant Entitlement program which has been authorized through the Jobs Bill.

COUNCILMAN McDEVITT REQUESTED TRADITION ON RETIRING CITY EMPLOYEES

Councilman McDevitt requested that City Council establish a tradition that when city employees retire from employment with the City that after the resolution of appreciation is adopted that Council members express appreciation to the employee individually.

It was the consensus of Council to establish such a tradition.

PROCLAMATION - JULY 29, 30, AND 31, 1983 - "BELE CHERE FESTIVAL"

Mayor Trantham proclaimed July 29, 30, and 31, 1983 as "Bele Chere Festival."

Councilman McDevitt requested that Mr. Ashley make a commitment to Mrs. Sauer that she would have permission to tie into the sewer line if she so desires.

The City Manager suggested that the developer also negotiate with the City on installing larger sewer lines if the need arises and that the developer execute a deed of easement for these lines to the property line. He said the developer should be responsible for maintaining the lines until the City takes over the lines.

Mayor Trantham closed the public hearing at 5:10 p. m.

Vice-Mayor Price moved to approve the site plan of the proposed "Hawthorne" townhouses to be located on Old Haw Creek Road subject to the recommendations of the Planning and Zoning Commission; that the developer provide sewer lines to the property lines allowing Mrs. Sauer to tie into the line is she so desires; and that the developer negotiate with the City on installing larger sewer lines if the need arises and providing deeds of easement for these lines to the City. This motion was seconded by Councilwoman Bratton and carried unanimously.

RESOLUTION NO. 83-83 - RESOLUTION AUTHORIZING CERTAIN OFFICIAL ACTION RELATIVE TO THE BELE CHERE FESTIVAL

7. Consideration was given to a resolution authorizing certain official action relative to the Bele Chere Festival.

The City Manager said since members of Council were furnished copies of the resolution it would not be read in its entirety.

Upon motion of Vice-Mayor Price, seconded by Councilwoman Frank, Resolution No. 83-83 was unanimously adopted.

Complete text of Resolution No. 83-83 will be found in Resolution Book No. 14 at page 37, 38, 39.

Regular Meeting

Present: Vice-Mayor Norma T. Price, Presiding; Councilwomen Mary Lloyd Frank and Wilhelmina Bratton; Councilmen Gordon Myers, Joe Pless and Larry McDevitt; Corporation Counsel William C. Moore; City Manager K. M. Michalove; Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Mayor Roy M. Trantham (Attending a U.S. Conference of Mayor's Convention in Denver, Colorado).

INVOCATION

The invocation was given by Councilman Gordon Myers.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the June 7, 1983, meeting.

Upon motion of Councilman Pless, seconded by Councilwoman Frank, the minutes of the June 7, 1983, meeting were unanimously approved as submitted.

RESOLUTION NO. 83-88 - RESOLUTION APPOINTING WILLIAM F. SLAWTER CORPORATION COUNSEL OF THE CITY OF ASHEVILLE

2. Consideration was given to a resolution appointing William F. Slawter Corporation Counsel of the City of Asheville.

The Associate City Manager read the resolution.

Councilwoman Bratton said she was very excited about Mr. Slawter joining us and looks forward to working with him.

Councilwoman Frank said that she had reservations against anyone who is a one-man law firm because an occasion might arise when he will be needed in court and the City will need him also.

Councilman Myers responded to Councilwoman Frank's concerns by saying that this issue was discussed at length and Mr. Slawter understands his responsibilities and duties to the City. He said Mr. Slawter indicated that barring some unforeseen difficulties, that that would not be a problem. He said Mr. Slawter assured them that this issue would not interfer with his normal course of business for the City.

Councilman McDevitt stressed that Mr. Slawter is a fine person, a very able attorney and he has no reservations about his personal ability to serve as Corporate Counsel. He did, however, have reservations about the ability of anyone in a one- or two-man firm to provide legal services that the City needs. He said this in no way reflects on Mr. Slawter's personal qualifications.

Vice-Mayor Price said that she did not vote positively for Mr. Slawter in executive session. She said that she could not judge his performance as a lawyer but could appreciate Councilman McDevitt's thoughts. She said that initially the Council set as a criteria that the Corporate Counsel be a member of a firm. She felt that was important and for that reason she was not as supportive. She said that the majority of Council did support Mr. Slawter and she intends to vote for him at this time and looking forward to a very fruitful and a positive support from him for the City of Asheville.

Regular Meeting

On a roll call vote of 6-0, Ordinance No. 1378 passed on first and final reading.

Complete text of Ordinance No. 1378 will be found in Ordinance Book No. 10 at page 47.

SALE OF DISPOSAL PARCEL - EAST RIVERSIDE RENEWAL PROJECT - PARCEL 182

19. Consideration was given to a motion approving the sale of a disposal parcel in the East Riverside Renewal Project.

The City Manager said the Housing Authority has tentatively accepted the following bid for a disposal parcel in the East Riverside Renewal Project:

Parcel	Reuse	Price	Bid	Redeveloper
182	Commercial	35,000	35,000	Drs. Ariail, Baily, Boyd & Atwater

Randy Barnette with the Housing Authority of the City of Asheville, said this parcel is located on the corner of Choctaw and South French Broad. He said the redevelopers propose to construct a one story medical office building containing 7,000 square feet.

Councilman Myers moved to approve the sale of Disposal Parcel 182 as recommended by the Housing Authority. This motion was seconded by Councilwoman Frank and carried unanimously.

APPROVAL OF THE CONSENT AGENDA

20. The following items are of routine nature and have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items, the City Council may, by the authority granted to the City Council in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council, and/or a member of the city staff, any single item scheduled for approval on the consent agenda may be considered separately.

COUNCIL RECESS

Councilman Pless moved to recess the Council meeting for fifteen (15) minutes allowing Councilman McDevitt time to arrive. This motion was seconded by Councilwoman Frank and carried unanimously.

Council reconvened at 5:33 p. m.

ORDINANCE NO. 1371 - AN ORDINANCE ADOPTING THE OPERATING BUDGET AND FIXING THE TAX RATE OF THE CITY OF ASHEVILLE FOR THE FISCAL YEAR 1983-84 (AS AMENDED)

21. Consideration was given to the second and third reading of Ordinance No. 1371, An ordinance adopting the operating budget and fixing the tax rate of the City of Asheville for the Fiscal Year 1983-84.

Vice-Mayor Price announced that, during Council recess, she received a telephone call from Councilman McDevitt stating that he would be unable to attend the Council meeting this afternoon due to being held up in a court case. She said he asked her to report that he was sorry he could not vote on the budget ordinance but he did support the present budget ordinance.

Mayor Trantham said the ordinance was previously read on first reading and would not be re-read in its entirety unless there was a specific request to do so.

The City Manager noted that the Buncombe County Rescue Squad's budget for 1983-84 has been increased from $15,000 to $20,000 since this organization primarily serves the City of Asheville. He said he had discussed Council's request with the Buncombe County Rescue Squad to change their name to the Asheville-Buncombe County Rescue Squad or the Asheville Rescue Squad. He said they indicated that that would be costly to replace letterheads and emblems, etc.

Vice-Mayor Price requested that the Buncombe County Rescue Squad phase in a name change to reflect the Asheville Rescue Sqaud.

A discussion was held relative to a request of the Mayor's Handicapped Committee to fund their organization by $3,000. The City Manager noted that the $3,000 is not presently in the proposed budget. He said the City in the past has contributed to the committee with postage, etc. After discussion, Council decided to continue contributing to the committee as in the past.

Councilwoman Frank suggested that the committee write a letter to the state legislators requesting state funding for the committee. She also said the City Council could include this request in Council's legislative package to the General Assembly delegates.

The City Manager said the Asheville-Buncombe Community Relations Council's budget is the same as last year. He said the City's share is $61,298.62, which is one-half of the operating budget for the Council. After discussion Council decided to leave the appropriation for the Community Relations Council at $43,515 and to review the budget at a later date for any additional needs.

E. Resolution No. 83-109 - Resolution authorizing the closing of a portion of Boston Way in the City of Asheville for a Biltmore Village Fourth of July Festival.

HIGHLIGHTS: The Biltmore Village Inne wishes to sponsor an Old Fashioned Fourth of July Festival in the vicinity of Biltmore Village Inne. It will be necessary to close the portion of Boston Way between All Souls Crescent and Swan Street for the festivities which will take place from 10:00 a. m. to 10:00 p. m. on the Fourth of July.

Resolution Book No. 14 at page 74

Upon motion of Councilwoman Frank, seconded by Councilman Pless, the consent agenda was unanimously approved.

ORDINANCE NO. 1379 - BUDGET ORDINANCE AMENDMENT TO PROVIDE FUNDING FOR REHABILITATION FOR THE YMI CULTURAL CENTER BUILDING

Consideration was given to a budget ordinance amendment to provide funding for rehabilitation for the YMI Cultural Center Building.

The City Manager read the budget ordinance amendment to provide funding in the amount of $50,000 for continuing rehabilitation for the YMI Cultural Center building.

Councilwoman Bratton spoke in support of the budget ordinance amendment stating this project is a part of the South Pack Square Improvement Project and in addition to any proposed downtown developments.

Councilwoman Bratton moved for the adoption of Ordinance No. 1379. This motion was seconded by Councilwoman Frank.

On a roll call vote of 6-0, Ordinance No. 1379 passed on first and final reading.

Complete text of Ordinance No. 1379 will be found in Ordinance Book No. 10 at page ~~82~~ 48.

CLAIMS - RANDY O'DONNELL (WATER & SEWER) - OAKLEY BAPTIST CHURCH (WATER & SEWER) - CHARLOTTE TELL (WATER & SEWER) - GRAHAM FOX (PUBLIC WORKS)

The City Manager presented claims received from Randy O'Donnell, Oakley Baptist Church, Charlotte Tell, and Graham Fox.

Mayor Trantham referred the claims to the Corporation Counsel for investigation and recommendation.

COUNCIL MEETING FOR JULY 5, 1983 - CANCELLED

Councilman Myers moved to cancel the City Council meeting scheduled for July 5, 1983. This motion was seconded by Vice-Mayor Price and carried unanimously.

After discussion, Councilman Myers moved to approve the Water Budget as presented by the Water Authority with the understanding that any additional funds received by Water Authority can not go into the general operating budget or capital improvements without prior approval of the City Council and that City of Asheville will be given top priority for capital needs for sewer lines and further that the budget be amended to refect the city's cost allocation charges. This motion was seconded by Councilwoman Bratton and carried unanimously.

Vice-Mayor Price requested that a letter be forwarded to the Water Authority outlining the understandings with the approval of the Water Budget.

Councilman Myers commenting on the funds allocated for timber operations said he supported the funding for the timber operations and he felt that this was a small price to pay to maintain the forestry operations at the Water Shed.

Mr. Wurst then presented the following budget ordinance amendment:

That the 1983/84 Annual Operating Budget Ordinance be amended before final adoption as follows:

	Increase (Decrease)
Sewer Maintenance Fund	
Revenues - (Contribution from Other Funds)	$32,264
Appropriation - (Administrative Charges)	$32,264

PURPOSE: To reflect sewer maintenance portion of administrative charges for cost allocation.

Vice-Mayor Price moved to amend Ordinance No. 1371 as presented by Mr. Wurst. This motion was seconded by Councilwoman Frank and carried unanimously.

Vice-Mayor Price again noted that Councilman McDevitt supported the budget ordinance even though he can not vote on the ordinance.

On a roll call vote of 6-0, Ordinance No. 1371, as amended, passed on second reading.

Vice-Mayor Price moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1371. This motion was seconded by Councilman Myers and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1371, as amended, passed on third and final reading.

Complete text of Ordinance No. 1371 will be found in Ordinance Book No. 10 at page ~~38~~ 38, 39, 40.

ADJOURNMENT

Upon motion of Councilman Pless, seconded by Councilwoman Bratton, the meeting adjourned at 6:30 p. m.

MAYOR

CITY CLERK

Mr. Bob Wurst, Director of Audit and Budget, presented the following proposed budget amendment:

That the 1983/84 Annual Operating Budget Ordinance be amended before final adoption as follows:

		Increase (Decrease)
General Fund		
Revenue:	Charges to Other Funds (Cost Allocation)	$153,886
	Fund Balance Appropriated	$182,537
		$336,423
Appropriation:	General Debt Service/Capital Reserve	$336,423

PURPOSE: To increase the City's funding from general operations of General Debt Service/Capital Reserve to the equivalent of $.10 of the Fiscal 1983/84 tax rate.

Vice-Mayor Price moved to amend Ordinance No. 1371 as presented by Mr. Wurst. This motion was seconded by Councilwoman Frank and carried unanimously.

Mr. Wurst then presented the following proposed budget amendment:

That the 1983/84 Annual Operating Budget Ordinance be amended before final adoption as follows:

		Increase (Decrease)
General Fund		
Revenues:	Fund Balance Appropriated	$40,000
Appropriation:	Police - (Retirement Expense)	$40,000

PURPOSE: To provide funds for a supplement to the retired members of the Asheville Policemen's Pension and Disability Fund.

Councilman Pless moved to amend Ordinance No. 1371 as presented by Mr. Wurst. This motion was seconded by Councilwoman Frank and carried unanimously.

Consideration was then given to the approval of the Water Budget as presented by the Water Authority.

The City Manager said under the terms of the Water Agreement the City Council shall in open session take action on the Water Budget.

Tuesday - July 12, 1983 - 4:00 p. m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Norma T. Price; Councilwomen Mary Lloyd Frank and Wilhelmina Bratton, Councilmen Gordon Myers, Larry McDevitt, and Joe Pless; Corporation Counsel William C. Moore; City Manager K. M. Michalove, and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

INVOCATION

The invocation was given by Councilman Larry McDevitt.

OATH OF OFFICE - WILLIAM F. SLAWTER, CORPORATION COUNSEL

Mr. William F. Wolcott, Jr., City Clerk administered the oath of office to William F. Slawter as Corporation Counsel for the City of Asheville.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the June 28, 1983 meeting.

Upon motion of Vice-Mayor Price, seconded by Councilwoman Frank, the minutes of the June 28, 1983 meeting were unanimously approved as submitted.

RECOGNITION OF CITY EMPLOYEE - BECKI PLEMMONS

The City Manager recognized Becki Plemmons from the Accounting Division for her excellent performance in administering first aid. He read the following letter outlining the details of the performance:

June 30, 1983

MEMORANDUM TO: Ken Michalove
City Manager

FROM: Betsi Dickson, R.N.
Employee Infirmary

SUBJECT: Becki Plemmons, Account Clerk II

Saturday, June 25, 1983, the Green Valley Cloggers were performing at A-B Tech in the Birch Building. They were asked to do this for a reunion of naval personnel who served on the U.S.S. Bataan together in World War II (see the article in the Asheville Times, June 28, 1983).

They performed one dance, then called for audience participation. During the beginning of the dance Mr. G. M. (Budd) Riggins of Glen Burnie, Maryland, collapsed.

Becki Plemmons, a member of the Green Valley Cloggers, had completed the First Aid Course taught April 5, 1983 thru May 5, 1983. Immediate first aid care was begun. Irma Rudisill, another clogger, gave verbal commands to the crowd.

Becki began artificial respiration and a member of the audience began chest compressions. They administered cardio-pulmonary resuscitation for approximately twenty minutes before the Emergency Medical Service arrived. Becki checked the carotid pulse at intervals to be sure that the CPR was working efficiently.

When the EMS arrived, they were able to take over without an interruption of CPR. They continued to resuscitate Mr. Riggins for another twenty to thirty minutes before transporting him to the emergency room at Memorial Mission Hospital. Later that evening the group contacted the hospital and found that Mr. Riggins had died.

I am very proud of Becki. She performed excellently. She and I discussed her feelings at the time of the incident. She stated, "I didn't think about what to do or become frightened. I simply did it." I explained to Becki that only one out of every five victims who have a heart attack survive. She can credit herself for giving this man a good chance to live.

Please let me know if you need any further information. Thank you for your interest. I am pleased to see our employees dedicated to the value of human life. "

The City Manager also commended Betsi Dickson, R.N. for the excellent job she is doing in teaching first aid to the city employees.

ORDINANCE NO. 1380 - BUDGET ORDINANCE AMENDMENT FOR REFURBISHMENT OF LADDER TRUCK NO. 2

2. Consideration was given to a budget ordinance amendment reappropriating funds for the refurbishment of Ladder Truck No. 2.

The City Manager said members of Council were furnished copies of the ordinance and it would not be read in its entirety unless there was a specific request to do so. This budget amendment in the amount of $99,826 is to appropriate funds for the refurbishment of Ladder Truck No. 2.

Vice-Mayor Price moved for the adoption of Ordinance No. 1380. This motion was seconded by Councilwoman Frank.

On a roll call vote of 7-0, Ordinance No. 1380 passed on first and final reading.

Complete text of Ordinance No. 1380 will be found in Ordinance Book No. 10 at page ~~52~~ 49.

BIDS - REFURBISHMENT OF ASHEVILLE FIRE DEPARTMENT LADDER TRUCK NO. 2

3. Consideration was given to bids received for refurbishment of Asheville Fire Department Ladder Truck No. 2.

The City Manager presented the bids stating that two bids were received. Recommendation of acceptance of low bidder, American LaFrance, Division of Figgie International, Inc. in the amount of $99,826.00. Funding available in FY 82-83 from Revenue Sharing.

Councilwoman Frank moved to approve the recommendation to award the bid for the refurbishment of Asheville Fire Department Ladder Truck No. 2 to American La France, Division of Figgie International, Inc. in the amount of $99,826.00. This motion was seconded by Councilman Myers and carried unanimously.

RESOLUTION NO. 83-110 - RESOLUTION PROCLAIMING JULY 18-25, 1983 AS POLICE CHAPLAINCY WEEK

4. Consideration was given to a resolution proclaiming July 18-25, 1983 as Police Chaplaincy Week.

The City Manager noted that members of Council were furnished copies of the resolution and it would not be read in its entirety unless there was a specific request to do so.

Upon motion of Councilwoman Frank, seconded by Councilman Myers, Resolution No. 83-110 was unanimously adopted.

Complete text of Resolution No. 83-110 will be found in Resolution Book No. 14 at page 75.

APPROVAL OF THE CONSENT AGENDA

A. Resolution No. 83-111 - Resolution authorizing City Manager to sign contract with Attorney Landon Roberts for legal services in connection with lawsuit filed against City of Asheville by Grover C. Matthews.

HIGHLIGHTS: The City of Asheville, its city manager, its police department, its police chief, and two other members of its police force are defendants in a civil action filed in federal court by Grover C. Matthews. The defense of this lawsuit is not covered by any of the city's insurance policies, past or present. It is therefore necessary for the city to arrange for the defense of this lawsuit. Landon Roberts has agreed to provide the needed legal services.

Resolution Book No. 14 at page 76

B. Resolution No. 83-112 -Resolution authorizing the City Engineering Division and Corporate Counsel to enter into negotiations on behalf of the City of Asheville with Sutton-Kennerly and Associates for engineering services on the project known as the Municipal Building Structural Repairs.

HIGHLIGHTS: This resolution will authorize the City Engineering Division and Corporate Counsel to enter into negotiations on behalf of the City for engineering services for the project known as the Municipal Building Structural Repairs.

Resolution Book No. 14 at page 77.

Upon motion of Councilwoman Frank, seconded by Councilman Myers, the consent agenda was unanimously approved.

CLAIMS - BESSIE JOHNSON (PARKS AND RECREATION) - JOHN MILLER (WATER & SEWER) LOUISE HUDGINS (WATER & SEWER) - LOCKIE WORLEY (WATER AND SEWER)

The City Manager presented claims received from Bessie Johnson, John Miller, Louise Hudgins, and Lockie Worley.

Mayor Trantham referred the claims to the Corporation Counsel for investigation and recommendation.

RESOLUTION NO. 83-113 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE A RIGHT-OF-WAY ENCROACHMENT AGREEMENT WITH THE NORTH CAROLINA DEPARTMENT OF TRANSPORTATION FOR THE CONSTRUCTION OF A TWELVE INCH SEWER LINE AND RELATED APPURTENANCES LOCATED BETWEEN BROADWAY AND MERRIMON AVENUE

Consideration was given to a resolution authorizing the Mayor to execute a right-of-way encroachment agreement with the North Carolina Department of Transportation for the construction of a twelve inch sewer line and related appurtenances located between Broadway and Merrimon Avenue.

The City Manager read the resolution which stated that the City of Asheville desires to encroach on the right-of-way of US 19-23, Merrimon Avenue, with the construction of a twelve inch sewer line and related appurtenances. The North Carolina Department of Transportation is willing to permit the encroachment within the limits of its right-of-way.

Upon motion of Councilman McDevitt, seconded by Vice-Mayor Price, Resolution No. 83-113 was unanimously adopted.

Complete text of Resolution No. 83-113 will be found in Resolution Book No. 14 at page 78.

RESOLUTION NO. 83-114 - RESOLUTION AUTHORIZING THE MAYOR TO SIGN ON BEHALF OF THE CITY OF ASHEVILLE A CONTRACT WITH TAYLOR AND MURPHY CONSTRUCTION COMPANY FOR THE PROJECT KNOWN AS THE F.O.P. PROPERTY GRADING PROJECT

Consideration was given to a resolution authorizing the Mayor to sign on behalf of the City of Asheville a contract with Taylor and Murphy Construction Company for the project known as the F.O.P. Property Grading Project.

The City Manager said bids were received on this project on June 30, 1983. The results were as follows: Dillingham Construction Company - $21,609.00; Ruckman Brothers, Inc. - $27,800.00 - Taylor and Murphy Construction Co. - $3,000.00. Since all bids were higher than the budget for this project, the City Engineer negotiated with the low bidder (Taylor and Murphy Construction Company) to bring this project in within the budget. This negotiation process, with the low bidder, is allowed under the North Carolina General Statutes. With a slight modification to the plans with the approval of the F.O.P. a price of $0.00 has been agreed to by Taylor and Murphy Construction Company for this project. The reason for this price, is the fact that they are in need of the spoil dirt in connection with another project that they have contracted for in the area of this project.

Upon motion of Vice-Mayor Price, seconded by Councilwoman Frank, Resolution No. 83-114 was unanimously adopted.

Complete text of Resolution No. 83-114 will be found in Resolution Book No. 14 at page 79.

PROCLAMATION - JULY 9-16, 1983 - "WEIGHT WATCHERS INTERNATIONAL WEEK"

Mayor Trantham proclaimed July 9-16, 1983 as "Weight Watchers International Week."

PROCLAMATION - JULY 16, 1983 - "ATOMIC VETERANS DAY"

Mayor Trantham proclaimed July 16, 1983 as "Atomic Veterans Day."

COMMENTS BY PETER WINSLOW - RE: PROPOSED DEVELOPMENT OF "SUGARTREE" PROJECT IN KENILWORTH AREA

Mr. Peter Winslow, 288 Kenilworth Road, spoke to members of Council relative to the proposed "Sugartree" project which never developed in the Kenilworth area. He also referred to an article in the Sunday, July 3, 1983, newspaper relative to the project. He said this project was very costly to everyone involved. He said the City of Asheville City Council has the obligation to qualify developers for projects such as this. He said this developer hurt many innocent people in Asheville. He said the developer also hurt many people on the east coast by proposing such projects. He volunteered his time to assist the City Council in setting up standards for developers so something like this will not happen again. He said he was also volunteering his time to the state legislators to set up standards so this will not happen across the state. He asked Council's support in setting up a committee to work on the standards for developers.

Vice-Mayor Price said the City Council Planning Committee discussed this request and will continue to review Mr. Winslow's request. She said the Planning Committee also plans to involve the Corporation Counsel in the review and a recommendation will be made to Council. She asked Mr. Winslow if he had any specific recommendations in the mean time to let his recommendations be known to the City Manager.

Members of Council thanked Mr. Winslow for his time and effort on the "Sugartree" project and offering his time to assist Council.

RALPH BISHOP - COMMENTS RELATIVE TO MAYOR

Ralph Bishop made comments to the Mayor relative to his prior grocery business and about Mr. Bishop's prior lottery sales in the City of Asheville.

ADJOURNMENT

Upon motion of Councilwoman Bratton, seconded by Vice-Mayor Price, the meeting adjourned at 4:40 p. m.

MAYOR

CITY CLERK

John R. Smith, Chief Building Inspector for the City of Asheville was elected President-Elect of the North Carolina Building Inspectors' Association at their twenty-eighth Annual Meeting held in Asheville June 19-22, 1983. Mr. Smith has been an active member of the Association for several years and served as a Director and Vice-President before being elected President-Elect.

Sincerely,

/s/ T. O. Mullins, Jr.

T. O. Mullins, Jr.
Secretary-Treasurer

The City Manager and members of Council commended Mr. Smith for being elected President-Elect of the North Carolina Building Inspectors' Association.

PUBLIC HEARING - REZONING PROPERTY AT 265 CHARLOTTE STREET

ORDINANCE NO. - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED (265 Charlotte Street) (Del-Rio, Inc. - Manor Inn)

3. A public hearing was held relative to rezoning property at 265 Charlotte Street, property owned by Del Rio, Inc. and known as the Manor.

Mayor Trantham opened the public hearing at 4:30 p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing.

Verl Emrick, Director of Planning, said the Asheville Planning and Zoning Commission at a meeting held June 1, 1983 considered the request of Attorney John Powell for Del Rio, Inc. that Ward 2, Sheet 15, Lots 98 and 100 be rezoned from R-2 and R-3, respectively, to OI, Office-Institutional District. After review and discussion, the Commission voted unanimously to recommend to City Council that this petition be denied and that the Commission affirm City Council's action of zoning the property to R-2 and R-3 by Ordinance No. 1196. Attorney John Powell appealed the decision of the Planning and Zoning Commission to City Council.

Mr. Emrick said the Manor is located on Lot 98 and the large parking area in the rear is located on Lot 100.

Mr. Emrick said the Planning and Zoning Commission recommended that the petitioners pursue the proceedings under the Architectural Overlay Zoning passed by Council recently. He said it was his understanding that the petitioners, at this time, do not wish to pursue the Architectural Overlay Zoning.

Upon inquiry of Vice-Mayor Price, Mr. Emrick said the Manor Inn has been designated on the National Register of Historic Places but has not formally been designated as Historic property by City Council. He said this action would have to be taken before pursuing the Architectural Overlay Zoning.

Tuesday - July 19, 1983 - 4:00 p. m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Norma T. Price; Councilwomen Mary Lloyd Frank and Wilhemina Bratton, Councilmen Gordon Myers, Larry McDevitt and Joe Pless; Corporation Counsel William F. Slawter; City Manager K. M. Michalove, and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

INVOCATION

The invocation was given by Vice-Mayor Norma T. Price.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the July 12, 1983 meeting.

Upon motion of Councilman McDevitt, seconded by Vice-Mayor Price, the minutes of the July 12, 1983 meeting were unanimously approved as submitted.

RESOLUTION NO. 83-115 - RESOLUTION COMMENDING THE AMERICAN FIELD SERVICE ON THEIR PARTICIPATION IN THE PILOT PROGRAM OF THE FIRST ADULT EXCHANGE AND RECOGNIZING THE FOREIGN EXCHANGE ADULTS FROM SOUTHEASTERN FRANCE, LYON AND THE SURROUNDING AREA THAT ARE PARTICIPATING IN THE PROGRAM

2. Consideration was given to a resolution commending the American Field Service on their participation in the Pilot Program of the First Adult Exchange and recognizing the foreign exchange adults from Southeastern France, Lyon and the surrounding area that are are participating in the program.

The City Manager read the resolution.

Mayor Trantham presented, with the assistance of an interpreter, each participant a letter of welcome. He also presented a key to the City of Asheville to be given to the Mayor of Lyon.

Upon motion of Vice-Mayor Price, seconded by Councilwoman Frank, Resolution No. 83-115 was unanimously adopted.

Complete text of Resolution No. 83-115 will be found in Resolution Book No. 14 at page 101

CITY MANAGER RECOGNIZED CITY EMPLOYEE JOHN R. SMITH

The City Manager read the following letter received by Mayor Trantham:

June 28, 1983

Honorable Roy M. Trantham
Mayor of Asheville
P. O. Box 7148
Asheville, N. C. 28807

Dear Mayor Trantham:

A roll call was then taken on the adoption of the ordinance, which motion was defeated on a roll call vote of 5-2, with Councilman Pless voting "here", Councilman Myers, Councilman McDevitt, Vice-Mayor Price, Mayor Trantham, and Councilwoman Frank voting "no" and Councilwoman Bratton voting "yes."

Mr. Mack Day then made a request of Council to put a new P. A. system in the Council Chambers. He said there is an echo in the room and it is difficult to hear everything that is said in the Chambers.

ORDINANCE NO. 1381 - ORDINANCE ESTABLISHING THE NINTH YEAR COMMUNITY DEVELOPMENT BLOCK GRANT ENTITLEMENT AS A CAPITAL PROJECT FOR THE CITY OF ASHEVILLE

4. Consideration was given to an ordinance establishing the ninth year Community Development Block Grant Entitlement as a Capital Project for the City of Asheville.

The City Manager said members of Council were furnished copies of the ordinance and the ordinance would not be read in its entirety unless there was a specific request to do so.

The City of Asheville has been notified by the HUD Area Office in a communication to Mayor Trantham dated July 6, 1983 that the entitlement of $1,520,000 had been approved. This ordinance will establish a capital project for said funds.

Vice-Mayor Price moved for the adoption of Ordinance No. 1381. This motion was seconded by Councilman McDevitt.

On a roll call vote of 7-0, Ordinance No. 1381 passed on first and final reading.

Complete text of Ordinance No. 1381 will be found in Ordinance Book No. 10 at page 50.

RESOLUTION NO. 83-116 - JOINT RESOLUTION APPROVING WATER POLICIES OF THE ASHEVILLE/BUNCOMBE WATER AUTHORITY

5. Consideration was given to a joint resolution approving water policies of the Asheville/Buncombe Water Authority.

The City Manager said members of Council were furnished copies of the resolution and the water policies and the resolution would not be read in its entirety unless there was a specific request to do so.

The Asheville-Buncombe Water Authority adopted Water Policies on May 17, 1983. This resolution will approve the water policies and will supersede and replace any and all existing rules, regulations, and policies of either the City or the County that relate in any way to the Water System or the management and development of such system, except such rules, regulations, and policies that have been incorporated in an ordinance of either the City or County now in effect.

Councilman McDevitt said he personally needed more time to review the water policies before taking action on the resolution but if the majority of the members of Council were ready to vote on the resolution he would not object.

Mr. Emrick reviewed the location of the area petitioned for rezoning.

Upon inquiry of Councilwoman Bratton, Corporation Counsel Slawter said in his opinion it would not be a conflict of interest for her to vote on the rezoning issue simply because she is a member of the Manor Inn.

Attorney John Powell, representing Del Rio, Inc., owner of the property, spoke in support of the rezoning from R-2 and R-3 to OI,Office Institutional District. He reviewed the background of the rezoning request for members of Council, dating back to 1975. He said OI, Office Institutional zoning will make the property viable, offering flexibility to the operation and to guarantee its saleability. He requested that Council consider what is the proper zoning for this property in this neighborhood.

Mr. Mack Day, President of the Grove Park-Sunset Citizens Association, spoke in opposition to the rezoning. Approximatley 50 property owners were in attendance expressing opposition to the rezoning. Mr. Day requested that Council take no action on the rezoning request and let the property remain zoned R-2 and R-3 Residential District. He said the owners of the property knew the Manor was zoned R-2 and R-3 when it was purchased in 1975 and that they should take advantage of the "Architectural Overlay" zoning that allows some commercial development with the approval of City Council.

Several property owners and residents in the area spoke in opposition to the rezoning including: James J. Tyson, Jr., 21 Edwin Place
Charlene Schandler, Cherokee Road
Barbara Rice

After a lengthy discussion, Mayor Trantham closed the public hearing at 5:47 p. m.

Verl Emrick read the ordinance rezoning the property as petitioned.

Councilman Pless moved for the adoption of the ordinance and to continue the vote on the ordinance for one week giving him time for further consideration of the issues. This motion was seconded by Councilman Myers.

Councilwoman Bratton concurred with Councilmen Pless and Myers that she needed more time to absorb the information presented to members of Council at today's meeting.

Vice-Mayor Price said she felt it would be a waste of time to postpone action on the rezoning request if the majority of Council members are prepared to vote today.

Mr. Mack Day said in all fairness to the community Council should settle the rezoning issue since this request has been going on for over seven (7) years.

Mayor Trantham said from a poll of the Council the majority of Council members are ready to vote on the rezoning request at today's meeting.

Councilman Pless then moved to table the ordinance for one week. This motion was seconded by Councilman Myers, which motion was defeated on a roll call vote of 4-3, with Mayor Trantham, Vice-Mayor Price, Councilman McDevitt, and Councilwoman Frank voting "no" and Councilman Pless, Councilman Myers, and Councilwoman Bratton voting "yes."

5. Consideration was given to a budget ordinance amendment for the reallocation from HUD for the 1982-83 Entitlement Year.

The City Manager said members of Council were furnished copies of the ordinance and it would not be read in its entirety unless there was a specific request to do so.

The City of Asheville has received an additional $1,000 from HUD for the 1982-83 Entitlement Year. This will allocate said funds.

Councilwoman Frank moved for the adoption of Ordinance No. 1383. This motion was seconded by Vice-Mayor Price.

On a roll call vote of 5-0, Ordinance No. 1383 passed on first and final reading.

Complete text of Ordinance No. 1383 will be found in Ordinance Book No. 10 at page ~~57~~ 53.

ORDINANCE NO. 1384 - BUDGET ORDINANCE AMENDMENT TO SUPPLEMENT THE CHAMBER OF COMMERCE FOR ECONOMIC DEVELOPMENT

6. Consideration was given to a budget ordinance amendment to supplement the Chamber of Commerce for Economic Development.

The City Manager said members of Council were furnished copies of the ordinance and it would not be read in its entirety unless there was a specific request to do so.

Verl Emrick, Director of Planning, said the Asheville Planning and Zoning Commission at a meeting held July 13, 1983, reviewed the site plan of the proposed Holiday Inn to be located on Airport Road. The site plan was prepared by Wagoner Construction Company, Salisbury, N. C. for Airport Associates, Inc. Developers, and submitted in accordance with the Group Development Section of the Asheville Zoning Ordinance. After review and discussion of the plan, the Commission voted to recommend approval to City Council, subject to compliance with the City's Erosion Control Ordinance.

Mr. Emrick presented a rendering of the project, stating that it consists of a two story building with 150 units, costing approximately $3.5 million. He said water and sewer will be available and the complex will be serviced by the Skyland Fire District.

After a brief discussion, Mayor Trantham closed the public hearing at 4:15 p. m.

ORDINANCE NO. 1382 - AN ORDINANCE ESTABLISHING THE CITY OF ASHEVILLE DEBT SERVICE/ CAPITAL RESERVE FUND

4. Consideration was given to an ordinance establishing the City of Asheville Debt Service/Capital Reserve Fund.

The City Manager said members of Council were furnished copies of the ordinance and it would not be read in its entirety unless there was a specific request to do so.

The City of Asheville has a significant investment in its capital assets such as buildings, streets, sidewalks, bridges, drainage systems, etc. In the past, there has been no long-range plan to maintain, renovate, or replace said facilities, which has resulted in many city facilities being in a state of deterioration. This ordinance will establish a Capital Reserve/Debt Service Fund, the purpose of which is to receive an annual contribution from the General Fund, which shall be equivalent to the yield of a tax rate of $.12 per $100 assessed valuation.

Upon motion of Councilwoman Frank, seconded by Vice-Mayor Price, Resolution No. 83-124 was unanimously adopted.

Complete text of Resolution No. 83-124 will be found in Resolution Book No. 14 at page 110

RESOLUTION NO. 83-125 - RESOLUTION REQUESTING THE LAND OF SKY REGIONAL COUNCIL TO PROVIDE ASSISTANCE TO THE CITY OF ASHEVILLE PUBLIC WORKS DEPARTMENT, SANITATION DIVISION AND AUTHORIZING THE MAYOR TO EXECUTE NECESSARY AGREEMENT

9. Consideration was given to a resolution requesting the Land of Sky Regional Council to provide assistance to the City of Asheville Public Works Department, Sanitation Division and authorizing the Mayor to execute necessary agreements.

The City Manager said members of Council were furnished copies of the resolution and it would not be read in its entirety unless there was a specific request to do so.

The City Council has determined that there is a need for assistance to 1) Study crew size and number of crews required for providing sanitation service; 2) Investigate alternative refuse collection equipment available for providing sanitation service; 3) Study work load balancing of sanitation service collection crews to insure equitable work distribution; 4) Study vehicle routing and develop a systematic routing plan to reduce distances and back tracking on sanitation vehicle routes for the Public Works Department, Sanitation Division. The Land of Sky Regional Council, through its Local Government Productivity Improvement Program is able to perform the services above. There will be no charge for this assistance due to the fact that the program is in the "introductory" phase. If the program were in the fee-paid phase the charge for assistance would be approximately $9,000 based upon an hourly charge of $25.00. This resolution will authorize the execution of the necessary agreement with the Land of Sky Regional Council to carry out the project.

Upon motion of Councilwoman Frank, seconded by Vice-Mayor Price, Resolution No. 83-125 was unanimously adopted.

Complete text of Resolution No. 83-125 will be found in Resolution Book No. 14 at page 111

RESOLUTION NO. 83-126 - RESOLUTION ESTABLISHING CITY POLICY FOR PLACING NEW SIDEWALKS, CURBS AND DRIVE ENTRANCES AND MAINTAINING EXISTING SIDEWALKS, CURBS AND DRIVE ENTRANCES DURING WORK PERFORMED BY DEVELOPERS OR PROPERTY OWNERS

10. Consideration was given to a resolution establishing city policy for placing new sidewalks, curbs and drive entrances and maintaining existing sidewalks, curbs and drive entrances during work performed by developers or property owners.

The City Manager said members of Council were furnished copies of the resolution and it would not be read in its entirety unless there was a specific request to do so.

This budget amendment in the amount of $25,000 for Fiscal 1983/84 is a supplement to Chamber of Commerce for Economic Development.

Councilwoman Bratton moved for the adoption of Ordinance No. 1384. This motion was seconded by Councilwoman Frank.

On a roll call vote of 5-0, Ordinance No. 1384 passed on first and final reading.

Complete text of Ordinance No. 1384 will be found in Ordinance Book No. 10 at page ~~58~~ 54.

SALE OF DISPOSAL PARCELS 64, 79, AND 127 IN THE EAST END/VALLEY STREET COMMUNITY IMPROVEMENT PROJECT AND THE EAST RIVERSIDE RENEWAL PROJECT

7. Consideration was given to a motion relative to the sale of disposal parcels in the East End/Valley Street Community Improvement Project and the East Riverside Renewal Project.

The City Manager said the Housing Authority has tentatively accepted the following bids for disposal parcels in the East End/Valley Street Community Improvement Project and the East Riverside Renewal Project:

Parcel	Reuse	Price	Bid	Redeveloper
64	Residential	3,575	4,212.01	Mr. & Mrs. William Young

127	Residential	1,800	1,800	Mr. & Mrs. Howard Lee

Parcels 64 and 79 are located on New Pine Street. Parcel 127 is located on South French Broad. Single family residential structures are proposed under the Dollar-A-Lot Program.

Councilman Pless moved to approve the sale of Disposal Parcels 64, 79, and 127 in the East End/Valley Street Community Improvement Project and the East Riverside Renewal Project as tentatively accepted by the Housing Authority. This motion was seconded by Vice-Mayor Price and carried unanimously.

RESOLUTION NO. 83-124 - RESOLUTION AUTHORIZING THE MAYOR TO ENTER INTO AN AGREEMENT WITH BRIAN CENTER OF NURSING CARE-ASHEVILLE FOR FIRE PROTECTION

8. Consideration was given to a resolution authorizing the Mayor to enter into an agreement with Brian Center of Nursing Care - Asheville for Fire Protection.

The City Manager said members of Council were furnished copies of the resolution and it would not be read in its entirety unless there was a specific request to do so.

The Brian Center of Nursing Care - Asheville is not located within the corporate limits of the City of Asheville. They have requested the City to enter into a contractual agreement for the City to furnish personnel and equipment to answer calls for fire protection from the Brian Center of Nursing Care -Asheville. The City Council has previously established a standard fire contract rate to govern such contracts for fire protection. The City staff has negotiated with the Center staff and has arrived at an agreement which appears equitable to all parties considering the special nature of the risks involved at the Center facilities. This resolution will authorize the execution of the agreement.

Upon motion of Councilman Pless, seconded by Councilwoman Frank, Resolution No. 83-128 was unanimously adopted.

Complete text of Resolution No. 83-128 will be found in Resolution Book No. 14 at page 114

RESOLUTION NO. 83-134 - RESOLUTION APPOINTING A CABLE TELEVISION STUDY COMMITTEE

11. Consideration was given to a resolution appointing a Cable Television Study Committee.

The City Manager read the resolution which appointed Mr. Robert Petty, Mr. W. P. Winslow, Ms. Mary Ann McMahan, Mr. Glenn Snipes and Mr. Alan Meierhoefer as the members of the Cable Television Study Committee.

Corporate Counsel Slawter raised the following questions for Council to consider:

1. Should the duration of the committee be stated?

1. Poplar Street, extending College Street from the intersection of Valley, Oak and College Streets be named College Street.

2. The new section of Valley Street extending from Charlotte Street to Biltmore Avenue be renamed to South Charlotte Street.

3. The remaining section of Old Valley Street from Biltmore Avenue to NCDOT right-of-way for the new Valley Street be renamed to McCormick Street.

4. The aforementioned changes in street names are to be effective November 1, 1983.

Mayor Trantham closed the public hearing at 5:04 p.m.

Upon motion of Councilwoman Frank, seconded by Councilman McDevitt, Resolution No. 83-130 was unanimously adopted.

Complete text of Resolution No. 83-130 will be found in Resolution Book No. 14 at page 124

Councilman McDevitt stated that he had asked for a staff recommendation for re-naming the small stretch of College Street that goes up by the Allen Center to College Street Extension.

RESOLUTION NO. 83-131 - RESOLUTION REQUESTING THE BUNCOMBE COUNTY COMMISSIONERS TO DELETE THE MUNICIPAL GOLF COURSE AND ASTON PARK TENNIS COURTS FROM THE WATER AGREEMENT

8. Consideration was given to a resolution requesting the Buncombe County Commissioners to delete the Municipal Golf Course and Aston Park Tennis Courts from the Water Agreement.

The City Manager read the resolution stating that the Asheville Parks and Recreation Advisory Board has recommended that the continued operation of the Municipal Golf Course and the Aston Park Tennis Courts can best be handled by those facilities remaining under the supervision of the City of Asheville. Therefore, the Council is asking that a request be made to the County of Buncombe and the various water and sewer districts which are a party to the Water Agreement, entered into on October 29, 1981, that said agreement be amended by deleting therefrom all provisions transferring ownership or control of the Municipal Golf Course and the Aston Park Tennis Courts to the County.

Mr. Robert Wurst, Audit/Budget Director, presented the Council with a schedule of the two budgets and reviewed them in detail. He said that these two operations do not affect the City budget significantly and if there could be some changes in operation, there might even be some positive impact on the City budget.

Councilwoman Bratton spoke in favor of the City maintaining these facilities and commended Mr. Carl Logan for the good job he has done in maintaining the Aston Park Tennis Courts.

Vice-Mayor Price stated that she supports this resolution but hoped it would not cause problems where the Water Agreement is concerned.

Mr. Mort Buchwald, resident of Arden, stated that Aston Park Tennis Courts are in very good condition.

HIGHLIGHTS: The Motor Transport Division has approximately 200-300 used tires for which the City has no use. The Motor Transport Superintendent has declared these tires surplus.

FISCAL IMPACT: This action will result in a revenue which will result in reduced Motor Transport charges to user departments. Revenue anticipated $200-$800.

F. Resolution No. 83-140 - Resolution appointing members to the Asheville Area Civic Center Commission.

HIGHLIGHTS: This resolution will appoint Mr. Gordon Greenwood, Jr., Mr. Joe L. Webster, and Mr. David L. Brown as members of the Asheville Area Civic Center Commission.

2. Should a definite time be set forth for the committee to report to Council?

3. Does there need to be a mechanism for replacement of members of the committee?

Councilman McDevitt moved to amend the resolution by appointing the members to three (3) year terms, not staggered. This motion was seconded by Councilwoman Bratton and carried unanimously.

Councilman McDevitt moved to amend the resolution by requiring that the Committee report to the City Council semi-annually on their work and findings. This motion was seconded by Councilwoman Bratton and carried unanimously.

Upon motion of Councilwoman Bratton, seconded by Councilwoman Frank, Resolution No. 83-134, as amended, was unanimously adopted.

Councilwoman Bratton moved to appoint Mr. W. P. "Pete" Winslow as Acting Chairman of the Cable Television Study Committee. This motion was seconded by Councilman McDevitt and carried unanimously.

Councilman McDevitt moved to request that the Committee submit to City Council a report regarding the immediate rate increase request by September 13, 1983. This motion was seconded by Councilwoman Frank and carried unanimously.

Complete text of Resolution No. 83-134 will be found in Resolution Book No. 14 at page 128.

APPROVAL OF THE CONSENT AGENDA

12. The City Manager said the following items are of a routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items, the City Council may, by the authority granted to the City Council in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council, and/or a member of the City staff, any single item scheduled for approval on the consent agenda may be considered separately.

A. Resolution No. 83-135 - Resolution authorizing the Mayor of the City of Asheville to enter into a letter of agreement with the Land-of-Sky Regional Council for the Local Government Energy Officer Program.

HIGHLIGHTS: Under the proposed agreement, the Land-of-Sky Regional Council and the City of Asheville will cooperate in the development and implementation of a comprehensive energy management program within the City operations.

FISCAL IMPACT: The cost of this program is anticipated to be offset by energy savings during the fiscal year.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the August 2, 1983 meeting.

Upon motion of Councilwoman Frank, seconded by Councilman McDevitt, the minutes of the August 2, 1983 meeting were unanimously approved as submitted.

PUBLIC HEARING - BOARD OF ADJUSTMENT TO EXAMINE CERTAIN APPEAL CASES INVOLVING THE INSPECTIONS DIVISION AND THE NORTH CAROLINA STATE BUILDING CODE

ORDINANCE NO. 1387 - AN ORDINANCE AMENDING SECTION 8-1 OF THE CODE OF ORDINANCES OF THE CITY OF ASHEVILLE

2. A public hearing was held relative to an ordinance dealing with procedures that would permit the Board of Adjustment to examine certain appeal cases that involve the Inspections Division and the North Carolina State Building Code.

Vice-Mayor Price opened the public hearing at 4:23 p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing.

The City Manager said the purpose of this ordinance would be to permit a review, by the Board of Adjustment, in cases where a decision of the building inspector is alien to a group of people wanting something done not in compliance with the North Carolina State Building Code. He said this review would be permitted in situations where the group would have the right to appeal directly to the state. He said this amendment is subject to the approval of the North Carolina Building Code Council. He said during the appeal process if the Board of Adjustment turns down a request the appellant could still appeal to the state.

The City Manager gave an example of a recent situation where a group could use this process. He said a church recently outgrew their facilities and wanted to use a trailer for Sunday School classrooms which would be prohibited by the North Carolina State Building Code.

FISCAL IMPACT: None

Resolution Book No. 14 at page 135.

Upon motion of Councilwoman Frank, seconded by Councilman McDevitt, the consent agenda was unanimously approved.

CLAIM - ERNEST STUDWELL (PUBLIC WORKS)

The City Manager presented a claim received from Mr. Ernest Studwell.

Vice-Mayor Price referred the claim to the Corporate Counsel for investigation and recommendation.

Vice-Mayor Price proclaimed August 5 and 6, 1983, as "Buddy Poppy Days" for the Veterans of Foreign Wars of the United States.

COUNCILMAN JOE PLESS - BELE CHERE

Councilman Pless commended the work that Mr. Verl Emrick, Planning Director, and the staff did in coordinating Bele Chere 1983.

COUNCILMAN LARRY McDEVITT - AGENDA ITEM REVIEWS

Councilman McMcDevitt requested that before any matters that need Council action are brought before them, that Corporate Counsel review them and sign off on them before the Council meeting.

ADJOURNMENT

Upon motion of Councilwoman Frank, seconded by Councilman Myers, the meeting adjourned at 5:45 p.m.

MAYOR

CITY CLERK

Vice-Mayor Price said this ordinance was previously read on first reading and would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 5-0, Ordinance No. 1385 passed on second reading.

ORDINANCE NO. 1386 - ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED (Property on Twentieth Street)

4. Consideration was given to the second reading of Ordinance No. 1386, an ordinance amending Ordinance No. 322, known as "An Ordinance Providing for the Zoning of the City of Asheville," as amended rezoning property located on Twentieth Street.

Vice-Mayor Price said this ordinance was previously read on first reading and would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 5-0, Ordinance No. 1386 passed on second reading.

RESOLUTION NO. 83-141 - RESOLUTION AUTHORIZING THE DIRECTOR OF PARKS, RECREATION, AND PUBLIC FACILITIES TO SUBMIT GRANT APPLICATIONS FOR YOUTH COMMUNITY IMPROVEMENT GRANTS

5. Consideration was given to a resolution authorizing the Director of Parks, Recreation and Public Facilities to submit grant applications for Youth Community Improvement Grants.

The City Manager said members of Council were furnished copies of the resolution and it would not be read in its entirety unless there was a specific request to do so.

Note: Metropolitan Life Insurance Company offers small grants in the amount of $250.00 to youth groups for community improvement projects and the Parks, Recreation, and Public Facilities Department sponsors many youth groups who may be interested in seeking said funds.

Upon motion of Councilwoman Frank, seconded by Councilman McDevitt, Resolution No. 83-141 was unanimously adopted.

Complete text of Resolution No. 83-141 will be found in Resolution Book No. 14 at page 130.

RESOLUTION NO. 83-142 - RESOLUTION AUTHORIZING THE PURCHASING DIRECTOR TO EXECUTE A NOTICE OF INTENT WITH THE NORTH CAROLINA DEPARTMENT OF ADMINISTRATION, STATE DIVISION OF PURCHASE AND CONTRACT, FOR PARTICIPATION IN THE NORTH CAROLINA STATE CONTRACT FOR LAW ENFORCEMENT VEHICLES

6. Consideration was given to a resolution authorizing the Purchasing Director to execute a notice of intent with the North Carolina Department of Administration State Division of Purchase and Contract, for participation in the North Carolina State Contract for Law Enforcement Vehicles.

The City Manager said members of Council were furnished copies of the resolution and it would not be read in its entirety unless there was a specific request to do so.

Mr. Charles Dyson, 25 Innsbrook Road, an employee of the Carolina Power and Light Company, spoke in favor of the ordinance. He said he was involved in the situation referred to by the City Manager in that Carolina Power and Light Company offered to provide the church with the trailer.

Carroll Arrowood, 118 Webb Cove Road, with Trinity Presbyterian Church, also spoke in favor of the ordinance stating that his church is involved in the situation where the trailer is needed for the Sunday School classrooms.

Mr. Lem Moore, Director of Inspections Division, said his division must enforce the North Carolina State Building Code and the trailer proposed to be used by the church does not meet the Building Code standards. He said this amendment must be approved by the N. C. Building Code Council before being enforced.

Vice-Mayor Price closed the public hearing at 4:39 p. m.

The City Manager said members of Council were furnished copies of the proposed ordinance and it would not be read in its entirety unless there was a specific request to do so.

Councilwoman Bratton moved for the adoption of Ordinance No. 1387. This motion was seconded by Councilman McDevitt.

On a roll call vote of 5-0, Ordinance No. 1387 passed on first reading.

The City Manager requested that Council pass the ordinance on second and third reading at today's meeting in order to get the amendment on the agenda for the N. C. Building Code Council meeting on September 13, 1983. He said items for the Building Code Council must be submitted at least 30 days prior to the meeting.

Councilman McDevitt moved to suspend the rules and proceed to the second reading of Ordinance No. 1387. This motion was seconded by Councilwoman Bratton and carried unanimously.

On a roll call vote of 5-0, Ordinance No. 1387 passed on second reading.

Councilman McDevitt moved to suspend the rules and proceed to the third reading of Ordinance No. 1387. This motion was seconded by Councilwoman Bratton and carried unanimously.

On a roll call vote of 5-0, Ordinance No. 1387 passed on third and final reading.

Complete text of Ordinance No. 1387 will be found in Ordinance Book No. 10 at page 57.

3. Consideration was given to the second reading of Ordinance No. 1385, an ordinance amending Ordinance No. 322, known as "An Ordinance Providing for the Zoning of the City of Asheville," as amended rezoning property on Lyman Street from OI Office Institutional District to LI Light Industrial District.

The City Manager also presented the following report:

Mon., 8 Aug., '83

Memo to Wm. Wolcott

re: Oak Ridge Villas, Riverview Dr.

Permit #163 (Erosion Ordinance)

An inspection of the above site, this date, shows that the site appears to be adequately protected against the discharge of mud and silt from construction operations onto adjacent property, public and private, meeting the Ordinance.

Landscaping operations (seeding, pine needles, shrubbry, etc.) are underway. Silt fences are in place.

The developer has a history of prompt and effective response to calls relating to this project.

The gravel trench detention device has been installed and its dimensions exceed the approved design. You will recall that the developer, Mr. Charles Burnette, had agreed to either install this device or to connect to the City's storm sewer system if it was in place before he was ready to build the device.

It is not anticipated that the developed site will be in violation of the Ordinance.

Wm. T. Besser

The City Manager said he also received cost estimates from the Engineering Division dealing with drainage in this area in phases. He said Phase I installing drainage pipe from the project down Avon Street and emptying into existing drain channels would be $23,280; phase II installing drainage pipe in other areas would be $73,800 and Phase III installing additional pipes would be $94,992. He said no money has been budgeted for these installations. He said the City Staff appears to be satisfied with the project as it is being developed. He said he was waiting on recommendations from the Mr. Brown, Director of Public Works, relative to this project.

A discussion was held relative to what action is being taken by the developer on the project, the plans approved by Council, and the motion made by Council approving the project.

Albert Crook, 72 Euclid Blvd., spoke to Council in opposition to the manner in which the project is being constructed, particularly referring to the drainage and a tree which the developer cut the roots from and is in danger of falling.

After discussion, it was the consensus of Council that the City Manager, City Staff, and the Corporation Counsel would look into the concerns expressed by Mr. Sprinkle and Mr. Crook.

Upon motion of Councilwoman Frank, seconded by Councilman Myers, Resolution No. 83-142 was unanimously adopted.

Complete text of Resolution No. 83-142 will be found in Resolution Book No. 14 at page 137

CITY HALL REROOFING PROJECT - CONTRACT NEGOTIATIONS - READVERTISE BIDS

Upon recommendation of the City Manager, the City Engineer,and the Project Consultant, Councilwoman Frank moved not to accept the bids received for the project known as the City Hall Building Reroofing Project, that the specifications be rewritten, and the project rebid. This motion was seconded by Councilwoman Bratton and carried unanimously.

CLAIMS - SUMNER & FOSTER REALTORS (WATER & SEWER) - MARY B. LEWIS (PUBLIC WORKS)

The City Manager presented claims received from Sumner & Foster Realtors and Mary B. Lewis.

Vice-Mayor Price referred the claims to the Corporation Counsel for investigation and recommendation.

Councilman Myers moved to schedule a public hearing relative to rezoning property in the Oakley Dogwood Drive Area from R-5 Residential District to R-2 Residential District for August 30, 1983. This motion was seconded by Councilwoman Frank and carried unanimously.

DISCUSSION RELATIVE TO "OAK RIDGE VILLAS" - RIVERVIEW DRIVE - FRED R. SPRINKLE

Mr. Fred R. Sprinkle, 53 Euclid Blvd., appeared before Council complaining that the developers of the "Oak Ridge Villas" being constructed on Riverview Drive are not developing the project as specified by the City Council. He said the developers are installing the water lines and drainage system in a way that the storm drainage will be on his property.

The City Manager said at the November 24, 1982 Council meeting when the site plan for "Oak Ridge Villas" was approved the following motion was adopted:

"After discussion, Vice-Mayor Price moved to approve the site plan of the "Oak Ridge Villas" project subject to the Erosion Control standards that would be necessary for the project and to tie into the city system to improve the drainage system in the area as well as for the project. This motion was seconded by Councilman Myers and carried unanimously."

"During discussion of the above motion, a discussion was held relative to sewer and drainage problems in the area which have existed for some time. Council directed that the staff prepare an engineering report outlining the solutions to these existing problems and the cost involved in same."

6. The following items are of a routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items, the City Council may, by the authority granted to the City Council in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adoption each individual item. Upon the request of a citizen, a member of the City Council, and/or a member of the city staff, any single item scheduled for approval on the consent agenda may be considered separately.

A. Resolution No. 83-150 - Resolution authorizing the City Manager to renew a contract with WNC Parking Lot Services, Incorporated.

HIGHLIGHTS: This resolution will renew the current contract with WNC Parking Lot Services, Incorporated for the purpose of cleaning the Civic Center Parking Garage.

FISCAL IMPACT: This contracted service in the amount of $775.00 per month is more economical than if the City undertook the function itself when capital requirements and labor costs are included.

Resolution Book No. 14 - page 145.

B. Scheduling public hearing relative to a proposed wording amendment to the Asheville Zoning Ordinance - Section 30-9-1 - Signs, for September 13, 1983.

HIGHLIGHTS: The Asheville Planning and Zoning Commission at a meeting held August 3, 1983, reviewed the request from the Inspections Department that Section 30-9-1 (C-10) be amended by deleting the words "A" frame or sandwich board" from the first sentence. After discussion, the Commission voted unanimously to recommend this amendment to City Council.

FISCAL IMPACT: None

C. Scheduling public hearing relative to the site plan of "Windswept View" condominiums to be located on Windswept Drive for September 6, 1983.

HIGHLIGHTS: The Asheville Planning and Zoning Commission at a meeting held August 3, 1983, reviewed the site plan of "Windswept Views" condominiums to be located on an eight acre site on Windswept Drive. The site plan was prepared by Roger Lyda, P. E., for Doup Bebber and Ellen Goldstein, Developers, and submitted in accordance with the Group Development Section of the Asheville Zoning Ordinance. After review and discussion of the plan, the Commission voted to recommend approval of Phase I of this project to City Council provided there is a 16' paved access to a major thoroughfare of like width, and provided it meets the City's Erosion Control Ordinance. (This approval would grant a 10' setback variance in front of Building #2.)

Vice-Mayor Price moved for the adoption of Ordinance No. 1389. This motion was seconded by Councilwoman Frank.

On a roll call vote of 7-0, Ordinance No. 1389 passed on first and final reading.

Complete text of Ordinance No. 1389 will be found in Ordinance Book No. 10 at page [redacted].59.ca

ORDINANCE NO. 1390 - BUDGET ORDINANCE AMENDMENT TO SET UP THE ARC GRANT PORTION OF THE AIRPORT SEWER LINE PROJECT IN COMMUNITY DEVELOPMENT

4. Consideration was given to a budget ordinance amendment to set up the ARC Grant portion of the Airport Sewer Line Project in Community Development.

The City Manager said members of Council were furnished copies of the ordinance and it would not be read in its entirety.

Note: This budget amenment will set up the ARC Grant portion of the Airport Sewer Line Project in Community Development. (The ARC Grant must flow through Community Development Fund.) The Capital Project Budget for the Airport Sewer Line has already been approved in the amount of $230,300.

Councilman McDevitt moved for the adoption of Ordinance No. 1390. This motion was seconded by Councilman Pless.

On a roll call vote of 7-0, Ordinance No. 1390 passed on first and final reading.

Complete text of Ordinance No. 1390 will be found in Ordinance Book No. 10 at page [redacted] 60.ca

RESOLUTION NO. 83-149 - RESOLUTION DIRECTING THE ASHEVILLE PLANNING AND ZONING COMMISSION TO PROCEED TO DETERMINE THE APPLICABILITY OF ARTICLE 22, CHAPTER 160A-500-526 OF THE NORTH CAROLINA GENERAL STATUTES FOR THE PROPOSED DOWNTOWN PROJECT

5. Consideration was given to a resolution directing the Asheville Planning and Zoning Commission to proceed to determine the applicability of Article 22, Chapter 160A-500-526 of the North Carolina General Statutes for the proposed downtown project.

The City Manager read the resolution.

Upon motion of Vice-Mayor Price, seconded by Councilwoman Frank, Resolution No. 83-149 was unanimously adopted.

Mayor Trantham proclaimed Sunday, October 2, 1983 as "Peace Day."

APPROVAL FOR STREET BANNER FOR YMI FESTIVAL

At the request of the YMI Cultural Center, Vice-Mayor Price moved to approve the request to place a banner across Eagle Street in conjunction with a street festival to be held around the YMI Building and in the City-County Plaza area. This motion was seconded by Councilwoman Bratton and carried unanimously.

RESOLUTION NO. 83-152 - RESOLUTION AUTHORIZING THE CLOSING OF A PORTION OF MARKET STREET AND EAGLE STREET AND WAIVING OF SECTION 25-5 AND 25-6 OF THE CODE OF ORDINANCES OF THE CITY OF ASHEVILLE ON SATURDAY, AUGUST 27, 1983 FROM 6:00 P. M. UNTIL MIDNIGHT

Consideration was given to a resolution authorizing the closing of a portion of Market and Eagle Street and waiving Section 25-5 and 25-6 of the Code of Ordinances of the City of Asheville on Saturday, August 27, 1983 from 6:00 p. m. until midnight.

The City Manager read the resolution.

Upon motion of Vice-Mayor Price, seconded by Councilwoman Bratton, Resolution No. 83-152 was unanimously adopted.

Complete text of Resolution No. 83-152 will be found in Resolution Book No. 14 at page 148.

CLAIMS- JOHN H. THOMAS (PUBLIC WORKS) - JONES TYSINGER (PUBLIC WORKS) - MARTIN GROSS (PUBLIC WORKS)

The City Manager presented claims received from John H. Thomas, Jones Tysinger, and Martin Gross.

Mayor Trantham referred the claims to the Corporation Counsel for investigation and recommendation.

FISCAL IMPACT: A conservative estimate of the real property tax base for this project is from 4 to 5 million dollars. The developer estimates ad valorem taxes (City and County) of $65,000 per year.

D. Resolution No. 83-151 - Resolution authorizing the filing of an application with the Department of Transportation, United States of America for a grant under the Urban Mass Transportation Act of 1964, as amended.

HIGHLIGHTS: This resolution was omitted when the application was approved in June of this year. There are three (3) sources of funding for the FY '84 Technical Studies Grant and only two (2) resolutions were approved in June. (Resolutions 83-97 and 83-99)

FISCAL IMPACT: This will complete the agreements for a technical studies grant in the amount of $30,000. $24,000 federal funding; $3,000 State funding; $3,000 City funding.

Resolution Book No. 14 page 146

Upon motion of Councilwoman Frank, seconded by Councilman McDevitt, the consent agenda was unanimously approved.

BEAR DEN AT NATURE CENTER - APPROVED

At the request of the County of Buncombe, Councilman McDevitt moved to approve the construction of a Bear Den at the Nature Center in accordance with Article II of the Lease Agreement for the Nature Center, entered into on October 1, 1976. This motion was seconded by Councilman Pless and carried unanimously.

ORDINANCE NO. 1391 - BUDGET ORDINANCE AMENDMENT TO PROVIDE FUNDING FOR THE DOWNTOWN REDEVELOPMENT STUDY

Consideration was given to a budget ordinance amendment to provide funding for the Downtown Redevelopment Study.

The City Manager read the ordinance stating that this budget amendment in the amount of $15,000 would provide funding for the Downtown Redevelopment Study.

Councilwoman Frank moved for the adoption of Ordinance No. 1391. This motion was seconded by Vice-Mayor Price.

On a roll call vote of 7-0, Ordinance No. 1391 passed on first and final reading.

Complete text of Ordinance No. 1391 will be found in Ordinance Book No. 10 at page 61.

INVOCATION

The invocation was given by Councilman Larry McDevitt.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the August 23, 1983 meeting.

Upon motion of Vice-Mayor Price, seconded by Councilman McDevitt, the minutes of the August 23, 1983 meeting were unanimously approved as submitted.

RESOLUTION NO. 83-154 - RESOLUTION SUPPORTING THE 20TH ANNIVERSARY MOBILIZATION AND MARCH ON WASHINGTON, D. C., COMMEMORATING THE 1963 MARCH ON WASHINGTON, D. C., WITH A RALLY AT THE LINCOLN MEMORIAL ON AUGUST 27, 1983, FOR JOBS, PEACE, AND FREEDOM

1a. Consideration was given to a resolution supporting the 20th Anniversary Mobilization and March on Washington, D. C., commemorating the 1963 March on Washington, D. C., with a rally at the Lincoln Memorial on August 27, 1983, for Jobs, Peace, and Freedom.

The City Manager read the resolution.

Upon motion of Vice-Mayor Price, seconded by Councilwoman Frank, Resolution No. 83-154 was unanimously adopted.

Mayor Trantham then presented a copy of the resolution to Leo Ferguson.

Complete text of Resolution No. 83-154 will be found in Resolution Book No. 14 at page 150

APPOINTMENTS TO THE TOURISM DEVELOPMENT AUTHORITY (Sandra L. Hickman, Herman Von-Treskow and William A. V. Cecil)

1 b. Corporation Counsel Slawter said pursuant to the adoption of the bill to allow counties to levy a room occupancy and tourism development tax, the Asheville City Council appoints one hotel/motel owner or operator with more than one hundred rental units; one hotel/motel owner or operator with less than one hundred rental units; and one individual at large interested in the tourist development and does not own or operate a hotel, motel, or other taxable tourist accommodation. He said there were contradicting provisions as to the length of terms of the appointments. However, he felt the appointment with more than one hundred units would be appointed for three (3) years; less than one hundred units appointed for two (2) years; and the member at large interested in tourist development appointed for a one (1) year term.

RESOLUTION NO. 83-153 - RESOLUTION AUTHORIZING AMENDMENT TO SERVICE MAINTENANCE AGREEMENT CONTRACT FOR TWO-WAY RADIO SYSTEM

Consideration was given to a resolution authorizing amendment to service maintenance agreement contract for two-way radio system.

The City Manager read the resolution stating that this amendment will allow the City of Asheville to contract with Communication Services, Inc. to provide the necessary services required to relocate the Peach Knob facility under an existing contract for service.

Upon motion of Councilwoman Frank, seconded by Vice-Mayor Price, Resolution No. 83-153 was unanimously adopted.

Complete text of Resolution No. 83-153 will be found in Resolution Book No. 14 at page 149

DECISION MADE TO KEEP RECREATION PARK SWIMMING POOL OPEN UNTIL LABOR DAY

After a brief discussion relative to the high temperatures recently, the City Manager announced that the Recreation Park Pool will open at 1:00 p. m., beginning Wednesday, August 24, 1983 until Labor Day. He said this action is being taken because the City School Systems are closing schools at 1:00 p. m. each day until the high temperatures drop.

SCHEDULING PUBLIC HEARING - AMENDING HISTORIC RESOURCES COMMISSION MEMBERSHIP

Councilman McDevitt moved to schedule a public hearing relative to amending the Historic Resources Commission ordinance increasing the membership from six (6) to seven (7) members for September 6, 1983. This motion was seconded by Vice-Mayor Price and carried unanimously.

RALPH BISHOP - REMARKS RELATIVE TO POLICE DEPARTMENT

Ralph Bishop again made comments to members of Council relative to the Police Department.

ADJOURNMENT

Upon motion, the meeting adjourned at 4:50 p. m.

Ray M. Tennyson
MAYOR

William J. Bolester
CITY CLERK

Mayor Trantham said he was sure there are other candidates in the City of Asheville well qualified to serve on the Authority. He said he felt it was very important for the Authority to get off on a good start. He said the Biltmore House and Grove Park Inn has spent many dollars on advertising which has benefited the City of Asheville. He said he felt this to be one of the most important appointments Council could make for the future of the City of Asheville.

Councilwoman Frank also disagreed with Councilman Pless.

Councilman Myers said "the majority's ruled and I think that at this point in time the most important consideration is that we move forward in a positive attitude and an attitude of cooperation between the city, county officials and the Chamber of Commerce. It's very important that this group be given the full cooperation of all the city, the county, and civic leaders to insure that the room tax works for the City of Asheville."

Mayor Trantham told Councilman Myers he appreciated his comments.

The above appointments were made with the understanding that Mr. William A. V. Cecil would serve for a one (1) year term; Sandra L. Hickman for a three (3) year term; and Mr. Herman Von Treskow for a two (2) year term.

PUBLIC HEARING - REZONING PROPERTY IN THE OAKLEY DOGWOOD DRIVE AREA

2. A public hearing was held relative to rezoning property in the Oakley Dogwood Drive Area.

Mayor Trantham opened the public hearing at 4:35 p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing.

Sonya Luckadoo, from the Planning Department, said the Planning and Zoning Commission originally received a petition from the residents of the Oakley Dogwood Drive area in May to rezone property from R-5 to R-2 Residential District. She said the Planning and Zoning Commission heard the rezoning issue on July 13 at which time an additional petition was received from residents of the area requesting additional property to be rezoned. She said the Asheville Planning and Zoning Commission at a called meeting held July 27, 1983 considered the request of Mr. Emmett Goldsmith et al that an area south of I-40, west of the Blue Ridge Parkway, north of Onteora Boulevard and east of the City Limit Line and the Southern Railway be rezoned from R-5 Residential District to R-2 Residential District. After review and discussion, the Commission voted to recommend to City Council that a portion of this area be rezoned from R-5 Residential District to R-3 Residential District, as follows:

"Bounded on the west by Asheville City Limit line along Southern Railroad; bounded on the south by the southern right-of-way margin of Roberts Road, Oakview Road and Loomis Avenue to the western property lines of Lots 180, 142, 140, and 136 of Ward 13, Sheet 19, and along the northern property line of said Lot 136 to Lot 27 of Ward 13, Sheet 20, and along the western and northern property line of Lot 27 and Lot 5 of Ward 13, Sheet 20 to Onteora Boulevard; bounded on the east by Onteora Boulevard to the Southern right-of-way margin of Interstate 40, and bounded on the north following said right-of-way to the Asheville City Limits and the point of Beginning."

Vice-Mayor Price noted that Council could go ahead and make the appointments and if necessary the terms of the members could be changed.

Councilwoman Frank moved that Mr. Herman Von Treskow be appointed to the Authority for the hotel/motel owner or operator with more than one hundred rental units. This motion was seconded by Councilman Myers and carried on a voice vote of 6-1, with Councilman Pless voting "no."

Vice-Mayor Price then moved that Sandra L. Hickman be appointed to the Authority for the hotel/motel owner or operator with less than one hundred rental units. This motion was seconded by Councilwoman Bratton and carried unanimously.

Vice-Mayor Price then moved that William A. V. Cecil be appointed to the Authority as the member at large interested in the tourist development and does not own or operate a hotel, motel, or other taxable tourist accommodation. This motion was seconded by Councilwoman Frank.

Councilman Pless moved that E. Ted Linn be appointed to the Authority as the member at large interested in the tourist development and does not own or operate a hotel, motel, or other taxable tourist accomodation. This motion was seconded by Councilman Myers.

Mayor Trantham then called for a roll call vote on the appointment of Mr. William A. V. Cecil to the Authority.

On a roll call vote, Mr. William A. V. Cecil was appointed to the Authority on a 5-2 vote, with Councilman Pless and Councilman Myers voting "no."

Councilman McDevitt said he felt there are many qualified and outstanding people in the City of Asheville to serve on the Authority.

Councilwoman Bratton said her main concern was the manner in which the Authority is to be set up. She said many segments of the community are not represented on the committee including women and blacks.

Councilwoman Frank said since the terms of the members are limited to two (2) years, Council will have an opportunity for others to serve on the committee. She said she felt the importance of the committee will grow.

Councilman Pless said "the people that were appointed today by the Ctiy Council were the recommendations of the Chamber of Commerce." He said the bill provided for appointments to be made by the city, county, and the Chamber of Commerce. He said "so your Asheville City Council actually did not make an appointment today." "They followed the Chamber of Commerce, and it makes me wonder who's running the city -- the Chamber of Commerce or the City Council."

Mayor Trantham said "Joe, I take offense at that. I vote for who I damn please."

Councilman McDevitt disagreed with Councilman Pless stating that he wasn't given any slate of people by the Chamber of Commerce. He said he supported Mr. Cecil because he was "from the largest tourist attraction in this area, the Biltmore Estate." He said he did receive a number of telephone calls from a wide variety - cross-section of the community relative to the appointments.

CLAIMS - MRS. SAM McGUIRE (PUBLIC WORKS)

LAWSUITS - BLANCHE BARTON

The City Manager presented a claim received from Mrs. Sam McGuire and a lawsuit in connection with Blanche Barton for bodily injury from a fall in mud due to water line break.

Mayor Trantham referred the claim and lawsuit to the Corporation Counsel for investigation and recommendation.

DISCUSSION RELATIVE TO KILLIAN ROAD BRIDGE - STANLEY MASTERS AND CLAUDE JONES

Mr. Stanley Masters and Mr. Claude Jones appeared before Council requesting that Council not build a new bridge on Killian Road. They said everybody has checked the bridge and said it was fine except the City staff. They said the residents in the area think the bridge is good enough for the area and they don't want to give up any more property for right-of-way.

The City Manager said the State had checked the bridge and has the bridge for replacement as a high priority item. He said the City received funding to replace four (4) bridges in the City of Asheville. He suggested that a full report relative to the Killian Road Bridge be prepared and given to Mr. Masters and Mr. Jones as well as to members of Council.

Mr. Masters presented a letter to members of Council relative to the property owners request for council members to personally inspect the road and bridge and to reconsider the decision to replace the bridge.

JOHN WALSH - COMMENTS RELATIVE TO CRIMINAL CONSPIRACY

Mr. John Walsh spoke to members of Council relative to criminal conspiracy.

RALPH BISHOP - COMMENTS RELATIVE TO LOTTERY SALES

Mr. Ralph Bishop spoke to members of Council relative to lottery sales.

ADJOURNMENT TO MEET AGAIN ON SEPTEMBER 1, 1983 AT 9:30 A.M.

Councilman McDevitt moved to adjourn the meeting to meet again on September 1, 1983 at 9:30 a.m. to meet with the City of Asheville Civil Service Board.

Ralph W. Trantham
MAYOR

Brenda F. Walcott
CITY CLERK

Ms. Luckadoo said Council has three alternatives; leave the area zoned as is R-5 Residential; rezone the entire area to R-2 Residential; or approve the recommendation of the Planning and Zoning Commission rezoning a portion of the area requested to be rezoned. She said the basis for Planning and Zoning's recommendation is that there is less concentration of mobile homes on single lots in the Oakley area.

Several residents in the Oakley Dogwood Drive area told members of Council they wanted the entire area rezoned to R-2 Residential District.

After discussion, Councilwoman Frank moved to rezone the entire area to R-3 Residential District. This motion was seconded by Councilman McDevitt.

Vice-Mayor Price offered a substitute motion to continue the public hearing until September 13, 1983 requesting that the Planning and Zoning Commission review the possiblity of excluding from the R-5 Residential District mobile home parks and to study the possibility of tightening up requirements for mobile home parks, particularly the size requirements and density of mobile homes. This motion was seconded by Councilman McDevitt and carried unanimously.

SALE OF DISPOSAL PARCELS - EAST RIVERSIDE RENEWAL PROJECT - PARCELS 105C & 105D, 121, 130

3. Consideration was given to a motion approving the sale of disposal parcels in the East Riverside Renewal Project.

The City Manager presented the recommendation of the Housing Authority as follows:

Parcel	Reuse	Location	Price	Bid	Redeveloper
105C & 105D	Residential	Bartlett	9,000	9,000	James & Fannie Waters
121	Residential	Ora Street	2,423	2,423	Christine M. Stepp
130	Residential	Adams Street	2,100	2,150	Robert & Judy Allen

All of the above will be purchased under the Dollar-A-Lot Program.

Councilman McDevitt moved to approve the sale of the disposal parcels 105C, 105D, 121, and 130 as recommended by the Housing Authority. This motion was seconded by Councilwoman Frank and carried unanimously.

SCHEDULING PUBLIC HEARING - AMENDMENT TO ZONING ORDINANCE SECTION 30-9-1 (D) (2)

4. Councilman McDevitt moved to schedule a public hearing relative to amending the Asheville Zoning Ordinance, Section 30-9-1 (D) (2) for September 13, 1983. This motion was seconded by Councilwoman Frank and carried unanimously.

AUTHORIZING PUBLIC NOTICE - LEASE AGREEMENT FOR ADVERTISING DISPLAYS AT CIVIC CENTER

Councilman McDevitt moved to authorize the City Clerk to give public notice that the City Council will consider a lease agreement for advertising displays in the Asheville Civic Center Arena Concourse Area on September 13, 1983. This motion was seconded by Councilwoman Bratton and carried unanimously.

Tuesday - September 6, 1983 - 4:00 p. m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Norma T. Price; Councilwomen Mary Lloyd Frank and Wilhelmina Bratton; Councilmen Larry McDevitt and Joe Pless; Corporation Counsel William F. Slawter; City Manager K. M. Michalove; and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilman Joe Pless (vacation)

INVOCATION

The invocation was given by Vice-Mayor Norma T. Price.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the August 30, 1983 meeting.

Councilwoman Frank requested that the minutes be amended by changing her statement relative to the terms of the members of the Tourism Development Authority to two (2) terms rather than two (2) years. Also to correct a typographical error on the last page.

Upon motion of Councilwoman Frank, seconded by Councilman McDevitt, the minutes of the August 30, 1983 meeting were unanimously approved as amended.

PROCLAMATION - WESTERN ALLIANCE FUN DAY - SEPTEMBER 10, 1983

Mayor Trantham proclaimed September 10, 1983 as Western Alliance Fun Day.

Mayor Trantham presented the proclamation to Ms. Bernadette Thompson and Mr. Paul Godfrey.

RESOLUTION NO. 83-155 - RESOLUTION OF APPRECIATION AND COMMENDATION TO PAUL M. DUTCHER

2. Consideration was given to a resolution of appreciation and commendation to Paul M. Dutcher.

The City Manager read the resolution stating that Paul Dutcher served the citizens of Asheville as a dedicated city employee since March 1, 1955 and on June 30, 1983 he retired from the City of Asheville.

Upon motion of Vice-Mayor Price, seconded by Councilwoman Frank, Resolution No. 83-155 was unanimously adopted.

Complete text of Resolution No. 83-155 will be found in Resolution Book No. 14 at page 151

Continuation of Adjourned Meeting from August 30, 1983

Thursday - September 1, 1983 9:30 a.m.

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Norma T. Price; Councilwomen Mary Lloyd Frank and Wilhelmina Bratton; Councilman Pless; Patsy Brison, Legal Analyst; Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilman Larry McDevitt and Councilman Gordon Myers.

The meeting was called to order by Mayor Trantham in the City Council Chambers at 9:30 a. m. Motion by Councilwoman Frank, seconded by Vice-Mayor Price to go into executive session on a personnel matter. The motion was adopted unanimously.

The meeting was then moved to the Fourth Floor Training Room in the City Building.

Attendance: Mayor Roy M. Trantham, Vice-Mayor Norma T. Price, Councilwoman Wilhelmina Bratton, Councilman Joe Pless, Councilwoman Mary Lloyd Frank, William DeBruhl, Director of Water and Sewer Services, Sam Graves, Director of Management Services, Thomas C. Posey, Civil Service Board member; Raymond Stepp, Civil Service Board member; Wade Thomas, Civil Service Board member, Sheila Fellerath, Civil Service Board member; City Manager K. M. Michalove, Patsy Brison, Leal Analyst.

After approximately one hour the Civil Service Board and William DeBruhl were excused and after approximately another thirty minutes the Council opened the meeting to a regular session.

Ken Michalove, City Manager, recommended that the City appeal the August 24, 1983 decision of the Civil Service Board relating to David G. McMahan and Bobby G. Metcalf.

Vice-Mayor Price moved to uphold that recommendation and to appeal to Superior Court based on her conclusion that these individuals had no right of appealing their grievance to the Civil Service Board. Motion seconded by Councilwoman Frank. Motion was defeated on a vote of 3 to 2 with Mayor Trantham, Councilwoman Bratton, and Councilman Pless casting the dissenting votes.

Upon motion of Councilwoman Frank, seconded by Councilman Pless the meeting adjourned.

Roy M. Trantham
MAYOR

William F. Wolcott
CITY CLERK

Mr. Emrick said Mr. Walter Alexander with Alexander Investments presented the City staff with a letter today dedicating two (2) fifty (50') foot right-of-ways on Windswept Drive down to Ardmion and Ardmion to new Pine Street for the access road to the development, with the understanding that the City would pave this access road.

Attorney Jack Stevens, representing six (6) property owners in the Windswept Drive area said their major concerns were the provision for adequate access and erosion control. He requested that the City restrict construction traffic on Windswept Drive during completion of the project. He also suggested that the access road be constructed to an all-weather condition.

Mr. Bill Moore, President of the Kenilworth Residents Association said at a meeting of the association the residents opposed this development unless adequate access is provided to the project.

Mr. Doug Bebber, developer of the proposed project, spoke in support of the project stating that a lot of time has been spent on the project to work out an adequate access road. He said he felt this development would be a positive step for the City. He said they are willing to comply with the stipulations of the Planning and Zoning Commission.

Mr. Walter Alexander said the access road could be useable for construction traffic within a few days. He suggested that 20' of stone be put down to apply to future paving.

Councilwoman Bratton suggested that caution signs be placed on Windswept Drive to detour construction traffic to an alternate route.

Mr. Harley Dunn, of 200 Windswept Drive, said it was unsafe to use Windswept Drive for construction traffic.

After discussion, Councilman McDevitt tentatively approved the site plan of the "Windswept View" condominiums subject to a 16' minimum paved access road being provided according to plans submitted to Council - from Windswept Drive to Ardmion and Ardmion to new Pine Street; to the granting of a fifty (50') foot right-of-way down the full length of the road described - from Windswept Drive to new Pine Street; to grading to be provided and doneby the developer or property owner - not at city expense - according to state specifications; to the developer furnishing the City with satisfactory evidence of financing necessary to complete the project; to appropriate informational signs being placed on Windswept Drive; to the City using funds to pave Windswept Drive to Ardmion and in front of project and the developer providing the difference. Said motion to be subject to the City Attorney drawing up the necessary documents with the developers and Mr. Alexander and confirming the stipulations with the property owners in the area and to be presented for final approval at next week's meeting. This motion was seconded by Councilwoman Bratton and carried unanimously.

RESOLUTION NO. 83-156 - RESOLUTION COMMENDING THE ASHEVILLE HIGH SCHOOL MARINE CORPS JUNIOR RESERVE OFFICER TRAINING CORPS (MCJROTC) UNIT FOR BEING NAMED WINNER OF THE 1982-83 MARINE CORPS RESERVE OFFICERS' ASSOCIATION (MCROA) BEST UNIT AWARD

3. Consideration was given to a resolution commending the Asheville High School Marine Corps Junior Reserve Officer Training Corps (MCJROTC) Unit for being named winner of the 1982-83 Marine Corps Reserve Officers' Association (MCROA) Best Unit Award.

The City Manager read the resolution stating that the Asheville High School Marine Corps Junior Reserve Officer Traning Corps has been nationally recognized as the Best MCJROTC Unit in the United States by being awarded the 1982-83 MCROA Best Unit Award.

Upon motion of Vice-Mayor Price, seconded by Councilwoman Bratton, Resolution No. 83-156 was unanimously adopted.

Complete text of Resolution No. 83-156 will be found in Resolution Book No. 14 at page 152.

PUBLIC HEARING - SITE PLAN OF "WINDSWEPT VIEW" CONDOMINIUMS - WINDSWEPT DRIVE

4. A public hearing was held relative to the site plan of "Windswept View" condominiums to be located on Windswept Drive.

Mayor Trantham opened the public hearing at 4:28 p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing.

For informational purposes the City Manager stated that Wayside Road, near the proposed project, is scheduled on the recent paving list.

Verl Emrick, Director of Planning, introduced Scott Fowler who is working on a research project on the workings of local government.

Verl Emrick, Director of Planning, said the proposed project of "Windswept View" condominiums to be located on Windswept Drive will consist of 76 units in three phases. He said the Asheville Planning and Zoning Commission reviewed the site plan on August 3, 1983. The site plan was prepared by Roger Lyda, P. E., for Doug Bebber and Ellen Goldstein, Developers, and submitted in accordance with the Group Development Section of the Asheville Zoning Ordinance. After review and discussion of the plan, the Commission voted to recommend approval of Phase I of this project to City Council provided there is a 16' paved access to a major thoroughfare of like width, and provided it meets the City's Erosion Control Ordinance. (This approval would grant a 10' setback variance in front of Building #2).

Mr. Emrick said the developers are purchasing the land for the development from Alexander Investments. He said since Planning and Zoning's approval the Planning Staff and the developers have discussed using alternate routes to the development and for construction traffic.

RESOLUTION NO. 83-157 - RESOLUTION APPOINTING MEMBERS TO THE ASHEVILLE-BUNCOMBE HISTORIC RESOURCES COMMISSION (Carroll Hughes - Verne Rhoades - Johnny F. Baxter)

6. Consideration was given to a resolution appointing members to the Asheville-Buncombe Historic Resources Commission.

The City Manager read the resolution stating that this would reappoint Mr. Carroll Hughes and Mr. Verne Rhoades and appoint Johnny F. Baxter as members of the Asheville-Buncombe Historic Resources Commission for a term of three (3) years.

Upon motion of Councilwoman Frank, seconded by Councilwoman Bratton, Resolution No. 83-157 was unanimously adopted.

CITY MANAGER LETTER TO MAYOR AND MEMBERS OF COUNCIL - DAVID G. McMAHAN AND BOBBY G. METCALF

The City Manager requested that the following letter be made a part of the City Council minutes.

September 2, 1983

The Honorable Mayor and Members
of the Asheville City Council
City of Asheville
Asheville, North Carolina 28801

Dear Mayor and Members of City Council:

On August 24, 1983, the Civil Service Board voted in a split vote to immediately reinstate David G. McMahan and Bobby G. Metcalf to the positions of pipe fitter and motor equipment operator respectively, and that they each be given back pay and benefits from June 29, 1983, through August 24, 1983. This decision is attached hereto and made a part hereof. At this meeting, after their decision was rendered, I informed the Civil Service Board that I would not put these employees back to work but that I would discuss the matter with the City's Corporate Counsel.

PUBLIC HEARING -AMENDMENT TO ORDINANCE NO. 1109 - HISTORIC RESOURCES COMMISSION

ORDINANCE NO. 1393 -AN ORDINANCE AMENDING ORDINANCE NO. 1109 - "AN ORDINANCE CREATING THE HISTORIC RESOURCES COMMISSION OF ASHEVILLE AND BUNCOMBE COUNTY"

5. A public hearing was held relative to amending Ordinance No. 1109, known as "AN ORDINANCE CREATING THE HISTORIC RESOURCES COMMISSION OF ASHEVILLE AND BUNCOMBE COUNTY".

Mayor Trantham opened the public hearing at 5:35 p. m.

The City Manager presented the notice setting the time and date for the public hearing.

The City Manager said this amendment will increase the number of members appointed by Council from six (6) members to seven (7) members. He said the County is in the process of changing their ordinance to increase their membership to seven (7) members.

Mayor Trantham closed the public hearing at 5:37 p. m.

The City Manager said members of Council were furnished copies of the ordinance and it would not be read in its entirety unless there was a specific request to do so.

Councilman McDevitt moved for the adoption of Ordinance No. 1393. This motion was seconded by Councilman Myers.

On a roll call vote of 6-0, Ordinance No. 1393 passed on first reading.

Councilman McDevitt moved to suspend the rules and proceed to the second reading of Ordinance No. 1393. This motion was seconded by Vice-Mayor Price and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1393 passed on second reading.

Councilman McDevitt moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1393. This motion was seconded by Vice-Mayor Price and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1393 passed on third and final reading.

Complete text of Ordinance No. 1393 will be found in Ordinance Book No. 10 at page 63.

STATE OF NORTH CAROLINA

COUNTY OF BUNCOMBE

CITY OF ASHEVILLE

BEFORE THE CIVIL SERVICE BOARD

IN THE MATTER OF THE EMPLOYMENT OF)
DAVID G. MCMAHAN AND BOBBY G.)
METCALF.)

DECISION

The appeals of David G. McMahan and Bobby G. Metcalf (hereinafter called "Appellants") came on for public hearing and was duly heard before the Civil Service Board of the City of Asheville (hereinafter called "Board") on August 24, 1983, at which time David G. McMahan was present and represented by counsel, Lamar Gudger and Bobby G. Metcalf was present and represented by counsel, John Shackelford. At said hearing, the City of Asheville was represented by Kenneth Michalove and Samuel Graves and it introduced evidence in support of the termination of Appellants effective June 28, 1983.

Based upon the evidence presented, the Board determines (by a vote of three for, one against) that David G. McMahan and Bobby G. Metcalf be immediately reinstated to the positions of Pipefitter and Motor Equipment Operator, respectively, and that they each be given back pay and benefits from June 28, 1983 through August 24, 1983.

This the 25 day of August, 1983.

ASHEVILLE CIVIL SERVICE BOARD

By: Thomas C. Ponty
Chairman

On August 30, 1983, Corporate Counsel and I recommended to the City Council that we appeal the decision of the Civil Service Board and deny employment to these two individuals based on the complaint attached hereto and made a part hereof.

The City Council continued the regular City Council Meeting of August 30 to September 1, 1983, in order to meet with the Civil Service Board. After the executive session meeting with the Civil Service Board, I again recommended that we appeal the decision of the Civil Service Board; however, the appeal was denied on a vote of 3 to 2. A copy of the minutes are attached hereto and made a part hereof.

Therefore, having no other practical recourse, I have employed David G. McMahan and Bobby G. Metcalf to jobs they never legally held based on the order of the Civil Service Board and the action of the City Council. The employment is effective September 1, 1983.

Therefore, for the public records, I request that this letter and the attachments be made a part of the City Council Minutes and Meeting of September 6, 1983.

Very truly yours,

K. M. Michalove
City Manager

8. That the Respondents were thereafter dismissed from their part-time employment on June 28, 1983, without having been promoted or transferred to the aforesaid positions of M.E.O. II., and Pipe Fitter.

9. That the hiring, firing and management of employees of the City of Asheville is governed by, among other items, the appropriate provisions of the City Charter of the City of Asheville, Chapter 757 of the 1953 Session Laws of the North Carolina General Assembly, as amended, entitled "Civil Service Law" and by the rules and regulations of the Civil Service Commission of the City of Asheville as adopted pursuant to the provisions of said "Civil Service Law."

10. That Section 19 of the City Charter of the City of Asheville, entitled "Appointment, Qualification, Term and Removal of Manager; Acting Manager" provides that the City Manager is the "chief executive officer" of the City.

11. Section 20 of the City Charter of the City of Asheville entitled "Responsibility of Manager to Council; Appointment and Removal of Officers and Employees Generally" provides that the City Manager "shall have the power to appoint and remove all officers and employees in the administrative service of the City."

12. That the City Manager of the City of Asheville has a long-standing policy requirement that all employees of the Petitioner City, before entering into the classified service, be approved by the Department Head, the Personnel Director and the City Manager on a form known as "PD-1." That a copy of said form with regard to the promotion and transfer of the Respondent Metcalf is attached hereto and labeled "Exhibit A." That a copy of said form with regard to the promotion and transfer of the Respondent McMahan is attached hereto and marked "Exhibit B." That said documents bear the notations of the City Manger disapproving said promotions and transfers on June 23, 1983.

13. That the Respondents thereby never became regular "permanent" or ".02" employees of the Petitioner but rather remained part-time.

14. Whatever the classification of the Respondents, Rule 12, entitled "Probation" of the rules and regulations of the Civil Service Commission of the City of Asheville provides that "no appointment, employment or promotion in any position in the classified service shall be deemed complete until after the expiration of a period of twelve (12) months probationary service during which time the appointing authority may terminate the services or enforce demotion of any person employed in such probationary status provided he or she is unfit or unsatisfactory for service. Persons dismissed during the probationary period shall not be entitled to a hearing or trial before the Civil Service Board..."

15. That the Respondents herein were thereby not entitled to a hearing before the Civil Service Board.

16. That on August 24, 1983, the Civil Service Board of the City of Asheville convened and conducted a hearing in connection with grievances filed by the Respondents herein resulting from the circumstances set forth hereinbefore. That the Civil Service Board was without authority to conduct said hearing and the resulting order issued therefrom was thereby void since neither Respondent had then been employed by the City for twelve (12) months.

IN THE GENERAL COURT OF JUSTICE
SUPERIOR COURT DIVISION
FILE NO:

IN THE MATTER OF: THE APPEAL OF THE CITY OF ASHEVILLE,
Petitioner,

-vs-

DAVID J. MCMAHAN AND BOBBY G. METCALF,
Respondents.

COMPLAINT FOR DECLARATORY RELIEF
APPEAL AND PETITION FOR TRIAL DE NOVO OF DECISION OF ASHEVILLE CIVIL SERVICE BOARD
NON-JURY

FIRST CAUSE OF ACTION

The Petitioner, City of Asheville, herewith seeks a Declaratory Judgment as to the status of the Respondents herein as affected by the applicable Civil Service laws of the State of North Carolina and the City of Asheville and the authority of the Civil Service Board of the City of Asheville to hear the grievances of the Respondents herein on August 24, 1983, and as a basis therefore shows unto the Court as follows:

1. That the Petitioner, City of Asheville, is a municipal corporation of the State of North Carolina.

2. That the Respondents are citizens and residents of Buncombe County, North Carolina.

3. That the Respondents were formerly employed by the Petitioner in the Water Department of the City of Asheville, but that both Respondents were terminated from said employment, for cause, pursuant to the rules and regulations of the Civil Service Commission of the City of Asheville. That the employment of the Respondent, Metcalf, was terminated on June 8, 1979, and the employment of the Respondent, McMahan, was terminated on July 27, 1979.

4. That the Respondents were subsequently rehired by the Petitioner, City of Asheville in a classification known as ".03" which consists of temporary, seasonal, or part-time employees. That the part-time employment of the Respondent, Metcalf began on August 26, 1982, and the said part-time employment of the Respondent, McMahan began on September 7, 1982.

5. That each of said Respondents was subsequently recommended for promotion and transfer by supervisory personnel within the Water Department of the City of Asheville. That the Respondent Metcalf was recommended for the position of M.E.O. II., and the Respondent McMahan was recommended for the position of Pipe Fitter.

6. That the transfer and promotion of said Respondents was never effected, the City Manager of the City of Asheville having disapproved said promotions and transfers on June 23, 1983.

7. That due to clerical error within the Water Department and an unauthorized processing of paper work by personnel within the Water Department, the Respondents were placed on the ".02" payroll of the Petitioner within said positions of promotion and transfer without ever having been so promoted or transferred.

17. That the decision of the Civil Service Board directs that the Respondents be "reinstated" to positions of employment which they never officially held.

The Petitioner therefore prays on its First Cause of Action for a Declaratory Judgment that the Civil Service Board of the City of Asheville was without authority to conduct the aforesaid hearings on August 24, 1983, with regard to the Respondents herein and that the rulings of the Civil Service Board in connection with said Respondents are void.

SECOND CAUSE OF ACTION

In the event the Court should not declare the Civil Service Board to have been without authority to conduct the hearings on August 24, 1983, upon the grievances filed by the Respondents herein and the rulings entered by the Board to therefore have no effect, the Petitioner then Petitions the Court for a trial de novo and in support thereof herewith incorporates by reference all allegations contained in the First Cause of Action as if set forth in full herein.

WHEREFORE, Petitioner Prays the Court as follows:

1. For a Declaratory Judgment invalidating the proceedings of the Civil Service Board of the City of Asheville of August 24, 1983, upon the grievances filed by the Respondents herein; or in the alternative,

2. For a trial de novo upon said grievances filed by the Respondents herein.

3. For such other and further relief as to the Court may seem just and proper.

INVOCATION

The invocation was given by Councilman Larry McDevitt.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the August 23, 1983 meeting.

Upon motion of Vice-Mayor Price, seconded by Councilman McDevitt, the minutes of the August 23, 1983 meeting were unanimously approved as submitted.

RESOLUTION NO. 83-154 - RESOLUTION SUPPORTING THE 20TH ANNIVERSARY MOBILIZATION AND MARCH ON WASHINGTON, D. C., COMMEMORATING THE 1963 MARCH ON WASHINGTON, D. C., WITH A RALLY AT THE LINCOLN MEMORIAL ON AUGUST 27, 1983, FOR JOBS, PEACE, AND FREEDOM

1a. Consideration was given to a resolution supporting the 20th Anniversary Mobilization and March on Washington, D. C., commemorating the 1963 March on Washington, D. C., with a rally at the Lincoln Memorial on August 27, 1983, for Jobs, Peace, and Freedom.

The City Manager read the resolution.

Upon motion of Vice-Mayor Price, seconded by Councilwoman Frank, Resolution No. 83-154 was unanimously adopted.

Mayor Trantham then presented a copy of the resolution to Leo Ferguson.

Complete text of Resolution No. 83-154 will be found in Resolution Book No. 14 at page 127.

APPOINTMENTS TO THE TOURISM DEVELOPMENT AUTHORITY (Sandra L. Hickman, Herman Von-Treskow and William A. V. Cecil)

1 b. Corporation Counsel Slawter said pursuant to the adoption of the bill to allow counties to levy a room occupancy and tourism development tax, the Asheville City Council appoints one hotel/motel owner or operator with more than one hundred rental units; one hotel/motel owner or operator with less than one hundred rental units; and one individual at large interested in the tourist development and does not own or operate a hotel, motel, or other taxable tourist accommodation. He said there were contradicting provisions as to the length of terms of the appointments. However, he felt the appointment with more than one hundred units would be appointed for three (3) years; less than one hundred units appointed for two (2) years; and the member at large interested in tourist development appointed for a one (1) year term.

Mayor Trantham said he was sure there are other candidates in the City of Asheville well qualified to serve on the Authority. He said he felt it was very important for the Authority to get off on a good start. He said the Biltmore House and Grove Park Inn has spent many dollars on advertising which has benefited the City of Asheville. He said he felt this to be one of the most important appointments Council could make for the future of the City of Asheville.

Councilwoman Frank also disagreed with Councilman Pless.

Councilman Myers said "the majority's ruled and I think that at this point in time the most important consideration is that we move forward in a positive attitude and an attitude of cooperation between the city, county officials and the Chamber of Commerce. It's very important that this group be given the full cooperation of all the city, the county, and civic leaders to insure that the room tax works for the City of Asheville."

Mayor Trantham told Councilman Myers he appreciated his comments.

The above appointments were made with the understanding that Mr. William A. V. Cecil would serve for a one (1) year term; Sandra L. Hickman for a three (3) year term; and Mr. Herman Von Treskow for a two (2) year term.

PUBLIC HEARING - REZONING PROPERTY IN THE OAKLEY DOGWOOD DRIVE AREA

2. A public hearing was held relative to rezoning property in the Oakley Dogwood Drive Area.

Mayor Trantham opened the public hearing at 4:35 p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing.

Sonya Luckadoo, from the Planning Department, said the Planning and Zoning Commission originally received a petition from the residents of the Oakley Dogwood Drive area in May to rezone property from R-5 to R-2 Residential District. She said the Planning and Zoning Commission heard the rezoning issue on July 13 at which time an additional petition was received from residents of the area requesting additional property to be rezoned. She said the Asheville Planning and Zoning Commission at a called meeting held July 27, 1983 considered the request of Mr. Emmett Goldsmith et al that an area south of I-40, west of the Blue Ridge Parkway, north of Onteora Boulevard and east of the City Limit Line and the Southern Railway be rezoned from R-5 Residential District to R-2 Residential District. After review and discussion, the Commission voted to recommend to City Council that a portion of this area be rezoned from R-5 Residential District to R-3 Residential District, as follows:

"Bounded on the west by Asheville City Limit line along Southern Railroad; bounded on the south by the southern right-of-way margin of Roberts Road, Oakview Road and Loomis Avenue to the western property lines of Lots 180, 142, 140, and 136 of Ward 13, Sheet 19, and along the northern property line of said Lot 136 to Lot 27 of Ward 13, Sheet 20, and along the western and northern property line of Lot 27 and Lot 5 of Ward 13, Sheet 20 to Onteora Boulevard; bounded on the east by Onteora Boulevard to the Southern right-of-way margin of Interstate 40, and bounded on the north following said right-of-way to the Asheville City Limits and the point of Beginning."

Vice-Mayor Price noted that Council could go ahead and make the appointments and if necessary the terms of the members could be changed.

Councilwoman Frank moved that Mr. Herman Von Treskow be appointed to the Authority for the hotel/motel owner or operator with more than one hundred rental units. This motion was seconded by Councilman Myers and carried on a voice vote of 6-1, with Councilman Pless voting "no."

Vice-Mayor Price then moved that Sandra L. Hickman be appointed to the Authority for the hotel/motel owner or operator with less than one hundred rental units. This motion was seconded by Councilwoman Bratton and carried unanimously.

Vice-Mayor Price then moved that William A. V. Cecil be appointed to the Authority as the member at large interested in the tourist development and does not own or operate a hotel, motel, or other taxable tourist accommodation. This motion was seconded by Councilwoman Frank.

Councilman Pless moved that E. Ted Linn be appointed to the Authority as the member at large interested in the tourist development and does not own or operate a hotel, motel, or other taxable tourist accomodation. This motion was seconded by Councilman Myers.

Mayor Trantham then called for a roll call vote on the appointment of Mr. William A. V. Cecil to the Authority.

On a roll call vote, Mr. William A. V. Cecil was appointed to the Authority on a 5-2 vote, with Councilman Pless and Councilman Myers voting "no."

Councilman McDevitt said he felt there are many qualified and outstanding people in the City of Asheville to serve on the Authority.

Councilwoman Bratton said her main concern was the manner in which the Authority is to be set up. She said many segments of the community are not represented on the committee including women and blacks.

Councilwoman Frank said since the terms of the members are limited to two (2) years, Council will have an opportunity for others to serve on the committee. She said she felt the importance of the committee will grow.

Councilman Pless said "the people that were appointed today by the Ctiy Council were the recommendations of the Chamber of Commerce." He said the bill provided for appointments to be made by the city, county, and the Chamber of Commerce. He said "so your Asheville City Council actually did not make an appointment today." "They followed the Chamber of Commerce, and it makes me wonder who's running the city -- the Chamber of Commerce or the City Council."

Mayor Trantham said "Joe, I take offense at that. I vote for who I damn please

Councilman McDevitt disagreed with Councilman Pless stating that he wasn't given any slate of people by the Chamber of Commerce. He said he supported Mr. Cecil because he was "from the largest tourist attraction in this area, the Biltmore Estate." He said he did receive a number of telephone calls from a wide variety - cross-section of the community relative to the appointments.

CLAIMS - MRS. SAN McGUIRE (PUBLIC WORKS)

LAWSUITS - BLANCHE BARTON

The City Manager presented a claim received from Mrs. Sam McGuire and a lawsuit in connection with Blanche Barton for bodily injury from a fall in mud due to water line break.

Mayor Trantham referred the claim and lawsuit to the Corporation Counsel for investigation and recommendation.

DISCUSSION RELATIVE TO KILLIAN ROAD BRIDGE - STANLEY MASTERS AND CLAUDE JONES

Mr. Stanley Masters and Mr. Claude Jones appeared before Council requesting that Council not build a new bridge on Killian Road. They said everybody has checked the bridge and said it was fine except the City staff. They said the residents in the area think the bridge is good enough for the area and they don't want to give up any more property for right-of-way.

The City Manager said the State had checked the bridge and has the bridge for replacement as a high priority item. He said the City received funding to replace four (4) bridges in the City of Asheville. He suggested that a full report relative to the Killian Road Bridge be prepared and given to Mr. Masters and Mr. Jones as well as to members of Council.

Mr. Masters presented a letter to members of Council relative to the property owners request for council members to personally inspect the road and bridge and to reconsider the decision to replace the bridge.

JOHN WALSH - COMMENTS RELATIVE TO CRIMINAL CONSPIRACY

Mr. John Walsh spoke to members of Council relative to criminal conspiracy.

RALPH BISHOP - COMMENTS RELATIVE TO LOTTERY SALES

Mr. Ralph Bishop spoke to members of Council relative to lottery sales.

ADJOURNMENT TO MEET AGAIN ON SEPTEMBER 1, 1983 AT 9:30 A.M.

Councilman McDevitt moved to adjourn the meeting to meet again on September 1, 1983 at 9:30 a.m. to meet with the City of Asheville Civil Service Board.

Ray W. Trantham
MAYOR

Thelma L. Barnett
CITY CLERK

Ms. Luckadoo said Council has three alternatives; leave the area zoned as is R-5 Residential; rezone the entire area to R-2 Residential; or approve the recommendation of the Planning and Zoning Commission rezoning a portion of the area requested to be rezoned. She said the basis for Planning and Zoning's recommendation is that there is less concentration of mobile homes on single lots in the Oakley area.

Several residents in the Oakley Dogwood Drive area told members of Council they wanted the entire area rezoned to R-2 Residential District.

After discussion, Councilwoman Frank moved to rezone the entire area to R-3 Residential District. This motion was seconded by Councilman McDevitt.

Vice-Mayor Price offered a substitute motion to continue the public hearing until September 13, 1983 requesting that the Planning and Zoning Commission review the possiblity of excluding from the R-5 Residential District mobile home parks and to study the possibility of tightening up requirements for mobile home parks, particularly the size requirements and density of mobile homes. This motion was seconded by Councilman McDevitt and carried unanimously.

SALE OF DISPOSAL PARCELS - EAST RIVERSIDE RENEWAL PROJECT - PARCELS 105C & 105D, 121, 130

3. Consideration was given to a motion approving the sale of disposal parcels in the East Riverside Renewal Project.

The City Manager presented the recommendation of the Housing Authority as follows:

Parcel	Reuse	Location	Price	Bid	Redeveloper
105C & 105D	Residential	Bartlett	9,000	9,000	James & Fannie Waters
121	Residential	Ora Street	2,423	2,423	Christine M. Stepp
130	Residential	Adams Street	2,100	2,150	Robert & Judy Allen

All of the above will be purchased under the Dollar-A-Lot Program.

Councilman McDevitt moved to approve the sale of the disposal parcels 105C, 105D, 121, and 130 as recommended by the Housing Authority. This motion was seconded by Councilwoman Frank and carried unanimously.

SCHEDULING PUBLIC HEARING - AMENDMENT TO ZONING ORDINANCE SECTION 30-9-1 (D) (2)

4. Councilman McDevitt moved to schedule a public hearing relative to amending the Asheville Zoning Ordinance, Section 30-9-1 (D) (2) for September 13, 1983. This motion was seconded by Councilwoman Frank and carried unanimously.

AUTHORIZING PUBLIC NOTICE - LEASE AGREEMENT FOR ADVERTISING DISPLAYS AT CIVIC CENTER

Councilman McDevitt moved to authorize the City Clerk to give public notice that the City Council will consider a lease agreement for advertising displays in the Asheville Civic Center Arena Concourse Area on September 13, 1983. This motion was seconded by Councilwoman Bratton and carried unanimously.

SCHEDULING PUBLIC HEARING - REZONING PROPERTY ON SWANNANOA RIVER ROAD WARD 8, SHEET 17, LOT 18

Vice-Mayor Price moved to schedule a public hearing relative to rezoning Lot 18, Ward 8, Sheet 17, on Swannanoa River Road, from R-2 Low Density Residential District to CH Commercial Highway District for September 27, 1983. This motion was seconded by Councilwoman Frank and carried unanimously.

CLAIMS - GERTIE HANKERSON (PUBLIC WORKS) - RITA RHYMER (WATER & SEWER) - HAROLD RADCLIFF (WATER & SEWER)

The City Manager presented claims received from Gertie Hankerson, Rita Rhymer, and Harold Radcliff.

Mayor Trantham referred the claims to the Corporation Counsel for investigation and recommendation.

PROCLAMATION - NATIONAL BUY AMERICAN WEEK - SEPTEMBER 6-17, 1983

Mayor Trantham proclaimed September 6 - 17, 1983 as National Buy American Week.

Mayor Trantham proclaimed the month of September, 1983 as "Asheville Symphony Month."

REPORT ON KILLIAN ROAD BRIDGE

The City Manager said he has a final report on the Killian Road Bridge replacement and he would be sending members of Council as well as the property owners in the Killian Road Bridge area a copy of the report. He said the bridge was inspected by the State and will not accommodate fire trucks, garbage trucks, oil delivery trucks, etc.

RALPH BISHOP - COMMENTS RELATIVE TO OBTAINING CITY RECORDS

Ralph Bishop again appeared before Council requesting police pension records.

ADJOURNMENT

Upon motion, the meeting adjourned at 6:00 p. m.

Dorothy Trantham
MAYOR

William F. Burnett
CITY CLERK

Continuation of Adjourned Meeting from August 30, 1983

Thursday - September 1, 1983 9:30 a.m.

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Norma T. Price; Councilwomen Mary Lloyd Frank and Wilhelmina Bratton; Councilman Pless; Patsy Brison, Legal Analyst; Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilman Larry McDevitt and Councilman Gordon Myers.

The meeting was called to order by Mayor Trantham in the City Council Chambers at 9:30 a. m. Motion by Councilwoman Frank, seconded by Vice-Mayor Price to go into executive session on a personnel matter. The motion was adopted unanimously.

The meeting was then moved to the Fourth Floor Training Room in the City Building.

Attendance: Mayor Roy M. Trantham, Vice-Mayor Norma T. Price, Councilwoman Wilhelmina Bratton, Councilman Joe Pless, Councilwoman Mary Lloyd Frank, William DeBruhl, Director of Water and Sewer Services, Sam Graves, Director of Management Services, Thomas C. Posey, Civil Service Board member; Raymond Stepp, Civil Service Board member; Wade Thomas, Civil Service Board member, Sheila Fellerath, Civil Service Board member; City Manager K. M. Michalove, Patsy Brison, Leal Analyst.

After approximately one hour the Civil Service Board and William DeBruhl were excused and after approximately another thirty minutes the Council opened the meeting to a regular session.

Ken Michalove, City Manager, recommended that the City appeal the August 24, 1983 decision of the Civil Service Board relating to David G. McMahan and Bobby G. Metcalf.

Vice-Mayor Price moved to uphold that recommendation and to appeal to Superior Court based on her conclusion that these individuals had no right of appealing their grievance to the Civil Service Board. Motion seconded by Councilwoman Frank. Motion was defeated on a vote of 3 to 2 with Mayor Trantham, Councilwoman Bratton, and Councilman Pless casting the dissenting votes.

Upon motion of Councilwoman Frank, seconded by Councilman Pless the meeting adjourned.

2. R-5 Residential District

Change the maximum density level from 10 units/acre to 6 units/acre.

In making these recommendations the Commission's aim was to: (1) address the need for all types of housing, (2) recognize the need to maintain property values for everyone, and (3) address both of these issues and maintain the integrity of the Zoning Ordinance itself.

Mr. Emrick said as instructed by Council, in the Pre-Council meeting, he would prepare a separate ordinance making the above changes in mobile home parks and in the R-5 Residential District.

Mr. Emrick said as a result of discussion in the Pre-Council meeting he would recommend that Council rezone the entire area petitioned to be rezoned to R-3 in the Oakley Dogwood Drive Area.

Mayor Trantham closed the public hearing at 4:40 p. m.

Mr. Emrick read the ordinance rezoning the entire area petitioned to be rezoned.

Vice-Mayor Price moved for the adoption of Ordinance No. 1394. This motion was seconded by Councilman Pless.

On a roll call vote of 6-0, Ordinance No. 1394 passed on first reading.

PUBLIC HEARING - AMENDING THE ZONING ORDINANCE - SECTION 30-9-1 (D) (2) (Governmental Signs to give directions to public facilities)

3. A public hearing was held relative to amending the Asheville Zoning Ordinance, Section 30-9-1 (D) (2).

Mayor Trantham opened the public hearing at 5:45 p. m.

The City Manager presented the notice setting the time and date for the public hearing.

The City Manager suggested that since changes need to be made in the ordinance, that the public hearing be continued for one week.

Vice-Mayor Price moved that the public hearing be continued for one week without further advertisement. This motion was seconded by Councilman McDevitt and carried unanimously.

PUBLIC HEARING - AMENDING THE ASHEVILLE ZONING ORDINANCE - SECTION 30-9-1 - SIGNS (Deleting the words " 'A' frame or sandwich board" from the ordinance)

4. A public hearing was held relative to amending the Asheville Zoning Ordinance, Section 30-9-1 - Signs - relative to deleting the words " 'A' frame or sandwich board" from the ordinance.

Mayor Trantham opened the public hearing at 5:47 p. m.

The City Manager presented the notice setting the time and date for the public hearing.

Tuesday - September 13, 1983 - 4:00 p. m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Norma T. Price; Councilwomen Mary Lloyd Frank and Wilhelmina Bratton; Councilmen Larry McDevitt and Joe Pless; Corporation Counsel William F. Slawter; City Manager K. M. Michalove; Associate City Manager/City Clerk William F. Wolcott, Jr.; Staff Attorney Patsy Brison.

Absent: Councilman Gordon Myers (vacation)

INVOCATION

The invocation was given by Mayor Roy M. Trantham.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the September 6, 1983 meeting.

Councilman McDevitt requested that the minutes be amended on page 134 that the words "moved that Council" be inserted in the motion relative to Windswept View condominiums.

Upon motion of Vice-Mayor Price, seconded by Councilwoman Frank, the minutes of the September 6, 1983 meeting were unanimously approved as amended.

PROCLAMATION - "CONSTITUTION WEEK" - SEPTEMBER 17 - 23, 1983

Mayor Trantham proclaimed the week of September 17-23, 1983 as "Constitution Week."

Mayor Trantham presented the proclamation to Mary Smith and Catherine Williams.

CONTINUATION OF A PUBLIC HEARING - REZONING PROPERTY IN THE OAKLEY-DOGWOOD DRIVE AREA

ORDINANCE NO. 1394 -AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED

2. A public hearing relative to rezoning property in the Oakley-Dogwood Drive Area continued.

Mayor Trantham said this public hearing was continued from the August 30, 1983 meeting.

Verl Emrick, Director of Planning, said at the request of Council on August 30, 1983 the Planning and Zoning Commission, at its meeting of September 7, 1983, discussed the request made by City Council relative to mobile homes within the City's zoning jurisdiction. He said in that regard, the following recommendations were adopted by the Commission:

1. Mobile Home Parks

   a. Increase the minimum lot size inside the park from 3,000 square feet to 5,000 square feet.

   b. Change the maximum density level from 8 units/acre to 6 units/acre.

The City Manager said members of Council were furnished copies of the resolution and it would not be read in its entirety unless there was a specific request to do so.

Note: A proposal has been presented to the City Council by Laura Associates for construction of illuminated advertising boxes to be installed in the Asheville Civic Center Arena Concourse Area. The proposal has been approved by the Asheville Area Civic Center Commission. The City has advertised the terms of the lease agreement as required by N.C.G.S. 160A-272

Upon motion of Councilman Pless, seconded by Councilwoman Frank, Resolution No. 83-159 was unanimously adopted.

Complete text of Resolution No. 83-159 will be found in Resolution Book No. 14 at page 155.

RESOLUTION NO. 83-160 - RESOLUTION AUTHORIZING THE MAYOR TO ENTER INTO A CONTRACT FOR TRANSPORTATION PLANNING SERVICES WITH THE LAND-OF-SKY REGIONAL COUNCIL

7. Consideration was given to a resolution authorizing the Mayor to enter into a contract for transportation planning services with the Land-of-Sky Regional Council.

The City Manager said members of Council were furnished copies of the resolution and it would not be read in its entirety unless there was a specific request to do so.

The Asheville Urban Area Unified Work Program for 1983-84 has been approved to include a total of $29,480 in Section 112 Planning funds for the purpose of street and highway planning. For timely completion of the Unified Work Program tasks, it is deemed appropriate to designate a portion of the Section 112 Planning funds for the Land-of-Sky Regional Council for carrying out specific segments of the program. $4,000 of the Section 112 Planning funds will be designated to the Land-of-Sky Regional Council for transportation planning work elements.

Upon motion of Vice-Mayor Price, seconded by Councilwoman Frank, Resolution No. 83-160 was unanimously adopted.

Complete text of Resolution No. 83-160 will be found in Resolution Book No. 14 at page 156.

RESOLUTION NO. 83-161 - RESOLUTION AUTHORIZING THE CLOSING OF A PORTION OF CHARLOTTE STREET FROM 10:00 A.M. UNTIL 4:00 P.M. ON SATURDAY, SEPTEMBER 17, 1983

8. Consideration was given to a resolution authorizing the closing of a portion of Charlotte Street from 10:00 a. m. until 4:00 p. m. on Saturday, September 17, 1983.

The City Manager said members of Council were furnished copies of the resolution and it would not be read in its entirety unless there was a specific request to do so.

St. Mary's Church, 339 Charlotte Street, is planning to hold their Annual Sidewalk Sale on Saturday, September 17, 1983. They have requested that a portion of Charlotte Street, lying between Macon Avenue and Evelyn Place, be closed during the hours of the sale.

The City Manager suggested that the public hearing be continued for one week.

Councilman McDevitt moved to continue the public hearing for one week without further advertisement. This motion was seconded by Vice-Mayor Price and carried unanimously.

ORDINANCE NO. 1395 - AN ORDINANCE CHANGING THE RATES CHARGED AT SOME OF THE PARKING LOTS OPERATED BY THE CITY OF ASHEVILLE

5. Consideration was given to an ordinance changing the rates charged at some of the Parking Lots operated by the City of Asheville.

The City Manager said members of Council received copies of the ordinance and it would not be read in its entirety unless there was a specific request to do so.

This ordinance will change hourly and monthly rates for lots mentioned in the ordinance. The ordinance shall be effective upon adoption. There should be only a slight decrease in revenues since the change will basically affect only one Parking Lot, Lot 20 on Eagle Street. The reduction in revenues would equal a maximum of $1,700 in twelve months. It should be noted that this lot has only been in operation for approximately one year. There would be no additional administrative cost to the City. Since revenues in the budget are estimated the $1,700 maximum reduction should not cause the estimated revenues to fall below the total estimate. There will be positive community impacts since persons using the lot will be allowed two (2) hours of parking for 25¢ rather than one (1) hour for 25¢.

Councilwoman Bratton moved for the adoption of Ordinance No. 1395. This motion was seconded by Vice-Mayor Price.

On a roll call vote of 6-0, Ordinance No. 1395 passed on first reading.

Vice-Mayor Price moved to suspend the rules and proceed to the second reading of Ordinance No. 1395. This motion was seconded by Councilwoman Bratton and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1395 passed on second reading.

Vice-Mayor Price moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1395. This motion was seconded by Councilwoman Bratton and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1395 passed on third and final reading.

Complete text of Ordinance No. 1395 will be found in Ordinance Book No. 10 at page [redacted] 66-67, cl

RESOLUTION NO. 83-159 - RESOLUTION AUTHORIZING THE MAYOR TO ENTER INTO AN AGREEMENT WITH LAURA ASSOCIATES FOR THE PURPOSE OF PLACING AND LEASING ADVERTISING DISPLAY CASES IN THE ASHEVILLE CIVIC CENTER ARENA CONCOURSE AREA

6. Consideration was given to a resolution authorizing the Mayor to enter into an agreement with Laura Associates for the purpose of placing and leasing advertising display cases in the Asheville Civic Center Arena Concourse Area.

The City Manager said during the Council recess an agreement was prepared in an attempt to satisfy everyone concerned about the project. He said it was decided that the City would pave Windswept to Ardmion and cut out curb and gutters for the new road in order to have funds to grade and stone Ardmion to Pine Street.

Corporation Counsel Bill Slawter outlined the following proposed agreement for approval of the Windswept View Condominiums:

STATE OF NORTH CAROLINA

COUNTY OF BUNCOMBE

AGREEMENT

This Agreement, dated September ____, 1983, by and between the City of Asheville (hereinafter referred to as "City"), Douglas R. Bebber and Ellen W. Goldstein, Developers of the "Windswept View" Condominiums (hereinafter referred to as "Developers"), Alexander Investment Partnership (hereinafter referred to as "Owner"), and the Housing Authority of the City of Asheville (hereinafter referred to as "Housing Authority").

W I T N E S S E T H:

The purpose of this agreement is to make final approval of Phase I of the site plan of the condominium project proposal submitted by Developers and to approve in concept the site plan in general. Said project is known as "Windswept View" condominiums located on an 8-acre site on Windswept Drive in Asheville, North Carolina. Said site plan was conditionally approved by the Asheville Planning and Zoning Commission on August 3, 1983, and was tentatively approved by the Asheville City Council on September 6, 1983, subject to execution of this agreement by all parties hereto. Each of the undersigned parties, their successors and assigns do hereby acknowledge receipt of adequate consideration for the execution of this agreement and do hereby agree that the development of "Windswept View" condominiums shall be subject to the following terms and conditions:

1. Owner shall dedicate to the City a recorded right-of-way 50' in width for a new road mutually acceptable to the City and Owner. Said new right-of-way will run from a point on Windswept Drive and will run along the roadbed of a presently graded road and shall cross Ardmion Drive and continue to the intersection with Pine Street;

2. The Housing Authority shall dedicate to the City a recorded right-of-way 50' in width from the Housing Authority's property line on Pine Street to the property line of the property of Owner where the right-of-way described in condition 1 ends at the Housing Authority's property line. The purpose of the dedication of the right-of-way from the Housing Authority is to complete the right-of-way for the new road from Windswept Drive to Ardmion Drive and further from the intersection of the new road with Ardmion Drive to Pine Street. Said right-of-way from the Housing Authority shall be at a location mutually acceptable to the City and the Housing Authority.

Upon motion of Councilwoman Frank, seconded by Vice-Mayor Price, Resolution No. 83-161 was unanimously adopted.

Complete text of Resolution No. 83-161 will be found in Resolution Book No. 14 at page [redacted] 157

RESOLUTION NO. 83-162 - RESOLUTION APPOINTING MEMBERS TO THE ADULT ADVISORY BOARD OF THE ASHEVILLE-BUNCOMBE COUNTY YOUTH COUNCIL (Dr. Eric Iovacchini - Mr. Richard Fain - Mr. Bob Embler)

9. Consideration was given to a resolution appointing members to the Adult Advisory Board of the Asheville-Buncombe County Youth Council.

The City Manager said members of Council were furnished copies of the resolution and it would not be read in its entirety unless there was a specific request to do so.

This resolution will reappoint Dr. Eric Iovacchini and Mr. Richard Fain and appoint Mr. Bob Embler as members of the Adult Advisory Board of the Asheville-Buncombe County Youth Council.

Upon motion of Councilwoman Frank, seconded by Vice-Mayor Price, Resolution No. 83-162 was unanimously adopted.

Complete text of Resolution No. 83-162 will be found in Resolution Book No. 14 at page [redacted] 158

SITE PLAN OF "WINDSWEPT VIEW" CONDOMINIUMS - WINDSWEPT DRIVE - FURTHER CONSIDERATION

10. Verl Emrick, Director of Planning, said as a result of the tentative motion for approval of the Windswept View Condominiums on September 6, 1983, the City Staff met with the developers and other interested parties in an attempt to prepare an agreement as requested by Council that would be satisfactory to all concerned.

Mr. Emrick said it should be noted that the Planning and Zoning Commission approved all phases of the proposed project. He said it would be his recommendation that a condition be placed in the agreement that the developer would submit site plans for approval on Phase II and III of the project.

Mr. Jack Stevens, attorney representing property owners in the area, said their main concerns were; (1) assurance that before a Certificate of Occupancy is issued for the development and before Phase II and Phase III are started that the new 24' road be fully paved and (2) that before construction of Phase I the new road be put into a stage for all weather traffic. He said the residents would like to be assured that the traffic will be kept off Windswept Drive.

Mr. Stevens also expressed concern that the new road from Ardmion to new Pine Street would not be paved. He said something should be stated in the proposed agreement with the developer that Ardmion to new Pine Street would at least be stoned before a Certificate of Occupancy is issued for Phase I of the project.

A lengthy discussion followed between City Council members, the developer, and residents in the area relative to the conditions to be put in the agreement.

At this time Council recessed to work out the details of the agreement.

158

11. Other than the "Windswept View" site plan, no further development requiring the use of the new road described in conditions 1 and/or 2 shall be permitted until the paving of the new road from Ardmion Drive to Pine Street is completed. This subsequent paving of the new road from Ardmion Drive t- Pine Street shall be subject to the requirements of the City Engineering Division;

12. Phase II and Phase III of the "Windswept View" site plan are subject to the approval of the plans by the Planning and Zoning Commission prior to the issuance of building permits for Phase II and Phase III.

The schedule for compliance with conditions shall meet, as nearly as possible, the following:

A. Acceptance of this agreement by the City of Asheville, the Developers Owner, and the Housing Authority;

B. The dedication and recordation of the rights-of-way referred to in conditions 1 and 2 above;

C. The grading of said right-of-way by Owner;

D. The letting of a contract by the City for construction on the rights-of-way;

E. The placement of stone on the 24' wide road from Windswept Drive to Pine Street suitable for construction traffic;

F. The placing of signs by the City at appropriate locations along Windswept Drive south of College Street to discourage construction vehicles from using said portions of Windswept Drive;

G. The beginning of construction of "Windswept View" condominium project by the Developers;

H. The paving of Windswept Drive from the existing pavement to the intersection of Windswept Drive and the right-of-way of the new road and the paving of the new road from the intersection of the new road and Windswept Drive to Ardmion Drive; said paving will proceed as weather and construction conditions permit;

I. After the completion of the "Windswept View" condominium project and the paving of Windswept Drive and the new road, the City shall remove the signs along Windswept Drive south of College Street which discourage construction traffic from that portion of Windswept Drive.

3. The entire right-of-way for the new road described in condition 1 and 2 shall be rough graded by Owner to the requirements of the City Engineering Division as to the width, compaction and slopes, etc. in order to readily accept the construction of a 24' wide paved street including curb and gutters and having adequate room for shoulders and drainage structures;

4. The City shall fund and contract for the paving of a 24' road along the new road in the right-of-way described in condition 1 from the intersection of the right-of-way with Windswept Drive to the intersection of the right-of-way with Ardmion Drive. The extent of City funding shall be limited to $122,000.00. If paving from Windswept Drive to Ardmion Drive can be contracted for less than the said $122,000.00, any funds remaining shall be used to stone the new roadway from Ardmion Drive to Pine Street. Any additional funds remaining thereafter shall be applied to the paving of Windswept Drive to a width of 16' from the intersection of the right-of-way of the new road with Windswept Drive north to the end of the existing pavement on Windswept Drive;

5. If the actual construction cost for paving the new road from Windswept Drive to Ardmion Drive, placing stone from Ardmion Drive to Pine Street, and paving Windswept Drive exceeds the City's funding limit of $122,000.00, the Developers shall pay the remaining construction costs to pave the portion of Windswept Drive described in condition 4;

6. Developers shall at all times comply with all City and applicable State sedimentation control and soil erosion ordinances, regulations and statutes whether now existing or which may be imposed. Developers shall further comply with the water run-off and soil erosion plans as provided by Developers' engineer, Roger Lyda, P.E.;

7. Prior to the beginning of any construction of the "Windswept View" condominium project, the rights-of-way described in conditions 1 and 2 shall be dedicated and recorded;

8. Prior to the beginning of any construction of the "Windswept View" condominium project, the grading and stoning of the new road from Windswept Drive to Pine Street shall be completed pursuant to the requirements of the City Engineering Division;

9. Prior to the beginning of any construction of the "Windswept View" condominium project, the Developers shall provide the City with assurance of financial responsibility by providing copies of loan commitments sufficient to complete Phase I;

10. Prior to the beginning of any construction of the "Windswept View" condominium project, the City shall place signs at appropriate locations along Windswept Drive south of College Street to discourage construction vehicles from using said portion of Windswept Drive. The Developers shall inform all contractors, subcontractors, material-men and workmen of the existence of said notice and shall encourage said contractors, subcontractors, material-men and workmen to use the new road from Ardmion Drive to Windswept Drive;

After discussion relative to the agreement, Councilwoman Bratton moved to postpone action on the agreement for one (1) week giving Council Members an opportunity to review a draft of the agreement. This motion died for the lack of a second.

Councilman Pless moved to approve the site plan of the Windswept View Condominiums as stipulated in the above agreement. This motion was seconded by Vice-Mayor Price, which motion carried on a voice vote of 5-1, with Councilwoman Bratton voting "no."

Vice-Mayor Price was excused from the meeting at 6:50 p. m.

RESOLUTION NO. 83-163 - RESOLUTION DIRECTING THE ASHEVILLE PLANNING AND ZONING COMMISSION TO PROCEED TO DETERMINE THE APPLICABILITY OF ARTICLE 22, CHAPTER 160-500-526 OF THE NORTH CAROLINA GENERAL STATUTES FOR THE PROPOSED DOWNTOWN PROJECT

Consideration was given to a resolution directing the Asheville Planning and Zoning Commission to proceed to determine the applicability of Article 22, Chapter 160-550-526 of the North Carolina General Statutes for the proposed downtown project.

The City Manager read the resolution which outlined the project areas.

Upon motion of Councilwoman Frank, seconded by Councilman McDevitt, Resolution No. 83-163 was unanimously adopted.

Complete text of Resolution No. 83-163 will be found in Resolution Book No. 14 at page 159

CLAIMS - ROBERT P. HANSEN (WATER & SEWER) - SHIRLEY McCULLOUGH (WATER & SEWER) - LOIS CASSIDY (WATER & SEWER)

LAWSUITS - WAYNE WARREN (POLICE) - KENNETH E. YOUNG (BODILY INJURY) - LESTIE SHERLIN (BODILY INJURY AND PROPERTY DAMAGE)

The City Manager presented claims received from Robert P. Hansen, Shirley McCullough, and Lois Cassidy.

The City Manager also presented summonses received in connection with lawsuits involving Wayne Warren (wrongful act/Police), Kenneth E. Young (bodily injury-stop sign down), Lestie Sherlin (bodily injury and property damage/ice on street from water line break).

Mayor Trantham referred the claims and lawsuits to the Corporation Counsel for investigation and recommendation.

PROCLAMATION - PRINCE HALL MASONIC WEEK - SEPTEMBER 18-24, 1983

Mayor Trantham proclaimed September 18-24, 1983 as Prince Hall Masonic Week.

PROCLAMATION - NATIONAL ASSOCIATION OF WOMEN IN CONSTRUCTION - SEPTEMBER 11-17, 1983

Mayor Trantham proclaimed September 11-17, 1983 as National Association of Women in Construction week.

In Witness Whereof, the City and the Housing Authority have caused this Agreement to be executed by their duly authorized representatives and the individual parties have signed their signatures and affixed their seals the day and year first above written.

HOUSING AUTHORITY OF THE CITY OF ASHEVILLE

By: _____
Chairman

After walking over your property and analyzing the source of the water, it is my opinion that the City is not responsible for the drainage problems that you are having and that your recourse might be more appropriately directed at the developer of that area, the realtor that sold the property, and/or the former owner of the property.

I am very sorry that we cannot help you with labor and materials on this problem, as you obviously have a very serious drainage problem. However, I will be glad to have Mr. Tarrant provide you with technical advice for making the repairs yourself.

Very truly yours,

K. M. Michalove
City Manager

September 8, 1983

Mrs. Mary Ann Chance
20 Eve Lake Drive
Asheville, North Carolina 28806

Dear Mrs. Chance:

The City Attorney and I have re-examined the information that you have provided the City over the past year regarding the storm drainage problems that you have been asking the City to repair or participate in. We have also provided this information to the City Council Planning Committee that reviews and develops various proposals to change or amend our policies.

After this re-examination, it is still our opinion that the City is not responsible for the drainage problems that you are having and that your recourse might be more appropriately directed at the developer of the area and/or the former owner of the property. We have determined that this problem existed prior to this area being annexed into the City and was a result of designs that the City had no jurisdiction over.

The City is looking into some other alternatives that would help individuals with circumstances such as you have in your yard by the consideration of a drainage district program whereby property owners would pay a special tax to provide funds to assist in these types of situations. However, that program may be some time in process due to the necessity for legal reviews and definitive policies to be developed.

I am very sorry that we cannot help you with either labor or materials on this problem. However, I will be glad to have Mr. Tom Tarrant provide you with some technical advice for making the repairs yourself.

Very truly yours,

K. M. Michalove
City Manager

WIND BANNER SIGN - HIAWASSEE STREET - NATURE SOCIETY - HEY DAY

Councilwoman Bratton moved to approve the request of the Nature Society to place a wind banner sign at 37 Hiawassee Street for the "Hey Day" festival. The wind banner sign to be placed from September 12 - 24, 1983. This motion was seconded by Councilwoman Frank and carried unanimously.

PETITION RELATIVE TO TRAFFIC ON CLAIRMONT AVENUE

The City Manager reported that he had received a petition from residents on Clairmont Avenue requesting that the street be made a two-way street. He said he also received a petition requesting the street be a one-way street. He asked members of Council to drive through the area in order that a discussion can be held on the matter next week.

MARY ANN CHANCE - 20 EVE LAKE DRIVE - STORM DRAINAGE PROBLEM

Mrs. Mary Ann Chance, 20 Eve Lake Drive, appeared before Council stating that she has had a storm drainage problem for over two (2) years. She said she has tried to get assistance from the City in getting the problem corrected. She said she had received a letter from the City Manager stating that no assistance can be given from the City. She said they would be willing to pay for the materials to correct the problem if the City would furnish the labor. She said the problem is very dangerous because children play in the area and could fall in the hole. She said they would even be willing to give the City additional easements if the City would help to correct the problem.

A diagram was drawn for members of Council outlining the details of the problem pointing out the culverts, branch, etc. in the area.

Mrs. Chance said erosion over the years has made the hole bigger and deeper and all that was needed to correct the problem was to extend the existing culvert with an elbow channeling the water to the branch.

The City Manager agreed that the problem has existed for several years. He read the following letters outlining the background of the problem. He said he had also received an inquiry from Congressman Clarke relative to the problem. He said the City Attorney and the Council Planning Committee had also reviewed the problem.

OFFICE OF
CITY MANAGER

August 31, 1982

Mrs. Mary Ann Chance
30 Evelake Drive
Asheville, North Carolina 28806

Dear Mrs. Chance:

In mid-August Tom Tarrant, City Engineering Coordinator, and I came out to your house and looked at the storm drainage problem that you had been asking the City to repair.

Tuesday - September 20, 1983 - 4:00 p. m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Norma T. Price; Councilwomen Mary Lloyd Frank and Wilhelminia Bratton; Councilmen Larry McDevitt, Joe Pless, and Gordon Myers; Corporation Counsel William F. Slawter; City Manager K. M. Michalove; Associate City Manager/City Clerk William F. Wolcott, Jr.; Staff Attorney Patsy Brison.

Absent: None

INVOCATION

The invocation was given by Councilwoman Mary Lloyd Frank.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the September 13, 1983 meeting.

Upon motion of Vice-Mayor Price, seconded by Councilman McDevitt, the minutes of the September 13, 1983 meeting were unanimously approved as submitted.

PROGRESS REPORT ON REPLACEMENT OF GLEN FALLS ROAD BRIDGE

At the request of Mayor Trantham, Mr. Clark Brown, Director of Public Works, read the following status report relative to Glen Falls Road Bridge. He said this status report was in response to a memorandum from the City Manager.

MEMORANDUM TO: Ken Michalove
City Manager

FROM: Clark Brown
Director of Public Works

DATE: September 15, 1983

SUBJECT: Your Memorandum of September 7, 1983 - Glenn Falls Road Bridge

Ken, I am replying to your memo by guessing at some of the questions asked. Our consultant will not be available to give us a better time estimate for about three weeks.

I am replying using the same number sequence as in your memo:

1. Current condition of the bridge. The bridge is still restricted to one-way traffic with the load restriction unchanged. As indicated by the monthly visual inspection reports there have been no significant changes since the restrictions were placed on the bridge.

2. Status of drawings and specifications. The drawings and specifications have not been developed. The Planning Report has been submitted to N.C.D.O.T. for which we have not yet received word of either approval or disapproval. The construction plans and specifications cannot be developed until the Planning Report is approved or amended and approved.

Mrs. Chance again said they would be willing to pay for the materials if the City would furnish the labor. She said the City Engineering Division has estimated it would cost approximately $10,000 to make the necessary repairs. She said she obtained an estimate from Terry Enterprises in the amount of $1,098. She said someone told her that all that was needed to solve the problem was to extend the pipe and fill in the hole.

Mrs. Chance answered questions from members of Council relative to her problem.

Councilman McDevitt said the Council Planning Committee could not justify the city doing work on storm sewers. He said there are many similiar situations in the City of Asheville and Council must follow the same policy for all situations. He said the city does not have the funds to correct all the problems throughout the city.

Mrs. Chance commented that the City of Asheville annexed her property knowing this problem existed.

A discussion followed relative to annexing property with problems of this nature.

Mrs. Chance said she was told that the problem did not exist until the road to the Meadows Apartments was built. She said the water comes from the streets in the Meadows Apartments complex.

After discussion Councilman McDevitt requested that the City Manager set aside thirty (30) minutes of a Pre-Council meeting to discuss the ten (10) worst storm drainage problems in the City of Asheville and the impact this would have on the contingency fund to correct these situations. He said Mrs. Chance would be welcome to attend the Pre-Council meeting when this is discussed.

ADJOURNMENT

Upon motion of Councilman McDevitt, seconded by Councilwoman Frank, the meeting adjourned at 7:40 p. m.

MAYOR

CITY CLERK

Councilman Myers moved for the adoption of Ordinance No. 1396. This motion was seconded by Councilman McDevitt.

On a roll call vote of 7-0, Ordinance No. 1396 passed on first reading.

Councilwoman Frank moved to suspend the rules and proceed to the second reading of Ordinance No. 1396. This motion was seconded by Councilman McDevitt and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1396 passed on second reading.

Councilwoman Frank moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1396. This motion was seconded by Councilman McDevitt and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1396 passed on third and final reading.

Complete text of Ordinance No. 1396 will be found in Ordinance Book No. 10 at page 168.

ORDINANCE NO. 1394 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED (Property in the Oakley-Dogwood Drive Area)

3. Consideration was given to the second reading of Ordinance No. 1394, an ordinance amending Ordinance No. 322, known as "An Ordinance Providing for the Zoning of the City of Asheville," as amended rezoning property in the Oakley Dogwood Drive area.

Mayor Trantham said this ordinance was previously read on first reading and would not be re-read in its entirety unless there was a specific request to do so.

Mr. Steven Barnwell, property owner in the Oakley-Dogwood Drive area, appeared before Council requesting that his property surrounded by the Blue Ridge Parkway, Floyd Drive and Onteora Blvd. remain zoned R-5 Residential District. He said he purchased the property with the understanding that it was zoned R-5 Residential District. He requested that Council reconsider the decision of the Planning and Zoning Commission and rezone the smaller area recommended by Planning and Zoning to R-3 Residential District. He said the predominent use in this area is for mobile home usage. He presented members of Council with a map showing his property that he wished to remain zoned R-5 Residential District.

After discussion it was the consensus of Council to continue with the second reading of Ordinance No. 1394 and due to a technicality to readvertise the entire area to be rezoned to R-3 Residential District for October 4, 1983. It was noted that the public hearing notice advertised the smaller area recommended by Planning and Zoning Commission to be rezoned and it was necessary to readvertise the public hearing to rezone the entire area to R-3 Residential District.

On a roll call vote of 7-0, Ordinance No. 1394 passed on second reading.

Vice-Mayor Price moved to schedule a public hearing to rezone the entire area requested to be rezoned in the Oakley Dogwood Drive Area for October 4, 1983. This motion was seconded by Councilman McDevitt and carried unanimously.

3. Contract Letting. Here is where I will start guessing. This late in the year and without approved construction drawings and specifications, the contract letting would probably take place in the spring of next year.

4. Start of Construction. Thirty to sixty days after contract letting.

5. Completion of Project. One hundred fifty to one hundred eighty days after start of construction.

Ken, if you recall, we were advised that it could take up to two years to complete the project after the Board of Transportation approved it.

I regret that I cannot give you a more definite time frame.

In response to questions from members of Council, Mr. Brown said the funds for the work on the Glen Falls Road Bridge would come from the Off-System Federal Bridge Program. He said the planning report was submitted in late April or early May, however funds are still available through the State and appropriated for in the budget.

Councilwoman Frank suggested that the city give the property owners a monthly status report on the Glen Falls Road Bridge project, perhaps at the Lakeview Park Association meetings.

In response to several property owners in the area, Mr. Brown said he would estimate that the bridge would be out of operation about 150 to 180 days for construction. He said construction would probably begin in the spring or summer of 1984.

CONTINUATION OF PUBLIC HEARING - PROPOSED WORDING AMENDMENT - SECTION 30-9-1 -SIGNS (GOVERNMENTAL SIGNS TO GIVE DIRECTIONS TO PUBLIC FACILITIES)

ORDINANCE NO. 1396 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE" AS AMENDED

2. A public hearing relative to amending the Asheville Zoning Ordinance, Section 30-9-1, (D) (2) exempting governmental signs to give directions to public facilities from the provisions of the sign ordinance continued.

Mayor Trantham said this public hearing was continued from the September 13, 1983 meeting.

Verl Emrick, Director of Planning, said this amendment would merely exempt governmental signs to give directions to public facilities from the provisions of the sign ordinance. He said the exemption would read as follows:

> "Official governmental notices and notices posted by governmental officers in the performance of their duties; governmental signs to control traffic or for other regulatory purposes, or to identify streets, or to give directions to public facilities, or to warn of danger."

Mayor Trantham closed the public hearing at 4:25 p. m.

Upon inquiry of Councilman Pless, Mr. Emrick said he did not think the growth of the maple trees would interfere with the placement of the angel.

Upon motion of Councilwoman Frank, seconded by Vice-Mayor Price, Resolution No. 83-165 was unanimously adopted.

Complete text of Resolution No. 83-165 will be found in Resolution Book No. 14 at page 162

SCHEDULING OF PUBLIC HEARING - SITE PLAN OF PROPOSED ADDITION OF GYMNASIUM AT THE TRINITY BAPTIST CHURCH ON SHELBURNE ROAD

7. Councilman Myers moved to schedule a public hearing relative to the site plan of the proposed addition of a Gymnasium at the Trinity Baptist Church on Shelburne Road for September 27, 1983. This motion was seconded by Councilwoman Frank and carried unanimously.

PROPERTY IN THE SOUTH CHARLOTTE STREET CONSTRUCTION SITE AREA

Upon inquiry of Councilman McDevitt, the City Manager said the City is in the process of purchasing property in the construction site area of South Charlotte Street and it is planned that a new culvert will be installed and the property filled in and brought up to road level.

RESOLUTION NO. 83-167 - RESOLUTION WITH RESPECT TO THE DESTRUCTION OF A CIVILIAN AIRLINER BY THE USSR

Consideration was given to a resolution with respect to the destruction of a civilian airliner by the USSR.

The City Manager read the resolution stating that this resolution expresses Council's support and the support of the people of the City to our national government, the President and the Congress as they represent our individual and national interest in this tragic situation.

Upon motion of Councilman McDevitt, seconded by Councilwoman Frank, Resolution No. 83-167 was unanimously adopted.

Complete text of Resolution No. 83-167 will be found in Resolution Book No. 14 at page 164

Councilman McDevitt moved to schedule the third reading of Ordinance No. 1394 for October 4, 1983. This motion was seconded by Vice-Mayor Price and carried unanimously.

CONTINUATION OF PUBLIC HEARING - PROPOSED WORDING AMENDMENT - SECTION 30-9-1 - SIGNS (Deletion of " 'A' frame or sandwich board" from Section 30-9-1 C-10)

4. Councilman Myers moved to continue the public hearing relative to a proposed wording amendment to the Asheville Zoning Ordinance Section 30-9-1 - Signs (C-10) for one (1) week without further advertising. This motion was seconded by Councilman Pless and carried unanimously.

RESOLUTION NO. 83-164 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE LEASE ON BEHALF OF THE CITY WITH THE UNITED STATES OF AMERICA RELATING TO SPACE COMPRISING THE ENTIRE BUILDING KNOWN AS THE FAA SECTOR FIELD OFFICE LOCATED AT THE ASHEVILLE MUNICIPAL AIRPORT

5. Consideration was given to a resolution authorizing the Mayor to execute lease on behalf of the City with the United States of America relating to space comprising the entire building known as the FAA Sector Field Office located at the Asheville Municipal Airport.

The City Manager said members of Council were furnished copies of the resolution and it would not be read in its entirety unless there was a specific request to do so.

Note: The Federal Aviation Administration presently leases approximately 1152 square feet of space at the Asheville Municipal Airport. This resolution will authorize continuation of the lease.

Upon motion of Councilwoman Frank, seconded by Councilman Pless, Resolution No. 83-164 was unanimously adopted.

Complete text of Resolution No. 83-164 will be found in Resolution Book No. 14 at page 161.

PROCLAMATION - SICKLE CELL ANEMIA MONTH - SEPTEMBER, 1983

The City Manager read a proclamation proclaiming the month of September, 1983 as Sickle Cell Anemia Month.

Upon motion of Councilwoman Bratton, seconded by Councilman Myers the proclamation was unanimously adopted.

Mayor Trantham presented a copy of the proclamation to Priscilla Johnson.

RESOLUTION NO. 83-165 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE AN AGREEMENT WITH THE UNITED DAUGHTERS OF THE CONFEDERACY, CHAPTER 104, FOR THE SITING OF A REPLICA OF THE THOMAS WOLFE ANGEL

6. Consideration was given to a resolution authorizing the Mayor to execute an agreement with the United Daughters of the Confederacy, Chapter 104, for the siting of a replica of the Thomas Wolfe Angel.

The City Manager said members of Council were furnished copies of the resolution and agreement and it would not be read in its entirety unless there was a specific request to do so. He said the angel would be placed on Pack Square in front of the Old Pack Library between two maple trees.

PROCLAMATION - DAY OF INTEGRITY - SEPTEMBER 24, 1983

The City Manager proclaimed September 24, 1983 as Day of Integrity.

DISCUSSION RELATIVE TO STORM DRAINAGE

In response to Councilwoman Bratton, the City Manager said, during the Pre-Council meeting, Council ask the City Manager, the Director of Public Works, the City Engineer and the Corporation Counsel to look into justifying protection of sewer lines and give a report to Council next week.

RALPH BISHOP - EXPRESSION OF OPINIONS IN COUNCIL MEETINGS

Ralph Bishop appeared before Council stating his rights to express his opinions on matters before City Council for consideration.

ADJOURNMENT

Upon motion of Councilwoman Bratton, seconded by Councilwoman Frank, the meeting adjourned at 5:30 p. m.

PUBLIC HEARING - REZONING PROPERTY IN THE OAKLEY DOGWOOD DRIVE AREA (R-5 RESIDENTIAL DISTRICT TO R-3 RESIDENTIAL DISTRICT)

ORDINANCE NO. 1394 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED (Property in the Oakley-Dogwood Drive Area)

4. A public hearing was held relative to rezoning property in the Oakley Dogwood Drive Area from R-5 Residential District to R-3 Residential District.

Mayor Trantham opened the public hearing at 4:15 p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said due to a technicality it was necessary to procedurally readopt Ordinance No. 1394 since the first advertisement of the rezoning of the Oakley Dogwood Drive area provided for a smaller area to be rezoned than what was actually rezoned by Council. Therefore, a second advertisement was necessary to advertise the entire area to be rezoned from R-5 Residential District to R-3 Residential District.

Mayor Trantham closed the public hearing at 4:16 p. m.

Councilwoman Frank moved for the adoption of Ordinance No. 1394. This motion was seconded by Councilman Myers.

On a roll call vote of 7-0, Ordinance No. 1394 passed on first reading.

Councilwoman Frank moved to suspend the rules and proceed to the second reading of Ordinance No. 1394. This motion was seconded by Councilman McDevitt and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1394 passed on second reading.

Councilwoman Frank moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1394. This motion was seconded by Vice-Mayor Price and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1394 passed on third and final reading.

2. Approval of the minutes of the special meeting of September 26, 1983.

Upon motion of Vice-Mayor Price, seconded by Councilman Pless, the minutes of the special meeting of September 26, 1983 were unanimously approved as submitted.

ORDINANCE NO. 1394 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED (Oakley-Dogwood Drive Area)

3. Consideration was given to the third and final reading of Ordinance No. 1394, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," as amended rezoning property in the Oakley Dogwood Drive Area to R-3 Residential District.

Verl Emrick, Director of Planning, said at last week's meeting, Attorney Steve Barnwell appeared before Council requesting that his property located in the area to be rezoned to R-3 be deleted. He said since that time Mr. Barnwell is not adamantly opposed to the R-3 rezoning since he would be allowed to have apartments on his property in the R-3 zoning district. He said it would be the Planning staff's recommendation to continue with the R-3 rezoning of the entire area petitioned to be rezoned.

On a roll call vote of 7-0, Ordinance No. 1394 passed on third and final reading.

Complete text of Ordinance No. 1394 will be found in Ordinance Book No. 10 at page 68.

Mayor Trantham presented the resolution to Mr. Ware.

Mayor Trantham presented the proclamation to Mike Lackey.

RESOLUTION NO. 83-176 - RESOLUTION OF APPRECIATION TO THE HOUSING AUTHORITY OF THE CITY OF ASHEVILLE

Consideration was given to a resolution of appreciation to the Housing Authority of the City of Asheville.

The City Manager said the Assistant Secretary for Public Housing and Indian Affairs, the Regional Administrator, and the Area Manager as well as other housing dignitaries appeared in Asheville on Thursday, September 29, 1983 and presented to the Mayor, the Chairman of the Housing Authority's Board of Commissioners, and the Executive Director, a 1983 HUD Recognition Award. He said a similar award was made to the City of Asheville and the Housing Authority in 1982 for outstanding and innovative use of Federal funds.

Upon motion of Councilwoman Bratton, seconded by Councilwoman Frank, Resolution No. 83-176 was unanimously adopted.

Complete text of Resolution No. 83-176 will be found in Resolution Book No. 14 at page 173

Verl Emrick, Director of Planning, presented members of Council with a copy of the site plan of the proposed addition of a Gymnasium at the Trinity Baptist Church at 216 Shelburne Road. He said the project will be an addition to the Church facilities consisting of four (4) structures. He said water and sewer are available in sufficient quantities for the project. He said the Asheville Planning and Zoning Commission at a meeting held September 7, 1983, reviewed the site plan and after review and discussion of the plan, the Commission voted to recommend approval to City Council subject to submission of an Environmental Impact Statement and compliance with the Erosion Control Ordinance.

Mr. Bob Warren, 117D Cherry Street, Black Mountain, North Carolina, Attorney, said he represented a property owner in the area opposed to the rezoning. He questioned whether the project would have to have approval from the Board of Adjustment as a conditional use even though the site plan is approved by Council.

In response to Mr. Warren, Mr. Emrick said in his opinion a gymnasium would be an ancillary use to the church and would not require approval by the Board of Adjustments.

Mr. Warren said the neighbors in the area are concerned with adequate parking for the church and its functions and also the long term use of the structures. He said he understood that the church was considering a school in the future. He suggested that the church come up with a comprehensive final plan for the church and its future uses.

Mr. Richard Worley, with Daniels-Worley, architects for the project, briefly described the project. He said the proposed addition would compliment the neighborhood. He said the project was carefully reviewed and they located the addition in the proposed location to minimize the environmental impact of the community.

Mr. H. G. Mello, Shelburne Road, spoke in favor of the project.

Mrs. Ralph Sexton spoke in support of the project.

Mayor Trantham closed the public hearing at 4:47 p. m.

Upon inquiry of Councilman McDevitt, Mr. Emrick said the proposed plan meets all zoning requirements. He said there was no legal reason to deny the approval of the project.

Councilwoman Frank moved to approve the site plan of the proposed addition of a gymnasium at the Trinity Baptist Church on Shelburne Road as recommended by the Planning and Zoning Commission. This motion was seconded by Councilman Myers and carried unanimously.

RESOLUTION NO. 83-175 - RESOLUTION OF APPRECIATION TO MR. OTIS WARE

Consideration was given to a resolution of appreciation to Mr. Otis Ware, who recently came to the rescue of Ms. Sarah O'Kelley, a citizen of Asheville, who was being phycially assulted by an unknown man. As a result of Mr. Ware's courageous efforts, the assailant was apprehended.

The City Manager read the resolution.

Upon motion of Councilwoman Frank, seconded by Vice-Mayor Price, Resolution No. 83-175 was unanimously adopted.

Complete text of Resolultion No. 83-175 will be found in Resolution Book No. 14 at page 172

Mr. Frank Brown, of Gracelyn Garden Apartments, spoke in support of the resolution. He said there were no problems when the street was changed to a two-way street several years ago. He said there were no accidents on the street when it was two-way. He said his main interest for requesting the two-way street is also for safety since Clairmont is very narrow. He said this action would change the direction of traffic for one house on the street.

Nona McDonald, Gracelyn Garden Apartments, spoke in support of the resolution for safety reasons. She said it is very dangerous to turn into Clairmont from Merrimon Avenue.

Councilwoman Frank said she would agree with the City Manager's recommendation and to enforce the "no parking" on the street.

Councilman McDevitt said he would be in favor of leaving Clairmont one-way and to have the City staff review the matter further and determine if the situation could be made safer without changing the traffic patterns.

Councilman Myers moved for the adoption of the resolution. This motion was seconded by Councilman Pless.

After discussion, Councilman Pless offered a substitute motion to table the resolution until October 18, 1983 requesting that the Traffic Engineer review the matter further and to provide Council members with a traffic count on Clairmont Avenue. This motion was seconded by Councilwoman Bratton.

At the request of Councilman McDevitt a roll call was taken on Councilman Pless' motion, which motion passed on a 4-3 vote, with Councilman McDevitt, Councilman Myers and Mayor Trantham voting "no."

DISCUSSION RELATIVE TO CLOSING OF FIRE STATION #3 ON LOUISIANA AVENUE

Councilman McDevitt made the following statement relative to the closing of Fire Station #3 on Louisiana Avenue.

"Several months ago the City Manager reported to City Council his proposal to close Fire Station Number 3 on Louisiana Avenue in West Asheville and to relocate the administrative offices of the Fire Department there. The plan suggests that its adoption would improve the operation and management of the Fire Department at reduced cost without a reduction in the level of service. Following this announcement, a study of the proposed plan was done by the League of Municipalities."

"I have carefully reviewed the proposed plan, the League's study, and conducted my own investigation to assist me in evaluating the proposal. I find that while the proposal might result in some financial savings, I have serious doubts about that point, and suggest that achieving financial savings by closing fire departments is not necessarily in the public interest; rather, our primary concern is the protection of the lives and property of our citizens. Further, I find few, if any, administrative improvements that could not be handled in our current downtown facility. Last, I find that the proposed closing of Station Number 3 will impair the ability of the City to respond effectively to fires in certain areas of West Asheville, and would needlessly expose portions of the community to danger if simultaneous fires should occur. Based on these findings, I have concluded that the proposed closing of Station Number 3 is not in the public interest and should not be adopted."

RESOLUTION NO. _____ - RESOLUTION AUTHORIZING THE DEPARTMENT OF PUBLIC WORKS TO CHANGE A PORTION OF CLAIRMONT AVENUE BETWEEN GRACELYN GARDEN APARTMENTS ENTRANCE AND GRACELYN ROAD FROM ONE-WAY TRAFFIC TO TWO-WAY TRAFFIC

6. Consideration was given to a resolution authorizing the Department of Public Works to change a portion of Clairmont Avenue between Gracelyn Garden Apartments entrance and Gracelyn Road from one-way traffic to two-way traffic.

The City Manager said members of Council were furnished copies of the resolution and it would not be read in its entirety unless there was a specific request to do so.

The City Manager said several months ago the City received a petition requesting that Clairmont Avenue between Gracelyn Garden Apartments entrance and Gracelyn Road be changed to a two-way traffic pattern. He said shortly after that the City received a petition requesting that Clairmont remain a one-way street.

He said the staff of the Department of Public Works has recommended the change to a two-way traffic. He said his personal recommendation would be that Clairmont remain a one-way street.

Bob McDonald, Traffic Engineer, described what improvements would be necessary to make Clairmont a two-way street. He said all property owners in the area were notified of Council's intent to consider the resolution. He said he received one phone call from Mrs. Morance in Gracelyn Garden Apartments in favor of the two-way street and one letter from Berry Kempson in opposition to the two-way street.

Upon inquiry of Councilwoman Frank, Mr. McDonald said the reasons the residents petitioned for a two-way street is for safety of children walking on Clairmont since there is no sidewalk, the entrance off Gracelyn is narrow, and the two-way street would create a safer street.

Upon inquiry of Vice-Mayor Price, Mr. McDonald said signs would be posted at the entrance to Clairmont that the street is not a through street. He said he did not anticipate any problems with the two-way street since the street is mostly utilized by the residents of the street. He said there is not a large amount of traffic on Clairmont.

Helen Krickan spoke in opposition to the resolution stating that Clairmont is safer as it is with a one-way street. She said to make the street two-way would create a very dangerous situation for pedestrians walking on the street. She also said the street is very dangerous when snow and ice is on the street.

Martha Sessoms also spoke in opposition to the resolution and read a letter from Mr. Fred Pearlman, part owner of the Gracelyn Garden Apartments in opposition to the resolution. Mr. Pearlman's letter requested that the matter be tabled until a more comprehensive study could be made of the street.

Mr. Duffy Rienz, owner of property on Clairmont, spoke in opposition to the resolution stating that Clairmont was made two-way several years ago and it did not work and they changed it back to a one-way street. He said to change the street to two-way traffic is not good traffic engineering practices.

Mr. Joseph Lamey, of 17 Clairmont, spoke in opposition to the resolution stating that it would be dangerous to make it a two-way street.

After discussion, it was the consensus of Council to refer this request to the City Attorney for investigation and report to Council in two (2) weeks, October 18, 1983. Council requested that the City attorney work with the property owners in the flood plain area.

CONTINUATION OF PUBLIC HEARING - PROPOSED WORDING AMENDMENT - ASHEVILLE ZONING ORDINANCE - SECTION 30-9-1 - SIGNS

ORDINANCE NO. 1397 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED

7. A public hearing relative to a proposed wording amendment to the Asheville Zoning Ordinance- Section 30-9-1 - Signs was continued.

Mayor Trantham said this public hearing was continued from the September 20, 1983 meeting.

Verl Emrick, Director of Planning, said the Asheville Planning and Zoning Commission at a meeting held August 3, 1983, reviewed the request from the Inspections Division that Section 30-9-1 (C-10) be amended by deleting the words " 'A' frame or sandwich board" from the first sentence. After discussion, the Commission voted unanimously to recommend this amendment to City Council.

Mayor Trantham closed the public hearing at 6:40 p.m.

The City Manager said members of Council were furnished copies of the ordinance and it would not be read in its entirety unless there was a specific request to do so.

Councilman McDevitt moved for the adoption of Ordinance No. 1397. This motion was seconded by Vice-Mayor Price.

On a roll call vote of 7-0, Ordinance No. 1397 passed on first reading.

SIGN PERMIT FOR NAEGELE OUTDOOR ADVERTISING, INC. - BILLBOARD SIGN - HAYWOOD STREET

8. Consideration was given to a sign permit for Naegele Outdoor Advertising, Inc. for a billboard sign to be located on Haywood Street.

Lem Moore, Director of Inspections, said Naegele Outdoor Advertising, Inc. has applied for a sign permit to place a 14' x 48' billboard sign on Haywood Street. This requires the approval of City Council, pursuant to the Zoning Ordinance, in that the sign is to be situated closer than 600' from a limited access highway. This sign will be placed across the street from the Asheville Transit Authority. He said Naegele Outdoor Advertising, Inc. proposes to construct a new business building at the site.

Councilwoman Bratton moved to approve the sign permit for Naegele Outdoor Advertising, Inc. for a billboard sign on Haywood Street. This motion was seconded by Councilman Myers and carried on a voice vote of 6-1, with Vice-Mayor Price voting "no."

"Since the proposal was submitted to this Council for decision, the residents of West Asheville and the Fire Department have been left hanging by our inaction. It is my opinion that this City Council should act on this matter and not defer that decision for consideration by a new council."

"To that end, I move that this Council adopt as a matter of policy, that Fire Station Number 3 on Louisiana Avenue in West Asheville remain open and manned with personnel and equipment equal or similar to that currently in place."

"As a councilman, it is my job to evaluate this and other recommendations which are submitted to me. Often I agree with these recommendations and other times - as now - I disagree. However, I appreciate the efforts of the City Manager, Chief Ball and the management group at the Fire Department who spent many hours of study in making this proposal. I know that the proposal was well intended and motivated by real concern for the best interests of the City. The process of constantly evaluating City operations is sound and is vital to improving both services and efficiency, and I hope that process will continue in all areas of City government."

The City Manager suggested that Council delay a decision of the Fire Station until after the first of the year giving further opportunity to meet with the West Asheville residents relative to the closing of the station. He said in his opinion a lot of rumors have been spread to the residents which need to be cleared up. He said this decision could have probably been handled administratively but he felt when a service is affected Council should be consulted.

Mayor Trantham said he was against the proposed closing of Fire Station No. 3 but he was in favor of the City Manager's recommendation to wait.

Vice-Mayor Price agreed with Mayor Trantham stating that a vote on this matter before the November 8 election would be "almost superficial."

Councilmen Pless and Myers said they felt most Council members were not in favor of closing Fire Station 3 however they also felt that Councilman McDevitt might have information on the closing that they were not privileged to.

Councilwoman Bratton seconded Councilman McDevitt's motion to have Fire Station Number 3 on Louisiana Avenue remain open.

After discussion, Councilman Pless made a substitute motion that Council vote on the issue of Fire Station Number 3 in two weeks, October 18, 1983, and requested that Councilman McDevitt share the information he has on the station with other members of Council. This motion was seconded by Vice-Mayor Price and carried unanimously.

REQUEST FOR REPEAL OF FLOOD PLAIN ORDINANCE - ATTORNEY JACK WESTALL

Attorney Jack Westall, appearing on behalf of the property owners in the Flood Plain District, requested that Council repeal the flood plain ordinance adopted by Council two (2) years ago. He said the benefits to the City by having the ordinance are entirely speculative and the damages to the property owners are real. He said property values have decreased and they have appealed to the Board of Tax Supervision for adjustment in property values because of the restrictions of the ordinance. He said the ordinance was too restrictive and not always enforced. He said the ordinance interferes with the marketability of property in the area.

SIGN PERMIT FOR CIRCUIT CITY - 140 TUNNEL ROAD

9. Consideration was given to a sign permit for Circuit City at 140 Tunnel Road.

Lem Moore, Director of Inspections, said Circuit City has requested permission to erect a roof, freestanding, and six (6) logos at their location at 140 Tunnel Road. These signs were approved by the Board of Adjustments. These also require the approval of City Council, pursuant to the Zoning Ordinance, in that the signs will be situated closer than 600' from a limited access highway. He said the signs meet all the requirements.

Councilman Pless moved to approve the sign permit for Circuit City. This motion was seconded by Councilman Myers and carried unanimously.

SIGN PERMIT FOR RIVER RIDGE SHOPPING CENTER - 800 FAIRVIEW ROAD

10. Consideration was given to sign permit for River Ridge Shopping Center at 800 Fairview Road.

Lem Moore, Director of Inspections, said River Ridge Shopping Center has requested permission to erect 218 square feet of signage at 800 Fairview Road. These signs were approved by the Board of Adjustments. These also require the approval of City Council, pursuant to the Zoning Ordinance, in that the signs will be situated closer than 600' from a limited access highway. He said the signs meet all the requirements.

Councilman Pless moved to approve the sign permit for River Ridge Shopping Center at 800 Fairview Road. This motion was seconded by Councilman Myers and carried unanimously.

RESOLUTION NO. 83-183 - RESOLUTION AMENDING AGREEMENT DATED SEPTEMBER 13, 1983 RELATIVE TO THE "WINDSWEPT VIEW" CONDOMINIUM PROJECT SITE PLAN

Consideration was given to a resolution amending agreement dated September 13, 1983, relative to the "Windswept View" condominium project site plan.

Patsy Brison, Staff Attorney, said the Council approved on September 13, 1983, Phase I of the site plan of the condominium project known as "Windswept View" condominiums located on an 8 acre site on Windswept Drive. The approval was contingent upon the execution of an agreement between the City, the developers, the property owner, and the Housing Authority concerning limitations upon the project and the building of a new road leading to the project. The agreement povides that construction shall not begin upon the project until the completion of the new road. Due to impending cold weather the developers find it necessary to proceed with the grading of the project and the pouring of footings before the completion of the new road. The developers have informed city officials that the new road can be used for all construction traffic from Ardmion Drive to Windswept Drive prior to completion of the road. This resolution will authorize an amendment to the agreement to all the developers to proceed with a portion of the construction prior to the completion of the new road described in the agreement dated September 13, 1983.

Upon motion of Councilman Myers, seconded by Councilman McDevitt, Resolution No. 83-183 was unanimously adopted.

RESOLUTION NO. _____ - RESOLUTION AUTHORIZING THE DEPARTMENT OF PUBLIC WORKS TO CHANGE A PORTION OF CLAIRMONT AVENUE BETWEEN GRACELYN GARDEN APARTMENTS ENTRANCE AND GRACELYN ROAD FROM ONE-WAY TRAFFIC TO TWO-WAY TRAFFIC

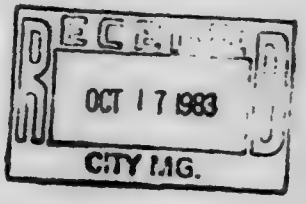
3. Further consideration was given to a resolution authorizing the Department of Public Works to change a portion of Clairmont Avenue between Gracelyn Garden Apartments entrance and Gracelyn Road from one-way traffic to two-way traffic.

Mayor Trantham said this matter was continued from the October 4, 1983 meeting.

Upon inquiry of Vice-Mayor Price, Clark Brown, Director of Public Works, said the City Manager has a report from the Traffic Engineer relative to traffic counts on Clairmont. He said the Public Works Department, at the direction of Council, will be looking into the feasibility of an access road into the Gracelyn Garden Apartments from Johnson Drive eliminating the need to go into Clairmont Avenue from the apartments. He said once the issue at hand is resolved by Council they will begin the feasibility study of the access road which would also include the cost involved for providing the access road.

Councilwoman Bratton said she had visited the area in question and would like for Council to explore the idea of an access road into the Gracelyn Garden Apartments.

The City Manager read the following report from Bob McDonald, Traffic Engineer:



MEMORANDUM TO: Ken Michalove
City Manager

FROM: Bob McDonald
Traffic Engineer

DATE: October 14, 1983

SUBJECT: Clairmont Avenue

Ken, I would like to respond to your request that we take several actions regarding traffic flow on Clairmont Avenue and also offer my observations and recommendation.

Tuesday - October 18, 1983 - 4:00 p. m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Norma T. Price; Councilwoman Mary Lloyd Frank and Wilhelmina Bratton; Councilmen Larry McDevitt, Joe Pless, and Gordon Myers; Corporation Counsel William F. Slawter; City Manager K. M. Michalove; Associate City Manager/City Clerk William F. Wolcott, Jr.; Staff Attorney Patsy Brison.

Absent: None

INVOCATION

The invocation was given by Councilman Joe Pless.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the October 11, 1983 meeting.

Upon motion of Councilwoman Frank, seconded by Councilman McDevitt, the minutes of the October 11, 1983 meeting were unanimously approved as submitted.

PUBLIC HEARING - AMENDING ZONING ORDINANCE - RELATIVE TO MOBILE HOMES

ORDINANCE NO. 1400 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED (Section 30-3-16.B.2(c)Section 30-3-16 B.2(k) - Section 30-5-6. (C)

2. A public hearing was held relative to amending the Asheville Zoning Ordinance relative to mobile homes within the city's zoning jurisdiction.

Mayor Trantham opened the public hearing at 4:10 p. m.

Verl Emrick, Director of Planning, said at the September 7, 1983 meeting of the Asheville Planning and Zoning Commission meeting a discussion was held relative to the request made by City Council relative to mobile homes within the City's zoning jurisdiction. The following recommendations were adopted by the Commission:

1. Mobile Home Parks - a. Increase the minimum lot size inside the park from 3,000 square feet to 5,000 square feet.

   b. Change the maximum density level from 8 units/acre to 6 units/acre.

2. R-5 Residential District - Change the maximum density level from 10 units/acre to 6 units/acre.

Mayor Trantham closed the public hearing at 4:13 p. m.

The City Manager said members of Council were furnished copies of the ordinance and it would not be read in its entirety unless there was a specific request to do so.

Larry Shelton, owner of Larry's Bug Barn at the corner of Clairmont and Merrimon Avenue, spoke in opposition to Clairmont being made a two-way street. He said the no parking sign located on Clairmont should not be so close to the intersection of Clairmont and Merrimon. He said he has no parking space at his business location and if the no parking sign is located close to the intersection his business would have to close.

The City Manager told Mr. Shelton that he would look into the matter regarding the placement of the stop sign.

George Brigman, owner of property on Clairmont, spoke in opposition to Clairmont being made a two-way street. He said one property owner on Clairmont has a fence on the edge of the curb which causes problems with the traffic on Clairmont. He said the fence should be moved back from the curb.

Mayor Trantham then called for a motion for adoption of the resolution. Receiving no motion for adoption of the resolution, the resolution failed.

Vice-Mayor Price moved that the Public Works Department be instructed to look into the feasibility of providing an accress drive into Gracelyn Garden Apartments from Johnson Drive and that this information be furnished to Council. This motion was seconded by Councilwoman Bratton and carried unanimously.

ACTION RELATIVE TO FIRE STATION #3 -LOUISIANA AVENUE

4. Mayor Trantham said action relative to the Fire Station #3 on Louisiana Avenue in West Asheville was discussed at the October 4, 1983 meeting said action being continued for two (2) weeks.

The City Manager requested that the following documents be included in the minutes; (1) Fire Chief Ball's recommendation relative to the reuse of Fire Station #3; (2) MICA Study recommendation # 35-36 dealing with fire stations; (3) City Manager's memorandum of July 6, 1983 relative to the reuse of fire station #3; (4) The report of July 1, 1983 from Sherman Pickard from the North Carolina League of Municipalities.

The City Manager also requested that Council adopt at some point in time a service level policy that would cause consideration of how and where to place fire stations and what response time the Council would expect in terms of service level. He said this policy could be used to locate stations and determine how many fire department employees are needed to respond and how quickly response time is expected..

Councilman McDevitt, repeating his motion of October 4, 1983, moved that this Council adopt as a matter of policy, that Fire Station Number 3 in West Asheville remain open and manned with personnel and equipment equal or similar to that currently in place. This motion was seconded by Councilwoman Bratton and carried unanimously.

The following documents are included as part of the minutes:

First, we have moved the "No Parking" sign on Clairmont as you requested. When I went by today, it appeared that it was not quite 50 feet from the intersection. I asked the sign section to check this again and move it if necessary. Also, your memorandum to Chief Hensley will hopefully, take care of enforcement of this restriction.

I also asked the Inspections Division to check the sight distance problem at Clairmont and Gracelyn. They advised me that there is a problem but the specific piece of property is for sale. The agent handling the sale has been notified of this situation and will contact the owners to have the problem corrected.

Traffic counts were taken this week at each end of Clairmont Avenue. The 24-hour count at the west end of Clairmont near Merrimon Avenue was 205 vehicles and the count at the east end near Gracelyn Road was 176 vehicles. I feel this volume is normal for a street such as this.

I have looked at the possibility of alternate access for Gracelyn Gardens, other than Clairmont Avenue. With the existing street configuration in the area and the degree to which surrounding property is developed, I cannot come up with anything better than what presently exists.

Finally, I would again like to apologize for my lack of communication with you regarding our recommendation. Our study, with the help of the Engineering Department, was to determine the minimum improvements which would be necessary to accomodate two-way traffic. This, however, was not our specific recommendation. Based on our findings to date, I would recommend that Clairmont Avenue remain a one-way street for the following reasons:

The street, as is, in my opinion can accomodate the present volume of traffic with minimum inconvenience to those using it;

A change to two-way traffic will not appreciably increase the capacity or "level of service" of the street;

Even with the widening, a potential for accidents on the requested two-way section will exist, due to limited sight distance at one point and inadequate shoulder width for vehicular maneuverability in an emergency;

Lack of majority support for a change to two-way traffic by those using the street on a daily basis.

Please let me know if I can provide any additional information.

5) The change is in line with previous studies that have been made.

6) This change responds to some of the problems we are having with physical improvements needed in the Municipal Building.

7) The changes will improve the morale of employees.

One matter that will need to be considered with is not addressed is the [redacted]re annexation on Patton Avenue to I-40. However, my answer to this short [redacted] is to purchase a Mini-Pumper 2 man unit and put it at Station #6 until such [redacted] as the City can afford to construct a fire station near I-40.

MEMORANDUM TO: Ken Michalove, City Manager

FROM: P. N. Ball, Fire Chief

DATE: January 13, 1983

SUBJECT: Recommendations for Improvements in Fire Department Operations

Attached hereto are two memorandums - one dealing with the redistribution of Fire Station #3 suppression personnel and equipment, the other dealing with the Fire Station #3 for central administration of Fire Department activities. The Fire Personnel housed at Station #3 will be relocated at different fire stations.

The county ambulance and personnel will be assigned by Mr. Jerry VeHaun, Director.

By making the changes recommended in these two memorandums, we will be accomplishing several long and short range goals:

1) We will be able to implement the phases of the Career Development Program in training, prevention and administration through the re-distribution of personnel. We have not been able to implement this phase of the program because the trainees were needed in fire suppression.

2) We can make the switch without loss of any employees.

3) We can make the switch without reducing service in the West Asheville area.

4) We can make the changes and improvements within our current budget, although some line items will have to be changed.

[redacted]ject: Utilization of Fire Substation #3

[redacted]e have discussed the possible uses of Fire Station #3 if it is no longer used as a fire [redacted]ergency center.

[redacted] properly renovated, this would be an excellent location for the Asheville Fire Depart-[redacted] Office of Administration. I recommend the following personnel to this location.

Fire Chief and executive secretary, Assistant Chief of Fire Prevention, Fire Pre-[redacted]ion Inspectors, Fire Prevention secretary, Assistant Chief of Fire Suppression, [redacted]sistant Chief of Administration, office assistants, Training Officer, Administrative [redacted]sistant, Arson Investigator.

I further recommend that Station 1 dormitory and day room be moved to the rear of the truck room, and the appropriate renovations be made.

These changes would consolidate the fire department operations into approximately ½ the space presently being used in the Municipal Building. This should be reflected in a reduced share of operating costs (heat, power, etc.).

I recommend that, for the present time, our fire alarm and mechanics operation remain at their present location.

Some of the advantages of relocating the administrative offices are:

1. Better utilization of space. Our present office area is not designed for efficiency in space use or energy conservation. If we properly redsign the interior of station #3, it can serve our needs very well. Energy and maintenance costs should be considerably reduced as compared to our present location.

2. Our office staff should be able to operate more efficiently with fewer unnecessary interruptions. Also, there is almost no security under the present arrangement. This would be completely controlled at the proposed location.

Station 1, (Headquarters) should house only 2 companies in the future. Fire Alarm could still be housed in the rear of the main floor as they are presently located.

Subject: Fire Substation #3

After study and reviewing the location – response effectiveness of Engine 3, located at Fire Station 3, 50 Oregon Avenue, I offer the following recommendations.

Close Fire Station #3, move Engine 3 to Station 6 (Haywood Road) and move Ladder 6 to Station 8 (Tunnel Road).. Station 6 and 8 will be two company stations.

Transfer an adequate number of personnel from District 2 to District 1 to staff Ladder 8 (change from Ladder 6).

This would leave nine engine companies and two aerial companies in service. When Ladder 2 is refurbished and returned to service, we should have Ladder 8 tested by National Testing and make repairs if required. This would still leave eleven companies in service.

At the time all aerial equipment is in service, retire one engine company, leaving eight engine companies and three aerial companies, still totaling eleven fire companies in service.

Mr. Gil Dunn, I.S.O. representative, has reviewed the proposal to close Station 3. Mr. Dunn stated that this will not be detrimental to our I.S.O. Class 3 rating.

Concerning the consideration and discussion of closing Station 1 – Headquarters Station, Mr. Dunn stated that this would definitely increase our I.S.O. rating considerably.

I recommend that the closing of Station 1 not to be considered.

IMPACT: Implementation of this recommendation would result in reduction of two stations (stations 3 and 9). Savings in maintenance expenditures could be expected. In addition, station 3 could be sold, resulting in income to the City. The library/ community center with which station 9 presently shares physical plant facilities could be expanded.

Additional impacts which could be expected should the City implement this recommendation would reflect an increased level of service. Details appear further below under "Company Deployment" but in general could be described as additional personnel per company, utilization of dual engine companies in particularly high hazard or low water supply areas, and increased level of preparedness due to more proportional distribution of responses. (Some of the stations presently are relatively unprepared for a call because they seldom receive a call relative to other stations.)

STATION LOCATION AND COMPANY DEPLOYMENT

Overview

This section of the report reviews station location and company deployment for the City of Asheville's fire department. Also discussed under this section is staffing of the fire suppression division of the department.

Following a full review of existing conditions for each of these areas, analysis was undertaken and a series of alternative conditions were hypothesized. The project team evaluated each alternative in light of accepted standards for delivery of fire service and subsequently developed the recommendations found below.

Station Location

The Asheville Fire Department currently has eight fire stations. Each of these stations has a primary responsibility for its "first due" or fire management area (FMA). The companies from contiguous FMA's respond with, and assist one another. The location of these stations and their FMA's are shown on the following page (this does not include the annexed areas; however, they have been taken into account). Following this section, the report from James A. Milke on station location and company deployment has been included en toto as documentation.

RECOMMENDATION (35): The City should reduce the number of fire stations to six. This is identified as "plan F" on page 17 of the Fire Station Distribution Analysis.

Under this recommendation, district 1 would contain existing stations 1, 4, and 8. District 2 would contain existing stations 2, 5, and 6.

MEMORANDUM TO: Members of City Council

Sam Graves
Director of Management Services

FROM: Ken Michalove
City Manager

DATE: July 6, 1983

Attached is a report from Sherman Pickard, Director of Services for the North Carolina League of Municipalities regarding Fire Department reorganization and other concerns.

My recommendation is that we move as follows regarding the four specific concerns which were reviewed:

1. That the Fire Department Management Team and Chief conclude a recommendation within the next 60 days regarding the use of Station 3. Furthermore, that the City Council plan to take action on their recommendation by September 1. During this period of time, they should plan meetings with departmental staff and the West Asheville community to explain the various options and how fire fighting service would be provided using Station 6 for suppression purposes and Station 3 for administrative purposes. That during this period of time, they make it clear to the personnel that there is no plan to eliminate Engine 3. While there is no way to give each member of the staff written guarantee of this, I can assure that I have no plans of eliminating this engine company. (Note: See attachment 2).

2. On Concern No. 2 dealing with reorganization of the fire department, I concur with Sherman Pickard that we have a very good organizational approach, and we should stick with this.

3. On Concern No. 3, I concur with Sherman Pickard's analysis that three-man engine companies are appropriate for Asheville. However, on the matter of additional staffing beyond the three-man engine company, I think we should leave that to the Fire Department Management Team and Chief for their recommendations.

4. On Item 4, I concur with Sherman Pickard's analysis. I do feel that the City Council should establish a fire suppression service level policy. This is probably a policy that could be initially developed by the Fire Department staff, sent to the Planning Committee, and ultimately to the City Council.

Change in interstate system

Note: Station 4 is now station 7 but throughout most of the study it was referred to as station 4 and will continue to be referred to as such in this report.

RECOMMENDATION (36): Companies should be allocated among the six recommended stations in accordance to the chart below.

District 1	Engine Companies	Ladder Companies	Special Companies
Station 1	1 (two-piece)	1	0
Station 4	1	0	0
Station 8	1	0	1
District 2			
Station 2	1 (two-piece)	0	0
Station 5	1	0	0
Station 6	1 (two-piece)	1	0

Detroit #1

Note: Stations 1 and 2 should serve as district headquarters.

IMPACT: Implementation of this recommendation would result in optimum coverage relative to fire protection for the City. The use of two-piece engine companies at stations 1, 2, and 6 enables these companies to maximize water supply during the initial fire attack. Additionally stations 1 and 6 serve as "task forces" in their ability to respond with a two-piece engine company and a ladder company. This is important in that both stations cover significant commercial areas. This recommendation allows for additional manpower per company (see "Staffing"). Further, it allows the department to make best use of its equipment, e.g. assigning the 1250 GPM pumpers as the second engine, or supply pumper, to the two-piece engine companies. Having these pumpers "on the hydrant" will give a greater capacity for moving water.

(3) Company manning levels.

(4) The adequacy of aerial and other apparatus.

As a format for this report, each of the four concerns is identified, followed by the EXPRESSED CONCERN of several of those with whom we had contact. This is followed by what we perceive to be the FELT CONCERN, which often differs from the EXPRESSED CONCERN. Our analysis of each concern, along with our conclusions, complete the format.

REVIEW METHODOLOGY

We met with the "Fire Department Management Team", including the Chief and the three Division Chiefs for several hours at which time the concerns were discussed thoroughly. We next met with a group of selected personnel, including all ranks, for the purpose of soliciting feedback. The management team were also present in this meeting.

CONCERN 1 — The relocation of Engine 3 to Station 6 -- converting Station 3 to fire department administrative offices.

EXPRESSED CONCERN — A reduced level of fire suppression service in terms of run time within the first due area served by Station 3.

FELT CONCERN — We are of the opinion that the felt concern of the personnel is mainly related to what they perceive as a longer range plan to eliminate Engine 3, resulting in the loss of three Captain's positions, thereby dimin-

SUBJECT: Fire Department Reorganization and Other Concerns

ADMINISTRATIVE REPORT

At your request, I visited the City of Asheville on the dates of June 14, 15 and 16, for the purpose of assisting in the review of certain concerns which have emerged as a result of the recently implemented fire department study as prepared by the Management Improvement Corporation of America, Durham, North Carolina.

From a review of articles which appeared in the Asheville newspaper and other communications which have flowed from some members of the fire department concerning parts of the reorganization study and other matters unrelated to the study, we identified four primary areas of concern:

(1) The planned transfer of Engine 3 to Station 6, converting Station 3 to fire department administrative offices.

(2) The new organizational structure and personnel assignment.

- We fully concur that Engine 3 can be relocated to Station 6, with a negligible diminution of fire suppression service within the first due area of Station 3. Of course, those properties throughout the City which enjoy the highest level of fire suppression service from the standpoint of apparatus "run time" are those which are located closest to a fire station. Obviously, a city cannot afford fire stations adjacent to everyone's property.

- We reviewed building fire location data for the year 1982 which occurred within the first due area of Stations 3 and 6. As noted on the map which you reviewed, for the year 1982 had Engine 3 been located at Station 6, properties west of Station 6 and, to some extent, south of Station 6 would have received a higher level of fire suppression service from the standpoint of "run time" for the SECOND due Engine 3.

- Given the structural deficiencies which exist with respect to Headquarters Fire Station and the inadequacy of administrative offices in that facility, we are of the opinion that Station 3 could well be utilized as administrative offices. The property may also lend itself to other municipal uses.

- It was expressed by some members of the "mixed group" that the area west of the French Broad River represents

ishing promotional opportunities. This concern is apparently based upon a previous experience which occurred in relation to a fire station which was closed on Merrimon Avenue some years ago. Based upon the feedback it appears that some of the personnel see the relocation of Engine 3 to Station 6 as a "repeat of history", since the Merrimon Avenue engine company was later disbanded.

ANALYSIS

It is perfectly understandable for personnel below the rank of Captain to be very much concerned with the possible elimination of three Captain positions. We were unable to determine, however, that any such plan exists.

CONCLUSION

- Station 3 is only 1.1 miles by road travel from Station 6. Even if the Insurance Services Office Fire Suppression Rating Schedule* is used as a guide for the location of fire stations, the travel distance from one station to another could be three miles with no loss of credits whatsoever. We hasten to point out that not many cities can afford to finance fire stations and fire companies sufficient in number to provide a maximum travel distance of three miles between stations throughout the City.

* [I.S.O. Fire Suppression Rating Schedule, 1980 issue - Item 560 - Page 22]

- Finally, with respect to fire station locations, some cities have found it advantageous for the governing body to establish a "fire suppression service level policy" in terms of initial attack capability [gallons of water per minute] within a specified "run time" of the first due engine. Such policies usually relate to population locations which, according to our experience, closely tracks building fire occurrence. This is a "policy guide" which the Council Council may wish to consider in the future.

one-third of the total area of the City and is a very high fire demand area. According to the fire department records for the year 1982, a total of 78 building fires occurred in the entire city. Of this number, only 17 or 22% occurred west of the river.

- Further, according to the Fire Department records, of the 78 building fires which occurred in 1982, 67 or 86% received first due engine service in four minutes or less.

- Of the 11 properties which received first due engine service beyond four minutes, 8 were within five minutes and 3 were within six minutes. No building fire occurred within the City in 1982 to which first due engine service was not provided within six minutes response time.

- When compared to cities of similar or much larger size, first due engine service within four minutes to 86% of all structural fires is a very high level of fire suppression service. In Durham, North Carolina, for example -- population 101,160 -- 311 building fires occurred in 1982. Of this number, 246 or 79% received first due engine service within four minutes or less. Of the 55 properties which received first due service beyond four minutes, 25 were within five minutes, 27 within six minutes, 12 within seven minutes and 1 within eight minutes.

Although not expressed, we suspect some "negative feelings" may exist toward one or more of the people who were promoted to the new position of District Commander.

(C) o We observed that some loss of personal "esteem" is felt with respect to abolishing the position title of "Fire Driver".

o We suspect, however, that a matter of more concern than that of position title is involved. Although not expressed, we strongly suspect that the expansion of promotional "competition" for previous "Fire Drivers" to the position of Captain from 33 to a possible 90 (an increase of 273%) is an influencing factor.

ANALYSIS

o The objective for dividing the City into two response districts with the attendant District Commanders has apparently been misunderstood by some members of the department. The objective for dividing the City into response districts is to provide a Chief Officer on the scene of a working fire where multiple company operations are involved in a shorter period of time than is possible when operating from a central station.

o A second objective, and one that is equally important, is to provide technical services with respect to fire

CONCERN 2 — The new fire department organizational structure and personnel assignment.

EXPRESSED CONCERN

(A) The previous structure consisting of three Fire Suppression Shift Officers [Assistant Chiefs] worked well.

(B) The six newly created positions of District Commander are not needed.

(C) Loss of position title of "Fire Driver", the duties of which are included in the newly created position of "Firefighter III".

(D) The rotation of personnel through the Fire Prevention Bureau as a part of the newly created career development program, thereby reducing the number of personnnel assigned to companies.

FELT CONCERN (A) & (B) According to the feedback which we received from the "mixed group meeting", there appears to be some concern about the additional "layer" in the chain of command which is represented by the District Commanders. This additional layer elongates the direct contact between the company officers and the "decision" level of authority represented by the Assistant Chiefs [Division Officers].

do so results in rumors, misinformation, and the polarization of feelings which could be avoided.

Given time, opportunity and effort, the newly implemented organizational structure will serve the City and the individuals within the organization well. A departmental attitude survey would probably support this conclusion.

code enforcement, training and related activities within a "manageable" area of the City.

- A third objective is to provide an effective communications conduit between the fire department management team and company personnel.

CONCLUSION

We are of the opinion that the reorganization plan which has been implemented is excellent. It would SEEM OBVIOUS that the additional promotional opportunities represented by the additional six positions of District Commander, the opportunity for all firefighters to ultimately aspire to the level of Firefighter III, the opportunity for career development within the organization represented by the Fire Prevention Bureau assignments, and the opportunity for professional development outside the organization represented by the available fill in personnel for that purpose, would meet with 100% approval of all personnel.

To reach such a conclusion would be presumptuous. It is very human for an individual to perceive organizational change from a PERSONAL POINT OF VIEW. It is perhaps asking too much of the "troops" to also view change from the standpoint of organizational goals. There is a need for establishing open line communications with all of those who may be affected by whatever change is contemplated. The failure to

total of eight company personnel on first alarm. While we fully recognize the concern for the delay in the arrival of second due engines and ladder service, it must be noted that a three-man engine company can mount an initial attack of 250 gallons of water per minute. Fires of this magnitude represent more than 95% of all structural fires which occur in the City. This statement is fully supported by fire department records.

- This is not to suggest that a fourth man on the engine would not be better from the standpoint of releasing the company officer to supervise the attack as opposed to making the attack. Company officers, however, are "firefighting" officers. The District Chiefs are "fireground commanders.".

- Regarding the matter of two company personnel rotating through the Fire Prevention Bureau as part of their career development objectives, it should be noted that two maintenance personnel were transferred to company assignment which nullified the reduction in company strength.

CONCLUSION

- Given the availability of a fourth person sometimes available on certain engine companies, we are of the opinion that this person should be assigned to the District Commander and thereby be available to provide whatever service he can on the fireground. This person should not be referred to as the "Chief's Driver".

CONCERN 3 — Company manning level.

EXPRESSED CONCERN

(A) Three-man engine companies.

(B) Loss of chief officer drivers which provided an additional pair of hands on the fireground.

(C) Assignment of personnel to rotate through the Fire Prevention Bureau as part of the career development program versus assignment to companies.

FELT CONCERN — We are of the opinion that the expressed concerns track the felt concern.

ANALYSIS

- According to the information which we were provided, the City of Asheville has utilized three-man engine companies since the year 1924. Thus, we can logically conclude that the reorganization has little or nothing to do with the matter of three-man engine companies.

- We concur with the expressed concern relative to the loss of the driver which was assigned to the chief officers and who was utilized on the fireground in the previous organizational structure. With regard to this matter, however, it should be noted that in the City of Asheville, like most other cities, a structural alarm receives a first alarm dispatch of two engine companies and, in some instances, a ladder company. This provides, in addition to the District Commander, a

CONCERN A — Adequacy of aerial and other apparatus.

EXPRESSED CONCERN

(A) The time required for refurbishing one of the aerial ladder trucks.

(B) The plan to replace an existing "full size" 1,000 GPM engine with a unit of 750 GPM on a commercial chassis. [A midi-pumper]

(C) The need for an adequately designed tanker as a support water supply in areas of the city deficient in hydrant distribution and/or available fire flow.

FELT CONCERN — We are of the opinion that the expressed concerns track the felt concerns.

ANALYSIS

(A) The extended delay in refurbishing an existing ladder truck is related to bid problems which occurred on the front end of the project. This matter will be solved with the return of the refurbished unit.

(B) An alternative to the down-sized midi-pumper would be to refurbish an existing full size custom 1,000 GPM pumper at approximately the same cost of the midi-pumper. We believe this alternative is worthy of consideration.

- An alternative would be to utilize two of the four people assigned to the ladder companies which respond only on selected alarms (and are seldom used) to the District Commanders for extra manpower on the fireground. This approach could be taken in conjunction with the utilization of other available personnel as previously discussed.

- We cannot recommend additional positions for the purpose of providing an extra "pair of hands" on the fireground. Fire experience records simply will not support this need.

MEMORANDUM TO: Chief P. N. Ball

FROM: Fire Department Management Team

SUBJECT: Fire Station 3

After meeting with Mr. Sherman Pickard of the League of Municipalities, and hearing the concern expressed by our employees that Station 3 should not be closed, we make the following recommendations.

1. We should study Mr. Pickards report when it is completed.

2. We should communicate with our personnel and explain whatever the report reveals. If Mr. Pickard recommends moving Engine 3 and using the building for administrative offices, we should explain the reasons to our personnel. If he recommends leaving everything status quo we should inform our personnel and follow the recommendations.

We should not take any action until steps 1 and 2 (above) have been completed. This probably means waiting 30 to 60 days before we make a final decision.

J. W. Parris, Asst. Chief

J. J. Causey, Asst. Chief

J. M. Jones, Asst. Chief

JWP/JJC/JMJ:ldh

On July 5, 1983 this was approved by Chief P. N. Ball.

(C) We concur that there is a need for an adequately designed tanker as a support water supply to the areas in which hydrant distribution is deficient and/or available fire flows are inadequate.

CONCLUSION

The provision of two first-line aerial apparatus, whether ladder or platform, and one in reserve is an adequate level of ladder service for the City of Asheville. No one with whom we had contact can remember ever having used three aerials on a single fire. In fact, the use of two simultaneously is very rare.

Refurbishing an existing full size pumper in lieu of a "down-sized" unit appears to be feasible.

The existing tanker should be evaluated in light of its intended use.

This report is respectfully submitted.

Councilwoman Bratton said she supported the YMI Cultural Center project and was glad to be a part of the City Council which helped to get the Center started. She said the community should get behind the project and support the YMI Cultural Center and she would be offering her time and efforts toward the center and toward a YMI week. She said in her opinion the language of the proposed resolution and the manner and time in which it was presented was not in the interest in the "YMI" and therefore she would abstain from voting on the resolution. She stronly pointed out that the abstention was not against the "YMI" but the language, manner and time in which it was presented.

Vice-Mayor Price reminded Councilwoman Bratton that an "abstaining vote" is counted as an "aye" vote.

Upon motion of Councilman Pless, seconded by Vice-Mayor Price, Resolution No. 83-190 was adopted with Councilwoman Bratton "abstaining."

APPROVAL OF THE CONSENT AGENDA

8. The following items are of a routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items, the City Council may, by the authority granted to the City Council in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council, and/or a member of the city staff, any single item scheduled for approval on the consent agenda may be considered separately.

A. Sale of disposal parcels in the East Riverside Renewal Project.

HIGHLIGHTS: The Housing Authority has tentatively accepted the following bids for disposal parcels in the East Riverside Renewal Project.

Parcel	Reuse	Price	Bid	Redeveloper
33	Residential	3,100	3,100	Walter & Mildred Carson
219	Residential	1,000	1,000	Pearl Foster

Parcel 33 is located on S. Grove Street and is a "Dollar-a-Lot" sale and the purchasers plan a 3 bedroom, 2 bath residence.

Parcel 219 is located on Erskine Street and is a substandard lot being purchased by the adjacent owner in order to provide additional yard and driveway. No construction is planned, and the Dollar-A-Lot program does not apply.

FISCAL IMPACT: Upon completion, these properties will increase the city's ad valorem tax base by their assessed value.

REPORT RELATIVE TO REPEAL OF FLOOD PLAIN ORDINANCE

5. Mayor Trantham said a request was made by Attorney Jack Westall on October 4, 1983 for the repeal of the Flood Plain Ordinance. He said action was postponed on this matter until October 18, 1983.

Vice-Mayor Price, with the Council Planning Committee, said they have met with the TVA officials and property owners in the area. She said the Planning Committee will be meeting with the property owners and their attorney next week at which time Council will be given a report from the Planning Committee relative to the repeal of the Flood Plain Ordinance.

RESOLUTION NO. 83-189- RESOLUTION AUTHORIZING RENEWAL OF LEASE AGREEMENT IN CONNECTION WITH THE CITY'S GAS/OIL DISPENSING OPERATIONS

6. Consideration was given to a resolution authorizing renewal of lease agreement in connection with the city's gas/oil dispensing operations.

The City Manager said members of Council were furnished copies of the resolution and it would not be read in its entirety unless there was a specific request to do so.

Note: The Asheville City Council adopted Resolution 78-181, September 28, 1978 authorizing the City of Asheville to lease certain property at the corner of Valley Street and Southside Avenue for the purpose of operating a gas/oil dispensing facility. The lease agreement entered into contained provisions for renewing the lease for an additional five years commencing on November 1, 1983 and terminating on October 31, 1988. This resolution will authorize the renewal of said lease.

Upon motion of Councilwoman Frank, seconded by Councilman McDevitt, Resolution No. 83-189 was unanimously adopted.

Complete text of Resolution No. 83-189 will be found in Resolution Book No. 14 page 187

RESOLUTION NO. 83-190 - RESOLUTION SUPPORTING THE FUND-RAISING DRIVE ON THE YMI CULTURAL CENTER, INC. OF WESTERN NORTH CAROLINA

7. Consideration was given to a resolution supporting the fund-raising drive on the YMI Cultural Center, Inc. of Western North Carolina.

The City Manager said the resolution was read at the October 11, 1983 meeting and it would not be re-read in its entirety unless there was a specific request to do so.

The City Manager said Logan Delany, Director of Community Development, contacted Mr. Al Chilcott, HUD Area Office UDAG Representative on October 11, 1983, suggesting that a possible thirty (30) day contract extension may become necessary in order to complete raising the private funds agreed upon and in order to successfully complete and close-out the YMI-UDAG and Asheville's initial UDAG project. Mr. Chilcott's position appeared uncompromising as related to the current contract amendment date of October 31, 1983 as certified by the YMI, Asheville, and HUD. He said given that information the City should close out the project by October 31, 1983.

B. Scheduling a public hearing relative to rezoning property located at 18 Johnston Boulevard from R-3 Residential District to CH Commercial Highway District for November 10, 1983.

HIGHLIGHTS: The Asheville Planning and Zoning Commission at a meeting held September 7, 1983, considered the request of Dr. Stephen McHatton that Ward 6, Sheet 15, Lot 8, (18 Johnston Boulevard) be rezoned from R-3 Residential District to CH Commercial Highway District. After discussing the issues of this request, the Commission voted to recommend denial of this petition to City Council. The petitioner has appealed the decision of the Planning and Zoning Commission and has requested that Council schedule a public hearing on the rezoning.

FISCAL IMPACT: None

Upon motion of Vice-Mayor Price, seconded by Councilwoman Frank, the consent agenda was unanimously approved.

CLAIMS - MARY BUCKNER (STREETS) - MAUDE BENNETT (STREETS) - PAUL BOEHM (WATER) PAUL JONES (WATER) - BARRY RICH (M & R CITY WATER) - CLAUDIA TUCKER (SANITATION)

The City Manager presented claims received from Mary Buckner, Maude Bennett, Paul Boehm, Paul Jones, Barry Rich, and Claudia Tucker.

Mayor Trantham referred the claims to the Corporation Counsel for investigation and recommendation.

PROCLAMATION - WEEK OF NOVEMBER 7, 1983 - 25th ANNIVERSARY OF GERBER-ASHEVILLE PLANT

Mayor Trantham announced that the week of November 7, 1983, the Gerber-Asheville Plant will be celebrating its 25th Anniversary and is now located in the City of Asheville.

CITY CLERK

APPROVAL OF SIGN PERMITS - 94 WESTGATE PARKWAY - KYOTO JAPANESE STEAK HOUSE

The City Manager said Crawford Sign Company has applied for two sign permits to move an existing freestanding sign and add on to the freestanding sign and to erect a wall sign at 94 Westgate Parkway for the Kyoto Japanese Steak House. He said the sign permits meet all the requirements of the sign ordinance but requires approval from City Council in that the signs will be situated closer than 600' from a limited access highway, requiring the approval of Council pursuant to the Zoning Ordinance.

Mr. Mike Harrin, with Crawford Sign Company, explained to members of Council what type of signs will be erected.

Vice-Mayor Price moved for the approval of the sign permits for the Kyoto Japanese Steak House located at 94 Westgate Parkway. This motion was seconded by Councilman McDevitt and carried unanimously.

SCHEDULING OF PUBLIC HEARING - SITE PLAN OF CHATEAU CONDOMINIUMS- (ALBEMARLE ROAD)

Mayor Roy Trantham
Asheville City Council
Asheville, North Carolina

Dear Mayor Trantham and Members of City Council,

"America today stands poised on a pinnacle of wealth and power, yet we live in a land of vanishing beauty, of increasing ugliness, of shrinking open spaces, and of an over-all environment that is diminished daily by pollution and noise and blight. This, in brief, is the quiet conservation crisis of the 1960s." These words of Stewart L. Udall describe, two decades later, the plight of Asheville's close-in neighborhoods.

Property owners in the north Asheville neighborhood from Charlotte Street-Edwin Place intersection on the south to the end of Kimberly Avenue on the north, and to include side streets, present to Council a comprehensive plan for staying the erosion of a beautiful neighborhood and a large tax base for the city. Slums generate little tax revenue.

The initial step in our press for the survival of a quality neighborhood is TRAFFIC/NOISE CONTROL. Great volumes of traffic, including heavy equipment, commercial vehicles, and through trucks travel Edwin-Kimberly daily at whatever excessive speeds they wish, eroding the integrity of the area, depreciating property values, threatening the safety of our children and elderly, and generally consuming the quality of life with dirt and noise pollution.

Attached is a petition signed by three hundred twenty three (323) residents asking that the speed limit on Edwin Place, Evelyn Place and Kimberly Avenue be reduced to twenty-five (25). Griffing Blvd. signees also request the same speed limit for that street. A 25 speed limit appears wise for the entire R-1 district.

We ask that City Council honor the petition swiftly, that they enjoin Asheville Police Department to diligently and consistently enforce the new speed limit, the existing ordinance restricting through trucks, and the existing ordinance which prohibits recurring noise which would be a nuisance in a residential neighborhood. The latter includes faulty mufflers, motorcycles, indiscriminate use of horns, "scratching off," blasting car radios, and motorists hanging out windows yelling to other motorists, a not unusual 2 a.m. occurrence on our streets. We offer volunteers to help process citations at the Police Department if this will be helpful.

We further ask that Edwin-Kimberly and Charlotte-Evelyn-Kimberly be removed from city maps as throughways and that the Asheville Chamber of Commerce be duly informed of same. We ask that an exit ramp from the Asheville Expressway to Broadway be considered as a possible alternate route for north-bound traffic. The development of Broadway as a major artery would not threaten existing neighborhoods and

Proposals to locate parks along the present artery to obstruct traffic flow have been made. When an alternate route for automobile traffic is planned, this attractive notion will be examined. If brought to fruition, the traffic nuisance would be permanently resolved for future generations - the area would remain one of the most desirable in Asheville.

MEMORANDUM TO: Ken Michalove
City Manager

FROM: Bob McDonald
Traffic Engineer

DATE: October 20, 1983

SUBJECT: Traffic concerns — Kimberly Avenue Area

Ken, I am aware of the concerns about traffic problems in this area.

With regard to your memo, I have current traffic counts on Charlotte Street at the Orchard Street intersection, between Baird and Hillside and between Hillside and Edwin Place. I want to get one additional count on Charlotte Street north of Edwin Place. I also have up-to-date counts on Kimberly Avenue. I need to get additional counts on Edwin Place and Evelyn Place, which I will do in the next few days.

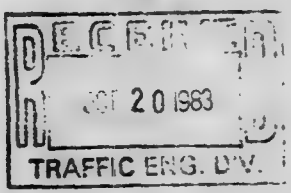
I will try to have this data available within a week to ten days.

Also, we will plan to take the counts again at these same locations once South Charlotte Street is opened for comparisn purposes.

RMcD/bl

Mr. Easterling also showed a map of the area in question.

Upon inquiry of several council members relative to the enforcement of the present speed limits on these streets and recent traffic counts in the area, the City Manager read the following memorandums;



MEMORANDUM TO: Bob McDonald, Traffic Engineer

FROM: Ken Michalove, City Manager

DATE: October 19, 1983

Bob, there is a growing concern about the amount of traffic and speeding traffic on Charlotte Street, Edwin Place, Evelyn Place, and Kimberly Avenue. In order to prepare for the types of questions I think that will come up regarding this, please plan to take some traffic counts on these streets if you do not already have current information. Also, there is a concern that once South Charlotte Street is opened up, this will increase the traffic even more in the areas mentioned above. Therefore, we need these traffic counts in order to make the comparisons once that street opens up. If you take your counts sometime over the next 4 to 6 weeks, I think that will be adequate.

PUBLIC HEARING - CLOSING OF UNNAMED ALLEYWAY BETWEEN ARDMORE STREET AND SEMINOLE STREET

RESOLUTION NO. 83-192 - RESOLUTION TO CLOSE AN UNNAMED ALLEYWAY BETWEEN ARDMORE STREET AND SEMINOLE STREET IN THE CITY OF ASHEVILLE, NORTH CAROLINA

4. A public hearing was held relative to closing an unnamed alleyway between Ardmore Street and Seminole Street in the City of Asheville, North Carolina.

Mayor Trantham opened the public hearing at 5:35 p.m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

The City Manager said in checking with all City department heads, there were no problems concerning the closing of this alleyway.

Upon inquiry of Mayor Trantham, the City Manager read the following memorandum from Larry Ward of the Public Works Department:

Mr. John Corbisiero of 23 Evelyn Place spoke in support of the petition. He said the high-density traffic in the area needs to deminish and he suggested that Council take action on the residents' requests.

Mr. Mack Day of 76 Kimberly Avenue, President of the Grove Park-Sunset Citizens Association, spoke in support of the petition.

Councilman Pless said he investigated this request this past week and in his opinion the speed limit now posted needs more enforcement and the "No Parking" restrictions in the area enforced.

Councilman McDevitt said it was his understanding that there was an ordinance on the books relative to the use of commercial vehicles in all areas of the city that could not be enforced. He said a new ordinance should be adopted. He also suggested that the present speed limits in the area are in need of stricter enforcement. He also suggested that Council set a policy on all speed limits with increased enforcement of same.

Mayor Trantham said the entire city should to be studied relative to speed limits.

Councilwoman Bratton said she appreciated the citizen input relative to the problems in the community.

After discussion, Vice-Mayor Price moved that the Asheville City Council support the requests of the North Asheville residents in reducing the speed limits on Edwin Place, Evelyn Place, and Kimberly Avenue to 25 MPH. This motion was seconded by Councilwoman Bratton and carried unanimously.

Upon inquiry of Mrs. Molloy, Council assured the resident that the speed limit of 35 MPH presently on Edwin Place, Evelyn Place, and Kimberly Avenue would be enforced during the next week.

The City Manager assured Council that an ordinance would be put on the agenda next week in considering reducing the speed limits in these areas.

RESOLUTION NO. 83-191 - RESOLUTION OF APPRECIATION TO CITY STAFF AND VOLUNTEERS FOR THEIR ASSISTANCE IN THE NORTH CAROLINA LEAGUE OF MUNICIPALITIES CONVENTION

3. Consideration was given to a Resolution of Appreciation to City staff and volunteers for their assistance in the North Carolina League of Municipalities Convention.

The City Manager read the resolution and recognized the City staff.

Upon motion of Vice-Mayor Price, seconded by Councilman McDevitt, Resolution No. 83-191 was unanimously adopted.

Complete text of Resolution No. 83-191 will be found in Resolution Book No. 14 at Page 189.

Mayor Trantham said had received a complaint from Mrs. Ledford in the Ardmore Place area relative to the garbage not being picked up in front of their house. He said if the residents are taxpayers they should not be required to carry their garbage one block in order for it to be picked up.

Councilman McDevitt agreed with Mayor Trantham.

Mr. Willard Lindberg, petitioner for the closing of the unnamed alleyway, said the alley had never been opened and it was only open on "paper."

Upon inquiry of Corporation Counsel Slawter, Mr. Lindberg said all property owners adjoining the unnamed alleyway had agreed to the closing.

Corporation Counsel Slawter advised Mr. Lindberg that proper affidavits needed to be submitted before the unnamed alleyway could be closed.

Mr. Slawter suggested that the resolution closing the unnamed alleyway be adopted contingent upon the execution of all necessary affidavits.

Mayor Trantham closed the public hearing at 5:46 p.m.

The City Manager said members of Council were previously furnished a copy of the resolution and it would not be read in its entirety.

Upon motion of Councilman McDevitt, seconded by Councilman Pless, Resolution No. 83-192 was unanimously adopted contingent upon the signing of all necessary affidavits.

Complete text of Resolution No. 83-192 will be found in Resolution Book No. 14 at Page 190-191.

PUBLIC HEARING - AMENDMENT TO ZONING ORDINANCE - SECTION 30-1-1 - ZONING ADMINISTRATOR

ORDINANCE NO. 1403 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE, "AS AMENDED"

5. A public hearing was held relative to amending the Asheville Zoning ordinance - Section 30-1-1, Zoning Administrator.

Mayor Trantham stated that this public hearing was continued from the October 25, 1983 meeting.

The City Manager said this proposed amendment will provide for the Planning Director to be designated as the Zoning Administrator of the City of Asheville. Councilman Pless said he had requested the delay in this public hearing. He said he had been assured by the Director of Inspections and the Planning Director that this change would not cause more confusion for citizens.

Mayor Trantham closed the public hearing at 5:49 p.m.

The City Manager stated that members of Council were furnished copies of the ordinance and it would not be read in its entirety.

Councilman Pless moved for the adoption of Ordinance No. 1403. This motion was seconded by Councilman McDevitt.

RECEIVED
NOV 2 1983
CITY MG.

MEMORANDUM TO: Ken Michalove
City Manager

FROM: Larry P. Ward
Director of Planning, Research and Development
Department of Public Works

DATE: November 2, 1983

Ken, in regard to Ardmore Place, off of Seminole Street, Ardmore is not a city maintained street, therefore closing would have no effect upon Public Works operations.

About a year ago, we received a petition from one of the residents along Ardmore, asking the City to accept and take the street over for maintenance. The petition was not valid, due to the fact that only a few of those persons owning property along the street had signed the petition. The remaining signatures were only persons who visited or used the street, and did not own property along it. The Petitioner was advised that the petition would need to be signed by more than 50% of the property owners along the street who must represent more than 50% of the lineal footage along the street before it would be a valid petition and could be accepted by the City. He was also given a list of the property owners along the street. We have not received a valid petition at this point.

At present, the street is in very bad condition and use of it by our garbage trucks is not safe for the equipment and operators, plus a large portion of the time the street is blocked by parked vehicles and the garbage truck cannot get on the street. Due to these problems the Sanitation Division has informed the residents that their refuse will have to be placed at the curb of Seminole Street before it can be collected by the City.

I talked to Mrs. Ledford Friday of last week and informed her of the above information. She asked why, when the City annexed the area, the street was not taken over by the City, and I explained to her that the street was not a State maintained street at that time, and the City only took the streets that N.C. D.O.T. had maintained prior to the area being annexed into the City. I also explained the petition situation to Mrs. Ledford.

APPROVAL OF BILLIARD HALL APPLICATION - MR. WATSON AND MR. HAYNES

The City Manager presented an application for a billiard hall permit pursuant to Chapter 7 of the Code of Ordinances of the City of Asheville.

The City Manager said Chapter 7 of the Code requires that all billiard hall applications be approved by City Council.

After discussion, Councilwoman Frank moved to approve the billiard hall application for Mr. Watson and Mr. Haynes subject to the necessary inspections to issue said license. This motion was seconded by Councilwoman Bratton and carried unanimously.

REQUEST TO REPEAL CHAPTER 7 OF THE CODE OF ORDINANCES

At the request of the City Manager, Vice-Mayor Price moved to schedule for consideration, at the November 10, 1983 meeting, an ordinance to repeal Chapter 7 of the Code of Ordinances of the City of Asheville. This motion was seconded by Councilwoman Frank and carried unanimously.

RESOLUTION NO. 83-193 - RESOLUTION TO AUTHORIZE THE MAYOR TO SIGN ON BEHALF OF THE CITY OF ASHEVILLE AN OFFER TO NEGOTIATE WITH SCHNEIDER NINE, INC.

Consideration was given to a resolution to authorize the Mayor to sign on behalf of the City of Asheville an offer to negotiate with Schneider Nine, Inc.

The City Manager said Schneider Nine, Inc. proposes a downtown development plan and this resolution will authorize an Offer to Negotiate with said company.

Upon inquiry of Councilman McDevitt, the City Manager said this particular proposal has not been discussed by the Asheville Downtown Commission.

Councilman McDevitt said he felt the Asheville Downtown Commission should at least be aware of Council's action relative to Schneider Nine, Inc. before adoption.

Councilman McDevitt said he would be willing to vote in favor of the resolution if all members of the Downtown Commission were called tonight and told of this action.

Councilwoman Bratton moved for the adoption of Resolution No. 83-193 with the understanding that all members of the Asheville Downtown Commission would be called tonight relative to the resolution. This motion was seconded by Councilwoman Frank and carried unanimously.

Complete text of Resolution No. 83-193 will be found in Resolution Book No. 14 at page 192.

On a roll call vote of 6-0, Ordinance No. 1403 passed on first reading.

Vice-Mayor Price moved to suspend the rules and proceed to the second reading of Ordinance No. 1403. This motion was seconded by Councilman McDevitt and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1403 passed on second reading.

Vice-Mayor Price moved to suspend the rules and proceed to the third reading of Ordinance No. 1403. This motion was seconded by Councilwoman Frank and carried unanimously

On a roll call vote of 6-0, Ordinance No. 1403 passed on third and final reading.

ORDINANCE NO. 1400 - AN ORDINANCE AMENDING ORDINANCE 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE" AS AMENDED - MOBILE HOMES WITHIN THE CITY'S ZONING JURISDICTION

5. Consideration was given to the third reading of Ordinance No. 1400, an ordinance amending Ordinance No. 322, known as "An Ordinance Providing for the Zoning of the City of Asheville" as amended (relative to mobile homes within the City's zoning jurisdiction).

Mayor Trantham said this ordinance was previously read on first and second reading and would not be reread in its entirety unless there was a specific request to do so.

On a roll call vote of 6-0, Ordinance No. 1400 passed on third reading.

Complete text of Ordinance No. 1400 will be found in Ordinance Book No. 10 at Page 72-73.

Vice-Mayor Price moved to suspend the rules and proceed with the third reading of Ordinance No. 1401. This motion was seconded by Councilman Pless and carried unanimously.

Thursday - November 10, 1983 - 4:00 p.m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Norma T. Price; Councilwomen Mary Lloyd Frank and Wilhelmina Bratton; Councilmen Larry McDevitt, Gordon Myers, and Joe Pless; Corporation Counsel William F. Slawter; City Manager K. M. Michalove; Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: None.

INVOCATION

The invocation was given by Mayor Roy M. Trantham.

APPROVAL OF THE MINUTES

1. Approval of the minutes of November 3, 1983 meeting.

Upon motion of Councilman McDevitt, seconded by Councilman Pless, the minutes of the November 3, 1983 meeting were unanimously approved as submitted.

PRESENTATION OF "WHITE GLOVE AWARD" - SPURGEON CARTER

Susan Mayer, Executive Director of Quality Forward, said their organization is giving "White Glove Awards" for outstanding work in the City of Asheville. She said Mr. Carter works for the Parks and Recreation Department cleaning up around City Hall and sets a good example for a "White Glove Award."

Mr. Ray Kisiah, Director of Parks and Recreation, said Mr. Carter has been an employee of the Parks & Recreation Department for 23 years doing a super job for the City.

Mr. Kisiah said Mr. Don Jones of the Asheville City School System had nominated Mr. Carter for the "White Glove Award."

ORDINANCE NO. 1404 - AN ORDINANCE AMENDING SECTION 28-81.3 AND SECTION 28-81.4 OF ARTICLE 4, SPEED REGULATIONS, OF CHAPTER 28 OF THE CODE OF ORDINANCES OF THE CITY OF ASHEVILLE

1. Consideration was given to an ordinance amending Section 28-81.3 and Section 28-81.4 of Article 4, Speed Regulations, of Chapter 28 of the Code of Ordinances of the City of Asheville.

The City Manager read the Ordinance stating that this ordinance will add Edwin Place, Evelyn Place, and Kimberly Avenue to the 25 MPH restrictions in the City of Asheville.

The City Manager said the area would have increased surveillance for an undetermined period of time for the new speed limit zone.

Councilman McDevitt said the City staff is preparing a draft ordinance which will involve controlling trucks and traffic in the residential areas. He said this ordinance should be considered by Council in the near future and it is his hope that it would have an impact on Kimberly Avenue.

PETITION RELATIVE TO THE ADDITION OF BALLANTREE DRIVE, ELMWOOD LANE, GARDENWOOD LANE, AND GARDENWOOD DRIVE INTO THE CITY SYSTEM

The City Manager presented a petition received relative to the addition of Ballantree Drive, Elmwood Lane, Gardenwood Lane, and Gardenwood Drive into the City system.

The City Manager said the petition would be investigated and a report given to members of Council.

PROCLAMATION - NOVEMBER 6 - 12, 1983 - "PRAYER WEEK"

Mayor Trantham proclaimed the week of November 6 - 12, 1983 as "Prayer Week."

PROCLAMATION - "NATIONAL RADIOLOGY TECHNOLOGY WEEK" - NOVEMBER 7 - 13, 1983

Mayor Trantham proclaimed the week of November 7 - 13, 1983 as "National Radiology Technology Week."

CLAIMS - SUSAN ROBINSON (M & R CITY WATER) - RICHARD DEBBS (STREETS)

The City Manager presented claims received from Susan Robinson and Richard Debbs.

Mayor Trantham referred the claims to the Corporation Counsel for investigation and recommendation.

ANNEXATION OF THE CHUNNS COVE ROAD AREA

The City Manager said that he had received a telephone call from Mr. Tom West indicating that the Supreme Court had upheld the Chunns Cove Road area annexation by the City of Asheville.

RALPH BISHOP - LOTTERY SALES IN THE CITY OF ASHEVILLE

Ralph Bishop again appeared before the Council relative to the lottery sales in the City of Asheville.

ADJOURNMENT

Upon motion, the meeting adjourned at 6:30 p.m.

Ray M. Trantham
MAYOR

William F. Roberts
CITY CLERK

Mr. Winslow said the Committee recommended that 100% of the requested rate increase for installation be approved and 75% of the requested basic rate costs be approved.

Upon inquiry of Councilman Pless, Mr. Winslow said the American Cablevision Company indicated that 99.8% of the City residents may have cablevision services.

A discussion was held relative to cable TV service not being available in the Gashes Creek area.

Upon inquiry of Councilman McDevitt, Mr. Winslow said the Committee needed more definite guidelines and rate increase requests needs to be submitted to the Committee in advance giving the Committee an opportunity to review such requests.

Mr. Winslow said there was not a deadline for the City of Asheville in granting an increase; however, the County Commissioners deadline was November 15, 1983 for granting or disapproving a rate increase for the county cablevision companies.

Mr. Roger Gregg, a member of the Cable TV Study Committee, spoke in support of the requested rate increases of the cablevision companies.

Councilman Myers said the report stated that the cablevision companies had a "short fall" of $500,000.00 and the rate increase requested would provide $180,000.00. He asked how the companies intended to make up the difference of the "short fall." He said he felt the cablevision companies are in a profit-making business rather than a public service.

Mr. Don Williams, C.P.A. for American Cablevision Company, spoke in support of the requested rate increase.

Mr. Williams said the American Cablevision Company maintains a customer satisfaction log at the headquarters. He said the Asheville Cablevision Company takes exception to several of the findings of the Study Committee.

Mr. Williams, upon inquiry of Councilman Myers, said the rate increase would allow for the rebuilding of systems, new techniques, new systems, and cablevision expansion.

A discussion, initiated by Councilman McDevitt, was held relative to whether or not the cable companies should be regulated by the City of Asheville and the County of Buncombe.

Mr. Williams said that regulation of the companies provides no benefit to anyone. He said de-regulation would not be adverse to the cablevision customers.

Councilman Pless said that Thoms Cablevision Company, prior to the sale to American Cablevision Company, requested a rate increase lower than the increase presently requested.

After discussion, the Council members and Buncombe County Commissioners said they would review the report of the Cable TV Study Committee.

The report of the Cable TV Study Committee is attached.

ACC/BCBC 11/10

MINUTES OF A JOINT MEETING BETWEEN THE ASHEVILLE CITY COUNCIL AND THE BUNCOMBE COUNTY BOARD OF COMMISSIONERS FOR THE COUNTY OF BUNCOMBE, HELD ON THURSDAY, NOVEMBER 10, 1983 2:00 P.M.

A joint meeting between the Asheville City Council and the Board of Commissioners of Buncombe County was held on Thursday, November 10, 1983 at 2:00 P.M. in the Council Chambers - Asheville, North Carolina.

The meeting was called to order by Mayor Roy M. Trantham.

The following members were present:

Roy M. Trantham, Mayor of the City of Asheville
Norma T. Price, Vice-Mayor of the City Asheville
Councilman Larry McDevitt
Councilman Joe Dless
Councilman Gordon Myers
Councilwoman Mary Lloyd Frank

Doris P. Giezentanner, Buncombe County Commissioner
Jessie I. Ledbetter, Commissioner
J. D. Jackson, Commissioner

Also present:

K. M. Michalove, City Manager
William F. Slawter, Corporation Counsel
Patsy Brison, Staff Attorney
Richard Kendrick, Administrative Services Division Head
David Cunningham, Administrative Assistant - County of Buncombe
John Jerose, Manager of Asheville Cablevision
Members of the Cable TV Study Committee

Mayor Trantham said the purpose of this meeting is to discuss a report of the Cable TV Study Committee relative to cablevision in the City of Asheville and County of Buncombe.

Mr. Pete Winslow, Chairman of the Cable TV Study Committee presented members of Council and Buncombe County Commissioners with a report of the Committee.

Upon inquiry of Councilman McDevitt, Mr. Winslow said the Asheville City Council, pursuant to the franchise, ordinance may consider an increase in rates by the cablevision company every 18 months but Council was not required to approve a rate increase.

Upon inquiry of Councilman Myers, Mr. Winslow said the Committee did not address anticipated revenues for advertising by the cable companies.

Vice-Mayor Price said the report indicated that the vote of the Cable TV Study Committee was not unanimous in recommending a rate increase of $.75.

Mr. Winslow responded that several of the members felt a smaller rate increase would be worth considering.

RECOMMENDATIONS OF THE ASHEVILLE/BUNCOMBE COUNTY
CABLE TELEVISION COMMITTEE

REGARDING ASHEVILLE CABLEVISION'S RATE INCREASE APPLICATION

OCTOBER 27, 1983

RECOMMENDATIONS

1. Asheville Cablevision should be allowed to increase its rates up to the following maximum limits:(1)

Residential	From	To
Basic Subscriber Service	$8.90/month	$9.65/month
Installation of One Outlet -- Basic Service	16.50	20.00
Installation of One Outlet -- Basic Service, Cable Already in Residence	11.00	16.00
Additional Outlets	1.65/month each	2.00/month each
Installation of Additional Outlets	11.00/each	16.00/each
Relocation of Service	11.00/each	16.00/each
Reconnection Charge	11.00	16.00
Commercial		
Basic Subscriber Service	$8.90/month	$9.65/month
Additional Outlets	2.20/month each	3.00/month each

2. The rate increases should be effective January 1, 1984.(1)

3. No further rate increase should be granted for at least 18 months from the effective date of this recommended increase.(1)

4. Asheville Cablevision should be required to provide annual, audited financial statements to the Asheville City Council and the Buncombe County Board of Commissioners. A schedule of capital expenditures made each year should also be submitted. These reports should be presented to the governing bodies by March 31 of each year.

5. An independent company should be hired to do a study of Asheville Cablevision before any further rate increases are granted. The study should include, but not be limited to, a survey of Asheville Cablevision's

(1) The Committee voted in favor of these recommendations five to four. Voting for the recommendations were: David Cunningham, John Creighton, Roger Croy, Alan Meierhoefer, and Marvin Widdey. Voting against the recommendations were: Dennie Martin, Mary Ann McMahan, Glenn Snipes, and Peter Winslow.

7. Financial data presented was limited and unaudited. Asheville Cablevision has been in operation for less than a year. Consequently, justification for the rate increases resides primarily in the experience of Thoms Cablevision, and the need exists for on-going monitoring of Asheville Cablevision's financial status.

8. Adequate information does not exist concerning satisfaction of Asheville Cablevision subscribers with the service they receive. While complaint logs or files are kept by Asheville Cablevision, the City, and the County, no systematic effort has been made to assess what subscribers would like to receive from their cable television system.

9. Asheville Cablevision has committed to increase its profitability through promotion of its system to increase penetration (defined as the number of subscribers per cable mile) and expansion of the system.

10. There are no clear guidelines by which applications for rate increases can be judged. Among the guidelines used by the Committee were: comparisons of Asheville Cablevision's rates to rates charged by other cable television systems, comparisons of Asheville Cablevision's service to service provided by other cable television systems, assurance that Asheville Cablevision will make no more than a reasonable rate of return on its investment, assurance that a rate increase is necessary for Asheville Cablevision to maintain and improve service, and assurance that a rate increase is justified by system-wide needs. These guidelines, however, do not yield an exact rate increase figure. More specific criteria need to be developed for assessment of cable television system applications for rate increases.

Minority Findings

11. A minority finding of the Committee is that Asheville Cablevision offers fewer unduplicated basic service channels at greater cost than do other local systems, Sammons Communication and Crystal Clear Cable Television. Asheville Cablevision has FM radio service; Sammons and Crystal Clear do not. Sammons Communication, Inc. (which covers Black Mountain and Swannanoa) offers 16 unduplicated basic service channels for a monthly cost of $8.85 per month. Sammons has 125 miles of cable serving 4,078 customers (an average of 32.6 customers per cable mile). Asheville Cablevision offers 11 unduplicated basic service channels at its current rate of $8.90, Asheville Cablevision has 250 miles of cable serving 12,002 customers in the City of Asheville (an average of 48 customers per cable mile), and it has 100 miles of cable in the county serving 4,103 customers (an average of 41 customers per cable mile). Asheville Cablevision charges more than Sammons even though it has more customers total and more customers per cable mile than does Sammons. Crystal Clear Cable Television has 410 miles of cable serving 7,734 customers (an average of 18.86 customers per cable mile). It offers 12 unduplicated basic service channels at its current rate of $8.75. Crystal Clear is requesting a rate increase, though, which would put its basic service at $9.75 per month.

12. A minority finding of the Committee is that the rate increase granted to Asheville Cablevision is too high because the company is new and should prove itself before it receives a significant rate increase. Specifi-

subscribers to assess customer satisfaction with Asheville Cablevision's service and a survey of Asheville Cablevision's rates compared to other, similar systems.

6. The Asheville City Council and the Buncombe County Board of Commissioners should establish ground rules for their cable television committees by which the committees would judge rate increase applications.

FINDINGS

1. Thoms Broadcasting Companies, Inc., was granted its franchise by ordinance of City Council on August 3, 1967, pursuant to a referendum held July 28, 1967. The franchise is for a period of 35 years; it expires August 3, 2002. Buncombe County granted Thoms Broadcasting Companies a franchise for certain portions of the County on January 30, 1979. Thoms Broadcasting operated its cable television system under the name "Thoms Cablevision." The City's franchise was amended three times by ordinance of the City Council -- each time to increase rates charged by Thoms Cablevision. The rate increases were granted in January of 1976, September of 1977, and December of 1979. The County's franchise was amended once to increase cable television rates in March, 1980. On March 10, 1983, the City Council passed an ordinance permitting the Thoms company to transfer its franchise to American Cable TV Investors (which operates its cable television system locally under the name "Asheville Cablevision"). The Board of Commissioners took similar action on March 15, 1983. It is Asheville Cablevision which has applied for the rate increase under consideration.

2. Asheville Cablevision has had only one rate increase in the last five years. It was granted on December 20, 1979, and was effective January 4, 1980. Similar action to increase rates was taken by the County Board of Commissioners in March, 1980.

3. Significant increases in the Consumer Price Index have caused Thoms Cablevision's and its successor's, Asheville Cablevision, expenditures to rise faster than its revenues over the past three and one-half years. Had Thoms Cablevision and Asheville Cablevision been granted rate increases as the Consumer Price Index increased since January, 1980, Asheville Cablevision's basic subscriber rate would now be about $11.40 per month.

4. Asheville Cablevision maintains that its financial situation is such that the system may not be able to maintain current service levels if a rate increase is not granted. Specifically, cash flow is such that capital purchases needed to maintain and expand the system may be jeopardized. See attached schedule (Attachment A) of projected capital expenditures.

5. The recommended rate increases would add approximately $180,000 to Asheville Cablevision's revenue in their first year of application.

6. Asheville Cablevision's basic subscriber service is comparable to, if not better than, that provided by other, similar systems. No specific plans were presented by Asheville Cablevision for improving programming offered on basic service.

Mr. John Jerose
Manager
Asheville Cablevision
172 Charlotte St.
Asheville, NC 28801

Dear John:

In response to the request from the City-County Cable Television Committee for Capital Expenditures to be spent in the Asheville system for additions to plant and equipment, we have projected the following:

1983	$886,783	Per Budget
1984	$587,400	Projected
1985	$655,600	Projected
1986	$610,240	Projected
1987	$672,500	Projected
1988	$704,600	Projected
1989	$786,700	Projected
1990	$975,400	Projected

As you know, the original projection for 1982 was $737,940, but due to additional necessary expenditures we increased the 1983 amount in order to accelerate the time schedule originally proposed.

Sincerely,

Wendell Owen
Vice President, Operations

cally, its claims of having better management, improved service for consumers, and a better long-term financial prognosis should be demonstrated before rates are raised.

13. A minority finding of the Committee is that financial losses claimed by Asheville Cablevision are not as severe as they appear. Two of the biggest loss items, in terms of effect on net income, are depreciation and amortization. Depreciation expenditures are expected to total $1,013,272 in 1983. Amortization expenditures are expected to total $375,183 in 1983. If depreciation and amortization were not included, net income would be positive in the amount of $527,772 for 1983. The assets of Asheville Cablevision will be depreciated over periods varying to 15 years, and depreciation expenditures will be higher in the early years and lower in the later years.

14. A minority question of the Committee is: are Buncombe County and City of Asheville subscribers being asked to unreasonably bear the costs of Thoms Cablevision's sale to American Cable TV Investors? Thoms Cablevision's interest expense in 1982 was $529,583. Asheville Cablevision's interest expense for 1983 is expected to be $749,311 — a $219,723 increase.

RESPECTFULLY SUBMITTED BY:

Peter Winslow, Chairman

David Cunningham, Vice-Chairman

CTV/1

2. The rate increases should be effective January 1, 1984.

3. Crystal Clear Cable Television should be required to provide annual, audited financial statements to the Buncombe County Board of Commissioners. A schedule of capital expenditures made each year should also be submitted. These reports should be presented to the governing body by March 31 of each year.

4. An independent consultant should be engaged to assist in the evaluation of any future rate increase requests.

5. The Buncombe County Board of Commissioners should establish ground rules for their cable television committee by which the committee would judge rate increase applications.

FINDINGS

1. Crystal Clear Cable Television has had no rate increases since it was granted its franchise on September 1, 1981.

2. Crystal Clear Cable Television has recently completed building its system. Therefore, it has limited opportunities for increasing its revenue through an increase in subscribers. In addition, it has saturated its market for extra services (services beyond basic service). Consequently, a rate increase is required in order for Crystal Clear Television to increase its revenues.

3. Crystal Clear Cable Television has experienced significant increases in major categories of expenditures, particularly materials and supplies, utilities, and vehicle maintenance and operation.

4. Crystal Clear Cable Television has a penetration rate (defined as the percent of homes passed by cable television which subscribe to cable television) of 55%. It has 410 miles of cable serving 7,734 customers (an average of 18.86 customers per cable mile). It offers 12 unduplicated basic service channels at its current rate of $8.75. By comparison, Asheville Cablevision has 250 miles of cable serving 12,002 customers in the City of Asheville (an average of 48 customers per cable mile), and it has 100 miles of cable in the county serving 4,103 customers (an average of 41 customers per cable mile). Asheville Cablevision offers 11 unduplicated channels of basic service. However, Asheville Cablevision provides FM radio service. While Asheville Cablevision's system passes 29,225 residences, Crystal Clear's system only passes about 14,000 residences. Based on this comparison, it is demonstrated Crystal Clear Cable Television has more miles of cable, but has the opportunity to serve fewer customers in its franchise area than does Asheville Cablevision.

5. It will be at least several years before Crystal Clear Cable Television begins to show profitability.

6. Crystal Clear Cable Television maintains that its financial situation is such that the system may not be able to maintain current service levels if a rate increase is not granted.

RECOMMENDATIONS OF THE ASHEVILLE/BUNCOMBE COUNTY
CABLE TELEVISION COMMITTEE

REGARDING CRYSTAL CLEAR CABLE TELEVISION'S RATE INCREASE APPLICATION

OCTOBER 27, 1983

RECOMMENDATIONS

1. Crystal Clear Cable Television should be allowed to increase its rates up to the following maximum limits:(1)

Type of Service	From	To
Basic Subscriber Service - First TV Set,	$ 8.75/month	$ 9.75/month
Installation of One Outlet - Basic Service	15.00	20.00
Installation or Relocation of an Additional Outlet - Basic Service, Cable Already Installed	10.00/each	15.00/each
Basic Subscriber Service - Each Additional Set	1.75/month	2.00/month
Reconnection Charge - Cable Exists for Same Subscriber at Same Address	10.00	12.50
Installation of Any Additional Service	15.00/set	15.00/set
Expanded Service with "Block" Converter	3.00/month per set	4.00/month per set ($1.50 extra will be charged subscribers with "remote" converters)
Bulk Rate for Basic Service in Apartment Buildings with More Than 4 Units	6.50/unit per month	7.50/unit per month
Home Box Office	8.50/per month per set	9.50/per month per set

Other Premium Pay TV Service to increase by $1.00 per month per set.

(1) The Asheville/Buncombe County Cable Television Rate Sub-Committee voted in favor of these recommendations three to two. Sub-Committee members voting for the recommendations were: David Cunningham, Roger Gregg, and John Creighton. Sub-Committee members voting against the recommendations were: Marvin Waddey and Alan Meierhoefer. The full Asheville/Buncombe County Cable Television Committee voted to accept the recommendations of the Sub-Committee five to one. Voting in favor of accepting the Sub-Committee's recommendations were: David Cunningham, John Creighton, Marvin Waddey, Alan Meierhoefer, and Roger Gregg. Voting against accepting the Sub-Committee's recommendations was Peter Winslow.

7. Crystal Clear Cable Television's basic subscriber service is comparable, if not better than, that provided by other, similar systems. No specific plans were presented by Crystal Clear Cable Television for improving programming offered on basic service.

8. Adequate information does not exist concerning satisfaction of Crystal Clear Cable Television subscribers with the service they receive. While complaint logs or files are kept by Crystal Clear and the county, no systematic effort has been made to assess what subscribers would like to receive from their cable television system.

9. Crystal Clear Cable Television has committed to increase its profitability through promotion of its system to increase penetration (defined as the number of subscribers per cable mile) and expansion of the system.

10. There are no clear guidelines by which applications for rate increases can be judged. Among the guidelines used by the Committee were: comparisons of Crystal Clear Cable Television's rates to rates charged by other cable television systems, comparisons of Crystal Clear Cable Television's service to service provided by other cable television systems, assurance that Crystal Clear Cable Television will make no more than a reasonable rate of return on its investment, assurance that a rate increase is necessary for Crystal Clear Cable Television to maintain and improve service, and assurance that a rate increase is justified by system-wide needs. These guidelines, however, do not yield an exact rate increase figure. More specific criteria need to be developed for assessment of cable television system applications for rate increases.

Minority Findings

11. A minority finding of the Committee is that Crystal Clear Cable Television should be granted no further rate increases for at least 18 months from the effective date of this recommended increase.

12. A minority finding of the Committee is that Crystal Clear Cable Television should not be granted any rate increases in excess of those permitted for Asheville Cablevision.

tie into a storm drainage for the erosion control plan involving a rock wall sufficient to carry the drainage. This motion was seconded by Councilwoman Bratton and carried unanimously.

PUBLIC HEARING - SITE PLAN OF HAW CREEK VILLAS - HAW CREEK CIRCLE

A public hearing was held relative to the site plan of the proposed Haw Creek Villas (townhouses) to be located on Haw Creek Circle.

Mayor Trantham opened the public hearing at 5:57 p.m.

The City Manager presented the notice to the public, setting the time and date for the public hearing and the Affidavit of Publication.

Mr. Verl Emrick, Director of Planning, said the Asheville Planning and Zoning Commission at a meeting held October 5, 1983, reviewed the site plan of the proposed Haw Creek Villas (townhouses) to be located on Haw Creek Circle. The plan was prepared by Jan Wiegman, Architect for the Orchard of Black Mountain, Developer. After review and discussion of the plan, the Commission voted to recommend approval to City Council subject to compliance with the City's Erosion Control Ordinance.

Mr. Emrick said adjoining property owners were concerned about traditional low water pressure. He said the Water and Sewer Department had checked into the water pressure in the area and indicated that water is available.

He said the developers had indicated a willingness to install a pump for the first 12 units of the project and to install a 20,000 gallon reservoir before the second phase of the project is completed. He said the project meets all requirements of the Zoning Ordinance.

Mr. Jan Wiegman, developer of the project, spoke in support of approval and recommended that Council approve the project subject to whatever provisions are needed for the low water pressure problem.

Mayor Trantham closed the public hearing at 5:10 p.m.

After discussion, Councilwoman Frank moved for the approval of the site plan of the proposed Haw Creek Villas (townhouses) to be located on Haw Creek Circle, contingent upon a written letter from Mr. Wiegman relative to the installation of the water pumps and the reservoir. This motion was seconded by Councilman McDevitt and carried unanimously.

PUBLIC HEARING - REZONING PROPERTY LOCATED AT 18 JOHNSTON BLVD.

4. A public hearing was held relative to rezoning property located at 18 Johnston Blvd. from R-3, Residential District, to CH, Commercial Highway District.

Mayor Trantham opened the public hearing at 5:11 p.m.

The City Manager presented the notice to the public, setting the time and date for the public hearing and the Affidavit of Publication.

Mr. Verl Emrick, Director of Planning, said the Asheville Planning and Zoning Commission at a meeting held September 7, 1983, considered the request of Dr. Stephen McHatton that Ward 6, Sheet 15, Lot 8, (18 Johnson Blvd.) be rezoned from

Mr. Mac Day of the Sunset-Grove Park Citizens Association expressed appreciation on behalf of the Association for Council's adoption of this ordinance.

Councilman Pless moved for the adoption of Ordinance No. 1404. This motion was seconded by Councilwoman Bratton.

On a roll call vote of 7-0, Ordinance No. 1404 passed on first reading.

Mayor Trantham excused Councilman Myers from the meeting.

PUBLIC HEARING - SITE PLAN OF CHATEAU CONDOMINIUMS - ALBEMARLE ROAD

2. A public hearing was held relative to the site plan of the proposed Chateau Condominiums to be located on Albemarle Road.

Mayor Trantham opened the public hearing at 4:33 p.m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the Affidavit of Publication.

Verl Emrick, Director of Planning, said the Asheville Planning and Zoning Commission at a called meeting on October 19, 1983 reviewed the site plan of the proposed Chateau Condominiums to be located on Albemarle Road. The site plan was submitted by Mr. Mike Byerly, agent for Delyn Shephard, developer, in accordance with the Group Development Section of the Asheville Zoning Ordinance. After review and discussion of the plan, the Commission voted to recommend approval to City Council, subject to the following conditions: (1) final approval of the erosion control, to include an adequately secured easement for entry and maintenance of storm drainage to adjacent privately held lines; and (2) dedication of a 10-foot strip of property adjoining Albemarle Road to be recorded in the Register of Deeds Office of Buncombe County.

Mr. Emrick said there were problems involving the easement with the adjoining property owners. He said the dedication of the 10-foot strip has been satisfied and the easement would be recorded in the Register of Deeds Office.

Mr. Emrick said a letter had been received from Mrs. Howard West, an adjacent property owner, stating that an easement could not be given for the storm drainage system for several reasons.

Mr. Mike Byerly said an alternate erosion control plan has been developed in case the easement cannot be secured. He indicated that a 60-foot by 4-foot deep "dry well" could be installed.

Mr. Emrick suggested that the public hearing be continued until November 15, 1983, giving City staff an opportunity to contact the adjoining property owners relative to the storm drainage easement.

Mayor Trantham closed the public hearing at 5:56 p.m.

After discussion, Councilman McDevitt moved to approve the site plan of the Chateau Condominiums subject to the conditions outlined by the Planning and Zoning Commission. He further moved that condition number 1 provide for an alternative to

R-3, Residential District, to CH, Commercial Highway District. After discussing the issues of this request, the Commission voted to recommend denial of this petition to City Council. He said the petitioner has appealed the decision of the Asheville Planning and Zoning Commission and has requested the Council hold a public hearing on the rezoning request.

Mr. Emrick said Dr. McHatton proposes to construct a dental office on the property.

Mr. Emrick said the Asheville Planning and Zoning Commission has dealt with the rezoning of this property on two other occasions.

Mr. Marvin Pope, Attorney for the petitioner, spoke in support of the rezoning. He said Dr. McHatton has a Contract for Purchase of the property contingent upon rezoning that would allow his professional office building to be constructed. He said Dr. McHatton had sent a letter to all the property owners in the area indicating what type of business would be put on the property. He said the responses from the letter indicated that the majority of the property owners in the area now approved of the dental office being constructed.

After discussion Councilman McDevitt moved to continue the public hearing until November 29, 1983, without further advertisement, referring the matter to the City staff indicating Council's interest in pursuing the rezoning in a legal and reasonable manner. This motion was seconded by Vice-Mayor Price and carried unanimously.

ORDINANCE NO. 1405 - AN ORDINANCE REPEALING CHAPTER 7 ("BILLIARD HALLS") OF THE CODE OF ORDINANCES OF THE CITY OF ASHEVILLE

6. Consideration was given to an Ordinance repealing Chapter 7, Billiard Halls, from the Code of Ordinances of the City of Asheville.

The City Manager said members of Council were previously furnished copies of the Ordinance and it would not be read in its entirety. He said this Chapter of the Code is out of date since Billiard Halls are regulated by the City of Asheville Revenue Ordinance.

Vice-Mayor Price moved for the adoption of Ordinance 1405. This motion was seconded by Councilman McDevitt.

On a roll call vote of 6-0 Ordinance 1405 passed on first reading.

CERTIFICATION OF PETITION TO ANNEX NON-CONTIGUOUS AREA - US 19-23 WEST

PUBLIC HEARING - REZONING PROPERTY LOCATED AT 341 EMMA ROAD

ORDINANCE NO. 1407 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE" AS AMENDED

2. A public hearing was held relative to rezoning property located at 341 Emma Road.

Mayor Trantham opened the public hearing at 4:05 p.m.

The City Manager presented the notice to the public, setting the time and date for the public hearing and the Affidavit of Publication.

Verl Emrick, Director of Planning, said the Asheville Planning and Zoning Commission, at a meeting held October 5, 1983, considered the petition of Mr. Allen H. Moss that Ward 6, Sheet 37, Lot 7, be rezoned from LI, Light Industrial District, to R,-5, Residential District. After review and discussion, the Commission voted to recommend to City Council that the property be rezoned.

Mr. Emrick said the petitioner proposes to construct a 12-unit apartment complex, which requires that the property be rezoned to R5, Residential District. He said this project would be required to go through the Group Development review process.

Mayor Trantham closed the public hearing at 4:09 p.m.

The City Manager said members of Council were previously furnished copies of the Ordinance and it would not be read in its entirety.

Councilwoman Frank moved for the adoption of Ordinance No. 1407. This motion was seconded by Councilman Myers.

ORDINANCE NO. 1405 - AN ORDINANCE REPEALING CHAPTER 7 ("BILLIARD HALLS") OF THE CODE OF ORDINANCES OF THE CITY OF ASHEVILLE

4. Consideration was given to the second reading of Ordinance No. 1405, an ordinance repealing Chapter 7 ("Billiard Halls") of the Code of Ordinances of the City of Asheville.

Mayor Trantham said this Ordinance was previously read on first reading and would not be reread in its entirety unless there was a specific request to do so.

On a roll call vote of 5-0, Ordinance No. 1405 passed on second reading.

Councilwoman Bratton moved to suspend the rules and proceed to the third reading of Ordinance No. 1405. This motion was seconded by Councilwoman Frank and carried unanimously.

On a roll call vote of 5-0, Ordinance No. 1405 passed on third and final reading.

Complete text of Ordinance No. 1405 will be found in Ordinance Book No. 10 at page 80.

ORDINANCE NO. 1408 - BUDGET ORDINANCE AMENDMENT TO PROVIDE COMMUNITY DEVELOPMENT CONTRIBUTIONS TO DOWNTOWN PROJECT

5. Consideration was given to a budget ordinance amendment to provide Community Development contributions to the Downtown Project.

The City Manager said the members of Council were furnished copies of the Ordinance and it would not be read in its entirety unless there was a request to do so.

This budget amendment is to reprogram Community Development funds in the amount of $171,000 to the Downtown Project. The total appropriation for consulting services for the Downtown Project is budgeted in the General Capital Projects Fund.

Ralph Bishop spoke in opposition to the Ordinance and any downtown project.

Councilwoman Frank moved for the adoption of Ordinance No. 1408. This motion was seconded by Councilman Myers.

On a roll call vote of 5-0, Ordinance No. 1408 passed on first and final reading.

7. Consideration was given to approval of the sale of Disposal Parcel 96-A in the East Riverside Renewal Project.

On a roll call vote of 5-0, Ordinance No. 1407 passed on first reading.

Councilwoman Bratton moved to suspend the rules and proceed to the second reading of Ordinance No. 1407. This motion was seconed by Councilwoman Frank and carried unanimously.

On a roll call vote of 5-0, Ordinance No. 1407 passed on second reading.

ORDINANCE NO. 1404 - AN ORDINANCE AMENDING SECTION 28-81.3 AND SECTION 28-81.4 OF ARTICLE 4, SPEED REGULATIONS, OF CHAPTER 28 OF THE CODE OF ORDINANCE OF THE CITY OF ASHEVILLE

3. Consideration was given to the second reading of Ordinance No. 1404, and ordinance amending Section 28.81.3 and Section 28-81.4 of Article 4, Speed Regulations, of Chapter 28 of the Code of Ordinance of the City of Asheville.

Mayor Trantham said this Ordinance was previously read on first reading and would not be reread in its entirety, unless there was a specific request to do so.

Councilman McDevitt said he had received a letter from Frank Young objecting to the lowering of the speed limits on Edwin Place, Evelyn Place, and Kimberly Avenue. He also requested time to prepare and circulate a "Anti-Speed Reduction Petition." He said he had also received telephone calls opposing the reduction of the speed limit in this area.

Councilman McDevitt moved to continue the second reading of Ordinance No. 1404 until November 29, 1983, giving the "opposition" time to express their opinions to City Council. This motion was seconded by Councilwoman Frank.

The following individuals spoke in support of the Ordinance reducing the speed limit to 25 MPH and requested that Council proceed with the second and third readings of the Ordinance at today's meeting: Jeff Rackham, 148 Edwin Place; Gene Easterling, 200 Kimberly Avenue; Royal Scoville, 201 Kimberly Avenue; Jean Russell, 120 Kimberly Avenue; and Alice Slikker, 69 Evelyn Place.

Councilman McDevitt said he appreciated the spirit and concern of the residents in the area but he felt the opposition should be given an opportunity to voice their opinion.

Councilwoman Bratton said she had not received any opposition calls to lower the speed limit and she would be in favor of passing the Ordinance on a second and third reading today.

Councilwoman Frank agreed with Councilman McDevitt stating that the opposition should be given an opportunity to be heard. She said enforcement of the speed limits is essential.

Mayor Trantham said he would be opposed to postponing the second and third readings of the Ordinance and recommended that Council proceed with the readings.

Councilman McDevitt's motion to postpone the second reading until November 29, 1983 carried on a voice vote of 3-1.

RESOLUTION NO. 83-201 - RESOLUTION AUTHORIZING THE MAYOR OF THE CITY OF ASHEVILLE TO CONVEY TO BUNCOMBE COUNTY PERSONAL PROPERTY RELATED TO THE OPERATION OF THE PACK MEMORIAL LIBRARY SYSTEM

Consideration was given to a resolution authorizing the Mayor of the City of Asheville to convey to Buncombe County personal property related to the operation of the Pack Memorial Library System.

The City Manager said members of Council were previously furnished copies of the Resolution and it would not be read in its entirety. He said this would authorize the transfer of ownership of all City-owned property which on July 1, 1980 was related to the operation of the Pack Memorial Library System to Buncombe County.

Upon motion of Councilwoman Frank, seconded by Councilman McDevitt, Resolution No. 83-201 was unanimously adopted.

Complete text of Resolution No. 83-201 will be found in Resolution Book No. 14 at page 200.

RESOLUTION NO. 83-202 - RESOLUTION AUTHORIZING CONDEMNATION OF PROPERTY IN THE TOWN BRANCH STORM DRAINAGE PROJECT

Consideration was given to a resolution authorizing condemnation of property in the Town Branch Storm Drainage Project.

The City Manager read the Resolution stating that the City of Asheville has executed a contract with the Housing Authority which requires the Housing Authority to provide acquisition and relocation services to the City. The Housing Authority has caused properties in the Town Branch Storm Drainage Project to be appraised by a competent real estate appraiser and the Housing Authority has established maximum acquisition values for these properties in accordance with the appraisals received. The Housing Authority has been unable to reach agreement to purchase at the approved values of the subject parcels. This Resolution will authorize condemnation in order that the City might carry out its approved plan of development. The following parcels are to be condemned:

Block/Parcel	Owner	Address
13/11	Clarke	Valley Street
13/21	Dailey	Valley Street
13/22	Schochet/Levy	Valley Street
13/23	Fancher Heirs	Valley Street
13/27	Sullivan	Valley Street
13/28	Schochet Heirs	Valley Street
13/29	Sullivan	Valley Street
13/30	Wilson Heirs	Valley Street
13/31	Fuller	Valley Street

Upon motion of Councilwoman Frank, seconded by Councilwoman Bratton, Resolution No. 83-202 was unanimously adopted.

Complete text of Resolution No. 83-202 will be found in Resolution Book No. 14 at page 201.

The City Manager said the Housing Authority of the City of Asheville has tentatively accepted the bid for a disposal parcel in the East Riverside Renewal Project.

Parcel	Revise	Price	Bid	Redeveloper
96-A	Institutional	36,500	40,000	Board of Education

NOTE: By July 1, 1984, the Asheville City Board of Education will have long-range plans for the property. At present they plan expanding parking for South French Broad School and a multi-purpose field for use by the Asheville City Schools. They anticipate that the field will also be used by the Buncombe County soccer teams, Asheville Parks and Recreation softball teams, and the Asheville Chiefs.

Councilman Myers moved to approve the sale of Disposal Parcel 96-A in the East Riverside Renewal Project as recommended by the Housing Authority. This motion was seconded by Councilman McDevitt and carried unanimously.

RESOLUTION NO. 83-200 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE AN AGREEMENT BETWEEN THE CITY OF ASHEVILLE AND THE ENKA-CANDLER WATER AND SEWER DISTRICT

8. Consideration was given to a Resolution authorizing the Mayor to execute an agreement between the City of Asheville and the Enka-Candler Water and Sewer District.

The City Manager said members of Council were previously furnished copies of the Resolution and it would not be read in its entirety unless there was a specific request to do so.

The Enka-Candler Water and Sewer District proposes to construct certain sewer lines within their district boundaries. The City of Asheville has annexed a portion of the district where the sewer line work is to take place, said annexation is subject to a petition for discretionary review by the North Carolina Supreme Court. The City desires that the district proceed with the construction of certain sewer lines within the district boundaries and desires to reimburse the district subject to terms and conditions outlined in the agreement.

Upon motion of Councilman McDevitt, seconded by Councilwoman Frank, Resolution No. 83-200 was unanimously adopted.

Complete text of Resolution No. 83-200 will be found in Resolution Book No. 14 at page 199.

COMMENTS BY FORMER MAYOR EUGENE OCHSENREITER - REGARDING MAYOR TRANTHAM

Eugene Ochsenreiter, former Mayor of the City of Asheville, along with former Mayors Richard Wood and Wayne Montgomery, expressed their appreciation to Mayor Trantham for a "job well done." Mr. Ochsenreiter said as former Mayors, they just wanted to say "thanks" for doing the job of Mayor of the City of Asheville better than any other Mayor of the city.

Mayor Trantham thanked Mr. Ochsenreiter, Mr. Wood, and Dr. Montgomery for their expressions of appreciation.

ORDINANCE NO. 1404 - AN ORDINANCE AMENDING SECTION 28-81.3 AND SECTION 28-81.4 OF ARTICLE 4, SPEED REGULATIONS, OF CHAPTER 28 OF THE CODE OF ORDINANCES OF THE CITY OF ASHEVILLE

2. Consideration was given to the second reading of Ordinance No. 1404, an ordinance amending Section 28-81.3 and Section 28-81.4 of Article 4, Speed Regulations, Chapter 28 of the Code of Ordinances of the City of Asheville.

PRESENTATION OF PLAQUE TO COUNCILMAN JOE PLESS

Mr. Johnny Hayes of the Hillcrest Enrichment Program appeared before Council to present Councilman Joe Pless a plaque in recognition and appreciation for his commitment and service to the people of the City of Asheville while serving as a councilman. In the absence of Councilman Pless, Mr. Hayes requested that the plaque be given to Council Pless and to tell him that the Hillcrest Enrichment Program came out in numbers to tell him of their appreciation.

RALPH BISHOP - COMMENTS RELATIVE TO THE MAYOR

Ralph Bishop again made comments relative to the Mayor.

ADJOURNMENT

Upon motion of Councilwoman Frank, seconded by Councilman Myers, the meeting adjourned at 5:00 p.m.

City Clerk

My friends and I -- and we also have petitioned both the Kimberly Avenue neighborhood as well as North Asheville -- strongly oppose the reduction in speed for these four reasons:

1) In our opinion, the reduction in speed is not justified. These streets are relatively straight and wide compared to other streets in the area. Kimberly Avenue is 33 feet wide, Edwin Place is 40 feet wide at the most narrow portion, and Evelyn is about 31 feet wide. On the other hand, Murdock, Chestnut and Hillside are only 24 feet wide. Has the Council comtemplated the dichotomy of having a 25 MPH speed along a 40 foot street while at the same time having a 30 MPH speed along the more narrow 24 foot streets. To overcome this inconsistency, will the Council subsequently lower the speed limit on these side streets a proportionate amount? Which means, of course, that these few owners in the Kimberly group are setting the speed on streets all over North Asheville.

Also, some of Kimberly has houses only on one side while the 24 foot streets mentioned of course have houses on both sides, Further, the houses on the 24 foot streets are more closely spaced than those on Kimberly -- I.E., more per city block.

The speed of 25 MPH is the posted speed at neighboring St. Eugene and Claxton schools when school is in session. And even then, the reduced speed applies only for one or two blocks --not two miles.

2) The reduced speed, in our opinion, is not necessary. If the 35 MPH posted limit were honored -- or controlled -- we believe there would be no problem. According to comments and letters of the Kimberly Avenue group, traffic is not abiding by the posted limit and in the words of the Asheville Times editorial of October 18, flies past at 50 MPH. If the City cannot enforce the 35 MPH limit, then what good is there in reducing it to 25? That will just make law breakers of more drivers. On the other hand, if the City can enforce 25, then it can also enforce 35 and an enforced 35 MPH traffic flow should cause no problem in this area.

3) Our group thinks that a speed limit of 25 MPH in this area under discussion is unreasonable and unfair. Some of the ladies of the Kimberly Avenue group have telephoned me and have written backtalk complaining that they bought their homes on Kimberly because they want to live in a quiet residential area. They also boast of paying the highest taxes in the City. My response to these remarks is that most people investigate such problems as city noises and city traffic flow when they purchase their house. They don't normally move in and three years later expect to revamp a whole section of town.

The traffic light at the intersection of Kimberly, Edwin and Evelyn is only 1-1/2 miles from Vance Monument by City street. It is only 6,000 feet measured as the crow flies on a city map. In this jet age, can we expect to have suburban living only one mile from the heart of the City?

As for taxes, I believe mine in Ward 9 will rank up there with the rest -- certainly the rates are no higher on Kimberly. And the City also benefits from taxes originating outside the Kimberly Avenue group.

To further support the point of unreasonableness -- I again mention the Asheville Times editorial of October 18, 1983, in supporting the Kimberly Avenue group, the editorial in one column states that "several thousand" cars a day use Kimberly Avenue. (As a matter of fact, the editoral calls this thoroughfare exactly what it is -- a thoroughfare.) Yet in suggesting rerouting of this thoroughfare traffic onto over-crowded Merrimon -- which might be logical to a newspaperman, but

Mayor Trantham said this ordinance was previously read on first reading and would not be re-read in its entirety unless there was a specific request to do so. He said the second reading of the ordinance was continued from the November 15, 1983 meeting.

Mr. Frank Young representing a group in opposition to reducing the speed limit on Kimberly, Edwin, and Evelyn Place to 25 mph, read the following statement and presented a petition in opposition to the reduction of the speed limit.

November 29, 1983

" STATEMENT AGAINST SPEED REDUCTION

---Mr. Mayor, Madam Vice Mayor, Council, Friends---

My name is Frank Young. I'm the person who wrote the letter of November 11, 1983, requesting that the speed limit on Kimberly Avenue, Edwin Place and Evelyn Place not be lowered to 25 MPH.

Contrary to what some of my neighbors in the Kimberly Avenue group might think, I do live within the city limits of Asheville and have done so for the past 27 years. I also have paid City taxes and have voted in each of the City elections held during those 27 years. I feel I have as much right to speak on the subject of City streets as any of my friends on the other side of the proposal under consideration.

I apologize to the Council and to the Kimberly Avenue group for my belated appearance. I really knew nothing of this proposal to reduce speed until after the Council met on November 10 and approved the first reading, and I appreciate this opportunity to speak at such an apparent late date.

I should mention early on that our group seems to be confronted with at least two physiological disadvantages. First, we are accused or representing the speeding element in the City and therefore are the bad guys. That simply is not the case here. The speed limit has been 35 MPH on these streets since 1956 when I first moved to Asheville. We don't want the speed increased -- we merely want it left as it has been all these years. We don't want it to reduced to a crawl.

Secondly, I've been told by a number of those in the Kimberly Avenue group that we are wasting our time because the Council has already promised to reduce the speed limit to 25. I hope that isn't the case. If it is, then why are we here today and what is the need for the procedure of three readings? I ask only that you have an open mind as we present our position.

I have studied the overall plan of the Kimberly Avenue group as presented in a November 3 letter to Mayor Trantham, while I admire the broad based ambitions for Kimberly Avenue set forth in that letter, I can't tell you how pleased I am that today we aren't addressing such things as new exits off Interstate Connector 240, deletion of streets from official City maps, authentic and historically accurate lamps, lamp posts, and street signs, or the closing off and planting of flowers in Kimberly Avenue. The only issue that I am aware of at this time is whether or not to reduce the speed on these streets to 25 MPH.

PETITION

I, the undersigned resident of Metropolitan Asheville, am aware of a proposal presently pending before the Asheville City Council to reduce the speed limit on Kimberly Avenue, Edwin Place and Evelyn Place from 35 mph to 25 mph, and I am signing this petition to indicate my opposition to such proposal. I feel the reduction in speed limit is not justified in these circumstances and that the desired effect can be obtained by stricter enforcement of the now existing 35 mph limit.

Mr. Young said the petition contains 735 signatures in opposition to reducing the speed limit to 25 mph.

Mr. James Gilmartin also spoke in opposition to reducing the speed limit to 25 mph. He presented traffic and accident counts on various streets within the City of Asheville, stating that the reduction of a speed limit will not solve any of the problems addressed by the petitioners. He requested that Council leave the speed limit at 35 mph and that strict enforcement be instituted.

Mr. Easterling of 200 Kimberly Avenue spoke in favor of reducing the speed limit to 25 mph. He took exceptions to several comments made by Mr. Young.

Jean Russell of 120 Kimberly Avenue also spoke in favor of reducing the speed limit to 25 mph.

Mr. Roy Scoville of 201 Kimberly Avenue also spoke in favor of reducing the speed limit to 25 mph. He presented figures showing the time and distance it takes to travel Kimberly Avenue vs. Merrimon Avenue. He said it would take approximately one minute longer to drive Kimberly at 25 mph than 35 mph.

Mrs. Frances Scoville of 201 Kimberly Avenue also spoke in favor of reducing the speed limit to 25 mph.

Barbara Malloy of 107 Evelyn Place presented additional petitions requesting that the speed limit be reduced to 25 mph.

Mr. Dick Davis of Edwin Place said he appeared before Council three or four years ago requesting that the height of the curb and gutter at Edwin, Evelyn and Kimberly Avenue be increased. He said this request was made after two youngsters had been killed on Kimberly Avenue due to speed and drunk driving.

Councilman McDevitt advised Mr. Davis that the City Manager and the Traffic Engineer would look into his request.

Mr. John Orr of 925 Country Club Road spoke in opposition to reducing the speed limit stating that the reduced speed would cause more accidents on Kimberly Avenue.

Councilman Pless said that Council had made a commitment at the beginning of November to the residents on Kimberly Avenue that the speed limit would be reduced to 25 mph. He said he felt Council should keep that commitment.

Councilwoman Bratton said she would be in favor of lowering the speed limit to 25 mph and would like everyone to maintain the neighborhood concept.

Vice-Mayor Price said she intended to support the reduction of the speed limit and requested that all residents in the area support the 25 mph speed limit.

not to me -- the editorial mentioned that only some people will be inconvenienced. If the traffic flow on Kimberly now is several thousand cars a day (and our opposition says it's 9,000), then I can assure you that more than "some" people will be inconvenienced. Why should these poeple change to Merrimon when they have been driving the more direct route along Kimberly all these years?

4) Our group also is of the opinion that the change in speed limit will not produce the desired result unless a patrolman is posted around the clock. And, of course, if a patrolman were there around the clock, this would not be the "50 MPH thoroughfare" described in the Asheville Times editorial I just mentioned. The 35 limit could be enforced.

Our position that the proposal won't work is based on a discussion with two experienced traffic engineers working here in Asheville for the State of North Carolina, and one working in another state. They unamiously support a traffic survey conducted a few years ago by the University of Michigan. According to that survey, motorists determine their own speed regardless of posted speed limits, and a change in the posted speed limit -- alone, -- has not effect whatsoever on the speed or traffic or the traffic flow. The survey recommends a procedure called the "85 percentile radar system" for determining the proper speed of a traffic artery, and the State of North Carolina uses that procedure on State highways. They do not rely on neighborhood petitions.

As I stated in my letter to the Council, Kimberly Avenue for some time has been and actually now is being used as a direct route to town -- like it or not -- and is one of only two routes from northeast Asheville. Despite the November 15 Asheville Citizen article explaining a reduction in traffic flow on Merrimon Avenue between 1981 and 1982, this other artery is already over-crowded and in our opinion cannot be expected to accept the additional "several thousand" cars a day from Kimberly. There simply is no other alternative to Kimberly at the present time and we cannot afford the luxury of treating it as a cul-de-sac for the benefit of a few hundred taxpayers -- whether or not they pay more taxes than anybody else, as they claim.

Since the proposed reduction, at least in our opinion, is unjustified, unnecessary, unreasonable, unfair and inoperative without further traffic control, our group believes it is without merit. We therefore recommend that it be tabled until such time as a suitable alternate traffic route is provided for northeast Asheville, and we further recommend that every effort be made to patrol these streets to insure enforcement of the existing 35 MPH limit.

In my letter to you, I promised that I could obtain support from more North Asheville residents than there are homes on Kimberly, Edwin Place and Evelyn Place combined. I counted 141 homes, 7 apartments, and 2 churches. Just to show the Council the interest of North Asheville residents in not lowering the speed limit on these streets -- my friends and I have gathered a total of 735 signatures of those who are opposed to this reduction in speed limit. We are confident that you will take into account the rights and interests of these citizens -- as well as the rights and interests of the Kimberly Avenue group -- in making your decision.

These streets are not their streets, they are our streets.

Thank you. "

Verl Emrick, Director of Planning, said this Resolution will authorize the City to contract with the Housing Authority for certain professional services pursuant to the designation of the Housing Authority as a redevelopment commission.

Mayor Trantham closed the public hearing at 5:18 p.m.

The City Manager said members of Council were furnished copies of the Resolution and it would not be read in its entirety unless there was a specific request to do so.

Upon motion of Councilwoman Frank, seconded by Vice-Mayor Price, Resolution No. 83-203 was unanimously adopted.

Complete text of Resolution No. 83-203 will be found in Resolution Book No. 14 at page 202-203.

Councilman McDevitt noted that the Resolution and contract should include all changes discussed by members of Council in the pre-Council meeting.

PUBLIC HEARING - ANNEXATION OF RAMADA INN ON US 19-23 WEST

ORDINANCE NO. 1409 - AN ORDINANCE ANNEXING A NON-CONTIGUOUS AREA ON US 19-23 WEST

4. A public hearing was held relative to annexing a non-contiguous area on US 19-23 West known as the Ramada Inn.

Mayor Trantham opened the public hearing at 5:20 p.m.

The City Manager presented the notice to the public, setting the time and date for the public hearing and the Affidavit of Publication.

Verl Emrick, Director of Planning, said the owners of the property where the new Ramada Inn, on US 19-23 West, will be located have petitioned the City of Asheville for satellite annexation. He said all City services would be available and the estimated ad valorem tax generated is expected at $24,667.00. He said the estimated annual cost would be approximately $180. He said all costs could be absorbed into the existing budget. He said the petition and area meets all the criteria as specified in GS 160A-58.1 for annexing non-contiguous areas.

Mayor Trantham closed the public hearing at 5:21 p.m.

The City Manager said members of Council were furnished copies of the Ordinance and it would not be read in its entirety unless there was a specific request to do so.

Councilwoman Frank moved for the adoption of Ordiance No. 1409. This motion was seconded by Councilman Myers.

On a roll call vote of 6-1, Ordinance No. 1409 passed on first reading with Councilman Pless voting "no."

PUBLIC HEARING - ANNEXING PROPERTY ON US 25 KNOWN AS BLACK FOREST RESTAURANT

Councilman McDevitt thanked both sides for expressing their point of view on the speed limit. He said he had doubts that the 25 mph speed limit would be a desired effect. He said he would support the reduction, but he did not think it would work. He requested that the City staff and the residents of Kimberly Avenue monitor the 25 mph speed limit for six months. He requested that the City staff and the residents report back to Council the effect of the reduction of the speed limit. He said this would give Council guidance for other areas of the City in the same situation.

Councilwoman Frank said she intended to support the 25 mph speed limit zone and she would also be in favor of evaluating the reduction and the enforcement of the 25 mph zone.

On a roll call vote of 7-0, Ordinance No. 1404 passed on second reading.

Councilman McDevitt moved to suspend the rules and proceed to the third reading of Ordinance 1404. This motion was seconded by Councilwoman Bratton and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1404 passed on third and final reading.

Complete text of Ordinance No. 1404 will be found in Ordinance Book No. 10 at page 79.

PRESENTATION OF RESOLUTIONS ADOPTED BY THE PLANNING AND ZONING COMMISSION CERTIFYING THREE (3) ZONES AS "NON-RESIDENTIAL REDEVELOPMENT AREAS"

3. Mr. Verl Emrick, Planning Director, presented resolutions adopted by the Planning and Zoning Commission certifying that the areas known as Walnut Street/ Haywood Street, Zone 3; Wall Street/Otis Street, Zone 1 and 2, are "non-residential redevelopment areas." He said members of Council were furnished copies of the Resolution and the Butler-McGill reports. He said these areas meet all the criteria as non-residential redevelopment areas. He said no action was required by Council and the City could proceed with the downtown projects.

PUBLIC HEARING - DESIGNATING HOUSING AUTHORITY AS A REDEVELOPMENT COMMISSION

RESOLUTION NO. 83-203 - RESOLUTION DESIGNATING THE HOUSING AUTHORITY OF THE CITY OF ASHEVILLE TO CONTINUE ITS ROLE AS A REDEVELOPMENT COMMISSION, DIRECTING THE HOUSING AUTHORITY TO PREPARE AND IMPLEMENT A REDEVELOPMENT PLAN AND AUTHORIZING THE MAYOR ON BEHALF OF THE CITY OF ASHEVILLE TO EXECUTE A CONTRACT WITH THE HOUSING AUTHORITY TO PREPARE AND IMPLEMENT SAID PLAN

4. A public hearing was held relative to designating the Housing Authority of the City of Asheville as a redevelopment commission for certain projects of the development in the downtown area.

Mayor Trantham opened the public hearing at 5:17 p.m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the Affidavit of Publication.

PUBLIC HEARING - REZONING PROPERTY LOCATED AT FAIRVIEW ROAD AND RIDGECREST ROAD

ORDINANCE NO. 1411 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED

5. A public hearing was held relative to rezoning property located at Fairview Road and Ridgecrest Roads.

Mayor Trantham opened the public hearing at 5:30 p.m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the Affidavit of Publication.

Verl Emrick, Director of Planning, said the Asheville Planning and Zoning Commission, at a meeting held November 2, 1983, considered the request of Mrs. Louise R. Morgan, et al, that lots 415 and 416, Sheet 26, Ward 7, be rezoned from R-3, Residential District to CG-Commercial General District. After discussing the issues of this request, the Commission voted to recommend approval of this petition to City Council. He said the intended use of the property is a small retail service-type business. He said no opposition to the rezoning was received.

Mrs. Morgan, petitioner for the rezoning, spoke in support of the rezoning.

Mayor Trantham closed the public hearing at 5:35 p.m.

The City Manager said members of Council were furnished copies of the Ordinance and it would not be read in its entirety unless there was a specific request to do so.

Vice-Mayor Price moved for the adoption of Ordinance No. 1411. This motion was seconded by Councilman Frank.

On a roll call vote of 7-0, Ordinance No. 1411 passed on first reading.

Vice-Mayor Price moved to suspend the rules and proceed to the second reading of Ordinance No. 1411. This motion was seconed by Councilwoman Frank and carried unanimously.

7. A public hearing was held relative to rezoning property located at Hendersonville Road and Seminole Street.

Mayor Trantham opened the public hearing at 5:37 p.m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the Affidavit of Publication.

Verl Emrick, Director of Planning, said the Asheville Planning and Zoning Commission, at a meeting held November 2, 1983, considered the request of Mr. Ned

ORDINANCE NO. 1410 - AN ORDINANCE ANNEXING A NON-CONTIGUOUS AREA ON US 25

5. A public hearing was held relative to annexing a non-contiguous area on US 25 (Black Forest Restaurant).

Mayor Trantham opened the public hearing at 5:23 p.m.

The City Manager presented the notice to the public setting the time and date of the public hearing and the Affidavit of Publication.

Verl Emrick, Director of Planning, said the owners of the Black Forest Restaurant on US 25 have petitioned the City of Asheville for satellite annexation. He said the area lies approximately one and one-half miles from the newly annexed area in to the City of Asheville. He said all City services are in place. He said the estimated annual ad valorem tax generated is expected at $1,680.00. He said the extimated annual cost is approximately $120.00 which could be absorbed into the existing budget. He said this area meets all requirements for annexation under GS-160A-58.1.

Mayor Trantham closed the public hearing at 5:28 p.m.

The City Manager said members of Council were furnished copies of the Ordinance and it would not be read in its entirety unless there was a specific request to do so.

Councilman Myers moved for the adoption of Ordinance No. 1410. This motion was seconded by Vice-Mayor Price.

On a roll call vote of 6-1, Ordinance No. 1410 passed on first reading. With Councilman Pless voting "no."

Councilman Pless said in his opinion, Council should not continue to annex satelite areas. He said it would end up costing the City more to annex these areas.

Larry Kimbel, Attorney for the petitioners, requested that Council pass the second and third reading of the annexation ordinance at today's meeting.

Councilmen Pless moved to suspend the rules and proceed to the second reading of Ordinance No. 1410. This motion was seconded by Council Myers and carried on a voice vote of 6-1, with Councilman McDevitt voting "no."

On a roll call vote of 6-1, Ordinance No. 1410 passed on second reading with Councilman Pless voting "no."

ORDINANCE NO. 1407 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED (PROPERTY LOCATED AT 341 EMMA ROAD)

10. Consideration was given to the third reading of Ordinance No. 1407, an ordinance amending Ordinance No. 322, known as "an ordinance providing for the zoning of the City of Asheville," as amended.

Mayor Trantham said the ordinance was previously read on first reading and would not be reread in its entirety unless there was a specific request to do so.

On a roll call vote of 7-0, Ordinance No. 1407 passed on third and final reading.

Complete text of Ordinance No. 1407 will be found in Ordinance Book No. 10 at page 82.

Mayor Trantham was excused from the meeting at 5:50 p.m., turning the chair over to Vice-Mayor Price.

APPROVAL OF SALE OF DISPOSAL PARCELS - EAST RIVERSIDE RENEWAL PROJECT AND EAST END VALLEY STREET PROJECT

11. Consideration was given to a motion approving the sale of disposal parcels in the East Riverside Renewal Project and East End/Valley Street Project.

The City Manager said the Housing Authority has tentatively accepted the following bids for disposal parcels in the East Riverside Renewal Project and East End/Valley Street Project.

Parcel	Reuse	Price	Bid	Redevloper
66	Residential	2,800	2,800	Herman Crawley
9	Residential	2,800	3,026	LS & M Building Co., Inc.
166	Residential	2,000	2,176	LS & M Building Co., Inc.
178A	Residential	1,500	1,500	Wilbert Morrison & Wife

All of the above sales are single-family residences. 66 and 178-A are dollar lot sales. The subsidy will be available on 9 and 166 at the time the completed home is sold to an owner occupant.

Upon inquiry of Councilman Myers, Vice-Mayor Price explained the process developers must go through in order to purchase one of the dollar-lot parcels. She said the developer does not get the advantage of the dollar lot, however, it is passed on to the buyer.

Councilwoman Frank moved to approve the sale of the disposal parcels as tentatively accepted by the Housing Authority. This motion was seconded by Councilwoman Bratton and carried unanimously.

RESOLUTION NO. 83-204 - RESOLUTION AUTHORIZING THE DIRECTOR OF PUBLIC WORKS TO EXECUTE A RIGHT-OF-WAY ENCROACHMENT AGREEMENT WITH OWNER AND LESSEE OF PROPERTY LOCATED AT THE INTERSECTION OF MERRIMON AVENUE AND FENDER AVENUE

Gibson, Agent for Mr. Willard Lindberg, that Ward 7, Sheet 52, Lot 135, be rezoned from R-2, Residential District to CH, Commercial Highway District. After discussing the issues of this request, the Commission voted to recommend approval to City Council.

He said the reason for the requested rezoning is that the front portion of the lot is zoned commercial and the rear portion residential. He said with the proposed widing of Hendersonville Road, the commercial area would be taken up. He said a petition was presented by the surounding property owners showning no opposition to the requested rezoning.

Mayor Trantham closed the public hearing at 5:39 p.m.

The City Manager said members of Council were furnished copies of the Ordinance and it would not be read in its entirety unless there was a specific request to do so.

On a roll call vote of 7-0, Ordinance No. 1412 passed on first reading.

CONTINUATION OF PUBLIC HEARING - REZONING PROPERTY AT 18 JOHNSTON BLVD.

ORDINANCE NO. 1413 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED

8. A public hearing was continued relative to rezoning property located at 18 Johnston Blvd. from R-3, Residential District to CH, Commercial Highway District.

Mayor Trantham said this public hearing was continued from the November 10, 1983 meeting.

Verl Emrick, Director of Planning, said he had received correspondence from Attorney Marvin Pope stating the intent of the property owner to restrict the use of the property for professional offices only. He said properly executed and recorded retrictive covenants would be sufficient to restrict the property.

Attorney Marvin Pope said he had talked with the City Attorney relative to the restrictive covenants concerning the use of the property. He said the restrictive covenants had been recorded with the Register of Deeds Office in Deed Book 1338 at page 709.

Corporation Counsel Slawter said he did not request that Mr. Pope record the restrictive covenants; however, he told him that Council would probably consider the covenants during the rezoning of the property.

Councilman McDevitt assured that no deal, agreement, of contract was made with the owner or attorneys relative to the rezoning as to what Council might do if the restrictive covenants were recorded and noted that the covenants were placed by the attorney on his own accord.

Mayor Trantham closed the public hearing at 5:46 p.m.

Vice-Mayor Price moved for the adoption of Ordinance No. 1413. This motion was seconded by Concilwoman Frank.

On a roll call vote of 7-0, Ordinance No. 1413 was passed on first reading.

The City Manager said members of Council were furnished copies of the resolution and it would not be read in its entirety unless there was a specific request to do so.

Upon motion of Councilwoman Frank, seconded by Councilman Myers, Resolution No. 83-206 was unanimously.

Complete text of Resolution No. 83-206 will be found in Resolution Book No. 14 at page 206.

ORDINANCE NO. 1415 - BUDGET ORDINANCE AMENDMENT TO SET UP A PROJECT BUDGET TO ACCOUNT FOR HISTORIC RESOURCES COMMISSION OPERATIONS FOR THE COST AND PROCEEDS FOR PUBLISHING A BOOK

16. Consideration was given to a budget ordinance amendment to set up project budget to account for Historic Resources Commission operations for the costs and proceeds for publishing a book.

The City Manager said members of Council were furnished copies of the ordinance and it would not be read in its entirety unless there was a specific request to do so.

NOTE: The Historic Resources Commission's operating budget is $13,260.00, which is funded by a contribution from the County and from the Community Development fund. The appropriation for the book anticipates publishing costs of $12,000 and total sales proceeds of $18,000.

Councilwoman Frank moved for the adoption of Ordinance 1415. This motion was seconded by Councilman McDevitt.

On a roll call vote of 6-0, Ordinance No. 1415 passed on first and final reading.

Complete text of Ordinance No. 1415 will be found in Ordinance Book No. 10 at page 92.

ORDINANCE NO. 1416 - BUDGET ORDINANCE AMENDMENT TO APPROPRIATE FUNDS FOR THE ACQUISITION OF FIRE EQUIPMENT FOR THE SOUTH BUNCOMBE AREA

Consideration was given to a budget ordinance amendment to appropriate funds for the acquisition of fire equipment for the South Buncombe area in the amount of $74,988.

Councilman McDevitt moved for the adoption of Ordinance No. 1416. This motion was seconded by Councilman Myers.

ORDINANCE NO. 1417 - BUDGET ORDINANCE AMENDMENT - REFLECTING ORGANIZATIONAL CHANGES

Consideration was given to a budget ordinance amendment reflecting several organizational changes.

The City Manager read the budget ordinance stating that several organizational changes have occurred since July 1, 1983 and this Ordinance would increase the total City appropriations for legal services. He said the changes are; (1) transfer of Erosion Control from Inspections to City Engineering; (2) transfer of Zoning Enforcement from Inspections to Planning; (3) staffing changes in Planning Department; (4) a change in the method of accounting for legal services, and an increase in appropriation for legal services. The total General Fund affect of this amendment is an increase in appropriations of $24,650 to be funded from General Fund contingency.

A discussion was held, initated by Councilman McDevitt, relative to secretarial positions being handled through the secretarial pool.

After a brief discussion Councilman McDevitt said he would go along with the budget amendment at this time but would take another look at the time a new budget is adopted.

Councilwoman Bratton moved for the adoption of Ordinance No. 1417. This motion was seconded by Councilwoman Frank.

The City Manager read the following memorandum from the Purchasing Director relative to the bids.

MEMO TO: Ken Michalove, City Manager

FROM: Ted Grable, Purchasing Director

DATE: November 23, 1983

SUBJECT: Recommendation for Award of Bid Request No. 197-84, Fire Truck - 1000 GPM Pumper

Pursuant to N.C. General Statute 143-129, sealed bids were received on Tuesday, November 1, 1983 for a 1000 GMP Pumper for the Fire Department. Nine (9) bids were received as are shown on the attached bid tabulations.

Please submit these bids to the City Council with the recommendaton to award to the lowest bid meeting specifications, American LaFrance, in the amount of $74,988.00. American LaFrance also submitted the lowest bid, however, this unity was lime-green instead of the City's standard red color.

The Fire Chief and Motor Transport Superintendent have reviewed these bids and concur with this recommendation. In addition, because this equipment is needed as soon as possible, the bidder is offering to provide a loaner fire truck 10 days after award until delivery of the new unit in 45 to 90 days.

Funding of this purchase will be made in the general fund, Fire Department appropriation, account 10-470-0740 - Annexation Project.

Councilman Myers moved to approve the bid of American LaFrance in the amount of $74,988. This motion was seconded by Councilman McDevitt and carried unanimously.

Organizational Meeting

INVOCATION

The invocation was given by Rev. Howard Shockley, Pastor of the Asheville Evangelical Presbyterian Church and Coordinator of the Police Chaplain Corps.

Present: Mayor Roy M. Trantham, presiding; Councilmembers Norma T. Price, Gordon S. Myers, Larry S. McDevitt, Mary Lloyd Frank, Wilhelmina Bratton, Walter Boland, and W. Louis Bissett, Jr. Corporation Counsel William F. Slawter; City Manager K. M. Michalove; Associate City Manager/City Clerk William F. Wolcott, Jr.

OATHS OF OFFICE

The Oaths of Office for Councilman of the City of Asheville were administered by Judge Robert D. Lewis to the following:

Norma T. Price
Gordon S. Myers
Larry S. McDevitt
Mary Lloyd Frank
Wilhelmina Bratton
Walter Boland
W. Louis Bissette, Jr.

The members of Council introduced relatives in attendance.

ELECTION OF THE MAYOR

I. Mayor Trantham, acting as chairman of the Organizational Meeting, opened the floor for nominations for Mayor of the City of Asheville.

Councilman McDevitt moved, as a matter of procedure, that the election of the Mayor be as follows: 1) that the vote be taken in alphabetical order by voice vote; 2) that members of Council vote by name only for one candidate; 3) that in the event that three nominations are made that after the first vote the nominee with the least number of votes be eliminated if a nominee did not receive a majority vote. This motion was seconded by Councilwoman Bratton and carried unanimously.

Councilwoman Frank nominated Norma T. Price as Mayor of the City of Asheville.

Councilman Bissette nominated Larry McDevitt as Mayor of the City of Asheville.

Councilman Myers nominated Walter Boland as Mayor of the City of Asheville.

Councilman McDevitt moved that the nominations be closed. This motion was seconded by Councilwoman Frank and carried unanimously.

On a roll call vote:

Councilman Bissette voted for Councilman McDevitt;

Councilwoman Bratton voted for Councilman McDevitt;
Councilwoman Frank voted for Councilwoman Price;
Councilman McDevitt voted for Councilman McDevitt;
Councilman Myers voted for Councilman McDevitt;
Councilwoman Price voted for Councilwoman Price.

By a vote of 4-3, Councilman McDevitt was elected Mayor.

Councilman Myers, before voting for Councilman McDevitt for Mayor, as a "preface" to his vote for Mayor said a resolution relative to the election process of the Mayor would be introduced later during the meeting, which would request a study of the feasibility of the Mayor being elected by the citizens of Asheville rather than by the seven (7) Council members. He said he would support the resolution. He said this is a difficult vote for him with the run off of two well-qualified nominees. He said his first choice was Walter Boland and he regretted the elimination of Boland. He cited Councilman McDevitt's standing as the leading vote-getter in the 1981 and 1983 City Council election and said this was an indication of his popular support and no one could discount that fact. He said he felt this would also indicate the citizen input into the Mayor's election and the citizen's choice. Therefore, he voted for Councilman McDevitt as Mayor of the City of Asheville.

Councilman McDevitt said he felt honored and humbled by being elected Mayor. He offered thanks to a loyal friend, Councilman Bissette, and for "two true acts of statesmanship" by votes of Councilman Myers and Councilwoman Bratton.

ELECTION OF VICE-MAYOR

PUBLIC HEARING - PROPOSED RENOVATION OF THE ICU AND CARDIOLOGY UNITS - AMBULATORY SURGERY UNIT - MEMORIAL MISSION HOSPITAL

6. A public hearing was held relative to the site plan of the proposed renovation of the ICU and cardiology units and construction of a free standing ambulatory surgery center at Memorial Mission Hospital.

Mayor McDevitt opened the public hearing at 4:29 p.m.

The City Manager presented the notice to the public and affidavit of publication for the public hearing.

Verl Emrick, Director of Planning, said that the Asheville Planning and Zoning Commission at a meeting held December 7, 1983, reviewed the site plan of the proposed renovation of ICU and cardiology units and construction of a free- standing ambulatory surgery center at Memorial Mission Hospital. The site plan was submitted by Russell E. Danielson, Vice-President of Planning for the Hospital, in accordance with the Group Development section of the Asheville Zoning Ordinance. After review and discussion of the plan, the Commission voted to recommend approval to City Council subject to compliance with the Erosion Control Ordinance. He said this would be an addition to the Hospital's master plan consisting of 10,500 square feet. He said the project meets all the requirements of the Zoning Ordinance.

Mr. Thompson, Arctitect Site Representative, for the Hospital, spoke in support of the project, stating that this would basically help lower hospital costs. He said he had been in contact with the Erosion Control Officer and was told that erosion control compliance is not a requirement due to the nature of the project.

Mayor McDevitt closed the public hearing at 4:34 p.m.

Councilman Bissette moved to approve the site plan of the proposed renovation of the ICU and cardiology units and construction of a free standing ambulatory surgery center at Memorial Mission Hospital. This motion was seconded by Councilwoman Price and carried unanimously.

CONTINUATION OF PUBLIC HEARING - CHANGING NAMES OF CERTAIN STREETS IN THE CITY OF ASHEVILLE (COLLEGE PLACE) (WOODFIN PLACE)

RESOLUTION NO. 83-223 - CHANGING NAMES OF CERTAIN STREETS IN THE CITY OF ASHEVILLE (COLLEGE PLACE) (WOODFIN PLACE)

7. A public hearing relative to changing names of certain streets in the City of Asheville was continued.

Mayor McDevitt said this public hearing was continued from the December 20, 1983 meeting. He said this would change that section of College Street extending easterly from Pine Street to dead-end past the Allen Center to the North Carolina Department of Transportation right-of-way line to be renamed to College Park Place and that section of Woodfin Street extending easterly from Charlotte Street to I-240 to be renamed to Woodfin Place.

Mayor McDevitt said during the discussion of the resolution in Pre-Council, it was the consensus of Council to name the street College Place rather than College Park Place.

The City Manager said the main reason for delaying this resolution was to give property owners affected an opportunity to be heard. He said certified mail

The City Manager presented the notice to the public and affidavit of publication for the public hearing.

Verl Emrick, Director of Planning, said the UDAG applications were for two projects sponsored by the Downtown Commission and City of Asheville in the amount of $13,000,000.00. He said the applications must be submitted by the end of January, 1984. He said Federal Government guidelines require public hearings to be held relative to the needs for an impact of UDAG applications.

Mayor McDevitt said the Downtown Commission would be holding a public hearing relative to the two projects on Wall Street and South Pack Square Plaza at 5:30 p.m. today.

Mr. Barry Owen, property owner on Wall Street, questioned the blighted study done on twenty-six buildings downtown as it pertained to the eligibility of a UDAG Grant. He also questioned the area in the Wall Street area having substandard buildings. He said several property owners on Wall Street have made improvements to their buildings and are concerned that their property may be taken by eminent domain and given to someone else. He said their only concern was to protect their properties.

Mayor McDevitt indicated that Council would keep his concerns in mind.

Ralph Bishop spoke in opposition to any downtown revitalization.

Mayor McDevitt closed the public hearing at 4:25 p.m.

PUBLIC HEARING - CLOSING AN ALLEYWAY AT THE WESTERN - MOST EXTENSION OF FIRST STREET IN BILTMORE

RESOLUTION NO. 83-222 - RESOLUTION TO CLOSE AN ALLEYWAY THAT IS THE WESTERN MOST EXTENSION OF FIRST STREET IN THE CITY OF ASHEVILLE, NORTH CAROLINA

5. A public hearing was held relative to closing an alleyway that is the western most extension of First Street in Biltmore.

Mayor McDevitt opened the public hearing at 4:26 p.m.

The City Manager presented the notice to the public and affidavit of publication for the public hearing.

The City Manager said reports were received from all City departments involved in this closing. He said the only concern was a twenty foot easement for servicing of water and sewer lines in the area.

Sandra Hyldburg, Attorney representing the petitioners to close the alleyway, presented affidavits of posting the street proposed to be closed and said that a twenty-foot easement had been given to the City at the rear of the property for servicing of the water and sewer lines.

Mayor McDevitt closed the public hearing at 4:28 p.m.

Upon motion of Councilman Myers and seconded by Councilwoman Frank, Resolution No. 83-222 was unanimously adopted.

Complete text of Resolution No.83-222 will be found in Resolution Book No. 14 at Page 227.

LETTER OF RESIGNATION - CITY MANAGER, KEN MICHALOVE

Mayor McDevitt instructed that the following Letter of Resignation from Ken Michalove, City Manager, be included in the minutes:

January 3, 1984

Larry McDevitt, Mayor
City of Asheville
P. O. Box 7148
Asheville, N. C. 28807

Dear Larry:

It is with mixed emotions that I submit my resignation as City Manager in order to accept the position of Executive Vice-President of Mountain Health Services, Inc., a subsidiary of Saint Joseph's Hospital Holding Company.

As a native and third generation Ashevillian, I will miss being a part of the rebirth of Asheville's downtown and I will miss being a part of the staff that shoulders the day-to-day responsibility of providing services to the community. However, as fate would have it, my decision to resign comes at an ideal time for Asheville and me personally. For Asheville there is a fine City Council dedicated to direct the policies and future of our community in a progressive way; and, there is the finest and most dedicated group of employees of any city, anywhere. For me it is an opportunity to remain in Asheville and continue my career in public service in a new capacity.

The City Manager said members of Council had previously received copies of the Ordinance and it would not be read in its entirely.

Note: This budget amendment in the amount of $1,716,970 is to transfer remaining capital funds in the Water System Major Capital Improvements Fund to the Asheville-Buncombe Water Authority to be used in funding the Bee Tree treatment plant and Bee Tree/North Fork twenty-four inch water line project.

Councilwoman Frank moved for the adoption of Ordinance No. 1424. This motion was seconded by Councilman Boland.

On a roll call of 7-0, Ordinance No. 1425 passed on first and final reading.

Complete text of Ordinance No. 1425 will be found in Ordinance Book No. 10 at Page 102.

APPROVAL OF SIGN PERMIT - GORDON JEWELERS - 140 TUNNEL ROAD

12. Consideration was given to a motion approving a sign permit for Gordon Jewelers for placement of a wall sign to be located at 140 Tunnel Road.

Verl Emrick, Director of Planning, said Crawford Sign Company has applied for a sign permit to erect a wall sign and additional free-standing signage at 140 Tunnel Road for Gordon Jewelers. He said this permit requires the approval of City Council pursuant to the Zoning Ordinance in that the sign will be situated closer than 600' from a limited access highway.

Councilman Myers moved to approve a sign permit for Gordon Jewelers for placement of a wall sign to be located at 140 Tunnel Road. This motion was seconded by Councilwoman Frank and carried unanimously.

SALE OF DISPOSAL PARCELS - EAST RIVERSIDE RENEWAL PROJECT AND EAST END/VALLEY STREET PROJECT (PARCELS 123, 176 AND 197)

Mayor McDevitt referred the lawsuits to the Office of Corporate Counsel for Action.

LETTER FROM ATTORNEY RONALD K. PAYNE - REZONING OF PROPERTY ON WHITE PINE DRIVE FOR DURWARD JOHNSON

The City Manager read the following letter:

January 5, 1984

Mr. Ken Michalove
City Manager
City Hall
Asheville, N. C. 28801

Dear Ken:

You will recall that Mr. Durward Johnson, on behalf of the Johnson heirs, filed a petition for rezoning for a parcel of real estate located on White Pine Drive. The petition was presented to City Council in February, 1983. Council failed to take any action on the petition, although Planning and Zoning had recommended that the

I am grateful to have been given the opportunity to serve the citizens of Asheville for almost seven years as City Manager and I am grateful for their tolerance of my shortcomings.

Very truly yours,

Ken Michalove

PRESENTATION OF RESOLUTIONS ADOPTED BY THE ASHEVILLE PLANNING AND ZONING COMMISSION CERTIFYING QUALIFICATIONS OF AREA 4, AREA 6, AND AREA 7, AS "NON-RESIDENTIAL REDEVELOPMENT AREAS

Verl Emrick, Director of Planning, presented Council with three resolutions adopted by the Planning and Zoning Commission certifying Area 4, vicinity of Haywood Street and Page Avenue; Area 6, vicinity of Pack Square, Biltmore Avenue and Eagle Street; and Area 7, vicinity of Eagle Street and South Charlotte Street, as "non-residential redevelopment areas". By the use of a map, Mr. Emrick described each location.

petition for rezoning be denied.

If this matter is remanded back to Planning and Zoning for further consideration, my client will present information which I believe will result in Planning and Zoning making a different recommendation to Council. My interpretation of the Ordinance regarding amendments to zoning ordinances is that a denial of rezoning cannot be reconsidered for a period of one year, unless City Council refers the proposed amendment back to the Planning and Zoning Commission for further review. The section which I refer to is Section 30-11-2 G.

On behalf of my client, I would request that this matter be placed on the agenda for the January 10th City Council meeting for Council to consider referring this matter back to Planning and Zoning for further review.

Your very truly,

Ronald K. Payne

APPROVAL OF THE MINUTES

1. Approval of the minutes of the January 10, 1984 meeting.

Upon motion of Councilman Boland, seconded by Councilwoman Price, the minutes of the January 10, 1984 meeting were unanimously approved as submitted.

PRESENTATION OF "POSTER OF THE YEAR" AWARDS - MAYOR'S COMMITTEE ON EMPLOYMENT OF THE HANDICAPPED

2. Mayor McDevitt introduced Mr. Paul Godfrey, with the Mayor's Committee on Employment of the Handicapped, who said, each year the President's Committee on the Employment of the Handicapped sponsors a "National Poster of the Year" contest. He said the local Asheville area Mayor's Committee on Employment of the Handicapped decided to have a local contest as a pilot program. He said the Committee went into Reynolds High School and asked the students to enter a local "Poster of the Year" contest. He said the Committee also talked with the students about disabilities and handicapped persons. He said he feels this pilot program was a success. He then asked Mayor McDevitt to present the awards.

Mayor McDevitt presented Cindy Gutherie, the first place winner, with a certificate and a $100 check; Steve Byas, as second place winner, received a certificate and a $50 check; and Wayne Sales, as third place winner received a certificate and a $25 check. He said Cindy's poster would go on to the national competition level.

Linda Demos, with the Mayor's Committee on Employment of the Handicapped, said the sponsors for the program were Thom's Rehabilitation Hospital, Ace Appliance, and Three Mountaineers.

RESOLUTION NO. 84-1 - RESOLUTION OF APPRECIATION TO CAPTAIN RAYMOND MERRELL

3. Consideration was given to a resolution of appreciation to Captain Raymond Merrell.

Mayor McDevitt read the resolution stating that Captain Merrell has been an employee of the City of Asheville since 1948 and has requested retirement, effective January 1, 1984.

proposed Summey apartments and supported by the Kennilworth Residents' Association. He said the Commission felt that approval of the Summey Apartments should not be contingent upon this petition and voted to transmit the petition to City Council as a separate issue.

Mr. Emrick said he had been informed by the Corporate Counsel that the City Council does not have the authority to grant a parking variance, in approving a group developments plan. However, in the past, Council has granted variances pertaining to group development in order to preserve the integrity of the neighborhood. Mr. Emrick suggested that Council give a positive recommendation for the parking variance to the Board of Adjustments, which will meet on January 23, 1984 to discuss the variance.

Mayor McDevitt said his law firm represents Mr. Mike Summey and requested that he be excused from voting on this issue, as he felt this would be a conflict of interest.

Councilwoman Price moved to excuse Mayor McDevitt from voting on the site plan of the apartment complex to be located on Kenilworth Drive. This motion was seconded by Vice-Mayor Bratton and carried unanimously.

Mr. Al Tingle, property owner adjacent to Kenilworth Drive spoke relative to the approval of the site plan. He said the approval of the site plan for the Summey Apartments should be contingent upon Kenilworth Drive being dead-ended at its intersection with Pickwick Drive. He said the developer of the project is in agreement with this request. He said the present road conditions and the topography of the land is poor, and the project would create additional traffic in the area, causing increased problems.

Mr. Bill Moore, President of the Kenilworth Residents' Association, also spoke relative to the project. He requested that the approval of the project be contingent upon the dead-ending of Kenilworth Drive.

Mr. Marc Rudow, of 47 Kenilworth Drive, spoke relative to the project stating that, for the record, it was indicated in the Planning and Zoning Commission meeting that the developer would put no signs on the street, use existing trees as much as possible, provide an attractive finish on the building, no parking would be provided on the streets, a green barrier would be used, and a traffic control plan would be in effect.

Councilman Bissette arrived at the Council meeting at 5:10 p.m.

Mr. Mike Summey, developer of the project, spoke in support of approval of the project. He said he was in agreement with the residents in the area relative to dead-ending Kenilworth Drive. However, he did not feel the project should be contingent upon the closing. He said he would be willing to provide a right-of-way easement for a cul-de-sac on Kenilworth Drive.

A discussion was held relative to alternate methods that could be used for dead-ending Kenilworth Drive.

Mr. Pete Winslow, property owner in the area, commended Mr. Summey for meeting with all the residents in the area to work out any problems dealing with the proposed projects.

Mayor McDevitt presented the resolution to Captain Rankin.

Complete text of Resolution No. 84-4 will be found in Resolution Book No. 14 at page 235.

PUBLIC HEARING - UDAG (URBAN DEVELOPMENT ACTION GRANT) APPLICATION

7. A public hearing was held relative to UDAG (Urban Development Action Grant) application.

Mayor McDevitt opened the public hearing at 4:25 p.m.

The City Manager presented the notice to the public and affidavit of publication setting the time and date for the public hearing.

Verl Emrick, Director of Planning, said due to interrupted airplane flights, Mr. Ralph Basile, Consultant for the Downtown Project, is late arriving. He said Mr. Basile was to present information relative to the UDAG grant to members of Council. He suggested that Council continue the public hearing until January 24, 1984 without further advertisement.

Councilman Myers moved to continue the public hearing relative to the UDAG application until January 24, 1984 without further advertisement. This motion was seconded by Councilwoman Frank and carried unanimously.

Councilman Boland requested the Mr. Basile be in attendance at the January 24, 1984 meeting to provide the information to members of Council.

PUBLIC HEARING - SITE PLAN - APARTMENT COMPLEX - KENILWORTH DRIVE

8. A public hearing was held relative to the site plan of a proposed 20-unit apartment complex to be located on Kenilworth Drive.

Mayor McDevitt opened the public hearing at 4:30 p.m.

Verl Emrick, Director of Planning, said the Asheville Planning and Zoning Commission, at a meeting held December 14, 1983, reviewed the site plan of a proposed 20-unit apartment complex to be located on Kennilworth Drive. He said the plan was prepared by Larry Traber, Architect for Mike Summey, Developer, and submitted in accordance with the group development section of the Asheville Zoning Ordinance. He said after review and discussion, the Commission voted to recommend approval of the plan to the City Council, subject to the following: 1) that City Council grant a parking variance from 2 spaces per unit to 1.55 spaces per unit; 2) that the site plan show that additional parking can be provided if necessary; and 3) compliance with the Erosion Control Ordinance.

Mr. Emrick said that the Erosion Control plan for the project has been submitted for approval. He said Mr. Summey met with all the property owners and residents in the area to work out any problems dealing with the proposed project. He said the residents recommended that Kenilworth Drive be dead-ended at its intersection with Pickwick Drive. He said the Asheville Zoning and Planning Commission had received the petition that Kenilworth Drive be dead-ended at its intersection with Pickwick Drive. He said the petition was from property owners adjacent to the

Mayor McDevitt opened the public hearing at 5:24 p.m.

The City Manager presented the notice to the public and affidavit of publication setting the time and date for the public hearing.

Mr. Carl Owenby, with the Asheville Transit Authority, said this grant will aid in the financial assistance for transit operations. He said the expenditures for this project will include a 50-50 match between local and federal monies. Local, $443,971 -- federal $443,971 -- total, $887,942. He said the funds for the local share have been placed in the current budget.

Mayor McDevitt closed the public hearing at 5:25 p.m.

The City Manager said members of Council had received copies of the resolution and it would not be read in its entiretv.

Upon motion of Councilman Bissette, seconded by Councilwoman Frank, Resolution No. 84-6 was unanimously adopted.

Complete text of Resolution No. 84-6 will be found in Resolution Book No. 14 at page 239.

RESOLUTION NO. 84-7 - RESOLUTION APPOINTING MEMBERS TO THE ASHEVILLE-BUNCOMBE CRIME STOPPERS COMMITTEE (MR. LAMONT BYRD AND MR. RONALD EDWARDS)

11. Consideration was given to a resolution appointing Mr. Lamont Byrd and Mr. Ronald Edwards as members of the Asheville/Buncombe Crime Stoppers Committee.

The City Manager said members of Council were furnished copies of the resolution and it would not be read in its entirety.

Upon motion of Councilman Boland, seconded by Councilwoman Frank, Resolution No. 84-7 was unanimously adopted.

Complete text of Resolution No. 83-7 will be found in Resolution Book No. 14 at page 240.

APPROVAL OF THE CONSENT AGENDA

12. Consideration was given to a motion approving the consent agenda.

Mayor McDevitt said the following items are of a routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items, the City Council may, pursuant to the procedures established in Ordinance No. 1008, adopt all the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council, and/or a member of the City staff, any single item scheduled for approval on the consent agenda may be considered separate.

A. Scheduling public hearing relative to rezoning property located on Sweeten Creek Road for February 14, 1984.

Corporation Counsel Slawter suggested that if Council approved the project contingent upon the dead-ending of Kenilworth Drive, a signed agreement be obtained from the developer stating that he would provide the necessary property for installing a cul-de-sac.

Councilman Boland requested that the staff look into the possibility of providing a cul-de-sac at the dead-end of Kenilworth Drive. He requested that the staff look into the safety factors, whether or not dead ending would cause additional traffic, and the cost involved in installing a cul-de-sac. He also requested that in reviewing the dead-ending of Kenilworth Drive, that no property owner be encroached upon.

Mayor McDevitt closed the public hearing at 5:16 p.m.

Councilwoman Price moved to approve the site plan of the apartment complex to be located on Kenilworth Drive contingent upon the Planning and Zoning Commission's recommendation, the execution of a right-of-way agreement, signed by the developer, for providing a cul-de-sac at the dead-end of Kenilworth Drive, and with the understanding that City Council would give serious consideration to closing or dead-ending Kenilworth Drive at the intersection of Pickwick Drive. This motion was seconded by Councilman Boland and carried unanimously.

At the request of Mr. Emrick, Councilman Boland moved that the City Council recommend approval of the parking variance from 2 spaces per unit to 1.55 spaces per unit to the Board of Adjustments. This motion was seconded by Councilwoman Frank and carried unanimously.

PETITION - KENILWORTH DRIVE DEAD-ENDING - INTERSECTION WITH PICKWICK DRIVE

RESOLUTION NO. 84-5 - RESOLUTION OF INTENT TO CLOSE KENILWORTH DRIVE AT ITS INTERSECTION WITH PICKWICK DRIVE AND CALLING A PUBLIC HEARING ON THE QUESTION FOR FEBRUARY 21, 1984

9. Consideration was given to a resolution of intent to close Kenilworth Drive at its intersection with Pickwick Drive and calling a public hearing on the question for February 21, 1984.

The City Manager said members of Council had received copies of the resolution and it would not be read in its entirety.

Upon motion of Councilwoman Price, seconded by Vice-Mayor Bratton, Resolution No. 84-5 was unanimously adopted.

Upon motion of Councilman Bissette, seconded by Councilwoman Price, Resolution No. 84-10 was unanimously adopted.

Complete text of Resolution No. 84-10 will be found in Resolution Book No. 14 at page 243.

Mayor McDevitt presented the resolution to Mr. Byrd.

CONTINUATION OF PUBLIC HEARING - UDAG (URBAN DEVELOPMENT ACTION GRANT) APPLICATION

4. A public hearing relative to a UDAG (Urban Development Action Grant) application was continued.

Mayor McDevitt stated that this public hearing was continued from the January 17, 1984 meeting.

Verl Emrick, Director of Planning, said federal guidelines require public hearings to be held relative to UDAG applications. He said this application is to apply for funding for the "Wall Street Project" and the "South Pack Square Project." He said the City is now ready to submit the application to the Office of Housing and Urban Development for financing of these two projects. He said the application is applying for 10.5 million with the local shares being $3,145.00 from the City, and $1,500,000 from the County, for a total project of 50.4 million with private financing.

He said this application puts into motion the financing package for the downtown project. He said the application meets all the criteria for submission of a UDAG grant.

Mr. Emrick said the grant must be submitted by January 31, 1984 and several items needed to be completed for the application and some documents could be prepared after the application is submitted but would be sent as a supplement to HUD. He said, generally the things that need to be done are: 1) update of Schneider Nine figures; 2) citizen participation process documented; 3) meetings with the State Archives and History for assessment of the impact of these projects relative to archives and history; 4) letters from NCNB/Southeastern for federal assistance; 5) commitments for private funding from lending institution in the Asheville area; and 6) County funding commitments.

Upon injuiry of Councilman Bissette, Mr. Emrick said the agreements with the developers would become a part of the application.

A discussion was held relative to the completion of the agreements with the developers and financing by local lending institutions.

Mayor McDevitt requested that any documents sent to HUD to supplement the application be submitted to Councilmembers.

Councilman Boland requested that Council have an update on the projects from the developers.

INVOCATION

Vice Mayor Wilhelmina Bratton introduced Reverend Steven Carreker, Minister of the Calvary Baptist Church, who gave the invocation.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the January 17, 1984 meeting.

Upon motion of Councilman Boland, seconded by Councilwoman Price, the minutes of the January 17, 1984 meeting were unanimously approved as submitted.

PRESENTATION OF MERITORIOUS SERVICE AWARD - SHIRLEY THORPE - RECREATION CENTER DIRECTOR

2. Ray Kisiah, Director of Parks and Recreation, introducted Mr. Clinton Foust with the North Carolina Recreation and Parks Society, who presented Shirley Thorpe the Meritorious Service Award from the North Carolina Recreation and Parks Society. He said Shirley Thorpe had been an employee of the City of Asheville Parks and Recreation Department for 16 years, also serving the North Carolina Recreation and Parks Society in various capacities.

Mayor McDevitt congratualed Shirley Thorpe on receiving the award.

INTRODUCTION OF OPPIE JORDAN WITH THE NORTH CAROLINA DEPARTMENT OF COMMERCE

Verl Emrick, Director of Planning, introducted Oppie Jordan with the North Carolina Department of Commerce, who said the North Carolina Department of Commerce is sponsoring a "business development" pilot program in three cities in North Carolina. She said the purpose of the program is to recruit small businesses in these three cities, particularly in the downtown area. She said the cities include Asheville, Tarboro, and Salisbury. She said she would be directing the pilot program and the cities would be putting together a "marketing team" with a full-time coordinator to work with her. She said this would be a recuitment of a broad-range of small businesses with focal points in the downtown area; however, businesses could go on out into the perimeter of the downtown area. She said the would be a community-wide program.

RESOLUTION NO. 84-10 - RESOLUTION OF APPRECIATION TO JOSEPH BYRD, RETIRING EMPLOYEE OF THE CITY OF ASHEVILLE

3. Consideration was given to a resolution of appreciation to Joseph Byrd, retiring employee of the City of Asheville.

Committee by which they are to study requested rate increases. He said this has been requested by the Committee.

Councilwoman Price said the Committee's recommendation should be adopted by Council but should not be a part of the franchise ordinance in granting the increase.

Ralph Bishop said he did not think Council should regulate the cable TV rates.

Councilman Boland moved for the adoption of Ordinance No. 1426. This motion was seconded by Councilman Bissette.

On a roll call vote of 5-1, Ordinance No. 1426 passed on first reading, with Vice-Mayor Bratton voting "no".

Councilman Boland requested that, in the near future, Council consider requiring financial audits to be submitted, a consumer survey relative to the adequacy of service from the cable TV companies, and that American Cable TV Investors make progress in providing cable TV services to the Gashes Creek area and other areas in the city.

Councilwoman Frank thanked Mr. Winslow and all the Committee members for their time and efforts in this matter.

Corporation Counsel Slawter requested that the ordinance be amended, including the date of February 22, 1984 as the effective date.

Councilman Boland and Councilman Bissette accepted an amendment to the ordinance, making the effective date February 22, 1984.

Mayor McDevitt requested that Council study the franchise ordinance, in particular Article XI dealing with the method of rate increase, i.e. Consumer Price Index method. He said there was very little flexibility as the ordinance now reads.

ORDINANCE NO. 1427 - BUDGET ORDINANCE AMENDMENT TO PROVIDE AN APPROPRIATION TO COVER THE CITY'S FISCAL 1983 COST ALLOCATION STUDY

6. Consideration was given to a budget ordinance amendment to provide an appropriation to cover the City's Fiscal 1983 Cost Allocation Study.

The City Manager said members of Council were furnished copies of the ordinance and it would not be read in its entirety. He said this budget amendment will provide an appropriation in the amount of $6,500 to cover the preparation of the City's Fiscal 1983 Cost Allocation Study. He said this plan will result in the recovery to the General Fund of a total of more than $500.000 in services provided to enterprise and federal fund activities.

Upon inquiry of Mayor McDevitt, the City Manager said in the event that sufficient recovery is not made to cover the cost of the study contingency funds are available at the present time.

Councilwoman Price moved for the adoption of Ordinance No. 1427. This motion was seconded by Councilwoman Frank.

Mr. Emrick stated that the developer is having problems with air flights and would be here shortly to give members of Council an update on the project. He suggested that Council continue the public hearing until Thursday afternoon.

Councilwoman Price requested that a table of contents, or major points highlighting the application be given to Council.

Ralph Bishop opposed the downtown development.

Councilwoman Price moved to continue the public hearing until Thursday, January 26, 1984 at 4:00 p.m. without further advertisement. This motion was seconded by Councilman Boland and carried unanimously.

Councilman Boland requested that the developer be present at the public hearing on Thursday and that every effort be made to keep the public informed on Council's action relative to the projects and the application.

RATE INCREASE FOR ASHEVILLE CABLEVISION

ORDINANCE NO. 1426 - AN ORDINANCE AMENDING ORDINANCE GRANTING FRANCHISE TO THE THOMS BROADCASTING COMPANY, INC. AS SUCH HAS BEEN ASSIGNED TO AMERICAN CABLE TV INVESTORS, A LIMITED PARTNERSHIP

5. Consideration was given to an ordinance amending ordinance granting franchize to the Thoms Broadcasting Company, Inc. as such has been assigned to American Cable TV Investors, a limited partnership, increasing the cablevision rates.

Mr. John Jerose with the American Cable TV, Investors, spoke in support of the ordinance increasing the rate stating that this action is a result of the Asheville/Buncombe Cable TV Study Committee. He said the ordinance outlines a 75 cent increase in monthly basic charges, an increase in installation charges, and an increase in the cost of additional outlets. He asked that Council look favorably upon the rate increase request, stating that they had not had an increase in over four years.

Mr. Don Williams, Accountant for the cable TV company spoke in support of the rate increase.

Mr. John Mason, Attorney representing American Cable TV Investors, also spoke in support of the rate increase. He said his understanding of the francise ordinance is that it is mandatory that City Council grant an increase as much as the increase in the Consumer Price Index. He said if Council increased the rates as much as the Consumer Price Index, the rate increase would be $2.62. He said that he felt the 75 cent rate increase requested is reasonable and standard.

A discussion was held relative to the method outlined in the franchise ordinance granting an increase, i.e. Consumer Price Index method.

Upon inquiry of Mayor McDevitt Mr. Mason said the American Cable TV company is withdrawing its petition for a one dollar rate incrase and reducing that to a 75 cent rate increase.

Peter Winslow, Chairman of the Asheville/Buncombe Cable TV Study Committee, requested that Council also request that the cable TV companies submit an annual audit financial statement prior to March 31 of each year attaching all capital expenditures to that statement. He said ground rules should be established for the

Mayor McDevitt said members of Council were furnished copies of the resolution and it would not be read in its entirety. He said the grant agreement in the amount of $110,767 is for the construction of a snow removal equipment building at the Asheville Airport. He said the FAA has approved the grant application and the grant agreements must be executed by the City.

Upon motion of Councilwoman Price, seconded by Councilwoman Frank, Resolution No. 84-13 was unanimously adopted.

CONTINUATION OF PUBLIC HEARING - UDAG (URBAN DEVELOPMENT ACTION GRANT) APPLICATION

RSOLUTION No. 84-19 - RESOLUTION AUTHORIZING SUBMISSION OF AN APPLICATION TO THE DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT THROUGH THE URBAN DEVELOPMENT ACTION GRANT PROGRAM

1. A public hearing relative to the submission of an UDAG (Urban Development Action Grant) application was continued.

Mayor McDevitt said at a meeting this morning the Buncombe County Commissioners agreed to participate in the downtown project, providing $1.5 million over a several year period. He said he was also contacted by a representative of the banking institutions, involved with the developers of the downtown project, stating that they are still in the negotiation process. He said they could not give any definite word on financing at this time. He said the financing package would probably not be ready until next week. However, the City needs to file the application with HUD and UDAG funding for the projects. He said the agreements with the developers and the financing packages could be completed at a later date.

Mayor McDevitt said the banking community has been working very diligently with the developers to see what could be done to participate in the downtown project. He said he appreciated the work, spirit, and efforts shown toward the project.

Councilman Boland said, in general, he is excited about the project. He said he felt the downtown projects would maintain the historic character of the area, provide jobs, bring back downtown street life, provide an arts center, museum

JANA WALTRIP - COMMENTS RELATIVE TO ABC BOARD

Jana Waltrip appeared before Council with several other former employees of the ABC Board addressing Council relative to being terminated from the ABC Board system. She outlined the details of her termination stating that she had filed a suit with EEOC for sexual harassment and discrimination.

Mayor McDevitt informed Jana Waltrip that City Council members have no jurisdiction with the ABC Board except to appoint members to said board. He said that Council would not have any jurisdiction relative to ABC employees.

Vice-Mayor Bratton said Council should appoint responsible people to the ABC Board and should have a say-so in their policies.

RECESS TO EXECUTIVE SESSION

Councilwoman Frank moved that Council recess to Executive Session to discuss personnel matters. This motion was seconded by Councilwoman Price and carried unanimously.

and specialty shops. He said the project will also expand the city's tax base and help to create minority enterprises. He said this could be a progressive movement toward making Asheville a regional center.

Councilwoman Price agreed with Councilman Boland's comments.

Vice-Mayor Bratton said she was also excited about the projects and said the South Pack Square Project is badly needed in order to bring minority businesses to the area. She said if any problems are encountered with this project she would like to be informed.

Councilman Bissette said he felt this was a very important step for Asheville and he has been impressed with the work and cooperation given to the projects by everyone.

Mayor McDevitt said the submission of the application is only the first step in developing downtown. He said many, many more steps will have to be taken such as agreements, financing, written details of the project, final plans, and approval of grants.

Ralph Bishop spoke in opposition to the projects.

Upon inquiry of Wandy Henry-Coleman, Mayor McDevitt responding to questions from her, said that public participation would continue in all phases of the projects.

Mayor McDevitt closed the public hearing at 4:43 p.m.

Mayor McDevitt said members of Council were previously furnished copies of the resolution and it would not be read in its entirely.

Upon motion of Vice-Mayor Bratton, seconded by Councilman Boland, Resolution No. 84-19 was unanimously adopted.

Complete text of Resolution No. 84-19 will be found in Resolution Book No. 14 at page 252.

Former Mayor Eugene C. Ochsenreiter, speaking on behalf of the Asheville Area Chamber of Commerce and a private citizen, said he appreciated Council's efforts on the projects and ask them to keep moving forward.

Mayor McDevitt, Councilwoman Price, and Councilman Boland thanked Mr. Ochsenreiter for his time and effort on the projects as well as all the interest he has in the City of Asheville.

Mayor McDevitt requested that the following letter be included in the minutes:

Honorable James B. Hunt, Jr.
Governor
State of North Carolina
State Capitol
Raleigh, N. C. 27611

Dear Governor Hunt,

This letter will serve as notice of my resignation from the Local Government Commission effective February 7, 1984. I do so with reluctance, however, I have been appointed by the Asheville City Council to the Asheville Buncombe Water Authority as Council representative. State law limits individuals to one elected and one appointed post, thus the reason for my resignation.

Although the choice was difficult, our city is facing some very hard decisions in the near future concerning a major expansion of our water system. I trust you understand my reasons for this action and greatly appreciate your past confidence in appointing me to this important Commission.

I look forward to continuing to work for Jim Hunt and the Great State of North Carolina and please call on me at any time I can be of assistance.

Sincerely yours,

Gordon S. Myers

PUBLIC HEARING - REZONING PROPERTY LOCATED ON SWEETEN CREEK ROAD

ORDINANCE NO. 1429 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED

2. A public hearing was held relative to rezoning property located on Sweeten Creek Road.

Mayor McDevitt opened the public hearing at 4:05 p.m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said the Asheville Planning and Zoning Commission at a meeting held on January 11, 1984, considered the requests of Mr. Peter Hall, owner, PECO, Inc., and Engineering Products, Inc., that his property on Sweeten Creek Road be rezoned from CS-Commercial Service District to HI-Heavy Industrial District. After review and discussion, the Commission voted to recommend to City Council that the property be rezoned from R-3 and CS-Commercial Service District to LI-Light Industrial District. He said the purpose for the rezoning is to expand an existing business. He said this would also take the present business out of a non-conforming use classification. He said the expansion would provide additional job force in the city.

Mayor McDevitt closed the publice hearing at 4:10 p.m.

The City Manager said members of Council were furnished copies of the ordinance and it would not be read in its entirety.

Assistant City Manager, William Wolcott, said he had received a request from Neagele Outdoor Advertising requesting that action on the sign permit be postponed for at least one week, giving them an opportunity to appear before Council.

Mr. Mac Cogburn spoke in opposition to approval of the sign permit, stating that the sign would detract from the attractiveness of the area, and would be detrimental to a proposed development in the area.

Mr. Michael Drye also spoke in opposition to the approval of the sign permit.

After discussion, Councilman Myers moved to deny the sign permit for Neagele Outdoor Advertising Company for placement of a billboard advertising sign on Poplar Street. This motion was seconded by Councilwoman Price.

Councilman Bissette made a substitute motion to defer action on the sign permit for two weeks, giving Neagele Outdoor Advertising Company an opportunity to be heard by Council. This motion died for the lack of a second.

Mayor McDevitt called for a vote on the original motion to deny the permit. This motion passed on a vote of 6-1, with Mayor McDevitt voting "no."

Mayor McDevitt said he voted "no" on the denial of the permit because he felt Council should give Neagele Outdoor Advertising Company an opportunity to be heard.

Councilman Boland requested a list of signs approved/disapproved by Council which are situated closer than 600 feet from a limited access highway.

After discussion, it was the consensus of Council to refer Councilman Boland's request to the Community Services Committee to develop this information and to look into the procedure for approval of such sign permits.

RESOLUTION NO. 84-25 - RESOLUTION OF SUPPORT AND COMMITMENT TO FUND THE WALL STREET AND PACK PLAZA DOWNTOWN DEVELOPMENT PROJECTS

8. Consideration was given to a resolution of support and commitment to fund the Wall Street and Pack Plaza Downtown Development projects.

The City Manager said members of City Council were furnished copies of the resolution, and it would not be read in its entirity.

Verl Emrick, Director of Planning, said this resolution would provide HUD with evidence of the local funding commitment to be submitted with the UDAG applications.

Ralph Bishop spoke in opposition to any downtown development.

Upon motion of Councilwoman Price, seconded by Councilman Boland, Resolution No. 84-25 was unanimously adopted.

Complete text of Resolution No. 84-25 will be found in Resolution Book No. 10 at page 258.

that Asheville Zoning Ordinance No. 322 be amended to permit existing apartment units in the R-1-Residental District to be converted to condominiums as a conditional use. He said the conditional use would have to be approved by the Board of Adjustments. He outlined the guidelines for the conditional uses for condominiums in the R-1 district.

Mayor McDevitt closed the public hearing at 4:25 p.m.

The City Manager said members of Council were furnished copies of the ordinance and it would not be read in its entirety.

Councilman Boland moved for the adoption of Ordinance No. 1431. This motion was seconded by Councilwoman Price.

On a roll call vote of 6-1, Ordinance No. 1431 passed on first reading, with Mayor McDevitt voting "no."

ORDINANCE NO. 1428 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING FOR THE CITY OF ASHEVILLE," AS AMENDED (SOUTH BUNCOMBE AREA)

5. Consideration was given to the third reading of Ordinance No. 1428, an ordinance amending Ordinance No. 322, known as "an ordinance providing for the zoning of the City of Asheville, as amended (South Buncombe area).

The City Manager said members of Council were furnished copies of the ordinance and it would not be re-read in its entirety.

On a roll call vote of 7-0, Ordinance No. 1428 passed on third and final reading.

Complete text of Ordinance No. 1428 will be found in Ordinance Book No. 10, at page 106-107.

SCHEDULING PUBLIC HEARING - REZONING PROPERTY ON WHITE PINE DRIVE

6. Councilman Boland moved to schedule a public hearing relative to rezoning property on White Pine Drive for March 13, 1984. This motion was seconded by Councilman Myers and carried unanimously.

REQUEST FOR APPROVAL OF SIGN PERMIT - NEAGELE OUTDOOR ADVERTISING - BILLBOARD SIGN ON POPLAR STREET

7. Consideration was given to a motion approving a sign permit for Neagele Outdoor Advertising for placement of a billboard advertising sign on Poplar Street.

Verl Emrick, Director of Planning, said Neagele Outdoor Advertising has applied for a sign permit to erect a billboard advertising sign on Poplar Street. He said this permit requires the approval of City Council pursuant to the Zoning Ordinance in that the sign will be situated closer than 600 feet from a limited access highway. He said the sign would be 300 square feet, double-faced. He said no such sign has been allowed on this section of I-240 in the past.

After the executive session, the Council went into open meeting.

PUBLIC HEARING CLOSING KENILWORTH DRIVE AT ITS INTERSECTION WITH PICKWICK DRIVE

RESOLUTION NO. 84-28 - RESOLUTION TO CLOSE KENILWORTH DRIVE AT ITS INTERSECTION WITH PICKWICK DRIVE IN THE CITY OF ASHEVILLE, NORTH CAROLINA

3. A public hearing was held relative to closing Kenilworth Drive at its intersection with Pickwick Drive.

Vice-Mayor Bratton opened the public hearing at 4:15 p.m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said the Asheville Planning and Zoning Commission at its December 14th meeting received a petition that Kenilworth Drive be dead-ended at its intersection with Pickwick Drive. This petition was from property owners adjacent to the proposed Summey apartments and supported by the Kenilworth Residents Association. The Commission felt that approval of the Summey Apartments should not be contingent upon this petition, and voted to transmit it to City Council as a separate issue. On January 17, 1984, Council scheduled a public hearing relative to the closing of this street.

Mr. Emrick said the Traffic Engineer had recommended three alternatives: (a) That a cul-de-sac be installed at the dead-end of Kenilworth Drive with a 25 foot radius which would be within the existing right-of-way at a cost of approximately $3,000.00. (b) To divert the cul-de-sac to one side of the road, within the existing right-of-way, at a cost of approximately $3,000.00. (c) To install a guard rail section at the end of Kenilworth Drive and to place appropriate signage. He said from a cost standpoint, the Traffic Engineer would recommend alternate (c), however, if Council chose not to install the guard rail, to go with alternate (a).

A discussion was held relative to traffic in the area, restricting use of property, and speed limits on Pickwick Drive.

Mr. Marc Rudow of 47 Kenilworth Drive spoke relative to the closing of Kenilworth Drive. He suggested that appropriate signage be placed on the road to ease the impact of traffic on Pickwick. He said the sign should divert traffic to River Road rather than Pickwick Road. He said the property owners in the area would be satisfied with the installation of a guard rail.

After discussion, Vice-Mayor Bratton closed the public hearing at 4:26 p.m.

The City Manager said members of Council were furnished copies of the ordinance and it would not be read in its entirety.

Upon motion of Councilwoman Frank, seconded by Councilman Boland, Resolution No. 84-28 was unanimously adopted.

Complete text of Resolution No. 84-28 will be found in Resolution Book No. 14 at Page 261, 262 and 263.

It was the consensus of Council to install a guard rail section with appropriate signage at the dead-end of Kenilworth Drive at the intersection with Pickwick Drive.

The City Manager said he had received a letter from Naegele Outdoor Advertising Company relative to the action Council took on the sign permit for this company on February 14. He requested that the following memorandum be made a part of the minutes:

MEMORANDUM TO: Ken Michalove, City Manager

FROM: William F. Wolcott, Jr. Associate City Manager/City Clerk
Carol Hensley, Deputy City Clerk

DATE: February 21, 1984

Ken, in response to your request of February 21 relative to a written report on what happened relative to the sign permit for Naegele Outdoor Advertising Company, this is to advise that normal routine procedure was to send items for the agenda to the Legal Department for review and placement on the agenda. This was done and the item was placed on the agenda for February 14th. On February 14, Don Dawson with Naegele Outdoor Advertising called our office at approximately 9:30 a.m. stating that he had just found out that the sign permit was on the agenda and would our office request that action on the sign permit be postponed for at least one week in order to give him an opportunity to be heard before Council. Mr. Dawson stated that he could not attend the meeting of February 14. Mr. Dawson was told that our office would relay his request to Council. This was done during the Council meeting and Council chose not to delay action. Mr. Dawson called our office on February 15 and was told of Council's action.

PUBLIC HEARING - REZONING PROPERTY LOCATED ON EMMA ROAD

3. A public hearing was held relative to rezoning property on Emma Road.

Mayor McDevitt opened the public hearing at 4:12 p.m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said the Asheville Planning and Zoning Commission, at a meeting held February 1, 1984, considered the petition of Mr. Carroll Fowler and others that Ward 6, Sheet 37, Lots 8, 9, 10, 11, and 12 be rezoned from LI-Light Industrial District to R-5 Residential District. The property is located on Emma Road. After review and discussion, the Commission voted to recommend that the property be rezoned as petitioned.

Mayor McDevitt turned the chair over to Vice-Mayor Bratton.

Mr. Emrick said the reason for the requested rezoning is to accommodate a residential use. He said the developers propose a mobile home park in close proximity to an existing mobile home park. He said the industrial zone does not allow for residential uses.

A discussion was held relative to criteria for mobile home parks and available sewer lines for the proposed development.

After discussion, Mayor McDevitt moved to continue the public hearing for two (2) weeks without further advertisement. This motion was seconded by Councilman Boland and carried on a voice vote of 5-1, with Councilwoman Price voting "no."

Mayor McDevitt took the chair over at 4:22 p.m.

PUBLIC HEARING - REZONING PROPERTY LOCATED ON WHITE PINE DRIVE

2. A public hearing was held relative to rezoning property located on White Pine Drive.

Mayor McDevitt said the Asheville Planning and Zoning Commission at a meeting held February 1, 1984, considered the request of Mr. Durward Johnson that Ward 8, Sheet 10, Lot 57, be rezoned from R-3 Residential District to OI - Office Institutional District. After discussing the issues of this request, the Commission voted to recommend denial of this petition to City Council. The petitioner has appealed the decision of the Asheville Planning and Zoning Commission, and Council must hold a public hearing on the rezoning matter pursuant to the Zoning Ordinance.

Mayor McDevitt opened the public hearing at 4:25 p.m.

The City Manager presented the notice to the public, setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said he had received a letter from Mr. Ron Payne, confirming that his client, Mr. Durward Johnson, did not wish to pursue the appeal and requested that the appeal be withdrawn. He said no further action of Council is required.

Upon inquiry of Councilwoman Price, Mr. Emrick said this particular rezoning issue was last discussed by Council in February of 1983. He said at that time Council took no action on the rezoning request.

A discussion was held relative to the process of appealing a decision of the Planning and Zoning Commission and the requirement of waiting one year before submitting the same rezoning request.

Jerry Bradley, resident of White Pine Drive, said the residents in the area would like this rezoning issue clarified. He said he would like Council to take action whereby petitioners could not request rezoning of this property for at least one year. He said the residents in the area are opposed to any rezoning in the area.

Councilman Bissette said, if necessary, he would like for Council to vote on the issue in order that it not be permitted to be resubmitted within one year. He also presented Council with a lengthy petition received from Mr. Jerry Bradley from residents in the area opposing the rezoning.

Upon inquiry of Mayor McDevitt, Corporation Counsel Slawter said, in his opinion, the petitioner had followed the procedures in the Zoning Ordinance, appealing the decision of the Asheville Planning and Zoning Commission. Therefore, he may have a right to resubmit the rezoning issue within a one year period if Council took no action on the request.

Complete text of Resolution No. 84-42 will be found in Resolution Book No. 14 at page 283.

Mayor McDevitt presented a copy of the resolution to Mr. Bill Murphy, Director of the Asheville Civic Center.

Mayor McDevitt read the resolution.

Upon motion of Councilman Myers, seconded by Councilwoman Frank, Resolution No. 84-44 was unanimously adopted.

Complete text of Resolution No. 84-44 will be found in Resolution Book No. 14 at page 285.

Mayor McDevitt presented a copy of the resolution to Ellen Carr and Lynn Trotter with the Junior League of Asheville.

PROCLAMATION - "NATIONAL SURVEYORS WEEK" - MARCH 11-17, 1984

Mayor McDevitt read a proclamation proclaiming March 11-17, 1984 as "National Surveyors Week."

Mayor McDevitt presented a copy of the resolution to Bobby McMahan, President of the Western Chapter of the North Carolina Society of Surveyors. He also recognized a number of other surveyors in attendance.

APPROVAL OF SALE OF DISPOSAL PARCELS - EAST RIVERSIDE RENEWAL PROJECT AND EAST END/VALLEY STREET PROJECTS

5. Mayor McDevitt said the Housing Authority of the City of Asheville has tentatively accepted the following bids for disposal parcels in the East Riverside Renewal Project and East End/Valley Street Projects:

Parcel	Reuse	Location	Price	Bid	Redeveloper
130	Residental	Adams St.	2,100	2,100	Allen & Barbara Doster
11, 21, 32	Church	Carroll St.	23,700	23,700	Triedstone Bapt. Church
40	Residental	Pine & Weaver St.	2,500	2,700	R & R Associates

Councilwoman Frank moved to approve the sale of the disposal parcels as recommended by the Housing Authority. This motion was seconded by Councilman Bissette and carried unanimously.

APPROVAL OF SIGN PERMIT - 645 PATTON AVENUE - MILL CREEK COMPANY

6. Consideration was given to the approval of a sign permit to install a freestanding sign at 645 Patton Avenue.

Mayor McDevitt said a request has been made to erect a freestanding sign at 645 Patton Avenue at Westgate-Hilton Inn ramp to advertise Mill Creek Company. Pursuant to the Zoning Ordinance the sign permit requires approval of Council in that it will be situated closer than 600 feet from a limited access highway.

Verl Emrick, Director of Planning, said the sign will consist of a total of 364 square feet, double-faced, 40 feet tall. He said the sign would have external illumination. He said the sign is in compliance with the Sign Ordinance.

Mr. John Buckner, President of Mill Creek Company, spoke in support of approval of the sign permit stating it was difficult for travelers to see their location. He said this sign would be closer to the road.

Upon inquiry of Councilwoman Price, Mr. Emrick said he did not think the sign would add to the existing congestion in this area.

Vice-Mayor Bratton moved to approve the sign permit for Mill Creek Company at 645 Patton Avenue. This motion was seconded by Councilman Myers and carried unanimously.

RESOLUTION NO. 84-45 - RESOLUTION TO ELECT A TAX SHELTER OF EMPLOYERS' CONTRIBUTIONS PAYABLE AS MEMBERS OF THE LAW ENFORCEMENT OFFICERS' RETIREMENT SYSTEM OF THE STATE OF NORTH CAROLINA

7. Consideration was given to a resolution to elect a tax shelter of employees' contributions payable as members of the Law Enforcement Officers' Retirement System of the State of North Carolina.

After discussion, Mayor McDevitt closed the public hearing at 4:35 p.m.

Councilwoman Price moved to accept the recommendation of the Planning and Zoning Commission to deny the rezoning request. This motion was seconded by Councilman Bissette and carried unanimously.

CONTINUATION OF PUBLIC HEARING - REZONING PROPERTY LOCATED ON EMMA ROAD

ORDINANCE NO. 1436 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED. (PROPERTY LOCATED ON EMMA ROAD)

3. A public hearing relative to rezoning property located on Emma Road was continued.

Mayor McDevitt said this public hearing was continued from the February 28, 1984 meeting.

Verl Emrick, Director of Planning, said the petitioner, Mr. Fowler, has requested the rezoning to allow placement of a single mobile home on his property. He said this rezoning would also make an adjoining mobile home park in conformance with the Zoning Ordinance.

Mayor McDevitt closed the public hearing at 4:40 p.m.

Councilwoman Price moved for the adoption of Ordinance No. 1436. This motion was seconded by Councilman Myers.

On a roll call vote of 6-0, Ordinance No. 1436 passed on first reading.

ORDINANCE NO. 1433 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED. (PROPERTY LOCATED ON PEARSON BRIDGE ROAD)

4. Consideration was given to the third reading of Ordinance No. 1433, an ordinance amending Ordinance No. 322, known as "An ordinance providing for the zoning of the City of Asheville," as amended. (Property located on Pearson Bridge Road.)

Mayor McDevitt said this ordinance was previously read on first and second reading and would not be reread in its entirety unless there was a specific request to do so.

On a roll call vote of 6-0, Ordinance No. 1433 passed on third and final reading.

Complete text of Ordinance No. 14-33 will be found in Ordinance Book No. 10 at page 114.

Councilwoman Price requested that the resolution be approved contingent upon final approval of the group development plan by City Council.

Mr. Jan Weigman spoke in support of approval of the resolution stating that the request and approval to the North Carolina Housing Finance Agency should not be contingent upon approval of the plans of the project since Council will approve the plans under the Group Development approval process.

Upon inquiry of Mayor McDevitt, Verl Emrick, Director of Planning, said modifying the resolution to be contingent upon final approval of the group development plan by City Council would not adversely affect the application with the North Carolina Housing Finance Agency.

Councilwoman Frank moved for the adoption of Resolution No. 84-47 contingent upon final approval of the group development plan for the project by City Council. This motion was seconded by Councilwoman Price and carried unanimously.

Complete text of Resolution No. 84-47 will be found in Resolution Book No. 14 at page 288.

RESOLUTION NO. 84-48 - RESOLUTION AUTHORIZING THE MAYOR TO ENTER INTO A CONTRACTUAL AGREEMENT WITH HARRY J. AND STELLA A. PAPPAS DOING-BUSINESS-AS PAPPAS TELECASTING OF THE CAROLINAS (WHNS-TV) TO LEASE SPACE FROM THE CITY OF ASHEVILLE AT THE CITY'S WHITE FAWN RADIO TOWER FOR THE PURPOSE OF RECEIVING AND TRANSMITTING TELEVISION SIGNALS IN AND AROUND THE ASHEVILLE/BUNCOMBE COUNTY AREA

10. Consideration was given to a resolution authorizing the Mayor to enter into a contractual agreement with Harry J. and Stella A. Pappas doing-business-as Pappas Telecasting of the Carolinas (WHNS-TV) to lease space from the City of Asheville at the City's White Fawn radio tower for the purpose of receiving and transmitting television signals in and around the Asheville/Buncombe County area.

Mayor McDevitt said members of Council were furnished copies of the resolution and the contract and it would not be read in its entirety.

Corporation Counsel Slawter said this particular item was discussed during the pre-council meeting and it was the consensus of Council to prepare a standard uniform lease for leases of this nature with possible additions and amendments to the particular leases.

Councilman Bissette moved for the adoption of Resolution No. 83-48 to authorize the Mayor to enter into a lease in a standard form to be worked out by the Corporation Counsel with Pappas Telecasting on the same terms as encompassed in the lease which was provided to City Council with certain revisions relating to the liability of the lessee in certain instances. This motion was seconded by Councilwoman Price and carried unanimously.

Complete text of Resolution No. 84-48 will be found in Resolution Book No. 14 at page 289.

Mayor McDevitt said members of Council were furnished copies of the resolution and it would not be read in its entirety.

Corporation Counsel Slawter said the resolution should include the date of January 31, 1984 as the effective date.

Upon motion of Councilwoman Frank, seconded by Councilwoman Price, Resolution No. 84-45 was unanimously adopted.

Complete text of Resolution No. 84-45 will be found in Resolution Book No. 14 at page 286.

RESOLUTION NO. 84-46 - RESOLUTION AUTHORIZING THE MAYOR ON BEHALF OF THE CITY OF ASHEVILLE TO EXECUTE A RIGHT-OF-WAY AGREEMENT BY AND BETWEEN THE CITY OF ASHEVILLE AND THE NORTH CAROLINA DEPARTMENT OF TRANSPORATION (PROPERTY LOCATED ON PINNER ROAD)

8. Consideration was given to a resolution authorizing the Mayor on behalf of the City of Asheville to execute a right-of-way agreement by and between the City of Asheville and the North Carolina Department of Transporation (property on Pinner Road).

Mayor McDevitt said members of Council were furnished copies of the resolution and it would not be read in its entirety.

Mayor McDevitt said the North Carolina Department of Transportation desires to pave SR 3496 and has requested a right-of-way across property owned by the City of Asheville on Pinner Road.

Upon motion of Vice-Mayor Bratton, seconded by Councilwoman Frank, Resolution No. 84-46 was unanimously adopted.

Complete text of Resolution No. 84-46 will be found in Resolution Book No. 14 at page 287.

RESOLUTION NO. 84-47 - RESOLUTION REQUESTING AND APPROVING THE PARTICIPATION OF THE NORTH CAROLINA HOUSING FINANCE AGENCY IN THE FINANCING OF A HOUSING PROJECT TO BE LOCATED IN THE CITY OF ASHEVILLE, NORTH CAROLINA

9. Consideration was given to a resolution requesting and approving the participation of the North Carolina Housing Finance Agency in the financing of a Housing Project to be located in the City of Asheville, North Carolina.

The City Manager said members of Council were furnished copies of the resolution and it would not be read in its entirety.

Mayor McDevitt said this resolution will request and approve a proposed 22-unit apartment facility to be located on Fairview Road and Ridge Avenue in Oakley by the North Carolina Housing Finance Agency.

Councilman Bissette requested that he be excused from discussion and vote on the issue in that his firm represents the developer of the proposed project.

Councilwoman Price moved to excuse Councilman Bissette from voting or discussing the issue. This motion was seconded by Councilwoman Frank and carried unanimously.

Upon motion of Councilwoman Frank, seconded by Councilman Myers, Resolution No. 84-51 was unanimously adopted.

Complete text of Resolution No. 84-51 will be found in Resolution Book No. 14 at page 292.

Mayor McDevitt said members of Council were furnished copies of the resolution and it would not be read in its entirety.

This resolution will authorize the City Manager to sign a contract for third-party Workers' Compensation administrative services with Gallagher-Bassett Insurance Service.

Upon motion of Councilman Bissette, seconded by Councilwoman Price, Resolution No. 84-52 was unanimously adopted.

Complete text of Resolution No. 84-52 will be found in Resolution Book No. 14 at page 293.

RESOLUTION NO. 84-__ - RESOLUTION TO CAUSE DEMOLITION OF HOUSE LOCATED AT 22 NORMANDY ROAD

15. Consideration was given to a resolution to cause demolition of house located at 22 Normandy Road.

Mayor McDevitt said members of Council were furnished copies of the resolution and it would not be read in its entirety.

Max Cogburn, Attorney, representing the owners of 22 Normandy Road, Mrs. Fletcher and Mrs. Gage, requested Council to give the property owners at least six weeks to complete the repairs at 22 Normandy Road. He said repairs on the dwelling are sixty percent (60%) complete. He said the property owners and the construction company working on the dwelling are in a dispute, and Stewart Construction Company has been released from working on the dwelling.

Mr. Cogburn said he had been told by the property owners that they could receive financial assistance from Mr. Charles Harrell.

After discussion, Councilman Myers said he felt the success of completing the repairs at 22 Normandy Road depends on financing of the repairs being in place. He suggested that Council allow Mr. Cogburn two weeks to work out a financing plan for the repairs and to report this information to City Council.

RESOLUTION NO. 84-49 - RESOLUTION AUTHORIZING THE CITY MANAGER OF THE CITY OF ASHEVILLE TO SIGN A CONTRACT WITH INTERNATIONAL BUSINESS MACHINES CORPORATION, A NEW YORK CORPORATION, FOR THE PURPOSE OF LEASING SPACE FROM THE CITY OF ASHEVILLE ON ITS RADIO TRANSMITTER SYSTEM

17. Consideration was given to a motion scheduling a public hearing relative to the adoption of an ordinance designating a building and property known as "Cedar Crest" located at 674 Biltmore Avenue in Buncombe County as historic property for March 27, 1984.

Councilwoman Frank moved to schedule a public hearing for March 27, 1984 to consider an ordinance designating "Cedar Crest" located at 674 Biltmore Avenue as historic property. This motion was seconded by Councilman Myers and carried unanimously.

RESOLUTION NO. 84-54 - RESOLUTION ENDORSING THE MASTER PLAN FOR THE WATER DISTRIBUTION SYSTEM IMPROVEMENTS

18. Consideration was given to a resolution endorsing the Asheville-Buncombe Water Authority Master Plan for Water Distribution System Improvements.

Mayor McDevitt said members of Council were furnished copies of the resolution and it would not be read in its entirety.

Upon motion of Councilwoman Frank, seconded by Councilman Myers, Resolution No. 84-54 was unanimously adopted.

Complete text of Resolution No. 84-54 will be found in Resolution Book No. 14 at page 295.

RESOLUTION NO. 84-55 - RESOLUTION AUTHORIZING THE MAYOR ON BEHALF OF THE CITY OF ASHEVILLE TO EXECUTE AN AGREEMENT BY AND BETWEEN THE CITY OF ASHEVILLE AND THE COUNTY OF BUNCOMBE PROVIDING FOR DISTRIBUTION TO THE COUNTY OF ITS PRO-RATA SHARE OF PAYMENTS MADE TO THE CITY BY THE DEVELOPER OF THE WALL STREET PROJECT

19. Consideration was given to a resolution authorizing the Mayor on behalf of the City of Asheville to execute an agreement with the County of Buncombe providing for the distribution of payments to the County from the payments which the City receives from Developers of the Wall Street project.

Mayor McDevitt said members of Council were furnished copies of the resolution and it would not be read in its entirety.

Upon motion of Councilman Bissette, seconded by Councilwoman Price, Resolution No. 84-55 was unanimously adopted.

Complete text of Resolution No. 84-55 will be found in Resolution Book No. 14 at page 296.

RESOLUTION NO. 84-56 - RESOLUTION ACCEPTING THE GRANT OF A PRESERVATION EASEMENT ON THE YMI CULTURAL CENTER BUILDING FROM THE YMI CULTURAL CENTER, INC.

20. Consideration was given to a resolution accepting the grant of a preservation easement on the YMI Cultural Center Building from the YMI Cultural Center, Inc.

Mr. Moore, Attorney for Stewart Construction Company, said he is in the process of filing civil action for a breach of contract relative to the repairs being made at 22 Normandy Road. He said it was his understanding that the only building permit issued for the repairs is to Stewart Construction Company. He said under an agreement with the City of Asheville and the owners of 22 Normandy Road, he is obligated to demolish the building at 22 Normandy Road.

Lem Moore, Director of Inspections, said if work is to be permitted to continue at 22 Normandy Road it would be necessary for Stewart Construction Company to cancel their building permit and a new permit obtained. He gave a current status report of the repairs made at 22 Normandy Road. He said the repairs are fifty to sixty percent (50-60%) complete. However, due to these repairs taking over six and one-half years, his department's credibility is in jeopardy.

Corporation Counsel Slawter said it was his recollection that the agreement entered into by the City of Asheville, the property owners at 22 Normandy Road, and Stewart Construction Company, stated that completion of repairs would be by July 1, 1983 or Stewart Construction Company would demolish the dwelling. He suggested that to assure completion of the repairs at 22 Normandy Road the City might consider requiring a performance bond from the property owners in question before Council authorizes repairs to continue.

After discusssion, Councilman Myers moved to table action on the resolution for two weeks, instructing Mr. Cogburn, Attorney for the property owners at 22 Normandy Road to report to Council with evidence of financing for the completion of the repairs at 22 Normandy Road and to present to Council a contract with a contractor capable of finishing the repairs. This motion was seconded by Vice-Mayor Bratton and carried unanimously.

Mr. Moore, Attorney for Stewart Construction Company said if Council wished to allow the repairs to continue, he would request that the City release Stewart Construction Company from any responsibility from the prior agreement entered into.

RESOLUTION NO. 84-53 - RESOLUTION AUTHORIZING THE MAYOR TO SIGN A CONTRACT FOR FIRE PROTECTION SERVICES WITH THE VETERANS ADMINISTRATION HOSPITAL AT OTEEN

16. Consideration was given to a resolution authorizing the Mayor to sign a contract for fire protection services with the Veterans Administration Hospital at Oteen.

Mayor McDevitt said members of Council were furnished copies of the resolution and it would not be read in its entirety.

The present agreement expires on March 31, 1984. The City staff and the VA staff have negotiated a new agreement for the period of April 1, 1984 through June 30, 1984.

Upon motion of Councilwoman Price, seconded by Councilman Bissette, Resolution No. 84-53 was unanimously adopted.

Complete text of Resolution No. 84-53 will be found in Resolution Book No. 14 at page 294.

APPROVAL OF SUBMITTAL OF ASHEVILLE-BUNCOMBE COUNTY ENERGY PROPOSAL TO THE NORTH CAROLINA ALTERNATIVE ENERGY CORPORATION

At the request of Mr. Jim Stokoe, with the Land of Sky Regional Council, Vice-Mayor Bratton moved to approve the submittal of a joint Asheville-Buncombe County Energy proposal to the North Carolina Alternative Energy Corporation (AEC) for assistance in an innovative financing field test. This motion was seconded by Councilwoman Price and carried unanimously.

Upon motion of Councilman Myers, seconded by Councilman Bissette, Resolution No. 84-57 was unanimously adopted.

Complete text of Resolution No. 84-57 will be found in Resolution Book No. 14 at page 298.

RESOLUTION NO. 84-58 - RESOLUTION AUTHORIZING THE CORPORATE COUNSEL OF THE CITY OF ASHEVILLE TO ENTER INTO AND PROCEED WITH ARBITRATION WITH APAC-CAROLINA, INC., ASHEVILLE DIVISION, PURSUANT TO THE TERMS AND CONDITIONS OF CONTRACT NUMBER E. 205.82 BY AND BETWEEN THE CITY OF ASHEVILLE AND APAC-CAROLINA, INC., ASHEVILLE DIVISION

22. Consideration was given to a resolution authorizing the Corporate Counsel of the City of Asheville to enter into and proceed with arbitration with APAC-Carolina, Inc., Asheville Division, pursuant to the terms and conditions of Contract Number E. 205.82 by and between the City of Asheville and APAC-Carolina, Inc., Asheville Division.

Mayor McDevitt said members of Council were furnished copies of the resolution and it would not be read in its entirety. He said this involves streets in the Patton/College/Pack Square area. He said the City of Asheville intends to get the streets repaired in this area.

Upon motion of Councilwoman Frank, seconded by Councilwoman Price, Resolution No. 84-58 was unanimously adopted.

Complete text of Resolution No. 84-58 will be found in Resolution Book No. 14 at page 299.

Jim Coman, staff person for the Historic Resources Commission, said the property has been on the real estate market for some time, and the dwelling is too large to be used for residential use. He said the designation of historic property would secure the property and provide tax benefits to the property owners.

Mayor McDevitt closed the public hearing at 4:10 p.m.

The City Manager said members of Council were furnished copies of the ordinance and it would not be read in its entirety.

Councilman Boland moved for the adoption of Ordinance No. 1437. This motion was seconded by Councilman Bissette.

On a roll call vote of 6-0, Ordinance No. 1437 passed on first reading.

ORDINANCE NO. 1436 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED (PROPERTY LOCATED ON EMMA ROAD)

3. Consideration of the third reading of Ordinance No. 1436, an ordinance amending Ordinance No. 322, known as "an ordinance providing for the zoning of the City of Asheville," as amended (property located on Emma Road).

Mayor McDevitt said this ordinance was previously read on first and second readings and would not be reread in its entirety, unless there was a specific request to do so.

On a roll call vote of 6-0, Ordinance No. 1436 passed on third and final reading.

Complete text of Ordinance No. 1436 will be found in Ordinance Book No. 10 at page ~~117~~ 119 .

ORDINANCE NO. 1438 - BUDGET ORDINANCE AMENDMENT TO PROVIDE FUNDS FOR A DEVELOPERS CONFERENCE

4. Consideration was given to a budget ordinance amendment to provide funds for a Developers' Conference.

Mayor McDevitt said members of Council were furnished copies of the ordinance, and it would not be read in its entirety.

Note: An appropriation of $500.00 is being transferred from the General Fund Contingency to City Council Budget to provide funds for the Developers' Conference.

Councilman Boland moved for the adoption of Ordinance No. 1438. This motion was seconded by Vice-Mayor Bratton.

On a roll call vote of 6-0, Ordinance No. 1438 passed on first and final reading.

Tuesday March 27, 1984 - 4:00 p.m.

Regular Meeting

Present: Mayor Larry McDevitt, Presiding; Vice-Mayor Wilhelmina Bratton; and Councilwoman Mary Lloyd Frank; Councilmen Gordon Myers, Walter R. Boland, and Louis Bissette; Corporation Counsel William F. Slawter; Acting City Manager William F. Wolcott, Jr.; Deputy City Clerk Carol Hensley.

Absent: Councilwoman Norma T. Price

INVOCATION

Councilwoman Frank introduced Rev. Meeks, Rector of St. Marys Episcopal Church, who gave the invocation.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the March 20, 1984 meeting.

Corporation Counsel Slawter noted that the minutes should be amended to reflect his absence at the March 20, 1984 meeting.

Upon motion of Councilwoman Frank, seconded by Vice-Mayor Bratton, the minutes of the March 20, 1984 meeting were unanimously approved as amended.

PUBLIC HEARING - ORDINANCE DESIGNATING "CEDARCREST" - 674 BILTMORE AVENUE - AS HISTORIC PROPERTY

ORDINANCE NO. 1437 - AN ORDINANCE DESIGNATING BUILDING AND PROPERTY KNOWN AS "CEDARCREST", LOCATED AT 674 BILTMORE AVENUE IN BUNCOMBE COUNTY AS HISTORIC PROPERTY

2. A public hearing was held relative to the adoption of an ordinance designating a building and property known as "Cedarcrest", located at 674 Biltmore Avenue in Buncombe County, as historic property.

Mayor McDevitt opened the public hearing at 4:08 p.m.

Mayor McDevitt noted that at the regular meeting and public hearing held on Wednesday, August 10, 1983, the Historic Resources Commission of Asheville and Buncombe County voted unanimously to recommend to Asheville City Council the designation of "Cedarcrest", 674 Biltmore Avenue, Asheville, as local historic property.

The City Manager presented a notice to the public setting the date and time for the public hearing and the affidavit for publication.

Verl Emrick, Director of Planning, said a public hearing is required for the historic designation. He said this property is also known as the "Old Kenilworth Lodge".

Lem Moore, Director of Inspections, said the Division of Inspections is in no position to issue a building permit to anyone other than Stewart Construction Company until they have been released of their building permit. He said the dwelling would have to be brought up to the North Carolina State Building Code.

Councilman Myers moved to postpone action on the demolition for two weeks, with instructions to the property owners to submit a written report to Council in one week, relative to their successfulness in obtaining financial commitments and a contract to do the work. This motion was seconded by Councilman Bissette and carried unanimously.

RESOLUTION NO. 84-63 - RESOLUTION AUTHORIZING THE MAYOR ON BEHALF OF THE CITY OF ASHEVILLE TO EXECUTE AN AMENDMENT TO THE CONTRACT FOR THE HOUSING AUTHORITY OF THE CITY OF ASHEVILLE PROVIDING FOR THE PREPARATION AND IMPLEMENTATION OF A REDEVELOPMENT PLAN FOR THE WALL STREET AND SOUTH PACK SQUARE PROJECTS.

7. Consideration was given to a resolution authorizing the Mayor on behalf of the City of Asheville to execute an amendment to the contract for the Housing Authority of the City of Asheville, providing for the preparation and implementation of a redevelopment plan for the Wall Street and South Pack Square Projects.

Mayor McDevitt said members of Council were furnished copies of the resolution and it would not be read in its entirety.

Mayor McDevitt said pursuant to Resolution No. 83-203, the Mayor executed a contract for the Housing Authority for the preparation and implementation of a redevelopment plan for the Wall Street Project and the South Pack Square Project. He said the cost for services by the Authority could not be determined at the time the contract was executed, and the contract provided that the cost of services to be provided by the Authority would be established by an amendment to the contract. He said the Authority has submitted a letter to the City, telling its cost estimate for provision of certain services for preparation of a redevelopment plan. He said the amendment provides that the City will pay the Authority an amount not th exceed $46,350.00.

Upon motion of Councilman Boland, seconded by Councilwoman Frank, Resolution No. 84-63 was unanimously adopted.

Complete text of Resolution No. 84-63 will be found in Resolution Book No. 14 at Page 304.

SCHEDULING PUBLIC HEARING - SITE PLAN FOR PROPOSED OAKLEY APARTMENTS TO BE LOCATED ON RIDGE AVENUE AND FAIRVIEW ROAD.

8. Councilman Myers moved to schedule a public hearing relative to the site plan of the proposed Oakley Apartment to be located on Ridge Avenue and Fairview Road for April 10, 1984. This motion was seconded by Councilwoman Frank and carried unanimously.

Complete text of Ordinance No. 1438 will be found in Ordinance Book No. 10 at page ~~121~~ 123 ℄.

Councilman Boland noted that the Developers' Conference would be held at UNC-A on April 26, 1984.

Ralph Bishop spoke in opposition to the adoption of the ordinance.

RESOLUTION NO. 84-62 - RESOLUTION AUTHORIZING APPROPRIATION FOR ECONOMIC DEVELOPMENT CONFERENCE.

5. Consideration was given to a resolution authorizing appropriation for the Economic Development Conference.

Mayor McDevitt said copies of this resolution were furnished to members of Council and it would not be read in its entirety.

Upon motion of Councilwoman Frank, seconded by Councilman Bissette, Resolution No. 84-62 was unanimously adopted.

Complete text of Resolution No. 84-62 will be found in Resolution Book 14 at page ~~309~~. 312 ℄.

DISCUSSION RELATIVE TO THE DEMOLITION OF 22 NORMANDY ROAD

6. Mayor McDevitt said at the Council Meeting of March 13, 1984, a discussion was held relative to directing the Director of Inspections and Demolitions to take all steps necessary to effectuate a demolition of 22 Normandy Road at the earliest possible date. He said action on this was postponed until March 27, 1984, giving the property owners additional time to submit further information.

Max Cogburn, Attorney for the property owners of 22 Normandy Road, said the financial commitment and contract to complete the repairs at 22 Normandy Road have not been completed. He said the property owners are still working on obtaining these documents. He said the property owners are in the process of selling property at 25 Normandy Road in order to have financial funds to make the repairs at 22 Normandy Road. He said he anticipated the sale of 25 Normandy Road to be complete within one week. He said Mr. Jones, a contractor, has agreed to complete the repairs at 22 Normandy Road for an overall amount of $30,000.00. He said the contract with the contractor is contingent upon the owner's receiving financial funds. He said the property owners have succeeded in bringing the dwelling within sixty percent (60%) completion and intend to spend additional funds to complete the repairs. He requested additional time of one week to complete the necessary arrangements for the repairs of the house.

Upon inquiry of Councilman Bissette, Mr. Jones, the proposed contractor, said he could start work immediately and have completion in six to eight weeks.

ANNOUNCEMENT OF INTERRUPTION OF WATER SERVICE - MEADOW ROAD AND PART OF McDOWELL STREET.

The City Manager announced that there would be an interruption of water service on Wednesday, Marcy 28, 1984, at 9:00 p.m. on Meadow Road and part of McDowell Street. He said this is for the purpose of installing two common 12" main line valves on Meadow Road. He said customers will experience low pressure and no water until work is completed. He said the water service should be restored by 3:00 a.m., Thurday.

SCHEDULING PUBLIC HEARING - RENAMING OF PINE STREET TO "MARTIN LUTHER KING DRIVE".

Councilwoman Frank moved to schedule a public hearing relative to the naming of Pine Street to "Martin Luther King Drive", for April 10, 1984. This motion was seconded by Councilman Boland and carried unanimously.

Mayor McDevitt requested that a letter be sent to Mr. Horn and Mr. Walker, petitioners, explaining that the City must follow State Statute in renaming the street.

JON WILFONG - PRICE WATERHOUSE

Mr. Jon Wilfong with the Price Waterhouse Company, appeared before Council, stating that he looked forward to working with the City in the auditing services for fiscal year ending June 30, 1984.

RALPH BISHOP - COMMENT RELATIVE TO PACK MEMORIAL LIBRARY

Ralph Bishop again spoke to Council relative to the Pack Memorial Library being included in the proposed downtown developments.

ADJOURNMENT

Mayor McDevitt adjourned the meeting at 4:55 p.m.

Lon McDevitt
MAYOR

William J. Holcomb
CITY CLERK

RESOLUTION NO. 84-64 - RESOLUTION AUTHORIZING THE MAYOR TO CONSENT TO THE DEMOLITION OF 59 TREMONT STREET.

9. Consideration was given to a resolution authorizing the Mayor to consent to the demolition of 59 Tremont Street.

Mayor McDevitt said members of Council were furnished copies of the resolution and it would not be read in its entirety.

Note: This dwelling is owned by the Buncombe County Board of Tax Supervision. This resolution will authorize the Mayor to consent to the demolition of 59 Tremont Street. Demolition requires the consent of the City of Asheville and the County of Buncombe. Several weeks ago the dwelling partially collapsed and poses a serious safety and health hazard.

Upon motion of Councilwoman Frank, seconded by Councilman Boland, Resolution No. 84-64 was unanimously adopted.

Complete text of Resolution No. 84-64 will be found in Resolution Book No. 14 at Page ~~305.~~ 314

RESOLUTION NO. 84-65 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE AN AGREEMENT WITH PRICE WATERHOUSE FOR AUDITING SERVICES FOR THE FISCAL YEAR ENDING JUNE 30, 1984.

10. Consideration was given to a resolution authorizing the Mayor to execute an agreement with Price Waterhouse for auditing services for the fiscal year ending June 30, 1984.

Mayor McDevitt said members of Council were furnished copies of the resolution and it would not be read in its entirety.

Note: N. C. General Statutes requires that local governments of North Carolina submit an annual audit to the Local Government Commission. The City of Asheville requested proposals for auditing services from various accounting firms. A committee of the City Council and City staff members have examined the proposal submitted and made recommendations. Price Waterhouse has been appointed to perform auditing services for the City of Asheville for the fiscal year ending June 30, 1984. The funding for auditing services to be performed by Price Waterhouse shall be included in the City's operating budget. Said services shall be performed at a fee of $27,000.00.

Upon motion of Councilman Myers, seconded by Councilwoman Frank, Resolution No. 84-65 was unanimously adopted.

Complete text of Resolution No. 84-65 will be found in Resolution Book No. 14 at Page ~~306.~~ 315

CLAIMS - ROBERT CANSLER (INSPECTIONS) - LAWRENCE RICE (SEWER)

The City Manager presented claims received from Robert Cansler and Lawrence Rice.

Mayor McDevitt referred the claims to the Corporation Counsel for investigation and recommendation.

PRESENTATION OF "CERTIFICATES OF RECOGNITION OF EXTRAORDINARY PERSONAL ACTION" - FIREMAN

2. Mayor McDevitt said Company Commander Jack H. Taylor, Company Commander Ted M. Stroup, Firefighters Phillip A. Meese and James E. Fox were recently involved in saving a life during a major fire. He said Chief Ball from the Asheville Fire Department had given commendation letters to these firemen for their extraordinary efforts.

Mayor McDevitt presented each of the firemen a "Certificate of Recognition of Extraordinary Personal Action" from the Red Cross.

ORDINANCE NO. 1437 - AN ORDINANCE DESIGNATING A BUILDING AND PROPERTY KNOWN AS "CEDAR CREST" LOCATED AT 674 BILTMORE AVENUE IN BUNCOMBE COUNTY AS HISTORIC PROPERTY

3. Consideration was given to the second reading of Ordinance No. 1437, an ordinance designating a building and property known as "Cedar Crest" located at 674 Biltmore Avenue in Buncombe County as historic property.

Mayor McDevitt said this ordinance was previously read on first reading and would not be reread in its entirety unless there was a specific request to do so.

On a roll call vote of 6-0, Ordinance No. 1437 passed on second reading.

REPORT RELATIVE TO DEMOLITION OF 22 NORMANDY ROAD

The following written report was presented to members of Council:

April 3, 1984

Mayor and Members of the City Council
City Building
Asheville, North Carolina

Re: Mrs. Lottie Jean Fletcher and
Mrs. Elizabeth Gage
22 Normandy Road
Asheville, North Carolina

Dear Mr. Mayor and Members of the City Council:

At your meeting last Tuesday, March 27, 1984, you allowed Mrs. Fletcher and Mrs. Gage a delay of two (2) weeks, that is, to April 10, 1984, for consideration of the resolution to cause demolition of the house located at 22 Normandy Road, Asheville, North Carolina. A condition of this delay was that they report to you on this date in writing as to the progress, if any, made in obtaining the execution of a written contract for the necessary repair work on the house at 22 Normandy Road and the obtaining of the necessary funds to pay for the performance of that work.

Tuesday, April 3, 1984 - 4:00 p.m.

Regular Meeting

Present: Mayor Larry McDevitt, Presiding; Vice-Mayor Wilhelmina Bratton; Councilwomen Mary Lloyd Frank and Norma T. Price; Councilmen Walter R. Boland and Louis Bissette; Corporation Counsel William F. Slawter; Acting City Manager William F. Wolcott, Jr.; Deputy City Clerk Carol Hensley.

Absent: Councilman Gordon Myers.

INVOCATION

The invocation was given by Councilman Boland.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the March 27, 1984 meeting.

Upon motion of Councilman Boland, seconded by Councilwoman Frank, the minutes of the March 27, 1984 meeting were unanimously approved as submitted.

PROCLAMATION - "SCHOOL LIBRARY MEDIA DAY" - APRIL 11, 1984

Mayor McDevitt read a proclamation proclaiming April 11, 1984 as "School Library Media Day."

Mayor McDevitt presented the proclamation to Carolyn Andrade.

RESOLUTION NO. 84-66 - RESOLUTION COMMENDING ASHEVILLE HIGH SCHOOL ON THEIR PARTICIPATION IN THE INTERNATIONAL EXCHANGE PROGRAM AND RECOGNIZING THE FOREIGN EXCHANGE STUDENTS FROM JAPAN, NORWAY, TURKEY, IRELAND, FINLAND, AND GERMANY THAT ARE PARTICIPATING IN THE PROGRAM

Consideration was given to a resolution commending Asheville High School on their participation in the International Exchange Program and recognizing the Foreign Exchange Students from Japan, Norway, Turkey, Ireland, Finland, and Germany that are participating in the program.

Mayor McDevitt read the resolution.

Upon motion of Councilwoman Price, seconded by Vice-Mayor Bratton, Resolution No. 84-66 was unanimously adopted.

Complete text of Resolution No. 84-66 will be found in Resolution Book No. 14 at page ~~307~~. 316

Mayor McDevitt presented a copy of the resolution to Mr. O. L. Sherrill, Principal of Asheville High School.

Mayor McDevitt also presented individual welcome letters to all students in attendance.

Mayor McDevitt noted that this item was discussed during the pre-council work session. He said there was a technical deadline for taking action on the bids of April 6, 1984.

Mayor McDevitt outlined the details of the bid proposals.

Councilman Boland said in his opinion, Council should develop some criteria for receiving information about contractors on major contracts, such as the amount of business done by the company in past years and a break down of their track record. He said every avenue should be taken to protect the City on major contracts.

Councilman Bissette expressed concern relative to voting on the bid proposals without further investigation. He said his major concern is the great disparity in the bid amounts and the great disparity in the engineering cost estimates.

After discussion, Mayor McDevitt read the resolution and presented the bid tabulations for members of Council.

Mayor McDevitt said he was also concerned about the disparity in bid amounts and the engineering costs.

Councilwoman Price moved for the adoption of Resolution No. 84-67. This motion was seconded by Councilwoman Frank and carried on a voice vote of 4-2, with Vice-Mayor Bratton and Mayor McDevitt voting "no."

Complete text of Resolution No. 84-67 will be found in Resolution Book No. 14 at page ~~300~~. 301

CATHY GUTHRIE - INVITATION TO UNC-A NUCLEAR FAIR

Cathy Guthrie, with the UNC-A Student Government, invited all members of Council to a "Nuclear Fair" on Friday, April 6, 1984 at 12 Noon until 4:00 p.m. She said this was on open broad-based educational program.

Mayor McDevitt thanked Cathy Guthrie for the personal invitation to each member of Council.

RALPH BISHOP - COMMENTS RELATIVE TO THE ECONOMIC DEVELOPMENT CONFERENCE

Ralph Bishop spoke in opposition to the City of Asheville spending $500 for an Economic Development Conference.

Councilman Boland responded to Mr. Bishop stating that the conference should not cost $500. He said this conference would allow developers and City staff to develop a dialogue of problems with City ordinances or departments relating to development. He said the major cost in the conference would be the printing of brochures, stamps, stationery, and the returning of application forms for the conference.

You will recall that Mr. William F. Jones, Jr. appeared at your meeting last week, presented a portion of the terms upon which he would contract to do the work and was to provide the remainder of the contractual information in order that a contract could be drawn and executed. I have not received that information and, therefore, must report that no contract for work on this house has been signed at this time.

You will also recall that at your meeting last week it was stated that Mrs. Elizabeth Gage had entered into a contract to sell certain real property which she owns in the City of Asheville to obtain funds to pay for this repair work. That contract has been signed with Mr. John Steven Walker, providing for a closing on May 15, 1984. I am attaching a copy of this contract for your information.

Mrs. Gage is undertaking to contact Mr. Jones and I hope to be able to report next week that a contract has been made.

Sincerely yours,

Max O. Cogburn

SCHEDULING PUBLIC HEARING - UDAG APPLICATION - (WALL STREET PROJECT)

Councilwoman Price moved to schedule a public hearing for April 17, 1984 to consider a resolution authorizing the resubmittal of a UDAG application for the Wall Street project. This motion was seconded by Vice-Mayor Bratton and carried unanimously.

Mayor McDevitt said the reason for the resubmittal is that the two projects, Wall Street and South Pack Square, were submitted in one UDAG application. He said the South Pack Square project received approval, and now it is necessary to resubmit a separate application for the Wall Street project.

CLAIMS - OSBORNE HART (WATER) - FRANK KING (WATER) - GUY ROBERTS (WATER) - RICHARD RAYMER (SANITATION)

The City Manager presented claims received from Osborne Hart, Frank King, Guy Roberts, and Richard Raymer.

Mayor McDevitt referred the claims to the Corporation Counsel for investigation and recommendation.

RESOLUTION NO. 84-67 - RESOLUTION AUTHORIZING THE MAYOR TO SIGN ON BEHALF OF THE CITY OF ASHEVILLE A CONTRACT WITH LEONARD SMITH ROOFING AND SHEET METAL, INC., FOR THE PROJECT KNOWN AS ASHEVILLE CIVIC CENTER ROOF REPAIRS

Consideration was given to a resolution authorizing the Mayor to sign on behalf of the City of Asheville a contract with Leonard Smith Roofing and Sheet Metal, Inc. for the project known as the Asheville Civic Center Roof Repairs.

Tuesday, April 10, 1984 - 4:00 p.m.

Regular Meeting

Present: Mayor Larry McDevitt, Presiding; Vice-Mayor Wilhelmina Bratton; Councilwomen Mary Lloyd Frank and Norma T. Price; Councilmen Gordon Myers, Walter R. Boland, and Louis Bissette; Corporation Counsel William F. Slawter; Acting City Manager William F. Wolcott, Jr.; Deputy City Clerk Carol Hensley.

Absent: None

INVOCATION

The invocation was given by Councilman Bissette.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the April 3, 1984 meeting.

Upon motion of Councilwoman Price, seconded by Councilman Boland, the minutes of the April 3, 1984 meeting were unanimously approved as amended.

PUBLIC HEARING - CLOSING UNNAMED ALLEY - HILLIARD AVENUE TO SAWYER STREET

RESOLUTION NO. 84-69 - RESOLUTION TO CLOSE AN UNNAMED PUBLIC ALLEY JOINING HILLIARD AVENUE TO SAWYER STREET IN THE CITY OF ASHEVILLE, NORTH CAROLINA

2. A public hearing was held relative to closing an unnamed public alley joining Hilliard Avenue to Sawyer Street in the City of Asheville, North Carolina.

Mayor McDevitt opened the public hearing at 4:16 p.m.

The City Manager presented the notice to the public, setting the time and date for the public hearing and the affidavit of publication.

Mr. Vincent Childress, Attorney for the petitioners, spoke in support of the closing of the public alley. He said no individual owning property in the vicinity of the public alley would be deprived of ingress or egress to their property by the closing of the alley. He said, in fact, the closing of the alley would be a benefit to the public.

Upon inquiry of Councilman Bissette, Mr. Emrick said no opposition had been received relative to the closing of the alley.

Mayor McDevitt closed the public hearing at 4:18 p.m.

Mayor McDevitt said members of Council were previously furnished copies of the resolution and it would not be read in its entirety.

Upon motion of Councilwoman Frank, seconded by Councilman Bissette, Resolution No. 84-69 was unanimously adopted.

Complete text of Resolution No. 84-69 will be found in Resolution Book No. 14 at page ~~310~~. 311

CHARLES WILSON - PLASTEX SIGN COMPANY - COMMENTS RELATIVE TO CITY SELLING "HANDICAPPED SIGNS"

Mr. Charles Wilson, owner of Plastex Sign Company, told members of Council he did not think the City of Asheville should be selling "Handicapped Signs." He said the City sells them at a much lower cost than an individual sign company can sell the signs. He said the City Inspections Division is selling Handicap Signs for $4.00. He said this is unfair competition and the City should not be in competition with any business in the City of Asheville. He said he had previously brought this matter to the attention of the City Manager but, however, nothing has been done as of yet. He asked the City Council to see that the City cease and desist in selling the Handicapped Signs.

Lem Moore, Director of Inspections, said his office sells the Handicapped Signs in an effort to obtain compliance with statutory requirements for Handicapped Signs. He said the City purchases the signs from the North Carolina League of Municipalities.

Mayor McDevitt informed Mr. Wilson that Council would look into his request.

RECESS INTO EXECUTIVE SESSION

Councilwoman Price moved that Council recess into Executive Session. This motion was seconded by Vice-Mayor Bratton and carried unanimously.

RESOLUTION NO. 84-68 - RESOLUTION AUTHORIZING THE MAYOR TO SIGN AN AGREEMENT WITH THE ASHEVILLE-BUNCOMBE DEVELOPMENT CORPORATION COMMITTING CITY PROPERTY TO THE INCUBATOR FACILITY PROGRAM

Consideration was given to a resolution authorizing the Mayor to sign an agreement with the Asheville-Buncombe Development Corporation committing City property to the Incubator Facility Program.

Mayor McDevitt read the resolution.

Upon motion of Vice-Mayor Bratton, seconded by Councilman Boland, Resolution No. 84-68 was unanimously adopted.

Complete text of Resolution No. 84-68 will be found in Resolution Book No. 14 at page ~~309~~ 319.

ADJOURNMENT

Upon motion of Vice-Mayor Bratton, seconded by Councilwoman Price, the meeting adjourned.

Lem McDevitt
MAYOR

William F. Malcuit
CITY CLERK

Ordinance. After review and discussion, the Commission voted to recommend approval of the site plan to City Council subject to compliance with the Erosion Control Ordinance.

Mr. Emrick said the project would include 20 apartments in two buildings on 1.4 acres. He said the property was zoned R-3 Residential and is within the density level requirements. He said the project is in compliance with all regulations. He said water and sewer is available on site for the project.

Mayor McDevitt closed the public hearing at 4:29 p.m.

Councilman Bissette requested that he be excused from discussion and vote on the Oakley Apartment project due to a conflict of interest. He said he represents the architect for the project, Mr. Jan Wiegman.

Councilman Boland moved to excuse Councilman Bissette from discussion and vote on the Oakley Apartment project. This motion was seconded by Councilwoman Price and carried unanimously.

Councilwoman Price moved to approve the site plan of the proposed Oakley Apartments to be located on Ridge Avenue and Fairview Road subject to the Planning and Zoning Commission's recommendation. This motion was seconded by Councilman Boland and carried unanimously.

Councilwoman Frank was excused from the meeting at 4:30 p.m

ORDINANCE NO. 1437 - AN ORDINANCE DESIGNATING A BUILDING AND PROPERTY KNOWN AS "CEDAR CREST" LOCATED AT 674 BILTMORE AVENUE IN BUNCOMBE COUNTY AS HISTORIC PROPERTY

5. Consideration was given to the third reading of Ordinance No. 1437, an ordinance designating a building and property known as "Cedar Crest" located at 674 Biltmore Avenue in Buncombe County as Historic property.

Mayor McDevitt said this ordinance was previously read on first and second reading and would not be reread in its entirety unless there was a specific request to do so.

On a roll call vote of 6-0, Ordinance No. 1437 passed on third and final reading.

Complete text of Ordinance No. 1437 will be found in Ordinance Book No. 14 at page [illegible], [illegible], and [illegible]. 120, 121 and 122.

Councilwoman Price was excused from the meeting at 4:32 p.m.

BIDS - THREE (3) REFUSE COLLECTION VEHICLES

6. Consideration was given to bids received for three (3) refuse collection vehicles.

The City Manager said on March 23, 1984 sealed bids were received to furnish three (3) refuse collection vehicles. Four (4) bids were received. Recommendation to award the bid to Western Carolina Truck Center, Inc., for Alternate No.1 in the amount of $233,273.40.

PUBLIC HEARING - CHANGING THE NAME OF PINE STREET TO MARTIN LUTHER KING DRIVE

RESOLUTION NO. 84-70 - RESOLUTION CHANGING THE NAME OF A SECTION OF PINE STREET TO MARTIN LUTHER KING DRIVE

3. A public hearing was held relative to changing the name of Pine Street to Martin Luther King Drive.

Mayor McDevitt opened the public hearing at 4:20 p.m.

The City Manager presented the notice to the public, setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said all property owners in the vicinity of Pine Street had been notified of Council's intent to change the name of the street to Martin Luther King Drive. He said the street was also posted in three prominent places. He said this would change that section of Pine Street extending southerly from College Street to South Charlotte Street to Martin Luther King Drive.

He said no objections had been received relative to the renaming of this street.

Mayor McDevitt closed the public hearing at 4:22 p.m.

The City Manager said members of Council were previously furnished copies of the resolution and it would not be read in its entirety.

Upon motion of Councilwoman Frank, seconded by Councilwoman Price, Resolution No. 84-70 was unanimously adopted.

Complete text of Resolution No. 84-70 will be found in Resolution Book No. 14 at page ~~311~~. 321 PC

SCHEDULING PUBLIC HEARING - RENAMING SECTION OF PINE STREET TO TOWN MOUNTAIN ROAD

Councilwoman Price moved to schedule a public hearing relative to changing a section of Pine Street extending southerly from Town Mountain Road to Poplar Street be renamed to Town Mountain Road for May 8, 1984. This motion was seconded by Councilman Bissette and carried unanimously.

PUBLIC HEARING - SITE PLAN - OAKLEY APARTMENTS - RIDGE AVENUE AND FAIRVIEW ROAD

4. A public hearing was held relative to the site plan of the proposed Oakley Apartments to be located on Ridge Avenue and Fairview Road.

Present: Mayor Larry McDevitt, Presiding; Vice-Mayor Wilhelmina Bratton; and Councilwomen Mary Lloyd Frank and Norma T. Price; Councilmen Gordon Myers and Walter R. Boland; Corporation Counsel William P. Slawter; Acting City Manager William F. Wolcott, Jr.; Deputy City Clerk Carol Hensley.

Absent: Councilman Louis Bissette

INVOCATION

The invocation was given by Councilwoman Norma T. Price.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the April 10, 1984, meeting.

Upon motion of Councilman Boland, seconded by Councilwoman Price, the minutes of the April 10, 1984, meeting were unanimously approved as submitted.

PUBLIC HEARING - UDAG (URBAN DEVELOPMENT ACTION GRANT) - WALL STREET AREA PROJECT

2. A public hearing was held relative to a UDAG (Urban Development Action Grant) for the Wall Street Area Project.

Mayor McDevitt opened the public hearing at 4:03 p.m.

The City Manager presented the notice to the public, setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said the Southeastern and N.C.N.B. Development Corporation is not quite ready for the resubmission of the UDAG grant. He suggested that Council wait until Southeastern and N.C.N.B. Development Corporation submits any revisions to the grant before proceeding.

Mayor McDevitt said it was his understanding there was no change in the plans for the project since the last submission to HUD.

Mr. Emrick said Southeastern and N.C.N.B. Development Corporation has asked for additional time to obtain financial commitments and for their presentation to HUD. However, the submission of the grant must be by the end of April, 1984.

Mayor McDevitt closed the public hearing at 4:06 p.m.

A discussion was held relative to whether or not another public hearing would be required before submitting a new application for the Wall Street Area Project to HUD.

Corporation Counsel Slawter recommended that Council continue this public hearing until information is received from Southeastern and N.C.N.B. Development Corporation.

RALPH BISHOP - REPLACEMENT OF STRUCTURE ON CITY-COUNTY PLAZA

Ralph Bishop appeared and requested that Council replace the structure on the City-County Plaza with flowers and trees.

DISCUSSION RELATIVE TO DEMOLITION OF 22 NORMANDY ROAD

Max Cogburn, Attorney for owners of 22 Normandy Road said the owners are proposing to sell their property at 25 Normandy Road to complete the necessary repairs at 22 Normandy Road. He said the closing date for the sale of 25 Normandy Road is May 15, 1984. He said the contract to complete the repairs at 22 Normandy Road had not yet been completed.

Mayor McDevitt said it was the consensus of Council to postpone action relative to the demolition of 22 Normandy Road until May 22, 1984 giving the property owners an opportunity to produce a contract for completion of the repairs at 22 Normandy Road and financial commitment to do so.

COUNCIL RECESS

Mayor McDevitt said members of Council would recess into Executive Session and at the completion of that Executive Session would again recess until Thursday, April 12, 1984 at 12:00 Noon for another Executive Session at which time the meeting would be adjourned.

ADJOURNMENT

For the lack of a quorum, the meeting adjourned at 12:00 Noon on Thursday, April 12, 1984.

RALPH BISHOP - COMMENTS RELATIVE TO POTHOLES

Ralph Bishop spoke to Council relative to potholes on Pickwick Drive.

COURTLAND AVENUE - NIGHTCLUB - BOOTLEGGING OUTFIT

Jack Brown of 92 Courtland Avenue appeared before Council seeking relief of disturbances at 97 Courtland Avenue from a "nightclub" and "bootlegging outfit." He said "the nightclub has a jukebox blaring all night, they use the bathroom on the street, and they keep residents awake until all hours." He requested that Council investigate the disturbances.

Helen Wyatt, of 96 Courtland Avenue, also spoke relative to this subject. She said she had called the Police at least once a night for the past two months, and nothing has been done. She said they told her they have more important things to do than to clear Courtland Avenue of double parking.

Rev. Ralph T. Head, said he frequently visits a friend on Courtland Avenue, and said the street is often blocked by double-parked cars as late as 11:00 p.m. He said the men and women from the nightclub are fighting in the street at all hours, the drunks are throwing bottles into the street, and nothing has been done. He requested Council's help in this matter.

Mayor McDevitt instructed the City Manager to look into the situation immediately and report back to Council as soon as possible.

JOHN M. DAVIDSON - PETITION RELATIVE TO BEVERLY ROAD AND TRINITY CHAPEL ROAD

Mr. John M. Davidson of Haw Creek presented Council with a petition for improvements to two streets in Haw Creek, being Beverly Road and Trinity Chapel Road. He requested that Beverly Road be improved with curb and gutter on the street.

Mayor McDevitt accepted the petition and said that Council would look into the matter.

EXECUTIVE SESSION CONTINUED

Mayor McDevitt said Council would go back into Executive Session after the Council meeting and at the conclusion of the Executive Session would go into a Council Work Session.

DAPHNE HOOKER - MONTFORD COMMUNITY CLUB - ZONING REQUEST

Daphne Hooker with the Montford Community Club appeared before Council requesting information on how to pursue the zoning request of the Montford Community Club to the R-4 Residential District.

Mayor McDevitt said members of Council would be discussing this matter in the Work Session and she would be given a response on the request and how to pursue the rezoning matter.

PUBLIC HEARING - COMMUNITY DEVELOPMENT BLOCK GRANT ENTITLEMENT FUNDS FOR 1984-85

RESOLUTION NO. 84-78 - RESOLUTION AUTHORIZING SUBMISSION OF A FINAL STATEMENT OF COMMUNITY DEVELOPMENT OBJECTIVES AND PROJECTED USE OF FUNDS TO THE DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT FOR COMMUNITY DEVELOPMENT BLOCK GRANT ENTITLEMENT FUNDS - 1984-85

2. A public hearing was held relative to a resolution authorizing submission of a final statement of Community Development Objectives and Projected Use of funds to the Department of Housing and Urban Development for Community Development Block Grant Entitlement Funds for 1984-85.

Mayor McDevitt opened the public hearing at 4:26 p.m.

The City Manager presented the notice to the public setting the date and time for the public hearing and affidavit of publication.

Mayor McDevitt said this public hearing is a requirement of the Department of Housing and Urban Development and is for the Community Development Block Grant Entitlement Funds for 1984-85 in the amount of $1,385,000.00.

Logan Delany, Director of Community Development, said that this was primary allocation of Community Development funds to Downtown Revitalization.

Upon inquiry of Barry Owen, property owner on Wall Street, Mayor McDevitt said part of the Community Development Entitlement Funds would be going for the revitalization of the Wall Street and Pack Plaza areas.

Mayor McDevitt closed the public hearing at 4:29 p.m.

Mayor McDevitt said members of Council were previously furnished copies of the resolution and it would not be read in its entirety.

Upon motion of Vice-Mayor Bratton, seconded by Councilman Bissette, Resolution No. 84-78 was unanimously adopted.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the April 17, 1984, meeting.

Upon motion of Councilwoman Price, seconded by Councilwoman Frank, the minutes of the April 17, 1984, meeting were unanimously approved as submitted.

PROCLAMATION - "RESPECT FOR LAW WEEK" - MAY 1-7, 1984

Mayor McDevitt proclaimed May 1 - 7, 1984, as "Respect for Law Week".

Mayor McDevitt presented the proclamation to Sergeant Herb Watts.

Sergeant Watts extended an invitation to all members of Council and the City Manager to a luncheon for "Respect of Law Week" on May 3, 1984 at 12:30 p.m. at the Sheraton.

PROCLAMATION - "NURSES WEEK" - MAY 1-8, 1984

Mayor McDevitt proclaimed May 1 - 8, 1984 as "Nurses Week".

Mayor McDevitt presented the proclamation to Alise O. Irwin, RN, president of District 1 for North Carolina Nurses Association.

PROCLAMATION - "ASHEVILLE/BUNCOMBE COUNTY READING AND WRITING WEEK" - APRIL 29 - MAY 5, 1984

Mayor McDevitt proclaimed April 29 - May 5, 1984 as "Asheville/Buncombe County Reading and Writing Week".

Mayor McDevitt presented the proclamation to Betty Budd.

Betty Budd invited members of Council to a conference being held at the Swannanoa Elementary School on May 5, 1984 in observance of "Asheville/Buncombe County Reading and Writing Week".

Councilwoman Price moved to amend Councilman Bissette's motion, adding a provision that the developer provide additional buffer of two rows of white pines, 5 feet in height, around any current residential properties. Councilman Bissette and Councilman Myers accepted Councilwoman Price's amendment.

Councilman Bissette said he understood the concerns expressed by the residents in the area. However, the property is zoned for mobile home parks and the project has gone through an extensive planning process. He said he would do what he could to improve the roads in the area.

On a voice vote, the site plan was approved unanimously.

PUBLIC HEARING - SITE PLAN - TURTLE CREEK APARTMENT - PHASE II - HENDERSONVILLE ROAD

4. A public hearing was held relative to the site plan of the proposed Turtle Creek Apartments - Phase II to be located on Hendersonville Road.

Mayor McDevitt opened the public hearing at 5:01 p.m.

The City Manager presented the notice to the public setting the time and date of the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said the Asheville Planning and Zoning Commission at a meeting held April 4, 1984, reviewed the site plan of the proposed Turtle Creek Apartments - Phase II to be located on Hendersonville Road. The plan was prepared by LandDesign, Inc. for The Paragon Group, Developer, and submitted in accordance with the Group Development Section of the Asheville Zoning Ordinance. After review and discussion, the Commission voted to recommend approval of the site plan to City Council subject to the following items: (1) constructing streets to City Standards of 8" crushed stone base and 2" asphalt; and (2) compliance with Erosion Control Ordinance.

Mr. Emrick said Phase II of the Turtle Creek Apartments would be in the rear of the existing units. He said Phase II would consist of 176 units. He said the project complies with all requirements of the Ordinance. He said the developer plans to construct the streets in the area with 6 inches of crushed stone and 2½ inches of asphalt. He said the Director of Public Works has concurred with this procedure for constructing the streets. He said the streets would be private.

Mayor McDevitt closed the public hearing at 5:06 p.m.

Councilman Boland moved to approve the site plan of the proposed Turtle Creek Apartments, Phase II, to be located on Hendersonville Road, subject to the conditions outlined by the Planning and Zoning Commission. This motion was seconded by Councilwoman Frank and carried unanimously.

Mr. Verl Emrick, Director of Planning, said the Asheville Planning and Zoning Commission at a meeting held April 4, 1984, reviewed the site plan of the proposed Mosswood Mobile Home Park to be located on North Louisiana Avenue. The site plan was prepared by Ray Anders, R.L.S., for Mr. Allen Moss, Developer, and submitted in accordance with the Group Development Section of the Asheville Zoning Ordinance. After review and discussion, the Commission voted to recommend approval of the site plan to City Council subject to the following items: (1) 11 lots (marked on plat) being brought into size conformance; (2) installation of two (2) fire hydrants; (3) compliance with Erosion Control Ordinance; and (4) obtaining a letter from the Buncombe County Board of Education stating that they have facilities adequate to service the project.

Mr. Emrick said he had received a letter from Dr. Teague, with the Buncombe County Board of Education stating that the development of the Mosswood Mobile Home Park would not affect the elementary or high school in the area. However, the middle school is presently overcrowded and may cause some problems.

Mr. Emrick said water and sewer are available to support the project.

Upon inquiry of Councilwoman Price, Mr. Emrick said the buffer requirements would be met with planting of white pines.

Mr. Allen Moss, developer, spoke in support of the project, stating that he would put up additional buffer of two rows of white pines if necessary. He said that there would be 114 units with 6 mobile homes per acre.

At the request of Vice-Mayor Bratton, Mr. Emrick read Dr. Teague's letter from the Board of Education.

Mr. R. W. Trexler, 80 Bingham Road, said his property adjoins Mr. Moss' proposed mobile home park. He spoke in opposition to the development, stating that there are too many trailers in the area.

Donna Anderson spoke in opposition to the proposed mobile home park, stating her property is north of the property in question. She said there were too many trailers in the area now, and the middle school is overcrowded. She also said that the road would not accommodate 114 additional families.

Mayor McDevitt closed the public hearing at 4:55 p.m.

Councilman Bissette moved to approve the site plan of the proposed Mosswood Mobile Home Park, subject to the conditions outlined by the Planning and Zoning Commission, except the obtaining of a letter from the Buncombe County Board of Education, stating that they have facilities adequate to serve the project. This motion was seconded by Councilman Myers.

Mayor McDevitt said in March, 1984, Schneider Nine, the City and County entered into a Master Agreement to provide the terms and conditions detailing the roles for South Pack Plaza Project. An essential part of the funding of the Project was the awarding of an "UDAG" Grant by the United States Department of Housing and Urban Development. HUD has awarded to the City of Asheville a UDAG in the amount of $3.4 million. HUD has set forth certain conditions which must be included in the Master Agreement. The Mayor is authorized to execute on behalf of the City of Asheville an amendment to the Master Agreement.

Ralph Bishop spoke in opposition to the resolution.

Upon motion of Councilwoman Price, seconded by Councilman Bissette, Resolution No. 84-79 was unanimously adopted.

Complete text of Resolution No. 84-79 will be found in Resolution Book No. 14 at Page ~~321~~. 332 .

BIDS - ANNUAL CONTRACT FOR BITUMINOUS CONCRETE MATERIALS.

6. Consideration was given to bids for annual contract for bituminous concrete materials.

The City Manager said sealed bids were received for a term purchase contract to furnish the City's annual requirement for Bituminous Concrete Materials. Since only one bid was received, a market survey was conducted and the bid price was found to be consistent with other cities and the state's current costs. Clark Brown, Director of Public Works, has reviewed the bid and approves it for award to the only bidder, APAC-Carolina, Asheville, N. C.

Section I - Street Surface Program	$110,250.00
Section II - Pavement Patching Program	39,050.00
	$149,300.00

The City Manager said the bid was for $24.50 per ton.

In response to Mayor McDevitt, the City Manager said this is the same company the City is presently involved in,in arbitration relative to the downtown streets. He said this is the only major paving company in Asheville.

After discussion, Councilwoman Frank moved to approve the bids and award the contract to APAC-Carolina. This motion was seconded by Councilman Boland.

Mayor McDevitt said he would like to see what bids could be received from any other company.

Mayor McDevitt moved that action be tabled on the bids for two weeks. This motion was seconded by Vice-Mayor Bratton.

CONTINUATION OF PUBLIC HEARING - UDAG (URBAN DEVELOPMENT ACTION GRANT) - WALL STREET AREA PROJECT.

5. A public hearing relative to a UDAG (Urban Development Action Grant) for the Wall Street area project was continued.

Mayor McDevitt said this public hearing was continued from the April 17, 1984 meeting.

Mayor McDevitt read the following statement:

The City will not be filing an application this quarter with U. S. Department of Housing and Urban Development for the UDAG grant in connection with the Wall Street Project.

One of the developers with whom the City has executed a Memorandum of Understanding for the Wall Street Project, Southeastern Historic Properties, Inc., has not been able to arrange for the firm commitment of its equity within the requirements of U. S. Department of Housing and Urban Development and the City. All other financial elements of the project are in place, including the equity commitment of NCNB Community Development Foundation, the bank financing, the County revenue sharing funds, and the City CDBG funds.

At this point the City, the County, and NCNB Community Development Foundation are still prepared to go forward with the project, and we understand that Southeastern Historic Properties, Inc. is continuing its attempts to raise the necessary equity in form and amount sufficient to meet the requirements of HUD and the City.

While we are disappointed, this does not mean that the Wall Street Project is dead or will be abandoned, and in fact there has been considerable interest expressed in the Project by other developers. The City will pursue discussions and negotiations for other proposals consistent with the plan previously developed by the Downtown Commission for the Wall Street Area.

Mayor McDevitt said due to the foregoing statement, there would be no need to continue with the public hearing.

Mayor McDevitt and members of Council answered questions from the News Media and public.

Mayor McDevitt closed the public hearing at 5:21 p.m.

RESOLUTION No. 84-79 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE ON BEHALF OF THE CITY OF ASHEVILLE AN AMENDMENT TO THE MASTER AGREEMENT BY AND AMONG SCHNEIDER NINE, INC., THE CITY OF ASHEVILLE AND BUNCOMBE COUNTY.

5. Consideration was given to a resolution authorizing the Mayor to execute on behalf of the City of Asheville an amendment to the Master Agreement by and among Schneider Nine, Inc., the City of Asheville and Buncombe County.

APPROVAL OF DISPOSAL PARCELS - EAST RIVERSIDE RENEWAL PROJECT. (PARCELS 195 and 220-B.

9. Consideration was given to the approval of the sale of disposal parcel in the East Riverside Renewal Project.

Mayor McDevitt said the Housing Authority has tentatively accepted the following bids for disposal parcels in the East Riverside Renewal Project.

Parcel	Reuse	Price	Bid	Redeveloper
195	Residential	$1,400	$1,450	Herman & Mary McDaniel
220-B	Office Institutional	$10,500	$11,000	Hillhaven, Inc.

Lot 195 is a residential lot sale to an adjacent property owner to provide additional yard space. Appropriate landscaping will be done but no construction is planned.

Lot 220-B - Hillhaven Nursing Home plans to expand their present facility and plans to utilize subject property for off-street parking off Livingston Street. This property is contiguous to property presently owned by Hillhaven.

Councilwoman Frank moved to approve the sale of the disposal parcels as recommended by the Housing Authority. This motion was seconded by Councilman Myers and carried unanimously.

RESOLUTION NO. 84-81 - RESOLUTION ACCEPTING CERTAIN STATE SYSTEM STREETS AS CITY SYSTEM STREETS IN THE SWEETEN CREEK ROAD ANNEXATION AREA.

10. Consideration was given to a resolution accepting certain State system streets as City system streets in the Sweeten Creek Road annexation area.

Mayor McDevitt said members of Council were previously furnished copies of the resolution and it would not be read in its entirety.

Upon motion of Councilman Bissette, seconded by Councilman Boland, Resolution No. 84-81 was unanimously adopted.

Complete text of Resolution No. 84-81 will be found in Resolution Book No. 14 at Page ~~323-324~~. 331 + 332

RESOLUTION NO. 84-82 - RESOLUTION TO PROVIDE THAT THE MAYOR ON BEHALF OF THE CITY OF ASHEVILLE BE AUTHORIZED TO EXECUTE AN AGREEMENT BY AND BETWEEN THE CITY OF ASHEVILLE AND THE COUNTY OF BUNCOMBE FOR DISTRIBUTION OF LOAN REPAYMENT PROCEEDS FOR THE PACK PLAZA PROJECT.

11. Consideration was given to a resolution to provide that the Mayor on behalf of the City of Asheville be authorized to execute an agreement by and between the City of Asheville and the County of Buncombe for distribution of loan repayment proceeds for the Pack Plaza Project.

After discussion, on a voice vote of 5-2, Mayor McDevitt's motion to table action failed, with Mayor McDevitt and Vice-Mayor Bratton voting yes.

On a voice vote of 5-2, the motion to approve the bids for APAC-Carolina passed, with Mayor McDevitt and Vice-Mayor Bratton voting "no".

BIDS - TERM PURCHASE CONTRACT FOR HERBICIDE FOR STREET DIVISION.

7. Consideration was given to bids for Term Purchase Contract for herbicide for Street Division.

Mayor McDevitt said on March 26, 1984 bids were received to furnish the 1984 season requirements for herbicide for the Street Division's right-of-way maintenance program. Four (4) bids were received. Clark Brown, Director of Public Works, and Mike Evans, Street Superintendent have reviewed these bids and recommend that the award be made to the second low bidder, Asheville FCX Service, on the basis that their bid is the lowest bid meeting the delivery specifications of the bid request. The Asheville FCX bid price is $74.90 per gallon.

Councilwoman Price moved to approve the bid of Asheville FCX Service. This motion was seconded by Councilman Boland and carried unanimously.

Councilwoman Frank requested that the City Manager look into the possibility of buying such materials from the State in the future.

RESOLUTION NO. 84-80 - RESOLUTION AUTHORIZING THE MAYOR TO SIGN ON BEHALF OF THE CITY OF ASHEVILLE A CONTRACT WITH COOPER CONSTRUCTION COMPANY, FOR THE PROJECT KNOWN AS REROOFING AND CORRECTIVE WORK TO THE MUNICIPAL BUILDING.

8. Consideration was given to a resolution authorizing the Mayor to sign on behalf of the City of Asheville a contract with Cooper Construction Company, for the project known as Reroofing and Corrective Work to the Municipal Building.

Mayor McDevitt said on April 3, 1984 bids were received for "Reroofing and Corrective work to the Asheville Municipal Building". Nine (9) bids were received. Sutton-Kennerly & Associates, Consulting Engineers and Tom Tarrant, City Engineering Coordinator, recommends the acceptance of Cooper Construction Company, Inc. as low bidder, in the amount of $97,841. They also recommend that a Contingency Fund of $8,000.00 be allocated for this contract which may be needed for testing laboratory work, unforeseen changes to the contract, and miscellaneous costs, as previously budgeted.

The City Manager outlined the bid summary sheet.

Upon motion of Councilwoman Frank, seconded by Councilman Boland, Resolution No. 84-80 was unanimously adopted.

HIGHLIGHTS: Alexander Investment Partnership has offered to dedicate to the City of Asheville a right-of-way through this property for a new, yet unnamed, road. An Agreement signed by the City, Alexander Investment Partnership, and other involved parties dated September 13, 1983, calls for said right-of-way to be dedicated to the City. The City Engineering Division has verified that said road has been graded to the requirements of the City and that the plat of said right-of-way prepared by Hutchinson-Biggs and Associates, Inc., dated November 16, 1983, is a true representation of said right-of-way. This resolution will authorize the City Clerk to accept on behalf of the City of Asheville the dedicated right-of-way.

E. Scheduling of a Public Hearing relative to a Proposed Wording Amendment to Asheville Zoning Ordinance - Granting of Variances/Group Developments for May 22, 1984.

Mayor McDevitt said on March 16, 1984 the City of Asheville and County of Buncombe entered into a Master Agreement with Schneider Nine, Inc., regarding the development of the Pack Plaza Project. In the Master Agreement the County agreed to contribute up to $660,000 and the City agreed to contribute up to $1,340,000, which contributions are defined in the Master Agreement as the City/County Loan. The Master Agreement calls for the City to receive loan repayment proceeds in the form of principal and interest payments from both the City/County Loan and UDAG Loan. A percentage of said proceeds is to be distributed to the County based on a Distribution formula defined in said Master Agreement whereby the County will receive a pro rata share of all cash payments made by Schneider to the City based on the ratio of County investment to the total City/County Loan. Both the City and County have agreed to said Distribution Formula and desire to enter into an agreement to further define the details of said financial distribution.

Upon motion of Councilwoman Price, seconded by Councilwoman Frank, Resolution No. 84-82 was unanimously adopted.

SIGN PERMIT - THREE MOUNTAINEERS - SIMPSON STREET

6. Consideration was given to a motion approving a sign permit for Three Mountaineers for placement of an indentification sign on Simpson Street.

Verl Emrick, Director of Planning, said Three Mountaineers has applied for a sign permit to erect an identification sign on Simpson Street. This permit requires the approval of City Council pursuant to the Zoning Ordinance in that the sign will be situated closer than 600' from a limited access highway.

Mr. Emrick said the sign would be 300 square feet and would advertise the Three Mountaineers Outlet facility.

Mr. John Lattimore, from Three Mountaineers, spoke in favor of the sign permit.

Councilman Bissette moved to approve the sign permit for Three Mountaineers for placement of an identification sign on Simpson Street. This motion was seconded by Vice-Mayor Bratton and carried unanimously.

Councilman Boland suggested that Council have a work session relative to the sign ordinance as it pertains to large signs, billboards. He said there is a need to preserve the natural beauty of Asheville and to reduce the size of signs. He said he would appreciate Council having a work session in the very near future.

Mr. Emrick discussed plans of the North Carolina Department of Transportation to widen North Louisiana Avenue.

By the use of a map, Mr. Emrick and members of Council discussed the rezoning request and the proposed widening of North Louisiana Avenue.

Several members of Council expressed concerns about congested traffic in this particular area.

Mr. Richard Coffey, speaking for his mother Mrs. Ditmore, spoke in opposition to the rezoning saying the traffic in this area is continuously congested. He said the area could not handle additional businesses.

Mr. Emmett Ramsey, owner of Lot 86 and petitioner for the rezoning, spoke in favor of the rezoning. He said he has no particular plans except for future expansion.

Mr. Allen Moss, owner of Lot 84 and petitioner for the rezoning, spoke in favor of the rezoning stating that he has no immediate plans for his property. He said future plans might include an office building or an appliance store.

Mayor McDevitt said he was sympathetic with the petitioners' request; however, he could not endorse rezoning until the widening of North Louisiana Avenue has taken place.

Mayor McDevitt closed the public hearing at 4:39 p.m.

The City Manager said copies of the ordinance were previously distributed to members of Council, and it would not be read in its entirety.

Councilwoman Price moved that the petition for rezoning be denied. The motion was seconded by Councilwoman Frank and carried unanimously.

VICE-MAYOR BRATTON - REQUEST RELATIVE TO CIVIL SERVICE TESTING PROCEDURES

Vice-Mayor Bratton requested a report from the Chairman of the Civil Service Commission for a clearer understanding on the policies and procedures that the City of Asheville has for testing of positions. She said she would specifically like to know what the definition of exempt position and non-exempt positions are, what kinds of positions are tested, and if all the exempt positions are tested or just the non-exempt, if there are different kinds of tests for each and if so, how they are made up and by whom, she said she would like to know how the tests are scored and by whom and what role first-line managers play in scoring the tests. She said she would like to know if the first-line managers participate in the scoring of the tests from an advisory standpoint. She said she would like to know how the entire process takes place from a time a person makes an application until they are put on the eligibility list.

Mr. Emrick said several residents in the area did not wish their property to be rezoned.

Mr. Doug Swaim, 296 Montford Avenue, speaking on behalf of the Planning Committee of the Montford Community Club, spoke in support of the rezoning as requested by the Planning Committee. He said the Planning Committee feels that the rezoning is in the best interest of the neighborhood and the city. He said the areas requested to be rezoned residential are, in fact, 99% residential at the present time. He said they feel the rezoning would provide orderly growth for the city and would be the highest and best use of the land. He said the rezoning proposal has received the support of the Historic Resources Commission.

Daphne Hooker, Bruce Roberts, Susan Mayer, and Mary Jo Brezney spoke in support of the rezoning to R-3 Residential.

Mayor McDevitt closed the public hearing at 4:40 p.m.

Councilwoman Price moved to schedule a public hearing for an amendment to the Zoning Ordinance which would provide for the rezoning of property, pursuant to the petition presented to City Council by the Montford Community Club, with the exception of the portion of the property bounded generally by Montford, Pearson, Watauga, and Santee currently zoned OI which would remain OI for those properties owned by Highland Hospital and some unidentified owner at the corner of Watauga and Montford; however, properties fronting on Pearson and Watauga would be zoned R-3 Residential District for June 5, 1984. This motion was seconded by Councilman Boland and carried unanimously.

Mayor McDevitt and Councilman Bissette were excused from the meeting at 4:45 p.m. Vice-Mayor Bratton presided over the meeting.

MONTFORD TREE PLAN

Ray Kisiah, Director of Parks, Recreation, and Public Facilities, presented a Montford Tree Plan for Council's consideration. He said a number of groups had been working to develop the plan. He said the plan includes planting of new trees in the Montford area particularly on Montford Avenue, replacing existing diseased and damaged trees. He said the trees would be furnished by donations. He said the trees will not be placed in conflict with existing utilites. He said that ULOCO had reviewed the plan.

A citizen noted that at 141 Cumberland Avenue a diseased tree needed to be replaced.

Another citizen indicated that trees on Watauga Street need replacement.

Councilman Boland moved to approve the Montford Tree Plan as presented by the Director of Parks, Recreation, and Public Facilities. This motion was seconded by Councilwoman Frank and carried unanimously.

Upon motion of Councilman Bissette, seconded by Councilwoman Frank, the minutes of the May 8, 1984 meeting were unanimously approved as submitted.

PUBLIC HEARING - REZONING PROPERTY IN THE MONTFORD AREA

2. A public hearing was held relative to rezoning property in the Montford area.

Mayor McDevitt announced that he and Councilman Bissette would be leaving the meeting at 4:30 p.m. to attend a Council-related meeting with the County Commissioners.

Mayor McDevitt said this public hearing is to obtain input from those interested in the rezoning proposal. He said City Council would not be considering a zoning amendment at today's meeting. He said if the City Council decides to proceed with the rezoning, a motion would be made to schedule a public hearing relative to amending the zoning ordinance rezoning the property.

Mayor McDevitt opened the public hearing at 4:06 p.m.

The Deputy City Clerk presented the notice to the public, setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said the Asheville Planning and Zoning Commission at a meeting held March 14, 1984, considered the request of the Montford Community Club that two areas in the Montford neighborhood be rezoned in order to bring the zoning in line with the historic district designation. After review and discussion, the Commission voted to recommend to City Council that the existing district boundaries and zoning classifications remain as presently described on the official zoning maps. The Montford Community Club wishes to pursue the rezoning of the area.

By the use of a map, Mr. Emrick outlined the rezoning request of the Montford Community Club. He also outlined alternatives recommended by the staff of the Planning Department. He said the Planning and Zoning Commission took all the recommendations under consideration, after which they recommended no change in the zoning configuration in the Montford area.

Tuesday, May 22, 1984 at 4:00 p.m.

INVOCATION

The invocation was given by Councilman Walter Boland.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the May 15, 1984 meeting.

Upon motion of Councilwoman Price, seconded by Councilwoman Frank, the minutes of the May 15, 1984 meeting were unanimously approved as submitted.

PUBLIC HEARING - WORDING AMENDMENT - ZONING ORDINANCE - PROFESSIONAL OFFICES IN R-3 RESIDENTIAL DISTRICT

ORDINANCE NO. 1439 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED (PROFESSIONAL OFFICES IN R-3 DISTRICT)

2. A public hearing was held relative to a proposed wording amendment to the Zoning Ordinance - Professional Offices in R-3 Residential District.

Mayor McDevitt opened the public hearing at 4:02 p.m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Planning Director, said the Asheville Planning and Zoning Commission at a meeting held April 18, 1984, considered a proposed wording amendment to the Zoning Ordinance which would allow Professional Offices in the R-3 Residential District as a Conditional Use. After review and discussion, the Commission voted to recommend to City Council that Section 30-5-4 (B) and (C) of the Asheville Zoning Ordinance be amended.

Mr. Emrick outlined quidelines to be used by the Board of Adjustment in approving such Conditional Uses.

Vice-Mayor Bratton said this ordinance was previously read on first and second reading and would not be reread in its entirety unless there was a specific request to do so.

On a roll call vote of 5-0, Ordinance No. 1446 passed on third and final reading.

Complete text of Ordinance No. 1446 will be found in Ordinance Book No. 10 at page 149 and 150.

CLAIMS - WHITFIELD AND PHILLIPS (FIRE) - DIANE KISAMORE (METER READERS) - TONY STANLEY (FIRE) - MARK STROM (WATER) - MATHILDE DALTON (SANITATION) - RICK DAVIS (TRAFFIC ENGINEERING) - JERMAINE PINKNEY (PARKS AND RECREATION)

The Deputy City Clerk presented claims received from Whitfield and Phillips, Diane Kisamore, Tony Stanley, Mark Strom, Mathilde Dalton, Rick Davis, and Jermaine Pinkney.

Vice-Mayor Bratton referred the claims to the Corporation Counsel for investigation and recommendations.

RALPH BISHOP - OBTAINING CITY RECORDS

Ralph Bishop again spoke to Council members relative to lottery sales in the City of Asheville and his difficulty in obtaining City records relative to former Police Chief, J. C. Hall.

ADJOURNMENT

Upon motion of Councilwoman Price, seconded by Councilman Myers, the meeting adjourned at 5:15 p.m.

Tony McDevitt
Mayor

William F. Holcomb
City Clerk

The City Manager said members of Council were previously furnished copies of the ordinance and it would not be read in its entirety.

Councilman Boland moved for the adoption of Ordinance No. 1440. This motion was seconded by Councilwoman Frank.

On a roll call vote of 7-0, Ordinance No. 1440 passed on first reading.

PUBLIC HEARING - REZONING PROPERTY BETWEEN SOUTHERN RAILWAY AND SWEETEN CREEK ROAD

ORDINANCE NO. 1441 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED

4. A public hearing was held relative to rezoning property between Southern Railway and Sweeten Creek Road.

Mayor McDevitt opened the public hearing at 4:21 p.m.

The City Manager presented the notice to the public, setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said the Asheville Planning and Zoning Commission at a meeting held April 18, 1984, considered the request of Mr. Ray Hamlin, Agent, that Ward 7, Sheet 56, Lots 1, 3, 4, 7, and 8 be rezoned from R-3 Residential District to CS Commercial Service District. The property is located between Southern Railway and Sweeten Creek Road. After review and discussion, the Commission voted to recommend approval of this petition to City Council.

A discussion was held relative to the need to retain a residential buffer fronting on Rock Hill Road.

Ray Hamlin, Agent for the petitioner, said the property has natural barriers for the residential area.

Mayor McDevitt closed the public hearing at 4:27 p.m.

The City Manager said members of Council were previously furnished copies of the ordinance and it would not be read in its entirety.

Councilwoman Price moved for the adoption of Ordinance No. 1441 with the proviso that a 50 foot buffer strip on the southern portion of Lot 8 remain zoned residential. This motion was seconded by Councilman Bissette.

On a roll call vote of 7-0, Ordinance No. 1441 passed on first reading.

By the use of the map, Mr. Emrick outlined the major thoroughfares in the City, showing the locations where professional offices could be used in the R-3 Residential District.

A discussion was held relative to amending the Ordinance to include specific streets where professional offices would be allowed in the R-3 District.

Mayor McDevitt closed the public hearing at 4:15 p.m.

Mayor McDevitt said members of Council were previously furnished copies of the ordinance and it would not be read in its entirety.

Councilwoman Price moved for the adoption of Ordinance No. 1439 with instructions to the staff to present amendments to the ordinance, prior to second reading, outlining specific streets upon which this type of Conditional Use would be allowed. This motion was seconded by Councilman Boland.

On a roll call vote of 7-0, Ordinance No. 1439 passed on first reading.

PUBLIC HEARING - WORDING AMENDMENT - ZONING ORDINANCE - GRANTING OF VARIANCES/GROUP DEVELOPMENT

ORDINANCE NO. 1440 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING FOR THE CITY OF ASHEVILLE," AS AMENDED (GROUP DEVELOPMENTS/VARIANCES)

3. A public hearing was held relative to the proposed wording amendment to Asheville Zoning Ordinance - granting of variances/group developments.

Mayor McDevitt opened the public hearing at 4:17 p.m.

The City Manager presented the notice to the public, setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said the Asheville Planning and Zoning Commission at a meeting held April 18, 1984, considered a proposed wording amendment to the Zoning Ordinance which would simplify the review process for a developer when variances are required for group development projects and eliminate a third review of the project by an appointed board or commission. After review and discussion, the Commission recommended an amendment to Section 30-6-1.B. Development Standards authorizing Council to grant variances for building/structural setbacks, density requirements, provisions of the sign regulations, and off-street parking requirements.

Mayor McDevitt closed the public hearing at 4:20 p.m.

DISCUSSION - DEMOLITION OF 22 Normandy Road

Mayor McDevitt said at the Council meeting of March 13, 1984, a discussion was held relative to directing the Director of Inspections and Demolitions to take all steps necessary to effectuate a demolition of 22 Normandy Road at the earliest possible date. Action was postponed until May 22, 1984.

Attorney Max Cogburn, representing the owners of 22 Normandy Road, appeared before Council stating that at the present time, Mrs. Gage is the sole owner of 22 Normandy Road. He said as requested by Council, Stewart Construction Company has been relieved from doing any construction at 22 Normandy Road. He said, in addition, he now has an agreement signed by a contractor, Mr. Jones, and Mrs. Gage to complete the repairs at 22 Normandy Road. He said the contract price is $35,560. He suggested that the contract be submitted to the Director of Inspections for review, to determine if the contract is sufficient to obtain a Certificate of Occupancy for 22 Normandy Road.

Upon inquiry of Councilman Myers, Mr. Cogburn said adequate funds would be available to complete the repairs at 22 Normandy Road through the sale of another house owned by Mrs. Gage, said sale to close on July 15, 1984.

Corporation Counsel Slawter said Mr. Lem Moore, Director of Inspections, is out of town on City business and had left three questions to be answered relative to 22 Normandy Road. He said the questions were (1) Is the general contractor State Licensed? (2) Has Mr. Cogburn or Mrs. Gage delivered to the Inspections Department, a written request that the building permit issued to John Stewart Construction Company, be cancelled? (3) Does the contract contain a general statement that the house will be rebuilt to minimum requirements of the North Carolina State Building Code? Statement that an itemized list of repairs to be made would not be sufficient.

Mr. Cogburn said it is the intention of the property owner and the contractor to bring the house up to code standards of the City of Asheville. He said Mr. Jones is familiar with the City of Asheville and the North Carolina State Building Codes.

Upon questioning, Mr. Jones, Contractor, said he holds a miscellaneous license allowing him to do work up to $30,000.

After discussion, Councilwoman Price moved to continue the discussion relative to 22 Normandy Road until June 5, 1984, with the provision that Attorney Cogburn and Corporation Counsel Slawter meet to reach an agreement whereby minimum requirements are outlined in the proposed contract by Mr. Jones, and to determine whether or not a building permit can be obtained by Mr. Jones for the completion of the work at 22 Normandy Road, and to assure that all questions of Mr. Moore, Director of Inspections, are answered; further that a report be given by Corporation Counsel Slawter to members of Council at the May 29, 1984 pre-Council meeting. This motion was seconded by Councilman Boland and carried unanimously.

PROCLAMATION - "PROJECT GRADUATION AWARENESS WEEK" - WEEK OF MAY 21, 1984

Mayor McDevitt read a proclamation proclaiming the week of May 21, 1984 as "Project Graduation Awareness Week". He said this proclamation was requested by Mrs. Robert T. Bayer, President of MADD, Mothers Against Drunk Drivers.

PROCLAMATION - "NATIONAL TOURISM WEEK" - WEEK OF MAY 27, 1984

Mayor McDevitt read a proclamation proclaiming the week of May 27, 1984 as "National Tourism Week".

Mayor McDevitt presented the proclamation to Mr. Doug Stafford with the Asheville Area Chamber of Commerce.

PUBLIC HEARING - ADOPTION OF EROSION CONTROL ORDINANCE

ORDINANCE NO. 1442 - EROSION CONTROL ORDINANCE

5. A public hearing was held concerning the adoption of a new City of Asheville Erosion Control Ordinance.

Mayor McDevitt opened the public hearing at 4:36 p.m.

The City Manager presented the notice to the public, setting a time and date for the public hearing and the affidavit of publication.

Mayor McDevitt said the City's present Erosion Control Ordinance does not comply with revised State requirements, and this ordinance will allow for those revisions.

City Manager said members of Council were previously furnished copies of the ordinance and it would not be read in its entirety.

A discussion was held relative to the proposed ordinance being more restrictive than State requirements.

Mayor McDevitt closed the public hearing at 4:40 p.m.

Councilwoman Frank moved for the adoption of Ordinance No. 1442. This motion was seconded by Councilwoman Price.

Corporation Counsel Slawter recommended that the ordinance be amended to make the effective date June 30, 1984.

Councilwomen Frank and Price agreed to amend their motion for adoption of the ordinance to include an effective date of June 30, 1984.

On a roll call vote of 7-0, Ordinance No. 1442 passed on first reading.

Councilman Boland moved for the adoption of Ordinance No. 1444. This motion was seconded by Councilwoman Frank.

On a roll call vote of 7-0, Ordinance No. 1444 passed on first reading.

RESOLUTION NO. 84-91 - RESOLUTION AUTHORIZING THE MAYOR ON BEHALF OF THE CITY OF ASHEVILLE TO EXECUTE A CONTRACT WITH THE WESTERN NORTH CAROLINA REGIONAL AIR POLLUTION CONTROL AGENCY FOR THE PROVISION OF INSPECTION SERVICES WITH REGARDS TO THE HEATING CODE OF THE CITY OF ASHEVILLE

8. Consideration was given to a resolution authorizing the Mayor on behalf of the City of Asheville to execute a contract with the Western North Carolina Regional Air Pollution Control Agency for the provision of inspection services with regards to the Heating Code of the City of Asheville.

The City Manager said members of Council were previously furnished copies of the resolution and it would not be read in its entirety.

NOTE: The City of Asheville has adopted the North Carolina State Building Code, Volume III, Heating, as the City's Heating Code. Pursuant to N. C. General Statute 160A-412 the City is responsible for enforcement of State and local laws relating to the installation of heating systems and air conditioning systems, and provides that the enforcement of these regulations may be delegated (Part 1 of Article 20 of Chapter 160A). This resolution will authorize the Mayor to execute a contract with the Western North Carolina Regional Air Pollution Agency for the provision of inspection services as required of the City by Part 5 of Article 19 of Chapter 160A of the North Carolina General Statutes.

Upon motion of Councilwoman Frank, seconded by Councilman Boland, Resolution No. 84-91 was unanimously adopted.

Complete text of Resolution No. 84-91 will be found in Resolution Book No. 14 at Page ~~334~~ and ~~335~~. 345 - 346

APPROVAL OF SIGN PERMIT - HOLIDAY INN ON AIRPORT ROAD

9. Consideration was given to a motion approving a sign permit for Holiday Inn on Airport Road.

Mayor McDevitt said Holiday Inn has requested approval of a sign permit for an identification sign to be located on Airport Road. This sign permit requires the approval of City Council because the sign will be situated closer than 600° from a limited access highway.

Verl Emrick, Director of Planning, said this sign would be for the new Holiday Inn on property leased by them from the City. He said this sign would be their new logo sign and would be a principle identification sign containing 315 square feet and would be 42 feet in height.

ORDINANCE NO. 1443 - AN ORDINANCE AMENDING CHAPTER 12, FIRE PREVENTION AND PROTECTION, OF THE CODE OF ORDINANCES OF THE CITY OF ASHEVILLE

6. Consideration was given to an ordinance amending Chapter 12, Fire Prevention and Protection, of the Code of Ordinances of the City of Asheville.

Mayor McDevitt said the purpose of this amendment will be to update the City's Fire Prevention Code with the State Fire Prevention Code and will also provide revenues through charging for permits for the regulation of certain occupancies.

The City Manager said members of Council were previously furnished copies of the ordinance and it would not be read in its entirety.

Chief Causey, of the Asheville Fire Department, said one of the major differences in the proposed fire code would be that no smoking would be allowed in retail businesses employing over 25 with a capacity of 200 people, on elevators, and wherever fire marshalls determine that smoking would be hazardous.

A discussion was held among Council members relative to receiving input from retail businesses as to the no smoking provision.

Councilwoman Price moved for the adoption of Ordinance No. 1443. This motion was seconded by Councilman Bissette.

On a roll call vote of 7-0, Ordinance No. 1443 passed on first reading.

By consensus, the Council requested that the City Manager, Chief Ball, and Chief Causey undertake a survey and sampling of retail businesses in connection with the no smoking portion of the ordinance prior to the second reading.

ORDINANCE NO. 1444 - AN ORDINANCE AMENDING CHAPTER 8, ARTICLE IV OF THE CODE OF ORDINANCES OF THE CITY OF ASHEVILLE (HEATING CODE)

7. Consideration was given to an ordinance amending Chapter 8, Article IV, of the Code of Ordinances of the City of Asheville (Heating Code).

The City Manager said members of Council were previously furnished copies of the ordinance and it would not be read in its entirety.

NOTE: The City of Asheville desires to enter into a contract with the Western North Carolina Regional Air Pollution Control Agency to provide for inspection services enforcing the Heating Code of the City of Asheville as found in Article IV of Chapter 8 of the Code of Ordinances of the City of Asheville. It is necessary to amend Article IV of Chapter 8 of the Code of Ordinances of the City in order to effect the terms and conditions of the above-referenced contract.

A. Motion scheduling a public hearing to consider designating the Historic Resources Commission as the inspection agent of the City of Asheville for facade preservation easements for June 19, 1984.

HIGHLIGHTS: The City of Asheville and owners of historic properties are mutually desirous of preserving, protecting and restoring the historic, aesthetic and cultural character of buildings within the historic districts by the granting of and acceptance of facade preservation easements. This will empower the Historic Resources Commission to act as agent in the inspection of facade preservation easements according to the terms, conditions, and restrictions set forth in such easements accepted by the City of Asheville.

FISCAL IMPACT: None

B. Motion scheduling a public hearing relative to amending the Zoning Ordinance concerning Article 13, Montford Historic District for June 19, 1984.

HIGHLIGHTS: This ordinance will clarify the procedures in obtaining a Certificate of Appropriateness for properties located in the Montford Historic District.

FISCAL IMPACT: None

C. Motion scheduling a public hearing relative to a site plan of the proposed "Beechwood" Planned Unit Development to be located at the end of Victoria Place for June 19, 1984.

HIGHLIGHTS: The Asheville Planning and Zoning Commission at a meeting held May 9, 1984, reviewed the site plan of the proposed "Beechwood" Planned Unit Development to be located at the end of Victoria Place. The plan was prepared by Frank McGahren, Engineer, for Mrs. Penny Blount, First Development, Inc., Developer, and submitted in accordance with the Group Development Section of the Asheville Zoning Ordinance. After review and discussion, the Commission voted to recommend approval of the site plan to City Council subject to compliance with the Erosion Control Ordinance.

FISCAL IMPACT: None

D. Motion scheduling a public hearing relative to rezoning property located on Emma Road for June 19, 1984.

HIGHLIGHTS: The Asheville Planning and Zoning Commission at a meeting held May 9, 1984, considered the request of Mr. Donald E. Ledford et al that Ward 12, Sheet 7, Lots 88, 2, 4, 5, 6, 7, 8, and 190 be rezoned from LI Light Industrial District to R-5 Residential District. The property is located on Emma Road. After review and discussion, the Commission voted to recommend to City Council that Ward 12, Sheet 7, Lots 88, 2, 4, 5, 6, 7, and 8, be rezoned from LI Light Industrial District to R-5 Residential District. (The Commission did not include Lot 190 in its recommendation).

FISCAL IMPACT: None

After discussion, Councilwoman Price moved to approve the sign permit for Holiday Inn with the exception that the sign be 40 feet in height rather than 42 feet in height. This motion was seconded by Councilwoman Frank.

Several members of Council noted that Holiday Inn might have a problem with lowering the sign 2 feet and felt Council should not put a 40 foot restriction on the sign.

After discussion, Councilwomen Price and Frank withdrew their motion.

Councilwoman Price then moved that the sign permit for Holiday Inn on Airport Road be approved at the 40 foot height unless in the discretion of the City Manager, he determines through consultation with Holiday Inn representatives, that there is some engineering or other reasons which would necessitate the sign being at the 42 foot height level, at which case the City Manager is authorized to permit the sign to be installed at the 42 foot height. This motion was seconded by Councilman Myers and carried unanimously.

The City Manager said he would report his findings relative to the sign height at next week's meeting.

Councilman Boland again requested that Council have a work session relative to providing more restrictions in the Sign Ordinance. He said he would prefer that Council have the work session prior to consideration of another sign permit.

Several members of Council indicated that any sign permit request should be brought to the attention of Council, and that Council would schedule a work session as soon as possible to discuss more restrictions in the Sign Ordinance.

APPROVAL OF CONSENT AGENDA

10. Consideration of a motion approving the consent agenda.

NOTE: The following items are of a routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items, the City Council may, pursuant to the procedures established in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council, and/or a member of the City staff, any single item scheduled for approval on the consent agenda may be considered separately.

Asheville Housing Authority	Condemnation of R. D. Alexander property (East End/Valley Street)
Asheville Housing Authority	Condemnation of Ellsworth Morris, Sr. property (East End/Valley Street)

Mayor McDevitt referred the lawsuits to the Corporation Counsel for action.

APPROVAL OF SETTLEMENT - MARY ANN CHANCE - STORM DRAINAGE

Councilwoman Price moved to authorize the City Manager to sign a Release agreement with Mary Ann Chance and Mr. Barnes regarding an easement along their common boundary lines, total amount of agreement being $2,360. for expenditures to repair the storm drainage line that is currently on their line and in return for which they will release the City from any further potential responsibility in the future with regard to that easement. This motion was seconded by Councilwoman Frank and carried unanimously.

Mayor McDevitt requested that the Corporation Counsel draft an appropriate letter to Mrs. Chance for his signature acknowledging the City's intent.

INQUIRY OF COUNCILWOMAN PRICE - ANIMAL ORDINANCE

Councilwoman Price requested that the Corporation Counsel review the City's existing Animal Ordinance to determine the number of cats that are allowed by one owner. She said if no limit is provided in the Animal Ordinance, that the City Attorney make a recommendation to Council in the spirit of the Animal Ordinance.

RECOGNITION OF CORPORATION COUNSEL SLAWTER

Mayor McDevitt noted that Corporation Counsel Slawter has served for the past year as President of the 28th Judical District Bar Association for attorneys in Buncombe County. He said Corporation Slawter has done a first-rate job in his association with the Bar.

CONTINUATION OF EXECUTIVE SESSION

Councilwoman Frank moved to continue Council's executive session. This motion was seconded by Councilman Myers and carried unanimously.

Larry McDevitt
MAYOR

Marian F. McLean
CITY CLERK

E. Motion scheduling a public hearing relative to rezoning property located on Ardmion Road for June 5, 1984.

HIGHLIGHTS: The Asheville Planning and Zoning Commission at a meeting held May 9, 1984, considered the request of Dr. Robert J. Scully that Ward 1, Sheet 4, portion of Lot 56, be rezoned from R-3 Residential District to OI Office Institutional District. The property is located on Ardmion Road. After review and discussion, the Commission voted to recommend to City Council that Ward 1, Sheet 4, portion of Lot 56, be rezoned from R-3 Residential District to R-4 Residential District.

FISCAL IMPACT: None

Upon motion of Councilman Myers, seconded by Councilwoman Frank, the consent agenda was unanimously approved.

ORDINANCE NO. 1445 - BUDGET ORDINANCE AMENDMENT APPROPRIATING INSURED COSTS ASSOCIATED WITH FREEZE DAMAGE TO CITY HALL

Consideration was given to a budget ordinance amendment to provide an appropriation to cover the insured costs associated with freeze damage to City Hall.

The City Manager read the ordinance stating that this would provide an appropriation to cover the insured costs associated with freeze damage to City Hall which occurred December 24, 1983. He said the uninsured costs of approximately $3,000 will be absorbed in the Parks Maintenance Operating Budget.

Councilwoman Price moved for the adoption of Ordinance No. 1445. This motion was seconded by Councilman Myers.

On a roll call vote of 7-0, Ordinance No. 1445 passed on first and final reading.

Complete text of Ordinance No. 1445 will be found in Ordinance Book No. 10 at Page 182. 148

CLAIMS -KAREN RICE (WATER) -MARION BYERS (METER READERS) - HAZEL EDWARDS (FIRE) - DONNA GONZALES (STREETS) - DEBBIE BRACKETT (TRAFFIC ENGINEERING)

The City Manager presented claims received from Karen Rice, Marion Byers, Hazel Edwards, Donna Gonzales and Debbie Brackett.

Mayor McDevitt referred the claims to the Corporation Counsel for investigation and recommendation.

LAWSUITS - ASHEVILLE HOUSING AUTHORITY - CONDEMNATION OF PROPERTIES

The City Manager said the City was served with summonses in connection with the following lawsuits, in which the City is a defendant:

Asheville Housing Authority	Condemnation of Alice Steele property (East End/Valley Street)
Asheville Housing Authority	Condemnation of Frank Stevens property (East End/Valley Street)

CITY OF ASHEVILLE

ASHEVILLE, NORTH CAROLINA

May 29, 1984

OFFICE OF
CITY MANAGER

The Honorable Mayor and
Members of City Council
City of Asheville
Post Office Box 7148
Asheville, North Carolina 28807

Dear Mayor and Members of Council:

Submitted herewith are the budget estimates for Fiscal Year 1984/85, which begins July 1, 1984. The budget was prepared according to the provisions of the Local Government Budget and Fiscal Control Act, as amended.

In accordance with this act, a copy of the budget will be filed in the office of the City Clerk, "where it shall remain available for public inspection until the budget ordinance is adopted." The act also requires that the City Clerk publish a statement that the budget has been submitted to the governing board and is available for public inspection in the City Clerk's Office. The statement shall also give notice of the time and place of a required public hearing. As a matter of local practice, the budget ordinance is given three readings before adoption. The law requires that it be adopted "not earlier than ten days after the budget is presented to the board and not later than July 1." Changes may be made in the budget at any of the three readings.

While this submission is the culmination of a process which began in January, 1984 and has involved the City Council and staff, the budget reflects the results of policies of previous councils and the decisions made in this budget will affect future budgets. The recommended budget reflects the staff's perception of Council policies and priorities. There are some unresolved decisions which will require Council action before final adoption. These items will be detailed below. Significant facts regarding the recommended budget are outlined as follows:

I. Major Items Included in the Budget

The Fiscal 1984/85 Annual Operating Budget of the City of Asheville is balanced as presented and reflects the following significant decisions:

Tuesday, May 29, 1984 at 4:00 p.m.

Regular Meeting

Present: Mayor Larry McDevitt, Presiding; Vice-Mayor Wilhelmina Bratton; Councilwomen Mary Lloyd Frank and Norma T. Price; Councilmen Gordon Myers, Walter R. Boland, and Louis Bissette; Corporation Counsel William F. Slawter; Acting City Manager William F. Wolcott, Jr.; Deputy City Clerk Carol Hensley.

Absent: None

INVOCATION

The invocation was given by Councilman Louis Bissette.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the May 22, 1984 meeting.

Upon motion of Councilwoman Price, seconded by Councilman Boland, the minutes of the May 22, 1984 meeting were unanimously approved as submitted.

PRESENTATION OF BUDGET - FISCAL YEAR 1984-85 - PUBLIC HEARING SCHEDULED

2. The City Manager said according to North Carolina General Statutes, that on or before June 1 he is required to submit to the Council a balanced budget. He said the budget had been prepared by Bob Wurst through the cooperative efforts of all departments. He recognized Bob Wurst for his efforts on the budget.

Bob Wurst, Director of Audit and Budget, presented copies of the recommended budget and a detailed line item budget to members of Council and read the following budget message:

3. Fringe Benefits - The City's fringe benefits for employees are continued. Several increases in the budgeted costs of these programs should be noted. The employer's cost of F.I.C.A. increased from 6.7 to 7.0 percent of covered payroll effective January 1, 1984. The cost to the City for those employees in the Local Government Employees Retirement System increased from 10.79 to 10.82 percent of covered payroll. The cost of group health insurance is estimated to increase by approximately 44% during Fiscal 1984/85. The cost of this increase is included in the budget with the assumption that the City absorb the full increase and that it is not passed on to employees. The City staff will be studying various cost reduction alternatives for our health care programs for Council consideration.

4. Other Significant Appropriations

   a. An appropriation for the General Debt Service/Capital Reserve in the amount of $1,802,498 is included. This represents the equivalent of $.12 of the tax rate. Of this amount $989,510 is required to pay existing debt. This leaves a provision for general capital reserves of $812,988.

   b. A General Fund contingency of $250,000 is recommended.

   c. A provision for attrition of $120,000 is included. This is the estimated savings for budgeted positions that become vacant during the year. When any position does become vacant, it is evaluated to determine need prior to being filled.

C. Items Requiring Council Decision

1. Half Cent Sales Tax - As noted above, the revenue for the additional half cent sales tax is not included in the budget. An amendment to the budget may be made at any time to appropriate this new funding source. In addition, the Council will need to consider whether it wishes to petition the Local Government Commission to waive the requirement that 40% of the revenue be earmarked for water or sewer improvements.

2. Parks & Recreation Transfer - Pending final decisions regarding details of the transfer of those parks to the County as part of the Water Agreement, the budget includes the full appropriations for those activities scheduled for transfer. As soon as the final decisions are made, the budget will be amended resulting in a net savings of $173,233.

A. Revenues

1. Ad Valorem Tax - The General Fund maintains an ad valorem tax rate of $.59 per $100.00 assessed valuation based on a total estimated valuation of $1,597,959,711. Revenues are budgeted assuming a 94% collection of the levy.

2. Half Cent Sales Tax - The estimated revenue to the City for the additional half cent sales tax approved by the Buncombe County Commission on May 15, 1984 is not included. This action will generate an estimated Fiscal 1984/85 revenue to City of approximately $828,000 of which 40% or $331,200 must be earmarked for water or sewer improvements. This will leave a balance of approximately $496,800 for use as Council determines.

3. Fund Balance - The budget includes an appropriation of fund balance of $1,114,077 and leaves an estimated unappropriated fund balance for cash reserve of $1,099,441. This represents only about two weeks working capital.

4. Ad Valorem Tax/Annexation - A one time revenue of $385,040 is included in the General Fund which represents 1983 ad valorem taxes payable in 1984 for the South Buncombe annexation.

5. Other Revenues - All other revenue estimates generally reflect normal growth with those affected by annexation so adjusted.

B. Appropriations

1. General - All general levels of service are maintained in the operating budget as presented. Several departments reduced requests during the review process. These reductions should not affect service delivery.

2. Salaries & Wages - The budget as presented includes a continuation of the City's Pay Plan which includes the Longevity Pay Program and Performance Pay Program. A scale adjustment of five percent, effective July 1, 1984, is also included. An appropriation for a study of the City's pay and position classification plans is included in the General Revenue Sharing Budget.

capital needs of over $25 million during the next five years. These are not new or additional facilities or equipment but maintenance or replacement of existing assets. The recommended capital budget provides funding for $3.2 million of the $6.5 million request. Besides basic equipment replacement, only $609,000 is provided for street paving, $142,300 is provided for sidewalk replacement and $132,000 for stone street resurfacing. No funding is provided for storm drainage improvement.

The Debt Service/Capital Reserve funding provided in the operating budget is a major first step toward meeting the City's capital needs. It will not, however, meet those needs on a pay-as-you-go basis. The Council should consider the second step and adopt a long range capital financing plan. Capital needs are easy to ignore and postpone, but when that happens poorly maintained streets, sidewalks and public facilities result in a very unattractive place to live and work.

Outlook

This budget is balanced with a continuation of City services and no tax increase. It should be noted, however, that while the budget has benefitted from increased revenues from annexation and the economic recovery, it is still balanced by use of over $1 million in fund balance and the receipt of a prior year ad valorem tax of almost $400,000. The City staff will make every effort possible to continue to seek ways to reduce costs and maximize revenues. We should continue to look at duplicated or unnecessary services, programs and activities and be aware during the year of the effect of each decision on this budget and future budgets.

Conclusion

The budget is simply a plan of operation for the fiscal year expressed in terms of dollars. The plan is prepared by management and presented to Council for approval. When approved by Council, it is management's responsibility to carry out the plan as effectively and efficiently as possible. The plan must be fiscally responsible, and it must be flexible and capable of change to meet the unexpected. The plan may be modified at any time to reflect changes in goals or objectives.

Special thanks are extended to the Council for their time spent in the preliminary budget process. Also, special thanks are due to the department and division heads and City staff who have assisted in this year's budget process.

Respectfully submitted,

William F. Wolcott, Jr.

William F. Wolcott, Jr.
Acting City Manager

3. Outside Agencies - Outside agency funding is included in the budget at current funding levels as has been past policy. Requests have been received as follows:

	Current Funding	Requested Funding	Increase
Chamber of Commerce	31,000	33,742	2,742
Bunc. Co. Rescue Squad	20,000	20,000	-0-
Com. Relations Council	34,515	40,071	5,556
Opportunity Corporation	-0-	10,000	10,000
Total	85,515	103,813	18,298

Council should consider these increases and the new request. Decisions on these requests should be made during budget deliberations after formal presentation of the budget.

4. Asheville Transit Authority - The recommended budget includes funding at the Fiscal 1983/84 level as with other outside agencies. The current budget includes the anticipated receipt of UMTA reimbursement funds for 1984/85 of $400,000 and a total appropriation of $868,545 with a net city cost of $468,545. The Transit Authority request will require an adjustment to the budget of the net city cost to $595,286 or an increase of $126,741.

5. Fire Department Ladder Company - The Fire Department has requested a budget increase in the amount of $188,018 to man an additional ladder company. This represents an increase of 12 full-time positions. This request is not included in the recommended budget. The staff recommendation is that the Council reconsider closing Station #3 and utilize presently approved manpower to man the ladder company.

II. Capital Budget

A summary of the recommended Fiscal 1984/85 capital budget is included in this document. The City has three basic sources of capital funds; General Debt Service/Capital Reserves, General Revenue Sharing Funds and Community Development Block Grant Funds. Community Development funds are currently earmarked for downtown redevelopment. Excluding Community Development, the department heads submitted capital requests for Fiscal 1984/85 totaling $6.5 million, and the City's Five Year Capital Budget identified

ORDINANCE NO. 1441 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED (REZONING PROPERTY BETWEEN SOUTHERN RAILWAY AND SWEETEN CREEK ROAD).

5. Consideration was given to the second reading of Ordinance No. 1441 - An ordinance amending Ordinance No. 322, known as "An Ordinance Providing For the Zoning of the City of Asheville," as amended (Rezoning Property Between Southern Railway and Sweeten Creek Road).

Mayor McDevitt said this ordinance was previously read on first reading and would not be reread in its entirety unless there was a specific request to do so.

On a roll call vote of 7-0, Ordinance No. 1441 passed on second reading.

ORDINANCE NO. 1442 - AN ORDINANCE ESTABLISHING A NEW CITY OF ASHEVILLE EROSION CONTROL ORDINANCE.

6. Mayor McDevitt announced it was the consensus of Council to postpone the second reading of Ordinance No. 1442 until June 5, 1984, due to current revisions being made in the ordinance.

ORDINANCE NO. 1443 - AN ORDINANCE AMENDING CHAPTER 12, FIRE PREVENTION AND PROTECTION, OF THE CODE OF ORDINANCES OF THE CITY OF ASHEVILLE.

7. Consideration was given to the second reading of Ordinance No. 1443 - An Ordinance Amending Chapter 12, Fire Prevention and Protection, of the Code of Ordinances of the City of Asheville.

Mayor McDevitt said this ordinance was previously read on first reading and would not be reread in its entirety unless there was a specific request to do so.

Chief Causey of the Asheville Fire Department said, at the request of Council at last week's meeting, the Asheville Fire Department conducted a survey of 100 stores involving both large and small retail establishments. He said this survey showed 23 businesses against the ordinance provision for no smoking in retail establishments; 25 were neutral; and 52 were for the ordinance provision.

A discussion was held relative to amending the ordinance relating to the provision of no smoking in retail business establishments.

Several members of Council expressed concern about government regulating business establishments.

Chief Causey said he did not feel the proposed ordinance should be delayed because of concerns in the no smoking provision. He said it would not concern him if the provision is entirely deleted, leaving the "No Smoking" regulation at the Fire Marshall's discretion as specified in the NFPA Code.

Mrs. Walter Smith spoke in support of the ordinance in dealing with the no smoking provision. She said that she supported the provision not only due to safety, but as a health hazard also. She requested that Council include grocery stores and drug stores in the ordinance.

Mayor McDevitt requested that members of Council be furnished with a line item summary of the Water budget and a summary of the totals of the various line items.

Upon inquiry of Mayor McDevitt, Bob Wurst, Director of Audit and Budget, said that each additional percent collected of the present tax levy would yield $88,622.00. He said as of April, 1983, 92.3% had been collected for last year's tax levy.

Upon motion of Councilman Boland, seconded by Councilwoman Price, a public hearing relative to the 1984-1985 budget was scheduled for June 12, 1984.

ORDINANCE NO. 1439 - AN ORDINANCE AMENDING ORDINANCE NO. 322, "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED (WORDING AMENDMENT - PROFESSIONAL OFFICES IN R-3 DISTRICT).

3. Consideration was given to the second reading of Ordinance No. 1439, an ordinance amending Ordinance No. 322, "An Ordinance Providing for the Zoning of the City of Asheville," as amended (Wording Amendment - Professional Offices in R-3 District).

Mayor McDevitt said this ordinance was previously read on first reading and would not be read in its entirety unless there was a specific request to do so.

At the request of City Council at the May 22, 1984, meeting, Mr. Emrick submitted an amendment to the ordinance which details specific streets whereby the provisions of this ordinance would be allowed.

Councilwoman Price moved to amend Ordinance No. 1439 as read by Mr. Emrick. This motion was seconded by Councilwoman Frank and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1439 passed on second reading as amended.

ORDINANCE NO. 1440 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED (GRANTING OF VARIANCES/GROUP DEVELOPMENTS).

4. Consideration was given to the second reading of Ordinance No. 1440 - An ordinance amending Ordinance No. 322, known as "An Ordinance Providing for the Zoning of the City of Asheville," as amended (granting of variances/group developments).

Mayor McDevitt said this ordinance was previously read on first reading and would not be read in its entirety unless there was a specific request to do so.

On a roll call vote of 7-0, Ordinance No. 1440 passed on second reading.

After discussion, it was the consensus of Council to refer this matter to the Community Services Committee to review the entire existing Animal Control Ordinance.

CLAIMS - ALAN BERLAGE (STREETS); RAMON FROMMER (REC. PARK); VERNA NEWTON (SEWER); JAMES HARRIS (SANITATION); JERRY HIGGINS (STREETS); WILLIAM BOWERS (WATER); JOHN BALL (INSPECTIONS); AND MARY LOU BLACK (STREETS).

The City Manager presented claims received by the City of Asheville from the following individuals: Alan Berlage, Ramon Frommer; Verna Newton; James Harris; Jerry Higgins; William Bowers; John Ball; and Mary Lou Black.

Mayor McDevitt referred the claims to the Corporation Counsel for his investigation and recommendation.

RALPH BISHOP - COMMENTS RELATIVE TO J. C. HALL

Ralph Bishop appeared before the Council relative to former Police Chief J. C. Hall's disability pension.

EXECUTIVE SESSION

Upon motion of Vice-Mayor Bratton, seconded by Councilman Myers, the City Council adjourned to go into Executive Session.

Gay McDevitt
Mayor

William F. McKenzie
City Clerk

After discussion, Councilman Bissette moved to amend Ordinance 1443 by deleting Section 12.26 (A)(1) and to add the following:

Section 12.22. Smoking Prohibited in Specified Public Spaces.

A. In addition to the prohibitions against smoking in certain places pursuant to Section 3-1.1.11 of the NFPA Code, no person shall smoke or carry a lighted cigar, cigarette, pipe or match, or use any spark, flame, or fire producing device not specifically authorized by the Fire Marshall for use in such place in any of the following places.

1. Elevators. Elevators, regardless of capacity, in any public place.

2. Public and Private Hospitals. Smoking is permitted only in waiting rooms, lounge areas, offices, and restaurants; smoking also may be allowed in a patient's room with permission of the attending physician.

Further, that the section numbers in the ordinance be changed as outlined by the Corporation Counsel. This motion was seconded by Councilman Myers and carried on a voice vote of 5-2 with Councilwomen Frank and Price voting "No."

On a roll call vote of 7-0, Ordinance No. 1443 passed on second reading as amended.

Councilwoman Price requested that definitions be clarified in the ordinance prior to third reading.

ORDINANCE NO. 1444 - AN ORDINANCE AMENDING CHAPTER 8, ARTICLE IV OF THE CODE OF ORDINANCES OF THE CITY OF ASHEVILLE (HEATING CODE)

8. Consideration was given to the second reading of Ordinance No. 1444 - an ordinance amending Chapter 8, Article IV of the Code of Ordinances of the City of Asheville (Heating Code).

Mayor McDevitt said this ordinance was previously read on first reading and would not be reread in its entirety unless there was a specific request to do so.

On a roll call vote of 7-0, Ordinance No. 1444 passed on second reading.

RESCHEDULING PUBLIC HEARING - MONTFORD HISTORIC DISTRICT.

9. Councilwoman Price moved to reschedule the public hearing on the Montford Historic District Amendment from June 19, 1984, to July 10, 1984. This motion was seconded by Councilwoman Frank and carried unanimously.

COUNCILWOMAN PRICE - REGULATION OF CATS INQUIRY.

Corporation Counsel Slawter reported that he had not been able to locate any ordinance or provision regulating the keeping of cats in the City of Asheville.

3) From CBD, Central Business District to CG, Commercial General District: He said this is located on Montford Avenue near the Montford Grocery and the Peddler Steak House. He listed the lots to be rezoned CG, Commercial General District by the proposed ordinance.

Mr. Jack Stevens, Attorney for Highland Hospital, said Highland Hospital had no objections to a portion of Lot 46, approximately a 50-75 foot strip, fronting Pearson Drive, being rezoned to R-3, Residential District; however, they request that the remaining portion be left as is presently zoned - OI, Office Institutional.

The following residents and property owners spoke in opposition to the proposed areas to be rezoned:

- Roberta Widman
- Mary Duckworth
- Hester Evans
- Lucille Ray (Also speaking for Mrs. Burgess and Mrs. Brooks)
- Bill Duckworth
- Judy Carver
- Helen, Robert, and Richard Gray
- Mac Swicegood
- Gary Gorman
- Shirley Dosier
- Brenda Scounyers

The following residents and property owners spoke in support to the proposed areas to be rezoned:

- Mary Jo Brezney
- Ellen Clark Sayer
- Mrs. Blankenship (Also read list of others who could not attend the meeting - J. F. Shepherd, Ernest Holden, John and Sonya Whitman, Ruth Lucas, Mr. McClellen, and J. Don Blakenship)
- Dorothy Countryman
- Doug Swaim (Montford Planning Committee)
- Scott Rogers, Director, ABCCM
- Carolyn Humphries, Director, Historic Resources Commission
- Daphne Hooker
- Jerry Snow
- Keith Shepherd
- Barbara Sayer
- Ron Mach
- Jim Cavener

Mrs. Elizabeth Graham questioned the planned use for upper Montford and the lots bordering on Cherry Street saying that this could become a problem if reduced to a lower zoning. She felt some sort of compromise should be made to rezone the property on Cherry Street, known as the Gudger Property, to Commercial General to avoid future problems with the property.

Regular Meeting

Present: Mayor Larry McDevitt, Presiding; Vice-Mayor Wilhelmina Bratton; Councilwomen Mary Lloyd Frank and Norma T. Price; Councilmen Gordon Myers; Walter R. Boland, and Louis Bissette; Corporation Counsel Patsy Brison; Acting City Manager William F. Wolcott, Jr.; Acting City Clerk Margaret Messer.

Absent: None

INVOCATION

The invocation was given by Councilwoman Price.

APPROVAL OF THE MINUTES

1. Consideration was given to approval of the minutes of the May 29, 1984 meeting.

Upon motion of Councilman Bissett, seconded by Councilwoman Price, the minutes of the May 29, 1984 meeting were unanimously approved as submitted.

PUBLIC HEARING - REZONING PROPERTY LOCATED IN MONTFORD COMMUNITY

ORDINANCE NO. 1447 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED (PROPERTY LOCATED IN MONTFORD COMMUNITY)

2. A public hearing was held relative to rezoning property located in the Montford Community.

Mayor McDevitt opened the public hearing at 4:03 p.m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Planning Director, distributed maps to members of Council, and said that notification to affected property owners had been done as requested by the City Council.

Mr. Emrick said the areas to be rezoned were as follows:

1) From OI Office Institutional District to R-3 Residential District: He said this property is bordered by Montford, Pearson, Santee, and Watauga Streets. He listed the lots to be rezoned R-3, Residential District by the proposed ordinance.

2) From CBD Commercial Business District to CH Commercial Highway District: He said this is bordered by Flint, Starnes, Broadway, and Cherry Streets. He listed the lots to be rezoned CH, Commerical Highway District by the proposed ordinance.

For the benefit of Council, Mr. Emrick again reviewed the proposed zoning changes as presently included in the ordinance.

At the request of Mayor McDevitt, Mr. Emrick listed the uses not allowed in the Commercial General District but are allowed in the Central Business District.

Vice Mayor Bratton moved that the staff be directed to pull together a comprehensive plan for the City and that the neighborhood plans for Montford, East End, North Asheville, South Asheville, West Asheville, and Kenilworth be included, and that action on the ordinance be postponed until such time as the plan is presented to the City Council.

This motion was seconded by Councilman Myers and failed on a 2-5 voice vote with Mayor McDevitt, Councilman Bissette, Councilman Boland, Councilwoman Price, and Councilwoman Frank voting "no."

Councilwoman Price moved that the ordinance be amended to reflect the following:

"That a portion of Lot 46 measuring 150 feet deep from Pearson Drive be rezoned to R-3, Residential District. Further, said 150 foot distance be used to establish a line parallel to Pearson Drive which will establish the eastern border of that portion of Lot 46 which will be rezoned to R-3, Residential District." (Note: See Attached Map.)

This motion was seconded by Councilman Boland and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1447 passed on first reading, as amended.

Mr. Jack Stevens, Attorney for Highland Hospital, said that he felt his client would be comfortable with 150 feet, but not beyond that amount, but that he would be willing to look at the topography to determine if it would be practical to extend the 150 feet.

PUBLIC HEARING - REZONING PROPERTY ON ARDMION PARK

3. A public hearing was held relative to rezoning property on Ardmion Park from R-3 Residential District to R-4 Residential District.

Mayor McDevitt said this item had been discussed by the Council during the Pre-Council Meeting and at that time, the Council had learned of a prior Council's action with regard to this request. He said that it was the consensus of Council to postpone action on this request for two weeks to give Council an opportunity to thoroughly review the commitments made by the previous Council in adopting the Revelopment Plan for East End/Valley Street in 1978. However, he said, the Council would go ahead with the public hearing for the convenience of those who had come to the meeting.

Mayor McDevitt opened the public hearing at 6:29 p.m.

The City Manager presented the notice to the public setting the time and date of the public hearing and the affidavit of publication.

Mayor McDevitt thanked the participants for their orderly conduct in the hearing and asked for rebuttal comments from the public. Mayor McDevitt asked that comments be limited to one (1) minute.

The following individuals made rebuttal remarks:

- Susan Mayer
- Myra Fuller
- Bill Flynn
- Ellen Clark Sayer
- Mac Swicegood
- Daphyne Hooker
- Mildred Dicken
- J. Clifton and Shirley Dozier
- Gary Gorman
- Roberta Widman

Shirley Dozier addressed Council about problems she had been experiencing with prostitutes and bootleggers at her home at 77 Montford Avenue. She said they block the driveway and when she asks them to leave, they threaten shooting her and setting her home on fire. She said the Police did come and make the people leave and advised them to contact the Montford Community Club. She said this is the reason she supports the rezoning so she can sell and move out of the area.

Mayor McDevitt asked the City Manager to have Chief Hensley look into the problems Mrs. Dozier had been having.

Mr. Emrick answered general questions from members of Council relative to density levels and uses allowed and not allowed in the various zoning districts.

A discussion followed relative to a comprehensive plan for the entire city and a possible moratorium for the Montford area until such a plan could be presented. However, Mr. Emrick advised Council that it would take approximately 30 days to accomplish the legalities to put a moratorium in place.

Mr. Emrick advised Council that due to the level of detail required, it would take approximately 6 months for the staff to put together a draft of a comprehensive zoning plan for the entire city.

Mayor McDevitt closed the public hearing at 5:39 p.m.

Mayor McDevitt said copies of this ordinance were previously distributed to members of Council and the ordinance would not be read unless there was a specific request to do so.

Councilwoman Price suggested that some amendments be considered to the ordinance that would allow some conditional uses in the R-4, Residential District which would allow certain crafts or small activities where goods could be sold in neighborhood-type shopping that might be earmarked only for the Montford Area to provide neighborhood-type business that has been requested by the community, but only has a conditional use in that way.

2. We question whether the re-zoning is in accordance with the conditional uses which are permitted in R-4 for Mountainside Residences.

Finally, we raise these objections on behalf of our neighborhood:

Most of our people have grown up and lived in this community all of their lives; the concept of neighborhood has a real and deep meaning for them. It has been said by a prominent developer, that the ideal situation would be for everything east of Ardmiron should be residential, condominium, and apartments, and everything west of there including our community to South Charlotte Street, should be zoned for commercial use. This was a harsh statement, and does not regard people as being important. We feel that the re-zoning of this area would be the beginning of the process of losing our community and we respectfully request the council to reject it.

Will Burton

Mr. Jesse Ray, Sr. spoke in opposition to the proposed rezoning. He said that over 8 million dollars had been spent in the East End and that the residents had been encouraged by the Federal Government to say just how they wanted their community and the community had been unanimous in their decision for development of the area. He said the R-4 designation would increase the residential density level and would also allow mobile homes.

Mrs. Ralph Brown of 478 College Street spoke in opposition to the rezoning. She said that residents of the area were promised by a previous Council when the Redevelopment Plan for the East End was adopted that the area would remain residential.

Steve Brady spoke in support of the rezoning.

Ruby Young spoke in opposition to the rezoning.

Councilwoman Price moved to continue the public hearing without further advertisement until June 19. This motion was seconded by Councilman Boland and carried unanimously.

ORDINANCE NO. 1448 - AN ORDINANCE AMENDING SECTION 28-81.3 AND SECTION 28-81.4 OF ARTICLE IV, SPEED REGULATIONS, OF CHAPTER 28 OF THE CODE OF ORDINANCES OF THE CITY OF ASHEVILLE (Reduce Speed Limit On Murdock Avenue)

4. Consideration was given to an ordinance amending Section 28-81.3 and Section 28-81.4 of Article IV, Speed Regulations, of Chapter 28 of the Code of Ordinances of the City of Asheville (to reduce speed limit on Murdock Avenue).

Mayor McDevitt said copies of this ordinance were previously distributed to members of Council and the ordinance would not be reread unless there was a specific request to do so.

Jackie Schaur spoke in support of the proposed ordinance.

Councilwoman Price moved for the adoption of Ordinance No. 1448. This motion was seconded by Councilman Boland.

Dr. and Mrs. Robert Scully spoke in support of the rezoning saying that they did not wish to do anything that would be detrimental to the community. They said out of 27 acres in the area, only 12 have a potential for development. They said their plans are to make the best use of the land by developing a residential area at the northern end of the property and to construct professional offices on the southern portion.

Mr. Will Burton presented the following statement/recommendation to Council, which he said represented the neighborhood's view on the rezoning petition:

Honorable members of the City Council, to the Honorable Mayor, and Vice-Mayor.

As chairperson of the East End/Valley Street planning committee and as president of our community organization, I am here today along with a delegation from the community to oppose the request to rezone a portion of our neighborhood.

When our neighborhood was first selected for re-development by the city, we were assured by the city leaders at that time, that this area would always be a residential community of homes and neighbors. We became involved in the plan and organized a planning committee in an effort to guide our neighborhood and preserve it and, we did this acting on the good faith promise that the city made to us. "The longer a promise is made, the more real it becomes".

Several times over the course of the development, speculators and developers have come to the council and the community attempting to pursuade us to re-zone portions of our neighborhood and they have always stated that this was in the best interest of the community. We believe that we ourselves know what is in the best interest of the community, and in keeping with the democratic process, letting everyone know what is happening and giving everyone a voice, we as a neighborhood have always spoken with one voice. We commend the council for the way in which they have listened to us in the past.

On May 3, 1984, at the Stephen's Lee Center, there was a community meeting in which Dr. Sculley presented his proposal for a professional office in our community. There were two principal concerns raised:

1. The size of the area to be re-zoned.

We felt that in time other people might buy up land in this area and not be as sensitive to landscaping and the beautifying their facilities as Dr. Sculley.

2. Spot Zoning.

We felt that this whole area from (South Charlotte) Valley Street to Kenilworth is zoned R-3 residential and to change this area to R-4 would be an arbitrary action.

On June 4, 1984, the planning committee met and raised these additional objections:

1. This same type of property on the other side of the tunnel (Town Mountain) has an R-1 zoning, which is the most restrictive zoning there is.

On a roll call vote of 7-0, Ordinance No. 1443 passed on third and final reading, as amended.

Complete text of Ordinance No. 1443 will be found in Ordinance Book No. 10, pages ~~124-140.~~ 130-145.

22 NORMANDY ROAD - PROPOSED DEMOLITION

7. Corporation Counsel Brison reported that Pam Patterson, Staff Attorney, and Max Cogburn, Attorney for Mrs. Gage, had reached a mutually satisfactory agreement between the contractor and the property owner and also a satisfactory agreement between the City and Mrs. Gage.

Councilwoman Price moved to authorize the Mayor to sign an agreement between the City and Mrs. Gage. This motion was seconded by Vice Mayor Bratton and carried unanimously.

Attorney Cogburn thanked members of Council for their patience in dealing with this matter.

SIGN PERMIT - SHOWBIZ PIZZA, 34 TUNNEL ROAD

8. Consideration was given to a motion approving a sign permit for Showbiz Pizza for placement of an identification sign at 34 Tunnel Road.

Mr. Emrick, Director of Planning, said he would recommend approval of the sign permit.

Vice Mayor Bratton moved to approve a sign permit for Showbiz Pizza for placement of an identification sign at 34 Tunnel Road. This motion was seconded by Councilman Bissette and carried unanimously.

Councilman Bissette and Councilwoman Price were excused from the meeting at 7:30 p.m. They gave permission for "yes" votes to be recorded for them for the remaining items on the agenda.

RESOLUTION NO. 84-92 - RESOLUTION AUTHORIZING CONDEMNATION OF PROPERTY IN THE EAST/END VALLEY STREET COMMUNITY IMPROVEMENT PROGRAM

9. Consideration was given to a resolution authorizing condemnation of property in the East/End Valley Street Community Improvement Program.

Mayor McDevitt said copies of this resolution were previously distributed to members of Council and the resolution would not be read unless there was a specific request to do so.

Mr. Larry Holt, Deputy Director of the Housing Authority of the City of Asheville, said the City has executed a contract with the Housing Authority which requires the Housing Authority to provide acquisition and relocation services to the City. He said the following properties have been appraised; however, the Housing Authority has not been able to reach an agreement with the property owners due to the mortgage holders wanting all the compensation they can possibly get.

On a roll call vote of 7-0, Ordinance No. 1448 passed on first reading.

ORDINANCE NO. 1441 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOW AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED (PROPERTY LOCATED ON SWEETEN CREEK ROAD)

5. Consideration was given to the third and final reading of Ordinance No. 1441, an ordinance amending Ordinance No. 322, known as "an ordinance providing for the zoning of the City of Asheville," as amended (property located on Sweeten Creek Road).

Mayor McDevitt said this ordinance was previously read on first and second reading and would not be reread in its entirety unless there was a specific request to do so.

On a roll call vote of 7-0, Ordinance No. 1441 passed on third and final reading, as amended.

Complete text of Ordinance No. 1441 will be found in Ordinance Book No. 10, page ~~123~~ 128.

ORDINANCE NO. 1443 - AN ORDINANCE AMENDING CHAPTER 12, FIRE PREVENTION AND PROTECTION, OF THE CODE OF ORDINANCES OF THE CITY OF ASHEVILLE

6. Consideration was given to the third and final reading of Ordinance No. 1443, an ordinance amending Chapter 12, Fire Prevention and Protection, of the Code of Ordinances of the City of Asheville.

Mayor McDevitt said this ordinance was previously read on first and second reading and would not be reread in its entirety unless there was a specific request to do so.

Corporation Counsel Patsy Brison advised Council that the section numbers in the ordinance had been changed as requested by the Council at the May 29th meeting. She offered the following amendment to Section 1-7.3.2 (e):

"(e) Chapter 2 - "Definitions" of Phamphlet No. 1, NFPA Code shall be amended by the addition of the definition of the following term:

"Hazardous Materials - shall include, but not be limited to, flammable solids, flammable or combustible liquids, pyroxylin plastics, combustible metals, oxidizing agents, organic peroxides, flammable and non-flammable gases, irritating materials, etiologic agents, and materials or mixtures of materials which are toxic, corrosive, poisonous, radioactive, or explosive, all as defined in the Federal Register, and other products that may be life-threatening or present an undue fire hazard as deemed by the fire marshal when using the information presented in the NFPA Code as guidance."

Councilwoman Price moved to amend Ordinance No. 1443 as read by Corporation Counsel Brison. This motion was seconded by Councilman Bissette and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1439 passed on third and final reading, as amended.

Complete text of Ordinance No. 1439 will be found in Ordinance Book No. 10, pages ~~141-142.~~ 124 + 125 9/87

ORDINANCE NO. 1440 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED (Group Developments/Variances)

12. Consideration was given to the third and final reading of Ordinance No. 1440, an ordinance amending Ordinance No. 322, known as "an ordinance providing for the zoning of the City of Asheville," as amended (Group Developments/Variances).

Mayor McDevitt announced that Council had discussed postponing the second reading of Ordinance No. 1440 until June 19, 1984, to allow time for research to resolve a legal question relative to variances.

Councilman Boland moved to postpone the second reading of Ordinance No. 1440 until June 19, 1984. This motion was seconded by Vice Mayor Bratton and carried unanimously.

ORDINANCE NO. 1442 - AN ORDINANCE ESTABLISHING A NEW CITY OF ASHEVILLE EROSION CONTROL ORDINANCE

13. Mayor McDevitt announced that Council had discussed postponing the second reading of Ordinance No. 1442 until August 14, 1984. He said the State is willing to give this extension. He said that copies of the proposed ordinance would be sent to interested individuals and a work session would be arranged on the ordinance prior to the second reading.

Vice Mayor Bratton moved to postpone the second reading of Ordinance No. 1442 until August 14, 1984. This motion was seconded by Councilwoman Frank and carried unanimously.

ORDINANCE NO. 1444 - AN ORDINANCE AMENDING CHAPTER 8, ARTICLE IV OF THE CODE OF ORDINANCES OF THE CITY OF ASHEVILLE (Heating Code)

14. Consideration was given to the third and final reading of Ordinance No. 1444 - an ordinance amending Chapter 8, Article IV of the Code of Ordinances of the City of Asheville (Heating Code).

Verl Emrick, Planning Director, read the following report:

MEMORANDUM TO: William F. Wolcott, Jr., Acting City Manager

FROM: Verl R. Emrick, Jr., Planning Director

SUBJECT: Montford Rezoning - Ken Pitts, Frugal Framer
Ward 3, Sheet 2, Lots 271 and 272

DATE: June 19, 1984

Last week I received the request from Mr. Ken Pitts that his lot be excluded from the rezoning that City Council is now involved in. Knowing the importance of both sides of this issue, staff contacted the Montford Community Club's Planning Committee and can report the following:

1. The Montford Planning Committee will support the exclusion of Ken's lots (so that his finaicing can be secured) under the following conditions;

   a. That City staff develop a proposal for the Committee's review and approval which would allow certain commercial uses in the R-4 Residential District,
   b. That said uses would be allowed under certain conditions - Conditions to be specified by recommendations of the Committee,
   c. That this process should be completed within 90 days from this date (June 19, 1984); and
   d. That following the completion of these ordinance changes, the zoning of Ken's lots would become R-4 Residential District.

If you have any questions, please advise.

Councilwoman Price moved to amend the Ordinance to delete Lots 271 and 272. This motion was seconded by Councilman Bissette and carried unanimously.

A discussion was held relative to the accuracy of the Ordinance. It was determined that several lots were inadvertantly left out and would have to be included in a new ordinance following proper procedure.

On a roll call vote of 6-0, Ordinance No. 1447 passed on third and final reading as amended.

Mayor McDevitt proclaimed June 27, 1984 as "Clown Day '84".

Mayor McDevitt presented the proclamation to Oralene Simmons, with the Montford Recreation Center. A clown participating in "Clown Day '84" presented members of Council with balloons.

PROCLAMATION - "CHILDREN'S SAFETY DAYS" - JULY 1-4, 1984

Mayor McDevitt proclaimed July 1-4, 1984 as "Children's Safety Days".

ORDINANCE NO. 1449 - AN ORDINANCE ADOPTING THE OPERATING BUDGET AND FIXING THE TAX RATE OF THE CITY OF ASHEVILLE FOR FISCAL YEAR 1984-85

4. Consideration was given to the third reading of Ordinance No. 1449, an Ordinance adopting the operating budget and fixing the tax rate of the City of Asheville for Fiscal Year 1984-85.

Mayor McDevitt said the City of Asheville budget for Fiscal Year 1984-85 was formally presented at the May 29, 1984 meeting of the Asheville City Council. On June 12, 1984, a public hearing was held and this ordinance passed on first reading. This ordinance passed on second reading on June 19, 1984.

Mayor McDevitt said this ordinance was previously read on first and second reading and will not be reread in its entirety unless there was a specific request to do so.

Bob Wurst, Director of Audit and Budget, presented several changes discussed by members of Council in the Pre-Council work session. He said these changes primarily involve allocations relative to the transfer of Parks & Recreation Facilities to the County of Buncombe, minor miscellaneous line item changes, increased security at the Civic Center Parking Garage, and capital improvements at the Civic Center Parking Garage.

Mayor McDevitt noted that the budget was being adopted with a tax rate of 59 cents, assuming a 94% collection rate and that 12 cents of the tax rate would be specifically allocated for Debt Service.

Councilman Boland moved to amend Ordinance No. 1449 as outlined by the Director of Audit and Budget. This motion was seconded by Councilman Myers and carried unanimously.

On a roll call vote of 5-0, Ordinance No. 1449 passed on third and final reading.

INVOCATION

The invocation was given by Councilman Gordon Myers.

APPROVAL OF THE MINUTES

1. Consideration was given to the approval of the minutes of the June 19, 1984 meeting.

Upon motion of Vice-Mayor Bratton, seconded by Councilman Bissette, the minutes of the June 19, 1984 meeting were unanimously approved as submitted.

RESOLUTION NO. 84-102 - RESOLUTION OF APPRECIATION AND COMMENDATION TO MILDRED S. HEATHERLY

2. Consideration was given to a resolution of appreciation and commendation to Mildred S. Heatherly.

Mayor McDevitt read the resolution, stating that Mildred Heatherly has been a City employee since March 4, 1968 and will be retiring on July 1, 1984.

Upon motion of Councilman Boland, seconded by Councilman Bissette, Resolution No. 84-102 was unanimously adopted.

Mayor McDevitt presented the resolution to Mildred Heatherley.

Complete text of Resolution No. 84-102 will be found in Resolution Book No. 14 at Page ~~340~~. 359

RESOLUTION NO. 84-103 - RESOLUTION OF APPRECIATION AND COMMENDATION TO HARTSEL BLANKENSHIP

3. Consideration was given to a resolution of appreciation and commendation to Hartsel Blankenship.

Mayor McDevitt read the resolution stating that Mr. Blankenship has been an employee of the City of Asheville since November 28, 1955, and will be retiring on June 29, 1984.

Upon motion of Councilman Boland, seconded by Councilman Myers, Resolution No. 84-103 was unanimously adopted.

Corporation Counsel Slawter advised members of Council that after research, adoption of this particular ordinance would be illegal and beyond the powers of Council under the General Statutes of North Carolina.

On a roll call vote of 5-0, Ordinance No. 1440 failed on third reading.

PUBLIC HEARING - SITE PLAN - "KNOB HILL DEVELOPMENT CORPORATION" - SAND HILL ROAD

6. A public hearing was held relative to a site plan of the proposed "Knob Hill Development Corporation" to be located off Sand Hill Road.

Mayor McDevitt opened the public hearing at 4:45 p.m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said the Asheville Planning and Zoning Commission at a meeting held on June 6, 1984, reviewed the site plan of the proposed "Knob Hill Development Corporation" to be located off Sand Hill Road. The plan was prepared and submitted by Ray Anders, R.L.S., for Poff Construction Company. After review and discussion, the Commission voted to recommend approval of the site plan subject to compliance with the Erosion Control Ordinance and City Council granting a density variance from 10 units per acre to 13 units per acre. This public hearing was scheduled by a motion of City Council at the June 12, 1984 meeting.

Mr. Emrick advised that the granting of a density variance of 10 units per acre to 13 units per acre as recommended by the Planning and Zoning Commission was, in fact, beyond Council's powers. Therefore, the developer reduced the number of units for the project to 10 units per acre, which would be in compliance with the Zoning Ordinance. He said water and sewer are available in sufficient amounts to adequately supply the development. He said this project is located off Sand Hill Road at the intersection of I-240 and I-26.

Mayor McDevitt closed the public hearing at 4:49 p.m.

Councilman Bissette moved to approve the site plan of the proposed "Knob Hill Development Corporation" to be located off Sand Hill Road as recommended by the Planning and Zoning Commission, subject to compliance with the Erosion Control Ordinance. This motion was seconded by Councilman Boland and carried unanimously.

ORDINANCE NO. 1450 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED (PROPERTY LOCATED ON EMMA ROAD)

7. Consideration was given to the second reading of Ordinance No. 1450, an ordinance amending Ordinance No. 322, known as "an ordinance providing for the zoning of the City of Asheville", as amended (property located on Emma Road.)

Mayor McDevitt said this ordinance was previously read on first reading and would not be reread in its entirety unless there was a specific request to do so.

Jesse Ray presented the following petition to members of Council:

"We, the undersigned, having loved ones whose mortal remains are interred in the Riverside Cemetery, urgently request that the lower roads be paved thus making it possible to reach grave sites that, for all intents and purposes, are now inaccessible during periods of inclement weather. We feel that the area in question has been neglected since its inception, but should be maintained on a plane comparable to that of the other parts of the cemetery.

If you are familiar with the total cemetery area, we feel certain that you agree with the view that the general topography, and the narrow, hilly, serpentine road in much of the cemetery acreage leave much to be desired. By upgrading and paving the road in this area, and by improving the maintenance of the cemetery as a whole, the appearance of this outstanding community landmark would be greatly enhanced.

We present this matter with the hope that you will, with reasonable dispatch, appropriate funds necessary to remedy this sorely long neglected situation."

Mayor McDevitt informed Mr. Ray that members of Council were aware of the petitioners' concerns and that their request for paving of roads in the Riverside Cemetery would be considered along with other capital paving projects in the next few weeks. He assured Mr. Ray that their request would be receiving prompt attention.

The City Manager was instructed to obtain information relative to the paving of roads in the Riverside Cemetery and the anticipated cost involved prior to next weeks work session.

ORDINANCE NO. 1440 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED (GRANTING OF VARIANCES/GROUP DEVELOPMENTS)

5. Consideration was given to the third reading of Ordinance No. 1440, an ordinance amending Ordinance No. 322, known as "an Ordinance providing for the zoning of the City of Asheville", as amended (granting of variances/group developments).

Mayor McDevitt said the Asheville Planning and Zoning Commission at a meeting held April 18, 1984, considered a proposed wording amendment to the Zoning Ordinance which would simplify the review process for a developer when variances are required for group development projects and eliminate a third review of the project by an appointed board or commission. After review and discussion, the Commission recommended an amendment to Section 3061.B. Development Standards authorizing Council to grant variances for building/structural setbacks, density requirements, provisions of the sign regulations, and off-street parking requirements. A public hearing was held and this ordinance passed on first reading on May 22, 1984. This ordinance passed on second reading on May 29, 1984. At the June 5, 1984 meeting, the third reading of this ordinance was postponed until June 19, 1984, to allow time for research to resolve a legal issue. On June 19, 1984, third reading was postponed until June 26, 1984.

Ralph Bishop spoke in opposition to the resolution.

RESOLUTION NO. 84-106 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE DEEDS OF CONVEYANCE AND OTHER DOCUMENTS NECESSARY FOR TRANSFER OF RECREATION PARK, MUNICIPAL GOLF COURSE, McCORMICK FIELD AND ASTON PARK RECREATIONAL FACILITIES TO THE COUNTY OF BUNCOMBE

11. Consideration was given to a resolution authorizing the Mayor to execute Deeds of Conveyance and other doucments necessary for transfer of Recreation Park, Municipal Golf Course, McCormick Field and Aston Park Recreational Facilities to the County of Buncombe.

Mayor McDevitt noted that in the negotiations for the transfer of the Parks and Recreation Facilities it was determined that the County of Buncombe would maintain the entire recreational facilities at the Aston Park. However, the City would continue to own and maintain the maintenance shed and parking lot at Aston Park. He said, by agreement, the County could use a portion of the maintenance shed. He said the McCormick Field will include the parking lot. He said the Memorial Stadium would remain owned and maintained by the City of Asheville and he would anticipate cooperative use of the parking lots. He said the summer playground activities would continue to operate at the Aston Park. He said all deeds would include clauses providing for reversion to the City of all properties if the County ceases to use the property for recreational purposes or if the water agreement became void, or if the County transfers ownerships of these facilities.

Mayor McDevitt said this transfer would take place on or before July 1, 1984.

Upon motion of Councilman Bissette, seconded by Councilman Boland, Resolution No. 84-106 was unanimously adopted.

SCHEDULING OF PUBLIC HEARING - MONTFORD AREA - WARD 3, SHEET 2, LOTS 149 1/2, 275 3/4, 294, 295, 272 and 271

Councilman Bissette moved to schedule a public hearing relative to rezoning Ward 3, Sheet 2, Lots 149 1/2, 275 3/4, 294, 295, 271 and 272 from Central Business District (CBD) to R-4 Residential District for July 17, 1984. This motion was seconded by Vice-Mayor Bratton and carried unanimously.

CLAIMS - JOHN GATLING (STREET) - GLENDA STEPHENS (STREET) - SHARON HARPER (SANITATION)

The City Manager presented claims received from John Gatling, Glenda Stephens and Sharon Harper.

Mayor McDevitt referred the claims to the Corporation Counsel for investigation and recommendation.

On a roll call vote of 5-0, Ordinance No. 1450 passed on second reading.

ORDINANCE NO. 1451 - AN ORDINANCE AMENDING SECTION 19A-11 (A) OF THE CODE OF ORDINANCE OF THE CITY OF ASHEVILLE

8. Consideration was given to the second reading of Ordinance No. 1451, an ordinance amending section 19A-11 (a) of the Code of Ordinance of the City of Asheville (Employee Grievance Procedure).

Mayor McDevitt said this ordinance was previously read on first reading and would not be reread in its entirety unless there was a specific request to do so.

On a roll call vote of 5-0, Ordinance No. 1451 passed on second reading.

RESOLUTION NO. 84-104 - RESOLUTION APPROVING ASHEVILLE/BUNCOMBE WATER AUTHORITY BUDGET AMENDMENTS FOR FISCAL YEAR 1983-84

9. Consideration was given to a resolution approving Asheville/Buncombe Water Authority Budget amendments for Fiscal Year 1983-84.

Mayor McDevitt said on June 19, 1984, the Asheville/Buncombe Water Authority amended its Fiscal Year 1983-84 Operating Budget. This amendment appropriated $350,000 as a contribution for sewer construction and increased the City's administrative services appropriation in the amount of $63,744. As set forth in the Water Agreement, the Asheville City Council and Buncombe County Commissioners must approve amendments to the Water Authority Budget.

Upon motion of Councilman Boland, seconded by Councilman Bissette, Resolution No. 84-104 was unanimously adopted.

RESOLUTION NO. 84-105 - RESOLUTION AUTHORIZING THE MAYOR TO ENTER INTO AN AGREEMENT WITH THE LAND-OF-SKY REGIONAL COUNCIL FOR PRODUCTIVITY SPECIALIST SERVICES FOR 1984-85

10. Consideration was given to a resolution authorizing the Mayor to enter into an agreement with the Land-of-Sky Regional Council for Productivity Specialist services for 1984-85.

Mayor McDevitt said the Land-of-Sky Regional Council has offered the services of a Productivity Specialist to the City. It is expected that this service will result in cost reductions that will be beneficial to the City. Funds for such services are appropriated in the Audit and Budget departmental budget. The fiscal impact of this action will result in studies which should result in cost savings to the City. The funds for this agreement, in the amount of $25,890.50, are appropriated in the Fiscal 1984-85 Audit and Budget departmental budget.

Upon motion of Vice-Mayor Bratton, seconded by Councilman Boland, Resolution No. 84-105 was unanimously adopted.

LAWSUITS - ASHEVILLE HOUSING AUTHORITY VS. CONDEMNATION OF ISAAC DICKSON PROPERTY (EAST END/VALLEY STREET)

The City Manager presented members of Council with a summons received in connection with a lawsuit involving the Asheville Housing Authority vs. the condemnation of Isaac Dickson property in the East End/Valley Street area.

Mayor McDevitt referred the summons to the Corporation Counsel for investigation and recommendation.

PETITIONS - 414 HAYWOOD ROAD AND AYCOCK ELEMENTARY SCHOOL

Mr. Carl Baldasaro, 419 Haywood Road, presented the following petitions:

"The Honorable Mayor Larry McDevitt:

To the City of Asheville and the Asheville Health Department.

We, the undersigned, petition the City of Asheville and the Health Department, and all other interested and influential parties, to take immediate action to remodel, board up, seal or demolish the vacant building on the southeast corner of the intersection of Haywood Road and Richmond Avenue (414 Haywood Road). We feel the building is unsanitary, and unsafe, that it provides unlawful shelter for vagrants and that it is an eyesore to our community."

"The Honorable Mayor Larry McDevitt:

To the City of Asheville and the Asheville Health Department.

We, the undersigned, petition the City of Asheville and the Health Department, and all other interested and influential parties, to take immediate steps to improve conditions on the grounds of the Aycock Elementary School, located at 441 Haywood Road. We believe it is not safe for the children in the community to use the playground during the summer due to loitering, drinking and other undesirable acts."

After a lengthy discussion relative to the events leading up to these petitions, Mayor McDevitt said the City staff would look into the concerns expressed and requested that the City Manager report findings relative to the requests to Council within two weeks. He also requested that the City Manager look into increased police surveillance in these areas.

RALPH BISHOP - LOTTERY SALES

Ralph Bishop spoke to members of Council relative to Chief Fred Hensley and lottery sales in the City of Asheville.

ADJOURNMENT TO EXECUTIVE SESSION

Upon motion of Councilman Boland, seconded by Vice-Mayor Bratton, the meeting adjourned to executive session at 5:45 p.m.

Mr. Will Burton, spokesman for the East End/Valley Street Neighborhood Association, said the proposed developers of the property in question, Dr. Robert J. Scully, met with the neighborhood residents on June 28, 1984. He said the Scully's presented their proposal at this meeting. He said after the presentation and discussion among the neighborhood residents, it was the unanimous decision of the East End/Valley Street Neighborhood Association to continue to oppose the rezoning of any property in the East End/Valley Street area. He said the rezoning is not in harmony with the neighborhood.

Reverend Christopher, resident in the East End/Valley Street area, spoke in opposition to the rezoning. He said during the meeting on June 28, 1984 Dr. Scully mentioned that there were plans in the making for the East End/Valley Street area in the future. He said if there are any secret plans for the area, the neighborhood should be informed about anything that is going to affect their neighborhood. He said it is the intent of the Committee to have no "spot zoning."

Mayor McDevitt informed Reverend Christopher that there are no secret plans for the East End/Valley Street area.

At the request of Mayor McDevitt, Mr. Emrick, Director of Planning, said he was not aware of any plans, of a secret nature, for the East End/Valley Street area.

Virginia Summey, 74 Mountain Street, spoke in opposition to the rezoning.

Ralph Brown, 608 College Street, member of the Planning Committee for the East End/Valley Street Neighborhood Association, spoke in opposition to the rezoning stating that the property should be left zoned as it is.

Councilwoman Price noted that the property as presently zoned, R-3 Residential District, would allow for multi-residential units.

Mr. William Young, Jr. and Mr. Henry Dill, residents in the East End/Valley Street area, spoke in oppositionn to the rezoning.

Dr. Robert Scully, petitioner for the rezoning, read a statement that outlined his proposed development on a 27 acre tract. He said this area is in close proximity with the hospital complex and would have been beneficial to his professional practice. He said his plans were to use 21 acres for residential use, and six acres for office space. He said after meeting with the residents, he understood their "intense" concerns relative to the rezoning. However, he said, as stated at the community meeting, that eventually there would have to be a comprehensive master plan for the City which would include the East End/Valley Street area. He said he felt the main concern of the residents was that if they supported his rezoning petition, this might be an open-door policy for future rezonings of their neighborhood. He said because of the controversy and "intense" emotional concerns of the neighborhood that he was hereby withdrawing his request to rezone the property. He said in proposing a comprehensive master plan for the City, areas for the health
industry need to be considered.

At the request of Mayor McDevitt, Corporation Counsel Slawter advised that after researching the previously adopted redevelopment plan for the East End/Valley Street area, Council would not have the legal authority to rezone any property in the area without changing the redevelopment plan.

Tuesday - July 3, 1984 - 4:00 p.m.

Regular Meeting

Present: Mayor Larry McDevitt, Presiding; Vice-Mayor Wilhelmina Bratton; Councilwomen Mary Lloyd Frank and Norma T. Price; Councilmen Gordon Myers, Walter R. Boland, and Louis Bissette; Corporation Counsel William F. Slawter; Acting City Manager William F. Wolcott, Jr.; Deputy City Clerk Carol Hensley.

INVOCATION

The invocation was given by Councilwoman Mary Lloyd Frank.

APPROVAL OF THE MINUTES

1. Consideration was given to the approval of the minutes of the June 26, 1984 meeting.

Upon motion of Councilwoman Price, seconded by Councilwoman Frank, the minutes of the June 26, 1984 meeting were unanimously approved with several spelling changes.

PROCLAMATION - "SOAP BOX DERBY DAY IN WESTERN NORTH CAROLINA" - SATURDAY, JULY 7, 1984

Mayor McDevitt proclaimed Saturday, July 7, 1984 as "Soap Box Derby Day in Western North Carolina."

Mayor McDevitt presented the proclamation to Dr. Tom Jones, with the West Asheville Rotary Club.

CONTINUATION OF PUBLIC HEARING - REZONING PROPERTY ON ARDMION PARK

2. A public hearing relative to rezoning property located on Ardmion Park continued.

Mayor McDevitt said the Asheville Planning and Zoning Commission at a meeting held May 9, 1984, considered the request of Dr. Robert J. Scully that Ward I, Sheet 4, portion of Lot 56, be rezoned from R-3 Residential District to OI Office Institutional District. The property is located on Ardmion Park. After review and discussion, the Commission voted to recommend to City Council that Ward I, Sheet 4, portion of Lot 56, be rezoned from R-3 Residential District to R-4 Residential District. A public hearing was held on June 5, 1984, and continued to June 19, 1984, in order to research previous commitments of a previous Council in adopting the Redevelopment Plan for the East End/Valley Street area. At the City Council meeting on June 19, 1984, the public hearing was continued without further advertising until July 3, 1984.

Mayor McDevitt reopened the public hearing at 4:08 p.m.

Supervision, and they have advised the City of Asheville that they have no objections to the installation of barricades at the entrances and exits to said property. This resolution will authorize the Director of Public Works to place barricades at the entrance and exit points of said property along Short Tremont Street.

Mayor McDevitt said copies of the resolution were previously distributed to members of Council and would not be read in its entirety unless there was specific request to do so.

Upon motion of Councilwoman Price, seconded by Councilwoman Frank, Resolution No. 84-107 was unanimously adopted.

Complete text of Resolution No. 84-107 will be found in Resolution Book No. 14 at page ~~353~~. 360

Councilman Boland noted that during the pre-Council meeting he requested a work session on the enforcement of loitering ordinances on residential streets and cleaning of vacant lots. He requested that the new Environmental Control Officer, employed by the County of Buncombe be present at the meeting.

Mayor McDevitt requested that the Corporation Counsel look into the possibility of combining the City of Asheville Litter Control Ordinance with the County's. He also requested that the Corporation Counsel make sure that the officer employed by the County is properly empowered to enforce the City's ordinance. He requested that the Corporation Counsel give this report at next week's meeting.

RESOLUTION NO. 84-108 - RESOLUTION AUTHORIZING THE BARRICADING OF A PORTION OF CHURCH STREET ON JULY 14, 1984, FOR "A SHARING AFFAIR"

6. Consideration was given to a resolution authorizing the barricading of a portion of Church Street on July 14, 1984, for "A Sharing Affair."

Mayor McDevitt said the Asheville-Buncombe Christian Ministry is sponsoring "A Sharing Affair" on Saturday, July 14, 1984, from 9:00 a.m. until 3:00 p.m. in order to benefit the disadvantaged in the City of Asheville. This event will take place on the grounds of Trinity Episcopal, Central Methodist, and First Presbyterian churches. The portion of Church Street to be blocked is that portion which borders the Central Methodist Church properties through the Trinity Episcopal Church properties (with the exception of Aston Street). The Asheville-Buncombe Christian Ministry has requested that the street be blocked from 6:00 a.m. until 5:00 p.m. Blocking of this street will not present any undue hardships to citizens and the barricades will be removed to permit access of emergency vehicles to the area.

Mayor McDevitt said copies of the resolution were previously distributed to members of Council and would not be read in its entirety unless there was a specific request to so.

Upon motion of Councilwoman Frank, seconded by Councilman Boland, Resolution No. 84-108 was unanimously adopted.

Complete text of Resolution No. 84-108 will be found in Resolution Book No. 14 at page ~~364~~. 361

Mayor McDevitt closed the public hearing at 4:43 p.m.

Mayor McDevitt noted that since Dr. Scully had withdrawn his request to rezone the property in question, no action on the petition for rezoning would be in order.

ORDINANCE NO. 1450 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED. (PROPERTY LOCATED ON EMMA ROAD)

3. Consideration was given to the third reading of Ordinance No. 1450, an ordinance amending Ordinance No. 322, known as "An ordinance providing for the zoning of the City of Asheville," as amended (property located on Emma Road).

Mayor McDevitt said this ordinance was previously read on first and second reading and would not be reread in its entirety unless there was a specific request to do so.

Council requested that notices of the public hearing be sent to all property owners in the area along with the redevelopment plan.

RESOLUTION NO. 84-111 - RESOLUTION TO CHANGE NAME OF McCORMICK STREET TO McCORMICK PLACE

Consideration was given to a resolution to change the name of McCormick Street to McCormick Place.

Mayor McDevitt read the resolution.

RESOLUTION NO. 84-109 - RESOLUTION AUTHORIZING EXECUTION OF PARTICIPATION AGREEMENTS FOR THE DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT RENTAL REHABILITATION PROGRAM DEMONSTRATION

7. Consideration was given to a resolution authorizing execution of participation agreements for the Department of Housing and Urban Development Rental Rehabilitation program demonstration.

NOTE: The City of Asheville has contracted with the Housing Authority of the City of Asheville to administer programs offering rehabilitation assistance to property owners in designated sections of the City through the use of Community Development Block Grant Funds. The Department of Housing and Urban Development has designated the City of Asheville as a Rental Rehabilitation Program Demonstration City for designating and implementing a program to encourage investment in rental residential property and provide rental assistance to low- and moderate-income residents. This resolution will authorize the Mayor to sign the necessary agreements in order to participate in the program. Funding for this program will come from previously committed Community Development Block Grant Funded Rehabilitation Programs in the amount of $50,000.

Larry Holt, Deputy Executive Director of the Asheville Housing Authority said this agreement will provide for ten units in the amount of $59,000 for rehabilitation grants.

Upon motion of Councilwoman Price, seconded by Councilman Bissette, Resolution No. 84-109 was unanimously adopted.

EXECUTION OF SUBORDINATION AGREEMENT - OLD HAYES AND HOPSON BUILDING - ESTATE OF JACK E. BRYANT, JANICE L. BRYANT AND WALLACE N. HYDE

Corporation Counsel Slawter noted that the City previously made a UDAG loan to Jack E. Bryant, Janice L. Bryant and Wallace N. Hyde, owners of the old Hayes & Hopson building for redevelopment. He said the first mortgage is currently being held by Northwestern Bank and the owners of the building have arranged more satisfactory loan arrangements with First Commercial Bank. He said they have requested the City to execute a subordination agreement to replace Northwestern Bank as first lien holder with First Commercial Bank. He said the City would be in the same position "security wise" with regard to its lien on the building.

At the request of Corporation Counsel Slawter, Vice-Mayor Bratton moved to authorize the Mayor to sign a subordination agreement whereby the rights of the City under the Deed of Trust recorded in Book 945, Page 601, will be subordinated to a new deed of trust in the sum of $570,000 in the Estate of Jack E. Bryant, Janice L. Bryant and Wallace N. Hyde, with First Commercial Bank being the first lien holder and to authorize the trustees to execute the subordination agreement. This motion was seconded by Councilman Bissette and carried unanimously.

Corporation Counsel Slawter said Mr. Logan Delany, Director of Community Development, said there would be no problems with the execution of the subordination agreement.

Councilwoman Price noted that the minutes should reflect that Councilman Myers is absent from the meeting and is not voting on this particular issue, and was not present during the discussions relative to the matter.

2. Consideration was given to the approval of the minutes of the July 10, 1984, meeting.

Upon motion of Councilman Price, seconded by Councilman Boland, the minutes of the July 10, 1984, meeting were unanimously approved as submitted.

AMENDMENT TO THE JUNE 19, 1984 MINUTES

3. Mayor McDevitt moved to amend the Council minutes of June 19, 1984, as follows:

"MOTION TO AMEND THE CITY COUNCIL MINUTES OF JUNE 19, 1984, PAGE 93, RELATIVE TO RESOLUTION NO. 84-101 - RESOLUTION APPROVING THE ASHEVILLE/ BUNCOMBE WATER AUTHORITY BUDGET FOR FISCAL YEAR 1984-85 AS FOLLOWS:

Consideration was given to a resolution approving the Asheville/ Buncombe Water Authority Budget for Fiscal Year 1984-85.

Prior to the formal Council meeting, the Mayor, at the Pre-Council meeting, notified members of the Council that since his law partner represents the Water Authority, he would not be able to vote on the Water Authority Budget and would ask to be excused.

At the formal meeting, Mayor McDevitt read the resolution.

LAWSUITS - ALVIN FATE, JR.

The City Manager said the City was served with a summons in connection with a lawsuit involving Alvin Fate, Jr. relative to an appeal to Superior Court of Board of Adjustment decision to place mobile home on lot zoned R-3 Residential.

Mayor McDevitt referred the summons to the Corporation Counsel for investigation and recommendation.

RALPH BISHOP - EMPLOYMENT OF CITY MANAGER AND LOTTERY SALES

Ralph Bishop spoke to members of Council relative to their employment of a new city manager and problems of lottery sales in the City of Asheville.

EXECUTIVE SESSION

Councilwoman Frank moved that Council go into executive session to discuss a real estate and personnel matter. This motion was seconded by Councilwoman Price and carried unanimously.

MOTION RELATIVE TO 1984-85 PAVING PROGRAM

Councilwoman Frank moved that the Engineering Division proceed with contracting for the 1984-85 Paving Program as recommended by the Engineering and Public Works Department, for both the City streets and Riverside Cemetery, and to report back for further consideration after bids have been received. This motion was seconded by Councilwoman Price and carried unanimously.

ADJOURNMENT

Upon motion of Councilman Boland, seconded by Councilwoman Price, the meeting adjourned at 4:45 p.m.

Tom McDevitt
MAYOR

William F. Malcolm
CITY CLERK

The City Manager presented the notice to the public, setting the time and date for the public hearing, and the affidavit of publication. He also presented an affidavit from Larry Ward, with the Public Works Department, indicating that the portion of Charles Street proposed to be closed was posted in two locations, as required by N.C. General Statutes.

Larry Ward, with the Public Works Department, said residents of Charles Street had requested the closing of the lower portion of Charles Street which serves the South French Broad School and the YWCA. He said from all indications, there were no major problems with closing this portion of Charles Street.

Robert E. Fields, of 17 Charles Street, spoke in support of closing the portion of Charles Street. He questioned as to how the street would be closed. He said the residents on Charles Street would rather have both ends of Charles Street closed at the school cafeteria and at Timothy Street. He said the residents had requested this closing for protection in the area. He said there were problems with prostitutes, drugs, nudity, drinking, and break-ins. He said the residents were unable to get police protection in this area. He said the residents felt that if Charles Street were closed, it might take care of this problem.

Mr. Ward explained that when the street is closed, the property would revert to the Asheville City School Board and the YWCA. He said they would be responsible for the manner in which the street would be closed. He said it was his understanding that Dr. Jones, with the Asheville City Schools, intends to put up a gate for the closing that could be opened if needed for school events.

Councilman Boland suggested that the City staff coordinate the closing with the YWCA and the Asheville City Board of Education.

Vice-Mayor Bratton requested that the City Manager check with the Asheville Police Department relative to the complaints voiced by Mr. Fields.

Mayor McDevitt closed the public hearing at 4:26 p.m.

Mayor McDevitt said copies of the resolution were previously distributed to members of Council, and it would not be read in its entirety unless there was a specific request to do so.

Upon motion of Councilman Frank, seconded by Councilman Boland, Resolution No. 84-113 was unanimously adopted.

Complete text of Resolution No. 84-113 will be found in Resolution Book No. 14 at page ~~359~~ and ~~360~~. 373-374 X

PUBLIC HEARING - WORDING AMENDMENT TO ZONING ORDINANCE - PROVIDING SETBACK AND HEIGHT REQUIREMENTS FOR CANOPIES

Upon motion of Councilman Price, seconded by Councilman Bissette, Resolution No. 84-101 was unanimously adopted.

After discussion, Mayor McDevitt pointed out while he had not voted on the Water Authority Budget, he failed to seek formal Council approval excusing him from voting due to a conflict he had earlier discussed with Council.

Councilman Price moved to reconsider the vote on the Water Authority Budget. This motion was seconded by Councilman Bissette and carried unanimously.

Mayor McDevitt requested that he be excused from voting on the Water Authority Budget.

Councilman Price moved to excuse Mayor McDevitt from voting on the Water Authority Budget. This motion was seconded by Councilman Bissette and carried unanimously.

Councilman Price moved to approve the Water Authority Budget, adopting Resolution No. 84-101. This motion was seconded by Councilman Bissette, motion passing on a 5-0 vote with Mayor McDevitt being excused from the vote.

PUBLIC HEARING - CLOSING A PORTION OF CHARLES STREET

RESOLUTION NO. 84-113 - RESOLUTION TO CLOSE A PORTION OF CHARLES STREET IN THE CITY OF ASHEVILLE, NORTH CAROLINA

3. A public hearing was held relative to closing a portion of Charles Street.

Mayor McDevitt said the City Council received a petition from Dr. Donald Jones, Superintendent of Asheville City Schools, and Mary Ann Richards, Executive Director of the Young Womens Christian Association, requesting that a portion of Charles Street be closed. A public hearing is required by N.C. General Statutes in order to close an alley or street. City Council adopted Resolution No. 84-94, a Resolution of Intent to close a portion of Charles Street and calling a public hearing on the question for July 17, 1984.

Mayor McDevitt opened the public hearing at 4:11 p.m.

Company for Mr. Marshall Kanner, Developer, and submitted in accordance with the Group Development Section of the Asheville Zoning Ordinance. After review and discussion, the Commission voted to recommend approval of the site plan to City Council subject to compliance with the Erosion Control Ordinance and completion of final grading plan.

Verl Emrick, Director of Planning, said the Bingham Heights Mobile Home Park is located in the newly annexed area. He said Phase I would consist of 36 units. He said water and sewer are available for the 36 units. He said the proposed plan for Phase I of the project meets all conditions of the Zoning Ordinance, subject to compliance with the Erosion Control Ordinance.

Councilman Boland said he would like for Council to look into alternatives to mobile home parks. He said Council might consider low- and moderate-income housing which might be available through the North Carolina Housing Finance Agency. He said Council should consider the best possible housing and the aesthetic affect on the City.

Upon inquiry of Councilman Price, Mr. Emrick said before the developers expand their project beyond Phase I, Council would have to approve further expansions.

Mayor McDevitt closed the public hearing at 4:37 p.m.

Councilman Boland moved to approve the site plan for Phase I of Bingham Heights Mobile Home Park as recommended by the Planning and Zoning Commission. This motion was seconded by Councilman Price and carried unanimously.

PUBLIC HEARING - REZONING PROPERTY LOCATED AT 896 FAIRVIEW ROAD

ORDINANCE NO. 1453 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED (REZONING PROPERTY ON FAIRVIEW ROAD FROM R-3 RESIDENTIAL DISTRICT TO CG COMMERCIAL GENERAL DISTRICT

6. A public hearing was held relative to rezoning property located at 896 Fairview Road.

Mayor McDevitt said at a meeting held on June 6, 1984, the Planning and Zoning Commission considered the request of Mr. and Mrs. J. C. Laughter that Ward 7, Sheet 27, Lot 75, be rezoned from R-3 Residential District to CG Commercial General District. This property is located at 896 Fairview Road. After review and discussion, the Commission voted to recommend to City Council that Ward 7, Sheet 27, Lot 75 be rezoned from R-3 Residential District to CG Commercial District.

Mayor McDevitt opened the public hearing at 4:38 p.m.

The City Manager presented the notice to the public, setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said this rezoning would clear up a non-conforming use situation. He said as it is presently zoned, the property is unusable.

ORDINANCE NO. 1452 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED (WORDING AMENDMENT - CANOPIES/SERVICE STATIONS)

4. A public hearing was held relative to a proposed wording amendment to the Zoning Ordinance (providing setback and height requirements for canopies).

Mayor McDevitt said the Asheville Planning and Zoning Commission at a meeting held on June 6, 1984, considered a proposed wording amendment to the Zoning Ordinance to provide setback and height requirements for canopies used as ancillary structures for service stations, garages, and convenience stores. After review and discussion, the Commission voted to recommend to City Council that Development Standards in Sections 30-5-8, 30-5-9, and 30-5-10 be amended to include this use. This public hearing was scheduled by a motion of City Council at the June 12, 1984, meeting.

Mayor McDevitt opened the public hearing at 4:28 p.m.

The City Manager presented the notice to the public, setting the time and date for the public hearing, and the affidavit of publication.

Verl Emrick, Director of Planning, said the Zoning Board of Adjustment is having numerous cases requesting variances of the requirement for a 35-foot setback on canopies. He said the proposed amendment would allow a 20-foot setback requirement from the curb line to the overhang of canopies in all commercial zones. He said the maximum height would be 20 feet. He said that Bob McDonald, Traffic Engineer, has no problem with this proposed amendment as far as street safety is concerned.

Mayor McDevitt closed the public hearing at 4:32 p.m.

Mayor McDevitt said members of Council were previously furnished copies of the ordinance, and it would not be read in its entirety unless there was a specific request to do so.

Councilman Price moved for the adoption of Ordinance No. 1452. This motion was seconded by Councilman Frank.

On a roll call vote of 5-0, Ordinance No. 1452 passed on first reading.

PUBLIC HEARING - SITE PLAN FOR PHASE I OF BINGHAM HEIGHTS MOBILE HOME PARK

5. A public hearing was held relative to the site plan for Phase I of Bingham Heights Mobile Home Park.

Mayor McDevitt said at a meeting held on June 6, 1984, the Planning and Zoning Commission reviewed the site plan of Bingham Heights Mobile Home Park for 36 of 91 proposed pads. The plan was prepared by Pankow Engineering

Mayor McDevitt said Section 25-5 of the Code makes it unlawful "for any person to sell, offer for sell, exhibit or demonstrate any goods, wares, merchandise, mechanical devices, animals or any article of any kind whatsoever, by whatsoever name called, upon any public street, sidewalk, square, avenue or alley within the City." This provision is in conflict with the interest of the City in facilitating certain community events and festivals, upon its public streets, sidewalks, squares, avenues, or alleys within the City. This ordinance will allow the City Manager to give written permission to any group or individual to hold a festival or event in the City, and allowing them to sell on the streets, sidewalks, squares, avenues, or alleys within the City.

Mayor McDevitt said members of Council were previously furnished copies of the ordinance, and it would not be read in its entirety unless there was a specific request to do so.

Councilman Frank moved for the adoption of Ordinance No. 1455. This motion was seconded by Councilman Price.

On a roll call vote of 5-0, Ordinance No. 1455 passed on first reading.

Councilman Price moved to suspend the rules and proceed to the second reading of Ordinance No. 1455. This motion was seconded by Councilman Boland and carried unanimously.

On a roll call vote of 5-0, Ordinance No. 1455 passed on second reading.

RESOLUTION NO. 84-114 - RESOLUTION AUTHORIZING THE MAYOR OF THE CITY OF ASHEVILLE TO SIGN A FIELD TEST SPONSOR AGREEMENT WITH NORTH CAROLINA ALTERNATIVE ENERGY CORPORATION

9. Consideration was given to a resolution authorizing the Mayor of the City of Asheville to sign a Field Test Sponsor Agreement with North Carolina Alternative Energy Corporation.

Mayor McDevitt said, by Resolution No. 83-135, the Mayor was authorized to sign a Letter of Agreement with the Land-of-Sky Regional Council for the Local Government Energy Officer Program. As a part of this program, the City of Asheville and the County of Buncombe, as co-sponsors, submitted a proposal to the North Carolina Alternative Energy Corporation to participate in the Model Energy Efficiency Financing Field Test. The North Carolina Alternative Energy Corporation, by letter dated May 7, 1984, has informed Mr. James Stokoe, the Local Government Energy Officer, that the Asheville/Buncombe County proposal has been selected. This resolution will authorize the Mayor to sign a Field Test Sponsor Agreement with the North Carolina Alternative Energy Corporation.

Mayor McDevitt said members of Council were previously furnished copies of the ordinance, and it would not be read in its entirety unless there was a specific request to do so.

Mayor McDevitt closed the public hearing at 4:42 p.m.

Mayor McDevitt said members of Council were previously furnished copies of the ordinance, and it would not be read in its entirety unless there was a specific request to do so.

Councilman Price moved for the adoption of Ordinance No. 1453. This motion was seconded by Councilman Frank.

On a roll call vote of 5-0, Ordinance No. 1453 passed on first reading.

PUBLIC HEARING - REZONING SEVERAL LOTS IN THE MONTFORD AREA

ORDINANCE NO. 1454 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED (MONTFORD AREA - ADDITIONAL LOTS)

7. A public hearing was held relative to rezoning several lots in the Montford area.

Mayor McDevitt said several lots were inadvertently left out during the original advertisement of the Montford Area rezoning. These properties include Ward 3, Sheet 2, Lots 149-1/2, 271, 272, 275-3/4, 294, and 295. These properties will be rezoned from CBD Central Business District to R-4 Residential District as originally intended.

Mayor McDevitt opened the public hearing at 4:44 p.m.

The City Manager presented the notice to the public, setting the time and date for the public hearing and the affidavit of publication.

There being no comments, Mayor McDevitt closed the public hearing at 4:45 p.m.

Mayor McDevitt said members of Council were previously distributed copies of the ordinance, and it would not be read in its entirety unless there was a specific request to do so.

Councilman Boland moved for the adoption of Ordinance No. 1454. This motion was seconded by Councilman Price.

On a roll call vote of 5-0, Ordinance No. 1454 passed on first reading.

ORDINANCE NO. 1455 - AN ORDINANCE AMENDING CHAPTER 25 OF THE CODE OF ORDINANCES OF THE CITY OF ASHEVILLE (SELLING ON STREETS AND SIDEWALKS)

8. Consideration was given to an ordinance amending Section 25 of the Code of Ordinances of the City of Asheville (Selling on Streets and Sidewalks).

Mayor McDevitt said Chapter 160A-20 of the NCGS provides for the purchase of personal property by installment contracts which create in the property purchased, a security interest to secure payment of the purchase money. The City Council approved the purchase of three each, refuse collection vehicles from Western Carolina Truck Center, Inc. in the amount of $233,273.40 on April 10, 1984. The Purchasing Director has received eleven proposals for the lease/purchase financing of this equipment. A monthly lease/purchase contract would yield an estimated savings of $12,404.00 over a cash purchase. This resolution will authorize the Finance Director to execute a lease/purchase agreement with Northwestern Bank for a lease/purchase contract for three refuse collection vehicles to finance a purchase price of $233,273.40 for 36 monthly payments in the amount of $7,337.42.

Mayor McDevitt said members of Council were previously furnished copies of the resolution, and it would not be read in its entirety unless there was a specific request to do so.

Corporation Counsel Slawter indicated that the lease/purchase agreement, as presently written, does not include all necessary language as suggested by the Attorney for the Institute of Government. He suggested that the resolution be approved subject to final approval of the lease/purchase agreement by the Corporation Counsel.

Mayor McDevitt said his law firm is General Counsel for Northwestern Bank of Western North Carolina and requested that he be excused from voting on the resolution due to a conflict of interest.

Councilman Price moved to excuse Mayor McDevitt from voting on Resolution No. 84-116. This motion was seconded by Councilman Frank and carried unanimously.

Councilman Frank moved for the approval of Resolution No. 84-116 subject to the language of the lease/purchase agreement being approved by the Corporation Counsel. This motion was seconded by Councilman Price and carried unanimously.

Complete text of Resolution No. 84-116 will be found in Resolution Book No. 14 at page 365.

RESOLUTION NO. 84-117 - RESOLUTION AUTHORIZING THE PURCHASING DIRECTOR TO SELL SURPLUS MOTOR VEHICLES AT PUBLIC AUCTION

12. Consideration was given to a resolution authorizing the Purchasing Director to sell surplus motor vehicles at public auction.

Mayor McDevitt said Chapter 160A-270 of the NCGS provides for the sale of surplus personal property at public auctions. The Motor Transport Superintendent has declared 14 motor vehicles as surplus. The City has no further use for them. This resolution will authorize the public auction of 14 motor vehicles. Said auction to take place at the new vehicle maintenance facility, South Charlotte Street, beginning at 10:00 a.m. on Saturday, the 4th day of August, 1984.

Upon inquiry of Coucilman Price, Larry Fisher, Director of Finance said the time frame for the project would be two months.

Upon motion of Councilman Boland, seconded by Councilman Price, Resolution No. 84-114 was unanimously adopted.

Complete text of Resolution No. 84-114 will be found in Resolution Book No. 14 at Page ~~361.~~ 375

RESOLUTION NO. 84-115 - RESOLUTION AUTHORIZING THE MAYOR TO ENTER INTO A CONTRACT FOR TRANSPORTATION PLANNING SERVICES WITH THE LAND-OF-SKY REGIONAL COUNCIL

10. Consideration was given to a resolution authorizing the Mayor to enter into a contract for transportation planning services for the Land-of-Sky Regional Council.

Mayor McDevitt said the Asheville Urban Area Unified Work Program for 1984-85 has been approved to include a total of $38,790 in Section 112 planning funds for the purpose of street and highway planning. Said funds are allocated to various departments and agencies within the planning area for completion of work program tasks. For timely completion of the Unified Work Program tasks, it is deemed appropriate to designate a portion of the Section 112 planning funds for the Land-of-Sky Regional Council for carrying out specific segments of the program. This resolution will authorize the Mayor to enter into a contract with Land-of-Sky Regional Council for completion of four transportation planning work elements identified in the agreement in an amount not to exceed Three Thousand, Sixty Dollars ($3,060.00).

Mayor McDevitt said members of Council were previously furnished copies of the ordinance, and it would not be read in its entirety unless there was a specific request to do so.

Ralph Bishop asked members of Council who, at the Land-of-Sky, would be providing these services. He questioned why the City of Asheville always turns to the Land-of-Sky for help.

Mayor McDevitt explained to Mr. Bishop the function of the Land-of-Sky Regional Council and told him he would find out the individual's name that would be working on the transportation planning services.

Upon motion of Councilman Frank, seconded by Councilman Boland, Resolution No. 84-115 was unanimously adopted.

Complete text of Resolution No. 84-115 will be found in Resolution Book No. 14 at Page ~~362.~~ 376

RESOLUTION NO. 84-116 - RESOLUTION AUTHORIZING THE FINANCE DIRECTOR TO EXECUTE AN AGREEMENT FOR LEASE/PURCHASE FINANCING FOR THREE REFUSE COLLECTION VEHICLES

11. Consideration was given to a resolution authorizing the Finance Director to execute an agreement for lease/purchase financing for three refuse collection vehicles.

PETITION - RESIDENTS OF TANGLEWOOD DRIVE - DOGS

Mayor McDevitt presented members of Council with a petition received from residents on Tanglewood Drive requesting removal of vicious pit bulldogs at 18 Tanglewood Drive.

Corporation Counsel Slawter said the residents of 18 Tanglewood Drive had been contacted, and he had received a response from their attorney indicating that they were not in violation of the Kennel Provisions of the Revenue Ordinance. He said he would look into other violations noted in the petition.

CLAIMS - JAMES PETERSON (SEWER) - BETTY JERECKI (SEWER) - LOUISE VARNER (WATER) - GARY BANCROFT (POLICE) - BARBARA FOWLER (STREETS)

The City Manager presented claims received from James Peterson, Betty Jerecki, Louise Varner, Gary Bancroft, and Barbara Fowler.

Mayor McDevitt referred the claims to the Corporation Counsel for investigation and recommendation.

LAWSUIT - ROBERT CANSLER

The City Manager said the City was served with a summons in connection with the lawsuit involving Robert Cansler, appeal from Board of Adjustment denial of variance.

Mayor McDevitt referred the summons to the Corporation Counsel for investigation and recommendation.

COMPLAINT FROM SADIE SPRINKLE - BEAVER DRIVE

Sadie Sprinkle of Beaver Drive spoke to members of Council relative to the residents on Beaver Drive having problems with water damage. She requested the City get rid of the big trees in the area and dig a ditch on the east side of the road to eliminate water damage to her neighbor's house. She said the tree limbs are lapping across the street and need to be trimmed.

Council requested that the City Manager look into the situation and report his findings back to Council.

RALPH BISHOP - COMMENTS RELATIVE TO CITY MANAGER - STRUCTURE ON PACK PLAZA

Ralph Bishop spoke to Council relative to their appointment of the new City Manager and relative to the structure on Pack Plaza.

EXECUTIVE SESSION

Vice-Mayor Bratton moved that Council go into Executive Session to discuss a real estate matter. This motion was seconded by Councilman Frank and carried unanimously.

Mayor McDevitt said members of Council were previously furnished copies of the resolution, and it would not be read in its entirety unless there was a specific request to do so.

Upon motion of Councilman Price, seconded by Councilman Frank, Resolution No. 84-117 was unanimously adopted.

Complete text of Resolution No. 84-117 will be found in Resolution Book No. 14 at page ~~364~~. 378

APPROVAL OF SALE OF DISPOSAL PARCEL #4 IN EAST RIVERSIDE RENEWAL PROJECT

13. Consideration was given to a motion approving sale of Disposal Parcel #4 in the East Riverside Renewal Project.

Mayor McDevitt said the Housing Authority has tentatively accepted the following bids for Disposal Parcel #4 in the East Riverside Renewal Project.

Reuse	Price	Bid	Redeveloper
Commercial	$40,000	$40,000	Hilliard Avenue Partnership

The above bidders have proposed to construct a masonry office building between 6,400 and 6,500 sq. ft. The architect-designed building will be brick contemporary with a truss roof. The tenants will be Waddell, Sluder, Adams, and Company, and Maryland Casualty Company. The current number of employees for both concerns is twenty-four. Adequate parking will be made available.

Mayor McDevitt said Council members had previously discussed the sale of this property. He said from all indications, South French Broad would be widened to three lanes. He said Council had questioned whether or not the sale of this parcel would take necessary right-of-way for the widening of South French Broad.

Larry Holt, Deputy Executive Director for the Asheville Housing Authority, said there should be sufficient right-of-way available for the widening of South French Broad even though the City approved the sale of this property.

The City Manager said the Traffic Engineer is now looking into the proposed widening of South French Broad.

After discussion, it was the consensus of Council to continue action on this matter until July 24, 1984, giving the Traffic Engineer an opportunity to look into the situation to assure Council that sufficient right-of-way would be available for widening South French Broad.

VICE-MAYOR BRATTON PRESENTED AWARD RECEIVED FROM THE DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT

PUBLIC HEARING - PACK PLAZA REDEVELOPMENT PLAN

3. A public hearing was held on the Pack Plaza Redevelopment Plan.

Mayor McDevitt said the plan will outline the way in which existing property will be reused in the redevelopment project and will include provisions for property acquisition. The plan must be approved by the Housing Authority of the City of Asheville, the Planning and Zoning Commission, and the City of Asheville before the Pack Plaza Project can continue.

Mayor McDevitt opened the public hearing at 5:12 p.m.

The City Manager presented the notice to the public, setting the time and date for the public hearing and the affidavit of publication.

ADJOURNMENT

Upon motion of Councilman Price, seconded by Councilman Frank, the meeting adjourned at 5:45 p.m.

MAYOR

CITY CLERK

The following individuals spoke in favor of the Pack Plaza Redevelopment Plan:

Dick Gilbert, Co-owner of Stone Soup and business on Walnut and Broadway
Steve Bowman, with Beverly-Hanks Realty
Matthew Bacoate, local businessman and citizen
Doug Swaim, resident of Asheville and member of Historic Preservation Society
Daphne Hooker, resident of Asheville
Roger McGuire, resident of the City
Garrett Alderfer, with the Chamber of Commerce

Vice-Mayor Bratton, Councilman Boland, Councilman Price, Councilman Bissette, and Councilman Frank made comments relative to their their full support of the Redevelopment Plan for Pack Plaza.

Mayor McDevitt closed the public hearing at 6:50 p.m.

RESOLUTION NO. 84-118 - RESOLUTION APPROVING THE REDEVELOPMENT PLAN FOR THE PACK PLAZA REDEVELOPMENT PROJECT, DATED JULY, 1984, AS SUBMITTED BY THE HOUSING AUTHORITY OF THE CITY OF ASHEVILLE IN ITS ROLE AS A REDEVELOPMENT COMMISSION

Mayor McDevitt read the resolution.

Upon motion of Vice-Mayor Bratton, seconded by Councilman Price, Resolution No. 84-118 was unanimously adopted.

Complete text of Resolution No. 84-118 will be found in Resolution Book No. 14 at page 379 and 380.

RESOLUTION NO. 84-119 - RESOLUTION ESTABLISHING A POLICY GOVERNING CITY COUNCIL APPOINTMENTS

4. Consideration was given to a resolution establishing a policy governing City Council appointments.

Mayor McDevitt said the Council has developed a policy to encourage the widest possible participation by the citizens of Asheville on the City's various appointed bodies. This resolution will establish such a policy.

Mayor McDevitt said members of Council were previously furnished copies of the resolution, and it would not be read in its entirety unless there was a specific request to do so.

Upon motion of Councilman Frank, seconded by Councilman Bissette, Resolution No. 84-119 was unanimously adopted.

Complete text of Resolution No. 84-119 will be found in Resolution Book No. 14 at page 381 and 382.

Councilman Frank was excused from the meeting at 7:00 p.m.

Verl Emrick, Director of Planning, said the Pack Plaza Redevelopment Plan is a combination of efforts by the Asheville City Council, the Downtown Commission, and residents in the South Pack Square area for the redevelopment of the Pack Plaza area. He said, in this process, the Asheville Housing Authority was designated as the Redevelopment Agency for the City, and instructed to prepare the proposed the Pack Plaza Redevelopment Plan. He said the City Council must adopt the redevelopment plan to be presented to the Department of Housing and Urban Development for final approval of the UDAG grant.

Larry Holt, Deputy Executive Director of the Asheville Housing Authority, said copies of the Redevelopment Plan were furnished to the property owners in the Pack Plaza area. He said the Housing Authority and the Planning and Zoning Commission had adopted the Plan. He briefly outlined the plan; which included the description of the area; existing and proposed land use; existing and proposed population; density, land coverage and building intensities; site plan descriptions and project improvements; methods of financing and estimated costs; administration and project schedule; acquisition, relocation and disposition of the properties; and maps describing each area.

Mayor McDevitt said members of Council had previously discussed amending the Redevelopment Plan to change Lots 21 and 22 on Map #7 in the Plan from "Property to be Acquired by the Housing Authority" to "Property Scheduled for Conservation and Rehabilitation." He said Council also felt that the project's "Activity Schedule" should be changed pending final approval of UDAG funding from the Housing and Urban Development office. He said Council is not willing to proceed with aquisition/relocation until final approval is received from the Department of Housing and Urban Development.

Mr. Holt indicated that language in the Plan provided that the Housing Authority would not begin aquisition/relocation until notification to proceed is received from the City.

Betty Daughtridge, owner of the old Pack Library Building, said her property is marked for aquisition by the City in the proposed Redevelopment Plan. She objected to her property being included on the Aquisition list, and said she wished to renovate the building with private funding. She said all the property owners in the area have not been treated equal. She said they should have had an opportunity to decide whether to relocate or not, and this opportunity should have been given to each and every property owner. She requested that her building be removed from the Aquisition list.

These additional individuals spoke in opposition to the proposed Pack Plaza Redevelopment Plan.

Ralph Bishop
Gus
June Bassett, with Finklestein's
Richard Brown, owner of businesses on Pack Square
Robert Daughtridge
Kathy Rush, owner of property on South Pack Square
Mr. Bunn, with Bunn's Antique Shop on Biltmore Avenue

RESOLUTION NO. 84-126 - RESOLUTION AUTHORIZING THE CITY MANAGER TO EXECUTE A LEASE AGREEMENT WITH THE ASHEVILLE/BUNCOMBE EMPLOYEES CREDIT UNION FOR SPACE IN THE CITY BUILDING

7. Consideration was given to a resolution authorizing the City Manager to enter into a lease agreement with the Asheville/Buncombe Employees Credit Union for space in the City Building.

The City Manager said members of Council were previously furnished copies of the ordinance, and it would not be read in its entirety unless there was a specific request to do so.

Councilman Boland moved for the adoption of Ordinance No. 1459. This motion was seconded by Councilman Frank.

On a roll call vote of 5-0, Ordinance No. 1459 passed on first reading.

ORDINANCE NO. 1460 - BUDGET ORDINANCE AMENDMENT TO REPROGRAM UNSPENT COMMUNITY DEVELOPMENT FUNDS TO THE DOWNTOWN REVITALIZATION FUND

3. Consideration was given to a budget ordinance amendment to reprogram unspent Community Development funds to the Downtown Revitalization Fund.

Vice-Mayor Bratton said this budget amendment will reprogram unspent Community Development Funds to the Downtown Revitalization Fund. This action appropriates $687,122 in existing uncommitted Community Development Funds to the Downtown Revitalization Project. A separate capital project fund will be established to account for all City, County, and Grant revenues upon final approval of each downtown project.

The City Manager said members of Council were previously furnished copies of the Ordinance, and it would not be read in its entirety unless there was a specific request to do so.

Councilman Frank moved for the adoption of Ordinance No. 1460. This motion was seconded by Councilman Bissette.

On a roll call of 5-0, Ordinance No. 1460 passed on first and final reading.

ORDINANCE NO. 1461 - BUDGET ORDINANCE AMENDMENT APPROPRIATING FUNDS TO THE PUBLIC WORKS, STREET DIVISION - CAPITAL OUTLAY LINE ITEM, FROM THE GENERAL REVENUE SHARING FUND.

4. Consideration was given to a budget ordinance amendment appropriating funds to the Public Works, Street Division - Capital Outlay line item, from the General Revenue Sharing Fund.

Vice-Mayor Bratton said this budget amendment will carry forward an appropriation in the amount of $53,600 from Fiscal 1983/84 to Fiscal 1984/85 for tractor/mower and loader/backhoe purchase for the Street Division. The tractor/mower and loader/backhoe were budgeted in the Fiscal 1983/84 General Revenue Sharing Budget. This action will carry forward the appropriation to Fiscal 1984/85 in the amount of $53,600.

The City Manager said members of Council were previously furnished copies of the ordinance, and it would not be read in its entirety unless there was a specific request to do so.

Clark Brown, Director of Public Works, said sealed bids were received to furnish a trailer-mounted asphalt recycling plant. He said two bids were received as follows:

VENDOR	AMOUNT
Contractors Service & Rental	$12,911.00
Brown Equipment Company	29,827.00

Mr. Brown said these bids were reviewed for technical compliance to the specifications. He said he recommends rejection of the low bid on the basis that it does not comply with specifications and acceptance of the second low bid from Brown Equipment Company, Inc., in the amount of $29,827.00 for a Porta-Patcher Model 9289ESC unit. He said the specification items that were not met by Contractors Service & Rental include: #1 Rate of production; #5 - emission recirculating system; #7 - self contained equipment; #8 - powered drum slope adjustment and chain flight feeder; #9 - hydraulic powered equipment. He said in addition, the Porta-Patcher furnished by Brown Equipment Company was the only one capable of both portable and stationary application, which he felt was important to the needs of the City.

Mr. Ron Coleman, Contractors Services & Rental, spoke to members of Council relative to Mr. Brown's opinion that their equipment did not meet specifications. He said he did not agree with Mr. Brown on Item #1 and Item #5. He said the bid specifications were slanted toward Brown Equipment Company. He said no other company could bid on such specifications. He offered to provide the City with a free demonstration of his equipment, side by side, with the Brown Equipment Company machine. He said he felt that Council could make a more thorough determination on the bid proposals after such a demonstration. He said his company is local and furnish local service.

In response to Mr. Coleman, Mr. Brown said the Public Works Department had problems with establishing the specifications, since they did not have experience with recycling machines. He said the technology in this field is developing fast.

After further discussion, Councilman Boland requested that the Public Works Department, in the future, monitor the machinery closely to make sure that this equipment is more efficient. He said they should also use flexibility in exploring Mr. Coleman's equipment.

Councilman Price moved to accept the recommendation of the Public Works Director, and award the bid to the second low bidder from Brown Equipment Company, Inc. in the amount of $29,827.00. This motion was seconded by Councilman Frank and carried unanimously.

RESIDENTS OF DUNWELL AVENUE AND TANGLEWOOD DRIVE - DOGS

Mr. Henry Aldsworth of 129 Dunwell Avenue, spoke to members of Council relative to a problem the residents are having with pit bull dogs located at 18 Tanglewood Drive. He said the residents of 18 Tanglewood Drive are in violation of City ordinances in that there were more than 6 dogs on the premises. He also expressed concerns about the dogs barking, the odor, and flies caused by the housing of this many dogs on a small lot. He said if

Vice-Mayor Bratton said the Credit Union currently occupies space (648 sq. ft.) on the 4th floor of the City Hall Building. This resolution will officially lease the space to the Credit Union at a rental rate of $1.00 per year.

Upon motion of Councilman Frank, seconded by Councilman Boland, Resolution No. 84-126 was unanimously adopted.

Complete text of Resolution No. 84-126 will be found in Resolution Book No. 14 at Page ~~391~~ 392.

BIDS - (1) TRACTOR WITH HYDRAULIC ARM MOWER SYSTEM AND (1) TRACTOR LOADER WITH BACKHOE FOR THE STREET DIVISION

8. Consideration was given to bids received for (1) tractor with hydraulic arm mower system and (1) tractor loader with backhoe for the Street Division.

Clark Brown, Director of Public Works, said sealed bids were received to furnish 2 tractors for the Street Division. He said four bids were received as follows:

Item 1: (1) tractor with hydraulic arm mower and;
Item 2: (1) tractor loader with backhoe for Street Division

BIDDER	AMOUNT
Bruce Equipment Company	Item 1, No Bid - Item 2, $26,214
Farm Equipment Company	Item 1, $29,666 - Item 2, $27,475
Farmers International	Item 1, $31,342 - Item 2, No Bid
N. C. Equipment Company	Item 1, $27,915 - Item 2, $25,685

Mr. Brown said these bids were reviewed for technical compliance to the specifications and recommended the acceptance of the low bid for both Item 1 and Item 2; awarding the bid to North Carolina Equipment Company, Asheville, North Carolina: Item 1: 1984 Tractor 6610 tractor with mower trim - $27,915.00 and Item 2: 1984 JCB Space 3C - 1400 loader-backhoe - $25,685.00, for a total award in the amount of $53,600.00. He said funding for this purchase was originally provided for in the Revenue Sharing Fund, Street Division Capital Equipment appropriations for Fiscal Year 1984.

Councilman Bissette moved to approve the recommendation of the Public Works Director, awarding the bid to North Carolina Equipment Company in the amount of $53,600.00. This motion was seconded by Councilman Price and carried unanimously.

BIDS - TRAILER-MOUNTED HEATING AND REMIXING PLANT FOR THE RECYCLING OF SALVAGED ASPHALT-PAVING MATERIALS

9. Consideration was given to bids received for a trailer-mounted heating and remixing plant for the recycling of salvaged asphalt-paving materials.

Upon motion of Councilman Frank, seconded by Councilman Bissette, Resolution No. 84-128 was unanimously adopted.

RESOLUTION NO. 84-129 - RESOLUTION AUTHORIZING SETTLEMENT OF A CLAIM AGAINST APPALACHIAN HALL

Consideration was given to a resolution authorizing settlement of a claim against Appalachian Hall.

Corporation Counsel Slawter said members of Council were previously furnished copies of the resolution and it would not be read in its entirety unless there was a specific request to do so. He said this claim was in the sum of $4,000.00.

Upon motion of Councilman Price, seconded by Councilman Frank, Resolution No. 84-129 was unanimously adopted.

Complete text of Resolution No. 84-129 will be found in Resolution Book No. 14 at Page 394. 395.

DOWNTOWN REDEVELOPMENT PROJECTS - MAYOR McDEVITT

Councilman Bissette said Mayor McDevitt had just telephoned, and said he was in concurrence with the resolutions relative to the Downtown Redevelopment Projects.

ADJOURNMENT

Upon motion of Councilman Price, seconded by Councilman Frank, the meeting adjourned at 5:45 p.m.

Lou McDevitt
MAYOR

William F. Malcatton
CITY CLERK

the present City Ordinances does not provide for elimination of such situations, then an ordinance should be adopted to eliminate such problems. He said the dogs are vicious and felt the residents at 18 Tanglewood Drive were running a business. He said this residence should be inspected periodically by the City and the Health Department.

Corporation Counsel Slawter said the City had previously investigated this complaint and under the existing ordinance, unless the residents at 18 Tanglewood Drive house more than 6 dogs, there was no violation of the present City Ordinance under the Revenue Ordinance which specifically regulates kennels..

Several of the residents in the area spoke relative to this situation.

Councilman Price and Councilman Boland informed the residents that the Council is now considering a new animal control ordinance which may help to alleviate this situation.

Councilman Bissette requested that in the mean time, the Inspections Division continue to look at the situation at 18 Tanglewood Drive.

Upon inquiry of the residents, Corporation Counsel Slawter said if a new ordinance was adopted relative to animal control, the residents at 18 Tanglewood Drive would have to comply with the new ordinance and would not be exempt by a "grandfather clause".

RESOLUTION NO. 84-127 - RESOLUTION AUTHORIZING EXECUTION OF A REVISED MASTER AGREEMENT BY AND AMONG SCHNEIDER NINE, INC., CITY OF ASHEVILLE AND THE COUNTY OF BUNCOMBE

Consideration was given to a resolution authorizing execution of a revised master agreement by and among Schneider Nine, Inc., the City of Asheville and the County of Buncombe.

Vice-Mayor Bratton said members of Council were previously furnished copies of the resolution, and discussed during the Pre-Council work session, and it would not be read in its entirety unless there was a specific request to do so.

Upon motion of Councilman Boland, seconded by Councilman Price, Resolution No. 84-127 was unanimously adopted.

Complete text of Resolution No. 84-127 will be found in Resolution Book No. 14 at Page 392. 393.

RESOLUTION NO. 84-128 - RESOLUTION AUTHORIZING THE SUBMISSION OF A REVISED URBAN DEVELOPMENT ACTION GRANT (UDAG) APPLICATION FOR THE WALL STREET PROJECT

Consideration was given to a resolution authorizing the submission of a revised Urban Development Action Grant (UDAG) application for the Wall Street Project.

Vice-Mayor Bratton said this resolution was previously furnished to members of Council, and discussed during the Pre-Council meeting, and would not be read in its entirety unless there was a specific request to do so.

Mayor McDevitt recognized Verl Emrick and Patty Tallerday, Coordinators of this year's festival, and the staff of the City in attendance at the meeting, including the Streets and Sanitation employees, who helped to make the 1984 Bele Chere Festival a memorable event.

Complete text of Resolution No. 84-131 will be found in Resolution Book No. 14 at page ~~396.~~ 397.

ORDINANCE NO. 1462 - AN ORDINANCE AMENDING CHAPTER 13 OF THE CODE OF ORDINANCES OF THE CITY OF ASHEVILLE TO PROVIDE FOR ENFORCEMENT BY THE BUNCOMBE COUNTY ENVIRONMENTAL INSPECTOR

4. Consideration was given to an ordinance amending Chapter 13 of the Code of Ordinances of the City of Asheville to provide for enforcement by the Buncombe County Environmental Inspector.

Mayor McDevitt said the County of Buncombe has declared its intention to provide litter enforcement within the City of Asheville through the Office of the Buncombe County Environmental Inspector. Therefore, the most efficient enforcement of the provisions of Chapter 13 can be realized by a transfer of the responsibility for enforcement of Chapter 13 from the Division of Inspections to the Buncombe County Environmental Inspector.

Mayor McDevitt recognized Mr. Fred Remington, Buncombe County Environmental Inspector, who will be enforcing the City of Asheville Sanitation Code.

Mr. Peter Winslow of Quality Forward spoke in support of the Ordinance stating that he was very pleased and enthusiastic about the enforcement of the City of Asheville Sanitation Code.

Councilman Frank moved for the adoption of Ordinance No. 1462. This motion was seconded by Councilman Bissette.

On a roll call vote of 6-0, Ordinance No. 1462 passed on first reading.

Councilman Price moved to suspend the rules and proceed to the second reading of Ordinance No. 1462. This motion was seconded by Councilman Myers and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1462 passed on second reading.

Councilman Price moved to suspend the rules and proceed to the third reading of Ordinance No. 1462. This motion was seconded by Councilman Frank and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1462 passed on third and final reading.

1. Consideration was given to the approval of the minutes of the July 31, 1984 meeting.

Mayor McDevitt noted a change on page 140 of the minutes, changing the word "examine" to "monitor."

Upon motion of Councilman Bissette, seconded by Councilman Price, the minutes of the June 31, 1984, meeting were approved with the noted change.

RESOLUTION NO. 84-130 - RESOLUTION OF APPRECIATION TO MR. J. D. JACKSON AS 1984 BELE CHERE FESTIVAL CHAIRMAN

2. Consideration was given to a resolution of appreciation to Mr. J. D. Jackson as 1984 Bele Chere Festival Chairman.

Mayor McDevitt read the resolution.

Upon motion of Councilman Bissette, seconded by Councilman Price, Resolution No. 84-130 was unanimously adopted.

Mayor McDevitt presented the resolution to Mr. J. D. Jackson.

Complete text of Resolution No. 84-130 will be found in Resolution Book No. 14 at page ~~395~~ 396.

RESOLUTION NO. 84-131 - RESOLUTION OF APPRECIATION TO THE PARTICIPANTS OF BELE CHERE 1984

3. Consideration was given to a resolution of appreciation to the participants of Bele Chere 1984.

Mayor McDevitt read the resolution.

Upon motion of Councilman Price, seconded by Councilman Frank, Resolution No. 84-131 was unanimously adopted.

ORDINANCE NO. 1459 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED (MONTFORD HISTORIC DISTRICT - CERTIFICATE OF APPROPRIATENESS)

7. Consideration was given to the second reading of Ordinance No. 1459, an ordinance amending Ordinance No. 322, known as "An Ordinance Providing for the Zoning of the City of Asheville," as amended (Montford Historic District - Certificate of Appropriateness).

Corporation Counsel Slawter presented several proposed amendments to Ordinance No. 1459.

Councilman Price moved to amend Ordinance No. 1459 as presented by the Corporation Counsel. This motion was seconded by Councilman Bissette and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1459, as amended, passed on second reading.

RESOLUTION NO. 84-133 - RESOLUTION AUTHORIZING THE MAYOR TO SIGN ON BEHALF OF THE CITY OF ASHEVILLE A CONTRACT WITH HUNTLEY CONSTRUCTION COMPANY FOR THE PROJECT KNOWN AS TRINITY CHAPEL ROAD IMPROVEMENT PROJECT

8. Consideration was given to a resolution authorizing the Mayor to sign on behalf of the City of Asheville a contract with Huntley Construction Company for the project known as Trinity Chapel Road Improvement Project.

Mayor McDevitt said three (3) bids were received on the Trinity Chapel Road Improvement Project. Huntley Construction Company of Asheville is the apparent low bidder for this contract, in the amount of $218,830.25. It has been recommended that the City accept Huntley Construction Company as the low bidder and authorize the Mayor to enter into a contract with them for this work. Sufficient funds are budgeted for this project in the Street Paving Program and the Water and Sewer Replacement Projects.

Mayor McDevitt said copies of the resolution were previously distributed to members of Council, and the resolution would not be read in its entirety unless there was a specific request to do so.

The bid tabulation is as follows:

Hobson Construction Company	$233,447.00
Huntley Construction Company	218,830.25
Tennoca Construction Company	225,515.50

Upon motion of Councilman Price, seconded by Councilman Frank, Resolution No. 84-133 was unanimously adopted.

Complete text of Resolution No. 84-133 will be found in Resolution Book No. 14 at page ~~392~~ 400.

RESOLUTION NO. 84-132 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE AN AGREEMENT WITH THE COUNTY OF BUNCOMBE CONCERNING ENFORCEMENT OF LITTER CONTROL

5. Consideration was given to a resolution authorizing the Mayor to execute an agreement with the County of Buncombe concerning enforcement of litter control.

Mayor McDevitt said the City and County each have separate ordinances concerning restrictions on littering. The City and County agree that the problem of litter is of a county-wide nature and can best be restricted by placing responsibility for the enforcement of both ordinances with a single agency. The Office of the Buncombe County Environmental Inspector is funded through the assessment of landfill user fees for the sanitary landfill operated by the County, which fees are paid by city residents as well as by persons living in the unincorporated areas of the county. The placement of county-wide enforcement responsibilities with the Office of the Buncombe County Environmental Inspector would enable the cost of litter control to be spread county-wide. The County has agreed to enforce the City's Sanitation Code through the Office of the Buncombe County Environmental Inspector. This resolution will authorize an agreement with the County providing for the Buncombe County Environmental Inspector to be responsible for enforcement of the Sanitation Code of the City.

Mayor McDevitt said copies of the resolution were previously distributed to members of Council, and it would not be read in its entirety unless there was a specific request to do so.

Upon motion of Councilman Price, seconded by Councilman Frank, Resolution No. 84-132 was unanimously adopted.

Complete text of Resolution No. 84-132 will be found in Resolution Book No. 14 at page ~~397~~ and ~~398~~. 398 + 399.

ORDINANCE NO. 1463 - BUDGET ORDINANCE AMENDMENT TO APPROPRIATE FUNDS INTO THE STATE EMPLOYEE RETIREMENT SYSTEM (HARRY ADAMS)

6. Consideration was given to a Budget Ordinance Amendment to appropriate funds into the State Employee Retirement System (Harry Adams).

Mayor McDevitt said this budget ordinance amendment will appropriate funds not otherwise budgeted to pay $3,795 into the State Employee Retirement System as provided in an agreement with Harry Adams, former employee. This settlement has been approved by City Council in the amount of $3,794.83; however, no funds are appropriated in the Fiscal 1984/85 Budget. This action provides for said appropriation.

Councilman Frank moved for the adoption of Ordinance No. 1463. This motion was seconded by Councilman Myers.

On a roll call vote of 6-0, Ordinance No. 1463 passed on first and final reading.

Complete text of Ordinance No. 1463 will be found in Ordinance Book No. 10 at page ~~209~~. 197 R

RESOLUTION NO. 84-137 - RESOLUTION ENDORSING THE CONTINUATION OF INTERCITY BUS SERVICE ALONG THE ROUTE BETWEEN ASHEVILLE, NORTH CAROLINA AND CHATTANOOGA, TENNESSEE

6. Consideration was given to a resolution endorsing the continuation of the intercity bus service along the route between Asheville, North Carolina and Chattanooga, Tennessee.

Mayor McDevitt said the Trailways Southeastern Lines, Inc. has petitioned the North Carolina Utilities Commission to discontinue intercity bus service along the route between Asheville, North Carolina and Chattanooga, Tennessee. The Public Transportation Division of the North Carolina Department of Transportation is currently discussing the possibility of continuing the service, utilizing federal funds to subsidize the operating costs. This resolution is to endorse the continuation of the bus service and the action of the Public Transportation Division of the North Carolina Department of Transportation.

Mayor McDevitt said members of Council were furnished copies of the resolution and it would not be read in its entirety.

Upon motion of Councilman Bissette, seconded by Councilman Frank, Resolution No. 84-137 was unanimously adopted.

Complete text of Resolution No. 84-137 will be found in Resolution Book No. 15 at page 145.

RESOLUTION NO. 84-135 - RESOLUTION AUTHORIZING THE DIRECTOR OF PARKS, RECREATION, AND PUBLIC FACILITIES DEPARTMENT OT ENTER INTO AN AGREEMENT WITH THE BUNCOMBE COUNTY COUNCIL ON AGING FOR TRANSPORTATION SERVICES FOR THE ELDERLY

5. Consideration was given to a resolution authorizing the Director of Parks, Recreation, and Public Facilities Department to enter into an agreement with the Buncombe County Council on Aging for transportation services for the elderly.

Mayor McDevitt said the City of Asheville is currently engaged in providing transportation services to elderly residents to William C. Reid Memorial Recreation Center and to the Senior Opportunity Center for purposes of a hot meal and recreation programs daily. The Buncombe County Council on Aging has provided direct assistance through the Older American Act. These services to the elderly can best be provided by the Buncombe County on Aging and the City of Asheville through a cooperative program. This resolution provides the payment of 65 cents per mile by the Buncombe County Council on Aging to the City of Asheville for transporting senior citizens to and from the Senior Opportunity Center and the Reid Memorial Recreation Center. The amount received from this agreement for fiscal year 1983-84 was $9,945. This partially defrayed the total cost of this transporation service which was $16,202. This total cost figure does not include depreciation on the van, but includes the salary of the van driver and the cost of gasoline, oil, insurance, repairs, etc. to the van. While this agreement will not pay the total cost of operating this service, if we do not have this agreement and if the City continues to provide this service, then the net cost to the City would be approximately $16,000 as compared to the net cost of approximately $6,000 for last year.

Mayor McDevitt said members of Council were furnished copies of the resolution and it would not be read in its entirety.

Mayor McDevitt said members of Council have agreed that all contracts, leases, or agreements are to be signed by the Mayor or City Manager.

RALPH BISHOP - LOTTERY SALES

Ralph Bishop spoke to members of Council relative to lottery sales in the City of Asheville.

PUBLIC AFFAIRS COMMITTEE - REPORT - APPOINTMENTS TO BOARDS AND COMMISSIONS

Mayor McDevitt said the Public Affairs Committee has reviewed and made recommendations for various vacancies on Boards and Commissions. He said Council will be considering appointments to these boards within the next two weeks. He said any member of the public that would like to serve on these boards should make inquiry to the City Manager or the City Council. He said the boards would include the Zoning Board of Adjustments, City of Asheville Board of Alcoholic Control, Asheville Area Civic Center Commission, Western North Carolina Air Pollution Control Board, Asheville Transit Authority, Planning and Zoning Commission, Asheville-Buncombe Insurance Advisory Committee, Tourism Development Authority, Recreation Board, Housing Authority, Asheville Tree Commission, and the Asheville-Buncombe Historic Resources Commission.

Councilman Frank moved to approve emergency expenditures in the amount of $7,200 for the installation of scuppers and access door from the 8th Floor to the roof deck in the City Hall Building. This motion was seconded by Councilman Bissette and carried unanimously.

Mayor McDevitt said this action was taken due to a recent damage to the City Hall Building by heavy rains.

ANNOUNCEMENT BY VICE-MAYOR BRATTON - CHANGING METHOD FOR ELECTION OF MAYOR

Vice-Mayor Bratton said she intends to introduce a resolution on August 28, 1984 calling for a referendum in November, 1984, relative to changing the method for the election of the Mayor.

Ralph Bishop spoke in opposition to the Wall Street Project, stating that Council should not take peoples' property by eminent domain.

Dr. Irby Oglesby of 48 Battery Park told members of Council that property owners should be notified prior to a public meeting that their building is proposed to be demolished. He said his property is set for demolition in the proposed plan.

Mr. Elwood Miles, owner of the Miles Building, requested a meeting with the developers relative to the extent of his involvement in the project.

Mayor McDevitt suggested that the individuals meet with the developers after the public hearing to discuss their individual concerns.

Mayor McDevitt closed the public hearing at 4:50 p.m.

Mayor McDevitt read the resolution.

Upon motion of Councilman Bissette, seconded by Councilman Boland, Resolution No. 84-138 was unanimously adopted.

Complete text of Resolution No. 84-138 will be found in Resolution Book No. 15 at page 5.6.

Vice-Mayor Bratton took her seat.

RESOLUTION NO. 84-139 - RESOLUTION AUTHORIZING THE MAYOR TO ENTER INTO A CONTRACTUAL AGREEMENT WITH THE ASHEVILLE/BUNCOMBE COMMUNITY RELATION COUNCIL

3. Consideration was given to a resolution authorizing the Mayor to enter into a contractual agreement with the Asheville/Buncombe Community Relation Council.

Mayor McDevitt said copies of the resolution were previously distributed to members of Council and that the resolution would not be read in its entirety unless there was a specific request to do so.

Mayor McDevitt said this resolution will authorize the Mayor to enter into an agreement with the Asheville/Buncombe Community Relations Council for the continuation of human rights efforts through the delivery and administration of the services and program outlined in a contractural agreement. The City has allocated in the 1984-85 budget $50,387 for the Asheville/Buncombe Community Relations Council.

Upon motion of Councilman Price, seconded by Councilman Boland, Resolution No. 84-139 was unanimously adopted.

Complete text of Resolution No. 84-139 will be found in Resolution Book No. 15 at page 5.7.

PUBLIC HEARING - REVISED WALL STREET AREA PROJECT

RESOLUTION NO. 84-138 - RESOLUTION AUTHORIZING THE SUBMISSION OF AN URBAN DEVELOPMENT ACTION GRANT (UDAG) APPLICATION FOR THE WALL STREET PROJECT IN ITS REVISED FORM

2. A public hearing was held relative to the revised Wall Street Area Project. Mayor McDevitt opened the public hearing at 4:25 p.m.

Verl Emrick, Director of Planning, outlined the details of the revised Wall Street Area Project. He said the total project would be in the amount of $20,677,000. By the use of a map, he showed the properties involved and what the proposed use of each parcel would be.

Barry Olin, property owner and merchant on Wall Street, asked if the proposed parking for the area proved not to be satisfactory, would Council be willing to provide more spaces.

Mayor McDevitt responded that the City of Asheville would monitor the parking situation and if the need arises plans would be revised.

Mr. Olin suggested that Council create a parking commission consisting of business people and members of Council to monitor the parking situation. He said shops presently on Wall Street are moving out in anticipation of the new project.

Councilman Frank moved to approve the subordination agreement as presented by the Corporation Counsel and that the Vice-Mayor be authorized to sign the agreement. This motion was seconded by Councilman Bissette and carried unanimously. Councilman Price did not vote on the issue, as she was excused from the meeting.

Consideration was given to a resolution authorizing the Mayor to sign on behalf of the City of Asheville a contract with Paving Enterprises, Inc. for the project known as Windswept Area Paving Project.

Mayor McDevitt read the resolution.

Tom Tarrant, City Engineer, explained the funding for the project.

Upon motion of Councilman Frank, seconded by Vice-Mayor Bratton, Resolution No. 84-141 was unanimously adopted.

Complete text of Resolution No. 84-141 will be found in Resolution Book No. 15 at page 8.9

APPROVAL OF SUBORDINATION AGREEMENT - BURGERLAND ASSOCIATES

Corporation Counsel Slawter said the law firm of Patla, Straus, Robinson and Moore have requested the City of Asheville to execute a subordination agreement concerning Burgerland Associates. He said this would be a new note in favor of the Northwestern Bank in the amount of $184,000. He said additional collateral would be involved in the Deed of Trust. He said the original Deed of Trust was for $145,000.

Mayor McDevitt requested that he be excused from participation and vote on this issue due to the fact that his firm is regional counsel for Northwestern Bank.

Councilman Bissette moved to excuse Mayor McDevitt from voting on the subordination agreement. This motion was seconded by Councilman Boland and carried unanimously.

Mayor McDevitt said since this was an emergency meeting of the City Council, no other business could be legally conducted, and he asked for a motion to adjourn the meeting.

Upon motion of Councilman Bissette, seconded by Councilman Frank, the meeting adjourned at 4:50 P.M.

Leroy McDevitt
MAYOR

William F. Maurer
CITY CLERK

Friday - August 24, 1984

Emergency Meeting

Present: Mayor Larry McDevitt, Presiding; Vice Mayor Wilhelmina Bratton; Councilmen Mary Lloyd Frank, Walter R. Boland, and Louis Bissette; Acting Corporation Counsel Patsy Brison; Acting City Manager William F. Wolcott, Jr.; Acting City Clerk Margaret Messer.

Absent: Councilmen Norma T. Price and Gordon S. Myers

MOTION - AUTHORIZING THE MAYOR TO EXECUTE MEMORANDUM OF UNDERSTANDING WITH SOUTHEASTERN HISTORIC PROPERTIES INC., - WALL STREET PROJECT

1. Consideration was given to a motion authorizing the Mayor to execute a Memorandum of Understanding with Southeastern Historic Properties, Inc. for the Wall Street Project.

Mayor McDevitt announced that the purpose for calling the emergency meeting of the City Council was to authorize the execution of the Memorandum of Understanding with Southeastern Historic Proprties, Inc. for the Wall Street Project. He said negotiations with Southeastern had been completed last night, and that the MOU must be mailed today.

Mayor McDevitt said the Memorandum of Understanding had been reviewed and discussed by members of Council by telephone. He said the concepts of the MOU were basically the same, except for some minor adjustments. However, he said, these adjustments conform to the basic principals of the MOU, which have been agreed to by Council.

Mayor McDevitt said the Memorandum of Understanding had been executed earlier today by Curt Ratcliff, Chairman of the Buncombe County Board of Commissioners. He said the MOU signed by Chairman Ratcliff reflected an amount of $20,677,000 in Item B on the last page and this amount had been changed to $18,477,000. He said the difference in the two amounts is due to the residential condominiums to be constructed by NCNB Community Development being deleted from the MOU. He said the City would enter into a separate agreement with NCNB Community Development for the construction of the residential condominums, and that a final amendment in the amount of $2,200,000 will be submitted to HUD.

Councilman Bissette said this document (MOU) is the product of many months of work, and the City needs to complete the amendments and deliver them to HUD by next Tuesday, August 28. He said a breakdown on the funding would be $4,500,000 in UDAG funds; $2,600,000 in City/County funding for public improvements; and the balance of the equity will be supplied by the developer.

Vice Mayor Bratton made a motion to authorize the Mayor to execute the Memorandum of Understanding with Southeastern Historic Properties, Inc. This motion was seconded by Councilman Frank and carried unanimously.

Mayor McDevitt announced that copies of the MOU would be available to those members of the press who wished to wait for additional copies to be made.

Mayor McDevitt read the resolution stating that Resolution No. 83-209 relative to the process for election of the Mayor was unanimously adopted by the City Council of the City of Asheville on December 6, 1983, and said Resolution provided that the City Council go on record endorsing the concept of examining the feasibility of the Mayor being elected by the citizens rather than by the present process of being elected by the seven (7) members of the City Council. The City Council has continued to examine the feasibility of the direct election of the Mayor by all of the qualified voters of the City. North Carolina General Statute Section 160A-102 provides that the Council may amend the City Charter by adopting an ordinance pursuant to North Carolina General Statute Section 160A-102 effective only if approved by a vote of the people. It is the sole intent of the members of the Asheville City Council to afford the people of the City of Asheville the opportunity and the right to make the final decision on whether the present method of selecting the Mayor should be continued or whether that method should be changed to provide for the direct election of the Mayor by all of the qualified voters of the City.

Vice-Mayor Bratton, commenting on the resolution, said this resolution would only afford the citizens of Asheville the opportunity to tell members of Council how they feel the election of the Mayor should be held.

Councilman Boland said he understood the concerns of the Vice-Mayor and he was not in opposition to allowing the people to decide how they should elect their Mayor. However, he said, Council should not rush into this matter.

Councilman Boland moved to table action on the resolution until the Public Affairs Committee has an opportunity to examine the present form of government of Asheville. He said, just as important, Council should study the possibility of four-year terms rather than current two-year terms, staggered terms, non-partisan elections and election by ward or district rather than by at large representation. He said the Public Affairs Committee could then present their findings to the citizens of Asheville and they would be better informed on the issue.

Councilman Price said she felt many questions should be answered before presenting such an issue to the citizens. She said she felt the scheduling of the resolution was too tight and there was no flexibility in timing. She said, if approved, this resolution of intent would be followed by a public hearing on the issue at 4:00 p.m. on Monday, September 10, in the City Council Chambers; Council then would vote the following day on whether to approve an ordinance amending the City Charter to allow for direct mayoral election, and the ordinance must be approved on three readings at that meeting to meet an Election Board deadline for getting the issue on the November 6 ballot.

Councilman Bissette said he felt it would be too confusing to have the question on the November, 1985 ballot because the City Council election will be held at the same time. He said if Council did not get this issue on the November 6 ballot, it will not come up again in this Council's term. He said he also felt the November 6 ballot is the place to have the issue because a large number of people will be voting. He said in a special election few people vote.

Councilman Frank said the issue was assigned to the Public Affairs Committee at a priority-setting session at Lake Junaluska in January. She said, however, due to downtown revitilization issues, selection of a new City Manager, and other priorities, the Committee has not had time to deal with this particular question. She said she felt Council was being put under pressure to learn a lot about an issue in a short period of time.

Mr. Fitzgerald Horne spoke in favor of the resolution and a referendum.

Tuesday - August 28, 1984 - 4:00 p.m.

Regular Meeting

Present: Mayor Larry McDevitt, Presiding; Vice-Mayor Wilhelmina Bratton; Councilmen Mary Lloyd Frank, Norma T. Price, Walter R. Boland, and Louis Bissette; Corporation Counsel William F. Slawter; Acting City Manager William F. Wolcott, Jr.; Deputy City Clerk Carol Hensley.

Absent: Councilman Gordon Myers.

INVOCATION

The invocation was given by Councilman Walter Boland.

APPROVAL OF THE MINUTES

1. Approval of the minutes of August 21, 1984 meeting.

Mayor McDevitt announced the approval of the minutes of the August 21, 1984 meeting.

PUBLIC HEARING - DEMOLITION OF 37 EAST CHESTNUT STREET

2. A public hearing was held relative to the adoption of an ordinance directing the Director of Inspections to demolish and remove the apartment house known as 37 East Chestnut Street, Asheville, N.C.

Mayor McDevitt opened the public hearing at 4:07 p.m.

Mayor McDevitt said proceedings have heretofore been instituted in accordance with the provisions of N.C. General Statutes 160A-441 et seq. and the Housing Code of the City of Asheville. A hearing has been held and a Findings of Fact & Order entered finding that the apartment house known as 37 East Chestnut Street, in its present condition, is dilapidated, unfit for human habitation, unsafe and dangerous to life. This property is owned by Mrs. Elizabeth Gage.

The City Manager presented the notice to the public, setting the time and date for the public hearing and the affidavit of publication.

Mayor McDevitt said members of Council were advised during the pre-Council meeting that the owners have started work on the house to bring it into compliance with the Housing Code.

Councilman Price moved to continue the public hearing for 90 days without further advertisement and that a report be given at that time as to the status of the repairs on the house. This motion was seconded by Vice-Mayor Bratton and carried unanimously.

RESOLUTION NO. 84-142 - RESOLUTION OF INTENT TO CONSIDER AN ORDINANCE AMENDING THE CHARTER OF THE CITY OF ASHEVILLE REGARDING THE SELECTION OF MAYOR

3. Consideration was given to a resolution of intent to consider an ordinance amending the Charter of the City of Asheville regarding the selection of Mayor.

PUBLIC HEARING - SITE PLAN OF PROPOSED WHISPERING PINES MOBILE HOME PARK - SWEETEN CREEK ROAD

5. A public hearing was held relative to the site plan of the proposed Whispering Pines Mobile Home Park to be located off Sweeten Creek Road.

Mayor McDevitt opened the public hearing at 5:05 p.m.

The City Manager presented the notice to the public, setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said the Asheville Planning and Zoning Commission at a meeting held August 8, 1984, reviewed the site plan of the proposed Whispering Pines Mobile Home Park to be located off Sweeten Creek Road. The plan was prepared by Kenneth Pankow, Engineer, for Mr. Marshall Kanner, Developer, and submitted in accordance with the Group Development Section of the Asheville Zoning Ordinance. After review and discussion, the Commission voted to recommend approval of the site plan to City Council subject to compliance with the Erosion Control Ordinance.

Verl Emrick said this property was rezoned by Council in June of this year. Mr. Emrick said the proposed development would consist of 60 mobile home sites and the developers have received commitments for water and sewer services. He said this property is adjacent to an existing mobile home park and meets all the standards for a mobile home park in the R-3 zoning district.

Earl Ward, of Rock Hill Road, said he did not receive notification that the property was to be rezoned in June of this year. He said the residents in the area were opposed to the rezoning as well as the mobile home park. He said the area is currently over populated with mobile homes.

At the request of Council, Mr. Emrick informed the residents in opposition how the property was rezoned, the buffer that would be required, and the proposed access to the mobile home park.

A discussion was held relative to the procedures used in notifying property owners of rezoning issues. Mr. Emrick said the City is not legally required to notify the property owners by mail that property is scheduled to be rezoned. He said a legal notice in the newspaper is the only legal requirement.

Councilman Bissette suggested that one particular staff person be given the responsibility of notifying property owners that property is scheduled to be rezoned, and that particular person sign an affidavit that all property owners were notifed by mail.

Council requested that Mr. Emrick look at alternatives relative to the procedures in notifying property owners of rezoning issues.

Mayor McDevitt closed the public hearing at 5:45 p.m.

Councilman Price moved to approve the site plan of the Whispering Pines Mobile Park to be located off Sweeten Creek Road. This motion was seconded by Councilman Bissette and carried unanimously.

VOTING - On a voice vote of 3-3, Councilman Boland's motion to table action on the resolution failed with Councilman Boland, Councilman Frank, and Councilman Price voting "for" and Councilman Bissette, Vice-Mayor Bratton, and Mayor McDevitt voting "no."

Mayor McDevitt said he has misgivings about changing the system but that he supports the idea of a referendum. He said he felt this is an important opportunity to open up City government and give people more of a voice and opportunity for participation. He said despite his misgivings he felt it is in the greater public interest to let the people decide.

Councilman Price said she would not be voting against letting the people decide but would be voting against the timing of the resolution.

Ralph Bishop spoke in favor of adoption of the resolution. He said he feels the City Manager's position should be eliminated and the Mayor should be the strong leader of the City of Asheville.

On a voice vote of 4-2, Resolution No. 84-142 passed with Mayor McDevitt, Vice-Mayor Bratton, Councilman Bissette, and Councilman Boland voting "yes" and Councilman Price and Councilman Frank voting "no."

Complete text of Resolution No. 84-142 will be found in Resolution Book No. 15 at page 9, 10 and 11.

PUBLIC HEARING - SITE PLAN OF THE PROPOSED WILLOW CREEK MOBILE HOME PARK - OLD HAYWOOD ROAD

4. A public hearing was held relative to the site plan of the proposed Willow Creek Mobile Home Park to be located off Old Haywood Road.

Mayor McDevitt opened the public hearing at 4:56 p.m.

The City Manager presented the notice to the public, setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said the Asheville Planning and Zoning Commission at a meeting held August 8, 1984, reviewed the site plan of the proposed Willow Creek Mobile Home Park to be located off Old Haywood Road. The plan was prepared by Butler-McGill Associates, Engineers, for Mr. William Taylor, Developer, and submitted in accordance with the Group Development Section of the Asheville Zoning Ordinance. Ater review and discussion, the Commission voted to recommend approval of the site plan to City Council subject to compliance with the Erosion Control Ordinance.

Mr. Emrick said this property is outside the City limits but within the one-mile zoning jurisdiction. He said this development would consist of 20 units. He said the developers have received commitments for water and sewer services.

Mayor McDevitt closed the public hearing at 5:04 p.m.

Councilman Price moved to approve the site plan of the proposed Willow Creek Mobile Home Park to be located off Old Haywood Road subject to the conditions stipulated by the Planning and Zoning Commission. This motion was seconded by Councilman Frank and carried unanimously.

APPOINTMENTS TO BOARDS AND COMMISSIONS

7. Mayor McDevitt said during the pre-Council meeting it was the consensus of Council to delay action on appointments to several boards and commissions due to the interest and response received from the general public in serving on boards and commissions.

Councilman Frank moved to appoint the following:

Asheville Civic Center Commission:	Reappointment of Mrs. Pearlman and Mrs. Thompson Appointment of Mike Green and Garrett AlDerfer
Air Pollution Control Board:	Reappointment of Mrs. Shirley Turner
Asheville Transit Authority:	Reappointment of Mrs. H. C. McQueen
Planning & Zoning Commission:	Reappointment of Sonya Friedrich
Tourism Authority:	Reappointment of Mr. Bill Cecil
Asheville Tree Commission:	Reappointment of Verne Rhoades and Susan Mayer
Historic Resources Commission:	Reappointment of Mike Cox

This motion was seconded by Councilman Bissette and carried unanimously.

Mayor McDevitt said as a matter of procedure, resolutions would be introduced at the September 4, 1984 meeting.

RESOLUTION NO. 84-143 - RESOLUTION AUTHORIZING THE MAYOR OF THE CITY OF ASHEVILLE TO ENTER INTO A LEASE AGREEMENT WITH THE AREA BOARD OF MENTAL HEALTH, MENTAL RETARDATION AND SUBSTANCE ABUSE FOR PROVIDING THERAPEUTIC RECREATION PROGRAMS AT SHILOH RECREATION CENTER

8. Consideration was given to a resolution authorizing the Mayor of the City of Asheville to enter into a lease agreement with the Area Board of Mental Health, Mental Retardation and Substance Abuse for providing therapeutic recreation programs at Shiloh Recreation Center.

Mayor McDevitt said the City of Asheville is committed to providing public recreation and other community services to the residents of the City. The Area Board of Mental Health has agreed to provide therapeutic recreation activities to certified "Willie M" youth and other emotionally disturbed youth and is in need of a facility in which to provide said services. This resolution will authorize the Mayor to execute a lease agreement with the Area Board of Mental Health for space at Shiloh Recreation Center in order for Blue Ridge Center for Mental Health, Mental Retardation, and Substance Abuse Services to provide therapeutic recreation programs. This is the second consecutive year for the "Willie M" program. This program will bring an additional $1,800 to the City at practically no additional cost, while at the same time providing recreation opportunities for several

PUBLIC HEARING - PROPOSED PARTRIDGE LANE APARTMENT - WATERS ROAD

6. A public hearing was held relative to the site plan of the proposed Partridge Lane Apartments to be located off Waters Road.

Mayor McDevitt opened the public hearing at 5:46 p.m.

The City Manager presented the notice to the public, setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said the Asheville Planning and Zoning Commission at a meeting held August 8, 1984, reviewed the site plan of the proposed Partridge Lane Apartments to be located off Waters Road. The plan was prepared by John Broadbooks, Landscape Architect, for Mr. Terry Lee, Developer, and submitted in accordance with the Group Development Section of the Asheville Zoning Ordinance. After review and discussion, the Commission voted to recommend approval of the site plan subject to compliance with the Erosion Control Ordinance. The Commission also voted to encourage City Council to proceed with the street improvements at the intersection of Old Haw Creek Road and Middlebrook Road; however, this was not a condition of approval of the project.

Mr. Emrick, by the use of a map, reviewed the location in question. He said the development would consist of 68 units and complies with the Group Development Section of the Zoning Ordinance. He said the Planning and Zoning Commission had discussed the need for street improvements at the intersection of Old Haw Creek Road and Middlebrook Road. He said Council had previously budgeted $31,000 for street improvements in this area. He said this action was taken when a previous developer submitted a proposed development for Cinnamon Ridge. He said at that time developers for Cinnamon Ridge agreed to allocate $20,000 for the street improvements at this intersection. He said, however, the Cinnamon Ridge development has been abandoned and due to the timing of that particular project, reapproval by Council on Cinnamon Ridge would be necessary if the developers so desire.

Councilman Price said she felt strongly that the street improvements at this intersection should be made and capital funds were available from the one-cent sales tax.

Mayor McDevitt closed the public hearing at 5:50 p.m.

Councilman Price moved to approve the site plan of the proposed Partridge Lane Apartments to be located off Waters Road subject to conditions stipulated by the Planning and Zoning Commission and that the City Council proceed with the street improvements at the intersection of Old Haw Creek Road and Middlebrook Road. This motion was seconded by Councilman Boland.

Mayor McDevitt said he felt Council's commitment to the street improvements should not be tied in with the approval of the development. He said this should be two separate issues.

On a voice vote of 5-1, Councilman Price's motion for approval passed, with Mayor McDevitt voting "no."

Mayor McDevitt said he approved of the development, but did not approve committing the City to the street improvements, as part of the approval of the project.

PETITION - ROBIN WOODWARDS - STREET IMPROVEMENTS AND FIRE HYDRANT

Mr. Guy Penland, of 55 Robinwood Avenue, presented a petition signed by the residents of Robinwood Avenue requesting "that the City of Asheville pave the street of Robinwood Avenue; also supply a fire hydrant at the corner of Robinwood Avenue and Woodridge Lane. Eight new homes have been built in this area. It would not be possible for the fire department to put a fire out in this area."

Mr. Penland also said there is no water pressure in the area to put out fires.

Council instructed the City Manger to look into the requests stated in the petition and to give Council a report at next week's meeting.

RESOLUTION NO. 84-145 - RESOLUTION AUTHORIZING THE CITY OF ASHEVILLE TO GRANT A RIGHT-OF-WAY TO THE NORTH CAROLINA DEPARTMENT OF TRANSPORTATION

Consideration was given to a resolution authorizing the City of Asheville to grant a right-of-way to the N.C. Department of Transportation.

The City Manager said the N.C. Department of Transportation intends to upgrade and pave approximately 1.5 miles of State Road No. 2576 and approximately 1,376 feet of this project passes over City of Asheville property at the North Fork Water Treatment Plant. He said it would be in the best interest of the City of Asheville to grant the N.C. Department of Transportation the right-of-way for the purpose of upgrading and paving State Road No. 2576.

Upon motion of Councilman Boland, seconded by Councilman Price, Resolution No. 84-145 was unanimously adopted.

Complete text of Resolution No. 84-145 will be found in Resolution Book No. 15 at page 12, 15, 9.

CLAIMS - ADAM DEBOER (PARKS AND RECREATION) - JOHN CARTER (WATER)

The City Manager presented claims received from Adam Deboer (Parks and Recreation) and John Carter (Water).

Mayor McDevitt referred the claims to the Corporation Counsel for investigation and recommendation.

COUNCIL WORK SESSION - THURSDAY, AUGUST 30, 1984 - 5:30 P.M. - CHAMBER OF COMMERCE SERVICES

It was noted that Council would be meeting on Thursday, August 30, 1984 at 5:30 p.m. for a work session in relation to the Chamber of Commerce services to the City of Asheville. It was noted that a report would be given from the City staff relative to these services.

REPORT ON 24 WOODLAWN AND STORM DRAIN REPAIRS IN THE CITY OF ASHEVILLE

Tom Tarrant, City Engineering Coordinator, said it would cost the City between $400,000 and $450,000 to correct problems just in the 49-acre tract in the Woodlawn area and would cost $85,000 to re-route the drain system around the tree stump that is causing the immediate problem. He said in his opinion it would cost between three billion and seven billion dollars to repair the City's storm drain

"special" children. The activities and supervision for these "Willie M" children will be provided by the Blue Ridge Center. The $1,800 rental will cover all costs to the City for heat, utilities, etc. with respect to this program.

Mayor McDevitt said members of Council were furnished copies of the resolution and it would not be read in its entirety.

Councilman Boland explained that a "Willie M" child is defined as somewhat emotionally disturbed and prone to violence.

Upon motion of Councilman Frank, seconded by Councilman Price, Resolution No. 84-143 was unanimously adopted.

Complete text of Resolution No. 84-143 will be found in Resolution Book No. 15 at page 10. 12. 9L

RESOLUTION NO. 84-144 - RESOLUTION ON ACCEPTANCE OF EASEMENTS

9. Consideration was given to a resolution accepting conservation easements for the Pack Plaza area.

Mayor McDevitt said Schneider Nine, Inc. has entered into certain contractual understandings with the City of Asheville and other present owners of certain properties located in Asheville, concerning acquisition and subsequent development of such properties, which, in combination with other properties presently owned by the Grantor, shall comprise the Pack Plaza Development. These properties lie within a Certified Historic District as listed in the National Register of Historic Places and these properties have been stipulated by the Keeper of the National Register of Historic Places as either key or contributing to the historic character of the Asheville Downtown Historic District. It is the intention of the City of Asheville that at such time as Schneider Nine Inc. has acquired fee simple ownership of the subject properties and presents its easements in accordance with applicable law, the City of Asheville shall accept said easements when donated. Further, if said easements are not presented within 48 months from the date of adoption, the resolution shall be of no further force and effect.

Mayor McDevitt said members of Council were furnished copies of the resolution and it would not be read in its entirety.

Carolyn Humphries, with the Historic Resources Commission, spoke in favor of the resolution.

Upon motion of Councilman Boland, seconded by Councilman Price, Resolution No. 84-144 was unanimously adopted.

Complete text of Resolution No. 84-144 will be found in Resolution Book No. 15 at page 13. 13 and 14. 9L

INQUIRY BY COUNCILMEN PURPOSES - APPOINTMENTS TO BOARDS AND COMMISSIONS

Upon inquiry of Mrs. Humphries, Council said recommendations from the various commissions for appointments on the boards would be considered.

Tuesday - September 4, 1984 - 4:00 p.m.

Regular Meeting

Present: Vice-Mayor Wilhelmina Bratton, Presiding; Councilmen Mary Lloyd Frank, Norma T. Price, Walter R. Boland, and Louis Bissette; Corporation Counsel William F. Slawter; Acting City Manager William F. Wolcott, Jr.; Deputy City Clerk Carol Hensley.

Absent: Mayor Larry McDevitt and Councilman Gordon Myers.

INVOCATION

The invocation was given by Councilman Louis Bissette.

APPROVAL OF THE MINUTES - AUGUST 24, 1984 MEETING - EMERGENCY MEETING

1. Approval of the minutes of a special meeting of August 24, 1984.

Upon motion of Councilman Price, seconded by Councilman Boland, the minutes of the August 24, 1984 emergency meeting were unanimously approved as submitted.

APPROVAL OF THE MINUTES - AUGUST 28, 1984 MEETING

2. Approval of the minutes of the August 28, 1984 meeting.

Vice-Mayor Bratton requested that the minutes be amended to include that Mr. Fitzgerald Horne spoke in favor of Resolution No. 84-142.

Upon motion of Councilman Price, seconded by Councilman Boland, the minutes of the August 28, 1984 meeting were unanimously approved as amended.

RESOLUTION NO. 84-146 - RESOLUTION AUTHORIZING THE MAYOR OF THE CITY OF ASHEVILLE TO SIGN AGREEMENT WITH THE FEDERAL AVIATION ADMINISTRATION FOR THE TRANSFER OF ENTITLEMENT FUNDS

3. Consideration was given to a resolution authorizing the Mayor of the City of Asheville to sign agreement with the Federal Aviation Administration for the transfer of entitlement funds.

Vice-Mayor Bratton said the FAA allots annually certain funds to air carrier airports. The Asheville Regional Airport is unable to use its entitlement funds of $168,240 for Fiscal Year 1982. These 1982 entitlement funds, if unused within three (3) years, are transferred to the general fund. However, Section 508 (b) (2) of the Airport and Airway Improvement Act of 1982 allows the transfer of entitlement funds to another airport in the State. This resolution will authorize the Mayor of the City of Asheville and Chairman of the Buncombe County Board of Commissioners to sign the FAA Agreement for transfer of entitlements, not to exceed the amount of $168,240 to another airport(s) in the State of North Carolina.

Vice-Mayor Bratton said members of Council were furnished copies of the resolution and it would not be read in its entirety.

system to avoid flooding in areas such as Woodlawn Avenue. He said he offered the city-wide cost estimate with a "disclaimer" saying it could be more or less depending on whether Woodlawn Avenue is a typical example of the problems throughout the City. He said he and other City staff members are working with the Land-of-Sky Regional Council to determine how extensive the problem is, and that the results of this study should be followed by a complete inventory of the storm drain system and a master plan and policies on how to correct problems in the system.

After discussion, Council requested that staff report back next week to Council with cost estimates on removing a tree stump that is causing the immediate problem at 24 Woodlawn Avenue.

ADJOURN TO EXECUTIVE SESSION

Councilman Frank moved that Council go into Executive Session to discuss a legal and real estate matter. This motion was seconded by Councilman Price and carried unanimously.

Gary McDevitt
MAYOR

William F. Maheeter
CITY CLERK

Vice-Mayor Bratton said this project needs to be completed before more damage to the structure occurs. The City Engineering Division has reviewed the qualifications and proposal of Sutton-Kennerly and Associates and recommends they be accepted. The City Council deems it to be in the best interest of the City of Asheville to enter into an Agreement with Sutton-Kennerly and Associates to perform consulting work for Fire Station #8 roof replacement. These repairs were not anticipated during the Fiscal 1984/85 Budget process. Fire Station #8 repairs are estimated to cost $64,100. A budget amendment establishing a capital appropriation for this item will be submitted to Council prior to bid being awarded. The General Capital Reserve Funds will be used to fund this item.

Vice-Mayor Bratton said members of Council were furnished copies of the resolution and it would not be read in its entirety.

Upon motion of Councilman Frank, seconded by Councilman Price, Resolution No. 84-148 was unanimously adopted.

Complete text of Resolution No. 84-148 will be found in Resolution Book No. 15 at page 19 .

RESOLUTION NO. 84-149 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE A MUNICIPAL AGREEMENT WITH THE NORTH CAROLINA DEPARTMENT OF TRANSPORTATION FOR THE REPLACEMENT OF SMITH BRIDGE, PROJECT NO. 8.2840101-BRZ-1302(3)

b. Consideration was given to a resolution authorizing the Mayor to execute a municipal agreement with the North Carolina Department of Transportation of the replacement of Smith Bridge, Project No. 8.2840101-BRZ-1302 (3).

Vice-Mayor Bratton said this municipal agreement will provide for the replacement and construction of Smith Bridge over the French Broad River on West Haywood Street, under the Federal-Aid Highway Bridge Replacement and Rehabilitation Program. There will be minor administrative cost to the City as this project is to be administered by N. C. Department of Transportation. There could be an expenditure of up to $100,000 spread over 10 years. This amount is in the current Capital Budget. There will be a positive impact of reopening another access to the businesses along Craven Street, Riverside Drive and West Haywood Street.

Vice-Mayor Bratton said members of Council were furnished copies of the resolution and it would not be read in its entirety.

Upon motion of Councilman Bissette, seconded by Councilman Boland, Resolution No. 84-149 was unanimously adopted.

Complete text of Resolution No. 84-149 will be found in Resolution Book No. 15 at page 16. 20

Councilman Price said it should be noted that this action should not be construed that funds are not needed for the airport. She said funds are needed for the airport, however these funds cannot be used for these purposes.

Upon motion of Councilman Boland, seconded by Councilman Price, Resolution No. 84-146 was unanimously adopted.

Complete text of Resolution No. 84-146 will be found in Resolution Book No. 15 at page 13. 11 9L

RESOLUTION NO. 84-147 - RESOLUTION AUTHORIZING THE MAYOR TO SIGN ON BEHALF OF THE CITY OF ASHEVILLE A CONSULTANT CONTRACT WITH SUTTON-KENNERLY AND ASSOCIATES FOR THE PROJECT KNOWN AS THE ASHEVILLE TRANSIT AUTHORITY ROOF REPLACEMENT

4. Consideration was given to a resolution authorizing the Mayor to execute an agreement on behalf of the City of Asheville with Sutton-Kennerly and Associates for consultant services relative to the Roof Replacement Project for the Asheville Transit Authority.

Vice-Mayor Bratton said this project needs to be completed before more damage to the structure occurs. The City Engineering Division has reviewed the qualifications and proposal of Sutton-Kennerly and Associates and recommends they be accepted. The City Council deems it to be in the best interest of the City of Asheville to enter into an Agreement with Sutton-Kennerly and Associates to perform consulting work for the Asheville Transit Authority roof replacement. These repairs were not anticipated during the Fiscal 1984/85 Budget process. The ATA repairs can be funded from remaining uncommitted capital grant funds. The estimated cost is $52,300. A budget amendment establishing a capital appropriation for this item will be submitted to Council prior to the bid being awarded. The General Capital Reserve Funds will be used to fund this item.

Vice-Mayor Bratton said members of Council were furnished copies of the resolution and it would not be read in its entirety.

Upon motion of Councilman Frank, seconded by Councilman Boland, Resolution No. 84-147 was unanimously adopted.

Complete text of Resolution No. 84-147 will be found in Resolution Book No. 15 at page 14. 18 9L

RESOLUTION NO. 84-148 - RESOLUTION AUTHORIZING THE MAYOR TO SIGN ON BEHALF OF THE CITY OF ASHEVILLE A CONSULTANT CONTRACT WITH SUTTON-KENNERLY AND ASSOCIATES FOR THE PROJECT KNOWN AS FIRE STATION #8 ROOF REPLACEMENT

5. Consideration was given to a resolution authorizing the Mayor to execute an agreement with Sutton-Kennerly and Associates for consultant services relative to the Roof Replacement Project at Fire Station #8 on Highway 70 East.

Complete text of Resolution No. 84-151 will be found in Resolution Book No. 15 at page 18. 22

RESOLUTION NO. 84-152 - RESOLUTION AUTHORIZING THE MAYOR ON BEHALF OF THE CITY OF ASHEVILLE TO EXECUTE A SETTLEMENT AGREEMENT BETWEEN THE CITY OF ASHEVILLE AND APAC - CAROLINA, INC., ASHEVILLE DIVISION.

9. Consideration was given to a resolution authorizing the Mayor on behalf of the City of Asheville to execute a settlement agreement between the City of Asheville and APAC - Carolina, Inc., Asheville Division.

Vice-Mayor Bratton said the City of Asheville and APAC - Carolina, Inc., Asheville Division (APAC) entered into a contract dated March 26, 1982, for the construction of asphalt pavement and certain other improvements on College Street and Patton Avenue in downtown Asheville. Subsequent to completion of the contract, significant cracking has developed in the pavement. The City instituted arbitration proceedings with the American Arbitration Association. The Council deems it appropriate at this time to settle all matters between the City and APAC concerning said contract. The Director of Public Works, the City Manager, and the Corporation Counsel have recommended that the matter be settled. Total estimated cost of this settlement will be $7,358.12, which can be absorbed into the Street Division operating budget fiscal impact.

Vice-Mayor Bratton said members of Council were furnished copies of the resolution and it would not be read in its entirety.

Upon motion of Councilman Frank, seconded by Councilman Price, Resolution No. 84-152 was unanimously adopted.

Complete text of Resolution No. 84-152 will be found in Resolution Book No. 15 at page 19. 23

RESOLUTION NO. 84-153 - RESOLUTION DIRECTING THE ASHEVILLE HOUSING AUTHORITY TO PREPARE THE REDEVELOPMENT PLAN FOR THE WALL STREET AND ENVIRONS PROJECT AREA.

10. Consideration was given to a resolution directing the Asheville Housing Authority to prepare the redevelopment plan for the Wall Street and Environs Project Area.

Vice-Mayor Bratton said the Asheville Planning and Zoning Commission has certified that the project area generally known as the Wall Street and Environs Project Area meets the criteria of North Carolina General Statutes 160A-503(10) defining a "Non-residential Redevelopment Area," and has designated said area as such. This resolution will authorize the Housing Authority to proceed with the Redevelopment Plan. There will be a cost range between $10,000 - $15,000. The Housing Authority will provide exact cost within the next week. Funds for this cost has previously been allocated.

RESOLUTION NO. 84-150 - RESOLUTION AUTHORIZING THE CITY MANAGER TO SIGN AN AGREEMENT FOR PERMANENT PARTIAL DISABILITY UNDER THE NORTH CAROLINA WORKERS' COMPENSATION ACT (RICKIE HARPER).

7. Consideration was given to a resolution authorizing the City Manager to sign an agreement for permanent partial disability under the North Carolina Workers' Compensation Act (Rickie Harper).

Vice-Mayor Bratton said Rickie A. Harper sustained a compensable injury under the North Carolina Workers' Compensation Act on or about the 8th day of November, 1983. The employee has returned to full duty as of July 30, 1984. As a result of the injury Mr. Harper sustained a 10% permanent partial disability to his back. The City wishes to compensate for his permanent partial disability under Chapter 97 of N. C. General Statutes.

This settlement for $7,440.00 will fully compensate Mr. Harper for his 10% permanent partial disability to his back, under the N. C. Workers' Compensation Act. Funds for this settlement are budgeted in the Water Department's 1984-85 budget.

Vice-Mayor Bratton said members of Council were furnished copies of the resolution and it would not be read in its entirety.

Upon motion of Councilman Frank, seconded by Councilman Bissette, Resolution No. 84-150 was unanimously adopted.

Complete text of Resolution No. 84-150 will be found in Resolution Book No. 15 at page 17, 21 ~~21~~.

RESOLUTION NO. 84-151 - RESOLUTION AUTHORIZING THE CITY MANAGER TO ENTER INTO A LEASE AGREEMENT WITH NU-WAY FOOD SERVICE, INC. FOR THE PURPOSE OF LEASING SPACE FROM THE CITY OF ASHEVILLE ON ITS RADIO TOWER LOCATED AT PEACH KNOB.

8. Consideration was given to a resolution authorizing the City Manager to enter into a lease agreement with Nu-way Food Service, Inc. for the purpose of leasing space from the City of Asheville on its radio tower located at Peach Knob.

Vice-Mayor Bratton said the City of Asheville owns and operates a two-way FM radio tower located at the top of Peach Knob. Nu-Way Food Service, Inc. desires to lease space from the City of Asheville on the City's premises for the purpose of installing and maintaining a two-way FM transmitter. The City of Asheville and Nu-Way Food Service, Inc. has agreed to the terms of the lease.

This resolution will generate $1,200.00 per year in rental revenue to the City. Costs for leasing this space will be approximately $11.00 per month for electrical service.

Vice-Mayor Bratton said members of Council were furnished copies of the resolution and it would not be read in its entirety.

PUBLIC HEARING - REFERENDUM ON AMENDING THE CHARTER OF THE CITY OF ASHEVILLE TO PROVIDE FOR DIRECT ELECTION OF THE MAYOR

1. Mayor McDevitt said the purpose for the public hearing is to receive public comments relative to amending the Charter of the City of Asheville to provide for the direct election of the Mayor by all the qualified voters of the City. He said a public hearing is required prior to submitting the proposed ordinance to the voters in a referendum.

Mayor McDevitt opened the public hearing at 4:03 p.m.

The City Manager presented a notice to the public, setting the time and date for the public hearing and the affidavit of publication.

Mayor McDevitt read Resolution No. 84-142, adopted August 28, 1984, scheduling this public hearing. He also read the proposed ordinance amending the Charter of the City of Asheville to provide for the direct election of Mayor by all the qualified voters of the City.

At this time, Mayor McDevitt opened the floor for citizen comments requesting that they limit their comments to three minutes.

Florence Ryan, 74 Wembley Road, said she felt Council should not rush into such an important matter at this time. She said the November 6 ballot would be including many races on the national, state, and county level, and another question on the ballot might confuse the issue. She said this was the wrong time to place such a question on a ballot.

Rev. Wendall Christopher, speaking on behalf of the Interdenominational Christian Ministerial Alliance Association, said the present process for election of the Mayor is "outdated" and "a self-perpetuating method from the past." He said he felt the direct election of the Mayor would give the citizens of Asheville an opportunity to choose their Mayor. He said he would be in favor of this question being placed on the November 6 ballot, and he would be in favor of the direct election of the Mayor by the qualified voters of the City.

Ralph Bishop also spoke in favor of the direct election of the Mayor by the qualified voters of the City. He said the City of Asheville needs strong leadership and should have a full-time strong Mayor.

The City Manager said he would have the Inspections Division look into the concern expressed by Councilman Price.

CLAIMS - C & J PRODUCE CO. (STREETS) - NANCY RHYMER (WATER) - J. DONALD WILLIAMS (SEWER) - JIM DAVIS (POLICE) - EUGENE LEHR (WATER) - WILMA DREYMAN (WATER) - SHIRLEY EDWARDS (WATER).

The City Manager presented claims received from C & J Produce Co., Nancy Rhymer, J. Donald Williams, Jim Davis, Eugene Lehr, Wilma Dreyman and Shirley Edwards.

Vice-Mayor Bratton referred the claims to the Corporation Counsel for investigation and recommendation.

LAWSUITS - ASHEVILLE HOUSING AUTHORITY, CONDEMNATION OF ROSCO PRICE PROPERTY (E. END/VALLEY STREET - ASHEVILLE HOUSING AUTHORITY, CONDEMNATION OF ISSAC DICKSON PROPERTY (E. END/VALLEY STREET).

The City Manager said the City was served with a summons in connection with lawsuits involving the Asheville Housing Authority on condemnation of Rosco Price property (E. End/Valley Street) and condemnation of Issac Dickson property (E. End/Valley Street.

Vice-Mayor Bratton referred the summons to the Corporation Counsel for investigation and recommendation.

RALPH BISHOP - COMMENTS RELATIVE TO INVOLVEMENT OF THE CITY OF ASHEVILLE UDAG FUNDS.

Upon inquiry of Mr. Ralph Bishop, Corportion Counsel Slawter answered questions relative to the involvement of the City of Asheville on the loaning of UDAG funds.

ADJOURNMENT

Councilman Boland moved to adjourn the meeting at 4:50 p.m. This motion was seconded by Councilman Frank and carried unanimously.

Lee McDevitt
MAYOR

Marian F. Holcombe
CITY CLERK

Matthew Baccoate said he did not think the issue should be placed on the November 6 ballot. He said the voters may be too inundated with political issues with races on the national, state, and county level to consider yet another referendum. He said a better time for the issue would be after the first of the year, and the citizens would have an opportunity to study the issue separately.

Leo Ferguson said he was also concerned about the issue being placed on the November 6 ballot. He said he did not feel ample time had been given to studying the proposed change. He said the total picture should be studied, rather than singling out the "Mayorship." He said he felt it is very important to educate the public prior to placing such an issue on a ballot.

Mayor McDevitt said in order to meet North Carolina General Statutes guidelines, an ordinance would be placed on the City Council agenda for September 11, to consider amending the City Charter to provide for the direct election of Mayor by the qualified voters of the City. He said the ordinance would require three readings on September 11, 1984, in order to be placed on the November 6 ballot.

Councilman Myers expressed his regrets for having missed several of the Council meetings recently due to vacations and unavoidable business meetings which were held out of town. He said, however, he had been in contact on a weekly basis with the Mayor concerning the City's ongoing business and the results of the Council meetings. He said he felt Council might be rushing into a judgement relative to the direct election of Mayor. He said he, too, felt the citizens of Asheville are capable of electing a Mayor; however, he felt this would be the first step in changing the City of Asheville's form of government from a strong City Manager to a strong Mayor. He said this might create unnecessary power. He said sometimes too much politics are involved in an issue, and he felt this Council has been positive and accomplished many things. He asked Council not to make a rushed judgement in our present confused political climate.

Councilman Boland concurred with the remarks made by Councilman Myers saying there was a possibility that a motion would be introduced on September 11, 1984, to postpone consideration of the issue for further study.

Vice-Mayor Bratton said the citizens of Asheville should be given the opportunity to say how the procedure for the election of the Mayor should be. She said this needed to be dealt with by the community and said it would be "a great injustice" if the voters were not allowed to settle the issue at the polls in November.

Councilman Price said a public hearing was held about four years ago on this same issue, and about four people attended, which showed little interest in changing the system.

Councilman Frank said she resented being pressured into making a decision on an issue that has not been fully studied by the members of Council or the citizens of Asheville. She also questioned the language in Resolution No. 84-142 which stated that North Carolina General Statute 160A-102 provides that the Council may amend the City Charter by adopting an ordinance pursuant to this section effective only if approved by the vote of the people. She said she felt this section only dealt with the procedure in electing a Mayor.

Bob Plemmons, 40 Dortch Avenue, said he did not feel the public has been sufficiently informed about what they would be voting on. He said one public hearing does not give the citizens enough "public education" to vote on such an issue. He requested that Council postpone action until all questions relative to the direct election of
the Mayor are answered.

Carl Johnson, Hillcrest Apartments, said that an elected Mayor would provide a more modern government and place Asheville more in line with other large cities in the State. He said he would be in favor of the issues being placed on the November 6 ballot, and he would be in favor of the direct election of the Mayor by the citizens of Asheville.

Minnie Jones, 15-B Stewart Street, also spoke in favor of the direct election of the Mayor by the citizens of Asheville.

Joyce Coutlakis, 174 Pearson Drive, said the citizens of Asheville should not vote on an issue without more information. She said she felt the November 6 ballot is too crowded to include another issue. She requested that Council delay action to request a referendum until the citizens of Asheville have an opportunity to study the issue.

Emmanuel Coutlakis, 174 Pearson Drive, said he felt the direct election of a Mayor needs a lot of study. He said he would be telling everyone to vote against this issue if placed on the November 6 ballot until the citizens know more about the issue.

Joe Morgan, 61 Church Street, spoke in favor of a direct election of a Mayor. He said this would be a more democratic way than having the Council select the City's top official.

Mr. Fitzgerald Horne said he felt there is a need for a referendum on the November 6 ballot to afford the citizens of Asheville an opportunity to express their opinion on the procedure for election of the Mayor. He said the citizens are ready, able, and capable of electing a Mayor for the City of Asheville.

Edison Hill spoke in opposition to placing the issue on the November 6 ballot. He said he did not feel the present procedure is "broken" and Council should not "tinker" with it.

Mrs. Richard Davis, 142 Edwin Place, said there are already too many issues on the November 6 ballot. She said she did not feel the citizens pay attention to referendums. She said Council should consider this issue further before placing it before the voters.

Sid Henry, of West Asheville, said the citizens of Asheville have not had an opportunity to study the process of direct election of a Mayor and Council should delay action until the citizens are more informed.

Renea White said the citizens of Asheville need more time to study the proposed procedures for the direct election of the Mayor before placing it on a ballot.

Tuesday - September 11, 1984 - 4:00 p.m.

Regular Meeting

Present: Mayor Larry McDevitt, Presiding; Vice-Mayor Wilhelmina Bratton; Councilmen Mary Lloyd Frank, Norma T. Price, Walter R. Boland, and Louis Bissette; Corporation Counsel William F. Slawter; Acting City Manager William F. Wolcott, Jr.; Deputy City Clerk Carol Hensley.

Absent: Councilman Gordon Myers.

INVOCATION

The invocation was given by Councilman Norma Price.

APPROVAL OF THE MINUTES

1. Approval of the minutes of September 4, 1984 meeting.

Mayor McDevitt announced the approval of the minutes of September 4, 1984 as submitted.

RECOGNITION OF LARRY FISHER - DIRECTOR OF FINANCE - "AWARD OF FINANCIAL REPORTING ACHIEVEMENT"

2. Mayor McDevitt recognized Mr. Larry Fisher, Director of Finance, for receiving an "Award of Financial Reporting Achievement" from the Government Municipal Finance Officers Association. He presented Mr. Fisher with the certificate and a plaque to the City of Asheville for a "Certificate of Conformance for Financial Reporting."

Mayor McDevitt also recognized Charlotte Tell, City Accountant, for her efforts in receiving this award.

PROCLAMATION - "FRENCH BROAD RIVER WEEK" - SEPTEMBER 8-16, 1984

3. Mayor McDevitt read a proclamation proclaiming September 8-16, 1984 as "French Broad River Week."

PROCLAMATION - "PRINCE HALL MASONIC WEEK" - SEPTEMBER 16-22, 1984

4. Mayor McDevitt read of a proclamation proclaiming September 16-22, 1984 as "Prince Hall Masonic Week."

PUBLIC HEARING - REZONING PROPERTY LOCATED ON SWANNANOA RIVER ROAD

ORDINANCE NO. 1464 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED. (REZONING PROPERTY ON SWANNANOA RIVER ROAD FROM CS TO LI)

5. A public hearing was held relative to rezoning property located on Swannanoa River Road.

Councilman Price questioned under the proposed ordinance whether or not any safeguards would be included against an elected Mayor also holding a City Manager position. She also questioned whether or not a Mayor would have the right to vote, and if so, whether or not he would have to exercise such a right. She said if the Mayor was not required to vote, what procedure would be used in ordinances requiring three-fourths affirmative votes by members of Council. She requested that the City Attorney research these questions and report the answers to Council before the ordinance is considered on Tuesday, September 11, 1984.

Mayor McDevitt closed the public hearing at 5:20 p.m.

ADJOURNMENT

Upon motion of Councilman Boland, seconded by Vice-Mayor Bratton, the meeting adjourned at 5:20 p.m.

PUBLIC HEARING - FINAL PLAT - "ASHWOOD SUBDIVISION" - SCHOOL ROAD IN OAKLEY

6. A public hearing was held relative to the final plat of the proposed "Ashwood Subdivision" to be located on School Road in Oakley.

Mayor McDevitt said the Planning and Zoning Commission met on January 11, 1984, and approved the preliminary plat for the "Ashwood Subdivision" to be located on School Road in Oakley. The plat was prepared by Ray Anders, R.L.S., for Dale Stierwalt, Developer, and submitted in accordance with Ordinance No. 424. The final plat meets all requirements of the Subdivision Ordinance, and the Planning and Zoning Commission recommends that City Council approve the plat.

Mayor McDevitt opened the public hearing at 4:32 p.m.

The City Manager presented the notice to the public, setting the time and date for the public hearing and the affidavit of publication.

Marvin Vierra, of the Planning staff, said this property is located off of School Road in the Oakely Section. He said the final plat meets all requirements of Ordinance No. 424, being the Subdivision Ordinance. He said the project consists of 43 lots, and water and sewer commitments have been received.

Mr. J. H. Robertson told members of Council that he owns property south and west of the proposed development. He said he felt all environmental erosion control requirements should be met on this project. He said there are no drainage provisions to protect the surrounding properties. He said the developer has started construction on one unit which is approximately 60% complete. He said the silt and mud from the project is draining on to his property.

Mr. Ray Anders, Engineer for the project, said the project is being controlled with silt ponds, and to his knowledge no drainage is occurring on the surrounding properties. He said he and the developer have met with Erosion Control officials.

A discussion was held relative to construction being started on the project prior to final approval of the plat by the City Council.

Mr. Dale Stierwalt, Developer of the proposed "Ashwood Subdivision," said in his opinion the silt pond is adequate to prevent drainage on to surrounding properties.

Further discussion was held relative to the erosion control problems mentioned by Mr. Robertson.

Councilman Frank said she would like assurance that an erosion control inspection is made on the project.

Councilman Boland requested the City Manager make sure that an erosion control inspection is made and all requirements of the Erosion Control Ordinance are met.

Mayor McDevitt closed the public hearing at 4:48 p.m.

Mayor McDevitt said the Asheville Planning and Zoning Commission at its meeting on August 8 considered the rezoning of Ward 8, Sheet 18, Lot 48 and Ward 8, Sheet 26, Lots 240, and 237 from CS Commercial Service District to LI Light Industrial District. Staff pointed out that this property on Swannanoa River Road has been under-utilized for some time and there exists a potential at this time for reuse of the vacant structure on Lot 48. Also, the Asheville Chamber of Commerce lists this property as potential industrial property. After discussion, the Commission voted to recommend approval of this rezoning to City Council. This public hearing was originally scheduled for August 28, 1984; however, due to an omission in the legal advertisement, the public hearing was rescheduled at the August 21 meeting for September 11, 1984, and readvertised.

Mayor McDevitt opened the public hearing at 4:21 p.m.

The City Manager presented the notice to the public, setting the time and date for the public hearing and the affidavit of publication.

Marvin Vierra, of the Planning staff, said this property is located north of Charlotte Highway on Swannanoa River Road. He presented an aerial photograph of the property in question.

Mr. Vierra said there were no objections expressed at the Planning and Zoning Commission meeting held on August 8, 1984. Upon inquiry of Council, Mr. Vierra said notifications of the proposed rezoning were given to the adjacent property owners; however, no notifications were given to the residents in the Beverly Hills area.

Gary Rowe, Attorney, representing Allison-Erwin Company, owner of Ward 8, Sheet 26, Lot 240 and 237, said his client has no specific plans for the property at the present. He said, however, his clients have been contacted by several individuals including manufacturing companies for use of the property. He requested that Council rezone the property to Light Industrial.

Mayor McDevitt closed the public hearing at 4:30 p.m.

Mayor McDevitt said members of Council were furnished copies of the ordinance and it would not be read in its entirety.

Councilman Boland moved for the adoption of Ordinance No. 1464. This motion was seconded by Councilman Bissette.

On a roll call vote of 6-0, Ordinance No. 1464 passed on first reading.

Mr. Vierra said the attorney has requested three readings on the ordinance at today's meeting.

Councilman Price said she has concerns about having three readings on a rezoning ordinance in one day. She said she would like to await the readings to give property owners an opportunity to be heard if they so desire.

Councilman Boland moved to postpone voting on the proposed ordinance concerning the direct election of the Mayor, stating that he was in favor of the direct election of the Mayor in principle; however, he was concerned that the Council is rushing into amending the Charter without reviewing all aspects of the Charter in connection with the role of the Mayor. He said he felt the change would enhance the powers of the Mayor. He said this particular amendment would be moving away from the Council/Manager-type government to a Mayor/Council-type government. He said other issues or options should be addressed such as four-year council terms rather than the current two-year terms, staggered terms, non-partisian elections, and elections by ward or district as opposed to at-large representation or a combination thereof. He further moved that the proposed ordinance be referred to the City Council Public Affairs Committee with instructions to study the issue and report back to Council by mid-October, 1984, in order for a referendum to be held on Tuesday, January 29, 1985, and prior to a vote of the people, that Council vote on the proposed ordinance on three separate readings on October 23, October 30, and November 6, 1984.

Mayor McDevitt said this motion was technically out-of-order unless Councilman Boland also included a provision to remove the proposed ordinance from consideration on this agenda.

Councilman Boland responded that in essence he would be removing the item from the agenda by his motion to delay action. This motion was seconded by Councilman Price.

A discussion was held relative to legal requirements, if the proposed ordinance received substantial amendments.

Corporation Counsel Slawter said if the proposed ordinance is substantially amended, the process, in his opinion, should be started over. He said in order to meet the legal requirements, the process could not be started over now and still be placed on the November 6 ballot.

Councilman Bissette said he did not feel a January referendum would be as effective as aNovember 6 vote.

Councilman Price said she felt the proposed ordinance needs clarification.

Vice-Mayor Bratton said she intends to vote against the motion to postpone action on the ordinance. She said she felt this issue has been blown out of proportion, that the only intent of the referendum is to give the citizens of Asheville an opportunity to say what procedure should be used for the election of the Mayor. She said as far as public education is concerned, "Leadership Asheville" has agreed to hold forums in September and October at UNC-A on the issue for the direct election of the Mayor. She said she felt the proposed delay is nothing more than a political scheme. She said a referendum in January would have a low turnout of voters.

Councilman Frank said the Public Affairs Committee has previously received information from the Institute of Government on this particular issue. She said even if delayed, the referendum could still be held prior to the City Council election in 1985. She said she still felt the language in the resolution relative to North Carolina General Statutes 160A-102 should be changed. She said she would also need assurance that the City would continue with a weak mayor form of government.

Councilman Bissette moved to approve the final plat of the proposed "Ashwood Subdivision" to be located on School Road in Oakley, with the provision that an erosion control inspection be made and the project found in compliance with the Erosion Control Ordinance, and that the City Manager report to Council on September 18, 1984 on the subdivision°s compliance to the Erosion Control Ordinance.

This motion was seconded by Vice-Mayor Bratton and carried unanimously.

ORDINANCE NO. 1465 - AN ORDINANCE AMENDING THE CHARTER OF THE CITY OF ASHEVILLE TO PROVIDE FOR A DIRECT ELECTION OF THE MAYOR BY ALL THE QUALIFIED VOTERS OF THE CITY

7. Consideration was given to an ordinance amending the Charter of the City of Asheville to provide for direct election of the Mayor by all the qualified voters of the City.

Mayor McDevitt said Resolution No. 84-209 relative to the process for election of the Mayor was unanimously adopted by the City Council of the City of Asheville on December 6, 1983, and said Resolution provided that the City Council go on record endorsing the concept of examining the feasibility of the Mayor being elected by the citizens rather than by the present process of being elected by the seven (7) members of the City Council. The City Council has continued to examine the feasibility of the direct election of the Mayor by all of the qualified voters of the City. North Carolina General Statute Section 160A-102 provides that the Council may amend the City Charter by adopting an ordinance pursuant to North Carolina General Statute Section 160A-102 effective only if approved by a vote of the people. It is the sole intent of the members of the Asheville City Council to afford the people of the City of Asheville the opportunity and the right to make the final decision on whether the present method of selecting the Mayor should be continued or whether that method should be changed to provide for the direct election of the Mayor by all of the qualified voters of the City. A public hearing was held on this issue on Monday, September 10, 1984 at 4:00 p.m. in the City Council Chambers.

Mayor McDevitt said members of Council were furnished copies of the ordinance and it would not be read in its entirety.

In response to Councilman Price's questions, stated at the public hearing on September 10, 1984, the City Attorney said according to the North Carolina General Statutes, under the present system and the proposed system, the Mayor could not also hold the position of City Manager. He said there were no clear-cut answers as to the right of the Mayor to vote. He quoted several statutes in connection with the Mayor's voting rights. He said in his opinion, the proposed ordinance should authorize the Mayor to vote on all issues, as required by all members of Council. He said in checking with Mr. David Lawrence, with the Institute of Government, it was suggested that no additional language be included in the ordinance relative to the Mayor's right to vote, and that the Council request the Legislature to clarify this question.

Upon inquiry of Council, Mr. Slawter said in his opinion, if the proposed ordinance is adopted, all section of the Charter of the City of Asheville should be amended where "members of Council" are mentioned to include "the Mayor."

Mayor McDevitt said the next item on the agenda entitled a "Resolution calling for a vote of the people on Ordinance No. 1465 regarding the direct election of the Mayor of the voters would be deleted, due to the failure of Ordinance No. 1465 being read on three readings at today's meeting, and therefore could not be carried out in time to be placed on the ballot on November 6, 1984.

Councilman Price moved to table the second reading of Ordinance No. 1465 indefinitely, and that the matter be referred to the City Council Public Affairs Committee for further study, and that a referendum be held regarding the direct election of the Mayor before May 1, 1985. This motion was seconded by Councilman Boland and carried unanimously.

Corporation Counsel Slawter again reminded Council that if significant changes were made in the proposed ordinance, it would be his opinion that the process should started over describing all specific changes to be made in the Charter.

Mayor McDevitt said members of Council should also consider their priorities such as water, sewer, and storm drainage, those things which Council must address immediately.

Councilman Boland said he felt the Public Affairs Committee should consider this matter as soon as possible since he felt it is a rather important issue.

PUBLIC HEARING SCHEDULED - APPEAL OF DR. MICHAEL G. JUSTICE TO REZONE PROPERTY LOCATED IN BEVERLY HILLS

8. Consideration was given to a motion scheduling a public hearing on the rezoning appeal of Dr. Michael G. Justice, owner of property located in Beverly Hills.

Mayor McDevitt said the Planning and Zoning Commission had voted to recommend denial of Dr. Justice's rezoning request to City Council, and that Dr. Justice has appealed this decision to the City Council.

Councilman Price moved to schedule a public hearing relative to the appeal of Dr. Justice to rezone property located in "Beverly Hills" for September 25, 1984. This motion was seconded by Vice Mayor Bratton and carried unanimously.

RESOLUTION NO. 84-165 - RESOLUTION AUTHORIZING THE MAYOR TO CONSENT TO THE DEMOLITION OF 31 WEST CHESTNUT STREET

9. Consideration was given to a resolution authorizing the Mayor to consent to the demolition of 31 West Chestnut Street.

Mayor McDevitt said The City of Asheville is the fee simple owner of the property located at 31 West Chestnut Street and no outstanding interests exist on this property. This property is in a dilapidated condition and hazardous to the citizens of Asheville. This property is not located in any historic district. The Asheville Fire Department, through its training program, will burn the dwelling at no cost to the City of Asheville. This resolution will authorize the Mayor to sign the necessary consent papers for demolition of the property.

Councilman Bissette said he felt the proposed delay is a political smoke screen obscuring a simple popular vote. He pointed out that Asheville is the only major city in North Carolina where voters do not directly elect a Mayor. He said delaying a referendum until January would cost the City approximately $7,000 as compared to $1,500 in November, and that a referendum in January would discourage voter turnout.

Councilman Frank noted that, in connection with the cost of the election, the Council could pass an ordinance directing that the Mayor be elected by the voters of the City of Asheville without a referendum.

Ralph Bishop spoke in favor of a referendum on the issue in November.

Mr. Fitzgerald Horne agreed with Councilman Bissette's comments stating that the citizens of Asheville should have the opportunity to vote for a Mayor.

Minnie Jones said January is not a good time to hold a referendum.

Renea White said she felt the citizens of Asheville should know about the issue before voting.

Mayor McDevitt said he had serious misgivings about the proposal for direct election of the Mayor since members of Council have so many more important issues to address. He said the concerns that have been raised relative to the proposed ordinance can be addressed by simple amendments. He said he felt the referendum should be held in November since Buncombe County voters will also decide on the November 6 ballot an almost identical issue on whether or not the County Commission Chairman should be an elected office. He said it would be an ideal time to place the City referendum on the ballot. He said he felt it would be in the public interest to place the issue on the November 6 ballot and he would vote against the motion to remove the ordinance from consideration on today°s agenda.

On a voice vote of 3-3, Councilman Boland's motion to postpone action on the ordinance failed with Vice-Mayor Bratton, Mayor McDevitt, and Councilman Bissette voting "no" and Councilman Boland, Councilman Price, and Councilman Frank voting "yes."

Vice-Mayor Bratton moved for the adoption of Ordinance No. 1465. This motion was seconded by Councilman Bissette.

A discussion was held relative to amending the proposed ordinance to clear up any misunderstandings relative to including the Mayor as part of all members of Council.

On a roll call vote of 6-0, Ordinance No. 1465 passed on first reading.

Vice-Mayor Bratton moved to suspend the rules and proceed to the second reading of Ordinance No. 1465. The motion was seconded by Councilman Bissette and failed on a voice vote of 3-3, with Mayor McDevitt, Vice-Mayor Bratton, and Councilman Bissette voting "yes" and Councilman Boland, Councilman Price, and Councilman Frank voting "no."

Mayor McDevitt said, as it now stands, the ordinance will be calendared on next week's agenda for second reading.

RESOLUTION NO. 84-167 - RESOLUTION AUTHORIZING THE MAYOR TO SIGN ON BEHALF OF THE CITY OF ASHEVILLE CHANGE ORDERS WITH PERRY M. ALEXANDER CONSTRUCTION COMPANY FOR THE PROJECT KNOWN AS ASHEVILLE REGIONAL AIRPORT COLLECTION SEWERS

11. Consideration was given to a resolution authorizing the Mayor to sign on behalf of the City of Asheville change orders with Perry M. Alexander Construction Company for the project known as Asheville Regional Airport Collection Sewers.

Mayor McDevitt said the City Council, by Resolution No. 83-123, authorized a contract with Perry M. Alexander Construction Company for the project known as Asheville Regional Airport Collection Sewers. Harry Hendon and Associates, Inc., Engineers for the Project, has requested the execution of a change order in the amount of $2,400.00 to cover the added cost of installing mechanical joint ductile iron pipe in lieu of the push on joint pipe at the bridge over I-26. This resolution will authorize the Mayor to sign any change orders, within the amount budgeted for said work, which might arise during the construction of said project. He said the Capital Project Budget for the Airport Sewer Line has previously been approved.

Mayor McDevitt said members of Council were furnished copies of the resolution and it would not be read in its entirety.

Upon motion of Councilman Price, seconded by Councilman Frank, Resolution No. 84-167 was unanimously adopted.

RESOLUTION NO. 84-168 - RESOLUTION AUTHORIZING THE FILING OF AN APPLICATION WITH THE DEPARTMENT OF TRANSPORTATION, UNITED STATES OF AMERICA, FOR A GRANT UNDER THE URBAN MASS TRANSPORTATION ACT OF 1964, AS AMENDED

Consideration was given to a resolution authorizing the filing of an application with the Department of Transportation, United States of America, for a grant under the Urban Mass Transportation Act of 1964, as amended.

Carl Ownbey of the Asheville Transit Authority read the resolution. He said this is an annual submission of an application under Section 8 and 9-A for a technical studies grant. He said the breakdown on the funding for this grant would be eighty percent (80%) Federal, ten percent (10%) State, and ten percent (10%) local.

Upon motion of Councilman Price, seconded by Councilman Frank, Resolution No. 84-168 was unanimously adopted.

Complete text of Resolution No. 84-168 will be found in Resolution Book No. 15 at pages ~~35-36~~. 39-40 ✓

Mayor McDevitt said members of Council were furnished copies of the resolution and it would not be read in its entirety.

Upon motion of Councilman Price, seconded by Councilman Bissette, Resolution No. 84-165 was unanimously adopted.

RESOLUTION NO. 84-166 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE ON BEHALF OF THE CITY OF ASHEVILLE AN AGREEMENT BETWEEN THE CITY AND B & R SYSTEMS, INC. FOR THE RE-ROOFING OF CITY HALL

10. Consideration was given to a resolution authorizing the Mayor to execute on behalf of the City of Asheville an agreement between the City and B & R Systems, Inc. for the re-roofing of City Hall.

Mayor McDevitt said the City Hall roofing system has deteriorated, been subjected to repeated patching, is continuing to leak with consequent damage to the building and its contents. Bids were opened on this project on September 4, 1984. It has been recommended that B & R Systems, Inc. be accepted for the Base Bid and Alternate No. 1 in the amount of $71,418.00. He said adequate funding is available using a combination of the remaining $67,000 in funding from the City Hall Roof Project plus surplus funding from the Civic Center Project to cover this contract.

Tom Tarrant, City Engineering Coordinator, presented the following bid tabulation:

BIDDER	BASE BID	ALTERNATE ADDITIONAL WATERPROOFING	TOTAL
B & R Systems, Inc.	$64,000.00	$7,418.00	$ 71,418.00
Stroup Sheet Metal Works, Inc.	$96,561.00	$7,310.00	$103,871.00

Mr. Tarrant said the City Engineering Division recommends that $90,000 be allocated for the project to cover contingencies and change orders. He said he would request that the Director of Audit & Budget submit a budget amendment for contingency funds to cover the change orders for Council's consideration at next week's Council Meeting.

Mayor McDevitt said members of Council were furnished copies of the resolution and it would not be read in its entirety.

Upon motion of Councilman Boland, seconded by Councilman Price, Resolution No. 84-166 was unanimously adopted.

CLAIMS - FLETCHER CARTER (SANITATION), PAULA HENSLEY (STREETS), PAT FARLOW (WATER) NELLIE ELLIOTT (WATER)

The City Manager presented claims received from Fletcher Carter (Sanitation), Paula Hensley (Streets), Pat Farlow (Water), and Nellie Elliott (Water).

Mayor McDevitt referred the claims to the Corporation Counsel for investigation and recommendation.

PRESENTATION OF LETTER FROM COUNCILMAN GORDON MYERS

Mayor McDevitt read the following letter from Councilman Myers.

" September 10, 1984

Mayor Larry McDevitt
and Members of City Council
City of Asheville
Post Office Box 7148
Asheville, North Carolina 28807

Dear Mayor and Members of City Council:

I would again like to express my regrets for having been out of town on numerous occasions over the last two months and having missed a good portion of the Council Meetings. This has been caused by two vacations with my family and unavoidable business meetings which were held out of town. I have continued to remain in contact on a weekly basis with the Mayor concerning the city's on-going business and the results of the Council Meetings.

RESOLUTION NO. 84-169 - RESOLUTION AUTHORIZING THE MAYOR TO ENTER INTO A CONTRACT WITH THE NORTH CAROLINA DEPARTMENT OF TRANSPORTATION IN SUPPORT OF THE TECHNICAL STUDIES PROJECT

Consideration was given to a resolution authorizing the Mayor to enter into a contract with the North Carolina Department of Transportation in support of the Technical Studies Project.

Carl Ownbey of the Asheville Transit Authority read the resolution. He said this resolution will request the North Carolina Department of Transportation to provide fifty percent (50%) of the non-federal cost of implementing specific items of the 1984-85 Asheville Urban Area Unified Work Program at a total cost of Thirty Two Thousand Dollars ($32,000) of which the non-federal cost amounts to Six Thousand Four Hundred Dollars ($6,400).

Upon motion of Councilman Price, seconded by Councilman Frank, Resolution No. 84-169 was unanimously adopted.

Complete text of Resolution No. 84-169 will be found in Resolution Book No. 15 at page 37.

RESOLUTION NO. 84-170 - RESOLUTION AUTHORIZING THE MAYOR TO SIGN ON BEHALF OF THE CITY OF ASHEVILLE A CONTRACT WITH A.P.A.C.-CAROLINA, INC., FOR THE PROJECT KNOWN AS THE 1984-85 PAVING PROGRAM PROJECT

Consideration was given to a resolution authorizing the Mayor to sign on behalf of the City of Asheville a contract with A.P.A.C.-Carolina, Inc. for the project known as the 1984-85 Paving Program Project.

Tom Tarrant, City Engineering Coordinator, presented the following bid tabulation:

BIDDER	BASE BID	ALTERNATE CEMETERY ROADS	TOTAL
A.P.A.C.-Carolina, Inc.	$593,315.00	$44,960.00	$638,275.00
Paving Enterprises	$683,842.97	$50,024.50	$738,867.47
Asheville Paving	$691,504.19	$50,403.60	$741,907.79

Mr. Tarrant said the apparent low bidder for the base bid and the alternate was A.P.A.C.-Carolina, Inc. in the amount of $638,275.00, and this bid is under the City Engineering Division's estimate of $746,000.00. He said he would recommend award of the bid to A.P.A.C.-Carolina, Inc.

Council indicated that they would be willing to allocate the additional funds necessary to include paving of cemetery roads.

Upon inquiry of Mayor McDevitt, Mr. Tarrant said change orders would be anticipated in a construction project of this size, and that he would request that the Director of Audit & Budget submit a budget amendment for contingency funds to cover the change orders for Council's consideration at next week's Council Meeting.

Councilman Frank moved to approved Resolution No. 84-170 to include Alternate #1 (paving of Cemetery Roads) in the amount of $638,275. This motion was seconded by Councilman Price and carried unanimously.

PROCLAMATION - "ASHEVILLE SYMPHONY MONTH" - SEPTEMBER, 1984

Vice-Mayor Bratton announced that Mayor McDevitt had proclaimed the month of September as "Asheville Symphony Month."

(property owned by the Crayton Estate) for October 9, 1984.

HIGHLIGHTS: The Asheville Planning and Zoning Commission at its meeting on September 5th considered the rezoning of Ward 7, Sheet 15, Lots 85, 85-1/4, and 229 from R-3 Residential District to LI Light Industrial District. Staff pointed out that this property on Crayton Road has been underutilized for some time and there exists a potential at this time for use of the now vacant land. Also, the Asheville Chamber of Commerce lists this property as potential industrial property. After discussion, the Commission voted to recommend approval to City Council that Ward 7, Sheet 15, Lots 85, 229, and a portion of Lot 85-1/4 be rezoned to LI Light Industrial District. The Commission also recommends that a 40' buffer be provided and that a "No Left Turn" sign be placed on Crayton Road at the exit from the property.

HIGHLIGHTS: This public hearing will afford the citizens of Asheville an opportunity to express their opinion relative to the filing of an application for a Technical Studies Grant.

FISCAL IMPACT: The total amount of grant funds being applied for is $7,000, funded 80% by the federal, 10% by the state, and 10% local funding.

Upon motion of Councilman Frank, seconded by Councilman Myers, the consent agenda was unanimously approved.

SCHEDULING PUBLIC HEARING - HAZELWOOD SUBDIVISION - NORTH LOUISIANA AVENUE

Councilman Price moved to schedule a public hearing relative to the Hazelwood Subdivision - Phase I to be located on North Louisiana Avenue for October 2, 1984. This motion was seconded by Councilman Bissette and carried unanimously.

David Warren with the Asheville Fire Department said he felt the proposed policy is another tool to fire someone if a department head did not particularly like that employee. He also questioned the transfer of employees to lower pay grades in case of a layoff.

Several Council members emphasized to the employees that no layoffs are contemplated or ever being considered.

Sam Graves, Director of Management Services, said this would only be a policy, and at the time a layoff is needed, a plan would be implemented which would address the questions of fringe benefits, sick leave, vacation, retirement, and seniority.

Several of the employees requested that Council take no action on the policy until a plan is adopted.

Several of the employees requested that better communications be given to employees when actions such as this are taken on such issues.

Vice-Mayor Bratton closed the public hearing at 6:15 p.m.

ORDINANCE NO. 1468 - BUDGET ORDINANCE AMENDMENT TO PROVIDE FUNDS FOR A WORKERS' COMPENSATION SETTLEMENT (WILLIAM R. SWEARNGAN - FINANCE DEPARTMENT)

Consideration was given to a Budget Ordinance amendment to provide funds in the amount of $6,566.00 in the Finance Department Budget for a Workers' Compensation settlement for William R. Swearngan.

Councilman Price moved for the adoption of Ordinance No. 1468. This motion was seconded by Councilman Bissette.

On a roll call vote of 5-0, Ordinance No. 1468 passed on first and final reading.

Complete text of Ordinance No. 1468 will be found in Ordinance Book No. **10** at page ~~218~~. 182

RESOLUTION NO. 84-176 - RESOLUTION AUTHORIZING THE MAYOR TO SIGN AN AGREEMENT FOR PERMANENT PARTIAL DISABILITY FOR WILLIAM R. SWEARNGAN PURSUANT TO A NORTH CAROLINA WORKERS' COMPENSATION ACT

Consideration was given to a resolution authorizing the Mayor to sign an agreement for permanent partial disability for William R. Swearngan pursuant to the North Carolina Workers' Compensation Act.

Vice-Mayor Bratton presented the resolution stating that William R. Swearngan sustained a compensable injury under the North Carolina Workers' Compensation Act while employed by the City of Asheville on November 1, 1982. As a result of these injuries the employee sustained a permanent partial disability of 20% to his left foot. Pursuant to Chapter 97 of the North Carolina General Statutes the 20% permanent partial disability is equal to $6,566.40.

PROCLAMATION - "CLEANUP LITTER WEEK" - SEPTEMBER 16-22, 1984 - "YOUTH INVOLVEMENT DAY" - SEPTEMBER 22, 1984

PROCLAMATION - "PEACE DAY" - SUNDAY, OCTOBER 7, 1984

Vice-Mayor Bratton said Mayor McDevitt had proclaimed Sunday, October 7, 1984 as "Peace Day."

RALPH BISHOP - COMMENTS RELATIVE TO ELECTION OF MAYOR

Ralph Bishop again spoke to members of Council relative to his desire to have the Mayor elected by the qualified voters of the City of Asheville. He said the City Manager-type form of government is not good for the City of Asheville.

COUNCIL RECESS

Councilman Price moved to recess the Council meeting until 5:15 p.m. This motion was seconded by Councilman Bissette and carried unanimously.

PUBLIC HEARING - PROPOSED CIVIL SERVICE RULE CHANGE - LAYOFF POLICY

Vice-Mayor Bratton said this public hearing is being held to provide the employees of the Classified Service and the citizens of Asheville an opportunity to be heard prior to the City Council adopting and/or approving a proposed Civil Service rule regarding layoffs.

Vice-Mayor Bratton read the proposed layoff policy. She said, however, that there is no intent by the Asheville City Council for a layoff in the near future. She said this policy is to be included in the Personnel Manual in case of an emergency.

Vice-Mayor Bratton opened the public hearing at 5:20 p.m.

Bill Wilmer of the Street Department said he felt it was unreasonable for City Council to formulate a layoff policy to be used later. He also questioned what would happen to fringe benefits, hospitalization, sick leave, vacation leave, and seniority, if someone is laid off from the City of Asheville. He also questioned the fairness in transferring an employee to another department at a lower pay grade. He said he felt the policy would allow management to lay off employees with whom they have personality conflicts. He said the employees also need to know the number of weeks notice they would receive prior to getting laid off.

Bruce Ponder with Water Maintenance said he had been working with the City of Asheville for five months. He said he took a cut in wages in order to work for the City because they normally do not have layoffs. He said Council should increase employees' wages to compensate for the fear of being laid off. He said if Council has no need for a layoff then why have such a policy.

Tuesday - September 25, 1984 - 4:00 p.m.

Regular Meeting

Present: Mayor Larry McDevitt, Presiding; Vice-Mayor Wilhelmina Bratton; Councilmen Mary Lloyd Frank, Norma T. Price, Gordon Myers, Walter Boland; and Louis Bissette; Corporation Counsel William F. Slawter; Acting City Manager William F. Wolcott, Jr.; Deputy City Clerk Carol Hensley.

INVOCATION

The invocation was given by Mayor Larry McDevitt.

APPROVAL OF THE MINUTES

1. Approval of the minutes of September 18, 1984 meeting.

Mayor McDevitt announced the approval of the minutes of the September 18, 1984 meeting as submitted.

RECOGNITION OF TIM DAVIS - CIVIC CENTER EMPLOYEE

2. Mayor McDevitt said on Sunday, July 29, while working a set-up change, Tim Davis, (a Civic Center laborer) found and turned over a wallet lost that day at the wrestling match. After checking the contents, $300 was found in the wallet. On Monday morning, the owner called and identified the wallet and its contents. They were elated and extremely grateful. Tim Davis has been employed by the City since September 14, 1981.

Mayor McDevitt recognized Mr. Davis and thanked him for his good deed and honesty in turning over the wallet to the Civic Center manager. He said this action not only reflects Mr. Davis' honesty, but also reflects upon the City of Asheville.

PROCLAMATION - "ADULT DAY CARE CENTER WEEK" - WEEK OF SEPTEMBER 23, 1984

Mayor McDevitt read a proclamation proclaiming the week of September 23, 1984, as "Adult Day Care Center Week."

Mayor McDevitt presented the proclamation to Mary C. Lewis, Program Director of the Adult Day Care Center in the Allen Center.

Mrs. Lewis detailed the functions of the "Elders Living Fully," Adult Day Center.

Upon motion of Councilman Price, seconded by Councilman Frank, Resolution No. 84-176 was unanimously adopted.

ADJOURNMENT

Upon motion of Councilman Bissette, seconded by Councilman Myers, the meeting adjourned at 6:30 p.m.

Larry McDavid
MAYOR

William F. Valentine
CITY CLERK

Veri Emrick, Director of Planning, said this rezoning petition was first presented in November, 1983. However, deed restrictions were in force and the Planning and Zoning Commission decided to wait until the deed restrictions had lapsed before considering this rezoning request. He said the Asheville Planning and Zoning Commission meeting held August 8, 1984 considered the petition of Dr. Michael Justice that Ward 8, Sheet 35, Lots 29, 24-27, 68, 69, and Ward 8, Sheet 19, Lots 107, 106, 83, 105, 82, 81, 80, and 79 be rezoned from R-1 Residential District to R-4 Residential District, the property being located on Tunnel Road. After review and discussion, the Commission voted to recommend that the petition be denied and the property remain as it is now zoned.

Mr. Emrick said the following Finding of Fact by Chairman Frue and Motion" was made at the Planning and Zoning meeting.

"1. That the proposed rezoning request constitutes spot zoning and this should be looked at by City Council if an appeal is taken to City Council and an opinion should be obtained by the City Attorney as to whether or not this particular request constitutes spot zoning.

2. We have considered and read the restrictive convenants as same porport to effect this particular property the locus in quo and we inspected and examined it for the purpose of determining whether or not it was proper for us to hear the rezoning request. It is the opinion of the Planning and Zoning Commission that the restrictions have, in deed, expired.

Those are the two findings that I would suggest to the Commission.

3. We did not consider the proposed specific use of the land since this would be contract zoning.

4. If the restrictions have elapsed, then is rezoning from R-1 Residential District to R-4 Residential District appropriate.

Chairman Frue then entertained a motion for denial, incorporating these findings. Motion was moved, seconded and carried with Bill Ashley disqualifying himself from voting since he had worked on the map.

Corporation Counsel Slawter cited several reasons for his opinion that the rezoning would not be "spot zoning."

Mr. Emrick presented an aerial photo showing the property requested to be rezoned.

Mr. Emrick said the staff of the Planning and Zoning Commission recommended approval of the petition for the following reasons:

1) the properties abut U.S. 70, a major thoroughfare; 2) said properties also abut commercial properties; and 3) by restricting the zoning to R-4 Residential District rather than the commercial designation, there is a measure of control of uses allowable and a measure of protection for the adjoining residential properties. He said the staff feels that this area will eventually turn commercial.

RESOLUTION NO. 84-177 - RESOLUTION OF APPRECIATION TO MR. WILLIAM E. PFEIFFER FOR OUTSTANDING SERVICE TO THE CITIZENS OF ASHEVILLE AS CHAIRMAN OF THE PARKS AND RECREATION ADVISORY BOARD

Consideration was given to a resolution of appreciation to Mr. William E. Pfeiffer for outstanding service to the citizens of Asheville as Chairman of the Parks and Recreation Advisory Board.

Mayor McDevitt read the resolution stating that Mr. Pfeiffer has served on the City of Asheville Parks and Recreation Advisory Board since November 24, 1969, and served as Chairman for the past five years. He said Mr. Pfeiffer is resigning as Chairman of the Parks and Recreation Advisory Board because he is relocating to another state in order to pursue a new private business venture.

Upon motion of Councilman Price, seconded by Councilman Bissette, Resolution No. 84-177 was unanimously adopted.

Mayor McDevitt presented the resolution to Mr. Pfeiffer.

RESOLUTION NO. 84-178 - RESOLUTION OF APPRECIATION TO ACTING CITY MANAGER WILLIAM F. WOLCOTT, JR.

Consideration was given to a resolution of appreciation to Acting City Manager William F. Wolcott, Jr.

Mayor McDevitt read the resolution stating that Mr. Wolcott has served as Acting City Manager since March 1, 1984, and Council wanted to personally thank him for the outstanding job.

Upon motion of Councilman Boland, seconded by Councilman Frank, Resolution No. 84-178 was unanimously adopted.

PUBLIC HEARING - REZONING PROPERTY LOCATED IN BEVERLY HILLS

3. A public hearing was held relative to rezoning property located in Beverly Hills, requested by Dr. Michael G. Justice.

Mayor McDevitt said on Wednesday, August 8, 1984, the Asheville Planning and Zoning Commission voted to recommend to City Council that the rezoning of Ward 8, Sheet 35, Lots 29, 24-27, 68, 69, Ward 8, Sheet 19, Lots 107, 106, 83, 105, 82, 81, 80 and 79 from R-1 Residential District to R-4 Residential District be denied. Dr. Justice has appealed the decision of the Planning and Zoning Commission to the Asheville City Council.

Mayor McDevitt opened the public hearing at 4:37 p.m.

even if it was considered spot zoning, Council would be allowed to rezone the property if the rezoning request is reasonable. In rebuttal to the protest of the rezoning outlined in the "protest against change in zoning." Mr. Rowe pointed out that the Planning and Zoning staff had recommended approval of the rezoning request. He said this property requested to be rezoned is a buffer for residents living on Fairway Drive. He said the plans for the proposed dentist office calls for "more than adequate" buffering protection to the homes backing up to the property. He said the homeowners are being unfair by asking the petitioners not to develop the property because it provides a buffer zone between their homes and Tunnel Road. He said, essentially the residents are saying, they want to keep the buffer for themselves and asking us not to use the property for its highest and best use. He said the City of Asheville needs a family dental practice in the East Asheville area.

Mr. Rowe said many of the property owners requesting the rezoning were unable to attend the Council meeting for various reasons. He read a letter from Anita and Gus Johnson, one of the petitioners for the rezoning, speaking in favor of the rezoning.

Upon inquiry of Mayor McDevitt, Mr. Emrick said if the property is zoned R-3 Residential District and a professional office allowed, only 2,000 square feet office building could be built on the property. He said the Zoning Board of Adjustments could grant variances to Dr. Justice.

A discussion was held relative to restrictions in the R-3 zoning classification.

Ed Harrell, 36 Fairway Drive, spoke in opposition to the rezoning. He stated that Dr. Justice purchased the property knowing that it was zoned R-1 Residential District. He questioned Dr. Justice obtaining an architect and a surveyor who were also members of the Planning and Zoning Commission. He disagreed with the Corporation Counsel that this rezoning request is not "spot zoning." He said the property has always had restrictive covenants prior to July 1, 1984. He said the residential area should be protected by the R-1 zoning classification. He said the property values would decline if offices are allowed in the area. He requested that Council deny the request for the rezoning.

Mr. Mike Moody, 32 Fairway Drive, also spoke in opposition to the rezoning. He said Dr. Justice presently has an attractive office building located on Swannanoa River Road. He said the houses presently facing Tunnel Road are well kept and in keeping with the character of the neighborhood. He said the property requested to be rezoned is joined on three sides by R-1 Residential District. He said, in his opinion, the restrictive covenants in the area had not elasped. He addressed the size of the proposed dental office compared to the size of homes in the area. He said the proposed dental office is a large building for this area and is not in keeping with the character of the neighborhood. He said he felt the R-4 zoning classification is a stepping stone to commercial development. He said he thought when he purchased his property it would be protected by it being an old established neighborhood, being in a stable environment, with a R-1 zoning classification and restrictive covenants.

Mr. Emrick also noted that the City Clerk's office received a "protest against the change in zoning." He said the Planning and Zoning staff reviewed the petition protesting the rezoning and found the petition to be valid, containing signatures of at least 20% of the surrounding property owners, which would require a three-fourths vote of Council in order to change the zoning or six (6) affirmative votes of Council to change the zoning.

Dr. Michael Justice, petitioner for the rezoning, said the rezoning is requested for a potential site for a dentist office. He said he felt this location would be ideal for a neighborhood dental practice which would be convenient to all residents in East Asheville. He said he was only one of 11 property owners requesting that the property be rezoned. He said he felt the rezoning request is reasonable, and requested Council's approval on the rezoning.

John Cort, architect for the proposed dental office, said he did not feel the rezoning or the construction of the dental office would be out of character with the neighborhood. He said careful planning of the landscaping would provide a buffer zone between the office and neighboring properties, and that the design of the building would fit well with the residential character of the neighborhood. He said the property is presently a wooded area and parking would be provided in the rear of the building. He said he did not feel this property is suitable to remain zoned R-1 Residential District because the property fronts on a five-lane highway and is not appropriate for residential development and if it is not developed as an office, it will never be used. He said the present lots in the area requested to be rezoned do not conform to the R-1 Residential District zoning. He said R-4 Residential District is more compatible with the present facilities surrounding the property. He said this is the only area on a major thoroughfare, through Asheville, that is zoned R-1 Residential District.

Upon inquiry of Councilman Frank, Mr. Cort said he did not feel a R-3 District would be feasible, due to the fact, that the proposed dental office would have to be a conditional use and no more than 2,000 sq. ft. of office space could be used. He said the developer would have to request two variances from the Zoning Board of Adjustments in order to make the property useful.

Gary Rowe, attorney for Dr. Justice, presented members of Council with a map showing the location of the property in question. He said this is the only location on the east-west thoroughfare in Asheville that has a R-1 zoning designation. He said he had questions relative to how the 20% protest was calculated, but would concede to Mr. Emrick's calculations.

Mr. Emrick informed Mr. Rowe that the 100 ft. designation was considered across Tunnel Road.

Mr. Rowe said, in his opinion, the allowable uses in the R-4 Residential District are consistent with the neighborhood. He said all the lots requested to be rezoned do not presently conform to lot sizes required in the R-1, R-2, or R-3 zoning designations. He said Council must encourage the most comprehensive land use in the area. He said he agreed with the Corporation Counsel that the rezoning would not be "spot zoning." However,

RESOLUTION NO. 84-179 - RESOLUTION AUTHORIZING THE HOUSING AUTHORITY OF THE CITY OF ASHEVILLE TO PROCEED WITH IMPLEMENTATION OF THE REDEVELOPMENT PLAN FOR THE PACK PLAZA REDEVELOPMENT PROJECT

4. Consideration was given to a resolution authorizing the Housing Authority of the City of Asheville to proceed with implementation of the redevelopment plan for the Pack Plaza Redevelopment Project.

Mayor McDevitt said in order to carry out the Pack Plaza Redevelopment Project, it is necessary to authorize the Asheville Housing Authority to proceed with implementation of the Redevelopment Plan. The fiscal impact will be affected by the agreement with the developers in connection with land acquistion and relocation assistance.

Upon motion of Councilman Price, seconded by Vice-Mayor Bratton, Resolution No. 84-179 was unanimously adopted.

Complete text of Resolution No. 84-179 will be found in Resolution Book No. 15 at page 47.51

RESOLUTION NO. 84-180 - RESOLUTION AUTHORIZING THE MAYOR OF THE CITY OF ASHEVILLE TO EXECUTE AN AMENDMENT TO THE DECEMBER 20, 1983, AGREEMENT BY AND BETWEEN THE CITY OF ASHEVILLE AND HOUSING AUTHORITY OF THE CITY OF ASHEVILLE

5. Consideration was given to a resolution authorizing the Mayor of the City of Asheville to execute an amendment to the December 20, 1983, agreement by and between the City of Asheville and the Housing Authority of the City of Asheville.

Mayor McDevitt said this proposed amendment to the agreement with the Housing Authority of the City of Asheville will provide funding for the implementation of the redevelopment plan for the Pack Plaza Redevelopment Project. The fiscal impact will be affected by the agreement with the developers in connection with land acquisition and relocation assistance.

Upon motion of Councilman Bissette, seconded by Councilman Price, Resolution No. 84-180 was unanimously adopted.

Complete text of Resolution No. 84-180 will be found in Resolution Book No. 15 at page 48.52

RESOLUTION NO. 84-181 - RESOLUTION AUTHORIZING THE MAYOR ON BEHALF OF THE CITY OF ASHEVILLE TO EXECUTE A MEMORANDUM OF UNDERSTANDING BY AND AMONG NCNB COMMUNITY DEVELOPMENT CORPORATION, THE CITY OF ASHEVILLE AND THE COUNTY OF BUNCOMBE

6. Consideration was given to a resolution authorizing the Mayor on behalf of the City of Asheville to execute a Memorandum of Understanding by and among NCNB Community Development Corporation, the City of Asheville and the County of Buncombe.

Bill Earley, 68 Fairway Drive, also spoke in opposition to the rezoning citing the same reasons as Mr. Moody and Mr. Harrell as his reasons for opposition. He said Council, nor anyone else, could promise what uses would eventually move into the R-4 zoning classification. He said Council should not just consider the present use for this property, but how the R-4 zone could be used as a stepping stone to other commercial uses. He said he felt this rezoning would change the character of the neighborhood.

Bob Pitts, Attorney representing the Beverly Hills Homeowners Association, spoke in opposition to the rezoning. He said the Beverly Hills subdivision is a well-preserved, stable community and should not be rezoned to R-4 which would eventually allow commercial uses. He said the "protest against change in zoning" was obtained with only enough signatures to provide for a 20% protest requiring a three-fourths vote of Council. He said he felt many other signatures opposing the zoning could be obtained. He disagreed with the Corporation Counsel that this would not be "spot zoning." He said the Beverly Hills subdivision is a large neighborhood compared to the 14 lots requested to be rezoned. He said he felt the rezoning would affect the economy of the neighborhood. He said the properties requested to be rezoned would increase in value, and the properties on Fairway adjoining the property would decrease in value. He said he felt the restrictive covenants are still in effect.

A resident of 22 Fairway Drive requested that Council take the advice of the Planning and Zoning Commission to deny the request for rezoning.

Allan Hall, a resident in the area, also spoke in opposition to the rezoning stating that he felt this would be a step toward commercial development.

Ron Coleman spoke in support of the rezoning.

Upon inquiry of Councilman Price, Mr. Emrick said the Zoning Ordinance does not address the hours of limitation on a business.

Mayor McDevitt said he did not think Council should consider the proposed use of the property in considering the rezoning, but should consider the request for R-4 Residential District.

Mayor McDevitt closed the public hearing at 6:28 p.m.

Mayor McDevitt said members of Council were furnished copies of the ordinance and it would not be read in its entirety.

Councilman Boland moved that action on the ordinance be tabled until October 2, 1984, due to the massive amount of information received during the public hearing. He said he felt Council needed time to consider the information and to pursue unanswered questions. This motion was seconded by Councilman Bissette.

Councilman Price said if action on the ordinance is postponed until next week, she would like to know how the neighborhood would feel about a R-3 Residential classification.

On a voice vote of 6-1, Councilman Boland's motion to table action until October 2, 1984, carried with Mayor McDevitt voting "no."

On a roll call vote of 7-0, Ordinance No. 1464 passed on third reading.

ORDINANCE NO. 1469 - BUDGET ORDINANCE AMENDMENT TO ESTABLISH CAPITAL PROJECTS BUDGET FOR THE TENTH YEAR COMMUNITY DEVELOPMENT BLOCK GRANT

9. Consideration was given to a budget ordinance amendment to establish the Capital Projects Budget for the Tenth Year Community Development Block Grant.

Mayor McDevitt said this budget amendment will establish the Capital Projects Budget for the Tenth Year Community Development Block Grant in the amount of $1,387,000. This will provide funding for the 1984-85 Community Development Program projects.

Mayor McDevitt said members of Council were furnished copies of the ordinance and it would not be read in its entirety.

Councilman Frank moved for the adoption of Ordinance No. 1469. This motion was seconded by Councilman Boland.

On a roll call vote of 7-0, Ordinance No. 1469 passed on first and final reading.

Complete text of Ordinance No. 1469 will be found in Ordinance Book No. 10 at page ~~219~~ 183 ✓

RESOLUTION NO. 84-182 - RESOLUTION AUTHORIZING THE MAYOR TO SIGN AN AGREEMENT FOR THE DEVELOPMENT OF AN FY-84 COST ALLOCATION PLAN

10. Consideration was given to a resolution authorizing the Mayor to sign an agreement for development of an FY-84 Cost Allocation Plan.

Mayor McDevitt said the City has received a proposal from David M. Griffith and Associates, Ltd. to prepare a plan which allocates FY-84 indirect costs at a proposed fee of $6,500. This proposal calls for the development of an A-87 plan to be used in the recovery of costs from federal and state funded programs and a full cost plan to be used in the recovery of costs from enterprises and other non-grant funded sources. Information provided by this plan will assist in recovery of revenues already included in the FY-85 budget. The cost of developing the plans is already included in FY'85 appropriations.

Upon motion of Councilman Bissette, seconded by Councilman Price, Resolution No. 84-182 was unanimously adopted.

Complete text of Resolution No. 84-182 will be found in Resolution Book No. 15 at page ~~50~~ 54-55 ✓

Mayor McDevitt said on February 23, 1984, the City of Asheville, the County of Buncombe, and NCNB Community Development Corporation and Southeastern Historic Properties, Inc. entered into a Memorandum of Understanding, which was subject to the City receiving an Urban Development Action Grant by August 1, 1984, which Grant has not been forthcoming. Through a series of negotiations and discussions, the parties have redefined the roles of both the private and public sectors. The parties entered into a separate agreement dated August 24, 1984, wherein the City and County make certain financial obligations to further the construction of the public improvements and the parking garage complex for the project. It is the intent of the City and County to continue to include the essential component of residential development provided by NCNB Community Development Corporation in the Wall Street Area Project.

Upon motion of Vice-Mayor Bratton, seconded by Councilman Frank, Resolution No. 84-181 was unanimously adopted.

Complete text of Resolution No. 84-181 will be found in Resolution Book No. 15 at page 49. 52 7

CONSIDERATION OF LAYOFF POLICY

7. Mayor McDevitt announced that a resolution approving a layoff policy will be on the agenda for October 2, 1984. He requested that Mr. Graves, Director of Management Services, develop several alternatives to the proposed policy to present to Councilmembers. He said the alternatives should address the concerns expressed by the employees during the public hearing on September 18, 1984.

Councilman Price suggested that the policy include a provision that instead of department heads executing a plan, a committee, appointed by the City Manager, make decisions relative to the execution of a layoff plan. She also requested that the policy have a statement included that the plan would be approved and adopted by the City Council prior to being implemented.

Mayor McDevitt said members of Council would discuss the alternatives at the Pree-Council meeting on October 2, 1984, and place the item on the agenda for consideration on October 2, 1984.

Vice-Mayor Bratton requested that the policy be written on a fifth or sixth grade level.

ORDINANCE NO. 1464 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED (REZONING PROPERTY ON SWANNANOA RIVER ROAD FROM CS TO LI)

8. Consideration was given to the third reading of Ordinance No. 1464, an ordinance amending Ordinance No. 322, known as "An ordinance providing for the zoning of the City of Asheville," as amended (rezoning property on Swannanoa River Road from CS to LI).

Mayor McDevitt said this ordinance was previously read on first and second reading and would not be reread in its entirety unless there was a specific request to do so.

RESOLUTION NO. 84-185 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE ON BEHALF OF THE CITY OF ASHEVILLE A FEDERAL AVIATION GRANT AGREEMENT, PROJECT NO. 3-37-0005-03

13. Consideration was given to a resolution authorizing the Mayor to execute on behalf of the City of Asheville a Federal Aviation Grant Agreement, Project No. 3-37-0005-03.

Mayor McDevitt said the FAA has offered a grant agreement to the Asheville Regional Airport Authority in the amount of $271,366 for the installation of the Runway Surface Condition Sensor and related equipment, Purchase of Rapid Intervention Aircraft Fire and Rescue Vehicle to replace Rescue I, Purchase of Proximity Suits in sufficient quantity to outfit each airport fire fighter, Purchase of Spreader Unit to be installed on current snowplow for dispensing de-icing material on runways, taxiways and ramps. The City of Ashville and the County of Buncombe are sponsors of the agreement, and the FAA requires each sponsor to execute the grant agreement.

Upon motion of Councilman Frank, seconded by Councilman Myers, Resolution No. 84-185 was unanimously adopted.

Complete text of Resolution No. 84-185 will be found in Resolution Book No. 15 at page 53. 58 ✓

RESOLUTION NO. 84-186 - RESOLUTION AUTHORIZING THE MAYOR OF THE CITY OF ASHEVILLE TO EXECUTE A RIGHT-OF-WAY ENCROACHMENT AGREEMENT BY AND BETWEEN THE CITY OF ASHEVILLE AND THE STATE OF NORTH CAROLINA FOR THE PURPOSE OF INSTALLING A FIRE ALARM WIRE IN BEAUCATCHER TUNNEL

14. Consideration was given to a resolution authorizing the Mayor of the City of Asheville to execute a right-of-way encroachment agreement by and between the City of Asheville and the State of North Carolina for the purpose of installing a fire alarm wire in Beaucatcher Tunnel.

Mayor McDevitt said the City of Asheville desires to encroach on the right-of-way of the public road designated as U.S. Route 70 located in Beaucatcher Tunnel for the purpose of installation of a fire alarm wire in accordance with the State of North Carolina specifications in the Beaucatcher Tunnel. The North Carolina Department of Transportation requires that the City enter into an encroachment agreement prior to installation of the wire. This resolution will authorize the Mayor to execute said right-of-way encroachment agreement.

Upon motion of Councilman Frank, seconded by Councilman Price, Resolution No. 84-186 was unanimously adopted.

Complete text of Resolution No. 84-186 will be found in Resolution Book No. 15 at page 54. 59 ✓

RESOLUTION NO. 84-183 - RESOLUTION AUTHORIZING THE MAYOR OF THE CITY OF ASHEVILLE TO MAKE APPLICATION FOR STATE SENIOR CENTER FUNDS

11. Consideration was given to a resolution authorizing the Mayor of the City of Asheville to make application for State Senior Center Funds.

Mayor McDevitt said the North Carolina Department of Human Resources Division of Aging has a program whereby grants are available for acquisition or renovation of senior citizen centers. The program of services at the Harvest House Center could be improved by the use of funds from this grant. This resolution will authorize the Mayor to sign an application with the North Carolina Department of Human Resources Division of Aging for state center funds for Harvest House in the amount of $12,000. This grant will provide funds for a new deck, ceiling fans and woodworking equipment at Harvest House Center. Of the total grant ($12,000), 75% will be furnished by the state with 25% being furnished by the City. This 25% will come from labor from Park Maintenance Division (½) plus $1,500 in contributions from Harvest House participants. These improvements make possible an expanded program at no additional cost.

Upon motion of Councilman Price, seconded by Councilman Frank, Resolution No. 84-183 was unanimously adopted.

Complete text of Resolution 84-183 will be found in Resolution Book No. 15 at page 56.

RESOLUTION NO. 84-184 - RESOLUTION AUTHORIZING THE MAYOR TO SIGN A CONTRACT FOR FIRE PROTECTION SERVICES WITH THE VETERANS ADMINISTRATION MEDICAL CENTER AT OTEEN

12. Consideration was given to ta resolution authorizing the Mayor to sign a contract for fire protection services with the Veterans Administration Medical Center at Oteen.

Mayor McDevitt said the present agreement for certain fire protection services with the Veterans Administration Medical Center at Oteen expires on September 30, 1984. City staff and VA staff are continuing to negotiate to resolve some conflicts in the contract clauses so that said contract period can be extended. This resolution would authorize the Mayor to sign an agreement with the Veterans Administration Medical Center extending the current contract for one month through October 31, 1984. Revenue generated from this contract is already included in FY '85 budget.

Upon motion of Councilman Price, seconded by Councilman Boland, Resolution No. 84-184 was unanimously adopted.

Complete text of Resolution No. 84-184 will be found in Resolution Book No. 15 at page 57.

Mayor McDevitt
MAYOR

William F. Holcombe
CITY CLERK

Mike Moody, a resident of Beverly Hills, spoke in opposition to the rezoning, stating that rezoning, allowing business development, would destroy the community. He said the Beverly Hills area deserves protection and should be preserved.

Robert Pitts, Attorney for the Beverly Hills Homeowners Association, said the residents in the area, as well as the Homeowners Association considered the feasibility of a R-3 Residential District vs. R-4 Residential District. He said the Homeowners Association and the residents still have objections to either the R-3 or R-4 zoning. He said, in his opinion, a R-3 zoning would also constitute "spot zoning". He said the deed restrictions on record are valid, and would not permit R-3 or R-4 uses.

Upon inquiry of Mayor McDevitt, Mr. Pitts said the deed restrictions did not restrict Council's decision on the zoning. However, the uses allowed in the R-3 or R-4 zoning would be restricted by the deed restrictions on record.

Mr. Pitts also presented a petition, signed by 76 residents of the Beverly Hills subdivision, in opposition to the rezoning. He requested that Council uphold the decision of the Planning and Zoning Commission to deny the rezoning request.

Mr. Gary Rowe, Attorney representing Dr. Michael Justice and other property owners requesting the rezoning, spoke in favor of the rezoning. He said his clients had discussed the feasibility of a R-3 zoning classification and would agree to the matter being remanded to the Planning and Zoning Commission for study for a R-3 zoning classification. He said, however, that some study should be made by the City Attorney relative to the 2,000 square foot limitation placed on conditional uses in a R-3 zoning classification. He also requested that the City Attorney determine whether or not the Zoning Board of Adjustments can alter the 2,000 square foot limitation. He said the business venture of Dr. Michael Justice would not encroach into the residential area of Beverly Hills. He said, in his opinion, spot zoning, and deed restrictions are legal matters and should not be considered by Council in the rezoning request. He said the R-4 zoning classification is consistent with the present uses in the area fronting on Tunnel Road.

There being no further discussion, Mayor McDevitt asked for a motion relative to the adoption of the Ordinance rezoning the property.

Mayor McDevitt announced that the ordinance died for the lack of a motion, and Dr. Justice's appeal is denied.

ORDINANCE NO. 1471 - AN ORDINANCE AMENDING SECTION 28-81.2 (B), SECTION 28-81.4 AND SECTION 28-82 OF ARTICLE 4, SPEED REGULATIONS, OF CHAPTER 28 OF THE CODE OF ORDINANCES OF THE CITY OF ASHEVILLE

7. Consideration was given to an ordinance amending Section 28-81.2 (B), Section 28-81.4 and Section 28-82 of Article 4, Speed Regulations, of Chapter 28 of the Code of Ordinance of the City of Asheville (Ottari Road).

Mayor McDevitt said the Asheville City Council received a petition from the residents of Ottari Road and the surrounding area requesting that

Mayor McDevitt read a proclamation proclaiming the month of October, 1984 as "Domestic Violence Awareness Month".

Mayor McDevitt presented the proclamation to Ann VanBrock, Executive Director of Helpmate.

PUBLIC HEARING - FINAL PLAT OF PROPOSED "HAZELWOOD SUBDIVISION" - LOCATED ON NORTH LOUISIANA AVENUE

5. A public hearing was held relative to the final plat of the proposed "Hazelwood Subdivision" to be located off North Louisiana Avenue.

Mayor McDevitt said at a meeting held on April 4, 1984, the Planning and Zoning Commission approved the preliminary plat of the "Hazelwood Subdivision" (then named Ashley Subdivision) to be located on North Louisiana Avenue. The plat was prepared by S. V. Griffith, R.L.S., for Frank McGahren and Walter Weiss, Developers, and submitted in accordance with Ordinance No. 424. The final plat meets all requirements of the subdivision ordinance, and the Planning and Zoning Commission recommends approval of the plat to the Asheville City Council.

Mayor McDevitt opened the public hearing at 4:25 p.m.

The City Manager presented a notice to the public, setting a time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, requested that action be postponed on the approval of the site plan due to several problems involved with the plat.

Councilman Boland moved to continue the public hearing until October 9, 1984, without further advertisement. This motion was seconded by Councilman Price and carried unanimously.

ORDINANCE - REZONING PROPERTY IN BEVERLY HILLS

6. Consideration was given to an ordinance amending Ordinance No. 322, known as "An ordinance providing for the Zoning of the City of Asheville", as amended, rezoning property located in Beverly Hills.

Mayor McDevitt said on Wednesday, August 8, 1984, the Asheville Planning and Zoning Commission voted to recommend to City Council that the rezoning of Ward 8, Sheet 35, Lots 29, 24-27, 68, 69; Ward 8, Sheet 19, Lots 107, 106, 83, 105, 82, 81, 80, and 79 from R-1 Residential District to R-4 Residential District be denied. Dr. Justice appealed the decision of the Planning and Zoning Commission to the Asheville City Council. A public hearing was held on this matter on September 25, 1984, and this ordinance was scheduled for consideration at the October 2, 1984 meeting.

Mayor McDevitt said members of Council were furnished copies of the ordinance and it would not be read in its entirety.

Mayor McDevitt said members of Council were furnished copies of the resolution and it would not be read in its entirety.

Mayor McDevitt said the City of Asheville owns a tract of land adjoining the Western North Carolina Agricultural Center containing approximately 65.5 acres. The State of North Carolina desires to purchase 50 acres of said tract for the expansion of the WNC Agricultural Center. City Council deems the sale of said 50 acres to the State for the sum of $500,000 to be in the best interest of the City. Said sale is authorized by N.C.G.S. 160A-274. This resolution will authorize the Mayor to sign an option agreement for the sale of the land to the State of North Carolina. Provided, however, that said option agreement shall be contingent upon the City of Asheville being free from any restriction that might be imposed by the FAA or other authority upon the expenditure of the funds derived from said sale.

A discussion was held relative to amending the option agreement to insure that the City of Asheville would retain three additional outsites along Fanning Bridge Road to be 250 foot in depth measured from the existing road or any currently proposed widening by the North Carolina Department of Transportation.

Mayor McDevitt said the option agreement would comply with this principle before being executed.

Upon motion of Councilman Boland, seconded by Councilman Myers, Resolution No. 84-188 was unanimously adopted.

Complete text of Resolution No. 84-188 will be found in Resolution Book No. 15 at page 36, 62 ff.

SALE OF DISPOSAL PARCEL #154 - EAST RIVERSIDE RENEWAL PROJECT

10. Consideration was given to a motion approving the sale of Disposal Parcel #154 in the East Riverside Renewal Project.

Mayor McDevitt said the Housing Authority has tentatively accepted the following bid for Disposal Parcel #154 in the East Riverside Renewal Project:

Reuse	Price	Bid	Redeveloper
Office/Institutional	$15,000	$15,001	Carl & Catherine Mumpower

This property is located on McDowell Street. The above bidder has proposed to construct a small wood frame structure (1,050 sq. ft.) with a beige stucco finish and factory-painted steel standing seam roof. This structure will serve as a new professional office for the Asheville Counseling Center. Ten (10) parking spaces will be available for staff and clients. No more than four 4 staff members will occupy the building at any one time. The number of clients will vary.

Councilman Price moved to approve the sale of Disposal Parcel #154 in the East Riverside Renewal Project as recommended by the Housing Authority. This motion was seconded by Councilman Boland and carried unanimously.

the speed limit be reduced from 30 mph to 20 mph. The reason for the residents request is primarily due to safety concerns relative to the street and its proximity to Jones School, children playing, inconsistency of sidewalks being on the same side of the street, the width of Ottari Road, and the fact that Ottari Road is currently used as a "thru" street between Kimberly Avenue and Merrimon Avenue. This ordinance will also amend the description of the 20 mph school zone at Jones School to read "Kimberly Avenue between Lorraine Avenue and Country Club Road."

Mayor McDevitt said members of Council were furnished copies of the ordinance and it would not be read in its entirety.

Mayor McDevitt said, as discussed during the Pre-Council meeting, the ordinance was changed to include, in Section 28-82, Jones Elementary School for a 20 mph zone from Kimberly Avenue from Lorraine Avenue north to Country Club Road.

It was the consensus of Council that the school zone sign remain on Ottari Road. However, the sign should not include the designated hours on the sign, since this would be a 20 mph zone.

Councilman Frank moved for the adoption of Ordinance No. 1470. This motion was seconded by Councilman Bissette.

On a roll call vote of 7-0, Ordinance No. 1470 passed on first reading.

RESOLUTION NO. 84-187 - RESOLUTION APPROVING THE ADOPTION OF RULE 6 OF THE CIVIL SERVICE RULES AND REGULATIONS ESTABLISHING A LAYOFF POLICY FOR THE CITY OF ASHEVILLE

8. Consideration was given to a resolution approving the adoption of Rule 6 of the Civil Service Rules and Regulations establishing a layoff policy for the City of Asheville.

Mayor McDevitt said members of Council were furnished copies of the resolution and it would not be read in its entirety.

Mayor McDevitt read the proposed policy to be attached to Resolution No. 84-187.

Upon motion of Councilman Frank, seconded by Councilman Price, Resolution No. 84-187 was unanimously adopted.

Complete text of Resolution No. 84-187 will be found in Resolution Book No. 15 at page 55 - 60 and 61 ℄

RESOLUTION NO. 84-188 - RESOLUTION AUTHORIZING THE MAYOR THE SIGN AN OPTION AGREEMENT FOR THE SALE OF LAND TO THE STATE OF NORTH CAROLINA

PUBLIC HEARING - REZONING PROPERTY LOCATED ON HAYWOOD ROAD

ORDINANCE NO. 1472 - AN ORDINANCE AMENDING ORDINANCE NO. 322 KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE" AS AMENDED, (REZONING PROPERTY LOCATED ON HAYWOOD ROAD)

4. A public hearing was held relative to rezoning property located on Haywood Road, requested by R & R Associates.

Mayor McDevitt said the Asheville Planning and Zoning Commission at its meeting on September 5 considered the rezoning of Ward 6, Sheet 1, Lot 291 from R-3 Residential District to CS Commercial Service District. After discussion, the Commission voted to recommend approval of the rezoning to City Council.

Mayor McDevitt opened the public hearing at 4:35 p.m.

The City Clerk presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said, the property requested to be rezoned is located on Haywood and is contiguous to a Commercial Service District. He said no reports have been presented in opposition to the rezoning.

Jan Grimes, Attorney for the Petitioner, spoke in support of the rezoning. He said R & R Associates proposes to construct a model home on the property.

After discussion, Mayor McDevitt closed the public hearing at 4:38 p.m.

Mayor McDevitt said members of Council were furnished copies of the ordinance and it would not be read in its entirety.

Councilman Boland moved for the adoption of Ordinance No. 1472. This motion was seconded by Councilman Bissette.

On a roll call vote of 6-0, Ordinance No. 1472 passed on first reading.

At the request of Attorney Jan Grimes, Councilman Boland moved to suspend the rules and proceed to the second reading of Ordinance No. 1472. This motion was seconded by Councilman Myers and carried on a voice vote of 5-1, with Councilman Price voting "no."

Mayor McDevitt said the Asheville Planning and Zoning Commission at its meeting on September 5 considered the rezoning of Ward 7, Sheet 15, Lots 85, 85-½, and 229 from R-3 Residential District to LI Light Industrial District. Staff pointed out that this property on Crayton Road has been underutilized for some time and there exists a potential at this time for use of the now vacant land. Also, the Asheville Chamber of Commerce lists this property as potential industrial property. After discussion, the Commission voted to recommend approval to City Council that Ward 7, Sheet 15, Lots 85, 229, and a portion of Lot 85-½ be rezoned to LI Light Industrial District. The Commission also recommends that a 40' buffer be provided and that a "No Left Turn" sign be placed on Crayton Road at the exit from the property.

Mayor McDevitt opened the public hearing at 4:20 p.m.

The City Clerk presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said this rezoning was considered by Council and the Planning and Zoning Commission in 1982. However, the request was withdrawn because a proposed developer for the property was not available, and the impact of the rezoning could not be ascertained. He said, during the last several months, the Planning Staff has worked with a proposed developer, Ingle/Mayflower, for development of the property. He said Ingle/Mayflower proposes to move to this location, since their building has been sold to the County. He said the Planning and Zoning Board recommended that a 40' buffer be provided for the residents on Liberty Street and that a "No Left Turn" sign be placed on Crayton Road at the exit from the property to negate vehicular traffic on Liberty Street and Washington Road. He said this would force traffic onto Crayton Road and Sweeten Creek Road. He said since Planning and Zoning's amended recommendation, there is only one protest, being from Mr. Roland who owns Lot 207. He said no written protest has been received.

Bill Moore, Attorney representing Smith/Mayflower spoke in support of the rezoning. He presented plans and drawings of the proposed building. He said the building would consist of 24,000 square feet which would include warehousing, storage, and office space. He said the total value of these improvements would be $500,000.00, increasing the tax base for the City. He said the property proposed to be rezoned abuts an LI zone, and ingress and egress from the property would be from a proposed interstate ramp on the western side of the property. He said approximately 14 vehicles per day would use the entrance and a "No Left Turn" sign could be put at Crayton Road which would be satisfactory to Smith/Mayflower. He said his clients could comply with the buffering recommended by the Planning and Zoning Commission. Upon inquiry of Council, Mr. Moore said construction of the building could begin in 60 days.

After discussion, Mayor McDevitt closed the public hearing at 4:31 p.m.

Mayor McDevitt said members of Council were furnished copies of the ordinance and it would not be read in its entirety.

Councilman Price moved for adoption of Ordinance No. 1471 as recommended by the Planning and Zoning Commission. This motion was seconded by Councilman Boland.

After discussion, Mayor McDevitt closed the public hearing at 4:58 p.m.

Councilman Price moved for the approval of the final plat of the "Hazelwood Subdivision" to be located on North Louisiana Avenue. This motion was seconded by Councilman Bissette and carried unanimously.

ORDINANCE NO. 1470 - AN ORDINANCE AMENDING SECTION 28-81.2(b), SECTION 28-81.4, AND SECTION 28-82 OF ARTICLE IV, SPEED REGULATIONS, OF CHAPTER 28 OF THE CODE OF ORDINANCES OF THE CITY OF ASHEVILLE (OTTARI ROAD)

6. Consideration was given to the second reading of Ordinance 1470, an ordinance amending section 28-81.2(b), Section 28-81.4, and Section 28-82 of Article IV, Speed Regulations, of Chapter 28 of the Code of Ordinances of the City of Asheville (Ottari Road).

Mayor McDevitt said this ordinance was previously read on first and second reading and would not be reread in its entirety unless there was a specific request to do so.

On a roll call vote of 6-0, Ordinance No. 1470 passed on second reading.

SCHEDULING PUBLIC HEARING

Councilman Price moved to schedule a public hearing relative to rezoning property located on Greenhill Avenue for October 23, 1984. This motion was seconded by Councilman Myers and carried unanimously.

CLAIMS - JERRY SHIPLEY (METER SERVICES) - WAYNE WILSON (METER SERVICES) - DAVID STANBY (POLICE)

The City Manager presented claims received from Jerry Shipley, Wayne Wilson, and David Stanby.

Mayor McDevitt referred the claims to the Corporation Counsel for investigation and recommendation.

ANNOUNCEMENT - RECEIPT OF UDAG GRANT AGREEMENT FOR SOUTH PACK SQUARE REDEVELOPMENT PROJECT

Mayor McDevitt announced that the City has received the grant agreement for UDAG funding for the South Pack Square Redevelopment Project. He said the staff and Council are in the process of reviewing the agreements and action would be taken on the execution of the agreement at the October 16, 1984, meeting.

On a roll call vote of 6-0, Ordinance No. 1472 passed on second reading.

CONTINUATION OF PUBLIC HEARING - FINAL PLAT OF "HAZELWOOD SUBDIVISION" - NORTH LOUISIANA AVENUE

5. A public hearing relative to the final plat of the proposed "Hazelwood Subdivision" to be located on North Louisiana Avenue continued.

Mayor McDevitt said at a meeting held on April 4, 1984, the Planning and Zoning Commission approved the preliminary plat of the "Hazelwood Subdivision" (then named Ashley Subdivision) to be located on North Louisiana Avenue. The plat was prepared by S. V. Griffith, R.L.S., for Frank McGahren and Walter Weiss, Developers, and submitted in accordance with Ordinance No. 424. The final plat meets all requirements of the subdivision ordinance, and the Planning and Zoning Commission recommends approval of the plat to the Asheville City Council. This public hearing was continued from the October 2, 1984, meeting.

Verl Emrick, Director of Planning, said the primary reason for the request to continue the public hearing at last weeks meeting was that he had been apprised of a situation, involving the proposed subdivision, that could have led to technical problems in violation of state laws relative to the transfer of property. However, in reviewing the situation, it was determined that the porperties had not been transferred, but options had been placed on lots in the proposed subdivision. He said, in addition, six mobile homes had been moved into the subdivision, prior to Council's approval. He said in the extra territorial zoning district, zoning permits are issued. He said it was also determined that the individuals that had moved the mobile homes on the lots were living in them, with only generator hook-ups and kerosene heaters. He said he took it upon himself to issue zoning permits to these homes prior to Council approval for safety precautions for the individuals. He said he talked with the developer, Mr. Weiss, and advised him that no other permits would be issued, and the Buncombe County Public Safety Department and Health Department were made aware of the situation. He said the final plat meets all requirements of the subdivision ordinance. He said the Planning and Zoning Commission only approved Phase I of the development. However, the developer has already started cutting roads in Phase II of the project, which is also in violation of the subdivision ordinance.

Mayor McDevitt noted that the action taken by the Planning Director in issuing the zoning permits, prior to approval, is not typical -- although done with humane concern -- and is a practice the City should not engage in.

Councilman Boland said he felt the action of the Planning Director sets a dangerous precedent for all parties concerned.

Mr. Walter Weiss said his actions as a developer were taken out of ignorance of the subdivision regulations and not intentional. He apologized for the Planning Director's embarrassment. He said, however, he has not violated any health or safety requirements. Upon inquiring of Council, Mr. Weiss said he presented the entire development to Planning and Zoning, and it was his opinion that Phase II had also been approved. He said since notified that this is not the case, he is moving forward to present Phase II for approval, and stated that no further development of Phase II would take place until approved by Council.

Tuesday - October 16, 1984 - 4:00 p.m.

Regular Meeting

Present: Mayor Larry McDevitt, Presiding; Vice-Mayor Wilhelmina Bratton; Councilmen Mary Lloyd Frank, Norma T. Price, Gordon Myers, and Walter R. Boland; Corporation Counsel William F. Slawter; City Manager Neal Creighton.; Associate City Manager/City Clerk William F. Wolcott, Jr..

Absent: Councilman Louis Bissette

INVOCATION

The invocation was given by Councilman Mary Lloyd Frank.

APPROVAL OF THE MINUTES - OCTOBER 9, 1984

1. Mayor McDevitt announced the approval of the minutes of the October 9, 1984 meeting as submitted.

RESOLUTION NO. 84-189 - RESOLUTION TO AUTHORIZE THE MAYOR TO SIGN ON BEHALF OF THE CITY OF ASHEVILLE A GRANT AGREEMENT WITH THE U.S. DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT FOR THE PACK PLAZA UDAG PROJECT

2. Consideration was given to a resolution to authorize the Mayor to sign on behalf of the City of Asheville a Grant Agreement with the U. S. Department of Housing and Urban Development for the Pack Plaza UDAG Project.

Mayor McDevitt said on May 9, 1984, the City received notification from the U. S. Department of Housing and Urban Development of Preliminary Approval for UDAG funding in the amount of $3,400,000 for the Pack Plaza Project. On October 3, 1984, the City received a Grant Agreement from HUD which sets forth specific terms and conditions of the grant. Execution of the Grant Agreement will obligate the grant funds for the project. Final approval for the project will be obtained only after all evidentiary material and other documents called for in the Grant Agreement have been submitted to and accepted by HUD.

Revenue to be appropriated on 10/16/84:	
General Revenue Sharing	300,000
Community Development	1,529,100
Buncombe County	660,000
Developer	56,000
UDAG	3,400,000
Project Revenue	1,000,000
Total Appropriation	6,945,100

Project will increase City tax base by approximately $10,135,000. Net increase of tax paid of City is estimated to be $79,107 annually, (includes property, sales and personal property tax)

Mayor McDevitt read the resolution.

RALPH BISHOP - LOTTERY SALES

Mr. Ralph Bishop again spoke to members of Council requesting that the new City Manager take action to prohibit the sale of lottery tickets in the City of Asheville.

ADJOURN TO EXECUTIVE SESSION

Councilman Myers moved to adjourn to Executive Session to discuss a personnel and real estate matter. This motion was seconded by Councilman Bissette and carried unanimously.

It was noted that Council would meet on Thursday, October 11, 1984, at 5:30 p.m. for a work session.

Larry McDevitt
MAYOR

William F. Maxwell Jr.
CITY CLERK

Mayor McDevitt said this ordinance was previously read on first and second reading and would not be reread in its entirety unless there was a specific request to do so.

On a roll call vote of 6-0, Ordinance No. 1471 passed on third reading.

PUBLIC HEARING - URBAN MASS TRANSPORTATION ADMINISTRATION - SECTION 9A, TECHNICAL STUDIES PLANNING GRANT

6. A public hearing was held relative to the submission of an application with the Urban Mass Transportation Administration, Section 9A, Technical Studies Planning Grant.

Mayor McDevitt said this public hearing will afford the citizens of Asheville an opportunity to express their opinion relative to the filing of an application for a Technical Studies Grant. The total amount of grant funds being applied for is $7,000; funded 80% by the federal, 10% by the state, and 10% local funding.

Mayor McDevitt opened the public hearing at 4:21 p.m.

The City Clerk presented the notice to the public, setting the time and date for the public hearing and the affidavit of publication.

Carl Owenby, with the Asheville Transit Authority, said this public hearing is a federal requirement for the receiving of Section 9A, Technical Studies Planning Grant funds.

Mayor McDevitt closed the public hearing at 4:24 p.m.

PUBLIC HEARING - PROPOSED ORDINANCE AMENDING CHAPTER 5 (ANIMALS AND FOWLS) OF THE CODE OF ORDINANCES OF THE CITY OF ASHEVILLE

7. A public hearing was held relative to a proposed ordinance amending Chapter 5 (animals and fowls) of the Code of Ordinances of the City of Asheville.

Mayor McDevitt said this ordinance will provide regulations for the keeping of animals and fowls in the City of Asheville. Council will receive public comments relative to the proposed ordinance, but will take no action on the ordinance at this meeting.

Corporation Counsel Slawter said this proposed ordinance would enlarge the approach to animal control in the City of Asheville. He said the main item in the proposed ordinance is provisions for nuisances relating to animals. He said most of the provisions in the existing dog control ordinance are being carried forward in this proposed ordinance. Mr. Slawter briefly outlined the provisions of the proposed ordinance.

Upon motion of Vice-Mayor Bratton, seconded by Councilman Price, Resolution No. 84-189 was unanimously adopted.

Complete text of Resolution No. 84-189 will be found in Resolution Book No. 15 at page 637.

PRESS RELEASE RELATIVE TO UDAG APPLICATION FOR PROPOSED WALL STREET PROJECT

Mayor McDevitt read a prepared press release statement stating that: "We have been notified unofficially by HUD, that the UDAG application for the proposed Wall Street Project has been rolled over until the November application period. There continues to be interest in this area by developers, and Council is in the process of considering whether or not to approve the roll over or to seek a new developer or both. As we have stated repeatedly, this is a lengthy process, and while we are disappointed, we are not surprised and will continue our efforts on this project.

PROCLAMATION - LEAGUE OF WOMEN VOTERS WEEK - OCTOBER 14-20, 1984

3. Mayor McDevitt read a proclamation proclaiming the week of October 14-20, 1984 as "League of Women Voters Week".

Mayor McDevitt presented the proclamation to Leah Carpen.

PROCLAMATION - UNITED NATIONS DAY - WEDNESDAY, OCTOBER 24, 1984

4. Mayor McDevitt read a proclamation proclaiming Wednesday, October 24, 1984 as "United Nations Day".

Mayor McDevitt presented the proclamation to Jan Ramsey.

ORDINANCE NO. 1471 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED (REZONING PROPERTY LOCATED ON CRAYTON ROAD)

5. Consideration was given to the third reading of Ordinance No. 1471, an ordinance amending Ordinance No. 322, known as "An ordinance providing for the zoning of the City of Asheville," as amended (rezoning property located on Crayton Road).

Mayor McDevitt said the Asheville Planning and Zoning Commission at its meeting on September 5, considered the rezoning of Ward 7, Sheet 15, Lots 85, 85½, and 229 from R-3 Residential District to LI Light Industrial District. Staff pointed out that this property on Crayton Road has been underutilized for some time and there exists a potential at this time for use of the now vacant land. Also, the Asheville Chamber of Commerce lists this property as potential industrial property. After discussion, the Commission voted to recommend approval to City Council that Ward 7, Sheet 15, Lots 85, 229, and a portion of Lot 85½ be rezoned to LI Light Industrial District. The Commission also recommends that a 40' buffer be provided and that a "No Left Turn" sign be placed on Crayton Road at the exit from the property. This ordinance was read on first and second reading on October 9, 1984.

for an animal control officer should be well thought out. She said it should be someone who is concerned about animals and qualified. She said the Buncombe County Humane Society would be glad to provide suggested qualifications for the animal control officer. She said strong enforcement is needed for the investigation of cruelty to animals. She suggested that pet ID tags be required for dogs, and a collar or tatoo mark for dogs and cats.

Janice Willard of Norwood Park spoke in support of the ordinance citing problems she is having with dogs on her rental property.

Mr. Felkel of 135 Virginia Avenue spoke in support of the ordinance, stating that he was having problems with a dog tied close to his sleeping quarters.

Mr. Louis Bryan of 15 Tanglewood Drive also spoke in support of the ordinance, stating that he felt this would eliminate many problems in his neighborhood.

Ruth Bullock of Norwood Park also spoke in support of the ordinance, stating that an ordinance should be passed that no cats or dogs be allowed in a heavily populated residential neighborhood.

Nancy Allsworth of 149 Dunwell Avenue said she felt the proposed ordinance would alleviate a lot of their problems in their neighborhood.

Upon inquiry of Mrs. Allsworth, Mayor McDevitt said the provisions in the ordinance would not permit an animal control officer to go inside a residence to investigate dogs, without an administrative search warrant.

Henry Allsworth of 149 Dunwell Avenue also spoke in support of the ordinance.

Mr. Tom Gardner of Dunwell Avenue, spoke in support of the ordinance and requested that the ordinance not allow a grandfather clause.

Mayor McDevitt closed the public hearing at 5:44 p.m.

Mayor McDevitt noted that all comments would be taken under consideration and any comments individuals wish to send in would be considered prior to adoption of the ordinance.

RALPH BISHOP - COMMENTS - RELATIVE TO RESOLUTION NO. 84-189 - DIRECTING ATTENTION TO THE CITY OF ASHEVILLE

Ralph Bishop spoke in opposition to Resolution No. 84-189, particularly with Council exercising eminent domain and then giving the property to a developer.

Mr. Bishop also spoke to members of Council relative to Councilman Boland's trip to Pittsburgh, stating that all Council members should direct their attention to the City of Asheville, rather than other cities and towns.

Mr. T. V. Harris spoke in support of the ordinance, stating that Council needs to take some action for animal control in the City.

Mr. Wilson with the SPCA in Black Mountain requested that several sections of the proposed ordinance be amended. He said individuals should not be allowed to take their neighbor's dog to the shelter, and this portion of the ordinance should be deleted. He said the animal control officers should have the full responsibility for animal control.

Upon inquiry of Corporation Counsel Slawter, Mr. Wilson agreed that an individual could restrain a neighbor's animal until an Animal Control Officer arrived.

A discussion was held with Mr. Wilson relative to State laws on neglect and abuse of animals.

Mr. Robert L. McClure, 22 Westgate Road, spoke in support of the ordinance. He said he felt the proposed ordinance would eliminate a problem in his neighborhood with an attack dog training center.

Mr. William Darden of 20 Springside Drive, said he and his wife sometimes have 50 or more homeless and wounded cats on their property. He criticized Council for not consulting a veterinarian before creating an ordinance limiting pet owners to no more than six cats on their property. He said this is their hobby, and they would move out of the City if the ordinance is approved. He requested that the ordinance be amended to include a grandfather clause. He also requested that the ordinance address that no animal picked up and taken to the animal shelter will be sold for medical experiments. He said it is his understanding that the Buncombe County Animal Shelter sells animals for medical experiments. He requested a copy of any petitions presented to the members of Council relative to his keeping of cats on Springside Drive.

Councilman Frank advised Mr. Darden that he could comply with the ordinance in keeping more than six cats, if he obtains a permit and complies with all requirements.

Mayor McDevitt informed Mr. Darden that members of Council have not received copies of any petitions relative to his cats on Springside Drive.

Mr. Jack Nelson of I Sanford Drive, spoke in support of the ordinance, stating that the proposed ordinance would eliminate problems in his neighborhood.

Mr. Walker of 50 Merchant Street also spoke in support of the ordinance, citing problems in his neighborhood.

Janet Jackson, President of the Buncombe County Humane Society, spoke in support of the ordinance, stating that strong enforcement should be given to the nuisance provision. She requested that the City hire additional manpower for enforcement of the ordinance. She suggested that the ordinance provide for license requirements for cats neutered and unneutered, providing for a larger fee for unneutered cats. She said that qualifications

Mayor McDevitt said this budget ordinance will establish a budget in the Planning Department to carry out the Fiscal 1984-85 Transportation Planning Program, as amended. This budget amendment in the amount of $47,825 will provide an appropriation for the Planning Department to carry out Fiscal 1984-85 Planning Work Program for Transportation Planning. Funding is provided by Federal and State Transportation Funds.

Mayor McDevitt said members of Council were furnished copies of the ordinance and it would not be read in its entirety.

Councilman Price moved for the adoption of Ordinance No. 1475. This motion was seconded by Councilman Frank.

On a roll call vote of 6-0, Ordinance No. 1475 passed on first and final reading.

5. Consideration was given to a resolution of appreciation to the North Carolina Court of Appeals.

Mayor McDevitt read the resolution stating that the North Carolina Court of Appeals is currently in Asheville hearing appeals from Western North Carolina. He said this is a great convenience and cost saver for those of our citizens who have appeals pending before the Court. He said this resolution expresses thanks to the North Carolina Court of Appeals for holding some of its sessions in Asheville and requests the Court to hold additional sessions in Asheville in the future.

Upon motion of Councilman Boland, seconded by Councilman Bissette, Resolution No. 84-193 was unanimously adopted.

Complete text of Resolution No. 84-193 will be found in Resolution Book No. 15 at page 62. 68 K

PUBLIC HEARING - CLOSING UNOPENED PORTION OF LYMAN STREET

RESOLUTION NO. 84-194 - RESOLUTION TO CLOSE A PORTION OF LYMAN STREET IN THE CITY OF ASHEVILLE, NORTH CAROLINA

6. A public hearing was held relative to closing an unopened portion of Lyman Street.

Mayor McDevitt opened the public hearing at 4:21 p.m.

The City Clerk presented the notice to the public, setting the time and date for the public hearing and the affidavit of publication.

Councilman Frank indicated that Council has requested the City Manager to look into the policemen's plan, and to recommend an equitable plan for the future, taking into consideration that the State is combining the LEGRS and LEO retirement plans.

Captain Harold Brownlee, retired police officer, also spoke in support of additional benefits for the retired police officers.

Councilman Myers said Council has a moral obligation to help those people that are getting the least benefits. He also indicated that Council should adopt an overall plan for the retired police officers for the future.

Upon inquiry of Mayor McDevitt, Corporation Counsel Slawter said, in his opinion, there would not be a conflict of interest for Mayor McDevitt voting on this issue because of one of the recipients being his aunt.

Councilman Price moved for the adoption of Ordinance No. 1477. This motion died for the lack of a second.

Councilman Myers moved to adopt a budget ordinance amendment in a sum equal to that which was paid last year, the best information is that the amount is approximately 37,750, whatever that figure is after we review our records, and that the distribution of that amount be in a manner similiar to the method and amount of distribution that was used last year, with reference to these retirees and survivors. This motion was seconded by Councilman Boland.

After Discussion, Councilman Myers motion failed on a roll call vote of 5-2, with Councilman Boland and Councilman Myers Voting "Aye".

Councilman Bissette said he would support a budget amendment allocating 5% of the total current benefits to all recipients, which he understands is approximately $32,000, with the distribution scheduled to be similar to last year.

Councilman Frank moved to adopt a budget ordinance amendment equal to 5% of the current total benefits paid to all receipents, under the Police Pension plan assuming that figure is approximately $32,000, and that Council decide, at a later date, the distribution plan, with the distribution being weighted giving preference to those reciepents making less money. This motion was seconded by Councilman Bissette.

On a roll call vote of 7-0, Ordinance No. 1477 passed on first reading.

ORDINANCE NO. 1478 - BUDGET ORDINANCE AMENDMENT TO SET OFF REVENUE AND APPROPRIATION FOR A UDAG LOAN TO MAGNETICS INTERNATIONAL

10. Consideration was given to a budget ordinance amendment to set off revenue and appropriation for a UDAG loan to Magnetics International.

Mayor McDevitt said this amendment will set off revenue and appropriation for UDAG Loan to Magnetics International in the amount of $1,205,000. This action appropriates funds for a UDAG loan for a $7.8 million dollar project by Magnetics International which will improve the City's tax base and provide 121 permanent jobs.

Mayor McDevitt opened the public hearing at 4:34 p.m.

The City Clerk presented the notice to the public, setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said the Asheville Planning and Zoning Commission at its meeting held on October 3, 1984, recommended approval of the rezoning, subject to a 50' buffer strip. He said since the Planning and Zoning Commission's recommendation, he received a letter from Wayne Edwards, President of Western Steer Corporation, requesting that the 50' buffer strip be reduced to a 25' buffer strip. He said Western Steer intends to buy the property for additional parking space. He said the 25' buffer would give them at least 10 more parking spaces.

Mr. Wayne Edwards with Western Steer Corporation spoke in support of the rezoning, requesting that the buffer be reduced to 25'. He said they would be willing to plant a buffer of white pines along this buffer strip.

After discussion, Mayor McDevitt closed the public hearing at 4:44 p.m.

After discussion relative to the buffer requirements, Councilman Frank moved to continue consideration of the ordinance until October 30, 1984, giving staff an opportunity to amend the ordinance to reflect Council's intention of adopting the ordinance with the provision that a 25' buffer strip be provided on the northern portion of Lot No. 12, and that adequate buffering be provided on the eastern protion of Lot No. 12, and with the provision that the 25' buffer strip remain zoned R-3 Residential District. This motion was seconded by Councilman Price and carried unanimously.

ORDINANCE NO. 1477 - BUDGET ORDINANCE AMENDMENT TO PROVIDE FUNDING FOR A PAYMENT TO RETIRED POLICE OFFICERS

9. Consideration was given to a budget ordinance amendment to provide funding for a payment to retired police officers.

Mayor McDevitt said this ordinance will set up a separate appropriation for a payment to retired police officeres and survivors. Total cost of 1984/85 supplement to retired and disabled members and survivors of the Asheville Police Pension & Disability Fund is $18,875 which will be provided by use of the General Fund contingency.

Mayor McDevitt said members of Council were furnished copies of the ordinance and it would not be read in its entirety.

Captain John Best, retired police officer, said the retired police officers requested a cost of living increase and they did not request a lump sum payment as is proposed.

Mayor McDevitt said the proposed budget amendment would provide a lump sum payment to retired police officers and survivors currently making $600 or less. He said the distribution plan for the lump sum payment would be similar to last year's plan.

Vice-Mayor Bratton said she would support a five percent (5%) lump sum payment to all retired police officers and survivors.

RESOLUTION NO. 84-203 - RESOLUTION AUTHORIZING THE CITY MANAGER TO SIGN AN AGREEMENT WITH FREDRICKSON MOTOR EXPRESS CORPORATION FOR THE PURPOSE OF LEASING SPACE ON THE CITY'S RADIO TOWER AT PEACH KNOB

6. Consideration was given to a resolution authorizing the City Manager to sign an agreement with Fredrickson Motor Express Corporation for the purpose of leasing space on the City's radio tower at Peach Knob.

Mayor McDevitt said the City of Asheville owns and operates a two-way FM radio system. Frederickson Motor Express Corporation desires to lease space from the City on part of its system at Peach Knob, for the purpose of establishing a radio communications network. The City of Asheville and Fredrickson Motor Express Corporation have mutually agreed to the conditions for such a lease.

This agreement will generate revenues for the City of Asheville in the amount of $1,200.00 annually. It will cost approximately $8.00 per month for electrical service.

Mayor McDevitt said members of Council were furnished copies of the resolution and it would not be read in its entirety.

Upon motion of Councilman Frank, seconded by Councilman Myers, Resolution No. 84-203 was unanimously adopted.

Complete text of Resolution No. 84-203 will be found in Resolution Book No. 15 at page 72, 71 X

PRESENTATION BY KENILWORTH RESIDENTS ASSOCIATION

7. Mayor McDevitt said members of Council were furnished a copy of a "Kenilworth Report" by the Kenilworth Residents Association several months ago.

Augusta Young, President of the Kenilworth Residents Association, introduced Mr. Bill Moore, Past President of the Association, who presented Council with the official report of the Kenilworth Residents Association. He said this report is a result of a great deal of effort on the part of the residents of the Kenilworth area to deal with the community's progress and development in the future. He said the residents would like for Council to accept their report and use it for future guidance in dealing with Kenilworth matters. He also requested that a copy of the Kenilworth report be transmitted to the Planning and Zoning Commission requesting that they also use this as a guideline in dealing with Kenilworth area matters.

Mayor McDevitt thanked the Kenilworth Residents Association for their report. He said the report had been submitted to the staff for review and that a special work session of Council would be held to review the report in depth.

He said the Council work session would be held on December 13, 1984 at 5:30 p.m. in the Council Conference Room.

Upon inquiry of Mr. Moore, Mayor McDevitt said he felt members of Council could address individual concerns in the report after the work session by members of Council. He said he anticipated that Council should have some concrete answers by the first of the year.

Mayor McDevitt said the Asheville Planning and Zoning Commission at a meeting held October 3, 1984, considered the request of the West Asheville Medical Center that Ward 5, Sheet 19, Portion of Lot 12, be rezoned from R-3 Residential District to CH Commercial Highway District. The property is located on Greenhill Avenue. After review and discussion, the Commission voted to recommend to City Council that Ward 5, Sheet 19, Portion of Lot 12, be rezoned from R-3 Residential District to CH Commercial Highway District. This ordinance was considered on October 16, 1984, and action was postponed until October 30.

Verl Emrick, Director of Planning, said the ordinance had been amended to reflect Council's intention of adoption of the ordinance with buffering requirements.

Councilman Boland moved for the adoption of Ordinance No. 1480. This motion was seconded by Councilman Frank.

On a roll call vote of 6-0, Ordinance No. 1480 passed on first reading.

Councilman Boland moved to suspend the rules and proceed to the second reading of Ordinance No. 1480. This motion was seconded by Councilman Myers and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1480 passed on second reading.

RESOLUTION NO. 84-202 - RESOLUTION AUTHORIZING THE CITY MANAGER TO SIGN AN AGREEMENT WITH ANSEL'S REFRIGERATION COMPANY FOR THE PURPOSE OF LEASING SPACE ON THE CITY'S RADIO TOWER AT PEACH KNOB

5. Consideration was given to a resolution authorizing the City Manager to sign an agreement with Ansel's Refrigeration Company for the purpose of leasing space on the City's radio tower at Peach Knob.

Mayor McDevitt said the City of Asheville owns and operates a two-way FM radio system. Ansel's Refrigeration Company desires to lease space from the City on part of its system at Peach Knob, for the purpose of establishing a radio communications network. The City of Asheville and Ansel's Refrigeration Company have mutually agreed to the conditions for such a lease.

This contract will generate approximately $1,200.00 annually in revenue for the City. The City will provide electrical service for the transmitter at a cost of approximately $8.00 per month.

Mayor McDevitt said members of Council were furnished copies of the resolution and it would not be read in its entirety.

Upon motion of Councilman Boland, seconded by Councilman Price, Resolution No. 84-202 was unanimously adopted.

Complete text of Resolution No. 84-202 will be found in Resolution Book No. 15 at page 71, 77 ~~71~~.

A discussion was held relative to the qualifications for the animal control officers. Councilman Price requested that the Buncombe County Humane Society submit their suggestions for qualifications of an Animal Control Officer to the City Manager.

Councilman Boland requested that the Corporation Counsel determine the feasibility of including in the ordinance a provision that animals cannot be sold or given for medical experiments.

Mayor McDevitt said members of Council were furnished copies of the ordinance and it would not be read in its entirety.

Councilman Price moved for the adoption of Ordinance No. 1481. This motion was seconded by Councilman Boland.

On a roll call vote of 6-0, Ordinance No. 1481 passed on first reading.

Councilman Boland also requested that the Corporation Counsel consider including in the ordinance a provision relative to cruelty to animals.

SALE OF DISPOSAL PARCEL NO. 38 - DISPOSAL PARCEL NO. 174

10. Consideration was given to a motion approving the sale of Disposal Parcel No. 38 in the East End/Valley Street Community Improvement Area and Disposal Parcel No. 174 in the East Riverside Renewal Project.

Mayor McDevitt said the Housing Authority has tentatively accepted the following bids for Disposal Parcel No. 38 in the East End/Valley Street Community Improvement Area and Disposal Parcel No. 174 in the East Riverside Renewal Project:

Reuse	Price	Bid	Redeveloper
East End/Valley St./ Residental	300.00	300.00	Tommie & Elizabeth White
East Riverside/ Residental	2,200.00	2,200.00	Ketery Woods

Lot 38 is located at the intersection of Martin Luther King, Jr. Drive and South Charlotte Street. It is a residental lot sale to an adjacent property owner to provide additional parking space for a proposed nursery.

Lot 174 is a residental lot sale for a single-family structure under the Incentive Housing Program and is located on Congress Street.

Councilman Boland moved to approve the sale of Disposal Parcel Nos. 38 and 174 as recommended by the Housing Authority. This motion was seconded by Councilman Frank and carried unanimously.

BIDS - BULK SODIUM CHLORIDE (ROCK SALT) FOR SNOW AND ICE CONTROL

11. Consideration was given for bulk sodium chloride (rock salt) for snow and ice control.

ORDINANCE NO. 1479 - AN ORDINANCE AMENDING ORDINANCE NO. 1226 REGARDING DOG LICENSE TAX

8. Consideration was given to the second reading of Ordinance No. 1479, an ordinance amending Ordinance No. 1226 regarding dog license tax.

Mayor McDevitt said this ordinance will change the licensing schedule for registering dogs. He said the ordinance was read on first reading on October 23, 1984.

At the request of the Corporation Counsel, Councilman Price moved to amend Ordinance No. 1479 to include the following "provided, however, that the owner or keeper of each dog which becomes subject to registration on or after July 1 of each calendar year, shall be charged a registration fee which is one-half of the schedule." This motion was seconded by Councilman Bissette and carried unanimously.

Upon inquiry of a citizen, referring to spayed and unspayed animals, Corporation Counsel Slawter said the dog licensing tax is collected through the Property Tax Division and included on the form is a statement signed by the property owners stating that the information is true and correct.

Mayor McDevitt said he was concerned that the license schedule fee is too high and would result in more unlicensing of dogs.

Mayor McDevitt said it was his understanding that the Buncombe County Humane Society had researched the licensing schedules for dog registrations. He requested that the City Manager obtain that information from the Buncombe County Humane Society. He said he would like to know what communities the Buncombe County Humane Society reviewed, how the community registers dogs, and what licensing structure they have.

Mayor McDevitt said this ordinance was previously read on first reading and would not be reread in its entirety unless there was a specific request to do so.

On a roll call vote of 5-1, Ordinance No. 1479 passed on second reading, with Mayor McDevitt voting "no."

ORDINANCE NO. 1481 - AN ORDINANCE AMENDING CHAPTER 5 (ANIMALS AND FOWLS) OF THE CODE OF ORDINANCES OF THE CITY OF ASHEVILLE

9. Consideration was given to an ordinance amending Chapter 5 (Animals and Fowls) of the Code of Ordinance of the City of Asheville.

Mayor McDevitt said this ordinance will provide regulations for keeping of animals and fowls in the City of Asheville. Public comments were received relative to this proposed ordinance on October 16, 1984.

It is anticipated that additional manpower will be required for the enforcement of this ordinance.

Mayor McDevitt noted the changes that had been made in the proposed ordinance since the public hearing date of October 16, 1984. He said Council's main objective in adoption of this ordinance is to address problems caused by certain animals in the City of Asheville.

Upon motion of Councilman Frank, seconded by Councilman Boland, Resolution No. 84-204 was unanimously adopted.

Complete text of Resolution No. 84-204 will be found in Resolution Book No. 15 at page 79, 79 ~~9~~

RESOLUTION NO. 84-205 - RESOLUTION AUTHORIZING THE MAYOR TO SIGN AN AGREEMENT BETWEEN THE CITY OF ASHEVILLE, THE COUNTY OF BUNCOMBE, AND THE BUNCOMBE COUNTY BOARD OF TAX SUPERVISION FOR THE PURPOSE OF TRANSFERRING THE ASSETS OF THE BOARD TO BUNCOMBE COUNTY

13. Consideration was given to a resolution authorizing the Mayor to sign an agreement between the City of Asheville, the County of Buncombe, and the Buncombe County Board of Tax Supervision for the purpose of transferring the assets of the Board to Buncombe County.

Mayor McDevitt said members of Council were furnished copies of the resolution and it would not be read in its entirety.

Corporation Counsel Slawter read the resolution stating that the Buncombe County Board of Tax Supervision is the owner of various properties and assets held in connection with, pertaining to or derived from taxes or assessments due the City, the County, or political subdivisions thereof. He said Chapter 1279 of the 1981 North Carolina Session Laws dissolved the Buncombe County Board of Tax Supervision effective November 6, 1984. He said the County of Buncombe has agreed to carry out the responsibilities of said Board. He said it is necessary to transfer the assets of said Board and all records pertaining thereto for purposes of securing the records of said Board and otherwise carrying out the responsibilities as the same relates to the collection of taxes and such other actions as previously granted to the Board. He said this resolution would authorize the Mayor to sign an agreement between the City of Asheville, the County of Buncombe, and the Buncombe County Board of Tax Supervision for the purpose of transferring assets of the Board to Buncombe County.

Upon motion of Councilman Price, seconded by Councilman Boland, Resolution No. 84-205 was unanimously adopted.

RESOLUTION NO. 84-206 - RESOLUTION AUTHORIZING THE MAYOR TO SIGN A CONTRACT FOR FIRE PROTECTION SERVICES WITH THE VETERANS ADMINISTRATION MEDICAL CENTER AT OTEEN

14. Consideration was given to a resolution authorizing the Mayor to sign a contract for fire protection services with the Veterans Administration Medical Center at Oteen.

Mayor McDevitt read the resolution stating that this would authorize him to sign an agreement with the Veterans Administration Medical Center to provide fire protection services to the VA Hospital through December 31, 1984.

Upon motion of Councilman Price seconded by Councilman Frank, Resolution No. 84-206 was unanimously adopted.

Complete text of Resolution No. 84-206 will be found in Resolution Book No. 15 at page 81, 81 ~~9~~

Mayor McDevitt said sealed bids were received for a term purchase contract to furnish the City's requirements for bulk sodium chloride for snow and ice control for the Winter of 1984-85. Five bids were received. Recommendation was to award the bid to the low bidder, Domtar Industries, Inc., Sifto Salt Division for an estimated contract amount of $21,300. Purchases will be made as required.

The funds for this project are currently budgeted in the Public Works Department operating budget.

The City Clerk presented the Bid Summary Sheet which included:

Bidder	Bid
Domtar Industries, Inc.	$21,300.00
International Salt Company	$21,540.00
Morton Salt Company	$22,230.00
Diamond Crystal	$25,440.00
Cargill Salt Company	$28.860.00

Councilman Frank moved to approve the bid of Domtar Industries, Inc., Sifto Salt Division for bulk sodium chloride (rock salt) for snow and ice control for the Winter of 1984-85. This motion was seconded by Councilman Price and carried unanimously.

SCHEDULING PUBLIC HEARING - AMENDING ZONING ORDINANCE RELATIVE TO KENNELS

12. Councilman Price moved to schedule a public hearing relative to amending the Zoning Ordinance to provide the definition of kennels to the ordinance and prohibiting kennels in all residential zones within the jurisdiction of the ordinance for November 13, 1984. This motion was seconded by Councilman Bissette and carried unanimously.

RESOLUTION NO. 84-204 - RESOLUTION AUTHORIZING THE MAYOR ON BEHALF OF THE CITY OF ASHEVILLE TO EXECUTE AN AGREEMENT AMENDING THE LEASE SIGNED BETWEEN THE CITY OF ASHEVILLE AND BRUCE C. JONES AND WIFE, MARTHA G. JONES

13. Consideration was given to a resolution authorizing the Mayor on behalf of the City of Asheville to execute an agreement amending the lease signed between the City of Asheville and Bruce C. Jones and wife, Martha G. Jones.

Mayor McDevitt said members of Council were furnished copies of the resolution and it would not be read in its entirety.

City Attorney, William Slawter read the resolution stating that the City of Asheville executed an agreement with Bruce and Martha Jones for the lease of a parking lot on property owned by the Jones at the corner of Eagle Street and Biltmore Avenue. The parcel within this parking lot is located as part of the Pack Plaza Redevelopment Plan. The City of Asheville has contracted the Housing Authority of the City of Asheville to implement the Pack Plaza Redevelopment Plan by acquisition of those parcels within the redevelopment plan. The City of Asheville desires to further the acquisition process of this parcel by amending the lease agreement with Bruce and Martha Jones. He said this resolution will authorize the Mayor to sign an amendment to the lease agreement for the property located at the intersection of Biltmore Avenue and Eagle Street to provide that either party may terminate the lease upon ten days notice.

ADJOURNMENT TO EXECUTIVE SESSION

Councilman Boland moved to adjourn to Executive Session to discuss a legal matter. This motion was seconded by Councilman Bissette and carried unanimously.

Larry McDevitt
MAYOR

William F. Malsbury
CITY CLERK

In response to Councilmembers, Corporation Counsel Slawter said he had checked with the Buncombe County Animal Shelter, and not only do they themselves not sell animals or dispose of them for experimental purposes, they are not aware of any use such as that being made by people who redeem any animals from the Pound in the normal course of activities. They do not specifically have any limiting provisions anymore than they limit a child who comes in and redeems a puppy. They do have a policy that they would not allow redemption of animals if they knew they were going to be used for experimental purposes.

Upon inquiry of a citizen, Mayor McDevitt said the provisions for kennels in residential areas would be dealt with during a public hearing on November 13, 1984.

On a roll call vote of 7-0, Ordinance No. 1481 passed on second reading, as amended.

SCHEDULING PUBLIC HEARING - PACK PLAZA REDEVELOPMENT PROJECT

6. Councilman Price moved to schedule a public hearing relative to the site plan of the proposed Pack Plaza Redevelopment Project for November 27, 1984.

This motion was seconded by Councilman Myers and carried unanimously.

RESOLUTION NO. 84-207 - RESOLUTION AUTHORIZING THE CITY MANAGER TO HAVE THE AUTHORITY TO ANNUALLY RENEW A MEMORANDUM OF UNDERSTANDING BY AND BETWEEN THE CITY OF ASHEVILLE AND THE NORTH CAROLINA DEPARTMENT OF TRANSPORTATION PERTAINING TO SNOW AND ICE CONTROL ON CERTAIN STATE SYSTEM STREETS

Consideration was given to a resolution authorizing the City Manager to have the authority to annually renew a Memorandum of Understanding by and between the City of Asheville and the North Carolina Department of Transportation pertaining to snow and ice control on certain State System streets.

Mayor McDevitt read the resolution, stating that Resolution No. 80-192 authorizing the City Manager to execute a Memorandum of Understanding between the City of Asheville and the North Carolina Department of Transportation as to which State System streets the City would assume responsibility for snow and ice control and the methods by which the North Carolina Department of Transportation would reimburse the City for materials used in performing snow and ice control on the specific streets. The Memorandum of Understanding provided that it is renewable by mutual agreement between the City of Asheville and the North Carolina Department of Transportation on an annual basis. Resolution No. 80-192 did not authorize the City Manager to execute annual renewals of Memorandums of Understanding. This resolution will authorize the City Manager to determine on an annual basis whether the Memorandum of Understanding between the City of Asheville and North Carolina Department of Transportation for the City to perform snow and ice control on certain State System streets, and it will authorize him to execute the appropriate documents to renew the Memorandum of Understanding.

Upon motion of Councilman Frank, seconded by Councilman Boland, Resolution No. 84-207 was unanimously adopted.

Complete text of Resolution No. 84-207 will be found in Resolution Book No. 15 at page 76.

ORDINANCE NO. 1480 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED - (REZONING PROPERTY LOCATED ON GREENHILL AVENUE (WEST ASHEVILLE MEDICAL CENTER PETITION)

4. Consideration was given to a third reading of Ordinance No. 1480, an ordinance amending Ordinance No. 322, known as "An ordinance providing for the zoning of the City of Asheville," as amended, rezoning property located on Greenhill Avenue, requested by the West Asheville Medical Center.

Mayor McDevitt said the Asheville Planning and Zoning Commission at a meeting held October 3, 1984, considered the request of the West Asheville Medical Center that Ward 5, Sheet 19, Portion of Lot 12, be rezoned from R-3 Residential District to CH Commercial Highway District. The property is located on Greenhill Avenue. After review and discussion, the Commission voted to recommend to City Council that Ward 5, Sheet 19, Portion of Lot 12, be rezoned from R-3 Residential District to CH Commercial Highway District. This ordinance was considered on October 16, 1984, and action was postponed until October 30. This ordinance was read on first and second reading on October 30, 1984.

Mayor McDevitt said this ordinance was previously read on first and second reading and would not be reread in its entirety unless there was a specific request to do so.

On a roll call vote of 7-0, Ordinance No. 1480 passed on third and final reading.

Complete text of Ordinance No. 1480 will be found in Ordinance Book No. 10 at page ~~231.~~ 196 and 197

ORDINANCE NO. 1481 - AN ORDINANCE AMENDING CHAPTER 5 (ANIMALS AND FOWLS) OF THE CODE OF ORDINANCES OF THE CITY OF ASHEVILLE

5. Mayor McDevitt said this ordinance will provide regulations for keeping of animals and fowls in the City of Asheville. Public comments were received relative to the proposed ordinance on October 16, 1984. This ordinance was read on first reading on October 30, 1984. It is anticipated that additional manpower will be required for the enforcement of this ordinance.

Mayor McDevitt said this ordinance was previously read on first reading and would not be reread in its entirety unless there was a specific request to do so.

Councilman Price moved to amend Section 5-2 (8) of Ordinance No. 1481 to read as follows: "Kennel - any premises wherein any person engages in the business of boarding, breeding, buying, letting for hire, training for a fee, or selling dogs or cats. A kennel shall constitute the keeping of the seven (7) or more dogs or cats on the same premises without a current written permit issued pursuant to Chapter 5, Article 5, Section 5-9 of the Code of Ordinances." This motion was seconded by Councilman Frank and carried unanimously.

Mayor McDevitt said members of Council were furnished copies of the resolution and it would not be read in its entirety.

Upon motion of Councilman Bissette, seconded by Councilman Frank, Resolution No. 84-210 was unanimously adopted.

Complete text of Resolution No. 84-210 will be found in Resolution Book No. 15 at page 79. 15 9

By the use of a map, Mr. Emrick showed the location of the proposed project. He said the Planning and Zoning Commission expressed interest in erosion control of the project. He said they recommended approval of the project subject to compliance with the Erosion Control Ordinance. He said the Fire Department requested that water supply for the project be provided by an eight-inch line, and that an additional fire hydrant be provided. He said the Commission also addressed access to the project. He said it was recommended that Windswept Road from the new road to the paved portion be paved. He said, at present, the City does not have a right-of-way for this road. He said Grover Redmond, owner of the property, said he would dedicate the property, and would grant a right-of-way for the opening of this road. He said the developers have requested that the City share in the cost of opening this road.

Upon inquiry of Mayor McDevitt, Mr. Emrick said the approval of the site plan for the "Wind in the Oaks Condominiums" project is not contingent upon this right-of-way being granted or the road being opened. He said the staff felt the area could accommodate additional units. However, it would be preferable to have two entrances to the project. Mr. Emrick, in addressing erosion control, said the developer plans to have water run-off come off of the internal system to the northern portion of the property.

Mr. Tom West, a resident in the area, said the residents would prefer an entrance at the existing intersection.

David Matney, Attorney for the developer, spoke in support of the project, and also addressed the need for an entrance at the existing intersection.

Mayor McDevitt noted that if Council approves the site plan, the developer should not in any way assume that Council will participate in any road construction in the area.

After discussion, Mayor McDevitt closed the public hearing at 4:33 p.m.

Councilman Boland moved to approve the site plan of the proposed "Wind in the Oaks Condominiums" to be located off Windswept Drive subject to compliance with the Erosion Control Ordinance. This motion was seconded by Councilman Frank and carried unanimously.

PUBLIC HEARING - AMENDING ZONING ORDINANCE RELATIVE TO KENNELS

ORDINANCE NUMBER 1482 - AN ORDINANCE AMENDING APPENDIX A (ZONING) OF THE CODE OF ORDINANCES OF THE CITY OF ASHEVILLE

4. A public hearing was held relative to amending the Zoning Ordinance known as "An ordinance providing for the zoning for the City of Asheville, as amended," relative to kennels.

Mayor McDevitt said this amendment will add the definition of a kennel to Section 30-2-1 and prohibit kennels in R-1 through R-5 Residential District.

Mayor McDevitt opened the public hearing at 4:34 p.m.

The City Clerk presented the notice to the public, setting the time and date for the public hearing and the affidavit of publication.

Corporation Counsel Slawter said it had become necessary to include the definition of kennels in several ordinances that are presently in effect.

Upon motion of Councilman Price, seconded by Councilman Frank, Resolution No. 84-213 was unanimously adopted.

Complete text of Resolution No. 84-213 will be found in Resolution Book No. 15 at page 82.

RESOLUTION NO. 84-214 - RESOLUTION ABANDONING SOUTH CHARLOTTE STREET AS A CITY SYSTEM STREET PURSUANT TO A REQUEST BY THE NORTH CAROLINA DEPARTMENT OF TRANSPORTATION

9. Consideration was given to a resolution abandoning South Charlotte Street as a City System Street pursuant to a request by the North Carolina Department of Transportation.

Mayor McDevitt said South Charlotte Street was formerly Valley Street. The North Carolina Department of Transportation has officially completed the Valley Street Project. That portion of Old Valley Street which is now known as South Charlotte Street should become a state system street. There will be a reduction in expenditures for street maintenance as well as a reduction in revenues from Powell Bill. The reductions will be near the same so no positive or negative effect should occur.

Mayor McDevitt said members of Council were furnished copies of the resolution and it would not be read in its entirety.

Upon motion of Councilman Frank, seconded by Councilman Price, Resolution No. 84-214 was unanimously adopted.

RESOLUTION NO. 84-215 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE A NOTICE OF INTENT WITH THE NORTH CAROLINA DEPARTMENT OF ADMINISTRATION, STATE DIVISION OF PURCHASE AND CONTRACT, FOR PARTICIPATION IN THE NORTH CAROLINA STATE CONTRACT FOR TIRES AND TUBES

10. Consideration was given to a resolution authorizing the Mayor to execute a Notice of Intent with the North Carolina Department of Administration, State Division of Purchase and Contract, for participation in the North Carolina State Contract for tires and tubes.

Mayor McDevitt said the North Carolina Department of Administration makes the services of the State Division of Purchase and Contract available to non-state agencies by allowing these agencies to participate in state purchase contracts on an elective basis. The State Division of Purchase and Contract has notified the City that they will be taking bids for tires and tubes (Certification No. 863) for a two year contract to begin on or about July 1, 1985. The City's annual tire and tube purchases are approximately $65,000. The City has been a participant of the current North Carolina State Contract since April, 1983. The Purchasing Director and Motor Transport Superintendent recommend that the City continue to participate in this state purchase contract. The contract provides discounts of 15% to 60% on manufacturers list prices.

Mayor McDevitt said members of Council were furnished copies of the resolution and it would not be read in its entirety.

RESOLUTION NO. 84-211 - RESOLUTION APPOINTING A MEMBER TO THE ASHEVILLE-BUNCOMBE INSURANCE ADVISORY COMMITTEE (MRS. BARBARA JONES)

6B. Consideration was given to a resolution appointing Mrs. Barbara Jones as a member of the Asheville-Buncombe Insurance Advisory Committee.

Mayor McDevitt said members of Council were furnished copies of the resolution and it would not be read in its entirety.

Upon motion of Councilman Bissette, seconded by Councilman Frank, Resolution No. 84-211 was unanimously adopted.

Complete text of Resolution No. 84-211 will be found in Resolution Book No. 15 at page 80.

RESOLUTION NO. 84-212 - RESOLUTION OF INTENT TO CLOSE A PORTION OF ALTA AVENUE AND SCHEDULING A PUBLIC HEARING FOR DECEMBER 11, 1984

7. Consideration was given to a resolution of intent to close a portion of Alta Avenue and scheduling a public hearing for December 11, 1984.

Mayor McDevitt said members of Council were furnished copies of the resolution and it would not be read in its entirety.

Upon motion of Councilman Boland, seconded by Councilman Price, Resolution No. 84-212 was unanimously adopted.

Complete text of Resolution No. 84-212 will be found in Resolution Book No. 15 at page 81.

RESOLUTION NO. 84-213 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE AN AGREEMENT WITH C & W VENDING COMPANY CONCERNING THE CONSTRUCTION OF A BUILDING WITHIN THE LIMITS OF A 20' RIGHT-OF-WAY FOR A SEWER LINE OWNED AND MAINTAINED BY THE CITY OF ASHEVILLE

8. Consideration was given to a resolution authorizing the Mayor to execute an agreement with C & W Vending Company concerning the construction of a building within the limits of a 20' right-of-way for a sewer line owned and maintained by the City of Asheville.

Mayor McDevitt said C & W Vending Company desires to encroach upon the twenty foot right-of-way for a sewer line that is owned and maintained by the City of Asheville with the construction of a building. C & W Vending Company agrees to release the City of Asheville from any responsibility and/or liability for damage which might be occasioned to the building as a result of any repairs and/or maintenance for this sewer line. Due to the fact that this building has already been constructed, the City of Asheville is of the opinion that it would be to the best interest of the City of Asheville to enter into such an agreement. This property is located on Sweeten Creek Road.

Mayor McDevitt said members of Council were furnished copies of the resolution and it would not be read in its entirety.

Note: A copy of all documents are attached to the original minutes of this meeting.

Mr. Melvin C. Walsh, Jr. was sworn in, by affirmation, by Mayor McDevitt.

In summary, Mr. Walsh stated that he was employed by the City of Asheville as a Police Officer since April 1, 1970, and ceased employment on October 5, 1983, due to a heart attack on that date. He said on October 5, 1983, he was working with another officer, Mr. Ross Robinson, on the evening shift, being 5:00 p.m. until 1:00 a.m. He said they had not worked together that night, but were together later in the evening on Merrimon Avenue on a rape/felony case. He said earlier in the evening he had chest pains in his arm, and didn't feel right. He said when arriving on Merrimon Avenue, at the rape/felony case, Mr. Robinson insisted that he go home due to his pains in the chest and arm. He said he went home shortly after midnight and laid down, went to sleep, and woke up with more severe pain in the chest, arm, and legs. He said his wife took him to the emergency room at the hospital where he was seen by Dr. Fowler. He said he was admitted to the intensive care unit and remained there for treatment for two or three days. He said he then remained in the hospital for more than two weeks. He said during his hospital stay, he was examined by Dr. Robert S. Byron, a psychiatrist who was recommended by Dr. Fowler. He said after being discharged from the hospital he continued to see Dr. Fowler and is taking medication prescribed by Dr. Fowler for an acute myocardial infarction. He said he then applied to the City for disability in the line of duty. He said Dr. Byron had recommended that he not return to work.

Mr. Walsh was then cross-examined by Corporation Counsel Slawter.

In summary, Mr. Slawter questioned Mr. Walsh relative to his routine examinations in 1976 by the City Infirmary Nurse, particularly relative to his high blood pressure problems. Mr. Walsh indicated he had never been told that he had

APPEAL HEARING - MELVIN C. WALSH, JR. - REQUEST FOR LINE-OF-DUTY DISABILITY RETIREMENT

12. An appeal hearing was held in the matter of Melvin C. Walsh, Jr.'s request for line-of-duty disability retirement.

Mayor McDevitt said Melvin C. Walsh, Jr. is appealing the decision of the Board of Examiners and the decision of the Board of Trustees of the Asheville Policemen's Pension and Disability Fund to the Asheville City Council for in-line-of-duty disability retirement. At the October 16, 1984 Council meeting this appeal hearing was rescheduled until November 13, 1984 at the request of Mr. Walsh and with the consent of his attorney, Mr. Max Cogburn.

Mayor McDevitt explained the procedure to be followed during the appeal hearing.

Max Cogburn, Attorney for Mr. Melvin C. Walsh, Jr., offered the following as evidence in the hearing:

Letter from Dr. Robert Byron dated 07/26/84 - identified as W-1
Letter from Dr. Robert Byron dated 05/25/84 - identified as W-2
11/03/83 Report from Dr. Robert Byron - identified as W-3
10/20/83 Report from Dr. Robert Byron - identified as W-4
St. Joseph Discharge Summary dated 10/19/83 - identified as W-5
Letter from Dr. William Fowler dated 07/25/84 - identified as W-6
Letter from Dr. William Fowler dated 05/07/84 - identified as W-7
Letter from Dr. William Fowler dated 12/27/83 - identified as W-8
Letter from Dr. William Fowler dated 11/01/83 - identified as W-9
St. Joseph's Hospital Discharge Summary dated 10/21/83 - identified as W-10
Report from Dr. Nailling dated 08/15/84 - identified as W-11

After further discussion, it was mutually agreed by Council and Mr. Cogburn, Mr. Walsh's attorney, that Council deliberate the appeal in executive session and render their decision in an open session at a later date. It was agreed that Mr. Cogburn's closing agruments would be heard at the meeting of November 20, 1984.

Mr. Cogburn said he would request a copy of the minutes in 1979 of those retired by disability in the line of duty due to a heart attack.

Corporation Counsel Slawter requested that the following records be offered in the appeal hearing. "City Infirmary records relative to Mr. Walsh."

Sam Graves, Director of Management Services, was sworn in, by affirmation, by Mayor McDevitt.

Upon questioning by Mr. Cogburn, Mr. Graves said that Lynn Hollifield had been employed by the City of Asheville since June, 1984.

The hearing was recessed until November 20, 1984.

(A tape recording of the hearing is available in the office of the City Clerk.)

ORDINANCE NO. 1483 - AN ORDINANCE AMENDING ORDINANCE NO. 1027 REGARDING KENNEL LICENSE TAXES

13. Consideration was given to an ordinance amending Ordinance No. 1027 regarding kennel license taxes.

Mayor McDevitt said this ordinance would include the new definition of a kennel in the Revenue Ordinance.

Mayor McDevitt said members of Council were furnished copies of the ordinance and it would not be read in its entirety.

Councilman Price moved for the adoption of Ordinance No. 1483. This motion was seconded by Councilman Frank.

On a roll call vote of 6-0, Ordinance No. 1483 passed on first reading.

ORDINANCE NO. 1484 - ORDINANCE TO RESCIND ORDINANCE NO. 1477 - BUDGET ORDINANCE (RETIRED POLICE OFFICERS)

14. Consideration was given to an ordinance to rescind Ordinance No. 1477 approved by City Council on October 23, 1984, appropriating funding for the Asheville Police Pension and Disability Plan members and survivors.

Mayor McDevitt said members of Council were furnished copies of the ordinance and it would not be read in its entirety.

Councilman Boland moved for the adoption of Ordinance No. 1484. This motion was seconded by Councilman Bissette.

On a roll call vote of 6-0, Ordinance No. 1484 passed on first and final reading.

high blood pressure prior to his heart attack on October 5, 1983. A discussion was held relative to Dr. Fowler's letter of May 7, 1984, indicating that Mr. Walsh had completely recovered from a recent myocardial infarction and could be re-employed in any occupation that is devoid of strenuous physical and/or emotional stress.

Several members of Council questioned Mr. Walsh about his previous high blood pressure and his unusual amount of stress. In this discussion, Mr. Walsh indicated that he was highly stressed over one particular case involving two elderly people that had a large amount of money taken from them.

At the request of Mr. Cogburn, Mr. Walsh detailed the larceny case involving the two elderly people.

Mr. Ross Robinson was sworn in, by affirmation, by Mayor McDevitt.

In summary, upon questioning by Mr. Cogburn, Mr. Robinson said he was working with Mr. Walsh on the night of October 5, 1983. He said he saw him close to midnight, approximately 11:40 p.m. He said at that time Mr. Walsh was pushing upward around his diaphram, changing colors, grayish, and Mr. Walsh told him he did not know what it was. He said he advised Mr. Walsh to go home. He said he finally did go home a little after midnight. He said Mr. Walsh never returned to work after that date. He said, in his opinion, Mr. Walsh takes everything very seriously. He said he knew about the larceny case referred to by Mr. Walsh, and knew that it was upsetting to Mr. Walsh.

Corporation Counsel Slawter cross-examined Mr. Ross Robinson.

In summary, Mr. Robinson told Mr. Slawter that he did not work all evening with Mr. Walsh. He said in his opinion he was not considered as a sick person and he was always at work.

Dr. Robert Byron was sworn in, by affirmation, by Mayor McDevitt.

In summary, Dr. Byron was presented as an expert witness in psychiatry. Upon questioning of Mr. Cogburn, he said he first saw Mr. Walsh at the request of Dr. Fowler on October 19, 1983. He said his diagnosis is psychological factor affecting physical condition. He said it would be impossible for a physician to recommend Mr. Walsh go back to work in police surroundings. He said even thinking about police work would be detrimental to his health and would very likely result in another body system injury. He said, in his opinion, Mr. Walsh can no longer manage daily stress, and his former ability to manage stress is diminished.

Corporation Counsel Slawter cross-examined Dr. Robert Byron.

In summary, Dr. Byron said while it was his understanding from Dr. Fowler that Mr. Walsh had recovered from his myocardial infarction, it would be his opinion that Mr. Walsh is permanently and totally disabled from working in the law enforcement field. He said Mr. Walsh's ability to handle stress is an indication that he could not return to work.

Dr. Byron was questioned by several members of Council. At which time Dr. Byron said Mr. Walsh could go to work in some other employment, however, he would still be vulnerable to psychological stress.

Re: Mr. Melvin C. Walsh, Jr.

Dear Mr. Cogburn:

At Mr. Walsh's request, I am sending you psychiatric opinion as to his vocational disability status based on psychiatric examination I conducted on October 19 and 20, 1983, while he was hospitalized due to myocardial infarction at St. Joseph's Hospital, Asheville, North Carolina. I was asked to see the patient in psychiatric consultation by Mr. Walsh's attending physician, Dr. William B. Fowler.

My diagnosis is that of Psychological Factor Affecting Physical Condition.

While it is my understanding from Mr. Walsh himself and his physician, Dr. Fowler, that he has recovered from his myocardial infarction, it is my opinion that he is permanently and totally disabled from working in the law enforcement field. This is directly due to the diagnosis noted above, which I find unresolvable in Mr. Walsh's personality function. In elaboration, it is my opinion that he is so disabled in regards to all areas of law enforcement work, whether we are considering opportunities in the Asheville Police Department, other local public law enforcement or private positions, or any such positions in another geographical area.

Respecting his limitations imposed by the history of heart attack, it is furthermore my opinion that Mr. Walsh may be able to undertake vocational rehabilitation counseling in an effort to consider employment in another area that recognizes his particular specific vulnerability to psychological stress.

I hope this information is of help to you as you go on to work with Mr. Walsh.

Sincerely,

Robert S. Byron M.D.

Re: Mr. Melvin Walsh

Dear Mr. Cogburn:

Thank you for your recent correspondence and telephone call. I anticipate communicating with you further prior to the scheduled Board Hearing in the case of Mr. Walsh that is set for August 20, 1984.

As you know, I am of the opinion that Mr. Walsh was operating under stress in the Asheville Police Department, leading directly to the heart attack he sustained, that this stress existed in two forms, (1) from an unresolved incident two months prior to the heart attack in which a case involving the theft of some $6,000 from an elderly couple was never solved, and this constantly acted to defeat Mr. Walsh's sense of responsibility in helping solving the case, and (2) a much longer existing stress related to what Mr. Walsh perceived as unfairness in promotion practices within the police department. Having had the heart attack, and knowing the psychosomatic aspect of that illness in his case, I am furthermore of the opinion that he is totally and permanently disabled, as he himself has the insight that a recurrent heart attack is likely as soon as he re-encounter the aforementioned stresses. His personality cannot cope with the stress in any other way than to have a recurrent heart attack.

I will look forward to our subsequent contact.

Sincerely,

Robert S. Byron, M.D.

PSYCHIATRIC CONSULTATION:

Consultant: Dr. Byron
Attending Physician: Dr. Wm. Fowler
Date: 10/20/83

This 56 year old married white male policeman is being seen in psychiatric consultation at the request of Dr. Wm. Fowler while the patient is in convalescent stage of recent myocardial infarction, recouperating well physically, but showing increasing hostility and paranoia.

The pt. is interviewed directly in two separate sessions and I have talked to his wife briefly.

In mental status exam I find no defect in cognition, as the patient is able to give a reliable history, is oriented, and shows reasonable judgement, logic and reasoning functions and memory is intact. His mood and affect show some depressive element, mild, but the affect while guarded,is appropriate. His thought process is normal in rate and content focuses on his job and the pride he has had in it, but at the same time the injustice he sees in his failure to be promoted in 24 years of loyal and effective service. This focus reveals at the same time much associated resentment and anger as well as hurt. Furthermore there is, as the patient describes the situation, an obvious increase in tension- all conveying a stress patient experiences virtually in being on the job, certainly manifest here in the hospital simply recalling where he has been in the Department and the situation to which he must return. There is no paranoid ideation. He literally do not know whom to blame for the continual disappointment in not being promoted while he received accolades verbally from his superiors and fellow officers. He can point out that he supposedly was failed in his promotion efforts because of his poor performance on advancement tests, and not on his job performance.

Diagnostically, I am hard put to find any significant psychopathology here, except the very obvious stress induced position that he is in and that in my opinion has contributed to his heart disease.

If he is to be believed that promotion will not be forth-coming between now and the time of normal retirement, then it is predictable that stress will continue to operate.

I think it would be appropriate for me to talk to Capt. Best, a retired policeman, on the same force whom the patient states knows his case best.
At any rate, I feel it would be our responsibility to this patient to advise acknowledging the situation for its tremendous stress producing influence here , and then to further advise that he be medically retired from the police force. I am convinced this is the best of three options, the other two being simply to return to the status quo, and the other being to return to a reduced work load on a permanent basis.

I do not see it in the patient's best interests at all to completely resign at this point in time.

Meanwhile, I strongly encourage you to shift from Valium as a tranquilizer, to Tranxene, Serax, or Ativan, since Valium in a case like this is quite likely to increase hostility

I saw Mr. Walsh on two occasions, on October 19 and October 20, 1983 in psychiatric consultation at St. Joseph's Hospital, Asheville, North Carolina, at the request of his attending physician, Dr. William B. Fowler.

My findings from consultation lead to the diagnosis of Psychological Factor Affecting Physical Condition, Code 316.00 (DSM III); Axis II, None; Axis III Myocardial Infarction; Axis IV stressor - job.

In my opinion, Mr. Walsh is totally and permanently disabled, and so should immediately be placed on medical retirement status.

Re: Mr. Melvin C. Walsh, Jr.

Dear Mr. Slawter:

Please refer to your letter dated July 19, 1984 requesting medical information in regard to Mr. Melvin C. Walsh, Jr. Mr. Walsh had an Acute Myocardial Infarction on October 6, 1983 and was hospitalized at St. Joseph's Hospital and then was discharged on October 21, 1983. During his hospitalization he had no specific complications in regard to his myocardial infarction but did have peculiar psychological factors which had some bearing upon his ultimate recovery. Because of his psychological complaints he was seen in consultation by Dr. Robert Byron who recommended that Mr. Walsh not be re-employed in the capacity of a police officer for the City of Asheville.

As of May 7, 1984, it was my opinion that Mr. Walsh had completely recovered from his myocardial infarction and that he could be re-employed in any occupation devoid of severe strenuous activity and/or emotional stress. This occupation, however, would have my approval only if Dr. Robert Byron felt that it was safe emotionally for Mr. Walsh.

I have no other specific information in regard to Mr. Walsh, and he was last seen by me on June 20, 1984, at which time he had the current clinical impressions of: (1) Arteriosclerotic Heart Disease with remote Myocardial Infarction, and (2) Hostile Personality Reaction, secondary to previous employment, and was taking Valium 5 mgs. prn, Transderm Nitro 5 mgs. 1 patch daily, and Inderal 20 mgs. t.i.d. He was advised to return to this office in six weeks for re-evaluation.

I trust this is sufficient information, and if I can be of any further assistance, please don't hesitate to contact me.

Re: Melvin C. Walsh, Jr.

Dear Mr. Cogburn:

Mr. Walsh requested that I report his current physical status to you. He was recently hospitalized at Saint Joseph's Hospital on 10/6/83, and was found to have an acute Myocardial Infarction of a moderate severity. During his hospitalization, he was noted to have a moderate degree of emotional problems thought secondary to his occupation. He was, for that reason, seen by Doctor Robert Byron (Psychiatrist), and it was Doctor Byron's suggestion that he not return to his occupation. Doctor Byron felt that his job constituted an emotional stress which could be adverse to his health in regard to a possible recurrent Myocardial Infarction.

When he was last seen on December 20, 1983, his weight was 170½ pounds, temperature 96 degrees Farenheit (orally), pulse 69, blood pressure 118/74, (right arm sitting). He stated he had not had any cardiac irregularity, dyspnea or chest pain, and was advised to continue on Transderm Nitro-5 one daily, Nitroglycerin sublingually p.r.n. chest pain, and Inderal 20 mg. t.i.d. for extra systoles. He was encouraged to return to this office in three weeks for cardiac reevaluation.

I trust that this is sufficient information, and I have actually taken the liberty of quoting Doctor Byron. I am sure that an enquiry to Doctor Byron woud substantiate the above comments.

DISCHARGE SUMMARY:

ADMITTED: 10/6/83
DISCHARGED: 10/21/83

FINAL DIAGNOSIS: 1. Acute myocardial infarction.
2. Psychological factors affectiing physical condition.

OPERATIONS & PROCEDURES: None.

CONSULTANTS: Dr. Byron.

COURSE IN HOSPITAL & DISPOSITION: The pt. was admitted to the hospital with evidence of acute myocardial infarction of an inferior nature. Was treated initially in the Coronary Care Unit, where he failed to develop any evidence of complications. He was then transferred to intermediate care unit, and general hospital care, with the institution of a myocardial rehabilitation program without incident. At the time of discharge he was ambulatory, and had stable normal vital signs. He was seen in consutation by Dr. Byron because of a suppressed hostile feeling in relationship to his occupation, and it was Dr. Byron's opinion that he should be "totally and permanently disabled from job, and I must advise retirement on these grounds at this time". Discharge medications included Valium 5 mg. t.i.d. Nitrol Ointment 1 in. every 4 hrs. Inderal 20 mg. t.i.d. Tagamet 300 mg. q.i.d. and Maalox Plus 1 tablesp. full q.i.d. The latter 2 medications were used because of the history of peptic ulcer disease, and because of associated symptomatology during this hospitalization that was compatible with recurrence of the ulcer.

Assessory clinical studies done during this hospitalization included the following: CBC was remarkable in that the WBC was increased to 11,100, with a differential of 2 bands, 74 segs, 21 lymphs and 3 monos. The other parts of the CBC were within normal limits. Electrolytes were obtained on 2 different occasions, and both were within normal limits. SGOT elevated to 128, gradually subsided to normal levels 4 days later. LDH's were consistently elevated from 296 to as high as 355 on 10/9/83. Chemistry profile on 10/6 was within normal limits, with the exception of alkaline phosphatase which was slightly elevated to 77. A repeat profile done on 10/7/83 was within normal limits. CPK rose to 866 and 518 on 10/7 and 10/8 respectively. On 10/9 CPK had subsided to 298. Amylase both urine and serum were within normal limits on one occasion. Triglycerides were 140, and lipid thenar type was obtained, and reported as a normal pattern. Isoenzymes for CPK and LDH were diagnostic of an acute myocardial infarction. Portable chest xray on 10/6/83 was normal. EKG on 10/6 revealed normal sinus rhythm, rt. axis deviation, ST increased inferiorly. EKG on 10/7 revealed first degree AV block, sinus bradycardia and QST's inferiorly, with slight ST. rule out inferior myocardial infarction. EKG on 10/7/83 revealed sinus bradycardia and inferior myocardial infarction, and/or injury. EKG on 10/8 revealed first degree AV block, clockwise rotation, nondagnostic Q's inferiorly, ST increased inferiorly persist, compatible with injury. EKG on 10/9 revealed first degree AV block and inferior myocardial infarction. EKG on 10/9 revealed second degree AV block, probably Mobitz I and inferior myocardial infarction.

RE: Melvin C. Walsh, Jr.

Dear Max:

The nurse at the City infirmary feels that before she can release your client's medical records to us she should have an authorization signed by Mr. Walsh. I would appreciate your sending an authorization to me as soon as possible so that we might obtain those records prior to the next hearing of the Police Pension Board.

I am enclosing for your information the report which I have received from Dr. Fowler concerning your client. I have also received a report from St. Joseph's Hospital but I forwarded it to the Pension Board Clerk without keeping a copy. You can certainly review it in that office if you wish. I have not yet heard from Dr. Nailling.

Thank you for your cooperation and assistance.

Very truly yours,

ST. JOSEPH'S HOSPITAL, INC.

DATE OF ADMISSION: 10-6-83

CHIEF COMPLAINT: "Chest & left arm pain"

PRESENT ILLNESS: This 56 year old MWM criminal investigator for the local police department stated that one week prior to admission he had a URI which was controlled with "cough capsules" and "cough syrup". On the evening prior to his admission to the hospital, he had a "large pizza" and then awoke at about 5 a.m. with severe substernal chest discomfort that was a constant discomfort and associated with left arm and left neck radiation. He came to the E.R. where he was given a Nitroglycerine tablet sublingually and noted some improvement in his discomfort. An EKG done at that time revealed ST-T changes to suggest possible early inferior MI. He was, therefore admitted to the hospital for further evaluation and treatment.

He denied any previous chest discomfort, shortness of breath, but did state that he experienced diaphoresis associated with the present illness.

PAST HISTORY: Usual childhood diseases, without sequelae. Last hospitalization approximately 4 years ago for a "bleeding duodenal ulcer." No subsequent difficulties in that regard. No previous operations or significant injuries.

SOCIAL HISTORY: No known drug sensitivities. Drinks 2 to 3 cups of coffee a day. No significant alcohol consumption, but does smoke packs of cigarettes per day. He has done so for the past 6 years.

FAMILY HISTORY: Father dead at age 84 of "pneumonia". Mother is living, age 74, in fair health. One sister is living with diabetes. No other known familial diseases.

REVIEW OF SYSTEMS: HEENT-wears glasses for reading. Has occasional headaches, relieved by simple analgesics. Otherwise not remarkable. NECK-supple. Thyroid no history of goiter or limitation of motion. CR-please see PI. His last CXR and EKG unknown. GI-History of bleeding duodenal ulcer requiring a hospitalization 4 years ago without subsequent recurrence. No recent hematemesis, melena, or change in bowel habits. GU-no history of renal colic, pyuria, hematuria, dysuria. MUSCULOSKELETAL-unremarkable. NEUROPSYCHIATRIC-no history of stroke, seizures, paralysis. He states that his memory is good. He usually sleeps well, not requiring sophorifics.

PHYSICAL EXAM: (On admission) B/P 142/98 (right arm reclining). Respirations: 18. Pulse 70 and regular. Temp afebrile.
Generally, this is a WD WM who appears in no obviously acute distress, but complains of chest discomfort and left arm discomfort.
SKIN: Smooth, moist, good turgor.
LYMPH NODES: No adenopathy or tenderness.
HEENT: No exostoses or cranial tenderness. Sclera & conjunctiva clear.
~~PERRLA. Funduscopic exam is normal. EOMS are~~ performed normally. (cont'd)

MEMORANDUM TO: Bill Slawter
City Attorney

FROM: Lynn Hollifield
Registered Nurse

SUBJECT: Medical Records for Melvin C. Walsh, Jr.

I am sending you a copy of the complete medical file on Melvin C. Walsh, Jr. as requested by you and properly authorized for release by him.

Please note the items circled in red. Mr. Walsh completed the employment history and physical form in his own handwriting on February 16, 1976. He acknowledged he had high blood pressure at that time and signed the form validating the answers to be true to the best of his knowledge.

At the time of the employment physical, his blood pressure is documented at 158/92. Faber's Cyclopedic Medical Dictionary, 1973, defines hypertension (high blood pressure) "in general, if the systolic pressure is above 140 mm of mercury or the diastolic above 90 mm, the person is considered to have elevated blood pressure." On subsequent occasions after employment, Mr. Walsh is recorded as having blood pressure 140/90 or greater.

Also, enclosed are visual and audiometric screening results which were a part of his complete file, but probably have no relation to your needs at the moment.

THE REGULAR MEETING OF THE BOARD OF EXAMINERS AND THE BOARD OF TRUSTEES OF THE ASHEVILLE POLICEMEN'S PENSION AND DISABILITY FUND WAS HELD ON MONDAY, AUGUST 20, 1984 AT 10:00 A.M. IN THE COUNCIL CHAMBERS OF THE CITY HALL BUILDING. PRESENT WERE: MAYOR LARRY S. MCDEVITT, CHAIRMAN OF THE BOARD OF EXAMINERS; WILLIAM F. WOLCOTT, JR., INTERIM CITY MANAGER; JOHN A. HENDERSON, M.D.; RONALD CHANDLER; MARY LLOYD FRANK, TRUSTEE; PORTER V. FOWLER, JR., TRUSTEE; BILL SLAWTER, LEGAL COUNSEL FOR THE BOARDS; AND LLA LEET L. HUDSON, FRINGE BENEFITS ADMINISTRATOR.

ABSENT: WILLIAM C. FRUE, JR., CHAIRMAN OF THE BOARD OF TRUSTEES (OUT OF TOWN); JAMES H. PARRIS, JR. (HOSPITALIZED).

ALSO PRESENT: MELVIN C. WALSH, JR.; MAX O. COGBURN, ATTORNEY AT LAW; FRED W. HENSLEY, CHIEF OF ASHEVILLE POLICE DEPARTMENT; ROBERT BYRON, M.D.; AND JOHN P. MIALL, JR., EMPLOYEE SERVICES DIVISION HEAD.

THE MINUTES OF THE PREVIOUS MEETING WERE APPROVED AS WRITTEN.

MELVIN C. WALSH, JR.: FURTHER CONSIDERATION OF REQUEST FOR DISABILITY RETIREMENT IN THE LINE OF DUTY.

FURTHER CONSIDERATION WAS GIVEN TO MELVIN C. WALSH'S (JR.) REQUEST FOR DISABILITY RETIREMENT IN THE LINE OF DUTY.

AT A PREVIOUS MEETING, ACTION ON THE REQUEST HAD BEEN DELAYED PENDING RECEIPT OF MEDICAL RECORDS FROM DRS. NAILLING, FOWLER, AND ST. JOSEPH'S HOSPITAL. MRS. HUDSON ADVISED THE BOARD THAT SUCH RECORDS HAD BEEN RECEIVED AND WERE AVAILABLE FOR THE BOARDS' REVIEW. (PRIOR TO THE OPENING OF THE MEETING, THE BOARDS HAD REVIEWED SAME EXTENSIVELY.)

MR. COGBURN, ATTORNEY FOR MR. WALSH, ADVISED THE BOARDS THAT DR. ROBERT BYRON WAS IN ATTENDANCE AND REQUESTED THAT THE BOARDS HEAR TESTIMONY FROM DR. BYRON. THE BOARDS RECOGNIZED/ACKNOWLEDGED THAT DR. BYRON WAS CONSIDERED AN EXPERT IN THE FIELD OF PSYCHIATRY.

DR. BYRON, AFTER BEING SWORN, TESTIFIED TO THE FOLLOWING: HE HAD FIRST EXAMINED MR. WALSH, WHO WAS A PATIENT AT ST. JOSEPH'S HOSPITAL, ON OCTOBER 19 AND 20, 1983 AT THE REQUEST OF THE ATTENDING PHYSICIAN, DR. FOWLER; THE EVALUATION WAS PERFORMED AS A RESULT OF THE BEHAVIORAL RESPONSE TO MR. WALSH'S HAVING SUFFERED A HEART ATTACK AND TO TRY TO DETERMINE WHAT LED TO THE HEART ATTACK AND ILLNESS IN QUESTION; THAT HIS DIAGNOSIS WAS CARDIAC NEUROSIS; HIS FINDING WAS THAT WALSH WAS A VERY INTENSE PERSON AND HE FELT THE INTENSITY WAS DEFINITELY DUE TO STRESSES SUFFERED IN HIS LINE OF WORK AS A POLICE OFFICER; THAT ANY-THING CONNECTED WITH THE PROSPECT OF RETURNING TO WORK WOULD AGAIN CAUSE WALSH TO EXPERIENCE THE SAME ANXIETY; BASICALLY, WALSH WAS (AT THE TIME OF HIS ATTACK) UNDER TWO (2) STRESSES; ONE WAS ANGUISH OVER THE PROMOTION SYSTEM IN THE POLICE AND HIS FEELING OF BEING

AN INTENSE MAN; IT IS PART OF HIS MAKE-UP; AND THAT CAUSED HIM TO HAVE THE HEART ATTACK; THAT WALSH IS NOT ABLE TO WORK AS A POLICE OFFICER; IF HE WERE SENT BACK, WALKED THROUGH THE DOOR, HE WOULD HAVE ANOTHER HEART ATTACK AND DIE.

MR. MCDEVITT THEN QUESTIONED WHETHER OR NOT THE BOARD, SHOULD IT DECIDE THAT WALSH WAS NOT ENTITLED TO A LINE OF DUTY DISABILITY, HAD THE AUTHORITY/POWER TO GRANT A NON-LINE OF DUTY DISABILITY. HIS QUESTION WAS 'SHOULD THE BOARD RULE ONLY ON THE REQUEST BEFORE THE BOARD?'.

MR. COGBURN ADVISED THE BOARD THAT MR. WALSH WAS GOING TO HAVE TO RETIRE; THAT WALSH HAD REQUESTED A LINE OF DUTY DISABILITY; HOWEVER, SHOULD THE BOARD DECIDE AGAINST THAT, HIS CLIENT WOULD ACCEPT THE ALTERNATIVE RETIREMENT OF NON-LINE OF DUTY; THAT IF THE ORIGINAL REQUEST WAS NOT GRANTED, THE BOARD HAD WALSH'S CONSENT FOR THE BOARD TO GRANT THE ALTERNATIVE.

AT THIS TIME, MOTION WAS MADE BY MR. WOLCOTT, SECONDED BY MR. CHANDLER, AND UNANIMOUSLY APPROVED TO HAVE THE BOARD GO INTO EXECUTIVE SESSION FOR DISCUSSION OF MEDICAL EVIDENCE, TESTIMONY, ETC. THAT HAD BEEN PRESENTED.

UPON RETURNING TO OPEN SESSION, MR. MCDEVITT ASKED FOR A MOTION AS TO THE DECISION OF THE BOARD BASED ON ITS FINDINGS. MOTION WAS MADE BY MR. WOLCOTT, SECONDED BY MR. CHANDLER, AND UNANIMOUSLY APPROVED THAT MR. WALSH'S REQUEST FOR DISABILITY RETIREMENT IN THE LINE OF DUTY BE DENIED; HOWEVER, THAT DISABILITY RETIREMENT NOT IN THE LINE OF DUTY BE GRANTED AND THAT THE RECOMMENDATION BE MADE TO THE BOARD OF TRUSTEES.

MR. MCDEVITT, IN CLOSING, STATED THAT WHILE THE BOARD WAS IN EXECUTIVE SESSION, DISCUSSION WAS HELD REGARDING THE ISSUE RAISED AT A PREVIOUS MEETING ASKING THAT DR. HENDERSON REMOVE HIMSELF FROM THE BOARD DURING THE FINDINGS OF THIS CASE; THAT IT WAS THE BOARD'S FEELING THAT DR. HENDERSON'S COMMENT HAD BEEN BASED ON INFORMATION THAT HE (DR. HENDERSON) HAD BEEN FURNISHED PRIOR TO THE MEETING AND HAD NOT BEEN INTENDED TO INDICATE THAT HENDERSON WOULD NOT BE WILLING TO HEAR ADDITIONAL EVIDENCE/TESTIMONY AND MAKE A FAIR DECISION BASED ON ALL THE EVIDENCE; AND FURTHER, THAT IT WAS THE BOARD'S FEELING/DECISION THAT DR. HENDERSON SHOULD NOT 'STEP DOWN' NOR REMOVE HIMSELF FROM THE CASE.

THERE BEING NO FURTHER BUSINESS, THE MEETING WAS UPON MOTION ADJOURNED.

ACTION BY BOARD OF TRUSTEES

THE MEETING OF THE BOARD OF TRUSTEES WAS CALLED TO ORDER AND A QUORUM WAS PRESENT.

TREATED UNFAIRLY BY THE SYSTEM; AND TWO, A CASE THAT HE WAS WORKING ON AT THE TIME OF THE ATTACK WHERE JUSTICE WAS AGAIN BEING THWARTED; THAT IT WAS HIS OPINION THAT THE STRESS OF THE CASE PRECIPITATED WALSH'S HEART ATTACK; THAT IT WAS HIS (BYRON'S) FIRM OPINION THAT WALSH WAS NOT ABLE TO WORK AS AN EFFECTIVE POLICE OFFICER AND THAT IF HE RE-ENTERED THE POLICE DEPARTMENT, WOULD MOST LIKELY HAVE ANOTHER ATTACK.

MR. MCDEVITT QUESTIONED DR. BYRON AS TO WHETHER OR NOT WALSH WAS ABLE TO FUNCTION AS A POLICE OFFICER.

DR. BYRON ADVISED THE BOARDS THAT WALSH, IN HIS OPINION, COULD NOT FUNCTION AS AN OFFICER, SPECIFICALLY AT THE ASHEVILLE POLICE DEPARTMENT, OR IN ANY POLICE/LAW ENFORCEMENT RELATED WORK.

QUESTIONS WERE THEN RAISED AS TO WHETHER WALSH'S STRESS/ANXIETY WOULD HAVE DEVELOPED IN ANY OTHER LINE OF WORK TO WHICH DR. BYRON RESPONDED THAT, BASED ON THE TYPE PERSONALITY WALSH POSSESSED, HE WAS OF THE OPINION THAT WALSH CHOSE LAW ENFORCEMENT; HOWEVER, HE COULD NOT SAY WHETHER OR NOT THE STRESS WOULD HAVE ARISEN HAD WALSH CHOSEN ANY OTHER LINE OF WORK.

MR. COGBURN THEN QUESTIONED DR. BYRON AS TO SPECIFIC DEFINITION OF MYOCARDIAL INFARCTION; DR. BYRON RESPONDED BY SAYING THAT OTHER TERMS OF DEFINING WALSH'S CONDITION COULD HAVE BEEN CARDIOVASCULAR ACCIDENT.

MR. SLAWTER THEN QUESTIONED DR. BYRON REGARDING THE TERM 'CVA'; DR. BYRON RESPONDED BY SAYING THAT 'ACCIDENT' IN THAT SENSE REFERS TO HOW THE ATTACK HAPPENS - THE SUDDENESS OF THE ATTACK. FURTHER QUESTIONS BY MR. SLAWTER REVEALED THAT WALSH HAD NOT HAD ANY UNUSUAL PHYSICAL EXERTION NOR HAD HE BEEN ENGAGED IN ANY PRIOR TO THE ATTACK.

IN HIS SUMMARY STATEMENT, MR. COGBURN STATED TO THE BOARDS THAT HIS CLIENT HAD A HEART ATTACK; THAT HE WAS ON DUTY WHEN THE PAINS OCCURRED; THAT HE WENT HOME; THAT DURING THE NIGHT, HE HAD THE ATTACK; THAT HE WENT TO THE HOSPITAL; THAT WALSH HAD SUFFERED A 'CARDIOVASCULAR ACCIDENT'; AND THAT ACCORDING TO THE LAW, THE TIME, PLACE, ETC. HAD BEEN ESTABLISHED AND THAT WALSH SHOULD BE GRANTED DISABILITY RETIREMENT IN THE LINE OF DUTY.

MR. MCDEVITT ADVISED MR. COGBURN THAT, IF HE HAD NOT REVIEWED THE MEDICAL RECORDS AT THE BOARDS' DISPOSAL, HE (COGBURN) WOULD BE GIVEN THE OPPORTUNITY TO LOOK AT ANYTHING THAT THE BOARDS HAD RECEIVED; THAT HE DID NOT WANT MR. COGBURN TO THINK THAT THE BOARDS HAD INFORMATION AND WOULD NOT REVEAL SAME TO HIM OR HIS CLIENT. FURTHER, MR. MCDEVITT ADVISED MR. COGBURN THAT THE RECORDS/REPORTS RECEIVED BY THE BOARDS' DO NOT ADDRESS ANYTHING OCCURRING ON DUTY; REPORTS SHOWED OCCURRENCE AT 4:30-5:00 A.M. AT HOME.

MR. COGBURN RESPONDED BY SAYING THAT AT THE PREVIOUS MEETING, ROSS ROBINSON HAD TESTIFIED THAT HE SENT WALSH HOME DUE TO HIS HAVING PAINS IN HIS CHEST AND THAT WALSH CORROBORATED THE TESTIMONY; THAT DR. BYRON SAYS WALSH CANNOT WORK AS A POLICE OFFICER; THAT WALSH IS

THE REGULAR MONTHLY MEETING OF THE BOARD OF EXAMINERS AND THE BOARD OF TRUSTEES OF THE ASHEVILLE POLICEMEN'S PENSION AND DISABILITY FUND WAS HELD ON MONDAY, JULY 16, 1984 AT 10:00 A.M. IN THE COUNCIL CHAMBERS OF THE CITY HALL BUILDING. PRESENT WERE: MAYOR LARRY S. MCDEVITT, CHAIRMAN OF THE BOARD OF EXAMINERS; WILLIAM F. WOLCOTT, JR., INTERIM CITY MANAGER; JOHN A. HENDERSON, M.C.; RONALD CHANDLER; WILLIAM C. FRUE, JR., CHAIRMAN OF THE BOARD OF TRUSTEES; MARY LLOYD FRANK; PORTER V. FOWLER, JR.; BILL SLAWTER, COUNSEL TO THE BOARDS; AND LLA LEET L. HUDSON, FRINGE BENEFITS ADMINISTRATOR.

ALSO PRESENT: JOHN P. MIALL, JR.; CLYDE BEAVER; ROSS ROBINSON; HARRY T. ALLISON; MELVIN C. WALSH; MAX O. COGBURN; JOHN BEST.

ABSENT: JAMES H. PARRIS, JR. (RE-CUPERATING FROM SURGERY)

THE MINUTES OF THE PREVIOUS MEETING WERE APPROVED AS WRITTEN.

HAVING BEEN PRESENT DURING THE PRESENTATION OF EVIDENCE TO THE BOARD OF EXAMINERS, MOTION WAS MADE, SECONDED, AND UNANIMOUSLY APPROVED THAT THE RECOMMENDATION OF THE BOARD OF EXAMINERS BE ACCEPTED AND THAT MR. WALSH BE GRANTED A DISABILITY RETIREMENT NOT IN THE LINE OF DUTY TO BE EFFECTIVE SEPTEMBER 01, 1984.

THERE BEING NO FURTHER BUSINESS, THE MEETING WAS UPON MOTION ADJOURNED.

BOARD OF TRUSTEES

HE FURTHER TESTIFIED THAT HE HAD HAD REGULAR MEDICAL CHECKUPS BY DR. NAILLING AND THE CITY INFIRMARY NURSE; THAT HE HAD BEEN EXAMINED TWO OR THREE MONTHS PRIOR TO HAVING HEART ATTACK (IN OCTOBER, 1983); THAT ON THE DATE OF HEART ATTACK, WAS WORKING THE 5 PM TO 1 AM WORK SHIFT; WAS WORKING IN OFFICE MAKING PHONE CALLS RELATED TO CASE HE WAS WORKING ON; THAT HE HAD BEEN WORKING ON THIS PARTICULAR CASE FOR ABOUT THREE WEEKS WHERE AN ELDERLY COUPLE HAD EMPLOYED A YOUNG COUPLE TO TAKE CARE OF THEM ONLY TO FIND THAT MONEY HAD BEEN TAKEN FROM THEM; THAT THE CASE BOTHERED/GOT TO HIM; HE WAS STILL ASSIGNED TO THAT CASE WHEN HE STARTED TO HAVE CHEST PAINS IN THE DETECTIVE OFFICE OF THE POLICE DEPARTMENT; HE THOUGHT IT MIGHT BE INDIGESTION; HOWEVER, PAIN KEPT GETTING WORSE; ALSO HAD PAIN IN LEFT ARM; HE WENT HOME BEFORE MIDNIGHT (AT ADVICE FROM HIS PARTNER, ROSS ROBINSON);WENT DIRECTLY HOME AND LAY DOWN; DOZED OFF; WOKE UP AND FINALLY, AT WIFE'S INSISTENCE, DECIDED TO GO TO HOSPITAL WHERE HE WAS ADMITTED TO INTENSIVE CARE UNIT; DR. FOWLER DIAGNOSED THAT HE HAD HAD A HEART ATTACK; HE WAS CONFINED TO HOSPITAL FOR TWO WEEKS AND TWO DAYS AND WAS STILL UNDER HIS CARE; WHILE IN HOSPITAL, HE HAD TALKED WITH DR. BYRON, WHO HAD BEEN CALLED IN FOR CONSULTATION; THAT HE HAS ALSO TALKED WITH DR. BYRON AFTER HOSPITAL CONFINEMENT; HE IS PRESENTLY TAKING ENDORIL; USING NITRO PADS ON CHEST; CARRIED NITROSTAT; AND IS TAKING VALIUM.

MR. MCDEVITT QUESTIONED MR. WALSH AS TO WHETHER OR NOT HE HAD EVER BEEN DIAGNOSED AS HAVING HIGH BLOOD PRESSURE AND/OR BEEN TREATED FOR SAME.

MR. WALSH STATED THAT HE HAD NOT BEEN TREATED FOR HIGH BLOOD PRESSURE; THAT THE DOCTORS SEEMED NOT TO BE CONCERNED.

MR. MCDEVITT THEN ASKED MR. COGBURN IF HE WAS VIEWING A HEART ATTACK AS AN ACCIDENT; MR. COGBURN ANSWERED IN THE AFFIRMATIVE CITING A COURT CASE (WEAVER VS SWEDISH IMPORTS) SAYING THAT CASE SAYS WHERE A PERSON IS OVER-EXERTING, THEN THE INJURY ARISES OUT OF THE COURSE OF EMPLOYMENT; THAT FURTHER, HE DOES NOT BELIEVE THE LAW CONFINES INJURY TO AN ACCIDENT.

AFTER LENGTHY DISCUSSION, MOTION WAS MADE, SECONDED, AND UNANIMOUSLY APPROVED TO DELAY ANY ACTION ON THE REQUEST UNTIL THE AUGUST 20, 1984 MEETING; FURTHER, REQUEST WAS MADE FOR SUBMISSION OF ALL MEDICAL RECORDS FROM DR. NAILLING, DR. FOWLER, DR. BYRON, AND ST. JOSEPH'S HOSPITAL. THEY FURTHER INSTRUCTED MRS. HUDSON TO MAKE ARRANGEMENTS THROUGH MR. SLAWTER FOR OBTAINING NECESSARY AUTHORIZATIONS FOR RELEASE OF THIS EVIDENCE FROM MR. WALSH.

THERE BEING NO FURTHER BUSINESS, THE MEETING WAS UPON MOTION ADJOURNED.

MELVIN C. WALSH, JR.: CONSIDERATION OF REQUEST FOR DISABILITY RETIREMENT IN THE LINE OF DUTY.

CONSIDERATION WAS GIVEN TO MR. WALSH'S REQUEST FOR DISABILITY RETIREMENT IN THE LINE OF DUTY.

MRS. HUDSON READ LETTERS FROM MR. WALSH REQUESTING DISABILITY AND THE REASON THEREFORE; MAX O. COGBURN, ATTORNEY AT LAW, ADVISING HIS REPRESENTATION OF MR. WALSH AND SUBMISSION OF LETTERS FROM WILLIAM B. FOWLER, M.D. AND ROBERT S. BYRON, M.D.

MR. COGBURN, AT THIS TIME, STATED THAT HE FELT THAT DR. HENDERSON SHOULD NOT SIT ON THE BOARD REFERRING TO A STATEMENT MADE EARLIER IN THE MEETING THAT 'NOTHING HE HAD BEEN PRESENTED RELATING TO EITHER CASE (ALLISON AND WALSH) WAS INDICATIVE OF A DISABILITY RETIREMENT IN THE LINE OF DUTY'; COGBURN FURTHER STATED THAT HE FELT THAT DR. HENDERSON HAD ALREADY MADE HIS MIND UP BEFORE HEARING ALL THE EVIDENCE AND SHOULD THEREFORE STEP DOWN.

DR. HENDERSON ADVISED THE BOARD THAT HE WOULD BE GLAD TO 'STEP DOWN'; HOWEVER, IT WAS THE DECISION OF THE BOARD THAT DR. HENDERSON REMAIN AND HEAR THE EVIDENCE PRESENTED AND THEN A DECISION COULD BE RENDERED AS TO WHETHER OR NOT DR. HENDERSON WOULD VOTE.

MR. WALSH TESTIFIED (UNDER OATH) TO THE FOLLOWING: THAT HE HAD BEEN EMPLOYED BY THE ASHEVILLE POLICE DEPARTMENT SINCE APRIL 01, 1960 AND HAD BEEN CONTINUOUSLY EMPLOYED THERE; THAT IN HIS YEARS OF EMPLOYMENT HE HAD BEEN ABSENT (AFTER EIGHTEEN YEARS) TWO (2) DAY DUE TO BAD COLD; HE HAD BEEN ABSENT FOR A PERIOD AFTER THAT WHILE WORKING IN INTERNAL AFFAIRS WHEN IT WAS DISCOVERED THAT HE SUFFERED FROM ULCERS WHICH HEMORRHAGED AND IT WAS DIAGNOSED, AT THE TIME, DUE TO STRESS.

for the records had been made on August 20, 1979; however, to date, such records had not been received. The Board then requested that Mrs. Hudson make a follow-up call to the Veteran's Administration. Mr. Higgins stated that he would also follow-up on the request.

After brief discussion, in which Dr. Henderson stated that "this Board can again delay action, but I see no purpose in the delay; under the 'Old Law', Mr. Higgins is eligible", motion was made by Dr. Henderson that Mr. Higgins be granted disability retirement in the line of duty. After a review of the medical evidence received, the motion was seconded by Mr. Best. Mr. Michalove stated, in the discussion that followed, that he wanted to be assured by past medical records that this was not a pre-existing condition; and therefore, he would have to vote NO at this time. However, the motion was approved by a 3 to 1 vote with Mr. Biggs, Mr. Best, and Dr. Henderson voting in the affirmative.

RAYMOND G. ARENDALE: FURTHER CONSIDERATION OF REQUEST FOR CHANGE IN STATUS OF DISABILITY RETIREMENT BY SURVIVING SPOUSE.

Further consideration was given to Mrs. Raymond G. Arendale's request for a change in status of disability retirement from not in line of duty to in line of duty.

At a previous meeting, the Board had denied the request of Mrs. Arendale; however, they did advise that they would hear evidence if so requested.

Mr. Marvin P. Pope, Jr., Attorney representing Mrs. Arendale, advised the Board that a search for medical records/data had produced nothing; however, Mrs. Arendale was present and could testify as to her husband's physical condition and answer any questions that the Board might have.

Mrs. Arendale testified that as far as she knew, Mr. Arendale was in excellent physical condition; had not been ill; had taken no sick leave from work; that Mr. Arendale was on call twenty-four hours a day, but did have a regular shift to report to at the Police Department; he died at home prior to going to work; at the time of his death, the Chief of Police at that time, J. C. Hall, advised her as to her benefits; when she requested a copy of the pension plans, she was told that it was not available.

In reviewing the files, the Board noted that Mr. Arendale had taken fifty-two days sick leave in 1957 and questioned Mrs. Arendale as to his sickness at that time. Mrs. Arendale

The Board of Examiners of the Asheville Policemen's Pension and Disability met in regular session on Monday, September 17, 1979 at 10:00 A.M. in the Council Chambers of the City Hall Building. Present were: Mayor Roy M. Trantham, Chairman; John M. Biggs, representative of the Police Department; John Best; John A. Henderson, M.D.; Kenneth M. Michalove, City Manager; Robert J. Robinson, Attorney for the Board; Samuel N. Graves, Director of Employee Services; and Lla Leet Hudson, Fringe Benefits Administrator.

The minutes of the August 20, 1979 meeting were approved as written.

WALTER D. GILCHRIST: FURTHER CONSIDERATION OF REQUEST FOR DISABILITY RETIREMENT IN THE LINE OF DUTY.

Further consideration was given to Walter D. Gilchrist's request for disability retirement in the line of duty.

At a previous meeting, Mr. Gilchrist had been requested to submit medical evidence/data from an orthopedic physician to support a request for disability retirement because of a back injury/strain. Mr. George W. Moore, Attorney representing Mr. Gilchrist, advised the Board that Mr. Gilchrist had recently been hospitalized for tests and examinations related to the back condition; however, no medical reports had been forwarded, to date. Mr. Moore assured the Board that any data would be furnished to them upon receipt from the physician(s). Dr. Henderson advised Mr. Gilchrist and Mr. Moore that in addition to the data, statements should be given by the orthopedic physician(s) that "in their opinion, Mr. Gilchrist has organic disease as a direct result of the injury".

After discussion, motion was made by Mr. Michalove, seconded by Dr. Henderson, and unanimously approved that any action on the request be postponed until further medical evidence is received.

JACK W. HIGGINS: FURTHER CONSIDERATION OF REQUEST FOR DISABILITY RETIREMENT IN THE LINE OF DUTY.

Further consideration was given to Jack W. Higgins' request for disability retirement in the line of duty.

At a previous meeting, the Board had requested that Mr. Higgins submit all service-connected medical records for their review. Mrs. Hudson advised the Board that a request

PENSION AND DISABILITY FUND

The Board of Trustees of the Asheville Policemen's Pension and Disability Fund met in special session on Friday, September 28, 1979 at 10:00 A.M. in the Council Chambers of the City Hall Building. Present were: William C. Frue, Jr., Chairman; F. Jack Cole, Trustee; Walter L. Dillingham, Trustee; Robert J. Robinson, Counsel to the Board; Samuel N. Graves, Director of Employee Services; and Lla Leet L. Hudson, Fringe Benefits Administrator.

Also Present: James E. Ertzberger; Oscar M. Dillingham; Richard C. Roberts; and Jack W. Higgins.

JACK W. HIGGINS: CONSIDERATION OF RECOMMENDATION OF BOARD OF EXAMINERS.

At the September 17, 1979 meeting of the Board of Examiners, approval had been granted (by a 3 to 1 vote) to Jack W. Higgins' request for disability in the line of duty based on medical evidence received by the Board. Mr. Michalove, of the Board of Examiners, had voted in the negative and had requested medical records from VA to assure that the problems had not been pre-existing.

Mr. Higgins presented VA medical records to the Board of Trustees; Board reviewed records noting that diabetes had first been diagnosed in 1971 and that other medical problems had seemingly developed since that time. (Medical problems listed in August 20, 1979 minutes of the Board of Examiners.)

After lengthy discussion in which Mr. Dillingham questioned definition of "Old Law" and also stated that under "New Law" the Board could recall retirees for examination, motion was made by Mr. Cole, seconded by Mr. Frue, and approved by a 2 to 1 vote (Mr. Dillingham voting in the negative) to accept the recommendation of the Board of Examiners and to grant Mr. Higgins' request for disability retirement in the line of duty.

OTHER BUSINESS

At a previous meeting, Mr. Robinson had been requested to seek the opinion of the North Carolina Attorney General regarding the inclusion of longevity pay bonus paid subsequent to retirement in the calculation of "base pay" for disability retirement.

Mr. Robinson presented report to the Board that it was the opinion of the Attorney General's office that under the "Old Law", inclusion of longevity pay bonuses should be made when calculation was done; the Board instructed Mrs.

stated that this was prior to their marriage and she could not testify about that.

After discussion in which it was pointed out that all police officers are "on call 24 hours a day as a part of their duty" and that this was not a special case and because Mr. Arendale was not on duty at the time of his death and that his death was due to ~~normal~~ NATURAL causes, motion was made by Dr. Henderson, seconded by Mr. Best, and unanimously approved that the request of Mrs. Arendale for a change in status of the disability retirement be denied.

Mr. Robinson advised the Board to indicate to Mrs. Arendale and Mr. Pope their avenue of appeal was to the Board of Trustees, which the Board did.

Mr. Pope advised Mrs. Hudson that he was, at this time, giving Notice of Appeal to the Board of Trustees.

There being no further business, the meeting was upon motion adjourned at 10:50 A.M. A complete tape recording of this meeting is on file in the office of the Fringe Benefits Administrator in the Department of Employee Services.

The Board of Examiners of the Asheville Policemen's Pension and Disability Fund met in regular session on Monday, August 20, 1979 at 10:00 A.M. in the Council Chambers of the City Hall Building. Present were: Mayor Roy M. Trantham, Chairmen; John M. Biggs, representative of the Police Department; Dr. John A. Henderson, M. D.; Kenneth M. Michalove, City Manager; Robert J. Robinson, Attorney at Law/Legal Counsel of the Board; Samuel N. Graves, Director of Employee Services; and Lla Leet L. Hudson, Fringe Benefits Administrator.

Also present: Officers Jack W. Higgins and Harold E. Newsome.

Absent: John Best (confinement in hospital).

REQUEST/REPLY - NORTH CAROLINA ATTORNEY GENERAL

At a previous meeting, the Board had requested that Mr. Robinson seek an opinion from the Attorney General of North Carolina as to whether requests/cases pending before the Board should be considered under the guidelines set forth in the "Old Law" (Chapter 188 of 1977 Session Laws of North Carolina General Assembly) or "New Law" (Chapter 429 of 1979 Session Laws of North Carolina General Assembly). Copies of the request and the reply were presented to the Board by Mr. Robinson.

In the reply, Ms. Norma Harrell, Assistant Attorney General, stated that "it is the opinion of this office that applications based on alleged disabilities occuring before April 20, 1979, the date on which the provisions of the Asheville Policemen's Pension and Disability Fund were amended, should be considered under the statutory provisions as they existed at the time the disability occurred."

WALTER D. GILCHRIST: FURTHER CONSIDERATION OF REQUEST FOR DISABILITY RETIREMENT IN THE LINE OF DUTY.

Further consideration was given to Walter D. Gilchrist's request for disability retirement in the line of duty.

At a previous meeting, after review of medical evidence indicating that Mr. Gilchrist was a diabetic unable to perform the spontaneous, rigorous, apprehensive duties of a police officer, the Board had recommended that Mr. Gilchrist be granted a temporary disability retirement not in the line of duty. (The recommendation was approved by the Board of Trustees to be effective June 1, 1979.)

The Board of Trustees of the Asheville Policemen's Pension and Disability Fund met in regular session on Friday, August 24, 1979 at 10:00 A.M. in the Council Chambers of the City Hall Building. Present were: William C. Frue, Jr., Chairman; Walter L. Dillingham, representative of the Police Department; F. Jack Cole, Councilman; Robert J. Robinson, Attorney for the Board; Samuel N. Graves, Director of Employee Services; and Lla Leet L. Hudson, Fringe Benefits Administrator.

HAROLD E. NEWSOME: CONSIDERATION OF RECOMMENDATION OF BOARD OF EXAMINERS TO GRANT REQUEST FOR DISABILITY RETIREMENT IN THE LINE OF DUTY.

As reported in the minutes of the August 20, 1979 meeting of the Board of Examiners, recommendation for approval of Harold E. Newsome's request for disability retirement in the line of duty had been made pending receipt of a second physician's medical report (to be submitted prior to this meeting).

Mrs. Hudson advised the Board that such report had been received from Dr. Wade H. Saunders, III, M.D., and that the report had been forwarded to members of the Board for their review.

After discussion, motion was made by Mr. Cole, seconded by Mr. Dillingham, and unanimously approved that the recommendation of the Board of Examiners be accepted and that Mr. Newsome be granted disability retirement in the line of duty.

LAWRENCE B. TREXLER, JR.)
RAY E. JARRETT)
RAYMOND G. ARENDALE)
CONSIDERATION OF RECOMMENDATION OF BOARD OF EXAMINERS TO DENY REQUEST FOR CHANGE IN STATUS OF DISABILITY RETIREMENT.

As reported in the minutes, the Board of Examiners had recommended that the requests of Lawrence B. Trexler, Jr., surviving spouse of Ray E. Jarrett, and surviving spouse of Raymond G. Arendale for a change in status of disability retirement from not in line of duty to in the line of duty be denied.

After discussion in which it was noted by Mr. Robinson that the Board of Examiners had made such recommendation but had also agreed to hear any evidence that might be submitted, motion was made by Mr. Dillingham, seconded by Mr. Cole, and unanimously approved that the recommendation of the Board of Examiners be accepted and that the requests for change in status of disability retirement be denied.

After further discussion, Mr. Michalove requested that the motion be amended to state that recommendation to grant Mr. Newsome's request be made to the Board of Trustees pending receipt of a second physician's diagnosis/opinion. Such amendment was made to the original motion by Mr. Michalove, seconded by Dr. Henderson, and unanimously approved. Mr. Newsome is to submit such report prior to the meeting of the Board of Trustees.

JACK W. HIGGINS: FURTHER CONSIDERATION OF REQUEST FOR DISABILITY RETIREMENT IN THE LINE OF DUTY.

Further consideration was given to Jack W. Higgins' request for disability retirement in the line of duty.

At a previous meeting, the Board had recommended that Mr. Higgins be granted a temporary disability retirement not in the line of duty when all sick leave had been exhausted, and had advised Mr. Higgins that his request would be reviewed upon receipt of the opinion of Attorney General.

Mrs. Hudson reviewed the case to date. She advised the Board that a letter dated March 2, 1979 had been received from Dr. Lewis C. Sommerville, M.D. In his letter, Dr. Sommerville stated that Mr. Higgins had been a patient, having seen him last in December, 1973; since that time, he had been receiving medical care from Oteen Veterans Hospital; at the time under his care, Mr. Higgins was a known diabetic, suffered from high blood pressure, and was overweight; since that time, condition has been about the same, but has developed some episodes of staggering and more visual disturbances. Dr. Sommerville also stated that he felt that Mr. Higgins' disease was progressing. Mrs. Hudson further advised that a hospital summary from Oteen Veterans Hospital had been received. The report/summary stated that Mr. Higgins has had insulin-requiring diabetes since 1970; was admitted to the hospital for investigation concerning frequent episodes of staggering with dizziness, but not true vertigo; also had complaints of weakness in right leg and right calf and knee frequently ache; complaints of occasional blurring of vision unrelated to staggering episodes. Physical examination revealed that he was normotensive and obese; appeared to be slightly decreased power in right arm, right leg and right eyelid although facial grimace was normal; no abnormality shown by skull x-ray and brain scan; possibility that symptoms of weakness on right side are related to an old stroke and staggering attacks might also be related to this, although

The Board further advised Mr. Gilchrist that this temporary disability retirement would be reviewed upon receipt of an opinion from the Attorney General. He was also advised that if he wished to pursue his request for a line of duty disability retirement because of a back strain (in addition to his diabetic condition) further medical evidence from an orthopedic physician would be needed.

Mrs. Hudson advised the Board that a report from Dr. D. L. Jarrett, M.D., had been received and presented it to the Board.

After review and discussion as to what condition Mr. Gilchrist was requesting disability retirement for, motion was made by Mr. Michalove, seconded by Dr. Henderson, and unanimously approved that any action be postponed as Mr. Gilchrist and his attorney were not present.

HAROLD E. NEWSOME: FURTHER CONSIDERATION OF REQUEST FOR DISABILITY RETIREMENT IN THE LINE OF DUTY.

Further consideration was given to Harold E. Newsome's request for disability retirement in the line of duty.

At a previous meeting, the Board had recommended that Mr. Newsome be placed on temporary disability retirement not in the line of duty when all sick leave had been exhausted, and had advised Mr. Newsome that his request would be reviewed upon receipt of the opinion from Attorney General.

Mrs. Hudson reviewed the case to date, stating that a letter had been received from Dr. Zebulon Weaver, III, M.D., on May 14, 1979 in answer to the Medical Questionnaire. Dr. Weaver stated that Mr. Newsome had been in excellent health until 02/12/79 when he experienced severe chest pain; he was admitted to Memorial Mission Hospital and a diagnosis of acute myocardial infarction was made.

After discussion, motion was made by Dr. Henderson and seconded by Mr. Biggs to recommend to the Board of Trustees that Mr. Newsome's request for disability retirement in the line of duty be granted. Dr. Henderson stated that "he is disabled and we have no choice but to grant (his request) under the 'Old Law'". Mr. Michalove noted that, to date, only one (1) physician's diagnosis/opinion had been received and that it was the administrative requirement of the Board to receive at least two (2) such opinions.

WALTER D. GILCHRIST: FURTHER CONSIDERATION OF REQUEST(S) FOR DISABILITY
JACK W. HIGGINS: RETIREMENT IN THE LINE OF DUTY.
HAROLD E. NEWSOME:

Further consideration was given to request(s) for disability retirement in the line of duty submitted by Walter D. Gilchrist, Jack W. Higgins, and Harold E. Newsome.

After brief discussion in which it was noted that sick leave benefits would soon be exhausted if no decision was forthcoming, motion was made by Dr. Henderson, seconded by Mr. Best, and unanimously approved that the claimants be granted temporary disability retirement not in the line of duty pending receipt of the requested opinion from the Attorney General; the Board to retain jurisdiction of the matter for further consideration after such receipt of opinion. Such retirement benefits are to begin when sick leave for each has been exhausted. Mr. Gilchrist was also instructed to provide additional medical evidence from an orthopaedic surgeon to prove disability relating to his back was from injury.

ACTION BY BOARD OF TRUSTEES:

Walter D. Gilchrist: Motion was made by Mr. Cole, seconded by Mr. Dillingham, and unanimously approved to concur with the findings of the Board of Examiners and to grant Mr. Gilchrist disability retirement not in the line of duty.

Jack W. Higgins: Motion was made by Mr. Cole, seconded by Mr. Dillingham, and unanimously approved to concur with the findings of the Board of Examiners and to grant Mr. Higgins disability retirement not in the line of duty to be effective when sick leave benefits exhausted.

Harold E. Newsome: Motion was made by Mr. Cole, seconded by Mr. Frue, and approved by a two to one (2 to 1) vote to concur with the findings of the Board of Examiners and to grant Mr. Newsome disability retirement not in the line of duty to be effective when sick leave benefits exhausted. Mr. Dillingham voted negatively on the motion stating that Mr. Newsome had his heart attack while on duty.

It was noted that Mr. Gilchrist had been off the payroll for some time having already exhausted sick leave benefits; therefore, it was the decision of the Board to grant Mr. Gilchrist retirement benefits retroactively to June 01, 1979.

Mr. Frue explained to Mr. Newsome that by affirming the decision of the Board of Examiners with regard to the non-line of duty disability retirement in no way meant that the Board was divesting themselves of the right to reconsider or make further determination of the request pending receipt of the Attorney General's opinion and that hopefully, such decision could be made at the next meeting.

possibility of tumor in left hemisphere; also possibility that staggering attacks are related to some type of temporal lobe seizure; EEG ordered; patient has been declared totally disabled for his work as a policeman unless some correctable cause for the staggering attacks can be found; physician (H. Hope-Gill) concurs.

After the review, motion was made by Dr. Henderson and seconded by Mr. Biggs that Mr. Higgins' request for disability retirement be granted. In the discussion that followed, Mr. Michalove asked what connection to line of duty was this; Dr. Henderson stated that "under the 'Old Law', it was not required to be work-related; only that it have its origin during employment." Mr. Michalove then raised the question and/or possibility of the condition pre-existing date of employment. Mr. Higgins stated that onset of condition was after his date of employment. Mr. Michalove noted that Mr. Higgins was an ex-serviceman and asked if he would provide the Board with all service-connected medical records to verify his testimony that no prior medical condition existed.

Mr. Michalove then made a motion to ask that Mr. Higgins' service-connected records be provided. Dr. Henderson noted that the original motion (request for disability retirement be granted) was still on the floor; however, Mr. Biggs withdrew his second and the original motion died for lack of a second.

Mr. Michalove again made a motion asking for all service-connected records to be provided; motion was seconded by Mr. Biggs. The motion was approved by a 2 to 1 vote with Dr. Henderson opposing.

LAWRENCE B. TREXLER, JR.)	FURTHER CONSIDERATION OF REQUEST
RAY E. JARRETT)	FOR CHANGE IN STATUS OF DISABILITY
RAYMOND G. ARENDALE)	RETIREMENT TO IN LINE OF DUTY.

Further consideration was given to the above three (3) requests for a change in status of disability retirement from not in line of duty to in line of duty.

Mr. Robinson advised the Board that Marvin Pope, attorney representing Mrs. Arendale, was out of town and had asked that any action on this request be postponed.

However, after brief discussion, motion was made by Dr. Henderson, seconded by Mr. Michalove, and unanimously approved that the requests of Lawrence B. Trexler, Jr., sur-

This Fund was to be created in this manner:

> The City Accountant was required to deduct two (2%) per cent of the monthly salary of Asheville Policemen and to pay the funds so deducted into the "Policeman's Pension Fund" of which the Mayor of the City of Asheville was designated custodian. Then, on July 1, 1939 and each twelve (12) months thereafter, the City was to pay to the Fund "two (2%) per cent of the total payroll of the Police Department for the twelve (12) months of the succeeding (sic) fiscal year"

After dealing with retirement of policemen based upon chronological age and years of service as a member of the Asheville Police Department, this Act provided for compensation to any policeman who, after three (3) or more years service on the Asheville Police Force, might thereafter become disabled and to his unremarried widow if he should die as the result of the disability. (Sections 7 & 8)

Two classifications of disablement were created:

(1) First, if any Member of the Asheville Police Department became "disabled while acting in the line of his police duties and is unable to work, he shall receive each month during such disability an amount equal to his full monthly salary as paid by the City of Asheville," and

(2) If any member of the Asheville Police Department "becomes disabled not in line of duty, he shall receive annually a sum equal to three and one-half (3-1/2%) per cent of his total earnings from the beginning of his service on the Asheville Police Department to the time of his disability".

(B) RELEVANT AMENDMENTS BEFORE 1960

While Chapter 242 of the Public Local Laws of 1939 was amended by Chapter 311 of the Session Laws of 1945, those amendments simply made it clear that provisions of the pension fund covered only those men employed by the City of Asheville and assigned to the Police Department of the City of Asheville and that temporary or other employees were not covered. Additionally, this 1945 amendatory statute allowed the Pension Board to invest any surplus funds in certain designated investments.

The only significant relevant amendments to Chapter 242 of the Public-Local Laws of 1939 made prior to April 1, 1960 were made by Chapter 322 of the Session Laws of 1955. That statute increased from two (2%) per cent to five (5%) per cent the amount which the County Accountant was authorized to deduct from the monthly salary of every man on the City Payroll of the Police Department of the City of Asheville and required that One ($1.00) Dollar from costs collected in each case disposed of in the Asheville Police Court be paid to the Asheville Policemen's Pension and Disability Fund.

1. Then, the 1955 Act reduced the amount to be received by a policeman for disability in line of duty from "his full monthly salary" to "seventy (70%) per cent of his monthly salary as then paid by the City of Asheville".

MEMORANDUM TO ASHEVILLE CITY COUNCIL

MELVIN C. WALSH, JR. became a Member of the Asheville Police Department on April 1, 1960. From that date until October 5, 1983, Mr. Walsh continuously served as a member of that Department.

On October 5, 1983, while on duty with the Asheville Police Department, he suffered a disabling heart attack. Being unable to return to active service as a policeman for the City of Asheville, Mr. Walsh made application to the Board of Examiners and Board of Trustees of Asheville Policemen's Pension and Disability Fund that he be granted retirement from the Asheville Police Department by reason of his having become disabled while acting in the line of duty.

After conducting a Hearing on August 20, 1984, the Board of Examiners entered its Decision to deny his request for disability retirement in the line of duty but to recommend to the Board of Trustees that he be retired for disability not in the line of duty. Following that meeting of the Board of Examiners, the Board of Trustees met and rendered its Decision to accept the recommendation of the Board of Examiners that Mr. Walsh be granted a disability retirement not in the line of duty to be effective September 1, 1984.

Mr. Walsh was advised of these Decisions by letter dated August 28, 1984. Thereafter, on September 6, 1984, and within ten (10) days of receipt of the letter of August 28, 1984, Mr. Walsh filed his Appeal to the Asheville City Council for review of that portion of the Decision of the Board of Examiners, concurred in by the Decision of the Board of Trustees, that the disability for which he has been granted retirement was not in the line of duty.

(A) THE BACKGROUND

Provision of a fund for payment of compensation to retired and disabled Police Officers of the City of Asheville came with the enactment of Chapter 242 of the Public-Local Laws of 1939. Effective March 17, 1939, this Statute, "An Act to Establish a Pension Fund for the Retirement and Disability of Police Officers of the City of Asheville", established a fund known as "The Asheville Policemen's Pension and Disability Fund".

the Board of Examiners and ordered the cause remanded to the Board of Examiners for entry of an Order awarding Mrs. Duckett a pension based upon Lt. Duckett's death's being "while acting in the line of his duties".

The Board of Examiners appealed to the Supreme Court of North Carolina. The Supreme Court, in an opinion written by Justice (now Chief Justice) Branch for a unanimous Court, affirmed Judge Martin's Judgment. In its opinion, the Supreme Court said (at 271 N.C. 437):

> "Thus, we hold that a person is acting "while in the line of duty" when he acts at the time and place he is required to be at work and when he is engaged in the performance of his duties or is engaged in activities incidental to his duties. The term 'while in line of duty' is synonymous with 'while in the course of employment' or 'while in discharge of duty'.
>
> "The statute before us is clear, positive and understandable, and expresses a sensible meaning.
>
> "In order for appellant to prevail, we would have to read into the statute a requirement that there be a causal relation between his disability and his duties. This we cannot do."

(D) CHAPTER 188 OF THE 1977 SESSION LAWS

By Chapter 188 of the Session Laws of 1977 which was ratified and became effective on April 12, 1977, the General Assembly undertook to supersede Chapter 242 of the Public-Local Laws of 1939, as amended, and to substitute in thue place of those enactments a new Act to provide for the retirement and disability of policemen and firemen of the City of Asheville.

Section 9(a) of Chapter 188 deals with disability while acting in the line of duty and Section 9(b) deals with disability not in the line of duty.

(1) Disability in the line of duty is applicable where any member of the Asheville Police Department "shall become disabled while acting in the line of his police duties or as a result of the performance of duties as a member of the Asheville Police Department, and is unable to work as a policeman".

(a) This language broadened substantially entitlement to disability in line of duty.

2. Under this language, a policeman would be entitled to retirement for disability if he became disabled while acting in the line of his duties or if he became disabled, not while acting in the line of his duties, but as a result of the performance of duties as a member of the Asheville Police Department and was unable to work as a policeman.

3. By the terms of this language, a policeman who became disabled and unable to work as a policeman would be entitled to disability retirement if he became disabled while he was working as a policeman or, if he became disabled while not working as a policeman but by reason of something occurring while he was working as a policeman.

2. With reference to payment for disability in line of duty, the 1955 Act provided that such disability existed if a member of the Asheville Police Department "shall become disabled while acting in the line of his police duties and is unable to work".

(C) STATUTORY MEANING OF "IN LINE OF DUTY" DISABILITY -- MARCH 25, 1955 THROUGH APRIL 12, 1977

Section 7 of Chapter 242 of Public-Local Laws of 1939 and the Amendment thereto made by Chapter 322 of the 1955 Session Laws provided for disability payments to any member of the Asheville Police Department who "became disabled while acting in the line of his police duties and is unable to work".

This statutory arrangement remained unaltered until the enactment of Chapter 188 of the Session Laws of 1977 which was ratified and became effective on April 12, 1977. Since that statute has language identical to Chapter 322 of the 1955 Session Laws with respect to disability retirement, the interpretation provided by our Supreme Court as to the meaning of becoming disabled "while acting in the line of duty" is pertinent here.

The meaning of "while in the line of duty", as used in these statutes, is found in the Opinion of the Supreme Court of North Carolina in a case entitled "In Re The Claim of Mildred Lunsford Duckett, Widow of Lt. Arthur Walter Duckett for Payment of Pension by Board of Examiners of Asheville Firemen's Pension and Disability Fund", 371 N.C. 430 (1967).

The Duckett case involved the interpretation of Chapter 320 of the 1955 Session Laws. That statute provided for payment to members of the Asheville Fire Department for disability in line of duty.

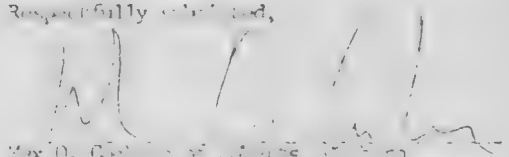
Briefly stated, the facts of the Duckett case are these:

> Lt. Arthur Walter Duckett was employed as a fireman by the City of Asheville on March 7, 1966. On that day, Lt. Duckett and two (2) other firemen went to a brush fire on Chapel Park Place. Lt. Duckett participated with the other firemen in beating out the fire and, when the fire was under control, Lt. Duckett walked up to and leaned on the engine, remarked that his chest was hurting, and told the firemen to hurry back to the station. When they reached the station, Lt. Duckett walked a distance of about 50 feet and was found lying near the bathroom door. He was dead when the ambulance arrived and the death certificate listed "coronary occulusion due to coronary thrombosis" as the cause of his death. Lt. Duckett's widow applied to the Board of Examiners for a pension based upon the premise that Lt. Duckett became disabled and died while acting in the line of his duties. The Board of Examiners ruled that Mrs. Duckett was not entitled to receive 70% of Lt. Duckett's monthly salary as she had requested. The Board found that Lt. Duckett's heart attack was not caused and did not result from exertion or exhaustion relating to the fire fighting or line of duty but that it resulted from some disease or condition or infirmity not caused by his work and duties as a fireman.

Upon Petition to the Superior Court, the matter was brought before Judge Harry C. Martin for consideration. Judge Martin reversed the order of

of his duties by imposing more stringent requirements precedent for his receipt of the pension than existed at the time of his employment and for 19 years thereafter would deprive him of his property without due process of law and would be in violation of the fundamental law of the United States and of the State of North Carolina.

Respectfully submitted,



Max O. Cogburn of Cogburn, Goosmann, McClure and Williams
Attorneys for Melvin C. Walsh, Jr.

(E) THE 1979 AMENDMENTS

In 1979 the General Assembly enacted Chapter 429 of the Session Laws which was ratified and became effective on April 20, 1979. This legislation undertook to delete Section 9 of Chapter 188 of the Session Laws of 1977 and to substitute a new Section 9 for it.

The new Section 9(b) provides that in the event any member of the Asheville Police Department becomes disabled while acting in the line of duty and is unable to work as a policeman, he shall receive monthly a sum equal to 70% of his basic monthly salary rate as then paid by the City of Asheville, provided that the disability is while acting in the line of duty "as defined in this Act".

Section 9(a) of Chapter 429 undertakes to create a special definition of the phrase "line of duty" which is contrary to the ordinary meaning of that phrase as spelled out by our Supreme Court in the Duckett case. Section 9(a) undertakes to require that before a policeman would be entitled to disability or death benefits "in line of duty" the disability or death must be the natural and proximate result of an accident occurring while he is in the actual performance of his duty as a member of the Asheville Police Department at some definite time and place.

This language undertakes to impose a more restrictive standard for compensation in the event of disability or death in the line of duty than had been applicable throughout the 19 years of Mr. Walsh's employment with the Police Department of the City of Asheville prior to the enactment of that statute.

(F) THE DISABILITY OF MELVIN C. WALSH, JR. IS THE NATURAL AND PROXIMATE RESULT OF AN ACCIDENT WHICH OCCURRED WHILE HE WAS IN ACTUAL PERFORMANCE OF HIS DUTIES AS A MEMBER OF THE ASHEVILLE POLICE DEPARTMENT

On October 6, 1983, Melvin C. Walsh, Jr. was on duty as a member of the Police Department of the City of Asheville when he suffered a heart attack (i.e. 'a cardiovascular accident'). The evidence clearly establishes that the stress under which he was operating led directly to this heart attack. Now that he has had the heart attack, Mr. Walsh is no longer able to deal with the stress which helped cause the heart attack and he is now mentally and physically totally incapacitated for further performance of duty as a policeman.

(G) CLAIMANT'S RIGHT TO A PENSION IS A PROPERTY RIGHT

Melvin C. Walsh, Jr. has been compelled, since his employment as a policeman on April 1, 1960, to contribute 5% of his earnings as a policeman to the Pension and Disability Fund. When the 1979 Act was passed, he had contributed 19 years of his life and 5% of his earnings during that period with the hope and the right to hope that he would receive pension, disability or otherwise, in accordance with the law as it existed as this service was being rendered and as these contributions were being made.

Application of the 1979 Statute to Mr. Walsh in such a way as to deprive him of the pension for disability occurring while acting in the line

In the General Assembly read three times and ratified, this the 25th day of March, 1955.

S. B. 276 CHAPTER 322

AN ACT AMENDING CHAPTER 242, PUBLIC-LOCAL LAWS OF 1939, THE SAME BEING AN ACT TO ESTABLISH A PENSION FUND FOR THE RETIREMENT AND DISABILITY OF MEMBERS OF THE POLICE DEPARTMENT OF THE CITY OF ASHEVILLE.

The General Assembly of North Carolina do enact:

Section 1. That Section 1 of Chapter 242 of the Public-Local Laws of 1939 be and the same is hereby amended by striking out all of subsections (a), (b) and (d) thereof, and inserting in lieu thereof the following:

"(a) The City Accountant of the City of Asheville is hereby authorized and empowered to deduct for each calendar month, beginning on July 1, 1955, five (5%) per cent of the monthly salary of every man on the city payroll of the Police Department of the City of Asheville.

"(b) That after deducting the five (5%) per cent set out in subsection (a) of this Section the city accountant shall pay over to the Policemen's Pension Fund the amount equal to five (5%) per cent of the total salaries set out in the above paragraph.

"(d) That on or after July 1, 1955 any member of the Police Department who ceases to be a member thereof for any reason whatsoever may, upon written application to the Board of Examiners, be entitled to be refunded in full for all funds deducted from his monthly salary and paid into the Asheville Policemen's Pension and Disability Fund since July 1, 1955; provided that upon acceptance of said refund he thereby automatically waives any and all pension rights and is thereafter barred from any benefits or payments or any other rights under Chapter 242 of the Public-Local and Private Laws of 1939, as amended."

Sec. 2. That Section 7 of Chapter 242 of the Public-Local Laws of 1939 be amended by striking out all of said Section 7 and inserting in lieu thereof the following:

"Sec. 7. Payment for Disability in Line of Duty.—That if and in the event any member of the Asheville Police Department qualifying under this Act shall become disabled while acting in the line of his police duties, and is unable to work, he shall receive monthly a sum equal to seventy (70%) per cent of his monthly salary as then paid by the City of Asheville, said seventy (70%) per cent of said monthly salary shall be paid in monthly installments by the custodian of the Policemen's Pen-

such programs. In the event funds appropriated for the purposes of this section are turned over to any agency or organization other than the city for expenditure, no such expenditure shall be made until the city has approved it, and all such expenditures shall be accounted for by the agency or organization at the end of the fiscal year for which they were appropriated. For purposes of this section, the words 'senior citizens' shall mean citizens of a city who are at least 60 years of age."

Sec. 2. G.S. 160A-209(c) is amended by inserting therein a new subdivision (28) to read: "(28) Senior citizens programs. To undertake programs for the assistance and care of its senior citizens" and by renumbering subsequent subdivisions accordingly.

Sec. 3. This act shall become effective upon ratification.

In the General Assembly read three times and ratified, this the 12th day of April, 1977.

H. B. 758 CHAPTER 188

AN ACT TO SUPERSEDE CHAPTERS 242 AND 243 OF THE 1939 SESSION LAWS, AMENDED BY CHAPTERS 310 AND 311 OF THE 1945 SESSION LAWS AND CHAPTERS 320 AND 322 OF THE 1955 SESSION LAWS, RELATING TO THE POLICEMEN AND FIREMEN PENSION FUND OF THE CITY OF ASHEVILLE AND SUBSTITUTING IN LIEU THEREOF A NEW ACT TO PROVIDE FOR THE RETIREMENT AND DISABILITY OF POLICEMEN AND FIREMEN OF THE CITY OF ASHEVILLE.

The General Assembly of North Carolina enacts:

Section 1. Chapters 242 and 243 of the 1939 Session Laws, Chapters 310 and 311 of the 1945 Session Laws and Chapters 320 and 322 of the 1955 Session Laws are hereby superseded by this act.

Sec. 2. Definition, policemen's fund. For the purposes of this act, members of the Asheville Police Department shall mean those persons in the full-time employ of the City of Asheville and assigned to the Police Department of the City of Asheville, excluding participants in the Asheville General Employees Retirement Plan, it being the purpose herein that only those persons who are full-time employees of the Police Department of the City of Asheville shall receive benefits under this act and no temporary or otherwise appointments.

Sec. 3. Establishment and composition of policemen's fund; refund of salary deductions. A pension fund is hereby established and placed under the management of a board of trustees for the purposes of providing retirement allowances and other benefits under the provisions of this act for members of the Police Department of the City of Asheville to be known as the "Asheville Policemen's Pension and Disability Fund" (herein called, "policemen's fund"), and said fund shall be made up and established as follows:

(a) The Director of Finance of the City of Asheville is hereby authorized, directed, and empowered to deduct for each calendar month beginning on July 1, 1955, five percent (5%) of the monthly salary of every member of the policemen's fund as defined in this act.

(b) That after deducting the five percent (5%) set out in subsection (a) of this section, the director of finance shall pay over to the policemen's fund the

are reduced as much as one-half, then there shall be paid to the Asheville Policemen's Pension and Disability Fund, if and when same are collected, the sum of fifty cents (50c) in each and every case."

Sec. 5. Any and all Public, Public-Local or Private Laws heretofore enacted by the General Assembly relating to costs in the Police Court of the City of Asheville, are hereby amended so as to give full force and effect to the provisions of Section 4 of this Act.

Sec. 6. That all laws and clauses of laws in conflict with the provisions of this Act are hereby repealed.

Sec. 7. That this Act shall be in full force and effect from and after its ratification.

In the General Assembly read three times and ratified, this the 25th day of March, 1955.

S. B. 286 CHAPTER 323

AN ACT TO AMEND THE PLAN D FORM OF GOVERNMENT AS APPLICABLE TO WASHINGTON, NORTH CAROLINA.

The General Assembly of North Carolina do enact:

Section 1. The provisions of G. S. 160-347, authorizing the mayor and council to elect from their membership a treasurer shall not be applicable to the City of Washington, North Carolina, which has adopted the Plan D form of government, and the said treasurer shall be elected by the mayor and council as provided by said Section but the said treasurer shall not be a member of the said council.

Sec. 2. The City Council of the City of Washington, North Carolina, shall elect the city clerk and the city attorney, and shall fix their compensation, and the provisions of G. S. 160-350 with respect to the city clerk and city attorney shall not be applicable to the City of Washington, North Carolina.

Sec. 3. This Act shall be applicable to the election of the city treasurer, city clerk and city attorney for the next fiscal year of the City of Washington, North Carolina, and for the succeeding years thereafter.

Sec. 4. All laws and clauses of laws in conflict with this Act are hereby repealed.

Sec. 5. This Act shall be in full force and effect from and after its ratification.

In the General Assembly read three times and ratified, this the 25th day of March, 1955.

H. B. 117 CHAPTER 324

AN ACT AMENDING G. S. 162-6 FIXING THE FEES TO BE CHARGED BY THE SHERIFF AND OTHER LAW ENFORCEMENT OFFICERS OF WAKE COUNTY.

The General Assembly of North Carolina do enact:

Section 1. G. S. 162-6, as amended, is hereby further amended by adding the following paragraph at the end thereof:

for the preceding year, the amount of the accumulated cash and securities of the fund, and the last balance sheet showing the financial condition of the fund by means of an independent audit of the fund using generally accepted accounting principles.

Sec. 5. Normal retirement. Any person who is now a member of the Asheville Police Department, as shown by the records of the City of Asheville, and who becomes a member of the police department on and after March 17, 1939, subject to the provisions of Section 14 of this act, and who has a service of 20 years with said police department, and who has arrived at an age of 60 years, shall have the right to retire from service from the Police Department of the City of Asheville and receive benefits of retirement as set out in this act.

Sec. 6. Mandatory retirement. Any person who becomes a member of the Police Department of the City of Asheville on and after March 17, 1939, subject to the provisions of Section 14 of this act, and has served in said department for 20 years, and has arrived at the age of 60 years, shall retire from the active service of the Police Department of the City of Asheville and shall receive the benefits of the policemen's fund, as set out in this act.

Sec. 7. Credit for service with fire department. Any person who has been in the employ of the City of Asheville as a member of the Asheville Fire Department and has been transferred to the employ of the Asheville Police Department shall receive credit, for the purpose of retirement as set out in this act, for the number of years' service that he has had as a member of the Asheville Fire Department.

Sec. 8. Retirement benefits. (a) Any member of the Asheville Police Department who wishes to retire under the specifications set out in Section 5 of this act, and who has become 60 years of age, and has a total service of 20 years shall receive annually from the policemen's fund, as set out in this act, a sum equal to three and one-half percent (3 1/2%) of the total salary that he has received for the last 20 years of service with the department, said three and one-half percent (3 1/2%) shall be paid in monthly installments by the board of trustees of the policemen's fund; provided, however, that if the officer coming under the specifications of this section shall die, then the surviving spouse, so long as said surviving spouse remains unmarried, shall receive fifty percent (50%) of what the member would have received should he have lived.

(b) Any person coming under the specifications of Section 6 of this act and having reached the age of 66 years, and having acquired a service record for 20 years, shall receive the same pension as set out in subsection (a) of this section.

Sec. 9. Disability and death benefits. (a) If and in the event any member of the Asheville Police Department qualifying under this act shall become disabled while acting in the line of his police duties or as a result of the performance of duties as a member of the Asheville Police Department, and is unable to work as a policeman, he shall receive monthly a sum equal to seventy percent (70%) of his monthly salary as then paid by the City of Asheville, said seventy percent (70%) of said monthly salary shall be paid in monthly installments by the board of trustees of the policemen's fund; provided, however, that if under the North Carolina Workmen's Compensation Act he shall receive any payments due to such disability, then the amount of such compensation payment shall be deducted from the amount of his said monthly installment, and there shall be paid from the policemen's fund only such amount as may be required to make up his said monthly installment; provided,

amount equal to five percent (5%) of the total salaries set out in the above paragraph.

(c) That the City of Asheville shall, effective with the ratification of this act, pay into the policemen's fund for the remainder of its fiscal year ending June 30, 1977, and for each full fiscal year beginning on or after July 1, 1977, such additional sums of money over and above the foregoing policemen's employee contributions as may be required to meet the standards of actuarial soundness as certified by a qualified actuary as defined in North Carolina General Statutes 106A-163(d). In no event shall the city's annual contribution be less than the total annual amount contributed by the members of the policemen's fund, as defined in this act. No amendment shall cause or permit any part of the fund's assets to be used for or diverted to purposes other than for the exclusive benefit of the participants and retired participants, or their beneficiaries.

(d) That on or after July 1, 1955, any member of the police department who ceases to be a member thereof for any reason whatsoever may, upon written application to the board of examiners, be entitled to be refunded in full for all funds deducted from his monthly salary and paid into the policemen's fund since July 1, 1955; provided that upon acceptance of said refund he thereby automatically waives any and all pension rights and is thereafter barred from any benefits or payments or any other rights under this act.

Sec. 4. Administration and responsibility for operation of policemen's fund. (a) Board of trustees. The administration and responsibility for the proper operation of the fund and for making effective the provisions of this act are hereby vested in the board of trustees.

(b) Powers and authority of the board of trustees. The board of trustees shall transact all business, invest all funds, and hold cash and securities in the name of the "Asheville Policemen's Pension and Disability Fund".

(c) Members of board. The board shall consist of: (1) a member of the Asheville City Council elected by the city council, who shall serve at the pleasure of the council; (2) an employee of the Fire Department of the City of Asheville under the classified service of said city, other than the fire chief, elected by employees of the fire department for a term of three years beginning with the effective date of this act and every three years thereafter; (3) an employee of the Police Department of the City of Asheville under the classified service of said city, other than the police chief, elected by employees of the police department for a term of three years beginning with the effective date of this act and every three years thereafter. Vacancies occurring during the terms of office of the police and fire trustees shall be filled from the same category as the vacancy.

(d) Operation of fund. The board of trustees shall engage and pay for such actuarial, auditing, investment counseling, legal and other services as shall be required to transact the business of the fund, and in addition, may engage the services of the finance director and the personnel director of the City of Asheville, who shall serve without compensation. The board of trustees shall pay from the policemen's fund benefits as provided for under the terms of this act to such policemen or such beneficiaries as may be entitled under the terms of this act, such benefits to be payable on the first day of each month.

(e) Audit. The board of trustees shall keep a record of all its proceedings and shall publish annually a report showing the fiscal transactions of the fund

who shall not be the fire chief, to be the fifth member of said board; said third, fourth and fifth members shall serve until their successors are duly elected and qualified and said board shall have the power and authority to determine the claims of said policemen claimants coming under the provisions of this act and their decision shall be reported to the board of trustees for their approval.

(b) The board of trustees shall review the findings of the board of examiners and may approve or reverse the findings of the board of examiners.

(c) Any policeman claimant, his beneficiary or representative whose claim has been denied in whole or in part after review by the board of trustees shall have the right to appeal to the Asheville City Council. Such appeal must be filed by the policeman claimant, his beneficiary or representative making with the city clerk within 10 days after receipt of written denial of all or part of the claim by the board of trustees. Such appeal will be heard at a regular weekly city council meeting within six weeks of the filing of the appeal by said policeman claimant, his beneficiary or representative. The decision of the city council shall be final.

(d) The policeman claimant, his beneficiary or representative has the right to file an appeal within 30 days of the city council action outlined in subsection (c) of this section to a court of competent jurisdiction where the issues shall be heard and determined *de novo* with or without a jury.

Sec. 13. Investment of surplus funds. The board of trustees is hereby authorized and empowered to invest any surplus funds accumulated in what is known as the policemen's fund in obligations of the United States Government or obligations fully guaranteed both as to principal and interest by the United States Government or an agency of the United States Government; obligations of the State of North Carolina and certificates of deposit in any banks and shares of any savings and loan associations or building and loan associations operating in the State of North Carolina or credit unions to the extent insured by the government or an agency of the United States.

Sec. 14. Freezing membership in policemen's fund. From and after the effective date of any ordinance of the Asheville City Council establishing an employee retirement and disability plan covering employees of the City of Asheville assigned to the Asheville Police Department under the classified service of said city, future employees so assigned to the police department shall participate in and contribute to such employee retirement and disability plan pursuant to the terms and conditions thereof, and shall not participate in or contribute to the pension plan established by this act; provided, however, that any such employees' retirement and disability plan hereafter established by ordinance of the Asheville City Council shall meet standards of actuarial soundness as required by North Carolina General Statutes 160A-163 and that the city shall contribute such sums of money to said plan as may be required to meet the standards of actuarial soundness as certified by a qualified actuary as defined in North Carolina General Statutes 160A-163(d).

Sec. 15. Definition, firemen's fund. For the purposes of this act, members of the Asheville Fire Department shall mean those persons in the full time employ of the City of Asheville and assigned to the Fire Department of the City of Asheville, it being the purpose herein that only those persons who are full-time employees of the Fire Department of the City of Asheville, excluding participants in the Asheville General Employees Retirement Plan,

(b) If any member of the Asheville Police Department, as set out in this act, becomes disabled not in the line of duty, he shall receive annually a sum equal to three and one-half percent (3 1/2%) of his total earnings from the beginning of his service on the Asheville Police Department to the time of his disability; provided, however, that three years' service with the Asheville Police Department is required before any member thereof can take advantage of this section; provided, further, that if such member should die from disability not received in the line of duty, the surviving spouse shall receive one-half of the pension paid to the member at the time of death so long as said surviving spouse remains unmarried.

(c) If any member of the Asheville Police Department, as set out in this act, shall die leaving no surviving spouse entitled to benefits in accordance with Section 8 or 9 of this act, the funds deducted from such policeman's monthly salary and paid to the policemen's fund shall be paid as follows:

(1) to the child or children of such policeman in equal shares;

(2) if there is no surviving child or children, to the designated beneficiary of the policeman, if any;

(3) if there is no surviving child or children or designated beneficiary, to the executors or administrators of the policeman's estate.

Sec. 10. Reserved.

Sec. 11. Maximum benefits. In no event shall any policeman coming under the provisions of this act receive annually more than three and one-half per cent (3 1/2%) of his total salary for a period of 20 years, as set out in Sections 8 and 9(b) of this act.

Sec. 12. Board of examiners; appeals. (a) The mayor of the City of Asheville shall be the chairman of a board of examiners to determine the claims of policemen claimants under this act; the city manager of the City of Asheville shall be a member of said board; the council of the City of Asheville shall elect for a term of three years beginning on the date of ratification of this act and every three years thereafter a citizen of the City of Asheville who is a medical doctor to be the third member of said board; the Police Department of the City of Asheville shall elect for a term of three years beginning on the date of ratification of this act and every three years thereafter a person who is a member of said police department, who shall not be the police chief, to be the fourth member of said board; the Fire Department of the City of Asheville shall elect for a term of three years beginning on the date of ratification of this act and every three years thereafter a person who is a member of said department,

classified service of said city, other than the fire chief, elected by employees of the fire department for a term of three years beginning with the effective date of this act and every three years thereafter. Vacancies occurring during the terms of office of the police and fire trustees shall be filled from the same category as the vacancy.

(d) Operation of fund. The board of trustees shall engage and pay for such actuarial, auditing, investment counseling, legal and other services as shall be required to transact the business of the fund. In addition, may engage the services of the finance director and the [illegible] director of the City of Asheville, who shall serve without compensation. The board of trustees shall pay from the firemen's fund [illegible] as provided for under the terms of this act to such firemen or such beneficiaries as may be entitled under the terms of this act, such benefits to be payable on the first day of each month.

(e) Audit. The board of trustees shall keep a record of all its proceedings and shall publish annually a report showing the fiscal transactions of the fund for the preceding year, the amount of the accumulated cash and securities of the fund, and the last balance sheet showing the financial condition of the fund by means of an independent audit of the fund using generally accepted accounting principles.

Sec. 18. Normal retirement. Any person who is now a member of the Asheville Fire Department, as shown by the records of the City of Asheville, and who becomes a member of the fire department on and after March 17, 1969, subject to the provisions of Section 27 of this act, and who has a service of 20 years with said fire department, and who has arrived at an age of 60 years, shall have the right to retire from service from the Fire Department of the City of Asheville and receive benefits of retirement as set out in this act.

Sec. 19. Mandatory retirement. Any person who becomes a member of the Fire Department of the City of Asheville on and after March 17, 1969, subject to the provisions of Section 27 of this act, and has served in said department for 20 years, and has arrived at the age of 66 years shall retire from the active service of the Fire Department of the City of Asheville and shall receive the benefits of the firemen's fund, as set out in this act.

Sec. 20. Credit for service with police department. Any person who has been in the employ of the City of Asheville as a member of the Asheville Police Department and has been transferred to the employ in the Asheville Fire Department shall receive credit, for the purpose of retirement as set out in this act, for the number of years' service that he has had as a member of the Asheville Police Department.

Sec. 21. Retirement benefits. (a) Any member of the Asheville Fire Department who wishes to retire under the specifications set out in Section 18 of this act, and who has become 60 years of age, and has a total service of 20 years, shall receive annually from the firemen's fund, as set out in this act, a sum equal to three and one-half percent (3 1/2%) of the total salary that he has received for the last 20 years of service with the department, said three and one-half percent (3 1/2%) shall be paid in monthly installments by the board of trustees of the firemen's fund, provided, however, that if the officer coming under the specifications of this section shall die, then the surviving spouse, so long as said surviving spouse remains unmarried, shall receive fifty percent (50%) of what the member would have received should he have lived.

shall receive benefits under this act and no temporary or otherwise appointments shall receive benefits under this act.

Sec. 16. Establishment and composition of firemen's fund; refund of salary deductions. A pension fund is hereby established and placed under the management of a board of trustees for the purposes of providing retirement allowances and other benefits under the provisions of this act for members of the Fire Department of the City of Asheville to be known as the "Asheville Firemen's Pension and Disability Fund" (herein called, "Firemen's Fund"), and said fund shall be made up and established as follows:

(a) The Director of Finance of the City of Asheville is hereby authorized, directed, and empowered to deduct for each calendar month beginning on July 1, 1955, five percent (5%) of the monthly salary of every member of the firemen's fund as defined in this act.

(b) That after deducting the five percent (5%) set out in subsection (a) of this section, the director of finance shall pay over to the firemen's fund the amount equal to five percent (5%) of the total salaries set out in the above paragraph.

(c) That the City of Asheville shall, effective with the ratification of this act, pay into the firemen's fund for the remainder of its fiscal year ending June 30, 1977, and for each full fiscal year beginning on or after July 1, 1977, such additional sums of money over and above the foregoing firemen's employee contributions as may be required to meet the standards of actuarial soundness as certified by a qualified actuary as defined in North Carolina General Statutes 160A-163(d). In no event shall the city's annual contribution be less than the total annual amount contributed by the members of the firemen's fund, as defined in this act. No amendment shall cause or permit any part of the fund's assets to be used for or diverted to purposes other than for the exclusive benefit of the participants and retired participants, or their beneficiaries.

(d) That on or after July 1, 1955, any member of the fire department who ceases to be a member thereof for any reason whatsoever may, upon written application to the board of examiners, be entitled to be refunded in full for all funds deducted from his monthly salary and paid into the firemen's fund since July 1, 1955; provided that upon acceptance of said refund he thereby automatically waives any and all pension rights and is thereafter barred from any benefits or payments or any other rights under this act.

Sec. 17. Administration and responsibility for operation of firemen's fund.

(a) Board of trustees. The administration and responsibility for the proper operation of the fund and for making effective the provisions of this act are hereby vested in the board of trustees.

(b) Powers and authority of the board of trustees. The board of trustees shall transact all business, invest all funds, and hold cash and securities in the name of the "Asheville Firemen's Pension and Disability Fund".

(c) Members of board. The board shall consist of: (1) a member of the Asheville City Council elected by the city council, who shall serve at the pleasure of the council; (2) an employee of the Police Department of the City of Asheville under the classified service of said city, other than the police chief, elected by employees of the police department for a term of three years beginning with the effective date of this act and every three years thereafter; (3) an employee of the Fire Department of the City of Asheville under the

Sec. 24. Maximum benefits. In no event shall any fireman coming under the provisions of this act, receive annually more than [illegible] and one half percent (3 1/2%) of his total salary for a period of 20 years as set out in sections 21 and 22(b) of this act.

Sec. 25. Board of examiners, appeals. (a) The mayor of the City of Asheville shall be the chairman of a board of examiners to determine the claims of firemen claimants under this act; the city manager of the City of Asheville shall be a member of said board; the council of the City of Asheville shall elect for a term of three years beginning on the date of ratification of this act and every three years thereafter a person of the City of Asheville who is a [illegible] department who shall not be the fire chief, to be the third member of said board; the Police Department of the City of Asheville shall elect for a term of three years beginning on the date of ratification of this act and every three years thereafter a person who is a member of said police department who shall not be the police chief, to be the fourth member of said board; the Fire Department of the City of Asheville shall elect for a term of three years beginning on the date of ratification of this act and every three years thereafter a person who is a member of said department, who shall not be the fire chief, to be the fifth member of said board, said third, fourth and fifth members shall serve until their successors are duly elected and qualified and said board shall have the power and authority to determine the claims of said firemen claimants coming under the provisions of this act and their decision shall be reported to the board of trustees for their approval.

(b) The board of trustees shall review the findings of the board of examiners and may approve or reverse the findings of the board of examiners.

(c) Any fireman claimant, his beneficiary or representative whose claim has been denied in whole or in part after review by the board of trustees shall have the right to appeal to the Asheville City Council. Such appeal must be filed by the fireman claimant, his beneficiary or representative in writing with the city clerk within 10 days after receipt of written denial of all or part of the claim by the board of trustees. Such appeal will be heard at a regular weekly city council meeting within six weeks of the filing of the appeal by said fireman claimant, his beneficiary or representative. The decision of the city council shall be final.

(d) The fireman claimant, his beneficiary or representative has the right to file an appeal within 30 days of the city council action outlined in subsection (c) of this section to a court of competent jurisdiction where the issues shall be heard and determined *de novo* with or without a jury.

Sec. 26. Investment of surplus funds. The board of trustees is hereby authorized and empowered to invest any surplus funds accumulated in what is known as the firemen's fund in obligations of the United States Government or obligations fully guaranteed both as to principal and interest by the United States Government or an agency of the United States Government, obligations of the State of North Carolina and certificates of deposit [illegible] banks and shares of any savings and loan associations or building and loan associations operating in the State of North Carolina or credit unions to the extent insured by the government or an agency of the United States.

Sec. 27. Freezing membership in firemen's fund. From and after the effective date of any ordinance of the Asheville City Council establishing an employee retirement and disability plan covering employees of the City of Asheville assigned to the Asheville Fire Department under the classified

(b) Any person coming under the specifications of Section 19 of this act and having reached the age of 66 years, and acquired a service record for 20 years shall receive the same pension as set out in subsection (a) of this section.

Sec. 22. Disability and death benefits. (a) If and in the event any member of the Asheville Fire Department qualifying under this act shall become disabled while acting in the line of his duties or as a result of the performance of duties as a member of the Asheville Fire Department, and is unable to work as a fireman, he shall receive monthly a sum equal to seventy percent (70%) of his monthly salary as then paid by the City of Asheville, said seventy percent (70%) of said monthly salary shall be paid in monthly installments by the board of trustees of the firemen's fund; provided, however, that if under the North Carolina Workmen's Compensation Act he shall receive any payments due to such disability, then the amount of such compensation payment shall be deducted from the amount of his said monthly installment, and there shall be paid from the firemen's fund only such amount as may be required to make up his said monthly installment; provided, further, that if such member of the Asheville Fire Department shall be killed in the line of his duties, or shall die as a result of a disability as defined in this section, the surviving spouse shall receive, so long as said surviving spouse remains unmarried, the same monthly installment as the member would have received under this section; provided, further, that if, under the North Carolina Workmen's Compensation Act such surviving spouse elects to take a lump sum settlement of the amount due on account of the death of the member, then such surviving spouse, so long as said surviving spouse remains unmarried, shall receive from the firemen's fund each month a sum equal to the difference between the monthly installment that would have been received under the Workmen's Compensation Act and the amount of the deceased member's monthly installment, and such payments from the firemen's fund shall continue so long as said surviving spouse remains unmarried.

(b) If any member of the Asheville Fire Department, as set out in this act, becomes disabled not in the line of duty, he shall receive annually a sum equal to three and one-half percent (3 1/2%) of his total earnings from the beginning of his service on the Asheville Fire Department to the time of his disability; provided, however, that three years' service with the Asheville Fire Department is required before any member thereof can take advantage of this section; provided, further, that if such member should die from disability not received in the line of duty, the surviving spouse shall receive one-half of the pension paid to the member at the time of death so long as said surviving spouse remains unmarried.

(c) If any member of the Asheville Fire Department, as set out in this act, shall die leaving no surviving spouse entitled to benefits in accordance with Section 21 or 22 of this act, the funds deducted from such fireman's monthly salary and paid to the firemen's fund shall be paid as follows:

(1) to the child or children of such fireman in equal shares;

(2) if there is no surviving child or children, to the designated beneficiary of the fireman, if any;

(3) if there is no surviving child or children or designated beneficiary, to the executors or administrators of the fireman's estate.

S. B. 175 CHAPTER 189

AN ACT TO AUTHORIZE THE CORONERS OF CLEVELAND AND RUTHERFORD COUNTIES TO ORDER AUTOPSIES TO BE PERFORMED AND TO COMPLETE THE MEDICAL CERTIFICATION OF DEATH WITH RESPECT TO DEATHS WITHIN THEIR JURISDICTIONS.

The General Assembly of North Carolina enacts:

Section 1. The coroners of Cleveland and Rutherford Counties shall have the authority to order autopsies to be performed by persons authorized by law to perform autopsies with respect to all deaths within their jurisdictions. The coroners may order autopsies to be performed on those deceased persons receiving Veteran's Administration disability benefits at the time of their death. The coroners shall also have the authority to make and sign the medical certification of death with respect to all deaths where there is no evidence of foul play within their jurisdictions. The provisions of this section shall not

Disability Fund only such amount as may be required to make up his said monthly installment; provided, further, that if such member of the Asheville Police Department shall be killed in the line of duty, or shall die as a result of a disability in the line of duty, as defined in this act, the surviving spouse shall receive, so long as said surviving spouse remains unmarried, the same monthly installment which such member would have received under this section; provided, further, that if, under the North Carolina Workmen's Compensation Act such surviving spouse elects to take a lump sum settlement of the amount due on account of the death of the member, then such surviving spouse, so long as said surviving spouse remains unmarried, shall receive from the Policemen's Pension and Disability Fund [illegible] monthly installment, and such payments from the Policemen's Pension and Disability Fund shall continue so long as such surviving spouse remains unmarried.

(c) If any member of the Asheville Police Department, as defined in this act, becomes permanently disabled not in the line of duty and is unable to perform as a policeman, he shall receive annually a sum equal to three and one half percent (3 1/2%) of his total earnings from the beginning of his service with the Asheville Police Department to the time of his disability; provided that no member shall receive credit for more than 20 years service; provided, further, that three years service with the Asheville Police Department is required before any member thereof can take advantage of this section; provided, further, that if he should die while in active service with the Asheville Police Department not in the line of duty or if he should die while receiving benefits for disability retirement not in the line of duty, the surviving spouse shall receive one half of the pension paid to the member at the time of death so long as said surviving spouse remains unmarried.

(d. No member of the Asheville Police Department, as defined in this act, who has attained the age of 60 years shall be eligible for disability or death benefits set forth in Section 9 but shall receive benefits under the terms of Section 8, of this act.

(e) If any member of the Asheville Police Department, as set out in this act, shall die leaving no surviving spouse entitled to benefits in accordance with Section 8 or 9 of this act, the funds deducted from such policeman's monthly salary and paid to the Policemen's Fund shall be paid as follows:

(1) to the child or children of such policeman in equal shares;

(2) if there is no surviving child or children, to the designated beneficiary of the policeman, if any;

(3) if there is no surviving child or children or designated beneficiary, to the executors or administrators of the policeman's estate."

Any person who is now a member of the Asheville Police Department, as shown by the records of the City of Asheville, and who becomes a member of the Police Department on or after March 17, 1939, subject to the provisions of Section 14 of this act, shall be entitled to a retirement benefit in accordance with the following provisions:

(a) Normal Retirement. If such member has completed 20 years of service with the said Police Department, he may, upon arriving at the age of 60 years, or if such member has completed 30 years of service and has arrived at the age of 55 years, retire from the Police Department of the City of Asheville and receive benefits of retirement as set out in Section 8 of this act.

(b) Early Retirement. If such member has completed 20 years of service with said Police Department, he shall be eligible to retire on the first day of any month coinciding with or following attainment of age 55 (hereinafter referred to as his Early Retirement Date) and shall be eligible to receive a deferred retirement benefit commencing upon attainment of age 60. Such benefit shall be equal to the benefit calculated under Section 8 with such calculation being made as of his Early Retirement Date. Such member may elect to receive immediate Early Retirement Benefit commencing on his Early Retirement Date or on the first day of any month between his Early Retirement Date and attainment of age 60. Such benefit shall be equal to the benefit calculated as of his Early Retirement Date with the amount of such benefit being reduced by 1/15th for each year that the commencement of benefit precedes his 60th birthday, with pro rata reduction for full months totalling less than one year.

(c) Deferred Vested Benefit. Such member who terminates his employment after completing 20 years of service with said Police Department shall be entitled to a deferred benefit commencing when he reaches his 60th birthday. Such benefit shall be equal to the benefit calculated under Section 8 with such calculation being made as of the date of his termination of employment. Such member may, upon attainment of age 55, elect to receive an immediate Early Retirement Benefit under the terms and conditions set forth in subsection (b) of this Section 5."

(d) Delete all of Section 9 and substitute in lieu thereof the following:

"Sec. 9. Disability and death benefits. (a) For purposes of this act, references to 'line of duty' shall mean a disability or death which is the natural and proximate result of an accident occurring while in the actual performance of duty as a member of the Asheville Police Department, as defined in this act, at some definite time and place. 'Not in line of duty' shall mean the disability or death occurring as a result of any cause other than 'line of duty'.

(b) If and in the event any member of the Asheville Police Department qualifying under this act shall become disabled while acting in the line of duty, as defined in this act, and is unable to work as a policeman, he shall receive monthly a sum equal to seventy percent (70%) of his basic monthly salary rate as then paid by the City of Asheville, said seventy percent (70%) of said basic monthly salary rate shall be paid in monthly installments by the Board of Trustees of the Asheville Policemen's Pension and Disability Fund; provided, however, that if under the North Carolina Workmen's Compensation Act he shall receive any payments due to such disability, then the amount of such compensation payments shall be deducted from the amount of his said monthly installment, and there shall be paid from the Policemen's Pension and

Department, who shall not be the Police Chief, to be the fourth member of said Board;

(5) the Council of the City of Asheville shall appoint for a term of three years beginning on the date of ratification of this act and every three years thereafter, a qualified voter of the City of Asheville [illegible] to be the fifth member of said Board.

In the event of a vacancy on said Board, each vacancy shall be filled from the same category as the vacancy.

(c) The Board of Trustees shall review the findings of the Board of Examiners and may approve or reverse the findings of the Board of Examiners [illegible] Such appeal must be filed by the policeman claimant, his attorney or representative in writing with the City Clerk within 10 days after receipt of written denial of the appeal of the claim by the Board of Trustees. Such appeal will be heard at a regular City Council meeting within six weeks of the filing of the appeal by said policeman claimant, his attorney or representative. The decision of the City Council shall be final.

If the Board of Trustees reverses, in whole or in part, the findings of the Board of Examiners, the Board of Examiners shall have the right to appeal to the Asheville City Council. Such appeal must be filed by the Board of Examiners in writing with the City Clerk within 10 days after written notice of the reversal by the Board of Trustees. Such appeal will be heard at a regular City Council meeting within six weeks of the filing of the appeal by the Board of Examiners. The decision of the City Council shall be final."

AN ACT TO INCLUDE REPRESENTATIVES OF THE COASTAL RESOURCES COMMISSION, THE ZOOLOGICAL PARK COUNCIL AND THE SOIL AND WATER CONSERVATION COMMISSION ON THE BOARD OF NATURAL RESOURCES AND COMMUNITY DEVELOPMENT AND TO REDUCE THE SIZE OF THE BOARD.

The General Assembly of North Carolina enacts:

Section 1. G.S. 143B-280 as the same appears in the 1978 Replacement Volume 3C of the General Statutes is amended by rewriting the third paragraph thereof as follows:

"The Board of Natural Resources and Community Development shall consist of the following 21 members. The chairman of each of the following commissions: the Wildlife Resources Commission, the Environmental Management Commission, the Marine Fisheries Commission, the Coastal Resources Commission and the Soil and Water Conservation Commission; the chairman of each of the following councils: the Earth Resources Council, the Community Development Council, the Forestry Council, the Parks and

three year period thereafter, the Board of Examiners may, and upon its [illegible] shall, require any disability pensioner who [illegible] the [illegible] years to undergo [illegible] made at a place mutually agreed upon by the physician or physicians designated by the Board of Examiners. Should any disability pensioner who has not yet attained the age of 60 years refuse to have at least one medical examination in any such year by physician or physicians designated by the Board of Examiners, his pension may be discontinued until his withdrawal of such refusal, and should his refusal continue for one year, all his rights in and to his pension may be revoked by the Board of Examiners. Should a physician or physicians report and certify to the Board of Examiners that such disability pensioner is engaged in or is able to engage in work as a policeman or in another law enforcement related occupation paying more than the difference between his disability pension and his final compensation on the date disability began, and should the Board of Examiners concur in such report, then the amount of his pension shall be reduced to an amount which, together with his disability pension and the amount earnable by him, shall equal the amount of his final compensation at the date of disability. Should his earning capacity be later changed, the amount of his pension may be further modified; provided, that the new pension shall not exceed the amount of the pension originally granted or an amount, which when added to the amount earnable by the disability pensioner together with his disability pension, equals the amount of his final compensation at the date of disability. A disability pensioner restored to active service at a salary less than his final compensation at the date of disability shall not again become a member of this plan.

(c) Should a disability pensioner under the age of 60 years be restored to active service at a compensation not less than his final compensation at date of disability, his disability retirement shall cease, and he shall again become a member of this plan, and he shall contribute thereafter at the contribution rate which is applicable during his subsequent membership service. Any prior service on the basis of which his service was computed at the time of his disability shall be restored to full force and effect, and in addition, upon his subsequent retirement, he shall be credited with all his service as a member."

APPEAL by Board of Examiners from *Martin, S.J.*, 8 May 1967 Session of BUNCOMBE.

Civil action arising from a claim filed by the widow of Lt. Arthur Walter Duckett for an increase of pension benefits. The claim was first heard by the Board of Examiners of Asheville Firemen's Pension and Disability Fund, where evidence was offered substantially as follows:

Mildred Lunsford Duckett stated, in substance, that her husband had worked for the Asheville Fire Department continuously from 1924 or 1925 to the time of his death; her husband was and had been in good health and had given no indication of any heart condition or other serious physical disability.

James R. Peterson testified that he was a fireman employed by the City of Asheville on 7 March 1966. On that day he, Lt. Arthur Walter Duckett, the officer-in-charge, and fireman Ray Rathbone went to a brush fire on Chapel Park Place. Upon arrival, and after giving necessary instructions to the firemen, Lt. Duckett began to beat the fire out with a pine branch. After about fifteen minutes and when the fire was under control, Peterson observed the Lieutenant walk up to and lean on the engine. Lt. Duckett remarked that his chest was hurting and he thought he had indigestion. He told the firemen to hurry back to the Station. Traffic delayed the parking of the engine when they approached the Station; about five minutes later, as Lt. Duckett left the engine and walked [illegible] of the 150 feet into the Station with Peterson, [illegible] the engine. Upon entering the Station, Rathbone found Lt. Duckett lying near the bathroom door. An ambulance was called and first aid administered, but in the opinion of Peterson, Lt. Duckett was dead when he was carried away in the ambulance. Peterson said: "There was no indication that he (Duckett) was overcome with smoke or anything of that sort."

The testimony of fireman Rathbone, in essence, corroborated the testimony of fireman Peterson.

The death certificate listed coronary occlusion due to coronary thrombosis as the cause of death.

Dr. Zebulon Weaver, III, admitted as a medical expert, testified that he did not know Lt. Arthur Walter Duckett. In response to a

cers found Buchanan and defendant in a parked car on a public highway, was amply sufficient to support the verdict. Hence, the motions for judgment as in case of nonsuit were properly overruled.

Defendant did not testify. Defendant offered evidence which, he contended, tended to show Buchanan was not a credible witness.

At trial, defendant was represented by able and experienced counsel. On this appeal, his counsel has overlooked no contention that might be made in defendant's behalf. However, the assignments do not disclose prejudicial error or present questions of sufficient substance to warrant detailed discussion. Hence, the verdict and judgment will not be disturbed.

No error.

IN RE: THE CLAIM OF MILDRED LUNSFORD DUCKETT, WIDOW OF LT. ARTHUR WALTER DUCKETT, FOR PAYMENT OF PENSION BY BOARD OF EXAMINERS OF ASHEVILLE FIREMEN'S PENSION AND DISABILITY FUND.

(Filed 27 September, 1967.)

1. Retirement Systems § 5—

The right to a pension depends upon the provisions of the statute providing the benefits and must be determined primarily from the terms of the statute.

2. Statutes § 5—

The words of a statute must be given their natural and ordinary meaning, and when the meaning of a statute is plain and unambiguous, the courts must construe the act as written and do not have the power to insert provisions not contained therein or to delete provisions there appearing.

3. Same—

Where a statute provides benefits upon conditions joined by the disjunctive "or", one alternative may not be made a part of the other, and a person is entitled to its benefits if he comes within either condition.

4. Retirement Systems § 5—

A statute providing benefits if a member of a retirement system should become disabled "while acting in line of his duty" or if he should die as a result of such disability, *held* not to require a causal relation between disability of a member and his work, but only that the disability occur while the member is in the discharge of his duties.

5. Same—

The evidence tending to show that a fireman, after helping extinguish a brush fire with a pine branch during the course of some 15 minutes, complained of pain in his chest, and that minutes after returning to the

and the call was answered by Lt Duckett and Firemen Peterson and Rathbone using a fire truck for transportation, that said fire was what is known as a brush-fire and Lt Duckett, after instructing his helpers, got a pine brush about 3 feet long and fought said fire with said pine brush for about 15 minutes and until the same was put under control.

"5. That, immediately after fighting said fire as aforesaid, Lt Duckett was leaning up against the fire truck and on inquiry by Fireman Rathbone stated that he was sick and expressed a desire to return immediately to said Station

"6. That when they arrived at the Station Lt. Duckett got out of the truck and went into the Station and in a few minutes he was found lying unconscious near the entrance to the bathroom He was taken immediately to a hospital, but was pronounced dead upon arrival

"7. That Lt. Duckett worked regularly and was never off because of sickness that he had no personal physician and had not needed the services of a physician for years, with two minor exceptions; that he had never suffered from or complained about any heart affliction and his wife, who was his constant companion except when working, had never heard of any heart condition

"8 From the foregoing facts the Board of Examiners finds that Lt Duckett became disabled and died while acting in the line of his duties as a member of the Asheville Fire Department.

"9. The Board therefore concludes and finds that under the provisions of Section 7, Chapter 320, of Laws of 1951, upon the death of said disability while acting in the line of his duties Lt Duckett would have been entitled to a monthly sum equal to 70% of his monthly salary then paid him by the City of Asheville and consequently upon his death his widow [illegible] the same sum so long as she remains unmarried."

The claimant petitioned the Superior Court for a writ of certiorari, which was allowed. The matter was heard before Judge Martin, who sustained the pertinent objections and exceptions of the petitioner, reversed the order of the Board of Examiners and ordered the cause remanded to the Board of Examiners for entry of an order awarding the pension in accordance with his judgment. The Board appealed.

O. E. Starnes, Jr., for appellant Board of Examiners.

hypothetical question, he testified that in his opinion the symptoms presented "are rather typical of myocardial infarction, or layman's terms of a heart attack." He also stated, "But, as far as coronary occlusion itself causing the infarction, we do not have any real evidence that the exertion itself will cause the infarction itself." He further testified in general terms as to heart disease.

Thereafter, on 11 October 1966, the Board met and found, *inter alia:*

> "That as the fire-fighting was being concluded Lt. Duckett suffered a heart attack, and which resulted in his death a few minutes later at the Fire Station;
>
> "That said heart attack was not caused and did not result from exertion or exhaustion related directly or indirectly to fire fighting, or line of duty, but rather resulted from some disease or condition or infirmity not caused by his work and duties as a fireman, and his death or disability was not received in line of duty.
>
> . . .
>
> "The Board thereupon agreed unanimously that Mrs. Duckett was entitled to receive one-half of the pension, which is the amount which she has been receiving, and that she was not entitled to receive 70% of Lt. Duckett's monthly salary as requested."

The claimant excepted and objected to findings of fact and conclusions set forth in the second and third unnumbered paragraphs set out above. Petitioner further objected to the failure of the Board of Examiners to find the following facts and conclusions therefrom as conforming to the facts, evidence and law in said matter:

> "1. That Lieutenant Arthur Walter Duckett was an employee of the City Fire Department and had been for several years and had attained the rank of Lieutenant in said Department.
>
> "2. That Lieutenant Duckett on March 7, 1966, was stationed at Biltmore Fire Station and on said date he was on duty from 7:30 o'clock A.M. to .....
>
> "3. That Lieutenant Duckett was in charge of said Fire Station on said date and Fireman Peterson and Rathbone were under his charge and that his line of duties on said date was to assist in and oversee the extermination of fires in that area.
>
> "4. That about 3:30 o'clock P.M. they were summoned to a fire on Chapel Park Place, 2 or 3 miles from said Station,

islature and lead to an absurd result. In support of this contention it cites *In re Hickerson*, 235 N.C. 716, 71 S.E. 2d 129, which holds:

> "In this connection, in *S. v. Barksdale*, 181 N.C. 621, 107 S.E. 505, this Court, in opinion by Hoke, J., stated that parts of the same statute, and dealing with the same subject, are 'to be considered and interpreted as a whole, and in such case it is the accepted principle of statutory construction that every part of the law shall be given effect if this can be done by any fair and reasonable intendment, and it is further and fully established that where a literal interpretation of the language of a statute will lead to absurd results, or contravene the manifest purpose of the Legislature, as otherwise expressed, the reason and purpose of the law shall control and the strict letter thereof shall be disregarded.' . . ."

The case of *Hutchens v. Court*, 39 Ind. App. 382, 78 N.E. 1061, represents a line of authority which would seem to sustain appellant's position. Here the statute authorized a pension to the widow and children of a policeman on his death "while in line of his duty or from natural causes." The court held that a pension under this act was not authorized where a policeman while at his place of duty committed suicide because of insanity without a showing that the insanity was the result of the performance of his duty. This case is factually distinguishable from the instant case in that in *Hutchens* the deceased died because of self-destruction or his own wrongdoing and while he was not acting in the line of his duty.

In *State, ex Rel. v. Board of Trustees*, 192 Mo. App. 583, 184 S.W. 929 the Missouri Court considered a pension statute which provided: "If any member of such fire department shall while in the performance of his duty be killed or die as the result of an injury received in the line of his duty, or of any disease contracted by reason of his occupation as fireman, or shall die from any cause whatever while in such service." Holding that the widow of a fireman who died as a result of being shot during a quarrel in a saloon [illegible] pension under this act, the court stated: "So that the phrase 'while in such service' is not synonymous with 'while a member of the fire department.' But the word 'service' means the 'same service' referred to in the three preceding clauses, that is to say, a service rendered 'in the line of his duty' or 'by reason of his occupation as a fireman.' The word 'service' as here used means the act of serving, the labor performed or the duties required of a fireman, and is not used to refer to or designate a department of the city's activities." . . .

BRANCH, J. "The right to a pension depends upon statutory provision therefor, and the existence of such right in particular instances is determinable primarily from the terms of the statute under which the right or privilege is granted." 40 Am. Jur., Pensions, Sec. 23, p. 980.

Chapter 320 of the 1955 Session Laws of North Carolina provides in pertinent part:

> "Sec. 7. Payment for Disability in Line of Duty.—That if and in the event any member of the Asheville Fire Department qualifying under this Act shall become disabled while acting in line of his duties, and is unable to work, he shall receive monthly a sum equal to seventy (70%) per cent of his monthly salary as then paid by the City of Asheville, said seventy (70%) per cent of said monthly salary shall be paid in monthly installments by the Custodian of the Firemen's Pension Fund; . . . Provided, further, that if such member of the Asheville Fire Department shall be killed in the line of his duties, or shall die as a result of a disability as defined in this Section, his widow, if he be married, shall receive, so long as she remains unmarried, the same monthly installments as he would have received under this Section."

It is not controverted that deceased died as a result of a disability. Thus, the crucial question is whether there is sufficient, competent, material, substantial evidence to support the Board's finding that decedent was not disabled "while acting in line of his duties." In order to answer this question we must determine the meaning of "while acting in the line of his duties" as used in the statute amending the Act establishing the pension fund for members of the Asheville Fire Department. We are unable to find a North Carolina case which has decisively interpreted the phrase, "while acting in the line of his duties." Neither do we find much help or guidance from the many cases arising under our Workmen's Compensation Act, since there, compensation is only allowed when there is an injury by accident arising out of and in the course of employment. *Wilson v. Mooresville*, 222 N.C. 283, 22 S.E. 2d 907. Thus, without these additional requirements in the controlling statute, we must readily concede that "while acting in line of his duties" as used in the instant case has a much broader meaning than the language used in the Workmen's Compensation Act.

Appellant contends that there must be causation, *i.e.*, the disability or death must be produced by or arise from the employment, and that to hold otherwise would contravene the purpose of the leg-

It is obvious in this case that the court considered "while in line of duty" a plain, direct and unambiguous phrase which required no judicial interpretation. Further, the disjunctive participle "or" is used to indicate a clear alternative. The second alternative is not a part of the first and its provisions cannot be read into the first.

Recognizing the rule that the words of a statute must be given their natural or ordinary meaning (*Semonary, Inc. v. Wake County*, 251 N.C. 775, 112 S.E. 2d 528), we turn to Webster's Third New International Dictionary for the following definitions:

> Line of duty—"all that is authorized, required, or normally associated with some field of responsibility (as a policeman, fireman, or soldier)—used esp. in connection with assessment of responsibility for or classification of sickness, injury, or death of persons subject to a line of duty (it is now customary to consider any sickness or injury of a member of an armed service that is suffered while on active duty to have been incurred in the line of duty in the absence of personal fault or neglect or of existence of the condition prior to entry into service)."
>
> While—"a period of time . . . the time during which an action takes place or a condition exists . . . the time marked by the occurrence of an action or a condition."

Thus, we hold that a person is acting "while in the line of duty" when he acts at the time and place he is required to be at work and when he is engaged in the performance of his duties or is engaged in activities incidental to his duties. The term "while in line of duty" is synonymous with "while in the course of employment" or "while in discharge of duty."

The statute before us is clear, positive and understandable, and explains a self-explaining

In order for appellant to prevail we would have to read into the statute [illegible] relation between the [illegible] This we cannot do.

> ". . . the court must construe the act as written. The legislature has power to change the law. The Court does not have that power." *Jenkins v. Dept. of Motor Vehicles*, 244 N.C. 560, 565, 94 S.E. 2d 577.

Appellant further contends that the Superior Court is bound by the Pension Board's finding of fact. The finding of fact by the Board that decedent's death or disability was not received in line of duty was in reality a legal conclusion determinative of the parties' rights and is reviewable by the Superior Court, although

"And so on throughout the Act, the disability, injury, incapacity, or whatever it is, must arise from, or be connected in some way with, the performance of the duties of a fireman."

The phrase "while in line of duty" was discussed in the case of *Allen v. B., C. R. & N. Ry. Co.*, 57 Iowa 623, 11 N.W. 614, in an action for personal injuries sustained by a brakeman while getting off a moving train at a switch when a witness was allowed to testify that it was "in the line of his duty" for a brakeman to so do while the train was in motion. In pertinent part, the court stated:

> "The duty of a brakeman may be prescribed by rule of the company employing him, or by custom prevailing in the operation of railroads. It pertains to the particular services performed and the purposes to be accomplished.
>
> "The expression in the evidence just quoted 'in the line of duty,' was doubtless used in its correct meaning as synonymous with the words 'in the discharge of duty.' The court, in the instructions, used the expression in this sense. The jury understood the witnesses, when they declared an act of the brakeman to be 'in the line of duty,' to express the opinion that the duty of the brakeman required him to perform the act. . . ."

In the case of *Mook v. City of Lincoln*, 146 Neb. 779, 21 N.W. 2d 743, a widow was granted a pension under a statute which provided for a pension in case of the death of a fireman "while in the line of duty, *or* death is caused by or is the result of injuries received while in the line of duty, ..." The plaintiff's decedent collapsed while on the roof of a building fighting a fire, and died within an hour, the cause of his death being angina pectoris. In this case the defendant contended, as does the defendant here, that in order for the plaintiff to recover she must prove not only that death was in the line of duty, but also that death was the result of the duty and not merely coincident with it. The court, in deciding for the plaintiff, stated:

> "'" * * where the words of a statute are plain, direct and unambiguous, no interpretation is needed to ascertain their meaning * * *."' In the absence of anything to indicate the contrary, words must be given their ordinary meaning. It is not within the province of a court to read a meaning into a statute that is not warranted by the legislative language. Neither is it within the province of a court to read plain, direct, and unambiguous language out of a statute. If possible, the entire statute is to be applied as written. We think this statute meets the test of being plain, direct, and unambiguous."

it was denominated as a finding of fact. *Casualty Co. v. Funderburg*, 264 N.C. 131, 140 S.E. 2d 750; *Warner v. W. & O., Inc.*, 263 N.C. 37, 138 S.E. 2d 782.

There was not sufficient, competent, material substantial evidence to support the Board's conclusion that decedent was not disabled while acting in line of his duties.

Affirmed.

STATE v. JOHN EDWARD GEORGE.

(Filed 27 September, 1967.)

1. **Criminal Law §§ 34, 89, 169—**

In a prosecution for armed robbery, testimony elicited on cross-examination of defendant that he had been arrested for a similar offense in another state is not prejudicial, when defendant had testified earlier on direct examination as to the prior offense, and when the questioning was for the purpose of impeaching defendant's credibility as a witness.

2. **Criminal Law § 8—**

Where a statute provides for the dismissal of charges against a defendant if he is not tried within a specified time, the defendant is not entitled to relief when a trial is held within the statutory time but results in a mistrial upon the failure of the jury to reach a verdict, since, under such circumstances the State is not responsible for the delay.

3. **Same— Where trial within period prescribed by Interstate Agreement on Detainers Act results in mistrial, defendant is not entitled to discharge at later trial had with due diligence.**

Defendant's trial in this State upon his return under the Interstate Agreement on Detainers, G.S. 148-89, resulted in a mistrial. At the second trial defendant's motion for change of venue was granted, and on the following day he was removed to a third county pursuant to a writ of *habeas corpus ad prosequendum*. Thereafter, defendant moved that the charge against him be dismissed because more than 180 days had elapsed since he had been returned to the State. *Held:* The first trial having been held within the 180 day period, the motion was correctly denied, the delays subsequent thereto being in the nature of reasonable continuances and the ruling of the lower court that the State had used due diligence in bringing the case to trial is affirmed.

4. **Same—**

G.S. 148-89, Art. IV(c), requiring a prisoner to be tried within 120 days after the solicitor requests his return to this State, does not apply when the prisoner is returned at his own request. G.S. 148-89, Art. III.

Absent: None

INVOCATION

The invocation was given by Mayor McDevitt.

APPROVAL OF THE MINUTES - NOVEMBER 13, 1984

1. Approval of the minutes of the November 13, 1984 meeting.

Mayor McDevitt announced the approval of the minutes of the November 13, 1984 meeting with the exception of two corrections to be made as pointed out by Councilman Boland. On page 262, the date of "April 1, 1970" should be "April 1, 1960" and in the same paragraph, the phrase "he had chest pains in his arm" should say "chest and arm pains".

ORDINANCE NUMBER 1482 - AN ORDINANCE AMENDING APPENDIX A (ZONING) OF THE CODE OF ORDINANCES OF THE CITY OF ASHEVILLE

2. Consideration was given to the second reading of Ordinance 1482, an ordinance amending appendix A (zoning) of the Code of Ordinances of the City of Asheville.

Mayor McDevitt said this ordinance was previously read on first reading and would not be reread in its entirety unless there was a specific request to do so.

On a roll call vote of 7-0, Ordinance No. 1482 passed on second reading.

ORDINANCE NUMBER 1483 - AN ORDINANCE AMENDING ORDINANCE NO. 1027 REGARDING KENNEL LICENSE TAXES

3. Consideration was given to the second reading of Ordinance No. 1483 - an ordinance amending Ordinance No. 1027 regarding Kennel License Taxes.

Mayor McDevitt said this ordinance was previously read on first reading and would not be reread in its entirety unless there was a specific request to do so.

On a roll call of 7-0, Ordinance No. 1483 passed on second reading.

Mr. Cogburn said that in addition to Newsome and Higgins, the following officers were granted in-line-of-duty disability retirement by the Board of Examiners and Board of Trustees of the Policemen's Pension and Disability Fund.

1978	Date
J. W. Trulove	June 1, 1978
Joseph Letterman	September 1, 1978
Charles H. Rector	September 1, 1978
Donald E. Maney	December 1, 1978

1979	Date
Clarence F. Welborn	January 1, 1979
Loyd E. Roberts	January 1, 1979
Larry O. Plemmons	April 1, 1979
James J. Moulds	April 1, 1979

Upon inquiry of Mayor McDevitt, Attorney Cogburn said he has referred to this information for the benefit of City Council, because the retirements became effective during the time when new legislation was adopted by the General Assembly amending the definition of "disability in-line-of-duty".

Upon inquiry of Mayor McDevitt, Attorney Cogburn said it is his opinion that you cannot legislate new changes in the Pension Law after a person goes to work, and that the new law is not effective as to any policemen employed prior to April 20, 1979. He said this would be a violation of due process to those policemen.

Mayor McDevitt said that if Mr. Cobgurn had no objections, the City Council plans to move with dispatch on their review of all of the materials /exhibits and deliberations, and that he would be notified when a decision would be made. Mayor McDevitt said a decision could possibly be made at the November 27th meeting.

Attorney Cogburn said he had no objections to this procedure, that he agreed that it was of the upmost importance that members of Council had ample opportunity to review all of the documents and exhibits prior to rendering a decision in the matter.

RESOLUTION NO. 84-222 - RESOLUTION AUTHORIZING THE CITY MANAGER TO LEASE THAT SPACE IN THE CITY HALL BUILDING KNOWN AS THE CITY HALL SNACK SHOP

Consideration was given to Resolution No. 84-222 authorizing the City Manager to lease that space in the City Hall building known as the City Hall Snack Shop.

Mayor McDevitt read the resolution.

Upon motion of Councilman Boland, seconded by Councilman Price, Resolution No. 84-222 was unanimously adopted.

Councilman Bissette moved to schedule a public hearing relative to closing an unnamed alley between Asheland Avenue and Aston Street for December 18, 1984. This motion was seconded by Councilman Price and carried unanimously.

SCHEDULING PUBLIC HEARING - SITE PLAN OF THE PROPOSED CIMARRON CONDOMINIUMS

8. Councilman Price moved to schedule a public hearing relative to the site plan of the proposed Cimarron Condominiums for December 4, 1984.

This motion was seconded by Councilman Bissette and carried unanimously.

SCHEDULING PUBLIC HEARING - SITE PLAN OF PHASE III - MOTEL - RIVER RIDGE MARKET PLACE

9. Councilman Boland moved to schedule a public hearing relative to the site plan of Phase III - Motel - River Ridge Market Place for December 4, 1984.

This motion was seconded by Councilman Frank and carried unanimously.

CONTINUATION OF AN APPEAL HEARING IN THE MATTER OF MELVIN C. WALSH, JR.'S REQUEST FOR LINE-OF-DUTY DISABILITY RETIREMENT

10. Consideration was give to the continuation of an appeal hearing in the matter of Melvin C. Walsh, Jr.'s request for line-of-duty disability retirement.

Mayor McDevitt reopended the hearing at 4:33 p.m.

Mayor McDevitt confirmed with Corporation Counsel Bill Slawter and Attorney Max Cogburn they had been furnished with all materials that City Council had received relative to Mr. Walsh's appeal.

Upon inquiry of Mayor McDevitt, Attorney Max Cogburn said he had not received nor reviewed the minutes of the November 13, 1984 meeting.

Mayor McDevitt told Attorney Cogburn that after he reviewed the minutes, revisions or amendments to the minutes, as necessary, could be made even though he had approved the minutes of the meeting earlier in today's meeting.

Attorney Cogburn distributed a memorandum to City Council summarizing his arguments, which included pertinent legislation establishing and amending the Pension Fund for the Retirement and Disability of Police Officers of the City of Asheville and also the Supreme Court's decision in the Duckett Case. A copy of this memorandum is attached and incorporated as a part of these minutes.

RESOLUTION NO. 84-223 - RESOLUTION AMENDING RESOLUTION NO. 84-133 BY AUTHORIZING THE MAYOR TO EXECUTE ON BEHALF OF THE CITY OF ASHEVILLE ANY CHANGE ORDERS WITHIN THE BUDGETED AMOUNT WITH HUNTLEY CONSTRUCTION COMPANY FOR THE PROJECT KNOWN AS TRINITY CHAPEL ROAD IMPROVEMENT PROJECT

Consideration was given to resolution No. 84-223, a resolution amending Resolution No. 84-133, by authorizing the Mayor to execute on behalf of the City of Asheville any change orders within the budgeted amount with Huntley Construction Company for the project known as Trinity Chapel Road improvement project.

Mayor McDevitt read the resolution. (Reso. Bk. 15, page ~~92~~ 98)

Upon motion of Councilman Boland, seconded by Councilman Frank, Resolution No. 84-223 was unanimously adopted.

CLAIMS - DAVID KING (WATER), SUSAN ISRAEL (PARKING GARAGE), ROSA CASE (SEWER), RONNIE BROCKWELL (STREETS), JAMES RIVERS (WATER), AND HARRY TAYLOR (WATER)

The City Clerk presented claims received from David King (Water), Susan Israel (Parking Garage), Rosa Case (Sewer), Ronnie Brockwell (Streets), James Rivers (Water), and Harry Taylor (Water).

Mayor McDevitt referred the claims to the Corporation Counsel for investigation and recommendation.

RALPH BISHOP

Ralph Bishop again addressed Council relative to his difficulty in obtaining City records relative to Police Pensions, and also about lottery sales in the City of Asheville.

ADJOURNMENT TO EXECUTIVE SESSION

Councilman Boland moved to adjourn to finish Pre-Council items and to go into Executive Session to discuss a legal and real estate matter. This motion was seconded by Councilman Bissette and carried unanimously.

Terry McDevitt
MAYOR

Marian F. Metcalf
CITY CLERK

CONTINUATION OF A PUBLIC HEARING RELATIVE TO THE ADOPTION OF AN ORDINANCE DIRECTING THE DIRECTOR OF INSPECTIONS TO DEMOLISH AND REMOVE THE APARTMENT HOUSE KNOWN AS 37 EAST CHESTNUT STREET, ASHEVILLE, N. C.

4. Consideration was given to the continuation of a public hearing relative to the adoption of an ordinance directing the Director of Inspections to demolish and remove the apartment house known as 37 East Chestnut Street, Asheville, N. C.

Mayor McDevitt reopened the public hearing at 4:17 p.m.

Mayor McDevitt said proceedings have heretofore been instituted in accordance with the provisions of N. C. General Statutes 160A-441 et seq. and the Housing Code of the City of Asheville. A hearing has been held and a Findings of Fact & Order entered finding that the apartment house known as 37 East Chestnut Street, in its present condition, is dilapidated, unfit for human habitation, unsafe and dangerous to life. This property is owned by Mrs. Elizabeth Gage. On August 28 this public hearing was continued for 90 days as work was being done on the house at that time.

Lem Moore, Director of Inspections, said that he had inspected the dwelling on 11/27/84 and at that time the only correction that had been made was the installation of 10-15 feet of sanitary sewer line in Apartment No. 4. He requested that Council proceed with the first reading of the Ordinance.

Upon inquiry of Councilman Price, Lem Moore said the apartments were vacant and the doors and windows had been secured. He said the Building Permit issued in August was valid for six (6) months.

Mayor McDevitt said that Council had received a request from Max Cogburn, Attorney for Mrs. Gage, that the public hearing be continued. However, he said there would be two other readings on the ordinance at which time Mr. Cogburn would have an opportunity to be heard.

Mayor McDevitt closed the public hearing at 4:20 p.m.

Mayor McDevitt pointed out a correction in the sixth (6th) "WHEREAS" of the ordinance changing the date shown from "August 28, 1984" to "November 27, 1984".

Councilman Price moved for the adoption of Ordinance No. 1486. This motion was seconded by Vice Mayor Bratton and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1486 passed on first reading.

Mayor McDevitt requested that the City Manager notify Mr. Cogburn of action taken today, and let him know that this matter will be on Council's agenda for second reading on December 4, 1984.

Tuesday, November 27, 1984 - 4:00 p.m.

Regular Meeting

Present: Mayor Larry McDevitt, Presiding; Vice-Mayor Wilhelmina Bratton; Councilmen Mary Lloyd Frank, Norma T. Price, Walter R. Boland, Louis Bissette; Gordon Myers; Corporation Counsel William F. Slawter; City Manager Neal Creighton; Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

INVOCATION

The invocation was given by Councilman Frank.

APPROVAL OF THE MINUTES - NOVEMBER 20, 1984

1. Approval of the minutes of the November 13, 1984 meeting.

Mayor McDevitt said that the minutes of November 13 and November 20, 1984 will be reviewed by Corporation Counsel relative to the Walsh hearing, and will be resubmitted for approval at the December 4, 1984 meeting.

PROCLAMATION - "EDUCATIONAL OPPORTUNITY DAY"

2. Mayor McDevitt read a proclamation proclaiming December 1 as "Educational Opportunity Day".

RESOLUTION NO. 84-224 - RESOLUTION OF APPRECIATION TO MR. AND MRS. JOHN SHORT, CITY HALL SNACK SHOP OPERATORS

3. Consideration was given to a resolution of appreciation to Mr. and Mrs. John Short, City Hall Snack Shop operators.

Mayor McDevitt read the resolution and presented it to Mr. and Mrs. John Short.

Upon motion of Councilman Price, seconded by Councilman Boland Resolution No. 84-224 was unanimously adopted.

Complete text of Resolution No. 84-224 will be found in Resolution Book 15 at page ~~93~~ 99 &.

PROCLAMATION - "HOME CARE WEEK"

3A. Mayor McDevitt read a proclamation proclaiming November 25 through December 1, 1984 as "Home Care Week".

Mayor McDevitt presented the proclamation to Joanie Ingle.

ORDINANCE NO. 1482 - AN ORDINANCE AMENDING THE ZONING ORDINANCE KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED RELATIVE TO KENNELS

8. Consideration was given to the third reading of Ordinance No. 1482, an ordinance amending the zoning ordinance known as "an ordinance providing for the zoning of the City of Asheville," as amended relative to kennels.

Mayor McDevitt said this ordinance was previously read on first and second reading and would not be reread in its entirety unless there was a specific request to do so.

On a roll call vote of 7-0, Ordinance No. 1482 passed on third and final reading.

Complete text of Ordinance No. 1482 will be found in Ordinance Book No. 10 at page ~~242.~~ 307

ORDINANCE NO. 1483 - AN ORDINANCE AMENDING ORDINANCE NO. 1027 REGARDING KENNEL LICENSE TAXES

9. Consideration was given to the third reading of Ordinance No. 1483 - an ordinance amending Ordinance No. 1027 regarding Kennel License Taxes.

Mayor McDevitt said this ordinance was previously read on first and second reading and would not be reread in its entirety unless there was a specific request to do so.

On a roll call vote of 7-0, Ordinance No. 1483 passed on third and final reading.

Complete text of Ordinance No. 1483 will be found in Ordinance Book No. 10 at page ~~245.~~ 308

ORDINANCE NO. 1442 - AN ORDINANCE ESTABLISHING A NEW CITY OF ASHEVILLE EROSION CONTROL ORDINANCE

10. Mayor McDevitt said since Council did not act on Ordinance No. 1442 for a period of 100 days, the action in passing the Ordinance on first reading becomes null and void.

ORDINANCE NO. 1487 - AN ORDINANCE TO PROVIDE FOR THE CONTROL OF SOIL EROSION AND SEDIMENTATION

10-A. Consideration was given to an ordinance to provide for the control of soil erosion and sedimentation.

Mayor McDevitt said consideration of a new ordinance is necessary because Council did not act for a period of 100 days on Ordinance No. 1442; therefore, the action in passing that Ordinance on first reading becomes null and void.

Mayor McDevitt said the Ordinance in its present state has been

RESOLUTION NO. 84-225 - RESOLUTION AUTHORIZING THE MAYOR TO ENTER INTO A LEASE AGREEMENT WITH ASHEVILLE OIL COMPANY, INC., A NORTH CAROLINA CORPORATION, FOR THE PURPOSE OF LEASING LOT 362, WARD 1, SHEET 1, OF THE TAX MAPS OF BUNCOMBE COUNTY

5. Consideration was given to a resolution authorizing the Mayor to enter into a lease agreement with Asheville Oil Company, Inc., a North Carolina Corporation, for the purpose of leasing Lot 362, Ward 1, Sheet 1, of the tax maps of Buncombe County.

Mayor McDevitt said this would be a ten (10) year lease with a renewal term of five (5) years upon such terms as may be agreed upon at said time. He said this property is the triangle located on South Market Street and South Beaumont Street. He said that this property is needed by the City of Asheville for the purpose of providing community development, and the only cost to the City will be payment of City and County taxes.

Mayor McDevitt said members of Council were furnished copies of the resolution and it would not be read in its entirety.

Upon motion of Councilman Frank, seconded by Councilman Bissette, Resolution No. 84-225 was unanimously adopted.

Complete text of Resolution No. 84-225 will be found in Resolution Book No. 15 at Page ~~94~~ 100.

RESOLUTION NO. 84-226 - RESOLUTION APPOINTING MEMBER TO THE ASHEVILLE AREA CIVIC CENTER COMMISSION

6. Consideration was given to a resolution appointing Fred Brown as a member to the Asheville Area Civic Center Commission.

Upon motion of Councilman Boland, seconded by Councilman Frank, Resolution No. 84-226 was unanimously adopted.

Complete text of Resolution No. 84-226 will be found in Resolution Book No. 15 at Page ~~96~~ 101.

BIDS - LOGGING RECORDER FOR THE POLICE DEPARTMENT

7. Consideration was given for a logging recorder for the Police Department.

Mayor McDevitt said only one (1) bid was received and funds for the recorder were properly budgeted.

Councilman Myers moved to award the bid to Dictaphone Corporation in the amount of $16,773.50. This motion was seconded by Councilman Price and carried unanimously.

3. Requirements of Specialized Professional, On and Off-Site Information:

Mayor McDevitt said the Ordinance does not specify that professional help is required. He said Mr. Tarrant has advised Council that the Ordinance is not so strict that it would necessarily require specialized professional help.

At Mayor McDevitt's request, Mr. Wiegman said he would be willing to sit down with Mr. Tarrant and write down his thoughts and concerns regarding this item.

4. City Simplifying Group Development Review Process; Placing Full Responsibility with Planning and Zoning (Proposed Ordinance Doing the Opposite):

Mayor McDevitt said the City is simplifying the process considerably from what it used to be. He said while the Group Development process goes through Planning and Zoning, this would have a process for staff review and then the next step would be directly to the City Council.

5. Appeals Process is a Killer:

Mayor McDevitt the process of going before the Review Committee is the only step in the appeals process not required by State Law.

6. Requirement of Formal Plan for Small Developments:

Mayor McDevitt said the intent of this was to address the cumulative effects of erosion problems caused by one small lot and developers acquiring Building Permits for one house at a time in order to circumvent the intent of the Ordinance.

Mayor McDevitt said that the other suggestions included in Mr. Wiegman's letter are excellent, and that Council intends to deal with storm water and impoundment problems in a separate ordinance. He said the State has specifically asked the City not to include these items in the Soil Erosion and Sedimentation Control Ordinance. He said such an ordinance is now being prepared, and that the City would send Mr. Wiegman a copy of it.

Mr. Wiegman still expressed concern that the Ordinance would require a professional to prepare soil erosion plans.

Mr. Taylor Currin, State Erosion Engineer with the N. C. Department of Natural Resources and Community Development, agreed with Tom Tarrant that the Ordinance would not require a professional and that the Ordinance had been worded to the bare minimum the State would approve.

Councilman Price said that Mr. Currin had suggested that Council might consider naming a responsible individual to assess penalities rather than City Council making this decision. However, she said Council had not had time to review this suggestion, but perhaps a change could be made at a later meeting.

substantially revised from that which was originally being considered. He said copies of the revised Ordinance had been distributed to members of City Council, as well as to certain members of the public who had requested it or who had expressed an interest in it.

Mayor McDevitt called for remarks from the public on the revised Ordinance.

Mr. Jan Wiegman, Architect, said while it appears in principle that the Council is trying to simplify the process of developments, the ordinance will complicate the process. He said he doesn't understand why this matter cannot be handled in the Group Development process in the preliminary stages. He said the Ordinance directs itself to creating an adversary relationship among the public, the developers and the City.

Mr. Wiegman also said he couldn't understand why there has to be an overlap between the City and State governments in enforcement. He said this would affect timing and costs to the developer and also to the City. He said this would be very discouraging to developers in trying to develop anything within the City Limits.

Mayor McDevitt summarized the Council's Pre-Council discussions with reference to the points raised in Mr. Wiegman's letter as follows:

1. Multiple reviews by State and Local Personnel:

Mayor McDevitt said the City's feel there will not be multiple reviews, and it is the intent of the City to avoid that in this ordinance. The only State review that would be done would be on seeding specifications; the rest would be done locally.

Councilman Price said that the State will occasionally inspect how the City is enforcing the ordinance and not on the project itself, unless the project comes under the State for other review.

2-A. Informal Review and Coordination in Early Planning Stages:

Mayor McDevitt said the City hopes to provide that service, and reaffirmed the City's policy to meet with any and all developers or builders at any time to discuss their plans and respond to them at that time. Mayor McDevitt said the City would prefer this being done as early in the process as possible, and that City staff would be instructed to make themselves available to confer and meet with developers at the earliest possible time that the developer wants to meet to iron out any problems.

2-B. City Withholding Official Approval Until Building Permit Time as a Safeguard:

Mayor McDevitt said the City tried to write this into the Ordinance, but the State said it could not be done and they would not approve it.

Councilman Bissette said that he is very pleased with the changes made to the parking deck.

Vice Mayor Bratton said this project was started a long time ago with just a dream and that a lot of hard work and energy had gone into the project by the Mayor, Members of City Council, staff, Mrs. Schneider, and the City as a whole. She said while the project will help Asheville as a total community, the Eagle Street section highlights a demonstrated effort on part of the Asheville City Council in terms of how they feel about the minority community, especially as it relates to minority businesses. She commended and thanked her fellow councilmen for their efforts on behalf of the minority community.

Councilman Price said this was not ony a wonderful opportunity to do something for the community, but also an opportunity to maintain the buildings in the area, some of which are on their last leg.

Mayor McDevitt closed the public hearing at 5:32 P.M.

Vice Mayor Bratton moved to approve the concept of the site plan, as displayed, and also to approve the site plan with reference to those properties, owned by or under contract or option to the developers or the Asheville Housing Authority. This motion was seconded by Councilman Bissette and carried unanimously.

CLAIMS - THOMAS RIVENS (INSPECTIONS), C. J. HUNTER, JR. (PARKS & REC.)

The City Clerk presented claims received from Thomas Rivens (Inspections) and C. J. Hunter, Jr. (Parks & Rec.).

Mayor McDevitt referred the claims to the Corporation Counsel for investigation and recommendation.

STATEMENT BY MAYOR McDEVITT - STATUS OF WALL STREET PROJECT

Mayor McDevitt read the following statement:

"Since receiving work from HUD that the Wall Street/Haywood Street UDAG Application was not approved, the City has continued to pursue discussions with the developer, Southeastern Historic Properties, in an effort to maintain development plans for the Wall Street/Haywood Street area. While the developer has indicated an interest in developing the Haywood and Starnes Buildings on Haywood Street into apartments, they have also indicated an interest in transferring the retail segment of the Wall Street Project to another developer which the City could select. The City has submitted inquiry letters to additional developers to determine their interest in all or part of the project. Initial response has been good and the City hopes to begin negotiations with new potential developers in December. HUD has offered the City the opportunity to have the application "rolled over" to the next round; however, the Council has elected not to ask that the project be rolled over or reconsidered.

Mayor McDevitt said there are no plans to split the development, and the City would be willing to consider both large and small proposals.

Councilman Bissette said that Tom Tarrant, City Engineering Coordinator, should be commended for the months he has spent working on the Ordinance. He said he felt Mr. Tarrant had reduced the Ordinance to the simplest Ordinance we can have and still get State approval.

Councilman Price moved for adoption of Ordinance No. 1487. This motion was seconded by Vice Mayor Bratton and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1487 passed on first reading.

Mayor McDevitt announced that this Ordinance is scheduled for further hearing and possible second and third readings at next week's meeting.

Mayor McDevitt said he would appreciate Mr. Wiegman meeting with Tom Tarrant on any other suggestions he might have on the Ordinance.

PUBLIC HEARING - RELATIVE TO SITE PLAN OF THE PROPOSED PACK PLAZA REDEVELOPMENT PROJECT

11. A public hearing was held relative to the site plan of the proposed Pack Plaza Redevelopment Project.

Mayor McDevitt opened the public hearing at 5:07 P.M.

The City Clerk presented the notice to the public and the affidavit of publication.

Verl Emrick, Director of Planning, said the conceptual plan has been taken before three major bodies responsible for various aspects of planning and development in the City of Asheville, those being the Planning and Zoning Commission, the Downtown Commission, and the Asheville-Buncombe Historic Resources Commission. He said all of these groups are in accord and recommend approval of the project to the City Council.

Mr. Emrick read a resolution adopted by the Asheville-Buncombe Historic Resources Commission supporting the project.

Mrs. Estelle Schneider, Vice President of Schneider Nine, Inc., introduced James F. Meredith, Architect for the project.

Mr. Meredith, by use of artists sketche panels, detailed the specific plans for renovation and new construction in the area. He said in additrion to renovations to the Jackson Building, restoration to the window frames and exteriors of the Westall, Commerce, and Legal Buildings will be done and that corridors will connect the buildings at the upper floors and along existing alleys at ground floors. He said a new 4-story office building will be constructed on Biltmore Avenue, a new parking deck will be constructed to front Eagle Street, and that courtyards and a sculpture garden are planned for the area between South Pack Square and Eagle Street.

Mr. Meredit answered questions from members of Council and the public.

Tuesday, December 4, 1984 - 4:00 p.m.

Regular Meeting

Present: Mayor Larry McDevitt, Presiding; Vice-Mayor Wilhelmina Bratton; Councilmen Mary Lloyd Frank, Norma T. Price, Walter R. Boland, Louis Bissette; Gordon Myers; Corporation Counsel William F. Slawter; City Manager Neal Creighton; Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

INVOCATION

The invocation was given by Mayor McDevitt.

APPROVAL OF THE MINUTES - NOVEMBER 13 AND NOVEMBER 20, 1984

1. Approval of the minutes of the November 13, 1984, and November 20, 1984, meetings.

Mayor McDevitt announced that due to some proposed changes in the November 13 and November 20 Meetings, the approval of these minutes would be postponed.

APPROVAL OF THE MINUTES - NOVEMBER 27, 1984

2. Approval of the minutes of the November 27, 1984 meeting.

Dr. Boland requested the following corrections in the minutes:

(A) Page 277, Third Paragraph, Last Line - Change "adversity between" to "an adversary relationship among".

(B) Page 274, Sixth Paragraph, Last Line - Change "were" to "was".

Mayor McDevitt announced the approval of the minutes of the November 27, 1984, meeting as amended by Dr. Boland.

MELVIN C. WALSH, III - DECISION BY CITY COUNCIL ON APPEAL BY MR. WALSH FOR LINE-OF-DUTY DISABILITY RETIREMENT

3. Consideration was given to a decision by City Council relative to the appeal of Melvin C. Walsh, III, regarding his request for line-of-duty disability retirement.

Mayor McDevitt announced that Max Cogburn, Attorney for Mr. Walsh, had to be out of town today, and that Mr. Cogburn had requested that Council's decision be postponed until he could present.

RESOLUTION NO. 84-227 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE A TEMPORARY EASEMENT GRANTED BY ALICE R. WICKER AND KENNETH PAUL ROBERTS ACROSS A PRIVATE DRIVEWAY CONNECTING SEVIER STREET TO BARNARD AVENUE

Consideration was given to a resolution authorizing the Mayor to execute a temporary easement granted by Alice R. Wicker and Kenneth Paul Roberts across a private driveway connecting Sevier Street to Barnard Avenue.

Mayor McDevitt read the resolution, and said this easement is necessary in order to repair a drainage culvert on Sevier Street which is about to collapse.

Upon motion of Councilman Frank, seconded by Councilman Price, Resolution No. 84-227 was unanimously adopted.

Complete text of Resolution No. 84-227 will be found in Resolution Book 15 at page ~~97~~ 102.

CITY MANAGER - REMINDER OF THURSDAY NIGHT WORK SESSION

The City Manager reminded Council of the Thursday night work session relative to the Sign Ordinance, which would begin at 5:30 p.m.

RALPH BISHOP - CITY RECORDS

Ralph Bishop again addressed Council relative to his inability to obtain City records regarding the disability retirement of J. C. Hall.

Mayor McDevitt requested that Corporation Counsel obtain a copy of the minutes for Mr. Bishop.

ADJOURNMENT TO EXECUTIVE SESSION

Councilman Price moved to adjourn to executive session, and then for adjournment. This motion was seconded by Councilman Frank and carried unanimously. The meeting concluded at 7:00 p.m.

Larry McDevitt
MAYOR

William F. Polcari
CITY CLERK

Mr. Emrick said at the Planning and Zoning Commission Meeting, concern was expressed over the dusty conditions on the Edgewood Road. However, after discussing the paving schedule with the Department of Public Works, he was advised that the street is on the current list for paving possibly in the early spring of 1985, and that the paving should be completed before construction of the condominiums begins.

Dr. Boland asked if something could be done to control the dust problem until the street could be paved.

Mr. Neal Wolfe, 1591 Sweeten Creek Road, addressed Council about his concern of the 16-inch terra cotta drain line from the Phillips Reservoir.

Mayor McDevitt said the Developer is going to locate the pipe and if the road does, in fact, go over the pipe, the Developer will replace the terra cotta pipe with cast iron pipe or some other appropriate type pipe to alleviate the problem.

Councilman Price inquired whether or not the City had easements on the property in question. Mayor McDevitt said the Developer agrees to grant to the City proper easements needed for maintenance of water lines and other drains.

Mayor McDevitt closed the public hearing at 4:36 P.M.

Councilman Price made a motion to approve the concept of the site plan in total and the first phase of construction with subsequent phases of construction being brought back before Council for approval after financing had been confirmed. Further, that the Developer comply with Erosion Control requirements. This motion was seconded by Councilman Boland and carried unanimously.

Councilman Price requested that the staff report to the City Council the status on the expected date of paving Edgewood Road, and that Mayor McDevitt forward this information to Mr. and Mrs. Lanning and Mr. Wolfe in a letter.

PUBLIC HEARING - SITE PLAN OF PHASE III - MOTEL - RIVER RIDGE MARKET PLACE

6. A public hearing was held relative to the site plan of Phase III - Motel - River Ridge Market Place.

Vice Mayor Bratton said the Asheville Planning and Zoning Commission at a metting held on November 7, 1984, reviewed the site plan of Phase III - Motel - River Ridge Market Place to be located on U. S. 74 and I-240. He said the plan had been prepared by Spaceplan, Architect, for Bob Hughes and Associates, Inc., Raleigh, N.C., Developer, and submitted in accordance with the Group Development Section of the Asheville Zoning Ordinance. She said after review and discussion by the Planning and Zoning Commission, they recommend approval of the site plan to City Council subject to compliance with the Erosion Control Ordinance. She said the Planning and Zoning Commission also recommend that proposed signage be submitted to City Council with the Group Development Review.

INVITATION - PACK PLAZA PROJECT GROUNDBREAKING - BECKY WILLIAMS

4. Mayor McDevitt recognized Becky Williams, who distributed personal invitations to Members of City Council, the City Manager, and their spouses to attend the Groundbreaking Ceremonies for the Pack Plaza Project. She said the Ceremonies would be held on Pack Square on December 12, 1984, at 4:00 P.M. She said in lieu of actually "breaking ground" since there is no ground to break, there would be a "ribbon cutting" to get the festivities underway.

PUBLIC HEARING - SITE PLAN OF PROPOSED CIMARRON CONDOMINIUMS

5. A public hearing was held relative to the site plan of the proposed cimarron condominiums.

Mayor McDevitt opened the public hearing at 4:10 P.M.

The City Clerk presented that notice to the public and the affidavit of publication.

Verl Emrick, Director of Planning, said the Asheville Planning and Zoning Commission at a meeting held on November 7, 1984, reviewed the site plan of the proposed Cimarron Condominiums to be located on Sweeten Creek Road. He said the plan had been prepared by Butler Associates, Engineer, for Condominium Builders, Inc. of Winston-Salem, N.C., the Developer, and submitted in accordance with the Group Development Section of the Asheville Zoning Ordinance. He said after review and discussion by the Planning and Zoning Commission, they recommend approval of the site plan to City Council subject to indicating construction phases on their plans and compliance with the Erosion Control Ordinance. Also, he said this project had received clearance relative to water and sewer availability and other necessary approval from other City Departments with the exception of Erosion Control. He said the North Carolina Department of Transportation will study plans for additional signage in the area.

Mr. Emrick requested that City Council approve the site plan in concept and approve the first phase of construction and that subsequent phases be brought back before Council after financing has been confirmed. He said Council's motion should also include a stipulation of meeting requirements of Erosion Control.

Ralph Kiger, Developer, answered questions from members of City Council relative to construction of the project.

Upon request of Mayor McDevitt, Mr. Kiger drew new lines on the plan to show the First Phase of construction.

Mr. Ken Lanning, property owner adjacent to the project, requested that Edgewood Road be put on the priority list for paving, due to the extreme dusty conditions.

Vice Mayor Bratton said the present ordinance does not comply with State requirements, and this ordinance will allow for the those requirements. She said a public hearing was held and this ordinance passed on first reading on May 22, 1984, and at the June 5, 1984, meeting, the second reading of the ordinance was postponed to allow for a work session on August 28, 1984. She said this since Council failed to act on that Ordinance for a period of 100 days, the action in passing that Ordinance on first reading became null and void. She said a new revised Ordinance was passed by Council on first reading at the meeting on November 27, 1984.

Tom Tarrant said he had tried to "clean up" the typos and to include considerations recommended by the State. He read the following revisions as a result of those efforts:

1. Page 3, Section "3q": Eliminate the definition for the "One Hundred Year Storm" due to the fact that the term is no longer used in the Ordinance.

2. Page 4, Section "3x": Insert the word "Formal" in the next to the last sentence ahead of "erosion control plan" in order to clarify which plan.

3. Page 11, Section "14a": Change uppercase "O" to lower case "o" in the word Ordinance.

4. Page 11, Section "14b": Change phrase "Authority to serving the notice" to word "City".

5. Page 12, Section "14c": Correct spelling of word "Submittal".

6. Page 12, Section "16a.1": "15b" should read "16b".

7. Page 12, Section "16a.2": "of" should read "or" and "15b" should read "16b".

8. Page 14, Section "17d": Add "and (f)" after "(b)" in the last sentence.

9. Page 16, Section "19f": Second sentence - delete the redundant word "plan".

10. Page 18, Section "22.a2": To read "The City's Erosion Control Plan Review Committee shall determine the amount of the civil penalty to be assessed under this Subsection and shall make written demand for payment upon the person in violation, and shall set forth in detail a description of the violation for which the penalty has been imposed. In determining the amount of the penalty the City's Erosion Control Plan Review committee shall consider the degree and extent of harm caused by the violation and the cost of rectifying the damage. If payment is not received or equitable settlement reached within sixty (60) days after demand for payment is made, the matter shall be referred to the City Attorney for institution of a civil action in the

Mayor McDevitt opened the public hearing at 4:40 P.M.

The City Clerk presented that notice to the public and the affidavit of publication.

Verl Emrick, Director of Planning, said that the Motel Development is the Third Phase of the River Ridge Market Place Complex located at the intersection of U. S. 74 and I-240. He said the project contained four buildings initially, with a fifth building anticipated, bringing the total count of the project to approximately 164 units (41 units per building). He said the project has been reviewed and approved by all the appropriate departments with the exception of final approval of the Erosion Control Plans. He said water and sewer services are available for the project.

Mayor McDevitt excused himself from the meeting at 4:45 P.M., and turned over the meeting to Vice Mayor Bratton.

With regard to proposed signage, Mr. Emrick said the major sign will be 208 square feet sign, 154 square foot per phase, which will be a free-standing sign to be located at some point at the intersection or closer to the facility, and the second sign (#39) will be a 27 square foot, identification-type sign to go at the entrance of the drive. He said there will be various other directional "entry/exit" signs, none of which will exceed the specifications of the Sign Ordinance.

Upon inquiry of Councilman Price, Mr. Emrick said the Comfort Inn will be the chain operating the motel.

Upon inquiry of Councilman Frank, Mr. Emrick said there is another access to the facility in the rear, but the rear access will be for service vehicles only.

Upon inquiry of Council, Carroll Hughes of Spaceplan said if the restaurant goes into the development, it will be attached and will be an actual part of the motel; however, he said, it would be a small facility. He said if the restaurant is not constructed, patrons of the motel will be referred to the cafeteria at River Ridge as much as possible.

Vice Mayor Bratton closed the public hearing at 4:49 P.M.

Councilman Bissette made a motion to approve the site plan with the stipulation that the Developer comply with Erosion Control reguations. This motion was seconded by Councilman Boland and carried unanimously.

ORDINANCE NO. 1487 - AN ORDINANCE TO PROVIDE FOR THE CONTROL OF SOIL EROSION AND SEDIMENTATION

7. Consideration was given to the second reading of Ordinance No. 1487, an ordinance to provide for the control of Soil Erosion and Sedimentation.

ORDINANCE NO. 1486 - AN ORDINANCE DIRECTING THE DIRECTOR OF INSPECTIONS TO DEMOLISH AND REMOVE THE APARTMENT HOUSE KNOWN AS 37 EAST CHESTNUT STREET, ASHEVILLE, N. C.

8. Consideration was given to the second reading of Ordinance No. 1486, an ordinance directing the Director of Inspections to demolish and remove the apartment house known as 37 East Chestnut Street, Asheville, N. C.

Mayor McDevitt said this ordinance was previouly read on first reading and would not be reread unless there was a specific request to do so.

Mayor McDevitt said although Max Cogburn had requested that the public hearing and first reading be postponed at the November 27 meeting, the Council proceeded because they felt ample notice had been given and there would be two other opportunities for Mr. Cogburn to be heard.

Mr. Graham said that he was representing Mrs. Gage today due to Mr. Cogburn being out of town. He said Mrs. Gage has hired another contractor, Bill Jones, to perform the necessary work on the house at 37 E. Chestnut Street. However, he said, Mr. Jones is completing work on another property owned by Mrs. Gage, and will be working on the house at 37 E. Chestnut Street in the next 30 days. Mr. Graham requested that Council grant an 30-day extension to permit work on the house by Mr. Jones.

Upon inquiry of Council, Lem Moore said no work has been done, no permits have been applied for, and no permits have been issued for 37 E. Chestnut Street. Mr. Moore said he felt the City Council and the City Staff have tried to cooperate and afford Mrs. Gage with every opportunity to do the work required on her properties in every respect. He requested that Council proceed with the second reading of the Ordinance.

Corporation Counsel Bill Slawter and Mr. Moore answered questions from members of City Council regarding the status of work at 22 Normandy Road.

The request for a 30-day extension made by Mr. Graham to City Council failed for the lack of a motion.

On a roll call vote of 7-0, Ordinance No. 1486 passed on second reading.

RESOLUTION NO. 84-228 - RESOLUTION FOR PARTICIPATION IN THE NORTH CAROLINA HOUSING FINANCE AGENCY HOME IMPROVEMENT LOAN PROGRAM

9. Consideration was given to a resolution for participation in the North Carolina Housing Finance Agency Home Improvement Loan Program.

Mayor McDevitt read the revisions that had been made in the resolution during the Pre-Council Work Session.

Upon motion of Councilman Boland, seconded by Councilman Frank, Resolution No. 84-228 was unanimously adopted.

name of the City, in the appropriate division of the General Courts of Justice for recovery of the penalty. Any sums recovered shall be used to carry out the purposes and requirements of this ordinance."

11. Page 19, Section "23a": Change "governing body" to "City" in the first sentence.

12. Page 20: Change "Resolution" to "Ordinance".

Mayor McDevitt returned to the meeting at 5:00 P.M., and presided over the rest of the meeting.

Danie Johnson, John Broadbrooks, Carroll Hughes, and J. Bertram King voiced their concerns relative to various requirements of the ordinance.

Upon inquiry of Councilman Bissette, Mr. Tarrant said he had lived in a place where plans were submitted to and permits issued from one office; and, in turn, the plans were routed to other agencies for approvals. He said this kind of an arrangement would facilitate our operation.

Councilman Boland said at the Developers Conference last Spring, it had been recommended that all the plans go through the Planning Office with the Planning Director having the ultimate responsibility for clearance from other departments.

As a result of the discussion among Council Members, Mr. Hughes, Mr. Broadbrooks, Mr. King, and Mr. Johnson, Tom Tarrant was instructed by Council to make the following revisions to the Ordinance prior to next week's final reading:

1. Section "3c": Add a period (.) after the word "amendments" and delete the rest of the sentence.

2. Section "3ee": At the end of this subsection, add the following sentence "This Manual is to be approved by the City Manager or his designee".

3. Section "17b": After the word "City" in the sixth line, add "or may submit documentation to substantiate the validity of the design".

Councilman Price moved to adopt the revision to the Ordinance, as read by Mr. Tarrant. This motion was seconded by Councilman Frank and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1487 passed on second reading, as amended.

CLAIMS - FRANK SNYDER (STREET DIVISION)

The City Clerk presented a claim received from Frank Snyder (Street Division).

Mayor McDevitt referred the claim to Corporation Counsel for investigation and recommendation.

LAWSUITS - LOCKIE WORLEY (PROPERTY DAMAGE), DAVID AND RACHEL MILLER (PROPERTY DAMAGE), AND D.O.T. VS. FERENCE, COUNTY, AND CITY (CONDEMNATION OF PROPERTY)

The City Clerk said the City was served with summonses in connection with lawsuits involving Lockie Worley (property damage), David and Rachel Miller (property damage) and D.O.T. vs. Ference, County, and City (eminent domain condemnation of property).

Mayor McDevitt referred the lawsuits to the Corporation Counsel for investigation and recommendation.

APPROVAL OF THE MINUTES - NOVEMBER 13, 1984

3. Approval of the minutes of the November 13, 1984.

Upon inquiry of Mayor McDevitt, Attorney Max Cogburn said he had reviewed the minutes of November 13, 1984, and the amendments proposed by Corporation Counsel Bill Slawter. Mr. Cogburn said there was one minor change he thought should be made, which he had pointed out to Bill Slawter for inclusion with his amendments.

Mayor McDevitt said he had discussed this with the City Manager, and said he would like for Councilmen Price and Frank to keep Marvin Vierra involved and informed with the work of the Committee.

Mayor McDevitt said he would write Nancy Betty, President of the Community Arts Council of Western North Carolina and inform her of his decision.

MAYOR McDEVITT - REMINDER OF THURSDAY NIGHT WORK SESSION

Mayor McDevitt reminded Council of the Thursday night work session to begin at 5:30 P.M.

ADJOURNMENT

Upon motion of Councilman Frank, seconded by Councilman Boland, the meeting adjourned at 6:15 P.M.

Larry McDevitt
MAYOR

William F. Holcombe
CITY CLERK

11. Add the following new sentences at the end of the last paragraph on page 263: "Dr. Byron further stated that Mr. Walsh had some natural vulnerability to stress and would encounter stress in jobs other than law enforcement work."

12. Additional amendment made at the request of Mr. Cogburn on line 38 of page 263 amended the word "ability" to read "inability."

Councilman Frank moved to amend the minutes of the November 13, 1984, meeting as read by Corporation Counsel. This motion was seconded by Councilman Price and carried unanimously.

APPROVAL OF THE MINUTES - NOVEMBER 20, 1984

4. Approval of the minutes of the November 20, 1984.

Upon inquiry of Mayor McDevitt, Corporation Counsel Bill Slawter and Attorney Max Cogburn said they had no amendments to offer to the minutes of the November 20, 1984, meeting.

Mayor McDevitt announced the approval of the minutes of the November 20, 1984, meeting as distributed.

MELVIN C. WALSH, III - DECISION BY CITY COUNCIL ON APPEAL BY MR. WALSH FOR LINE OF-DUTY DISABILITY RETIREMENT

5. Consideration was given to a decision by City Council relative to the appeal of Melvin C. Walsh, III, regarding his request for line-of-duty disability retirement.

Councilman Frank moved to deny the request of Melvin C. Walsh, III for line-of-duty disability retirement based on the following findings of fact:

1. Mr. Walsh was employed by the Asheville Police Department from April 1, 1960 through October 5, 1983.

2. On October 5, 1983, Mr. Walsh was working the evening shift from 5:00 p.m. until 1:00 a.m.

3. Mr. Walsh's work during the evening of October 5, 1983, primarily consisted of making investigative telephone calls from the Asheville Police Department.

4. Mr. Walsh did not undergo any extensive or unusual physical exertion in his work during the evening of October 5, 1983.

5. Mr. Walsh had been working on a case for several weeks involving an elderly couple being taken advantage of by a young couple. This incident caused Mr. Walsh stress due to his inability to resolve the matter favorably for the elderly couple.

Corporation Counsel Bill Slawter read the following amendments to the minutes of the November 13, 1984, meeting:

1. Line 5 of page 262 amend "Admission H & P" to read "admission history and physical".

2. Lines 13 and 14 of page 262 delete the words "identified as W-22".

3. Amend "1960" on line 27 of page 262 to read "1970".

4. Insert after the phrase "a.m." on line 30 of page 262 the following new sentence: "Mr. Walsh stated that during the evening of October 5, 1983, his work primarily consisted of making investigative telephone calls from the Asheville Police Department."

5. Amend the sentence beginning on line 31 of page 262 to read as follows: "He said earlier in the evening he had pain in his arm and chest and didn't feel right."

6. Insert after the sentence ending with the word "days" on line 38 of page 262 the following new sentence: "Mr. Walsh stated that Dr. Fowler diagnosed him as having had a heart attack."

7. Insert the following new sentence following the sentence ending on line 4 of page 263: "Mr. Walsh stated that he did not undergo any extensive or unusual physical exertion in his work during the evening of October 5, 1983."

8. Insert the following new sentence at the end of the sentence ending on line 8 of page 263: "He stated that this incident caused him stress due to his inability to resolve the matter favorably for the elderly couple."

9. Amend the sentence beginning on line 12 of page 263 to read as follows: "In summary, upon questioning by Mr. Cogburn, Mr. Robinson said he was working with Mr. Walsh on the night of October 5, 1983, but was not with Mr. Walsh for the entire evening."

10. Add the following new sentence at the end of the paragraph ending on line 39 of page 263: "Dr. Byron further stated that the condition of 'arteriosclerotic heart disease' as diagnosed by Dr. Fowler was a condition which developed over a period of time and did not suddenly occur on October 5 or 6, 1983, and that this condition was a contributing factor to the heart attack sustained by Mr. Walsh on October 5 or 6."

20. Although Mr. Walsh was never treated for high blood pressure, the infirmary records at the City of Asheville Infirmary indicate that Mr. Walsh had elevated blood pressure upon examination at the infirmary on several occasions beginning in 1976.

21. Dr. Fowler has further diagnosed Mr. Walsh as having "arteriosclerotic heart disease." This condition is one which has developed over a period of time and did not suddenly occur on October 5 or 6, 1983. This condition was a contributing factor to the heart attack sustained by Mr. Walsh on October 5 or 6.

22. The heart attack sustained by Mr. Walsh on October 5 or October 6, 1983, does not constitute "an accident occurring while in the actual performance of duty . . . at some definite time and place" as required by Section 9 (A) of the Policemen's Pension Fund Law (Chapter 429, 1979 Session Laws).

23. Even it were conceded that the heart attack sustained by Mr. Walsh was "an accident" as required by Section 9 (A), Mr. Walsh's disability is not the "natural and proximate result" of the heart attack per se.

Councilman Frank's motion to deny the appeal of Melvin C. Walsh, III for line-of-duty disability retirement was seconded by Councilman Price and carried unanimously.

Mayor McDevitt requested that the minutes reflect that Councilman Myers was not present at the meeting and did not participate in the consideration of this matter.

Upon a request from Attorney Cogburn, Mayor McDevitt said he would be furnished with a copy of the findings of fact and a copy of minutes for December 11, 1984.

Attorney Cogburn pointed out there was a $9.00 mathematical error in the calculations determining Mr. Walsh's retirement benefits. Mayor McDevitt requested that Mr. Cogburn discuss this with the Corporation Counsel to determine whether the correction noted should be made by the Council or if it was just an administrative matter that could be handled by staff.

PUBLIC HEARING - CLOSING PORTION OF ALTA AVENUE

RESOLUTION NO. 84-233 - RESOLUTION TO CLOSE A PORTION OF ALTA AVENUE BETWEEN RIDGE STREET AND VISTA STREET IN THE CITY OF ASHEVILLE, NORTH CAROLINA

6. A public hearing was held on the question of closing a portion of Alta Avenue between Ridge Street and Vista Street in the City of Asheville, North Carolina.

6. Officer Ross Robinson was working the same shift the evening of October 5, 1983, but was not with Mr. Walsh for the entire evening.

7. During the early evening of October 5, 1983, Mr. Walsh began having chest and arm pains.

8. Shortly before Midnight on October 5, 1983, Mr. Walsh went to a motel on Merrimon Avenue to join Officer Robinson who was investigating a rape case.

9. When Mr. Walsh arrived at the motel on Merrimon Avenue shortly before Midnight Officer Robinson observed Mr. Walsh pushing upward in the area of his diaphragm and a discoloration about his face.

10. Mr. Walsh thereafter, at the urging of Officer Robinson, went home early at approximately Midnight.

11. While at home during the early morning of October 6, 1983, Officer Walsh awoke with increased chest pains, whereupon his wife took him to the emergency room at St. Joseph's Hospital.

12. Mr. Walsh was thereupon admitted to St. Joseph's Hospital under the care of Dr. William B. Fowler.

13. Upon Mr. Walsh's admission to the hospital he was diagnosed by Dr. Fowler as having had a myocardial infarction or heart attack.

14. Mr. Walsh remained hospitalized through October 21, 1983.

15. During his hospitalization Mr. Walsh was examined beginning October 19, 1983, by Dr. Robert Byron, a psychiatrist, at the request of Dr. Fowler.

16. Dr. Byron has diagnosed Mr. Walsh as having "psychological factor affecting physical condition."

17. Dr. Fowler has diagnosed Mr. Walsh as having recovered from his heart attack and he has released Mr. Walsh for reemployment in "any occupation that is devoid of strenuous and/or emotional stress."

18. Dr. Byron is of the opinion that Mr. Walsh is totally and permanently disabled from employment as a police officer due to his inability to manage stress.

19. Mr. Walsh is a type A personality or "perfectionist" and has some natural vulnerability to stress. He would encounter stress in jobs other than law enforcement work.

Section "17b": After the word "City" in the sixth line, add "or may submit documentation to substantiate the validity of the design".

Danie Johnson again addressed Council relative to his concerns regarding 30-day plan review period concerning small sites under 10,000 square feet.

The concerns of Mr. Johnson were addressed and resolved by Tom Tarrant.

Mr. Johnson complimented Mr. Tarrant, the Engineering Staff, and the City Council for their efforts in producing an ordinance that was viable to engineers and and developers.

On a roll call vote of 7-0, Ordinance No. 1487 passed on third and final reading, as amended.

Councilman Price noted that Ordinance No. 1487 had just passed on final reading without a motion to amend the Ordinance as previously read by Mr. Tarrant.

Upon inquiry of McDevitt, Corporation Counsel said the proper procedure to amend Ordinance No. 1487, an Ordinance to provide for the control of Soil Erosion and Sedimentation, would be for Council to have a motion to reconsider the Ordinance.

MOTION TO RECONSIDER - ORDINANCE NO. 1487 - AN ORDINANCE TO PROVIDE FOR THE CONTROL OF SOIL EROSION AND SEDIMENTATION

8. Consideration was given to a motion to reconsider Ordinance No. 1487, an ordinance to provide for the control of soil erosion and sedimentation on third and final reading.

Councilwoman Price moved to reconsider Ordinance No. 1487. This motion was seconded by Councilman Bissette and carried unanimously.

Councilman Price moved to amend the Ordinance No. 1487 as read by Mr. Tarrant and to make the Ordinance effective January 1, 1985. This motion was seconded by Councilman Bissette and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1487 passed on third and final reading, as amended.

Complete text of Ordinance No. 1487 will be found in Ordinance Book No. 10 at pages ~~247-261.~~ 213 – 227

ORDINANCE NO. 1486 - AN ORDINANCE DIRECTING THE DIRECTOR OF INSPECTIONS TO DEMOLISH AND REMOVE THE APARTMENT HOUSE KNOWN AS 37 EAST CHESTNUT STREET, ASHEVILLE, N. C.

9. Consideration was given to the third and final reading of Ordinance No. 1486, an ordinance directing the Director of Inspections to demolish and remove the apartment house known as 37 East Chestnut Street, Asheville, N. C.

Mayor McDevitt said the City of Asheville had received a petition from Donald Harmon and Gerty Kerley, owners of property adjoining Alta Avenue in the Oakley section, requesting that a portion of Alta Avenue, from its intersection with Ridge Avenue, in an easterly direction approximately 315 feet and adjoining lots 32, 34, and 58 of Sheet 9, Ward 7 be permanently closed to public use. On November 13, 1984, City Council adopted Resolution No. 84-212, a resolution of intent to close a portion of Alta Avenue and scheduling a public hearing for December 11, 1984.

Mayor McDevitt said copies of the resolution had previously been distributed to members of City Council, and the resolution would not be read unless there was a specific request to do so.

Mayor McDevitt opened the public hearing at 4:26 P.M.

Councilman Myers arrived at the meeting.

The City Clerk presented the notice to the public and the affidavit of publication.

There being no comments from members of the public, Mayor McDevitt closed the public hearing at 4:27 P.M.

Upon motion of Councilman Boland, seconded by Councilman Bissette, Resolution No. 84-233 was unanimously adopted.

Complete text of Resolution No. 84-233 will be found in Resolution Book No. 15 at page ~~103~~ 109 + 110.

ORDINANCE NO. 1487 - AN ORDINANCE TO PROVIDE FOR THE CONTROL OF SOIL EROSION AND SEDIMENTATION

7. Consideration was given to the third and final reading of Ordinance No. 1487, an ordinance to provide for the control of Soil Erosion and Sedimentation.

Mayor McDevitt said the present ordinance does not comply with State requirements, and this ordinance will allow for the those requirements. He said a public hearing was held and this ordinance passed on first reading on May 22, 1984, and at the June 5, 1984, meeting, the second reading of the ordinance was postponed to allow for a work session on August 28, 1984. He said that since Council failed to act on that Ordinance for a period of 100 days, the action in passing that Ordinance on first reading became null and void. He said a new revised Ordinance was passed by Council on first reading at the meeting on November 27, 1984, and on second reading on December 4, 1984, as amended.

Mayor McDevitt said this Ordinance was previously read on first and second readings and would not be reread unless there was a specific request to do so.

Tom Tarrant said there was one amendment Council needed to make to the Ordinance based on discussion at last week's meeting. He read the following proposed amendment.

Mayor McDevitt said this budget amendment ordinance will allocate $21,371 to the Police Department's Fiscal 1984-85 Budget to fund six months operation of Animal Control activity (1/85-6/85). He said funding will be provided by an increase in license fees in the amount of $12,000 and the balance of $9,271 will be transferred from the General Fund Contingency. He said this action will leave a balance in the Contingency Fund of $254,244.

Mayor McDevitt said copies of the Ordinance had previously been distributed to members of City Council, and the Ordinance would not be read unless there was a specific request to do so.

Upon motion of Councilman Price, seconded by Councilman Frank, Ordinance No. 1488 was unanimously adopted.

On a roll call vote of 7-0, Ordinance No. 1488 passed on first and final reading.

RESOLUTION NO. 84-235 - RESOLUTION AUTHORIZING THE MAYOR ON BEHALF OF THE CITY OF ASHEVILLE TO EXECUTE AN EASEMENT FOR THE GENERAL SERVICES ADMINISTRATION OF THE UNITED STATES OF AMERICA TO INSTALL SUBSURFACE TELEPHONE COMMUNICATION CONDUITS ALONG BATTERY PARK AND ACROSS OTIS STREET

---

12. Consideration was given to a resolution authorizing the Mayor on behalf of the City of Asheville to execute an easement for the General Services Administration of the United States of America to install subsurface telephone communication conduits along Battery Park and across Otis Street.

Mayor McDevitt said the General Services Administration of the United States of America has requested an easement from the City of Asheville to install two (2) subsurface telephone communication conduits along Battery Park and across Otis Street from the Federal Building (Grove Arcade Building) to the United States Post Office and Courthouse Building. Among other things, he said, the easement will provide that the General Services Administration (GSA) be fully responsible for the restoration of the site to its condition prior to construction, and GSA also agrees to assume full responsibility for damage to any other lines, pipes or conduits lying underneath the above-referenced streets, to perform the construction according to the permit requirements of the Department of Public Works, and agrees to indemnify and hold harmless the City of Asheville for any injuries or damages during construction.

Mayor McDevitt said copies of the resolution had previously been distributed to members of City Council, and the resolution would not be read unless there was a specific request to do so.

Upon motion of Councilman Boland, seconded by Councilman Price, Resolution No. 84-235 was unanimously adopted.

Complete text of Resolution No. 84-235 will be found in Resolution Book No. 15 at page ~~105.~~ 112

Mayor McDevitt said this ordinance was previouly read on first and second readings and would not be reread unless there was a specific request to do so.

Upon inquiry of Council, Lem Moore, Director of Inspections, said no work had been done on the house at 37 E. Chestnut Street.

Mayor McDevitt asked if Mrs. Gage was present was present and desired to speak. However, she was not present at the meeting.

On a roll call vote of 7-0, Ordinance No. 1486 passed on third and final reading.

RESOLUTION NO. 84-234 - RESOLUTION AUTHORIZING THE CITY MANAGER TO EXECUTE A RIGHT-OF-WAY ENCROACHMENT AGREEMENT WITH OWNER OF WICK & GREENE JEWELERS LOCATED AT TEN WALL STREET

10. Consideration was given to a resolution authorizing the City Manager to execute a right-of-way encroachment agreement with the owner of Wick & Greene Jewelers located at 10 Wall Street.

Mayor McDevitt said Paul P. Greene, owner of Wick & Greene Jewelers, has requested that the City enter into an encroachment agreement so that an original antique street clock of the 1920 period may be installed upon the sidewalk at 10 Wall Street. He said placement of the clock, pursuant to the agreement, will not substantially impair or hinder the public use of the sidewalk. Further, he said, the agreement requires that the clock be installed, kept up, and if necessary for any purpose, removed by the owner of Wick & Greene Jewelers at his sole expense.

Mayor McDevitt said copies of the resolution had previously been distributed to members of City Council, and the resolution would not be read unless there was a specific request to do so.

Upon motion of Councilman Frank, seconded by Councilman Price, Resolution No. 84-234 was unanimously adopted.

Complete text of Resolution No. 84-234 will be found in Resolution Book No. 15 at page ~~104~~ 111

ORDINANCE NO. 1488 - BUDGET AMENDMENT ORDINANCE

11. Consideration was given to an Ordinance amending the FY 84-85 budget to allocate funds to implement the Animal Control Ordinance.

Mayor McDevitt said the North Carolina Department of Transportation (NCDOT) has prepared and adopted plans to make certain street and highway construction and improvements under Project No. 8.7384017 consisting of the construction of NC 81 at SR 3214 (Biltmore Avenue) and NC 81 (Bryson Street) at Meadow Road. The N. C. Department of Transportation and the City of Asheville propose to enter into an agreement whereby NCDOT will include in its construction contract provisions to install a 3/4-inch curb stop and curb box and relocate a water meter. The City of Asheville agrees to reimburse the NCDOT for the cost of said work with reimbursement to be made in a lump sum payment upon completion of the work. He said the anticipated cost of the City's participation is $30.00, and this will be paid out of the Water Maintenance Budget.

Mayor McDevitt said copies of the resolution had previously been distributed to members of City Council, and the resolution would not be read unless there was a specific request to do so.

Upon motion of Councilman Bissette, seconded by Councilman Price, Resolution No. 84-237 was unanimously adopted.

Complete text of Resolution No. 84-237 will be found in Resolution Book No. 15 at page 102, 114 &.

RESOLUTION NO. 84-238 - RESOLUTION AMENDING RESOLUTION NO. 78-132 PROVIDING FOR THE CONTINUATION OF GROUP HEALTH/HOSPITAL INSURANCE COVERAGE TO ELIGIBLE RETIREES OF THE CITY OF ASHEVILLE

15. Consideration was given to a resolution amending Resolution No. 78-132 providing for the continuation of group health/hospital insurance coverage to eligible retirees of the City of Asheville.

Mayor McDevitt said this resolution will adopt a policy for the continuation of Group Health Insurance coverage for eligible retirees provided the following requirements are complied with:

A. Employee retires on a normal basis, early retirement or becomes disabled after completing the probationary period (1 year) as defined in the Civil SErvice Rules/Regulations;

B. Retiree cannot obtain coverage through Medicare, Medicaid, spouse's employer, or current employer.

Mayor McDevitt said costs associated with this resolution will be approximately $161,361.00 for Plan C and $164,037.00 for Plan E. He said the cost is included in the overall cost for Hospitalization/Medical Insurance for FY 84-85. He said once the cost containment provisions are implemented, there should be a reduction in the amount the City pays for medical insurance.

Upon motion of Councilman Boland, seconded by Councilman Frank, Resolution No. 84-238 was unanimously adopted.

Complete text of Resolution No. 84-238 will be found in Resolution Book No. 15 at page 102, 115 &.

RESOLUTION NO. 84-236 - RESOLUTION AUTHORIZING THE MAYOR OF THE CITY OF ASHEVILLE TO ENTER INTO AN AGREEMENT WITH THE NORTH CAROLINA DEPARTMENT OF TRANSPORTATION FOR PROJECT NO. 9.8130280 WHICH CONSISTS OF RESURFACING SR 3548 (CLINGMAN AVENUE) AND THE REMOVAL AND REPLACMENT OF SIDEWALKS ALONG SR 3548 (CLINGMAN AVENUE)

13. Consideration was given to a resolution authorizing the Mayor of the City of Asheville to enter into an agreement with the North Carolina Department of Transportation for Project No. 9.813280 which consists of resurfacing SR 3548 (Clingman Avenue) and the removal and replacement of sidewalks along SR 3548 (Clingman Avenue).

Mayor McDevitt said the North Carolina Department of Transportation (NCDOT) has prepared and adopted plans to make certain street and highway improvements within the corporate limits of the City of Asheville under Project No. 9.813280, said plans consisting of the resurfacing of SR 3548 (Clingman Avenue) from Patton Avenue south 0.5 mile and the removal and replacement of existing sidewalks along SR 3548 (Clingman Avenue) from Patton Avenue south 0.5 mile. He said this agreement will provide for the City's participation in the total amount of $20,000, to effect the necessary adjustments of all utilities, and to provide right-of-way for the project, all without cost to NCDOT. He said this project will have a negative effect by reducing the appropriation of $142,000, previously set aside for sidewalks in the FY 84-85 Budget, in the amount of $20,000. However, he said this will have a very positive impact on the community by improving the streets and sidewalks on Clingman Avenue.

Mayor McDevitt said copies of the resolution had previously been distributed to members of City Council, and the resolution would not be read unless there was a specific request to do so.

Upon motion of Councilman Myers, seconded by Councilman Frank, Resolution No. 84-236 was unanimously adopted.

RESOLUTION NO. 84-237 - RESOLUTION AUTHORIZING THE MAYOR OF THE CITY OF ASHEVILLE TO ENTER INTO A UTILITY AGREEMENT WITH THE NORTH CAROLINA DEPARTMENT OF TRANSPORTATION FOR PROJECT NO. 8.7384017 CONSISTING OF HIGHWAY CONSTRUCTION AND IMPROVEMENTS ON NC 81 AT SR 3214 (BILTMORE AVENUE) AND NC 81 (BRYSON STREET) AT MEADOW ROAD

14. Consideration was given to a resolution authorizing the Mayor of the City of Asheville to enter into a utility agreement with the North Carolina Department of Transporration for Project No. 8.7384017 consisting of highway construction and improvements on NC 81 at SR 3214 (Biltmore Avenue) and NC 81 (Bryson Street) at Meadow Road.

RESOLUTION NO. 84-239 - RESOLUTION AUTHORIZING EXECUTION OF AN APPLICATION FOR THE HOUSING AND URBAN DEVELOPMENT RENTAL REHABILITATION PROGRAM

Consideration was given to a Resolution authorizing execution of an application by the Mayor for the Housing and Urban Development Rehabilitation Program.

Mayor McDevitt noted that the Resolution had not been previously distributed, and requested that Vice Mayor Bratton read the Resolution.

Councilman Boland said the Council is very happy to have this amount of money for rehabilitation. He said the problem of housing for low and moderate income people is a major problem, and that the Rehabilitation Program and rent supplements are a great thing.

Upon motion of Vice Mayor Bratton, seconded by Councilman Price, Resolution No. 84-239 was unanimously adopted.

Complete text of Resolution No. 84-239 will be found in Resolution Book No. 15 at page ~~109~~ 116 and 117.

CLAIMS - FRANK BOWMAN (STREET DIVISION) AND DOROTHEA McCUEN (STREET DIVISION)

The City Clerk presented claims received from Frank Bowman (Street Division) and Dorothea McCuen (Street Division).

Mayor McDevitt referred the claims to Corporation Counsel for investigation and recommendation.

ANNOUNCEMENT - TIME CHANGE IN THURSDAY NIGHT WORK SESSION SCHEDULED FOR THURSDAY, DECEMBER 13, 1984

After discussion, Mayor McDevitt announced that it was the consensus of City Council to begin the City Council Work Session scheduled for Thursday, December 13, 1984, at 5:00 P.M. instead of the previously scheduled time of 5:30 P.M. This Work Session will be relative to the Kenilworth Report.

Mayor McDevitt requested that staff notify the citizens who had written him about the change in time.

BIDS - TWO (2) TRAILER MOUNTED LEAF COLLECTION MACHINES - SANITATION DIVISION

16. Consideration was given to bids received for two (2) trailer mounted leaf collection machines for the Sanitation Division.

Mayor McDevitt said three (3) bids were received for two (2) leaf vacuums for the Sanitation Division. He said Clark Brown, Director of Public Works, recommends rejection of the bid received from Porter Brothers on the basis that the bid does not meet specifications, and rejection of the bid from E. F. Craven Company on the basis that deficiences were found in the suction impeller, power transmission, fan shaft, and bearings. He said Mr. Brown further recommends that Council accept the bid received from N. C. Equipment Company in the amount of $36,980.00 for the Super Vac L-400 Trailer Mounted Leaf Collection Machines on the basis that this was the lowest bid meeting specifications.

BID TABULATION

Porter Brothers	$ 18,600.00
E. F. Craven Company	$ 33,556.00
N. C. Equipment Company	$ 36,980.00

Mayor McDevitt said funding for this equipment has been budgeted in the FY 84-85 Capital Outlay Funds in the total amount of $33,900. He said the over-run is anticipated to be met from department-wide surplus.

Councilman Price moved to approve the bid received from N. C. Equipment Company in the amount of $36,980.00. This motion was seconded by Councilman Boland and carried unanimously.

MOTION - PUBLIC HEARING SCHEDULED - SITE PLAN "COUNTRY TOWNS OF ASHEVILLE"

17. Consideration was given to a motion scheduling a public hearing on the site plan of "Country Towns of Asheville", a proposed condominium project, to be located on Waters Road for January 8, 1985.

Mayor McDevitt said Councilman Bissette had informed him that he had a conflict of interest on the "Country Towns of Asheville" matter, and had requested to be excused from voting on this or any subsequent actions by Council relative to "Country Towns of Asheville".

Councilman Price moved to excuse Councilman Bissette from voting on this and any subsequent actions relative to "Country Towns of Asheville". This motion was seconded by Councilman Myers and carried unanimously.

Councilman Boland moved to schedule a public hearing on the site plan of "Country Town of Asheville" for January 8, 1985. This motion was seconded by Councilman Myers and carried unanimously with Councilman Bissette abstaining.

Tuesday, December 18, 1984 - 4:00 p.m.

Regular Meeting

Present: Mayor Larry McDevitt, Presiding; Vice-Mayor Wilhelmina Bratton; Councilmen Mary Lloyd Frank, Norma T. Price, Walter R. Boland, Louis Bissette; Corporation Counsel William F. Slawter; City Manager Neal Creighton; Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilman Gordon Myers

INVOCATION

The invocation was given by Councilman Bissette.

APPROVAL OF THE MINUTES - DECEMBER 11, 1984

1. Approval of the minutes of the December 11, 1984 meeting.

Mayor McDevitt announced the approval of the minutes of the December 11, 1984, meeting as distributed.

PROCLAMATION - "STOP TORTURE WEEK" DECEMBER 3-10, 1984

Mayor McDevitt proclaimed the week of December 3-10, 1984, retroactively as "Stop Torture Week".

PUBLIC HEARING - CLOSING UNNAMED ALLEY BETWEEN ASHELAND AVENUE AND ASTON STREET

RESOLUTION NO. 84-240 - RESOLUTION PERMANENTLY CLOSING AN UNNAMED ALLEY BETWEEN ASHELAND AVENUE AND ASTON STREET

2. A public hearing was held relative to closing an unnamed alley between Asheland Avenue and Aston Street.

Mayor McDevvitt said a request has been filed by the United States Postal Service, owners of property adjoining an unnamed alley between Asheland Avenue and Aston Street, asking that said unnamed alley shown on Ward 4, Sheet 1, of the Buncombe County tax maps and joining Tax Lots 260, 249 and 466, be permanently closed to public use. He said this alley serves the property at the U.S. Postal Service and joins the property at Monteath's Automotive Service Center. There should be no positive or negative effect on current revenues or expenditures, or administrative cost to Public Works or any other City Department. He said the U. S. Postal Service feels this will help them to better utilize their property.

Mayor McDevitt opened the public hearing at 4:11 P.M.

The City Clerk presented the notice to the public and the affidavit of publication.

Ann Hyatt, representing Mr. Monteath due to his illness, said Mr. Monteath does not want the alley closed because it would facilitate his and the Post Office's business by leaving the alley open.

MAYOR McDEVITT - RESPONSES RELATIVE TO THE KENILWORTH REPORT

Mayor McDevitt said he had received a number of letters from different people or groups of people expressing various opinions about the Kenilworth Report and requesting notification about meetings. Mayor McDevitt said he had written all of the people back enclosing a copy of the Kenilworth Report, advising them of the December 13th meeting, and telling them that the purpose of the Thursday night Mmeting was for a work session and not a public hearing, in the sense that Council would have one, if and when the Council considers any changes. However, he said, he did tell them they were welcome to come, but that the purpose of the meeting was to update the Council, make sure they understand what the report says and the recommendations it made, and that the Council understand the impact of any changes the report suggests.

RALPH BISHOP

Ralph Bishop again addressed the Council relative to human rights and enforcement of the United States Constitution.

ADJOURNMENT

Upon motion of Councilman Myers, seconded by Councilman Bissette, the meeting adjourned at 6:15 P.M.

Larry McDevitt
MAYOR

William F. Nolan
CITY CLERK

On a roll call vote of 6-0, Ordinance No. 1489 passed on first and final reading.

MOTION - CANCELING REGULAR CITY COUNCIL MEETINGS FOR DECEMBER 25, 1984, AND JANUARY 1, 1985

4. Mayor McDevitt said since the December 25, 1984, meeting falls on Christmas Day and the January 1, 1985, falls on New Year's Day, it is necessary to cancel these meetings.

Councilman Bissette moved to cancel the Regular City Council Meetings for December 25, 1984, and January 1, 1985. This motion was seconded by Councilman Price and carried unanimously.

ORDINANCE NO. 1490 - BUDGET ORDINANCE AMENDMENT - FUNDING FOR INSTALLATION OF NEW TELEPHONE SYSTEM

5. Consideration was given to a budget ordinance amendment to provide funding in the amount of $23,500 for installation costs of a new telephone system.

Mayor McDevitt requested that he be excused from voting on this ordinance and also the resolution authorizing the contract with Continental Telephone Company because his law firm represents this company.

Councilman Price moved to excuse the Mayor from voting on Items 5 (Budget Ordinance Amendment - Funding for Installation of Telephone System) and 6 (Resolution authorizing the Mayor to sign necessary contracts for the purchase, financing, installation, and maintenance of a new telephone system for the City of Asheville). This motion was seconded by Councilman Boland and carried unanimously.

Mayor McDevitt relinquished the chair to Vice Mayor Bratton.

Vice Mayor Bratton said this budget ordinance amendment will provide funding for completing the telephone conduit system, and remodeling a room to house the telephone equipment. She said funding will be provided by using Revenue Sharing Contingency. The Contingency balance after this action will be $62,127.

Vice Mayor Bratton said copies of the budget amendment had previously been distributed to members of City Council, and the budget amendment would not be read unless there was a specific request to do so.

Councilman Boland moved for the adoption of Ordinance No. 1490. This motion was seconded by Councilman Frank and carried unanimously, with Mayor McDevitt abstaining.

On a roll call vote of 5-0, Ordinance No. 1490 passed on first and final reading, with Mayor McDevitt abstaining.

Upon inquiry of Corporation Counsel, Ms. Hyatt said Mr. Monteath would not be denied access to his business if the alley were closed.

Upon inquiry of Council, Larry Ward pointed out on a map the location of the fence installed in the alley by Monteath's. Mr. Ward said the closing would not require Mr. Monteath to remove the fence.

Mayor McDevitt explained to Ms. Hyatt that once the alley was closed, the property would be divided equally between the owners of the adjoining property, Monteath's and the U. S. Postal Service.

Mayor McDevitt closed the public hearing at 4:20 P.M.

Mayor McDevitt said copies of the resolution had previously been distributed to members of City Council, and the resolution would not be read unless there was a specific request to do so.

Upon motion of Councilman Boland, seconded by Councilman Bissette, Resolution No. 84-240 was unanimously adopted.

Complete text of Resolution No. 84-240 will be found in Resolution Book No. 15 at page ~~110~~ 119

ORDINANCE NO. 1489 - BUDGET ORDINANCE AMENDMENT - HALF CENT LOCAL OPTION SALES TAX

3. Consideration was given to a budget ordinance amendment to reduce budgeted revenue for half cent local option sales tax.

Mayor McDevitt said this budget ordinance amendment will reduce budgeted revenue for the half cent local option sales tax by $252,000. He said this budget ordinance amendment will reduce appropriations for General Debt Service/Capital Reserve by $151,200, and will reduce the Contingency for Water and Sewer Improvements by $100,800.

Bob Wurst, Director of Audit and Budget, said the City is currently receiving 2.3 million dollars from the one cent tax already in effect, which is collected by State and distributed on a point of sale basis. However, he said the half-cent sales tax is being distributed by the State on a per capita basis.

Mr. Wurst said he had made his revenue projections for the budget based on a formula furnished by the State. He said the City has received the first quarterly payment for FY 84-85 and from that check, it is apparent that our estimate in the budget is too high. Therefore, he said, this budget amendment is to reduce the budget to the amount we expect to receive based on this first quarter's check. He said although this will have a negative impact on the City's revenues, because the funds were set aside in the Capital Reserve Fund, it will not affect any projects approved in the FY 84-85 Budget.

Councilman Price moved for the adoption of Ordinance No. 1489. This motion was seconded by Councilman Frank and carried unanimously.

Mayor McDevitt took over the chair.

RESOLUTION NO. 84-242 - RESOLUTION EXTENDING AN OPTION ON THE SALE OF AIRPORT PROPERTY TO THE STATE OF NORTH CAROLINA

7. Consideration was given to Resolution relative to extending an option on the sale of the Airport property to the State of North Carolina.

Mayor McDevitt said on October 2, 1984 by Resolution No. 84-188 the Mayor was authorized to execute an Option Agreement with the State of North Carolina for the sale of 50 acres of land from a tract containing approximately 65.5 acres adjoining the Western North Carolina Agricultural Center. He said the Option Agreement is contingent upon the City of Asheville being free from any restrictions that might be imposed by the Federal Aviation Administration or other authority upon the expenditure of the funds in the sum of $500,000 to be derived from said sale. He said this will authorize an extension of the option that expires on December 31, 1984.

Mayor McDevitt said copies of the Resolution had previously been distributed to members of City Council, and the Resolution would not be read unless there was a specific request to do so.

Upon motion of Councilman Frank, seconded by Councilman Price, Resolution No. 84-242 was unanimously adopted.

Complete text of Resolution No. 84-242 will be found in Resolution Book No. 15 at page ~~112~~ 120.

BIDS - STEEL MONOLEVER TRAFFIC SIGNAL POLES AND MAST ARMS - TRAFFIC ENGINEERING DIVISION

8. Consideration was given to bids received for Steel Monolever Traffic Signal Poles and Mast Arms.

Mayor McDevitt said sealed bids were received to furnish four (4) Steel Monolever Traffic Signal Poles and four (4) Mast Arms for the Traffic Engineering Division. He said one bid was received, and the staff's recommendation is to award the bid to Southeastern Safety Supplies, Inc., in the amount of $12,281.00. Mayor McDevitt said funding for the purchase of these materials is budgeted and available in Account Code 65-940-0410-278-9.

Upon inquiry of Councilman Bissette, Bob McDonald, Traffic Engineer, said eight (8) requests for proposals were sent out; however, only one (1) bid was received. He said he thought the reason for receiving just the one (1) bid was because the companies felt it was not feasible to go through a special design process in order to submit a bid for the small number of "odd size" poles and arms.

Upon inquiry of Councilman Price, Bob McDonald said the odd size of these poles was a special order and would be placed at the intersection of new South Charlotte Street and College Street.

RESOLUTION NO. 84-241 - RESOLUTION AUTHORIZING THE MAYOR TO SIGN THE NECESSARY CONTRACTS FOR THE PURCHASE, FINANCING, INSTALLATION, AND MAINTENANCE OF A NEW TELEPHONE SYSTEM

6. Consideration was given to a Resolution authorizing the Mayor to sign the necessary contracts for the purchase, financing, installation, and maintenance of a new telephone system for the City of Asheville.

Vice Mayor Bratton said the City Council had instructed the Administrative Services Division of the Department of Management Services to solicit bids for a new telephone system for the City of Asheville. She said the Administrative Services Division requested and received formal bids in accordance with North Carolina General Statutes Sec. 143-129 and has completed an evaluation of the bid proposals submitted. Continental Telephone Company of North Carolina is the lowest responsible bidder and has proposed a telephone system which exceeds the minimum specifications of the bid. She summarized the bids received as follows:

SUMMARY OF BIDS

Continental Telephone Company of North Carolina	$290,500.00
Universal Communication System	316,718.00
Telephone Systems of Asheville	335,200.00
Rolm Southeast Corporation	336,000.00
AT&T Information Systems	340,394.00
R&E Electronics	347,611.00
Southern Bell Advanced Systems	424,415.88

Vice Mayor Bratton said the new telephone system is expected to save the City of Asheville about $340,600 over ten (10) years. She said the bid received from Continental Telephone Company in the amount of $290,500.00 is the lowest bidder. For the current fiscal year, she said, $23,500 would have to be appropriated to cover installation and site preparation costs, and for fiscal year 1985-86, about $7,800 less would have to be appropriated for telephone costs.

Vice Mayor Bratton said copies of the Resolution had previously been distributed to members of City Council, and the resolution would not be read unless there was a specific request to do so.

Councilman Bissette and Councilman Boland thanked Richard Kendrick for his hard work and efforts on the new telephone system.

Upon motion of Councilman Frank, seconded by Councilman Price, Resolution No. 84-241 was unanimously adopted, with Mayor McDevitt abstaining.

Complete text of Resolution No. 84-241 will be found in Resolution Book No. 15 at page ~~111~~ 119 JC

Mayor McDevitt requested that he be excused for voting on this matter due to the fact that his law firm represents Apple Tree Chevrolet.

Councilman Price moved to excuse Mayor McDevitt from voting on the automobiles for the Fire Department. This motion was seconded by Councilman Bissette and carried unanimously.

Mayor McDevitt relinquished the chair to Vice Mayor Bratton.

Vice Mayor Bratton said sealed bids were received to furnish the Fire Department with three (3) automobiles. She summarized the bids and staff recommendation as follows:

Bid Summary/Item C (1 Full-Size Auto)	Unit Cost	Energy Eff. Cost	Total
Pelle Dodge	$ 9,964.17	$ 16,057.92	$ 9,964.17
Matthews Ford	10,450.00	16,543.75	10,450.00
Apple Tree Chevrolet	9,999.75	15,735.04	9,999.75
Woodcock Motors	10,627.16	16,720.91	10,627.16

Bid Summary/Item D (2 Sub-Compact Autos)	Unit Cost	Energy Eff. Cost	Total
Pelle Dodge	$ 6,994.39	$ 11,056.89	$ 13,988.78
Matthews Ford	6,879.00	10,779.00	13,758.00
Apple Tree Chevrolet	6,786.30	10,397.41	13,572.60
Woodcock Motors	6,831.96	10,731.96	13,663.92

Staff Recommendation:

1 Full Size Sedan for Fire Department - Award to Apple Tree Chevrolet for one (1) 1985 Chevrolet Impala at a cost at $9,999.75.

2 Sub Compact Sedans for Fire Department - Award to Apple Tree Chevrolet to furnish two (2) 1985 Chevrolet Chevette's at $6,786.30 each for a total of $13,572.60.

Vice Mayor Bratton said sufficient funds for these purchases are available in Revenue Sharing Funds, Fire Department activities, and these items were budgeted in FY 84-85.

Councilman Bissette moved to accept the bid received from Apple Tree Chevrolet in the total amount of $23,752.35. This motion was seconded by Councilman Frank and carried unanimously, with Mayor McDevitt abstaining.

Mayor McDevitt took over the chair and presided over the rest of the meeting.

Councilman Price moved to accept the bid received from Southeastern Safety Supplies, Inc. in the amount of $12,281.00. This motion was seconded by Councilman Bissette and carried unanimously.

BIDS - AUTOMOBILES FOR THE POLICE DEPARTMENT

9. Consideration was given to bids received for automobiles for the Police and Fire Departments.

Mayor McDevitt said the bids for the automobiles for the Police and Fire Departments would be given separate consideration.

Mayor McDevitt said sealed bids were received to furnish the Police Department with sixteen (16) police type automobiles. He summarized the bids and staff recommendation as follows:

Bid Summary/Item A (12 Police/Patrol)	Unit Cost	Energy Eff. Cost	Total
Pelle Dodge	$ 12,077.82	$ 19,577.82	$ 144,933.84

Bid Summary/Item B (4 Police/Unmarked)	Unit Cost	Energy Eff. Cost	Total
Pelle Dodge	$ 11,699.72	$ 19,199.72	$ 46,798.88
Matthews Ford	10,597.00	16,690.75	42,388.00
Apple Tree Chevrolet	11,470.96	17,970.96	45,883.84
Woodcock Motors	10,766.10	16,859.85	43,064.40

Staff Recommendation:

16 automobiles for Police Department - Matthews Ford, Inc. to furnish 12 each 1985 Ford LTD Patrol vehicles at $10,879.00 each and four (4) each 1985 Ford LTD unmarked vehicles at $10,597.00 each for a total of $172,936.00.

Mayor McDevitt said sufficient funds for these purchases are available in Revenue Sharing Funds, Police Department activities, and these items were budgeted in FY 84-85.

Councilman Boland moved to accept the bid received from Matthews Ford for 16 automobiles for the Police Department (Items A and B) in the total amount of $172,936.00. This motion was seconded by Councilman Price and carried unanimously.

BIDS - AUTOMOBILES FOR FIRE DEPARTMENT

9-A. Consideration was given to bids received for automobiles for the Fire Department.

Upon motion of Councilman Frank, seconded by Councilman Price, Resolution No. 84-243 was unanimously adopted.

Complete text of Resolution No. 84-243 will be found in Resolution Book No. 15 at page ~~113.~~ 121 92

RESOLUTION NO. 84-244 - RESOLUTION AUTHORIZING THE MAYOR ON BEHALF OF THE CITY OF ASHEVILLE TO EXECUTE AN AGREEMENT FURTHER CLARIFYING THE MASTER AGREEMENT DATED AUGUST 15, 1984, BY AND AMONG THE CITY, THE COUNTY, AND SCHNEIDER NINE, INC.

11. Consideration was given to a Resolution authorizing the Mayor on behalf of the City of Asheville to execute an agreement further clarifying the Master Agreement dated August 15, 1984, by and among the City, the County, and Schneider Nine, Inc.

Mayor McDevitt said this Resolution will authorize him to execute an agreement by and among the City of Asheville, Buncombe County, and Schneider Nine, Inc. which further clarifies and defines certain responsibilities due to additional questions that have come up since the Memorandum of Understanding was executed for the benefit of a better understanding by future Councils.

Mayor McDevitt said copies of the Resolution and Agreement had previously been distributed to members of City Council, and the Resolution would not be read unless there was a specific request to do so.

Upon motion of Councilman Price, seconded by Councilman Bisette, Resolution No. 84-244 was unanimously adopted.

BIDS - DISPOAL PARCELS 42, 142, 194, and 196/EAST RIVERSIDE RENEWAL PROJECT

12. Consideration was given to a motion approving the sale of Disposal Parcels 42, 142, 194, and 196 in the East Riverside Renewal Project.

Mayor McDevitt said the Housing Authority has tentatively accepted the following bids for Disposal Parcels 42, (East End/Valley Street Area) 142, 194, and 196 in the East Riverside Renewal Project:

Parcel	Reuse	Price	Bid	Redeveloper
42	Residential	$3,600.00	$3,700.00	R & R Associates
142	Residential	2,000.00	2,100.00	R & R Associates
194	Residential	950.00	1,050.00	R & R Associates
196	Residential	1,500.00	1,500.00	Mr. & Mrs. Henry Hardy

Councilman Frank moved to approve the sale of Disposal Parcels 42, 142, 194, and 196. This motion was seconded by Councilman Price and carried unanimously.

RESOLUTION NO. 84-243 - RESOLUTION AUTHORIZING THE MAYOR OF THE CITY OF ASHEVILLE TO SIGN A CONTRACT WITH JOHN A. BROADBOOKS, ASLA, LANDSCAPE ARCHITECT AND PLANNER FOR CONSULTANT SERVICES IN THE SOUTH PACK SQUARE STREETSCAPE PROJECT

10. Consideration was given to a Resolution authorizing the Mayor of the City of Asheville to sign a contract with John A. Broadbooks, ASLA Landscape Architect and Planner for Consultant Services in the South Pack Square Streetscape project.

Mayor McDevitt said the City of Asheville through the Department of HUD received Jobs Bill Grant funds in the amount of $538,000 on August 1, 1983. Further, the South Pack Square area was previously identified and designated an eligible area for the expenditure of Community Development and Jobs Bill funds for economic development and physical revitalization efforts. He said the South Pack Square area is a major economic and physical impact area of downtown Asheville, and services are needed to prepare bid documents and construction inspection.

Mayor McDevitt said the City Engineering, Asheville Housing Authority, Planning Department and Community Development Department staff did solicit and review four consultant development firm proposals, and they recommend that the City enter into a consultant contract with John Broadbooks in the sum of $15,760.00, plus expenses not to exceed $7,000. He said there are funds available in surplus Jobs Bill funds to cover these expenses.

Mayor McDevitt said copies of the resolution had previously been distributed to members of City Council, and the resolution would not be read unless there was a specific request to do so.

Mr. Broadbooks said the contract, as presented to him, contains several items that are normally contained in the standard AIA (American Institute of Architects) Contract as reimbursable expenses. He said his purpose in listing them individually as reimbursable expenses was to give the City the benefit of actual costs.

Upon inquiry of Councilman Price, Mr. Broadbooks said he was required to carry liability insurance in the amount of $100,000 for this project. He said this is not a normal expense for him, and the premium of $1,600 for the insurance was listed by him as a reimbursable expense. He said as soon as the project has been completed, he would return any unused rebatable premiums to the City.

Upon inquiry of Mayor McDevitt, Corporation Counsel Bill Slawter said if it was agreeable with Mr. Broadbooks and if insurance for the project could be obtained through the City's carrier, this section could be deleted from Mr. Broadbooks' contract. He said he would check into this.

Logan Delany thanked the South Pack Square Committee for their work in the South Pack Square area. He said they have done a commendable job in trying to recommend the clean up and the rehabilitation that the City is trying to make in the area.

C. RESOLUTION NO. 84-247 - Resolution calling for a public hearing on January 8, 1985, for the adoption of an Ordinance directing the Director of Inspections to demolish and remove the dwellings known as 48 and 53 Blalock Avenue, Asheville, North Carolina.

HIGHLIGHTS: Proceedings have heretofore been instituted in accordance with the provisions of N. C. General Statutes 160A-441 et seq. and the Housing Code of the City of Asheville. A hearing was held, and a Findings of Fact & Order entered finding that the dwellings known as 48 and 53 Blalock Avenue, in their present condition, are dilapidated, unfit for human habitation, unsafe and dangerous to life. These properties are owned by Mr. Ted B. Freck. This resolution will schedule a public hearing for January 8, 1985.

Resolution Book No. 15 at pages ~~117~~ 126 and ~~118~~ 127.

D. RESOLUTION NO. 84-248 - Resolution appointing a member to the Asheville-Buncombe Historic Resources Commission.

HIGHLIGHTS: This resolution will appoint Mrs. Shirley Ann McCullough as a member to the Asheville-Buncombe Historic Resources Commission for a three (3) year term.

E. Motion scheduling a public hearing on January 8, 1984, relative to the site plan of the proposed new Vance Elementary School to be located on Sulphur Springs Road.

HIGHLIGHTS: The Asheville Planning and Zoning Commission at a meeting held December 5, 1984, reviewed the site plan of the proposed new Vance Elementary School to be located on Sulphur Springs Road in West Asheville. The plan was prepared by Wood and Cort, Architects, for Asheville City Schools, and submitted in accordance with the Group Development Section of the Asheville Zoning Ordinance. After review and discussion, the Commission voted to recommend approval of the site plan to City Council subject to compliance with the Erosion Control Ordinance. The Commission further reommended that City Council see whether or not the storm drain system on the lower portion of Harnett Street, below the School, is adequate to support the runoff from the project as it is now and as it is to be constructed.

F. Motion scheduling a public hearing on January 15, 1984, relative to rezoning property located at 666 Merrimon Avenue, Ward 9, Sheet 6, Lot 7-3/4, from R-3 Residential District to CH Commercial Highway District (Requested of Dr. Paul Michalove by Ridgley Robinson, Agent)

CONSENT AGENDA

13. Consideration was given to a motion approving the consent agenda.

Mayor McDevitt said the following items are of a routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items, the City Council may, pursuant to the procedures established in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council, and/or a member of the City staff, any single item scheduled for approval on the consent agenda may be considered separately. Mayor McDevitt summarized each item on the Consent Agenda for the benefit of the public.

A. RESOLUTION NO. 84-245 - Resolution authorizing the Mayor to sign a contract for fire protection services with the Veterans Administration Medical Center at Oteen.

HIGHLIGHTS: The Mayor was first authorized by Resolution No. 76-2 adopted January 7, 1976, to sign an agreement with the Veterans Administration Hospital at Oteen regarding the provision of certain fire protection services. Subsequent resolutions have authorized the continuation of those services. However, the present agreement expires on December 31, 1984. The Veterans Administration Medical Center has requested a one-month extension of the existing contract pending technical and legal review of a 3-year contract which has been negotiated by City staff and the local Veterans Administration staff. This resolution will authorize the Mayor to sign a one-month extension of the present contract.

Resolution Book No. 15 at page ~~116~~ 124

B. RESOLUTION NO. 84-246 - Resolution to change the name of the "Division of Inspections and Demolitions" to the "Division of Building Inspections."

HIGHLIGHTS: The primary duties of the Division of Inspections and Demolitions are to enforce the North Carolina State Building Code and the Housing Code of the City of Asheville. Pursuant to N. C. G. S. 160A-411.1 those inspectors employed to enforce the N. C. State Building Code are required to be certified by the N. C. Code Officials Qualification Board. The current name of the Division of Inspections and Demolitions is overly broad in that it suggests that the Division is responsible for inspections pertaining to areas which are beyond the Division's level of training and expertise.

Resolution Book No. 15 at page ~~116~~ 125

Councilman Boland requested the City Manager to see if more surveillance of the area could be provided by the Police Department in the interim.

ROBERT FIELDS - CHARLES STREET - PETITION TO BARRICADE SOUTH END OF CHARLES STREET

Mr. Robert Fields, 17 Charles Street (253-4013), and Mr. Leonard Smith, 9 Charles Street, presented a petition from the residents of Charles Street requesting that the City install a barricade on the south end of Charles Street to put a stop to undesirable activities, such as excessive prostitution, drug abuse, noise, common nuisances, etc., from taking place in the area.

Mr. Fields said that his efforts to coordinate assistance through Dr. Jones and the Board of Education had been unsuccessful. He said the residents do not want the gate that is proposed to be installed by the Board of Education and reemphasized the residents' request for a barricade.

Mayor McDevitt told Mr. Fields and Mr. Smith that the City Manager would look into the request and that someone from the City staff would be back in touch with him.

Upon inquiry of Council, Larry Ward said he had talked with Mrs. Cooper with Asheville City Schools and was told that the gate would be installed in the next two (2) weeks.

Councilman Boland and Councilman Bissette reiterated Council's interest in the problem, and assured Mr. Smith and Mr. Fields of Council's intention to do something about the problems the residents have brought to their attention.

Vice Mayor Bratton said she thought Council believed they had resolved the problems the residents were encountering when they closed Charles Street in July. She requested that Mr. Fields and Mr. Smith give the Mayor the opportunity to look into the problem.

RALPH BISHOP

Ralph Bishop again addressed Council relative to gambling in the City of Asheville.

MRS. GAGE AND MRS. FLETCHER - REQUEST FOR EXTENSION ON REPAIRS TO 37 E. CHESTNUT STREET

Mrs. Fletcher and Mrs. Gage addressed City Council relative to a request for additional time to repair the house at 37 E. Chestnut Street. They said they had not had time to deal with this due to caring for a sick cousin.

Mayor McDevitt said that Council had granted extension after extension to Mrs. Gage on the repairs to 37 E. Chestnut Street, Normandy

HIGHLIGHTS: The Asheville Planning and Zoning Commission at a meeting held December 5, 1984, considered the request of Dr. Paul Michalove by Ridgley Robinson, Agent, that Ward 9, Sheet 8, Lot 7-3/4 be rezoned from R-3 Residential District to CH Commercial Highway District. The property is located at 666 Merrimon Avenue. After review and discussion, the Commission voted to recommend to City Council that Ward 9, Sheet 8, Lot 7-3/4 be rezoned from R-3 Residential District to CH Commercial Highway District.

Upon motion of Councilman Price, seconded by Councilman Boland, the items on the Consent Agenda were unanimously adopted.

ANNOUNCEMENT BY MAYOR McDEVITT - CONTRIBUTION FROM SCHNEIDER NINE, INC.

Mayor McDevitt said the City Council is pleased to announce the receipt yesterday of a contribution in the amount of $150,000 from the developer for the Pack Plaza Project. He said the contribution fulfills stipulations in the Master Agreement among the City, Buncombe County, and Schneider Nine, Inc. He said the Council will decide at a future date the specific application of the funds toward the possible development of an Arts and Science Facility for the Pack Plaza Project.

ANNOUNCEMENT BY MAYOR McDEVITT - EMPLOYEE CHRISTMAS DINNER

Mayor McDevitt announced that the City Employee Christmas Dinner would be held on Thursday, December 20, 1984, from 11:30 a.m. until 2:30 p.m. and encouraged members of Council to attend.

CLAIMS - JOE OLACHEA (COUNTY WATER), JOE KEENE (FIRE DEPARTMENT), AND BARBARA WARREN (COUNTY WATER)

The City Clerk presented claims received from Joe Olachea (County Water), Joe Keene (Fire Department), and Barbara Warren (County Water).

Mayor McDevitt referred the claim to Corporation Counsel for investigation and recommendation.

PETITION - JACK SMATHERS AND HOMEWAY ROAD RESIDENTS

Jack Smathers presented a petition from the residents of Homeway Road requesting that 20 mph speed limit signs be posted on Homeway Road, and also the installation of a caution light at the corner of Homeway Road and Appalachian Way. He said there have been two (2) wrecks in the area recently. He said the problem of speeding and wreckless driving is bad all the time, but the problem is more severe on the weekends, and the problem is worse on Sundays. He said the residents biggest concern is for the safety of their children, and there are approximately 25 small children in the neighborhood.

Mayor McDevitt thanked Mr. Smathers for bringing the matter to the attention of Council, and told him that someone from the City staff would be in touch with him regarding the requests made by the residents of Homeway Road.

Road, and other properties owned by Mrs. Gage. He said it appeared to the Council she has deliberately violated the law and disregarded the things Council had told them must be done in order to comply with the law.

Upon inquiry of Mayor McDevitt, Lem Moore said 37 E. Chestnut Street was scheduled for demolition on January 15, 1985.

Mrs. Gage said she could have the house in excellent condition in two (2) weeks, and it would also meet requirements of the Housing Code if given the opportunity by City Council.

Mr. Moore said the proposal made by Mrs. Gage, although he felt it was made in good faith, was a physical impossibility. He said he would suggest that they invest their money into repairs currently being made to the house at 22 Normandy Road, rather than try to do anything with the house at 37 E. Chestnut Street.

City Council took no action on the request of Mrs. Gage and Mrs. Fletcher for an extension in order to make repairs to the house at 37 E. Chestnut Street.

ADJOURNMENT

Upon motion of Councilman Price, seconded by Councilman Boland, the meeting adjourned at 5:45 P.M.

PUBLIC HEARING - SITE PLAN OF "COUNTRY TOWNS OF ASHEVILLE" - WATERS ROAD

2. A public hearing was held relative to approval of the site plan of "Country Towns of Asheville," a proposed condominium project, to be located on Waters Road.

Mayor McDevitt said the Asheville Planning and Zoning Commission at a meeting held on October 3, 1984, reviewed the site plan of "Country Towns of Asheville," a proposed condominium project to be located on Waters Road. The plan was prepared by Nilsson and Watts Associates, Engineers, for First Communities of Asheville, Developers, and submitted in accordance with the Group Development Section of the Asheville Zoning Ordinance. After review and discussion, the Commission voted to recommend approval of the site plan to City Council subject to certain easements being recorded and compliance with the Erosion Control Ordinance. This public hearing was scheduled at the meeting on December 11, 1984.

Mayor McDevitt opened the public hearing at 4:20 p.m.

The City Clerk presented the notice to the public, setting the time and date for the public hearing, and the affidavit of publication.

Verl Emrick, Director of Planning, said the proposed project would consist of 37 buildings, with two units per building, for a total of 74 units to be built on 18 acres. He said all provisions of the ordinance have been met, and water and sewer commitments are in hand. He said, as requested by the Planning and Zoning Commission, easements have been executed for two pieces of property located adjacent to the proposed project area. He said these easements have been recorded.

Mr. Emrick said the roads in the proposed project would be constructed according to City specifications, and the developer would be dedicating the roads to the City of Asheville. He said the project would be developed in one phase and would be geared toward retired people.

Mayor McDevitt closed the public hearing at 4:29 p.m.

Councilman Bissette requested that he be excused from voting on the proposed site plan due to his having a financial interest in the real property.

Councilman Price moved to excuse Councilman Bissette from voting on the site plan for the Country Towns of Asheville. This motion was seconded by Councilman Boland and carried unanimously.

Mayor McDevitt noted that Councilman Bissette did not attend the pre-council work session or discuss the issue of Country Towns of Asheville.

Councilman Myers moved to approve the site plan of "Country Towns of Asheville," a proposed condominium project, to be located on Waters Road. This motion was seconded by Councilman Boland and carried unanimously.

PUBLIC HEARING - DEMOLITION OF 48 AND 53 BLALOCK AVENUE

ORDINANCE NO. 1491 - AN ORDINANCE DIRECTING THE DIRECTOR OF INSPECTIONS TO DEMOLISH AND REMOVE THE DWELLINGS KNOWN AS 48 AND 53 BLALOCK AVENUE

3. A public hearing was held relative to the adoption of an ordinance directing the Director of Inspections to demolish and remove dwellings known as 48 and 53 Blalock Avenue, Asheville, North Carolina.

Tuesday - January 8, 1985 - 4:00 p.m.

Present: Mayor Larry McDevitt, Presiding; Vice-Mayor Wilhelmina Bratton; Councilmen Mary Lloyd Frank, Norma T. Price, Gordon Myers, Walter R. Boland, and Louis Bissette; Corporation Counsel William F. Slawter; City Manager Neal Creighton; Associate City Manager/City Clerk William F. Wolcott, Jr.; .

Absent: None

INVOCATION

The invocation was given by Councilman Norma Price.

APPROVAL OF THE MINUTES - DECEMBER 18, 1984, MEETING

1. Approval of the minutes of the December 18, 1984, meeting.

Mayor McDevitt announced the approval of the minutes of the December 18, 1984, meeting as submitted.

PRESENTATION OF "POSTER-OF-THE-YEAR AWARDS" - MAYOR'S COMMITTEE ON EMPLOYMENT OF THE HANDICAPPED

Mayor McDevitt introduced Mr. Gary Martin, Chairman of the Mayor's Committee on Employment of the Handicapped and Pam Crawford who said each year the President's Committee on Employment of the Handicapped sponsors a "National Poster-of-the-Year" contest. He said Asheville's Mayor's Committee on Employment of the Handicapped began a local contest last year. He then asked Mayor McDevitt to present the awards.

Mayor McDevitt presented Jeff Wilson, the First Place winner, with a certificate and a $75 check: James Dimon, Second Place winner, received a certificate and a $50 check; and Todd Greene, Third Place winner, received a certificate and a $25 check. Mayor McDevitt said donations for the Poster-of-the-Year Award Contest were made by Three Mountaineers, Stencel Corporation, Square-D, and Wilson Art.

Mr. Martin said Jeff Wilson will represent the State of North Carolina in the national competition level.

PROCLAMATION - "DR. MARTIN LUTHER KING, JR. WEEK" - JANUARY 12-19, 1985

Mayor McDevitt read a proclamation proclaiming the week of January 12-19, 1985, as "Dr. Martin Luther King, Jr. Week."

Mayor McDevitt presented the proclamation to Oralene Simmons, Director of the Montford Recreation Center.

Mayor McDevitt said a Prayer Breakfast, sponsored by the Asheville Parks, Recreation, and Public Facilities Department, various clubs, and organizations will be held at the Montford Recreation Center on Saturday, January 12, 1985, at 9:30 a.m. in observance of Dr. King's birthday.

Councilman Price moved for the adoption of Ordinance No. 1491. This motion was seconded by Councilman Boland.

On a roll call vote of 7-0, Ordinance No. 1491 passed on first reading.

In response to Mr. Freck, Mr. Moore noted that any work done on 48 Blalock Street would require a building permit.

PUBLIC HEARING - SITE PLAN OF THE PROPOSED NEW VANCE ELEMENTARY SCHOOL - SULPHUR SPRINGS ROAD

4. A public hearing was held relative to the site plan of the proposed new Vance Elementary School to be located on Sulphur Springs Road.

Mayor McDevitt said the Asheville Planning and Zoning Commission at a meeting held December 5, 1984, reviewed the site plan of the proposed new Vance Elementary School to be located on Sulphur Springs Road in West Asheville. The plan was prepared by Wood and Cort, Architects, for Asheville City Schools, and submitted in accordance with the Group Development Section of the Asheville Zoning Ordinance. After review and discussion, the Commission voted to recommend approval of the site plan to City Council subject to compliance with the Erosion Control Ordinance. The Commission further recommended that City Council see whether or not the storm drain system on the lower portion of Harnett Street, below the School, is adequate to support the runoff from the project as it is now and as it is to be constructed. This public hearing was scheduled on December 18, 1984.

Mayor McDevitt opened the public hearing at 5:07 p.m.

The City Clerk presented the notice to the public, setting the time and date for the public hearing, and the affadavit of publication.

Verl Emrick, Director of Planning, said the Planning and Zoning Commission recommended approval of the project subject to compliance of the Erosion Control Ordinance. He said the erosion control plan had been approved by the State. He said the Asheville City School Board is requesting that the City pay for street improvements proposed for Clinton and Harnett Street. He said these street improvements would provide for additional parking for the new school and a bus turnaround. He said the cost for the street improvements is estimated at $122,930.

He said there is an off-site drainage problem on the southwestern portion of the property. He said the City Engineering Department had made an inspection of the drainage problem and estimated the cost of upgrading the system at $40,000. He said at present a 26-inch pipe is emptying into an 18-inch pipe.

Mr. Emrick said the site plan meets all the criteria of the group development section of the zoning ordinance, and all the criteria for State requirements. He said the Fire Department had added a fire hydrant to this area.

Mr. Harold Blankenship of 51 Harnett Street said his dwelling is located directly below the proposed school. He said the drainage system in the area is not sufficient at present. He said Harnett Street is not sufficient to carry the traffic for the new school. He requested that Council look into the possibility of street improvements in the entire area.

At the request of Councilman Boland, Council requested that the City Manager look into the cost to improve the entire area of Harnett Street.

Mayor McDevitt said proceedings have heretofore been instituted in accordance with the provisions of N.C. General Statutes 160A-441 et seq. and the Housing Code of the City of Asheville. A hearing was held, and a Findings of Fact and Order entered finding that the dwellings known as 48 and 53 Blalock Avenue, in their present condition, are dilapidated, unfit for human habitation, unsafe and dangerous to life. These properties are owned by Mr. Ted B. Freck. This public hearing was scheduled on December 18, 1984. Any cost incurred in demolition will be placed as a lien on the property.

Mayor McDevitt opened the public hearing at 4:31 p.m.

The City Clerk presented the notice to the public, setting the time and date for the public hearing, and the affidavit of publication.

Lem Moore, Director of Inspections, said his division had been involved in efforts to bring the dwellings of 48 and 53 Blalock Avenue up to minimum housing code standards since 1979. He said no satisfactory results have been obtained.

He presented a copy of an agreement with Mr. Ted B. Freck, owner of the dwellings, dated May 1984, in which the agreement stated that all corrections would be made to the dwellings by December 1, 1984, or the owner would consent to signing an order to demolish said houses. He said his division had been more than reasonable with the owner to bring the houses up to code standards. He requested that Council proceed with the first reading of the ordinance. He presented photographs of the two dwellings showing that the dwellings were dilapidated, unfit for human habitation, unsafe, and dangerous to life.

Mr. Freck, owner of 48 and 53 Blalock, said he had been working on 48 Blalock Street in order to bring the house up to the minimum code standards. He said he would consent to demolish 53 Blalock Avenue. He said a new roof, inside repair work, and some electrical work had been done at 48 Blalock. He requested that Council give him time to repair 48 Blalock.

Upon inquiry of several Council members, Mr. Freck said that he had already spent $2,000 on 48 Blalock Street and it would take at least $1,000 more to complete the repairs. He said that he could finish the work on 48 Blalock by April or May, provided he could borrow the money to make the repairs.

Upon inquiry of Councilman Bissette, Mr. Moore said a considerable amount of work would have to be done to 48 Blalock Street in order to bring the house into compliance with the housing code. He said the last physical interior inspection of the house was made in 1980. However, the exterior had been monitored since 1979, and no work has been done on the house. He said the Finding of Fact and Order stated that the dwelling value is estimated at $1,855. He listed specific requirements to bring 48 Blalock Street into compliance with the housing code.

Mr. Moore said Council had considered an ordinance in 1980 to demolish the houses which passed on two readings. However, the third reading was tabled indefinitely. He said since four years have elapsed since the reading of the ordinance, it would be necessary, according to the Corporation Counsel, to start over with the process.

Mayor McDevitt closed the public hearing at 5:03 p.m.

Mayor McDevitt said members of Council were furnished copies of the ordinance and it would not be read in its entirety.

RESOLUTION NO. 85-1 - RESOLUTION AUTHORIZING THE MAYOR ON BEHALF OF THE CITY OF ASHEVILLE TO EXECUTE AN AGREEMENT BY AND BETWEEN THE CITY OF ASHEVILLE AND SCHNEIDER NINE, INC. WITH REGARD TO AN AGREEMENT BY AND AMONG THE CITY, THE ADVISORY COUNCIL ON HISTORIC PRESERVATION, AND THE NORTH CAROLINA STATE HISTORIC PRESERVATION OFFICER FOR THE SOUTH PACK PLAZA PROJECT

6. Consideration was given to a resolution authorizing the Mayor on behalf of the City of Asheville to execute an agreement by and between the City of Asheville and Schneider Nine, Inc. with regard to an agreement by and among the City, the Advisory Council on Historic Preservation, and the North Carolina State Historic Preservation Officer for the South Pack Plaza Project.

Mayor McDevitt said the City of Asheville has entered into a Memorandum of Agreement with the Advisory Council on Historic Preservation and the North Carolina State Historic Preservation Officer with regard to compliance with federal regulations for certain historic buildings in the South Pack Plaza Project. This agreement will set forth the responsibilities of the City and Schneider Nine, Inc. with regard to the provisions of the Memorandum of Agreement.

Upon motion of Councilman Frank, seconded by Councilman Price, Resolution No. 85-1 was unanimously adopted.

Complete text of Resolution No. 85-1 will be found in Resolution Book No. 15 at page 129.

RESOLUTION NO. 85-2 - RESOLUTION APPROVING THE MEMORANDUM OF AGREEMENT BETWEEN THE NORTH CAROLINA HISTORIC PRESERVATION OFFICER, THE NATIONAL COUNCIL ON HISTORIC PRESERVATION AND THE CITY OF ASHEVILLE FOR THE SOUTH PACK PLAZA PROJECT

7. Consideration was given to a resolution approving the memorandum of agreement between the North Carolina Historic Preservation Officer, the National Council on Historic Preservation and the City of Asheville for the South Pack Plaza Project.

Mayor McDevitt said the City of Asheville had determined that the South Pack Square Redevelopment Project will have an effect upon properties included in or eligible for inclusion in the National Register of Historic Places and has requested the comments of the Advisory Council on Historic Preservation (Council) pursuant to Section 106 of the National Historic Preservation Act and its implementing regulations, "Protection of Historic and Cultural Properties." The City of Asheville, the North Carolina State Historic Preservation Officer, and the Council agree that the undertaking shall be implemented in accordance with certain stipulations in order to take into account the effect of the undertakings on historic properties. Execution of this agreement will also release CDBG funds for the public improvements agreed to for the Pack Plaza Project. Some cost may be incurred to accomplish the architectural survey. Estimates are in the $6,000 to $10,000 range. However, it is anticipated that the developer of the Pack Plaza Project will reimburse the City for any expenditures -- negotiations are underway. Funds are currently budgeted should they be needed.

Upon motion of Councilman Frank, seconded by Councilman Boland, Resolution No. 85-2 was unanimously adopted.

Complete text of Resolution No. 85-2 will be found in Resolution Book No. 15 at page 130.

Dr. Don Jones, Superintendent of the Asheville City Schools, said the City Board of Education would support total improvements to Harnett Street.

Mayor McDevitt closed the public hearing at 5:30 p.m.

Councilman Bissette moved to approve the site plan for the proposed new Vance Elementary School to be located on Sulphur Springs Road. This motion was seconded by Councilman Boland and carried unanimously.

Councilman Price moved that Council support street improvements as requested by the Asheville City Board of Education on Clinton Street and Harnett Street, subject to bids being received by the City Board of Education, and further that the City staff look into improvements to all of Harnett Street. This motion was seconded by Vice-Mayor Bratton and carried unanimously.

Councilman Price moved that the storm drainage area on Harnett Street be studied and a determination made as to whether the present sewer system is involved; and cost estimates be given for the upgrading of the storm drainage system in order that this area could be considered along with other storm drainage problems in the City. She also requested that contact be made with the State Department of Transportation to determine if any assistance could be given by the State because this is a state-maintained road. This motion was seconded by Councilman Boland and carried unanimously.

ORDINANCE NO. 1492 - BUDGET ORDINANCE AMENDMENT TO ALLOCATE FUNDS FOR THE SMOKY MOUNTAIN MINORITY SUPPLIER DEVELOPMENT COUNCIL

5. Consideration was given to a budget ordinance amendment allocating funds to attend and participate in activities of the Smoky Mountain Minority Supplier Development Council.

Mayor McDevitt said this budget ordinance amendment will transfer $300 from the General Fund Contingency to the Finance Department for the participation in activities of the Smoky Mountain Minority Supplier Development Council. This amount is included in the budget. This action may have a positive impact on the City's use of minority suppliers.

Mayor McDevitt said members of Council were furnished copies of the ordinance and it would not be read in its entirety.

Upon inquiry of Vice-Mayor Bratton, Mayor McDevitt said in his opinion there would not be a conflict of interest in Vice-Mayor Bratton voting on the issue even though she is president of the organization.

Councilman Boland moved for the adoption of Ordinance No. 1492. This motion was seconded by Councilman Myers.

On a roll call vote of 7-0, Ordinance No. 1492 passed on first and final reading.

Complete text of Ordinance No. 1492 will be found in Ordinance Book No. 10 at page 233.

"PETITION TO THE ASHEVILLE CITY COUNCIL TO RESCIND ACTION WHICH CONVERTED KENILWORTH DRIVE FROM AN OPEN, THROUGH STREET TO A DEAD END STREET

WHEREAS, the Asheville City Council's recent action changing one of Kenilworth's newer, much needed and used, twenty-five foot wide, one straight block, open street (Kenilworth Drive) to a dead end street in an effort to deter through traffic and to protect from the traffic a small child resident and other children who may come to reside in this area; and

WHEREAS, this drive was used by Kenilworth residents as the quickest, safest, and only access to Biltmore Avenue at a traffic signal; and the closing of the short, straight through route detours the traffic to two longer, winding blocks less safe to travel; and

WHEREAS, it has been almost two months since Kenilworth Drive was dead ended, no noticeable decrease in traffic has been observed; of course, the travel time and distance for all the traffic has increased; and

WHEREAS, the City has much more effective methods of improving traffic safety and deterring through traffic than dead ending streets; and

THEREFORE, we, the undersigned Kenilworth residents and friends who use the Kenilworth Drive as an open street, hereby respectfully petition the Asheville City Council to immediately rescind its action to dead end Kenilworth Drive and restore it to full use as an open drive.

RATIONALE
FOR THE OBJECTION TO THE DEAD ENDING OF KENILWORTH DRIVE

1. It is regressive, uneconomical, and unfair to reroute the traffic from the newer, twenty-five foot wide, straight, one short block drive to the two longer, winding blocks of the oldest streets in Kenilworth, all of which must be maintained by the taxpayers, including the drive which they are not priviledged to use; the building of Kenilworth Drive was a progressive step to open the area for residential development, emergency services, and the convenience of the residents, visitors and services; but not as a private drive.

2. With the closing of the drive from Pickwick Road, there is no way for visitors, city services, fuel and postal and other services to get out of Pickwick Road other than by backing out or making a road turn either of which is dangerous on the narrow, winding street with its low, deep shoulders. Of course, the city garbage truck backs into a red clay vacant lot, making red clay ruts, a foot or more deep, and tracks the mud all the way up Pickwick Road to Kenilworth Road.

AUTHORIZATION FOR CORPORATION COUNSEL TO SIGN "APPLICATION FOR DISBURSEMENT OF DEPOSIT" - DEPARTMENT OF TRANSPORTATION, PLAINTIFF, VS WILLIAM JAMES FERENCE AND WIFE MAXINE FERENCE, COUNTY OF BUNCOMBE AND CITY OF ASHEVILLE

Councilman Bissette requested that he be excused from voting on a motion to authorize the Corporation Counsel to sign the "Application for Disbursement of Deposit" in that his law partner, Charles Worley, is involved in the action.

Councilman Boland moved to excuse Councilman Bissette from voting on the authorization of the Corporation Counsel to sign the "Application for Disbursement of Deposit." This motion was seconded by Councilman Frank and carried unanimously.

Councilman Price moved to authorize the Corporation Counsel to sign an "Application for Disbursement of Deposit" in Civil Action 84-CVS-3044 entitled "Department of Transportation, Plaintiff VS William James Ference and wife Maxine Ference, County of Buncombe and City of Asheville" requesting the court disburse the sum of $67,400 to William James Ference and wife Maxine Ference upon confirmation that all real estate ad valorem taxes through 1984 have been paid upon the property which is the subject matter of that civil action. This motion was seconded by Councilman Frank and carried unanimously.

CLAIMS - KATHLEEN JACKSON (STREETS) - JAN BRYANT (METER READERS) - VIRGINIA SANDERS (SANITATION) - CLARENCE McCORSLEY (STREETS) - SOUTHERN BELL (WATER) - MOLLY SANDERS (WATER) - HOWARD COLLINS (WATER) - CHARLES HARRELL ASSOCIATES (WATER) - JUSTINE LAVIN (STREETS)

The City manager presented claims received from Kathleen Jackson (Streets), Jan Bryant (Meter Readers), Virginia Sanders (Sanitation), Clarence McCorsley (Streets), Southern Bell (Water), Molly Sanders (Water), Howard Collins (Water), Charles Harrell Associates (Water), and Justine Lavin (Streets).

Mayor McDevitt referred the claims to the Corporation Counsel for investigation and recommendation.

LAWSUITS - C. M. McCRACKEN, ADMINISTRATOR OF ESTATE OF JAMES C. BRIGMAN - (PETITION TO ALLOW SALE OF PROPERTY - CITY SERVED BECAUSE OF TAXES DUE) - LORETTA THURMOND VS ROBERT BOONE MOODY (PERSONAL INJURY - AUTO ACCIDENT) - D.O.T. VS JOHN P. HOLT (CONDEMNATION - BRIDGE OVER SOUTHERN RAILWAY ON MEADOW ROAD) - ASHEVILLE HOUSING AUTHORITY (CONDEMNATION OF LESTER CALDWELL PROPERTY)

The City Manager said the City was served with summonses in connection with lawsuits involving C. M. McCracken, Administrator of Estate of James C. Brigman, Loretta Thurmond VS Robert Boone Moody, D.O.T. VS John P. Holt, and Asheville Housing Authority.

Mayor McDevitt referred the summonses to the Corporation Counsel for investigation and recommendation.

MRS. CATHERINE JOHNSON - 29 DEVONSHIRE PLACE - PETITION TO OPEN KENILWORTH DRIVE

Mrs. Catherine Johnson of 29 Devonshire Place presented a petition, with 203 signatures requesting that the Asheville City Council immediately rescind its action to dead end Kenilworth Drive and restore it to its full use as an open drive.

Mayor McDevitt said the City Council would look into the request stated in the petition and would be in touch with Mrs. Johnson.

Tuesday - January 15, 1985 - 4:00 p.m.

Regular Meeting

Present: Mayor Larry McDevitt, Presiding; Vice-Mayor Wilhelmina Bratton; Councilmen Mary Lloyd Frank, Norma T. Price, Gordon Myers, Walter R. Boland, and Louis Bissette; Corporation Counsel William F. Slawter; City Manager, Neal Creighton; William F. Wolcott, Jr., Associate City Manager/City Clerk

Absent: None

INVOCATION

The invocation was given by Mayor Larry McDecitt.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the January 8, 1985 meeting.

Mayor McDevitt announced the approval of the minutes of the January 8, 1985, meeting as submitted.

PROCLAMATION - WEEK OF JANUARY 21, 1985 - "INDUSTRY APPRECIATION WEEK"

Mayor McDevitt read a proclamation proclaiming the week of January 21, 1985, as "Industry Appreciation Week".

PUBLIC HEARING - REZONING PROPERTY LOCATED AT 666 MERRIMON AVENUE -DR. PAUL MICHALOVE

ORDINANCE NO. 1493 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE, AS AMENDED" - PROPERTY LOCATED AT 666 MERRIMON AVENUE (DR. PAUL MICHALOVE PETITION)

2. A public hearing was held relative to rezoning property located at 666 Merrimon Avenue, Ward 9, Sheet 8, Lots 7-3/4 from R-3 Residential District to CH Commercial Highway District (requested for Dr. Paul Michalove by Ridgley Robinson, Agent).

Mayor McDevitt said the Asheville Planning and Zoning Commission at a meeeting held December 5, 1984, considered the request of Dr. Paul Michalove by Ridgley Robinson, Agent, that Ward 9, Sheet 8, Lot 7-3/4 be rezoned from R-3 Residential District to CH Commercial Highway District. The property is located at 666 Merrimon Avenue. After review and discussion, the Commission voted to recommend to City Council that Ward 9, Sheet 8, Lot 7-3/4 be rezoned from R-3 Residential District to CH Commercial Highway District.

Mayor McDevitt opened the public hearing at 4:16 p.m.

The City Clerk presented the notice to the public, setting the time and date for the public hearing and the affidavit of publication.

3. We do not know of any surveys that have been made to determine the amount of through traffic that has been traveling Kenilworth Drive. If, indeed, there is such traffic which should be deterred, it would seem that a better deterrence would be the reduction of speed limit in both directions. A speed limit on Pickwick Road above twenty miles per hour is dangerous. There is a need for "Children Playing" caution signs in the first and second blocks of Kenilworth Road and at the entrance of Kenilworth Drive. The enforcement of the "No Thru Trucks" could also serve as a deterrence. With such remedial measures as these available, we see no reason to resort to such a backward step as dead ending a much needed open street."

RALPH BISHOP - LOTTERY SALES IN THE CITY OF ASHEVILLE

Ralph Bishop again spoke to members of Council relative to lottery sales in the City of Asheville.

REQUEST TO RESCIND ACTION TO DEMOLISH 37 EAST CHESTNUT STREET - ATTORNEY BILL BARNES

Attorney Bill Barnes, representing Mrs. Carl Fletcher, requested that Council instruct the Director of Inspections to hold off demolishing 37 East Chestnut Street for at least one week. He said this would give the owner an opportunity to put into a trust fund the amount needed to bring the house up to minimum housing code standards.

Mayor McDevitt informed Mr. Barnes that this request had been made many many times by Mrs. Fletcher to no avail to bring the house up to code standards.

After discussion, Council took no action Mr. Barnes' request.

ADJOURNMENT

Councilman Bissette moved to adjourn the meeting at 6:15 p.m. This motion was seconded by Councilman Myers and carried unanimously.

COUNCIL WORK SESSION - THURSDAY, JANUARY 10, 1985 - 5:30 P.M.

Mayor McDevitt reminded members of Council that a Council work session had been scheduled for Thursday, January 10, 1985, at 5:30 p.m. to discuss the "Comprehensive Plan."

Lee McDevitt
MAYOR

Frances F. McDevitt
CITY CLERK

Mayor McDevitt said the City desires to create a Deferred Payment Loan Program to serve as an incentive to investor owners to participate in the Rental Rehabilitation Program by eliminating the "gap" between the debt service, property management expenses, and fair market rents. The Deferred Payment Loan Program will be in keeping with rules and regulations of the Department of Housing and Urban Development and will be secured by Deeds of Trust to insure the compliance of the program participants with the objectives of the program. This resolution will create the program using Rental Rehabilitation Program Grant funds and other rehabilitation loan funds as available from the existing loan pool to participate in the Department of Housing and Urban Development Rental Rehabilitation Program as provided for in the Housing and Urban-Rural Recovery Act of 1983. The resolution will also authorize the Mayor to execute on behalf of the City of Asheville the necessary Memorandum of Understanding by and between the City of Asheville and the Housing Authority concerning the Rental Rehabilitation Program. Funding already available through the existing Community Development rehabilitation loan pool project.

Mayor McDevitt said members of Council were furnished copies of the resolution and it would not be read in its entirety.

Upon motion of Councilman Frank, seconded by Councilman Price, Resolution No. 84-3 was unanimously adopted.

Complete text of Resolution No. 84-3 will be found in Resolution Book No. 15 at page 131-132.

RESOLUTION NO. 84-4 - RESOLUTION APPOINTING MEMBER TO THE ASHEVILLE/BUNCOMBE WATER AUTHORITY (RALPH D. MORRIS, JR.)

5. Consideration was given to a resolution reappointing Mr. Ralph D. Morris, Jr. as a member of the Asheville/Buncombe Water Authority.

Mayor McDevitt said members of Council were furnished copies of the resolution and it would not be read in its entirety.

Upon motion of Councilman Bissette, seconded by Councilman Frank, Resolution No. 84-4 was unanimously adopted.

Complete text of Resolution No. 84-4 will be found in Resolution Book No. 15 at page 133.

RESOLUTION NO. 84-5 - RESOLUTION AUTHORIZING THE MAYOR TO ENTER INTO AN AGREEMENT BY AND BETWEEN KEITH E. HARWOOD AND WIFE, DEBORAH JOAN HARWOOD, OWNERS OF 37 EAST CHESTNUT STREET, ASHEVILLE, NORTH CAROLINA, AND THE CITY OF ASHEVILLE

6. Consideration was given to a resolution authorizing the Mayor to enter into an agreement by and between Keith E. Harwood and wife, Deborah Joan Harwood, owners of 37 East Chestnut Street, Asheville, North Carolina, and the City of Asheville.

Verl Emrick, Director of Planning, said the proposed use for the property would be parking for an existing business. He said no opposition had been received from property owners in the area. He said, however, concerns were voiced that a sidewalk was needed in this particular area.

Dr. Paul Michalove, petitioner, spoke in support of the rezoning. By a use of a map, Dr. Michalove showed members of Council the property requested to be rezoned.

After discussion, Mayor McDevitt noted that the City Manager would be looking into the feasibility of installing a sidewalk in this area. He requested that the City Manager obtain cost figures for installing the sidewalks. He said Council would be in contact with the property owners in the area relative to the sidewalk installation.

Mr. Ridgley Robinson, Agent for the petitioner, spoke in support of the rezoning, stating that in his opinion, the only logical use of the property would be commercial. He said the property owners in the immediate area are in favor of the rezoning.

After discussion, Mayor McDevitt closed the public hearing at 4:31 p.m.

Mayor McDevitt said members of Council were furnished copies of the ordinance and it would not be read in its entirety.

Vice-Mayor Bratton moved for the adoption of Ordinance No. 1493. This motion was seconded by Councilman Bissette.

On a roll call vote of 7-0, Ordinance No. 1493 passed on first reading.

ORDINANCE NO. 1491 - AN ORDINANCE DIRECTING THE DIRECTOR OF INSPECTIONS TO DEMOLISH AND REMOVE THE DWELLINGS KNOWN AS 48 AND 53 BLALOCK AVENUE, ASHEVILLE, NORTH CAROLINA

3. Consideration was given to the second reading of Ordinance No. 1491, an ordinance directing the Director of Inspections to demolish and remove the dwellings known as 48 and 53 Blalock Avenue, Asheville, North Carolina.

Mayor McDevitt said this ordinance was previously read on first reading and would not be reread in its entirety unless there was a specific request to do so.

On a roll call vote of 7-0, Ordinance No. 1491 passed on second reading.

RESOLUTION NO. 84-3 - RESOLUTION ESTABLISHING A RENTAL REHABILITATION DEFERRED PAYMENT LOAN PROGRAM

4. Consideration was given to a resolution establishing a Rental Rehabilitation Deferred Payment Loan Program.

REQUEST FOR REPORT - OPENING OF WALKWAY THROUGH THE ASHEVILLE/BUNCOMBE LIBRARY TO HAYWOOD STREET FROM PARKING GARAGE

Councilman Price requested that the City Manager look into the possibility of the Asheville/Buncombe Library hallway being opened from the Parking Garage to Haywood Street during Civic Center events. She also requested that a report be given to Council when this action is taken.

ADJOURNMENT

Councilman Boland moved to adjourn the meeting at 5:00 p.m. This motion was seconded by Councilman Bissette and carried unanimously.

Tom McDevitt
MAYOR

William F. Valentine
CITY CLERK

Lem Moore, Director of Inspections, said on December 11, 1984, the Asheville City Council passed Ordinance No. 1486, which ordered the Director of Inspections to demolish and remove the apartment house known as 37 E. Chestnut Street. He said on January 14, 1985, Keith E. Harwood and wife Deborah Joan Harwood purchased the property located at 37 E. Chestnut Street and are now the record owners of the property as reflected in a recorded deed in the Register of Deeds office for the County of Buncombe. He said Mr. Harwood desires and intends to complete any and all rehabilitation work necessary for the issuance of a Certificate of Occupancy under the Housing Code of the City of Asheville. He said Mr. Harwood has agreed to enter into an agreement with the City of Asheville to rehabilitate the apartment house located at 37 E. Chestnut Street. He said the agreement will provide that on or before the 15th day of April, 1985, Mr. Harwood will cause the apartment house to be brought into compliance with the North Carolina State Building Code and the Minimum Housing Code of the City of Asheville.

Mr. Barnes, Attorney, spoke in support of the adoption of the resolution.

Mayor McDevitt was excused from the meeting and Vice-Mayor Bratton presided.

Vice-Mayor Bratton read the resolution.

Upon motion of Councilman Boland, seconded by Councilman Price, Resolution No. 85-5 was unanimously adopted.

Complete text of Resolution No. 85-5 will be found in Resolution Book No. 15 at Page 134.

CLAIMS - MARGARET HOLDER (WATER) - ELIZABETH BALLARD (WATER) - DONNA THOMAS (SANITATION) - SOUTHERN BELL (WATER) - NORTH CAROLINA DEPARTMENT OF TRANSPORTATION (WATER)

ANNOUNCEMENT OF RETIREMENT OF WILLIAM "BILL" DeBRUHL - DIRECTOR OF WATER AND SEWER SERVICES

The City Manager announced the retirement of William "Bill" DeBruhl, Director of Water and Sewer Services effective February 28, 1985.

REQUEST FOR REPORT - CITY HALL SNACK SHOP BIDS

Vice-Mayor Bratton requested that the City Manager give members of Council a full briefing, next week, on the procedure for obtaining vendors for the City Hall Snack Shop. She said she had received a number of telephone calls relative to this procedure.

On a roll call vote of 7-0, Ordinance No. 1491 passed on third reading.

Complete text of Ordinance No. 1491 will be found in Ordinance Book No. 10 at page 231-232.

ORDINANCE NO. 1494 - AN ORDINANCE AMENDING SECTIONS 28-81.5(5) AND 28-81.6(22) OF THE CODE OF ORDINANCES OF THE CITY OF ASHEVILLE TO REDUCE THE SPEED LIMIT ON A PORTION OF HENDERSONVILLE ROAD

4. Consideration was given to an ordinance amending Sections 28-81.5(5) and 28-81.6(22) of the Code of Ordinances of the City of Asheville to reduce the speed limit on a portion of Hendersonville Road.

Mayor McDevitt said the purpose of this ordinance is to pass a concurring ordinance with the North Carolina Department of Transportation to reduce the speed limit on Hendersonville Road, between Rock Hill Road and the Blue Ridge Parkway, from 45 m.p.h. to 35 m.p.h.

Mayor McDevitt said members of Council were furnished copies of the ordinance and it would not be read in its entirety.

Councilman Boland moved for the adoption of Ordinance No. 1494. This motion was seconded by Councilman Price.

On a roll call vote of 7-0, Ordinance No. 1494 passed on first reading.

RESOLUTION NO. 85-6 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE ON BEHALF OF THE CITY OF ASHEVILLE A CONTRACT AND ANY CHANGE ORDERS WITHIN THE BUDGETED AMOUNT WITH BLUE RIDGE STRUCTURE COMPANY FOR THE PROJECT KNOWN AS KILLIAN ROAD BRIDGE REPLACEMENT PROJECT

5. Consideration was given to a resolution authorizing the Mayor to execute on behalf of the City of Asheville a contract and any change orders within the budgeted amount with Blue Ridge Structure Company for the project known as Killian Road Bridge Replacement Project.

Mayor McDevitt said Killian Road Bridge is located upon a City street and is in need of replacement due to its age and present condition. This resolution will authorize a contract with Blue Ridge Stucture Company for removal and replacement of the Killian Road Bridge over Beaverdam Creek. Bridge replacement funds are available for the Killian Road Bridge project. This project will complete the bridges that will be replaced with these funds.

The City Clerk presented the bids received on the Killian Road Bridge Replacement Project as follows:

Absent: None

INVOCATION

The invocation was given by Vice-Mayor Wilhelmina Bratton.

APPROVAL OF THE MINUTES - JANUARY 15, 1985 MEETING

1. Approval of the minutes of the January 15, 1985, meeting.

Mayor McDevitt announced the approval of the minutes of the January 15, 1985, meeting as submitted.

ORDINANCE NO. 1493 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED - PROPERTY LOCATED AT 666 MERRIMON AVENUE (DR. PAUL MICHALOVE PETITION)

2. Consideration was given to the second reading of Ordinance No. 1493, an ordinance amending Ordinance No. 322, known as "An ordinance providing for the zoning of the City of Asheville," as amended - property located at 666 Merrimon Avenue (Dr. Paul Michalove Petition).

Mayor McDevitt said this ordinance was previously read on first and second reading and would not be reread in its entirety unless there was a specific request to do so.

On a roll call vote of 7-0, Ordinance No. 1493 passed on second reading.

ORDINANCE NO. 1491 - AN ORDINANCE DIRECTING THE DIRECTOR OF INSPECTIONS TO DEMOLISH AND REMOVE THE DWELLINGS KNOWN AS 48 AND 53 BLALOCK AVENUE, ASHEVILLE, NORTH CAROLINA

3. Consideration was given to the third reading of Ordinance No. 1491, an ordinance directing the Director of Inspections to demolish and remove the dwellings known as 48 and 53 Blalock Avenue, Asheville, North Carolina.

Mayor McDevitt said this ordinance was previously read on first and second reading and would not be reread in its entirety unless there was a specific request to do so.

Upon inquiry of members of Council, the City Manager said no communication had been received from the owners of 48 and 53 Blalock Avenue relative to the rehabilitation of those dwellings. Mr. Harold Garland, Assistant Director of Inspections, said no work had been done on these dwellings as of 2:20 p.m. on January 22, 1985.

Mayor McDevitt said on December 11, 1984, City Council adopted Ordinance No. 1485, City of Asheville Soil Erosion and Sedimentation Control Ordinance, which became effective on the 1st day of January, 1985. This resolution will provide for fees for grading permits. The cost to administer this program is about $30,000 per year, and the anticipated revenue in an average construction year would be estimated around $8,000 - $10,000 per year.

Mayor McDevitt said members of Council were furnished copies of the resolution and it would not be read in its entirety unless there was a specific request to do so.

Tom Tarrant, City Engineer, said he had met with the Western North Carolina Association of Architects, and had contacted others relative to the establishment of the grading permit fees. He said at these meetings no comments were made relative to the proposed fee structure.

Upon motion of Councilman Boland, seconded by Councilman Bissette, Resolution No. 85-8 was unanimously adopted.

Complete text of Resolution No. 85-8 will be found in Resolution Book No. 15 at page 137.

APPROVAL OF THE CONSENT AGENDA

8. Mayor McDevitt said the following items are of a routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items, City Council may, pursuant to the procedures established in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of City Council, and/or a member of the City staff, any single item scheduled for approval on the consent agenda may be considered separately.

A. Scheduling public hearing relative to a moratorium on new buildings in Haw Creek for February 12, 1985.

At its meeting on January 9, 1985, the Asheville Planning and Zoning Commission after hearing presentation by the Haw Creek Community Association, Inc., voted to recommend to the Asheville City Council that a 90 day moratorium be imposed on all development in the Haw Creek area. The stated purpose for said moratorium is as follows: To allow a study of existing conditions in the neighborhood to determine the ability of utility, roads and street systems to accommodate additional growth. In addition, the Commission recommended that staff study the zoning patterns of the neighborhood along with the ability of the school system to absorb any additional influx of students.

B. Scheduling a public hearing relative to a site plan of the proposed Haw Creek Apartments to be located off Melton Drive in Haw Creek for February 12, 1985.

The Asheville Planning and Zoning Commission, at a meeting held January 9, 1985, reviewed the site plan of the proposed Haw Creek Apartments to be located off Melton Drive in Haw Creek. The plan was prepared by Larry Traber, Architect, for Mike Summey, Developer, and submitted in accordance with the Group Development

Mayor McDevitt said members of Council were furnished copies of the resolution and it would not be read in its entirety unless there was a specific request to do so.

Upon motion of Councilman Frank, seconded by Councilman Boland, Resolution No. 85-6 was unanimously adopted.

Complete text of Resolution No. 85-6 will be found in Resolution Book No. 15 at page 135.

RESOLUTION NO. 85-7 - RESOLUTION AUTHORIZING THE CITY MANAGER TO SIGN AN AGREEMENT WITH CRESAP, McCORMICK AND PAGET, INC. FOR A COMPENSATION AND CLASSIFICATION STUDY OF ALL POSITIONS IN THE CITY OF ASHEVILLE ORGANIZATION

6. Consideration was given to a resolution authorizing the City Manager to contract with the consulting firm for a compensation and classification study for the City of Asheville.

Mayor McDevitt said the Asheville City Council appropriated $40,000 for a city-wide compensation and classification pay study. A request for proposals was issued in October, and proposals from five (5) firms were received and analyzed in November. A staff committee recommends that the Council accept the proposal of Cresap, McCormick and Paget, a Washington, D.C.-based consulting firm. The committee requests that City Council authorize the City Manager to enter into a contract in the amount of $40,000 with Cresap, McCormick and Paget. Funds for this study are already budgeted in the FY 84-85 Budget and will be drawn from Revenue Sharing Funds.

Rebecca Ford, with the Cresap, McCormick and Paget, Inc. firm, thanked members of Council for inviting her to participate in the compensation and classification study for the City of Asheville.

Mayor McDevitt said members of Council were furnished copies of the resolution and it would not be read in its entirety unless there was a specific request to do so.

Upon motion of Councilman Price, seconded by Councilman Boland, Resolution No. 85-7 was unanimously adopted.

Complete text of Resolution No. 85-7 will be found in Resolution Book No. 15 at page 136.

Upon inquiry of Mayor McDevitt, Rebecca Ford said a list of policy decisions to be addressed by the Asheville City Council will be sent to the City staff by January 29, 1985.

RESOLUTION NO. 85-8 - RESOLUTION ESTABLISHING GRADING PERMIT FEES PURSUANT TO CITY OF ASHEVILLE ORDINANCE NO. 1487 (CITY OF ASHEVILLE SOIL EROSION AND SEDIMENTATION CONTROL ORDINANCE)

7. Consideration was given to a resolution establishing grading permit fees pursuant to City of Asheville Ordinance No. 1487 (City of Asheville Soil Erosion and Sedimentation Control Ordinance).

Mayor McDevitt requested that the Corporation Counsel advise him by February 12, 1985, as to whether or not he could participate in the discussion and vote on the issue of a moratorium on new buildings in Haw Creek, due to the fact that his law firm represents Mr. Mike Summey, who is proposing a project in the Haw Creek area. He said he was aware that he would have a conflict of interest on the particular issue of Mr. Mike Summey's proposal for apartments to be located off Melton Drive. However, unless otherwise instructed by the Corporation Counsel, it would be his opinion that he would not be prohibited from participating in the discussion and vote on the moratorium issue.

Mayor McDevitt noted that the public hearings relative to the moratorium on new buildings in Haw Creek, the proposed Haw Creek Apartments to be located off Melton Drive in Haw Creek, and the proposed apartment complex on Beverly Road, scheduled for February 12, 1985, would be held at the Asheville Civic Center in the Banquet Room on Haywood Street.

Councilman Bissette requested that the Corporation Counsel determine whether he would have a conflict of interest in the participation and the vote regarding the moratorium on new buildings in Haw Creek since he has a financial interest in an approved project in the Haw Creek area. He did say: however, that he would ask to be excused from participation and voting on the proposed rezoning of property located on Rock Hill Road requested by the Carolina Power and Light Company since his firm represents Carolina Power and Light Company.

Upon inquiry of Councilman Boland, the City Manager said a study of the zoning patterns in the neighborhood, along with the ability of the school system to absorb additional influx of students in the Haw Creek area is presently under way by the Planning and Zoning Commission: however, he did not feel this study would be completed by the public hearing date of February 12, 1985.

PROCLAMATION - "CATHOLIC SCHOOLS WEEK" - WEEK OF FEBRUARY 3-9, 1985

Mayor McDevitt proclaimed the week of February 3-9, 1985, as "Catholic Schools Week."

CLAIMS - CARRIE McCURRIE (WATER) - PAT LACKEY (PARKS AND RECREATION) - EUGENE WILLIAMS (SEWER) - DONNA LIVINGSTON (POLICE)

The City Manager presented claims received from Carrie McCurrie, Pat Lackey, Eugene Williams, and Donna Livingston.

Mayor McDevitt referred the claims to the Corporation Counsel for investigation and recommendation.

ADJOURNMENT

Councilman Bissette moved to adjourn the meeting at 4:45 p.m. This motion was seconded by Councilman Boland and carried unanimously.

Larry McDevitt
MAYOR

William F. Malcolm
CITY CLERK

Section of the Asheville Zoning Ordinance. After review and discussion, the Commission voted to recommend to City Council that approval of the project be denied.

C. Scheduling a public hearing relative to a site plan for an apartment complex on Beverly Road for February 12, 1985.

The Asheville Planning and Zoning Commission at a meeting held January 9, 1985, reviewed the site plan of a proposed 34-unit apartment complex to be located on Beverly Road. The plan was prepared by Ashley Engineering for Mr. Harry Lerner, Developer, and submitted in accordance with the Group Development Section of the Asheville Zoning Ordinance. After review and discussion, the Commission voted to recommend approval of the site plan to City Council subject to compliance with the Erosion Control Ordinance.

D. Scheduling public hearing relative to rezoning property located on Rock Hill Road from R-1 Residential District to LI Light Industrial District on February 19, 1985.

The Asheville Planning and Zoning Commission at a meeting held January 9, 1985, considered the request of Carolina Power & Light Company by Douglas Thigpen, Attorney, that Ward 7, Sheet 56, Lot 56, be rezoned from R-1 Residential District to LI Light Industrial District. The property is located on Rock Hill Road. After review and discussion, the Commission voted to recommend to City Council that Ward 7, Sheet 56, portion of Lot 56, be rezoned from R-1 Residential District to LI Light Industrial District.

E. Scheduling a public hearing relative to a site plan of the proposed South Mountain Medical, Inc. located in Sweeten Creek Industrial Park for February 19, 1985.

The Asheville Planning and Zoning Commission at a meeting held January 9, 1985, reviewed the site plan of the proposed South Mountain Medical, Inc. industry to be located in Sweeten Creek Industrial Park. The plan was prepared by Danie Johnson, Architect, for Joden Properties, Inc., Developer, and submitted in accordance with the Group Development Section of the Asheville Zoning Ordinance. After review and discussion, the Commission voted to recommend approval of the site plan to City Council subject to compliance with the Erosion Control Ordinance.

F. Scheduling a public hearing for a site plan of a proposed Mobile Home Park to be located on Sand Hill Road for February 19, 1985.

The Asheville Planning and Zoning Commission at a meeting held January 9, 1985, reviewed the site plan of a proposed Mobile Home Park to be located on Sand Hill Road. The plan was prepared by Frank McGahren, Engineer, for Tom Pinkerton, Developer, and submitted in accordance with the Group Development Section of the Asheville Zoning Ordinance. After review and discussion, the Commission voted to recommend approval of the amended plan to City Council subject to compliance with the Erosion Control Ordinance.

Upon motion of Councilman Bissette, seconded by Vice-Mayor Bratton, the consent agenda was unanimously approved.

On a roll call vote of 6-0, Ordinance No. 1494 passed on second reading.

RESOLUTION NO. 85-9 - RESOLUTION AUTHORIZING THE MAYOR TO SIGN A CONTRACT FOR FIRE PROTECTION SERVICES WITH THE VETERANS ADMINISTRATION MEDICAL CENTER AT OTEEN

4. Consideration was given to a resolution authorizing the Mayor to sign a contract for fire protection services with the Veterans Administration Medical Center at Oteen.

Mayor McDevitt said the present agreement with VA Medical Center expires on January 31, 1985. The City staff and the local VA staff have negotiated a contract which expires September 30, 1985. The annual fee for the period from date of award through September 30, 1985, is $150,004.00. This revenue is already included in the FY '85 budget.

Mayor McDevitt said members of council were furnished copies of the resolution and it would not be read in its entirety unless there was a specific request to do so.

Upon motion of Councilman Bissette, seconded by Councilman Frank, Resolution No. 85-9 was unanimously adopted.

Complete text of Resolution No. 85-9 will be found in Resolution Book No. 15 at page 138.

RESOLUTION NO. 85-10 - RESOLUTION OF INTENT TO CONSIDER AN ORDINANCE AMENDING THE CHARTER OF THE CITY OF ASHEVILLE REGARDING THE SELECTION OF MAYOR AND SCHEDULING A PUBLIC HEARING ON THE PROPOSED AMENDMENTS

5. Consideration was given to a resolution of intent to consider an ordinance amending the Charter of the City of Asheville regarding the selection of Mayor and scheduling a public hearing on the proposed amendments for February 26, 1985.

Mayor McDevitt said Resolution No. 83-209 relative to the process for election of the Mayor was unanimously adopted by the City Council of the City of Asheville on December 6, 1983, and said Resolution provided that the City Council go on record endorsing the concept of examining the feasibility of the present process of being elected by the seven (7) members of the City Council. The City Council has continued to examine the feasibility of the direct election of the Mayor by all of the qualified voters of the City. This resolution will schedule a public hearing on February 26, 1985, to afford the people of the City of Asheville the opportunity to voice their opinion on the Direct Election of Mayor proposal.

Mayor McDevitt said members of Council were furnished copies of the resolution and it would not be read in its entirety unless there was a specific request to do so.

Council instructed the Corporation Counsel to determine what action would have to be taken to require the Mayor to vote if the Mayor is directly elected by the people. They also requested that the Corporation Counsel include in the ordinance all other Charter changes that would be affected by the direct election of the Mayor. He was also instructed to determine what procedure a Council would follow for succession if something happened to a current Mayor.

Tuesday - January 29, 1985 - 4:00 p.m.
